(B) in amounts required for any direct or indirect parent of the Parent Guarantor, if applicable, to pay interest and/or principal on Indebtedness the proceeds of which have been contributed to the Parent Guarantor or any of its Restricted Subsidiaries prior to the Issue Date (and excluding for avoidance of doubt the 2020 Notes or any refinancing thereof) and that has been guaranteed by, or is otherwise considered Indebtedness of, the Parent Guarantor Incurred in accordance with Section 4.09; *provided that* the amount of any such proceeds will be excluded from Section 4.07(a)(4)(C)(ii);

(16) the repurchase, redemption or other acquisition or retirement for value of any Subordinated Indebtedness of the Company or any Guarantor pursuant to provisions similar to those described under Section 4.15, *provided that* all Notes tendered by holders of the Notes in connection with a Change of Control Offer have been repurchased, redeemed or acquired for value;

(17) payments or distributions to dissenting stockholders of Capital Stock of the Parent Guarantor pursuant to applicable law in connection with a consolidation, merger or transfer of all or substantially all of the assets of the Parent Guarantor and its Restricted Subsidiaries, taken as a whole, that complies with Section 5.01; *provided that* as a result of such consolidation, merger or transfer of assets, the Company shall have made a Change of Control Offer (if required by this Indenture) and that all Notes tendered by holders in connection with such Change of Control Offer have been repurchased, redeemed or acquired for value; and

The Fair Market Value of any assets or securities that are required to be valued by this Section 4.07 will be determined by the Board of Directors of the Parent Guarantor whose resolution with respect thereto will be delivered to the Trustee as set forth in an Officer's Certificate of the Parent Guarantor. The Parent Guarantor's Board of Directors' determination must be based upon an opinion or appraisal issued by an accounting, appraisal or investment banking firm of international standing (an "*Independent Financial Advisor*") if the Fair Market Value exceeds US$30.0 million.

Section 4.08 *Dividend and Other Payment Restrictions Affecting Subsidiaries.*

(a) The Parent Guarantor and the Company will not, and the Parent Guarantor will not permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause, permit or suffer to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

(6) customary non-assignment provisions in contracts and licenses including, without limitation, with respect to any intellectual property, entered into in the ordinary course of business;

(8) any agreement for the sale or other disposition of Equity Interests or property or assets of a Restricted Subsidiary that restricts distributions by that Restricted Subsidiary pending the sale or other disposition;

(9) Permitted Refinancing Indebtedness; *provided that* the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;

(10) Liens permitted to be incurred under the provisions of Section 4.12 hereof that limit the right of the debtor to dispose of the assets subject to such Liens;

(11) provisions limiting dividends or the disposition or distribution of assets, property or Equity Interests in joint venture or operating agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements, merger agreements and other similar agreements entered into with the approval of the Parent Guarantor's Board of Directors, which limitation is applicable only to the assets, property or Equity Interests that are the subject of such agreements;

Section 4.09 *Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.*

(a) The Parent Guarantor and the Company will not, and the Parent Guarantor will not permit any of its Restricted Subsidiaries to, directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness) and the Parent Guarantor will not issue any shares of Disqualified Stock and the Company will not, and the Parent Guarantor will not permit any of its Restricted Subsidiaries to issue any shares of Preferred Stock; *provided*, *however*, that the Parent Guarantor may Incur Indebtedness (including Acquired Indebtedness) or issue Disqualified Stock, and the Company or any Subsidiary Guarantor may Incur Indebtedness (including Acquired Indebtedness) or issue Preferred Stock, if the Fixed Charge Coverage Ratio of the Parent Guarantor for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is Incurred or such Disqualified Stock or Preferred Stock is issued, as the case may be, would have been at least 2.25 to 1.00 determined on a *pro forma* basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been Incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period.

(b) The provisions of Section 4.09(a) hereof do not apply to the following (collectively, "*Permitted Debt*"):

(2) the Incurrence of Indebtedness represented by the Notes (other than Additional Notes), the Note Guarantees and (b) the 2021 Notes (other than Additional 2021 Notes) and the 2021 Notes Guarantees, and, to the extent those obligations would represent Indebtedness, the Security Documents;

(4) Indebtedness of the Parent Guarantor or any of its Restricted Subsidiaries represented by Capital Lease Obligations, mortgage financings or purchase money obligations, in each case, Incurred for the purpose of financing all or any part of the purchase price or cost of design, construction, installation or improvement of property, plant or other assets (including through the acquisition of Capital Stock of any person that owns property, plant or other assets which will, upon acquisition, become a Restricted Subsidiary) used in the business of the Parent Guarantor or any of its Restricted Subsidiaries, in an aggregate principal amount, including all Permitted Refinancing Indebtedness Incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness Incurred pursuant to this clause (4) and, without duplication, clause 4.09(b)(4) of the 2021 Notes Indenture, not to exceed the greater of (x) US$50.0 million and (y) 2.0% of Total Assets at any time outstanding;

(5) the Incurrence by the Parent Guarantor or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge any Indebtedness (other than intercompany Indebtedness or Indebtedness owed by the Parent Guarantor or any of its Restricted Subsidiaries under the Intercompany Note Proceeds Loans; *provided* that the Parent Guarantor or any of its Restricted Subsidiaries may agree to such amendment of the terms of the Intercompany Note Proceeds Loans as necessary for the refinancing the 2020 Notes so long as (a) the Indebtedness incurred to refinance the 2020 Notes and the Intercompany Note Proceeds Loans, as amended, each has a Weighted Average Life to Maturity no earlier than 90 days after the stated maturity date of the Notes, and (b) as a result of such amendment, the terms of the Intercompany Note Proceeds Loans are not materially more disadvantageous to the Parent Guarantor and its Restricted Subsidiaries, taken as a whole, than the Intercompany Note Proceeds Loans existing on the Issue Date (other than with respect to economic terms of the Indebtedness to which such Intercompany Note Proceeds Loan relates)) that was permitted by this Indenture to be Incurred under the first paragraph of this covenant or clauses (2), (3), (4), (5) or (15) of this Section 4.09(b);

(6) (a) Obligations in respect of workers' compensation claims, self-insurance obligations, bankers' acceptances, performance, bid, appeal and surety bonds and completion or performance guarantees (including the guarantee of any land grant) provided by the Company or any Restricted Subsidiary in connection with the Property or in the ordinary course of business and (b) Indebtedness constituting reimbursement obligations with respect to letters of credit or trade or bank guarantees (including for land grants) issued in the ordinary course of business to the extent that such letters of credit, trade or bank guarantees (including for land grants) are not drawn upon or, if drawn upon, to the extent such drawing is reimbursed no later than thirty (30) days following receipt of a demand for reimbursement;

(7) the Incurrence by the Parent Guarantor or any of its Restricted Subsidiaries of intercompany Indebtedness between or among the Parent Guarantor or any of its Restricted Subsidiaries; *provided, however*, that:

(A) if the Company or any Guarantor is the obligor on such Indebtedness and the payee is not the Company or a Guarantor, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all Obligations then due with respect to the Notes, in the case of the Company, or the Note Guarantee, in the case of a Guarantor; and

(B) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor and (ii) any sale or other transfer of any such Indebtedness to a Person that is not the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor, will be deemed, in each case, to constitute an Incurrence of such Indebtedness by the Parent Guarantor or such Restricted Subsidiary, as the case may be, that was not permitted by this clause (7);

(8) shares of Preferred Stock of a Restricted Subsidiary issued to the Parent Guarantor or another Restricted Subsidiary of the Parent Guarantor; *provided that*

(A) any subsequent issuance or transfer of Equity Interests that results in any such Preferred Stock being held by a Person other than the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor; and

(B) any sale or other transfer of any such Preferred Stock to a Person that is not the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor, will be deemed, in each case, to constitute an issuance of such Preferred Stock by such Restricted Subsidiary that was not permitted by this clause (8).

(9) the Incurrence by the Parent Guarantor or any of its Restricted Subsidiaries of Hedging Obligations in the ordinary course of business and not for speculative purposes;

(10) the guarantee by the Parent Guarantor or any Restricted Subsidiary of the Parent Guarantor of Indebtedness of the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor that was permitted to be Incurred by another provision of this Section 4.09; *provided that* if the Indebtedness being guaranteed is subordinated to or *pari passu* with the Notes, then the guarantee shall be subordinated or *pari passu*, as applicable, to the same extent as the Indebtedness guaranteed;

(11) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds, so long as such Indebtedness is extinguished within five (5) Business Days of its Incurrence;

(12) to the extent constituting Indebtedness, agreements to pay service fees to professionals (including architects, engineers, contractors and designers) in furtherance of and/or in connection with the Property or agreements to pay fees and expenses or other amounts pursuant to the Services and Right to Use Agreement or the MSA or otherwise arising under the Services and Right to Use Agreement or the MSA in the ordinary course of business (*provided*, *that* no such agreements shall give rise to Indebtedness for borrowed money);

(13) Indebtedness arising from agreements providing for indemnification, adjustment of purchase price or similar obligations, or from guarantees or letters of credit, surety bonds, or performance bonds securing any obligation of the Parent Guarantor or any Restricted Subsidiary of the Parent Guarantor pursuant to such agreements, in each case, incurred or assumed in connection with the acquisition or disposition of any business, assets or Capital Stock of a Restricted Subsidiary, other than guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or Subsidiary for the purpose of financing such acquisition; *provided, that* the maximum aggregate liability in respect of all such Indebtedness shall at no time exceed the gross proceeds actually received in connection with such disposition;

(14) Obligations in respect of Shareholder Subordinated Debt;

(15) any guarantees made solely in connection with (and limited in scope to) the giving of a Lien of the type specified in clause (22) of "Permitted Liens" to secure Indebtedness of an Unrestricted Subsidiary, the only recourse of which to the Parent Guarantor and its Restricted Subsidiaries is to the Equity Interests subject to the Liens; and

(16) the Incurrence by the Company or the Guarantors of additional Indebtedness in an aggregate principal amount (or accreted value, as applicable) at any time outstanding, including all Permitted Refinancing Indebtedness Incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness Incurred pursuant to this clause (16) and, without duplication, clause 4.09(b)(16) of the 2021 Notes Indenture, not to exceed US$30.0 million.

The Parent Guarantor and the Company will not Incur, and the Parent Guarantor will not permit any Subsidiary Guarantor to Incur, any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Parent Guarantor, the Company or such Subsidiary Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms; *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Parent Guarantor, the Company or any Subsidiary Guarantor solely by virtue of being unsecured or by virtue of being secured on a first or junior Lien basis.

For purposes of determining compliance with this Section 4.09, in the event that an item of proposed Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (16) above, or is entitled to be Incurred pursuant to the first paragraph of this covenant, the Parent Guarantor and the Company will be permitted to classify such item of Indebtedness on the date of its Incurrence, or later reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.09. Indebtedness incurred under the Senior Secured Credit Facilities will be deemed to have been incurred in reliance on the exception provided by clause (1)(x) of the definition of Permitted Debt and may not be reclassified. The accrual of interest, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of Preferred Stock as Indebtedness due to a change in accounting principles, and the payment of dividends on Disqualified Stock in the form of additional shares of the same class of Disqualified Stock will not be deemed to be an Incurrence of Indebtedness or an issuance of Disqualified Stock for purposes of this Section 4.09; provided, in each such case, that the amount of any such accrual, accretion or payment is included in Fixed Charges of the Parent Guarantor as accrued. Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Parent Guarantor or any Restricted Subsidiary of the Parent Guarantor may Incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

Further, for purposes of determining compliance with this covenant, to the extent the Parent Guarantor or any of its Restricted Subsidiaries (including the Company) guarantees Indebtedness of a direct or indirect parent entity to the extent otherwise permitted by this covenant, the on-loan by such direct or indirect parent entity to the Parent Guarantor or any of its Restricted Subsidiaries of all or a portion of the principal amount of such Indebtedness will not be double counted.

The amount of any Indebtedness outstanding as of any date will be:

(1) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;

(2) the principal amount of the Indebtedness, in the case of any other Indebtedness; and

(3) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:

(A) the Fair Market Value of such assets at the date of determination; and

(B) the face amount of the Indebtedness of the other Person.

Section 4.10 *Asset Sales.*

(a) The Parent Guarantor and the Company will not, and the Parent Guarantor will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale (other than an Event of Loss), unless:

(1) the Company, the Parent Guarantor or the Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of; and

(2) at least 75% of the consideration received in the Asset Sale by the Company, the Parent Guarantor or such Restricted Subsidiary is in the form of cash. For purposes of this provision, each of the following will be deemed to be cash:

(A) any liabilities, as shown on the Parent Guarantor’s most recent consolidated balance sheet, of the Parent Guarantor or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Note Guarantee) that are assumed by the transferee of any such assets pursuant to a customary novation agreement that releases the Parent Guarantor or such Restricted Subsidiary from further liability;

(B) any securities, notes or other Obligations received by the Parent Guarantor or any such Restricted Subsidiary from such transferee that are, within 30 days of the receipt thereof, converted by the Parent Guarantor or such Restricted Subsidiary into cash, to the extent of the cash received in that conversion; and

(C) any stock or assets of the kind referred to in Section 4.10(b)(2) or Section 4.10(b)(4).

(b) Within 360 days after the receipt of any Net Proceeds from an Asset Sale (including an Event of Loss), the Company, the Parent Guarantor or the applicable Restricted Subsidiary, as the case may be may apply such Net Proceeds:

(1) to repay (a) Indebtedness Incurred under Section 4.09(b)(1) and Indebtedness that is secured under clause (25) of the definition of "Permitted Liens", (b) other Indebtedness of the Company or a Guarantor secured by property and assets that do not constitute Collateral that is the subject of such Asset Sale, and, in each case, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto, (c) Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor or (d) the Notes or the 2021 Notes pursuant to the redemption provisions of this Indenture or the 2021 Notes Indenture, as applicable;

(2) to acquire all or substantially all of the assets of another Permitted Business, or any Capital Stock of, a Person undertaking another Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of the Parent Guarantor (*provided that* (a) such acquisition funded with any proceeds from an Event of Loss occurs within the date that is 545 days after receipt of the Net Proceeds from the relevant Event of Loss to the extent that a binding agreement to acquire such assets or Capital Stock is entered into on or prior to the date that is 360 days after receipt of the Net Proceeds from the relevant Event of Loss, and (b) if such acquisition is not consummated within the period set forth in clause (a), the Net Proceeds not so applied will be deemed to be Excess Proceeds);

(3) to make a capital expenditure (*provided that* any such capital expenditure funded with any proceeds from an Event of Loss occurs within the date that is 545 days after receipt of the Net Proceeds from the relevant Event of Loss to the extent that a binding agreement to make such capital expenditure is entered into on or prior to the date that is 360 days after receipt of the Net Proceeds from the relevant Event of Loss); or

(4) to acquire other assets that are not classified as current assets under GAAP and that are used or useful in a Permitted Business (*provided that* (a) such acquisition funded from an Event of Loss occurs within the date that is 545 days after receipt of the Net Proceeds from the relevant Event of Loss to the extent that a binding agreement to acquire such assets is entered into on or prior to the date that is 360 days after receipt of the Net Proceeds from the relevant Event of Loss, and (b) if such acquisition is not consummated within the period set forth in clause (a), the Net Proceeds not so applied will be deemed to be Excess Proceeds);

or enter into a binding commitment regarding clauses (2), (3) or (4) above (in addition to the binding commitments expressly referenced in those clauses), *provided that* such binding commitment shall be treated as a permitted application of Net Proceeds from the date of such commitment until the earlier of (x) the date on which such acquisition or expenditure is consummated and (y) the 180th day following the expiration of the aforementioned 360-day period. To the extent such acquisition or expenditure is not consummated on or before such 180th day and the Company, the Parent Guarantor or such Restricted Subsidiary shall not have applied such Net Proceeds pursuant to clauses (2), (3) or (4) above on or before such 180th day, such commitment shall be deemed not to have been a permitted application of Net Proceeds, and such Net Proceeds will constitute Excess Proceeds.

(c) Pending the final application of any Net Proceeds, the Company may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(d) Any Net Proceeds from Asset Sales that are not applied or invested as provided in the second paragraph of this Section 4.10 will constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds US$5.0 million, within ten (10) days thereof, the Company shall make an Asset Sale Offer to all Holders and all holders of other Indebtedness that is *pari passu* with the Notes and secured by the Collateral containing provisions similar to those set forth in this Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets to purchase the maximum principal amount of Notes and such other *pari passu* Indebtedness that may be purchased out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount plus accrued and unpaid interest and Additional Amounts, if any, to the date of purchase, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Company will purchase all tendered Notes and such other *pari passu* Indebtedness on a *pro rata* basis unless otherwise required under Section 3.02. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(e) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of Section 3.09 hereof or this Section 4.10, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under Section 3.09 hereof or this Section 4.10 by virtue thereof.

Section 4.11 *Transactions with Affiliates.*

(a) The Parent Guarantor and the Company will not, and the Parent Guarantor will not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Parent Guarantor or the Company (each, an "*Affiliate Transaction*"), unless:

(1) the Affiliate Transaction is on terms that are no less favorable to the Company, the Parent Guarantor or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company, the Parent Guarantor or such Restricted Subsidiary with a Person that is not an Affiliate of the Parent Guarantor or the Company; and

(2) the Parent Guarantor delivers to the Trustee:

(A) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US$30.0 million, a resolution of the Board of Directors of the Parent Guarantor set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with this Section 4.11(a) and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of the Parent Guarantor or, if the Board of Directors of the Parent Guarantor has no disinterested directors, approved in good faith by a majority of the members (or in the case of a single member, the sole member) of the Board of Directors of the Parent Guarantor; and

(B) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US$45.0 million, an opinion as to the fairness to the Parent Guarantor or such Restricted Subsidiary of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of international standing, or other recognized independent expert of national standing with experience appraising the terms and conditions of the type of transaction or series of related transactions.

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.11(a) hereof:

(1) any employment agreement, employee benefit plan (including compensation, retirement, disability, severance and other similar plan), officer or director indemnification, stock option or incentive plan or agreement, employee equity subscription agreement or any similar arrangement entered into by the Parent Guarantor or any of its Restricted Subsidiaries in the ordinary course of business and payments pursuant thereto;

(2) transactions between or among the Company, the Parent Guarantor and/or its Restricted Subsidiaries;

(3) transactions with a Person (other than an Unrestricted Subsidiary) that is an Affiliate of the Parent Guarantor or the Company solely because the Parent Guarantor or the Company, as the case may be, owns directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(7) any agreement or arrangement existing on the Issue Date, including any amendments, modifications, supplements, extensions, replacements, terminations or renewals (so long as any such agreement or arrangement together with all such amendments, modifications, supplements, extensions, replacements, terminations and renewals, taken as a whole, is not materially more disadvantageous to the Parent Guarantor and its Restricted Subsidiaries, taken as a whole, than the original agreement or arrangement as in effect on the Issue Date, unless any such amendments, modifications, supplements, extensions, replacements, terminations or renewals are imposed by any Gaming Authority or any other public authority having jurisdiction over Melco Crown Macau, the Parent Guarantor or any of its Restricted Subsidiaries, including, but not limited to, the government of the Macau SAR);

(8) loans or advances to employees in the ordinary course of business not to exceed US$1.0 million in the aggregate at any one time outstanding;

Section 4.12 *Liens.*

The Parent Guarantor and the Company will not, and the Parent Guarantor will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind securing Indebtedness on any asset now owned or hereafter acquired or any proceeds, income or profits therefrom or assign or convey any right to receive income therefrom, except Permitted Liens, or, if such Lien is not a Permitted Lien, unless the Notes and the Note Guarantees are secured on a *pari passu* basis with the obligations so secured until such time as such obligations are no longer secured by a Lien.

Section 4.13 *Business Activities.*

The Parent Guarantor and the Company will not, and the Parent Guarantor will not permit any of its Restricted Subsidiaries to, engage in any business other than Permitted Business, except to such extent as would not be material to the Parent Guarantor and its Restricted Subsidiaries (taken as a whole).

Section 4.14 *Corporate Existence.*

Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) its corporate existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Subsidiary; and

(2) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries; *provided, however,* that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Subsidiaries, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders.

Section 4.15 *Offer to Repurchase upon Change of Control.*

(a) Upon the occurrence of a Change of Control, each Holder will have the right to require the Company to repurchase all or any part of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest and Additional Amounts, if any, to the date of repurchase (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date), except to the extent the Company has previously or concurrently elected to redeem the Notes in full pursuant to Section 3.07 hereof. Within ten (10) days following any Change of Control, except to the extent that the Company has exercised its right to redeem the Notes by delivery of a notice of redemption pursuant to Section 3.03 hereof, the Company shall mail a notice (a "*Change of Control Offer*") to each Holder with a copy to the Trustee stating:

(1) that a Change of Control has occurred and that such Holder has the right to require the Company to repurchase such Holder's Notes at a repurchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest to the date of repurchase (subject to the right of holders of record on a record date to receive interest on the relevant interest payment date (the "*Change of Control Payment*"));

(2) the circumstances and relevant facts and financial information regarding such Change of Control;

(3) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed) (the "*Change of Control Payment Date*");

(4) that any Note not tendered will continue to accrue interest;

(5) that, unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date;

(6) the Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(7) the Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased, and

(8) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, *provided* that the unpurchased portion has a minimum denomination of US$200,000.

(b) On the Change of Control Payment Date, the Company will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Paying Agent the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes properly tendered and being purchased by the Company.

The Paying Agent will promptly mail (but in any case not later than five (5) days after the Change of Control Payment Date) to each Holder properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any, *provided* that the unpurchased portion has a minimum denomination of US$200,000. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(c) Notwithstanding anything to the contrary in this Section 4.15, the Company will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.15 hereof and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to Section 3.03 hereof, unless and until there is a default in payment of the applicable redemption price.

(d) A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(e) Notes repurchased by the Company pursuant to a Change of Control Offer will be retired and cancelled at the option of the Company. Notes purchased by a third party pursuant to the preceding paragraph will have the status of Notes issued and outstanding.

(f) The Company will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of the Notes pursuant to this Section 4.15. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.15, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.15 by virtue of such compliance.

Section 4.16 *Payments for Consents.*

The Parent Guarantor and the Company will not, and the Parent Guarantor will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture, the Notes, the Note Guarantees, the Security Documents or the Intercreditor Agreement unless such consideration is (1) offered to be paid; and (2) is paid to all Holders that consent, waive or agree to amend within the time frame and on the terms set forth in the solicitation documents relating to such consent, waiver or agreement.

Notwithstanding the foregoing, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes in connection with an exchange offer, the Company and any of the Restricted Subsidiaries may exclude (a) in connection with an exchange offer, holders or beneficial owners of the Notes that are not "qualified institutional buyers" as defined in Rule 144A under the Securities Act, and (b) in connection with any consent, waiver or amendment, holders or beneficial owners of the Notes in any jurisdiction where the inclusion of such holders or beneficial owners would require the Company or any of its Restricted Subsidiaries to (i) file a registration statement, prospectus or similar document or subject the Company or any of its Restricted Subsidiaries to ongoing periodic reporting or similar requirements under any securities laws (including but not limited to, the United States federal securities laws and the laws of the European Union or its member states), (ii) qualify as a foreign corporation or other entity as a dealer in securities in such jurisdiction if it is not otherwise required to so qualify, (iii) generally consent to service of process in any such jurisdiction or (iv) subject the Company or any of its Restricted Subsidiaries to taxation in any such jurisdiction if it is not otherwise so subject, or the solicitation of such consent, waiver or amendment from, or the granting of such consent or waiver, or the approval of such amendment by, holders or beneficial owners in such jurisdiction would be unlawful, in each case as determined by the Company in its sole discretion.

Section 4.17 *Future Guarantors.*

(a) If the Parent Guarantor or any of its Restricted Subsidiaries acquires or creates another Subsidiary after the Issue Date, then the Parent Guarantor shall cause such newly acquired or created Subsidiary to become a Guarantor (in the event that such Subsidiary provides a guarantee of any other Indebtedness of the Company or a Guarantor of the type specified under clauses (1) or (2) of the definition of "Indebtedness"), at which time such Subsidiary shall:

(1) execute a supplemental indenture in the form attached as Exhibit D hereto pursuant to which such Subsidiary shall unconditionally guarantee, on a senior basis, all of the Company's Obligations under this Indenture and the Notes on the terms set forth in this Indenture;

(2) execute and deliver to the Security Agent and/or the Intercreditor Agent (as applicable) such amendments or supplements to the Security Documents necessary in order to grant to the Security Agent, for the benefit of the Trustee and the holders of the Notes, a perfected security interest (subject to Permitted Liens and to the extent permitted under applicable law) in the Collateral owned by such Subsidiary Guarantor required to be pledged pursuant to the Security Documents;

(3) take such further action and execute and deliver such other documents as otherwise may be reasonably requested by the Trustee, the Security Agent or the Intercreditor Agent to give effect to the foregoing; and

(4) deliver to the Trustee, the Security Agent and the Intercreditor Agent an Opinion of Counsel that (i) such supplemental indenture and any other documents required to be delivered have been duly authorized, executed and delivered by such Subsidiary and constitute legal, valid, binding and enforceable Obligations of such Subsidiary and (ii) the Security Documents to which such Subsidiary is a party create a valid perfected Lien on the Collateral covered thereby to the extent permitted under applicable law.

(b) Notwithstanding the foregoing, any Guarantee of the Notes created pursuant to the provisions described in paragraph (a) above may provide by its terms that it will be automatically and unconditionally released and discharged upon:

(1) (with respect to any Guarantee created after the date of this Indenture) the release by the holders of the Company's, the Parent Guarantor's or the Subsidiary Guarantor's Debt described in paragraph (a) above, of their guarantee by such Restricted Subsidiary (including any deemed release upon payment in full of all obligations under such Debt other than as a result of payment under such guarantee), at a time when:

(A) no other Indebtedness of either Company, the Parent Guarantor or any Subsidiary Guarantor has been guaranteed by such Restricted Subsidiary; or

(B) the holders of all such other Indebtedness that is guaranteed by such Restricted Subsidiary also release their guarantee by such Restricted Subsidiary (including any deemed release upon payment in full of all obligations under such Debt other than as a result of payment under such guarantee); or

(2) the release of the Guarantees on the terms and conditions and in the circumstances described in Section 11.08 hereof.

(c) Each additional Note Guarantee will be limited as necessary to recognize certain defences generally available to guarantors (including those that relate to fraudulent conveyance or transfer, voidable preference, financial assistance, corporate purpose, capital maintenance or similar laws, regulations or defences affecting the rights of creditors generally) or other considerations under applicable law. Notwithstanding Section 4.17(a), the Parent Guarantor shall not be obligated to cause such Restricted Subsidiary to Guarantee the Notes to the extent that such Guarantee by such Restricted Subsidiary would reasonably be expected to give rise to or result in (i) any liability for the officers, directors or shareholders of such Restricted Subsidiary or (ii) any significant cost, expense, liability or obligation (including with respect of any Taxes, but excluding any reasonable guarantee or similar fee payable to the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor) other than reasonable out of pocket expenses.

Section 4.18 *Designation of Restricted and Unrestricted Subsidiaries.*

The Board of Directors of the Parent Guarantor may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default; *provided that* in no event will the business currently operated by the Company, Studio City Developments Limited, Studio City Entertainment Limited or Studio City Hotels Limited be transferred to or held by an Unrestricted Subsidiary. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Parent Guarantor and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.07 hereof or under one or more clauses of the definition of Permitted Investments, as determined by the Parent Guarantor. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of the Parent Guarantor may re-designate any Unrestricted Subsidiary to be a Restricted Subsidiary if that re-designation would not cause a Default.

Any designation of a Subsidiary of the Parent Guarantor as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a certified copy of a resolution of the Board of Directors of the Parent Guarantor giving effect to such designation and an Officer's Certificate of the Parent Guarantor certifying that such designation complied with the preceding conditions and was permitted by Section 4.07 hereof. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be Incurred by a Restricted Subsidiary of the Parent Guarantor as of such date and, if such Indebtedness is not permitted to be Incurred as of such date under Section 4.09 hereof, Parent Guarantor and the Company will be in Default of such covenant. The Board of Directors of the Parent Guarantor may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Parent Guarantor; *provided that* such designation will be deemed to be an Incurrence of Indebtedness by a Restricted Subsidiary of the Parent Guarantor of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under Section 4.09 hereof, calculated on a *pro forma* basis as if such designation had occurred at the beginning of the reference period; and (2) no Default or Event of Default would be in existence following such designation. On such designation, the Parent Guarantor shall deliver an Officer's Certificate of the Parent Guarantor to the Trustee regarding such designation and certifying that such designation complies with the preceding conditions and the relevant covenants under this Indenture.

Section 4.19 *Listing.*

The Company will use its commercially reasonable efforts to list and maintain the listing and quotation of the Notes on the Official List of the Singapore Exchange Securities Trading Limited or another comparable exchange.

Section 4.20 *Limitations on Use of Proceeds*

The Parent Guarantor and the Company will not, and the Parent Guarantor will not cause or permit any of its Restricted Subsidiaries to, use the net proceeds from the sale of the Notes, in any amount, for any purpose other than as set forth under the caption "Use of Proceeds" in the Offering Memorandum.

Section 4.21 *Impairment of Security Interest*

(a) Subject to clauses (b) and (c) below, the Parent Guarantor and the Company will not, and the Parent Guarantor will not cause or permit any of its Restricted Subsidiaries to, take or knowingly omit to take, any action which action or omission would have the result of materially impairing the security interest over any of the assets comprising the Collateral (it being understood that the incurrence of Liens on the Collateral permitted by the last paragraph of the definition of Permitted Liens shall under no circumstances be deemed to materially impair the security interest with respect to the Collateral), for the benefit of the Trustee, the Security Agent, the Intercreditor Agent and the holders of Notes (including the priority thereof).

(b) At the request of the Parent Guarantor and without the consent of the holders of the Notes, the Trustee may from time to time (subject to receipt of the documents described in Section 7.02(b)) direct the Security Agent and/or the Intercreditor Agent (as applicable) (and acting on such direction the Security Agent and/or the Intercreditor Agent may, to the extent authorized and permitted by the Intercreditor Agreement), enter into one or more amendments to the Security Documents to: (i) cure any ambiguity, omission, defect or inconsistency therein; (ii) provide for any Permitted Liens; (iii) add to the Collateral or (iv) make any other change thereto that does not adversely affect the holders of the Notes in any material respect; *provided, however*, that no Security Document may be amended, extended, renewed, restated, supplemented or otherwise modified or replaced, unless contemporaneously with such amendment, extension, renewal, restatement, supplement, modification or replacement, the Parent Guarantor delivers to the Trustee, any of:

(1) a solvency opinion, in form satisfactory to the Trustee, from an Independent Financial Advisor confirming the solvency of the Parent Guarantor and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement;

(2) a certificate from the Board of Directors or chief financial officer of the Parent Guarantor (acting in good faith), substantially in the form attached hereto as Exhibit E to this Indenture, confirming the solvency of the Person granting such Lien after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement; or

(3) an opinion of counsel, in form satisfactory to the Trustee confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, the Lien or Liens securing the applicable Notes created under the Security Documents as so amended, extended, renewed, restated, supplemented, modified or replaced remain valid and perfected Liens not otherwise subject to any limitation, imperfection or new hardening period, in equity or at law, that such Lien or Liens were not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, supplement, modification, replacement or release and retaking.

(c) Nothing in this Section 4.21 will restrict and clause (b) above will not apply to (x) any release, amendment, extension, renewal, restatement, supplement, modification or replacement of any security interests in compliance with the provisions set out in Section 10.06 or (y) any Permitted Land Concession Amendment.

(d) In the event that the Parent Guarantor complies with this Section 4.21, the Trustee and/or the Security Agent and/or the Intercreditor Agent, as applicable, shall (to the extent authorized and permitted under the Intercreditor Agreement and subject to customary protections and indemnifications) consent to such amendment, extension, renewal, restatement, supplement, modification, replacement or release with no need for instructions from the Holders; *provided* such amendments do not impose any personal obligations on the Trustee and/or the Security Agent and/or the Intercreditor Agent or adversely affect the rights, duties, liabilities or immunities of the Trustee under this Indenture or the Intercreditor Agreement.

Section 4.22 *Suspension of Covenants*

(a) The following covenants (the "*Suspended Covenants*") will not apply during any period during which the Notes have an Investment Grade Status (a "*Suspension Period*"): Section 4.07, Section 4.08, Section 4.09, Section 4.10, Section 4.11, with respect to the Parent Guarantor and the Company Section 5.01(a)(3), Section 4.17 and Section 4.21. Additionally, during any Suspension Period, neither the Parent Guarantor nor the Company will be permitted to designate any Restricted Subsidiary as an Unrestricted Subsidiary.

(b) In the event that the Parent Guarantor and its Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing, and on any subsequent date (the "*Reversion Date*") the Notes cease to have Investment Grade Status, then the Suspended Covenants will apply with respect to events occurring following the Reversion Date (unless and until the Notes subsequently attain an Investment Grade Status, in which case the Suspended Covenants will again be suspended for such time that the Notes maintain an Investment Grade Status); *provided*, *however*, that no Default or Event of Default will be deemed to exist under the Indenture with respect to the Suspended Covenants, and none of the Parent Guarantor, the Company or any of their respective Subsidiaries will bear any liability for any actions taken or events occurring during a Suspension Period and before any related Reversion Date, or any actions taken at any time pursuant to any contractual obligation or binding commitment arising prior to such Reversion Date, regardless of whether those actions or events would have been permitted if the applicable Suspended Covenant had remained in effect during such period. The Company shall notify the Trustee should the Notes achieve Investment Grade Status, *provided* that such notification shall not be a condition for the suspension of the covenants set forth above to be effective. The Trustee shall be under no obligation to notify the holders of the Notes that the Notes have achieved Investment Grade Status.

(c) On each Reversion Date, all Indebtedness Incurred during the Suspension Period prior to such Reversion Date will be deemed to be Indebtedness existing on the Issue Date. For purposes of calculating the amount available to be made as Restricted Payments under Section 4.07(a)(4)(C) on or after the Reversion Date, calculations under such covenant shall be made as though such covenant had been in effect during the entire period of time after the Issue Date (including the Suspension Period). Restricted Payments made during the Suspension Period not otherwise permitted pursuant to any of clauses (2) through (6) or (18) under Section 4.07(b) will reduce the amount available to be made as Restricted Payments under Section 4.07(a)(4)(C); provided, that the amount available to be made as Restricted Payments on the Reversion Date shall not be reduced to below zero solely as a result of such Restricted Payments. In addition, for purposes of the other Suspended Covenants, all agreements entered into and all actions taken during the Suspension Period, including, without limitation, the Incurrence of Indebtedness shall be deemed to have been taken or to have existed prior to the Issue Date.

## DEFAULTS AND REMEDIES

(1) default for 30 days in the payment when due of interest or Additional Amounts, if any, on the Notes;

(2) default in the payment when due (at maturity, upon redemption, upon required repurchase, or otherwise) of the principal of, or premium, if any, on the Notes;

(A) is caused by a failure to pay principal of, or interest or premium, if any, on, such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "*Payment Default*"); or

(B) results in the acceleration of such Indebtedness prior to its express maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates US$15.0 million or more at any time outstanding;

(6) failure by the Parent Guarantor or any of its Restricted Subsidiaries to pay final judgments entered by a court or courts of competent jurisdiction (other than any judgment as to which a reputable third party insurer has accepted full responsibility and coverage) aggregating in excess of US$15.0 million, which judgments are not paid, discharged or stayed for a period of 60 days;

(D) makes a general assignment for the benefit of its creditors, or

(E) generally is not paying its debts as they become due;

(8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary in an involuntary case;

(B) appoints a custodian of the Company or of any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary or for all or substantially all of the property of the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary; or

(C) orders the liquidation of the Company or of any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary;

Section 6.02 *Acceleration.*

In the case of an Event of Default specified in Section 6.01(a)(7) or 6.01(a)(8) hereof, with respect to the Company, the Parent Guarantor, any Restricted Subsidiary of the Parent Guarantor that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Parent Guarantor that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately.

Upon any such declaration, the Notes shall become due and payable immediately.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, rescind an acceleration and its consequences, if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal, interest, premium or Additional Amounts, if any, that has become due solely because of the acceleration) have been cured or waived.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium and Additional Amounts, if any, and interest on the Notes or to enforce the performance of any provision of the Notes, this Indenture or the Security Documents.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of the principal of, premium, Additional Amounts, if any, or interest on, the Notes (including in connection with an offer to purchase); *provided*, *however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct, in writing, the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders or that may involve the Trustee in personal liability.

Section 6.06 *Limitation on Suits.*

(a) Subject to the provisions of this Indenture relating to the duties of the Trustee, in case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any Holders unless such Holders have offered to the Trustee reasonable indemnity and/or security to its satisfaction against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, or interest or Additional Amounts, if any, when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes have made a written request to the Trustee to pursue the remedy;

(3) such Holders have offered the Trustee security and/or indemnity to its satisfaction against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security and/or indemnity to its satisfaction; and

(5) during such 60-day period, Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a written direction inconsistent with such request.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07 *Rights of Holders to Receive Payment.*

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal, premium, Additional Amounts, if any, and interest on the Notes, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder; *provided that* a Holder shall not have the right to institute any such suit for the enforcement of payment if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the Lien of this Indenture upon any property subject to such Lien.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(a)(1) or (a)(2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium, Additional Amounts, if any, and interest remaining unpaid on, the Notes and interest on overdue principal and premium, if any and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.08 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.08 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

Subject to the terms of the Intercreditor Agreement, if the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

*First*: to the Trustee, the Agents, and their respective agents and attorneys for amounts due under Section 7.08 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee or any Agent, and the costs and expenses of collection;

*Second*: to Holders for amounts due and unpaid on the Notes for principal, premium, Additional Amounts, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, Additional Amounts, if any, and interest, respectively; and

*Third*: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

## ARTICLE 7
## TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(3) other than with respect to a payment default, the Trustee shall not be charged with knowledge of any Default or Event of Default unless written notice has been delivered to a Responsible Officer at the Corporate Trust Office of the Trustee referencing the applicable provision of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture or the Intercreditor Agreement will require the Trustee, to expend or risk its own funds or incur any liability.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may engage and consult with professional advisors and counsel selected by it at the reasonable expense of the Company, and the Trustee may rely conclusively upon advice of such professional advisors and counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon by the Trustee and any of its directors, officers, employees or agents duly appointed.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care. The Trustee shall have no duty to monitor the performance of such agents.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture and the Intercreditor Agreement. The Trustee shall not be required to take action at the direction of the Company or Holders which conflicts with the requirements of this Indenture and the Intercreditor Agreement or for which it is not indemnified to its satisfaction, or which involves undue risk or would be contrary to applicable law or regulation.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer or a director of the Company.

(f) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture or the Intercreditor Agreement at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity and/or security satisfactory to it in its sole discretion against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(g) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(h) The recitals contained herein and in the Notes are made by the Company and not by the Trustee, and the Trustee, does not assume any responsibility for the correctness thereof. The Trustee makes no representation as to the validity or sufficiency of this Indenture, the Notes, the Intercreditor Agreement or Security Documents.

(i) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records, and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(j) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(k) The rights, privileges, indemnity, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder and each agent, custodian and other Person employed to act hereunder and shall be incorporated by reference and made a part of the Security Documents and the Intercreditor Agreement;

(l) The Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture;

(m) In the event that the Trustee and Agents shall be uncertain as to their respective duties or rights hereunder or shall receive instructions, claims or demands from the Company, which in their opinion, conflict with any of the provisions of this Indenture, they shall be entitled to refrain from taking action until directed in writing by a final order or judgment of a court of competent jurisdiction; and

(n) So long as any of the Notes remains outstanding, the Company shall provide the Agents with a sufficient number of copies of this Indenture and each of the documents sent to the Trustee or which are required to be made available by stock exchange regulations or stated in the Offering Memorandum relating to the Notes, to be available and, subject to being provided with such copies, each of the Agents will procure that such copies shall be available at its specified office during normal office hours for examination by the Holders and that copies thereof will be furnished to the Holders upon written request at their own expense.

(o) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer’s Certificate and/or an Opinion of Counsel;

(p) in the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than a majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee, in its sole discretion, may determine what action, if any, will be taken and shall not incur any liability for its failure to act until such inconsistency or conflict is, in its reasonable opinion, resolved;

(q) the Trustee may, before commencing (or at any time during the continuance of) any act, action or proceeding, require the Holders at whose instance it is acting to deposit with the Trustee the Notes held by them, for which Notes the Trustee to which such Notes are deposited shall issue receipts to such Holders;

(r) notwithstanding any other provision of this Indenture, the Trustee and the Paying Agent shall be entitled to make a deduction or withholding from any payment which they make under this Indenture for or on account of any present or future taxes, duties or charges if and to the extent so required by applicable law, in which event the Trustee or the Paying Agent, as applicable, shall make such payment after such withholding or deduction has been made and shall account to the relevant authorities for the amount so withheld or deducted;

(s) the Trustee shall (except as expressly otherwise provided herein) as regards all the trusts, powers, authorities and discretions vested in it by this Indenture or by applicable law, have absolute and uncontrolled discretion as to the exercise or non-exercise thereof and, absent any wilful misconduct, gross negligence or fraud on the part of the Trustee the Trustee shall not be responsible for any loss, damage, cost, claim or any other liability or inconvenience that may result from the exercise or non-exercise thereof;

(t) unless otherwise specifically provided in this Indenture, any demand, request, direction or notice of the Company mentioned herein shall be sufficiently evidenced if in writing and signed by an Officer of the Company and any resolution of the Board of Directors shall be sufficiently evidenced by a board resolution;

(u) the Trustee shall have no duty to inquire as to the performance of the covenants of the Parent Guarantor or its Restricted Subsidiaries. Delivery of reports, information and documents to the Trustee under Section 4.03 hereof shall be for informational purposes only as regards the Trustee and the Trustee's receipt of such reports, information and documents shall not constitute constructive notice of any information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates);

(v) the Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes;

(w) the Trustee is not required to give any bond or surety with respect to the performance of its duty or the exercise of its power under this Indenture or the Notes;

(x) no provision of this Indenture shall require the Trustee to do anything which, in its opinion, may be illegal or contrary to applicable law or regulation;

(y) the Trustee may assume without inquiry in the absence of actual knowledge that the Company and the Parent Guarantor are duly complying with their obligations contained in this Indenture required to be performed and observed by them, and that no Default or Event of Default or other event which would require repayment of the Notes has occurred;

(z) At any time that the security granted pursuant to the Security Documents has become enforceable and the Holders have given a direction to the Trustee to enforce such Collateral, the Trustee is not required to give any direction to the Security Agent with respect thereto unless it has been indemnified and/or secured in accordance with Section 7.01(e) hereof, if requested. In any event, in connection with any enforcement of such security, the Trustee is not responsible for:

(A) any failure of the Security Agent to enforce such security within a reasonable time or at all;

(B) any failure of the Security Agent to pay over the proceeds of enforcement of the Collateral;

(C) any failure of the Security Agent to realize such security for the best price obtainable;

(D) monitoring the activities of the Security Agent in relation to such enforcement;

(E) taking any enforcement action itself in relation to such security;

(F) agreeing to any proposed course of action by the Security Agent which could result in the Trustee incurring any liability for its own account; or

(G) paying any fees, costs or expenses of the Security Agent; and

(aa) the permissive right of the Trustee to take the actions permitted by this Indenture and the Intercreditor Agreement shall not be construed as an obligation or duty to do so.

Section 7.03 *Limitation on Duties of Trustee in Respect of Collateral; Indemnification*

(a) Beyond the exercise of reasonable care in the custody thereof, the Trustee, shall have no duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Trustee shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. The Trustee shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords other collateral and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Trustee in good faith.

(b) The Trustee shall not be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority of enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence, bad faith or willful misconduct on the part of the Trustee for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title of the Company to the Collateral, for insuring the Collateral or otherwise as to the maintenance of the Collateral. The Trustee shall have no duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture, the Intercreditor Agreement or the Security Documents, by the Company or the Guarantors.

Section 7.04 *Individual Rights of Trustee.*

(a) The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. The Trustee is also subject to Section 7.11 hereof.

(b) If the Trustee becomes a creditor of the Company or a Guarantor, this Indenture limits its right to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee will be permitted to engage in other transactions; however, if it acquires actual knowledge that it has any conflicting interest it must eliminate such conflict within 90 days or resign.

Section 7.05 *Trustee's Disclaimer.*

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Intercreditor Agreement, the Security Documents or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture or the Intercreditor Agreement, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture or the Intercreditor Agreement other than the certificate of authentication. The Trustee shall not be deemed to be required to calculate any Fixed Charges, Treasury Rates, Additional Amounts, any make-whole amount, any Fixed Charge Coverage Ratio or other coverage ratio, or otherwise.

Section 7.06 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee will mail to Holders a notice of the Default or Event of Default within ninety (90) days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium, Additional Amounts, if any, or interest on, any Note, the Trustee shall not be deemed to have such actual knowledge and may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders.

Section 7.07 *[Intentionally Omitted.]*

Section 7.08 *Compensation and Indemnity.*

(a) The Company will pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder pursuant to a written fee agreement executed or as otherwise agreed by the Trustee and the Company. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses properly incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Company and the Guarantors will indemnify the Trustee and its officers, directors, employees and agents against any and all losses, liabilities or expenses (including the fees and expenses of counsel) incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture and the Intercreditor Agreement, including the costs and expenses of enforcing this Indenture against the Company and the Guarantors (including this Section 7.08) and defending itself against any claim (whether asserted by the Company, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable solely to its gross negligence, willful misconduct or fraud by a court of competent jurisdiction in a final non-appealable order. The Trustee will notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company will not relieve the Company or any of the Guarantors of their obligations hereunder. The Company or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Company will pay the reasonable fees and expenses of such counsel. Neither the Company nor any Guarantor need to pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Company and the Guarantors under this Section 7.08 will survive the satisfaction and discharge of this Indenture, and the resignation or removal of the Trustee and/or any Agent.

(d) To secure the Company's and the Guarantors' payment obligations in this Section 7.08, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, in its capacity as Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(a)(7) or Section 6.01(a)(8) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.09 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.09.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.11 hereof;

(2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a custodian or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. Within one (1) year after the successor Trustee takes office, the holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(d) If a successor Trustee does not take office within sixty (60) days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee at the sole expense of the Company.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.11 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.08 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.09, the Company's obligations under Section 7.08 hereof will continue for the benefit of the retiring Trustee.

Section 7.10 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.11 *Eligibility; Disqualification.*

There shall at all times be a Trustee hereunder that is entitled to carry out the activities of a trustee under the laws of England and Wales, or Hong Kong, or is a corporation organized or doing business under the laws of the United States of America or any state thereof or the District of Columbia that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by the relevant authorities in such jurisdiction and that is a corporation which is generally recognized as a corporation which customarily performs such corporate trustee roles and provides such corporate trustee services in transactions similar in nature to the offering of the Notes. No obligor under the Notes or Person directly controlling, controlled by, or under common control with such obligor shall serve as trustee under the Notes.

Section 7.12 *Appointment of Co-Trustee.*

(a) Notwithstanding any other provisions of this Indenture, at any time, for the purpose of meeting any legal requirement of any jurisdiction or otherwise, the Trustee shall have the power and may execute and deliver all instruments necessary to appoint one or more Persons to act as a co-trustee or co-trustees, or separate trustees, of all or any part of this Indenture, and to vest in such Person or Persons, in such capacity and for the benefit of the Holders, such powers, duties, obligations, rights and trusts as the Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 7.09 and no notice to the Holders of the appointment of any co-trustee or separate trustee shall be required.

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(1) All rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Trustee.

(2) No trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(3) The Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Section 7.12. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection or rights (including the rights to compensation, reimbursement and indemnification hereunder) to, the Trustee. Every such instrument shall be filed with the Trustee.

(d) Any separate trustee or co-trustee may at any time constitute the Trustee its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies, and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

Section 7.13 *Resignation of Agents.*

Any Agent may resign and be discharged from its duties under this Indenture at any time by giving thirty (30) days' prior written notice of such resignation to the Trustee and the Company. The Trustee or the Company may remove any Agent at any time by giving thirty (30) days' prior written notice to such Agent. Upon such notice, a successor Agent shall be appointed by the Company, who shall provide written notice of such to the Trustee. Such successor Agent shall become the Agent hereunder upon the resignation or removal date specified in such notice. If the Company is unable to replace the resigning Agent within thirty (30) days after such notice, the Agent shall deliver any funds then held hereunder in its possession to the Trustee or (i) such Agent may appoint as its successor Agent, any reputable and experienced financial institution acceptable to the Trustee or (ii) apply to a court of competent jurisdiction for the appointment of a successor Agent or for other appropriate relief. The costs and expenses (including its counsels' fees and expenses) incurred by the Agent in connection with such proceeding shall be paid by the Company. Upon receipt of the identity of the successor Agent, the Agent shall deliver any funds then held hereunder to the successor Agent, less the Agent's fees, costs and expenses or other obligations owed to the Agent. Upon its resignation and delivery of any funds, the Agent shall be discharged of and from any and all further obligations arising in connection with this Indenture, but shall continue to enjoy the benefit of Section 7.08.

Section 7.14 *Agents General Provisions.*

(a) The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several.

(b) the Company and the Agents acknowledge and agree that in the event of a Default or Event of Default, the Trustee may, by notice in writing to the Company and the Agents, require that the Agents act as agents of, and take instructions exclusively from, the Trustee. Until they have received such written notice from the Trustee, the Agents shall act solely as agents of the Company and need have no concern for the interests of the Holders.

(c) In the event that instructions given to any Agent are not reasonably clear, then such Agent shall be entitled to seek clarification from the Company or other party entitled to give the Agents instructions under this Indenture. If an Agent has sought clarification in accordance with this Section 7.14(c), then such Agent shall be entitled to take no action until such clarification is provided, and shall not incur any liability for not taking any action pending receipt of such clarification.

(d) The Agents shall only have such duties as expressly set out in this Indenture.

(e) The Company shall provide the Agents with a certified list of authorized signatories.

Section 7.15 *Rights of Trustee in Other Roles.*

All rights, powers and indemnities contained in this Article 7 shall apply to the Trustee in its other roles hereunder (including, for the avoidance of doubt, in relation to the Security Documents and the Intercreditor Agreement) and to the Agents.

## ARTICLE 8
## LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Company may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officer's Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their Obligations with respect to all outstanding Notes (including the Note Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium and Additional Amounts, if any, on, such Notes when such payments are due from the trust referred to in Section 8.04 hereof;

(2) the Company's Obligations with respect to such Notes under Article 2 and Section 4.02 hereof;

(3) the rights, powers, trusts, duties and immunities of the Trustee, the Security Agent, the Intercreditor Agent, the Paying Agent, the Registrar and the Transfer Agent hereunder and the Company's and the Guarantors' Obligations in connection therewith; and

(4) this Article 8.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Section 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13,4.15, 4.16, 4.17, 4.18, 4.19 and 4.21 hereof and Section 5.01(a)(3) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Company and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Section 6.01(a)(3) through 6.01(a)(5) hereof will not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable U.S. Government Obligations, or a combination of cash in U.S. dollars and non-callable U.S. Government Obligations, in amounts as will be sufficient, in the opinion of an internationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, or interest and premium, and Additional Amounts, if any, on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of an election under Section 8.02 hereof, the Company must deliver to the Trustee an Opinion of Counsel confirming that:

(A) the Company has received from, or there has been published by, the U.S. Internal Revenue Service a ruling; or

(B) since the date of this Indenture, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the holders of the outstanding Notes will not recognize income, gain or loss for United States federal income tax purposes as a result of such Legal Defeasance and will be subject to United States federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.03 hereof, the Company must deliver to the Trustee an Opinion of Counsel confirming that the holders of the outstanding Notes will not recognize income, gain or loss for United States federal income tax purposes as a result of such Covenant Defeasance and will be subject to United States federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which the Parent Guarantor, the Company or any of their respective Subsidiaries is a party or by which the Parent Guarantor, the Company or any of their Subsidiaries is bound;

(6) the Company must deliver to the Trustee an Officer's Certificate of the Company stating that the deposit was not made by the Company with the intent of preferring the Holders over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or others; and

(7) the Company must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

(8) The Trustee shall be entitled to its usual fees and, in addition, any fees and expenses incurred or charged by the Trustee and its counsel in connection with defeasance, satisfaction and discharge, and investment or custody services provided hereunder.

Section 8.05 *Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06 hereof, all money and non-callable U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "*Trustee*") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the holders of such Notes of all sums due and to become due thereon in respect of principal, premium, and Additional Amounts, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable U.S. Government Obligations deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or non-callable U.S. Government Obligations held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to Company.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium or Additional Amounts, if any, or interest on, any Note and remaining unclaimed for two (2) years after such principal, premium, or Additional Amounts, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) will be discharged from such trust; and the holder of such Note will thereafter be permitted to look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, will thereupon cease; *provided*, *however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than thirty (30) days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 8.07 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable U.S. Government Obligations in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium or Additional Amounts, if any, or interest on, any Note following the reinstatement of its obligations, the Company will be subrogated to the rights of the holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

## ARTICLE 9
## AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 of this Indenture, the Company, the Guarantors, the Trustee, each Agent, the Security Agent and/or the Intercreditor Agent, as the case may be, may amend or supplement this Indenture, the Notes, the Note Guarantees, the Security Documents and/or the Intercreditor Agreement without the consent of any Holder:

(1) to cure any ambiguity, defect or inconsistency;

(2) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(3) to provide for the assumption of the Company's or a Guarantor's Obligations under the Notes or the Note Guarantees in the case of a merger or consolidation or sale of all or substantially all of the Company's or such Guarantor's assets, as applicable;

(4) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under this Indenture of any such Holder;

(5) to conform the text of the Notes, this Indenture, the Note Guarantees, the Security Documents or the Intercreditor Agreement to any provision of the "Description of Notes" section of the Offering Memorandum, to the extent that such provision in that "Description of Notes" section of the Offering Memorandum was intended to be a verbatim recitation of a provision of the Notes, this Indenture, the Note Guarantees, the Security Documents or the Intercreditor Agreement, which intent shall be evidenced by an Officer's Certificate of the Company to that effect;

(6) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture as of the date of this Indenture;

(7) to make, complete or confirm any grant of Collateral permitted or required by this Indenture, the Security Documents or the Intercreditor Agreement; or

(8) to allow any Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes or to release any Guarantor from its Note Guarantee in accordance with the terms of this Indenture.

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee, each Agent, the Security Agent (at the direction of the Trustee, subject to receipt of the documents described in Section 7.02(b)) and/or the Intercreditor Agent, (at the direction of the Trustee, subject to receipt of the documents described in Section 7.02(b)), as the case may be, will join with the Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and the Intercreditor Agreement and to make any further appropriate agreements and stipulations that may be therein contained, but neither the Trustee, the Security Agent, the Intercreditor Agent nor any Agent will be obligated to (although they may at their discretion) enter into such amended or supplemental indenture that affects their own rights, duties or immunities under this Indenture, the Intercreditor Agreement or otherwise.

Section 9.02 *With Consent of Holders of Notes.*

Except as provided below in this Section 9.02, the Company, the Trustee, each Agent, the Security Agent and/or the Intercreditor Agent, as the case may be, may amend or supplement this Indenture (including, without limitation, Section 3.09, 4.10 and 4.15 hereof) and the Notes, and the Company, the Guarantors, the Trustee and/or the Intercreditor Agent and/or the Security Agent, after they have acceded to this Indenture, as the case may be, may amend or supplement the Note Guarantees, the Security Documents and the Intercreditor Agreement with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes), and, subject to Section 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium or Additional Amounts, if any, or interest on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes, the Note Guarantees, the Security Documents or the Intercreditor Agreement may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes).

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02, 9.06, 13.04 and 13.05 hereof, the Trustee, each Agent, the Security Agent (at the direction of the Trustee, subject to receipt of the documents described in Section 7.02(b)) and/or the Intercreditor Agent (at the direction of the Trustee, subject to receipt of the documents described in Section 7.02(b)), as the case may be, will join with the Company and the Guarantors in the execution of such amended or supplemental indenture authorized or permitted by the terms of this Indenture and the Intercreditor Agreement unless such amended or supplemental indenture directly affects the Trustee's, any Agent's, the Security Agent's or the Intercreditor Agent's or own rights, duties or immunities under this Indenture or the Intercreditor Agreement, as applicable, or otherwise, in which case the Trustee, each Agent, the Security Agent and/or the Intercreditor Agent (as the case may be) may in their discretion, but will not be obligated to, enter into such amended or supplemental indenture.

It is not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Section 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Company with any provision of this Indenture or the Notes. However, without the consent of each Holder (including the Additional Notes) affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes (including the Additional Notes) held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of, premium, if any, or change the fixed maturity of any Note or alter the provisions with respect to the redemption of the Notes (except as provided above with respect to Section 3.09, 4.10 and 4.15 hereof);

(3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(4) waive a Default or Event of Default in the payment of principal of, or interest, premium or Additional Amounts, if any, on, the Notes (except a rescission of acceleration of the Notes by the holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(5) make any Note payable in money other than that stated in the Notes;

(6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, or interest, premium or Additional Amounts, if any, on, the Notes;

(7) waive a redemption payment with respect to any Note (other than a payment required by Section 3.09, 4.10 or 4.15 hereof);

(8) release any Guarantor from any of its Obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture;

(9) release the Collateral from the Liens securing the Notes or making any changes to the priority of the Liens under the Security Documents or the Intercreditor Agreement that would adversely affect the Holders, except in accordance with the terms of this Indenture, the applicable Security Documents or the Intercreditor Agreement; or

(10) make any change in the preceding amendment and waiver provisions.

For the avoidance of doubt, no amendment to or deletion of, or actions taken in compliance with, the covenants described under Article 4 shall be deemed to impair or affect any rights of Holders to receive payment of principal of, or premium, if any, or interest on, the Notes.

Section 9.03 *Supplemental Indenture.*

Every amendment or supplement to this Indenture or the Notes will be set forth in an amended or supplemental indenture.

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by such Holder and every subsequent holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee, Security Agent and Intercreditor Agent to Sign Amendments, etc.*

The Trustee, the Security Agent and/or the Intercreditor Agent, as the case may be, will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee, and/or the Security Agent and/or the Intercreditor Agent. The Company may not sign an amended or supplemental indenture until the Board of Directors of the Company approves it. In executing any amended or supplemental indenture, the Trustee, the Security Agent and/or the Intercreditor Agent will be entitled to receive security and/or indemnity to their reasonable satisfaction. The Trustee (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Section 13.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture, that the supplemental indenture is legal, valid, binding and enforceable against the Company in accordance with its terms and such other matters as the Trustee may request. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

## ARTICLE 10
## COLLATERAL AND SECURITY

Section 10.01 *Pledge of Collateral.*

The due and punctual payment of the principal of, and premium, interest and Additional Amounts, if any, on the Notes when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of and interest and Additional Amounts (to the extent permitted by law), if any, on the Notes and performance of all other obligations of the Company to the Holders of Notes or the Trustee, the Security Agent, the Intercreditor Agent and the Agents under this Indenture and the Notes according to the terms hereunder or thereunder, are secured as provided in the Security Documents, subject to the terms of the Intercreditor Agreement. Each Holder of Notes, by its acceptance thereof, consents and agrees to the terms of the Security Documents and the Intercreditor Agreement in effect or may be amended from time to time in accordance with its terms and authorizes and directs the Security Agent to enter into the Security Documents and the Intercreditor Agreement and to perform its obligations and exercise its rights thereunder in accordance therewith. The Company will deliver to the Trustee copies of all documents delivered to the Security Agent pursuant to the Security Documents and the Intercreditor Agreement, and the Company will, and the Company will cause each of its Restricted Subsidiaries to, do or cause to be done all such acts and things as may be required, to assure and confirm to the Trustee that the Security Agent holds, for the benefit of the Holders and the Trustee, duly created, enforceable and perfected Liens as contemplated hereby and by the Security Documents and the Intercreditor Agreement, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purposes herein expressed. The Company will take, and will cause its Restricted Subsidiaries to take, upon request of the Trustee or Security Agent, any and all actions reasonably required to cause the Security Documents to create and maintain, as security for the Obligations of the Company hereunder, in respect of the Collateral, valid and enforceable perfected first priority Liens on all such Collateral, superior to and prior to the rights of all third parties and subject to no Liens other than the Permitted Liens. Certain provisions with respect to enforcement of security interests are set out in each of the Security Documents and the Intercreditor Agreement.

Section 10.02 *Security Agent and Intercreditor Agent.*

(b) Appointment of the Security Agent and the Intercreditor Agent and any resignation or replacement of the Security Agent or the Intercreditor Agent shall be made in accordance with the terms of the Intercreditor Agreement.

(c) The Security Agent agrees that it will hold the security interests in Collateral created under any Security Documents to which it is a party as contemplated by this Indenture and in accordance with the Intercreditor Agreement, and any and all proceeds thereof, for the benefit of, among others, itself, the Trustee and the Holders, without limiting the Security Agent's rights including under Section 10.04, to act in preservation of the security interest in the Collateral. The Security Agent will take action or refrain from taking action in connection therewith only as directed by the Intercreditor Agent or the Trustee, in each case pursuant to the terms of this Indenture and the Intercreditor Agreement.

Section 10.03 *Release of Collateral and Certain Matters with Respect to Collateral.*

(a) Collateral may be released from the Liens and security interests created by the Security Documents at any time or from time to time in accordance with the provisions of the Security Documents, the Intercreditor Agreement and Section 10.06 of this Indenture. In connection therewith, and subject to the terms and conditions of the relevant Security Documents and the Intercreditor Agreement, upon the request of the Company pursuant to an Officer's Certificate certifying that all conditions precedent hereunder have been met, the Security Agent shall, at the expense of the Company, and the direction of the Trustee (subject to receipt of the documents described in Section 7.02(b)), execute, deliver or acknowledge any necessary or proper instruments of termination, satisfaction or release to evidence the release of any Collateral permitted to be released pursuant to this Indenture, the Intercreditor Agreement or the Security Documents. The Company hereby agrees that following the release of the Liens over the Note Interest Accrual Account in accordance with the provisions of the Security Documents, the Intercreditor Agreement and Section 10.06 of this Indenture, the Company shall, as soon as practicable, close the Note Interest Accrual Account, or pledge such account to the Security Agent for the benefit of the Secured Parties, it being understood that so long as such account remains open, in no event shall security interest be created over such account for the benefit of any Person other than the Secured Parties.

(b) The Intercreditor Agreement sets out the rights of the Company or the Guarantors upon the occurrence and during the continuance of a Default or Event of Default.

Section 10.04 *Authorization of Actions to Be Taken by the Trustee and the Security Agent and the Intercreditor Agent.*

(a) Subject to the provisions of Section 6.05, 7.01 and 7.02 and the terms of the Security Documents and the Intercreditor Agreement, the Trustee may (acting on the instruction of Holders holding at least 25% of the aggregate principal amount of the Notes), take all actions it deems necessary or appropriate, or direct, on behalf of the Holders, the Security Agent and/or the Intercreditor Agent to take all actions it deems necessary or appropriate, in order to:

(1) enforce any of the terms of the Security Documents or the Intercreditor Agreement; and

(2) collect and receive any and all amounts payable in respect of the Obligations of the Company hereunder.

(b) The Trustee will have power to institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of the Security Documents, the Intercreditor Agreement or this Indenture, and such suits and proceedings as the Trustee may deem expedient to preserve or protect its interests and the interests of the Holders of Notes in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders of Notes or of the Trustee).

(c) With respect to any action authorized to be taken by the Security Agent or the Intercreditor Agent under this Indenture, the Security Agent or the Intercreditor Agent, as the case may be, may act (or refrain from acting) on the instruction of the Trustee unless the provision requiring such action expressly requires otherwise, to the extent such action or non-action is authorized and permitted under the Intercreditor Agreement and subject to Section 14.02(d).

Section 10.05 *Authorization of Receipt of Funds by the Trustee under the Security Documents.*

The Trustee is authorized to receive any funds for the benefit of the Holders of Notes distributed under the Security Documents and the Intercreditor Agreement, and to make further distributions of such funds to the Holders of Notes according to the provisions of this Indenture and the Intercreditor Agreement.

Section 10.06 *Termination of Security Interest.*

Subject to the terms of the Intercreditor Agreement, the Trustee shall, at the request and expense of the Company upon having provided the Trustee an Officer’s Certificate (which shall certify, among other things, that all action under the relevant Security Document(s) with respect to the release of the security thereunder has been taken and the release of the Collateral complies with the terms of the relevant Security Document(s)) and Opinion of Counsel certifying compliance with this Section 10.06, execute and deliver a certificate to the Security Agent and the Intercreditor Agent releasing the relevant Collateral or other appropriate instrument evidencing such release (in the form provided by the Company):

The Security Agent will have a perfected security interest in the Note Interest Accrual Account and all dividends, instruments, cash and Cash Equivalents and other property, as applicable, on deposit in such account on an exclusive basis for the benefit of the Trustee and the holders of the Notes. The Security Agent will not have a Lien on the Note Interest Accrual Account and the cash and Cash Equivalents on deposit in such account for the benefit of the 2021 Notes Trustee, the holders of the 2021 Notes or the Senior Credit Facilities Finance Parties.

Section 10.08 *Further Actions.*

(a) The Company shall use its best efforts to take, or cause to be taken, all appropriate action, and to do or cause to be done, all things necessary, proper or advisable under applicable laws and regulations to consummate and make effective the security over the Collateral as contemplated by the Security Documents and the Intercreditor Agreement, including, without limitation, (i) cooperating in the preparation of any required filings under the Security Documents and the Intercreditor Agreement, (ii) using best efforts to make all required filings, notifications, releases and applications and to obtain licenses, permits, consents, approvals, authorizations, qualifications and orders of governmental authorities and parties to contracts with the Company as are necessary for the grants of security contemplated by this Indenture, the Intercreditor Agreement and the Security Documents and to fulfill the conditions of the Security Documents including, without limitation, delivery of title deeds and all other documents of title relating to the Collateral secured by the Security Documents in the manner as provided for therein and in the Intercreditor Agreement, (iii) taking any and all action to perfect the security over the Collateral as contemplated by this Indenture, the Intercreditor Agreement and the Security Documents, (iv) cooperating in all respects with each other in connection with any investigation or other inquiry, including any proceeding initiated by any Person, in connection with the granting of security over the Collateral, (v) keeping the Trustee, the Security Agent and the Intercreditor Agent informed in all material respects of any material communication received by the Company from, or given by them to, any governmental authority or any other Person regarding any matters contemplated by the Security Documents and the Intercreditor Agreement or with respect to the Collateral, and (vi) permitting the Trustee, the Security Agent and the Intercreditor Agent to review any material communication given by the Company to any such governmental authority or any other Person.

(b) The Company will deliver to the Trustee, as soon as possible and in any event within thirty (30) days after the Issue Date, a copy of a shareholder resolution stamped by the Registrar of Corporate Affairs in the British Virgin Islands which amends the Memorandum of Association of each of the SCP Holdings Limited, SCP One Limited, SCP Two Limited, Studio City Holdings Two Limited, Studio City Holdings Three Limited and Studio City Holdings Four Limited. Each of the shareholder resolutions will evidence the (i) amendment of the current definition of “Senior Facilities Agreement” in clause 1.1 (Definitions and Interpretation) in the Memorandum of Association of the relevant company with a definition of “Senior Facilities Agreement” that will reflect the HK$10,855,880,000 Senior Term Loan and Revolving Facilities Agreement dated January 28, 2013 and made between, inter alia, Studio City Company Limited as the borrower, Deutsche Bank AG, Hong Kong Branch as agent, and other parties thereto (as from time to time amended, novated, supplemented, extended, replaced or restated, including without limitation as amended and restated by an amendment and restatement agreement dated November 23, 2016 entered into by, among others, Studio City Investments Limited as parent, Studio City Company Limited as borrower, Deutsche Bank AG, Hong Kong Branch as retiring agent, Bank of China Limited, Macau Branch as acceding agent and Industrial and Commercial Bank of China (Macau) Limited as security agent), and (ii) authorization and instruction of the registered agent of each of the companies described in this clause (b) of Section 10.08 to file the notice of amendment in respect of the amendment to the Memorandum of Association of each of such companies with the Registrar of Corporate Affairs in the British Virgin Islands.

Notwithstanding any other provision of this Indenture, none of the Trustee, the Security Agent or the Intercreditor Agent has any responsibility for the validity, perfection, priority or enforceability of any lien, Collateral, Security Documents or other security interest.

## ARTICLE 11
## NOTE GUARANTEES

Section 11.01 *Guarantee.*

(a) Each Guarantor hereby jointly and severally, irrevocably and unconditionally guarantees to each Holder and to the Trustee, successors and assigns (1) the full and punctual payment when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, of all obligations of the Company under this Indenture (including obligations to the Trustee) and the Notes, whether for payment of principal of, interest, premium or Additional Amounts, if any, on the Notes and all other monetary obligations of the Company under this Indenture and the Notes and (2) the full and punctual performance within applicable grace periods of all other obligations of the Company whether for fees, expenses, indemnification or otherwise under this Indenture and the Notes (all the foregoing being hereinafter collectively called the "*Guaranteed Obligations*"). Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Guarantor, and that each such Guarantor shall remain bound under this Article 11 notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Notes or the Guaranteed Obligations. The obligations of each Guarantor hereunder shall not be affected by (1) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Company or any other Person under this Indenture, the Notes or any other agreement or otherwise; (2) any extension or renewal of any thereof; (3) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (4) the release of any security held by any Holder or the Trustee for the Guaranteed Obligations or any of them; (5) the failure of any Holder or the Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (6) any change in the ownership of such Subsidiary.

(c) Each Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Guarantors, such that such Guarantor's obligations would be less than the full amount claimed. Each Guarantor hereby waives any right to which it may be entitled to have the assets of the Company first be used and depleted as payment of the Company's or such Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Guarantor hereunder. Each Guarantor hereby waives any right to which it may be entitled to require that the Company be sued prior to an action being initiated against such Guarantor.

(d) Each Guarantor further agrees that its Note Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

(e) Except as expressly set forth in Section 8.02, 11.02 and 11.08, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Notes or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of any Guarantor as a matter of law or equity.

(f) Except as expressly set forth in Section 8.02, 11.02 and 11.08, each Guarantor agrees that its Note Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Guarantor further agrees that its Note Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Company or otherwise.

(g) In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Company to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (1) the unpaid principal amount of such Guaranteed Obligations, (2) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by law) and (3) all other monetary obligations of the Company to the Holders and the Trustee.

(h) Each Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of any Note Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purposes of Section 11.01.

(i) Each Guarantor also agrees to pay any and all costs and expenses (including attorneys’ fees and expenses) incurred by the Trustee in enforcing any rights under Section 11.01.

(j) Upon request of the Trustee, each Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 11.02 *Limitation on Liability.*

Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Guarantor shall not exceed the maximum amount that can be hereby guaranteed by the applicable Guarantor without rendering the Note Guarantee, as it relates to such Guarantor, voidable under applicable law relating to ultra vires, fraudulent conveyance, fraudulent transfer, corporate benefit, financial assistance or similar laws affecting the rights of creditors generally or other considerations under applicable law.

Section 11.03 *Successors and Assigns.*

This Article 11 shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

Section 11.04 *No Waiver.*

Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article 11 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 11 at law, in equity, by statute or otherwise.

Section 11.05 *Modification.*

No modification, amendment or waiver of any provision of this Article 11, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

Section 11.06 *Execution of Supplemental Indenture for Future Guarantors.*

Each Restricted Subsidiary which is required to become a Guarantor pursuant to Section 4.17 shall promptly execute and deliver to the Trustee a supplemental indenture pursuant to which such Subsidiary shall become a Guarantor under this Article 11 and shall guarantee the Guaranteed Obligations. Concurrently with the execution and delivery of such supplemental indenture, the Company shall deliver to the Trustee an Opinion of Counsel and an Officer's Certificate to the effect that such supplemental indenture has been duly authorized, executed and delivered by such Restricted Subsidiary and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Note Guarantee of such Guarantor is a legal, valid and binding obligation of such Guarantor, enforceable against such Guarantor in accordance with its terms and or to such other matters as the Trustee may reasonably request.

Section 11.07 *Non-Impairment.*

The failure to endorse a Note Guarantee on any Note shall not affect or impair the validity thereof.

Section 11.08 *Release of Guarantees.*

(a) Subject to paragraphs (b), (c) and (d), each Note Guarantee, once it becomes due, is a continuing guarantee and shall (i) remain in full force and effect until payment in full of all the Guaranteed Obligations, (ii) be binding upon each Guarantor and its successors and (iii) inure to the benefit of, and be enforceable by, the Trustee, the Holders and their successors, transferees and assigns.

(b) The Note Guarantee of the Parent Guarantor will be automatically and unconditionally released and discharged:

(1) if the Parent Guarantor is not the surviving entity in a sale of all or substantially all of the properties and assets of the Parent Guarantor in a transaction that complies with the provisions described under Section 5.01(a) (including, without limitation, compliance with the requirement that the surviving entity expressly assume, by a supplemental indenture, the Parent Guarantor's obligations under this Indenture, the applicable Notes, the Intercreditor Agreement and the Security Documents);

(2) upon legal defeasance or satisfaction and discharge of this Indenture as provided in Article 8 and Article 12 hereof.

(3) upon payment in full of the principal of, premium, if any, and accrued and unpaid interest on, the applicable Notes and all other Obligations that are then due and payable thereunder;

(4) in connection with certain enforcement actions taken by the creditors under certain of our secured Indebtedness (including the Notes and the Senior Secured Credit Facilities) in accordance with the Intercreditor Agreement; or

(5) as described under Article 9 hereof.

(c) The Note Guarantee of a Subsidiary Guarantor with respect to the Notes will be automatically and unconditionally released and discharged:

(1) in connection with any sale or other disposition of all or substantially all of the assets of that Subsidiary Guarantor (including by way of merger or, consolidation) to a Person that is not (either before or after giving effect to such transaction) the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor, if the sale or other disposition does not violate Section 3.09 or 4.15 hereof;

(2) in connection with any sale or other disposition of the Capital Stock of that Subsidiary Guarantor to a Person that is not (either before or after giving effect to such transaction) the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor, if the sale or other disposition does not violate Section 3.09 or 4.15 hereof and such Subsidiary Guarantor ceases to be a Restricted Subsidiary of the Parent Guarantor as a result of such sale or other disposition;

(3) if the Parent Guarantor designates any Restricted Subsidiary that is a Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with Section 4.18 hereof;

(4) upon Legal Defeasance or satisfaction and discharge of the Indenture as provided by Article 8 and 12 of this Indenture;

(5) upon payment in full of the principal of, premium, if any, and accrued and unpaid interest on, the Notes and all other Obligations that are then due and payable thereunder;

(6) upon the merger or consolidation of any Subsidiary Guarantor with and into the Company, the Parent Guarantor or a Wholly-Owned Subsidiary Guarantor (or a Wholly-Owned Restricted Subsidiary that becomes a Subsidiary Guarantor concurrently with the transaction) that is the surviving Person in such merger or consolidation, or upon the liquidation of such Subsidiary Guarantor following the transfer of all or substantially all of its assets to the Company, the Parent Guarantor or a Wholly-Owned Subsidiary Guarantor (or a Wholly-Owned Restricted Subsidiary that becomes a Subsidiary Guarantor concurrently with the transaction);

(7) in connection with certain enforcement actions taken by the creditors under certain of our secured Indebtedness (including the Notes and the Senior Secured Credit Facilities) in accordance with the Intercreditor Agreement; or

(8) as described under Article 9 hereof.

(d) Each Holder hereby authorizes the Trustee to take all actions to effectuate any release in accordance with the provisions of this Section 11.08, subject to customary and reasonably satisfactory protections and indemnifications provided by the Company to the Trustee.

## ARTICLE 12
## SATISFACTION AND DISCHARGE

Section 12.01 *Satisfaction and Discharge.*

This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(A) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or

(B) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one (1) year and the Company has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable U.S. Government Obligations, or a combination of cash in U.S. dollars and non-callable U.S. Government Obligations, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium and Additional Amounts, if any, and accrued interest to the date of maturity or redemption;

(2) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(3) the Company or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture; and

(4) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, the Company must deliver an Officer's Certificate of the Company and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to sub clause (b) of clause (1) of this Section 12.01, the provisions of Section 12.02 and 8.06 hereof will survive.

Section 12.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 12.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium and Additional Amounts, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any cash in U.S. dollars or non-callable U.S. Government Obligations in accordance with Section 12.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 12.01 hereof; *provided that* if the Company has made any payment of principal of, premium or Additional Amounts, if any, or interest on, any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the cash in U.S. dollars or non-callable U.S. Government Obligations held by the Trustee or Paying Agent.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 *Treasury Notes*.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any Guarantor, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that the Trustee actually knows are so owned will be so disregarded.

Section 2.10 *Temporary Notes*.

Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Company will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation*.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee, in accordance with its customary procedures, and no one else will cancel (subject to the Trustee's retention policy) all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of such cancelled Notes in its customary manner (subject to the record retention requirement of the Exchange Act). At the request of the company, the Trustee will confirm the cancellation of the Notes delivered to it. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest*.

If the Company defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Company will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company will fix or cause to be fixed each such special record date and payment date; *provided that* no such special record date may be less than ten (10) days prior to the related payment date for such defaulted interest. At least fifteen (15) days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) will mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 *Additional Amounts*.

(a) All payments of principal of, premium, if any, and interest on the Notes and all payments under the Note Guarantees will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever ("*Taxes*") nature imposed or levied by or within any jurisdiction in which the Company or any applicable Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein) or any jurisdiction from or through which payment is made by or on behalf of the Company or any Guarantor (including the jurisdiction of any Paying Agent) (or any political subdivision or taxing authority thereof or therein) (each, as applicable, a "*Relevant Jurisdiction*"), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In such event, the Company or the applicable Guarantor, as the case may be, will make such deduction or withholding, make payment of the amount so withheld to the appropriate governmental authority and will pay such additional amounts ("*Additional Amounts*") as will result in receipt by the Holder of such amounts as would have been received by such holder had no such withholding or deduction been required, *provided that* no Additional Amounts will be payable for or on account of:

(1) any tax, duty, assessment or other governmental charge that would not have been imposed but for:

(A) the existence of any present or former connection between the Holder or beneficial owner of such Note or Note Guarantee, as the case may be, and the Relevant Jurisdiction including, without limitation, such holder or beneficial owner being or having been a citizen or resident of such Relevant Jurisdiction or treated as a resident thereof or being or having been physically present or engaged in a trade or business therein or having or having had a permanent establishment therein, other than merely holding such Note or the receipt of payments thereunder or under the Note Guarantee;

(B) the presentation of such Note (where presentation is required) more than thirty (30) days after the later of the date on which the payment of the principal of, premium, if any, or interest on, such Note became due and payable pursuant to the terms thereof or was made or duly provided for, except to the extent that the holder thereof would have been entitled to such Additional Amounts if it had presented such Note for payment on any date within such 30-day period;

(C) the failure of the holder or beneficial owner to comply with a timely request of the Company or any Guarantor addressed to the holder or beneficial owner, as the case may be, to provide information concerning such holder's or beneficial owner's nationality, residence, identity or connection with any Relevant Jurisdiction, if and to the extent that due and timely compliance with such request would have reduced or eliminated any withholding or deduction as to which Additional Amounts would have otherwise been payable to such holder; or

(D) the presentation of such Note (where presentation is required) for payment in the Relevant Jurisdiction, unless such Note could not have been presented for payment elsewhere;

(2) any estate, inheritance, gift, sale, transfer, excise or personal property or similar tax, assessment or other governmental charge;

(3) any tax, duty, assessment or other governmental charge which is payable other than (i) by deduction or withholding from payments of principal of or interest on the Note or payments under the Note Guarantees, or (ii) by direct payment by the Company or applicable Guarantor in respect of claims made against the Company or the applicable Guarantor;

(4) any tax arising pursuant to Sections 1471 – 1474 of the U.S. Internal Revenue Code, any agreement entered pursuant thereto, any U.S. or non-U.S. law enacted in connection with an intergovernmental agreement related thereto, or any rules, regulations, or administrative guidance of any kind relating to any of the foregoing; or

(5) any combination of taxes, duties, assessments or other governmental charges referred to in the preceding clauses (1), (2), (3) and (4); or

(b) with respect to any payment of the principal of, or premium, if any, or interest on, such Note or any payment under any Note Guarantee to such holder, if the holder is a fiduciary, partnership or person other than the sole beneficial owner of any payment to the extent that such payment would be required to be included in the income under the laws of a Relevant Jurisdiction, for tax purposes, of a beneficiary or settlor with respect to the fiduciary, or a member of that partnership or a beneficial owner who would not have been entitled to such Additional Amounts had that beneficiary, settlor, partner, or beneficial owner been the holder thereof.

In addition to the foregoing, the Company and the Guarantors will also pay and indemnify the holder of a Note for any present or future stamp, issue, registration, court or documentary taxes, or any other excise or property taxes, charges or similar levies (including penalties, interest and other reasonable expenses related thereto) which are levied by any Relevant Jurisdiction on the execution, delivery, issuance, or registration of any of the Notes, the Indenture, any Note Guarantee or any other document or instrument referred to therein, or the receipt of any payments with respect thereto, or enforcement of, any of the Notes or any Note Guarantee. The Company and the Guarantors will use all reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any taxes so deducted or withheld from each Relevant Jurisdiction imposing such taxes, in such form as provided in the ordinary course by the Relevant Jurisdiction and as is reasonably available to the Company, and will provide such certified copies to the Trustees and the Paying Agent. Such copies shall be made available to the Holders upon request and will be made available at the offices of the Paying Agent. The Company or the Guarantor, as applicable, will attach to each certified copy a certificate stating (x) that the amount of withholding taxes evidenced by the certified copy was paid in connection with payments in respect of the principal amount of Notes then outstanding and (y) the amount of such withholding taxes paid per $1,000 principal amount of the Notes.

(c) Whenever there is mentioned in any context the payment of principal of, and any premium or interest, on any Note or under any Note Guarantee, such mention will be deemed to include payment of Additional Amounts provided for in this Indenture to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

Section 2.14 *Forced Sale or Redemption for Non-QIBs*.

(a) The Company has the right to require any Holder of a Note (or beneficial interest therein) that is a U.S. Person and is determined not to have been a QIB at the time of acquisition of such Note or is otherwise determined to be in breach, at the time given, of any of the representations and agreements required to be made pursuant to the transfer restrictions set forth herein, to transfer such Security (or beneficial interest therein) to a transferee acceptable to the Company who is able to and who does make all of the representations and agreements required to be made pursuant to the transfer restrictions set forth herein, or to redeem such Note (or beneficial interest therein) within 30 days of receipt of notice of the Company's election to so redeem such Holder's Notes on the terms set forth in paragraph (b) below. Pending such transfer or redemption, such Holder will be deemed not to be the Holder of such Note for any purpose, including but not limited to receipt of interest and principal payments on such Note, and such Holder will be deemed to have no interest whatsoever in such Note except as otherwise required to sell or redeem its interest therein.

(b) Any such redemption occurring pursuant to paragraph (a) above shall be at a redemption price equal to the lesser of (i) the Person's cost, plus accrued and unpaid interest, if any, to the redemption date and (ii) 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the redemption date. The Company shall notify the Trustee in writing of any such redemption as soon as practicable.

## ARTICLE 3
## REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee, the Registrars and the Paying Agent, at least 45 days but not more than 60 days before a redemption date, an Officer's Certificate setting forth:

(1) the clause of this Indenture pursuant to which the redemption shall occur;

(2) the redemption date;

(3) the principal amount of Notes to be redeemed; and

(4) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased*.

If fewer than all of the Notes are to be redeemed or purchased at any time, the Trustee, the Paying Agent or the Registrar will select Notes for redemption or purchase (i) in compliance with the requirements of the principal national securities exchange, if any, on which Notes are listed and any applicable depositary procedures, (ii) by lot or such other similar method in accordance with the applicable procedures of the Depositary or any other applicable clearing system (if the Notes are Global Notes), or (iii) if there are no such requirements of such exchange or the Notes are not then listed on a national securities exchange or cleared through the Depositary or any other applicable clearing system, on a *pro rata* basis or by such other method the Trustee deems fair and reasonable. No Notes of a principal amount of US$200,000 or less may be redeemed or purchased in part, and if Notes are redeemed or purchased in part, the remaining outstanding amount must be at least equal to US$200,000 and integral multiples of US$1,000 in excess thereof. None of the Trustee, the Paying Agent or the Registrar will be liable for any selections made under this paragraph.

In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption or purchase date by the Registrar from the outstanding Notes not previously called for redemption or purchase.

The Registrar will promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in amounts of US$200,000 or integral multiples of US$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not a multiple of US$1,000, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption*.

Subject to the provisions of Section 3.09 hereof, at least 30 days but not more than 60 days before a redemption date, the Company will mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date (with prior notice to the Trustee) if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Article 8 or 11 hereof.

The notice will identify the Notes to be redeemed and will state:

(1) the redemption date;

(2) the redemption price;

(3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note, *provided that* the unredeemed portion has a minimum denomination of US$200,000;

(4) the name and address of the Paying Agent;

(5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Company's request, the Trustee will give the notice of redemption in the Company's name and at its expense; *provided*, *however*, that the Company has delivered to the Trustee, at least 45 days prior to the redemption date, an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 *Effect of Notice of Redemption*.

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price. A notice of redemption may not be conditional.

Section 3.05 *Deposit of Redemption or Purchase Price*.

No later than 10 a.m. New York time two Business Days prior to the redemption or purchase date, the Company will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest and Additional Amounts, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest and Additional Amounts, if any, on all Notes to be redeemed or purchased.

If the Company complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 *Notes Redeemed or Purchased in Part*.

Upon surrender of a Note that is redeemed or purchased in part, the Company will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 *Optional Redemption*.

(a) At any time prior to November 30, 2018, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes issued under this Indenture at a redemption price of 107.2500% of the principal amount thereof, plus accrued and unpaid interest and Additional Amounts, if any, to the redemption date (subject to the rights of the Holders on the relevant record date to receive interest on the relevant interest payment date), with the net cash proceeds of one or more Equity Offerings; *provided that*:

(1) at least 65% of the aggregate principal amount of Notes originally issued under this Indenture (excluding Notes held by the Company, the Parent Guarantor and their respective Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 45 days of the date of the closing of such Equity Offering.

(b) At any time prior to November 30, 2018, the Company may also redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each Holder's registered address, at a redemption price equal to 100% of the principal amount of Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest and Additional Amounts, if any, to, the date of redemption, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date.

(c) Except pursuant to the two preceding paragraphs, and the provisions under Section 3.10 and Section 3.11 hereof, the Notes will not be redeemable at the Company's option prior to November 30, 2018.

(d) On or after November 30, 2018, the Company may redeem all or a part of the Notes upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Additional Amounts, if any, on the Notes redeemed, to the applicable redemption date, if redeemed during the periods indicated below, subject to the rights of Holders on the relevant record date to receive interest on the relevant interest payment date:

| **Period** | **Redemption Price** |
|---|---|
| Twelve-month period on or after November 30, 2018 | 103.625% |
| Twelve-month period on or after November 30, 2019 | 101.813% |
| Twelve-month period on or after November, 2020 | 100% |
| On November 30, 2021 | 100% |

Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.08 *Mandatory Redemption*.

The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes. However, under certain circumstances, the Company may be required to offer to purchase Notes as described in Section 3.12, Section 4.10 and Section 4.15 hereof. The Company may at any time and from time to time purchase Notes in the open market or otherwise.

Section 3.09 *Offer to Purchase by Application of Excess Proceeds*.

In the event that, pursuant to Section 4.10 hereof, the Company is required to commence an offer to all Holders to purchase Notes (an "*Asset Sale Offer*"), it will follow the procedures specified below.

The Asset Sale Offer shall be made to all Holders and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in this Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets. The Asset Sale Offer will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "*Offer Period*"). No later than five Business Days after the termination of the Offer Period (the "*Purchase Date*"), the Company will apply all Excess Proceeds (the "*Offer Amount*") to the purchase of Notes and such other *pari passu* Indebtedness (on a *pro rata* basis, if applicable) or, if less than the Offer Amount has been tendered, all Notes and other Indebtedness tendered in response to the Asset Sale Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest and Additional Amounts, if any, will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of an Asset Sale Offer, the Company will send, by first class mail, a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The notice, which will govern the terms of the Asset Sale Offer, will state:

(1) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Asset Sale Offer will remain open;

(2) the Offer Amount, the purchase price and the Purchase Date;

(3) that any Note not tendered or accepted for payment will continue to accrue interest;

(4) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer will cease to accrue interest after the Purchase Date;

(5) that Holders electing to have a Note purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in integral multiples of US$200,000 and integral multiples of US$1,000 in excess thereof only;

(6) that Holders electing to have Notes purchased pursuant to any Asset Sale Offer will be required to surrender the Note, with the form entitled “Option of Holder to Elect Purchase” attached to the Notes completed, or transfer by book-entry transfer, to the Company, a Depositary, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(7) that Holders will be entitled to withdraw their election if the Company, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(8) that, if the aggregate principal amount of Notes and other *pari passu* Indebtedness surrendered by holders thereof exceeds the Offer Amount, the Company will select the Notes and other *pari passu* Indebtedness to be purchased in accordance with Section 3.02 based on the principal amount of Notes and such other *pari passu* Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Company so that only Notes in denominations of US$200,000, or integral multiples of US$1,000 in excess thereof, will be purchased); and

(9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer), *provided* that the unpurchased portion has a minimum denomination of US$200,000.

On or before the Purchase Date, the Company will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary (but subject to Section 3.02), the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer’s Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 3.09. The Company, the Depositary or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Company for purchase, and the Company will promptly issue a new Note, and the Trustee, upon written request from the Company, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered, *provided* that the unpurchased portion has a minimum denomination of US$200,000. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof. The Company will publicly announce the results of the Asset Sale Offer on the Purchase Date.

Other than as specifically provided in this Section 3.09, any purchase pursuant to this Section 3.09 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.10 *Redemption for Taxation Reasons*.

The Notes may be redeemed, at the option of the Company, as a whole but not in part, upon giving not less than 30 days' nor more than 60 days' notice to Holders (which notice will be irrevocable), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest (including any Additional Amounts), if any, to the date fixed by the Company for redemption (the "*Tax Redemption Date*") if, as a result of:

(1) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of a Relevant Jurisdiction affecting taxation; or

(2) any change in, or amendment to, an official position regarding the application or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction),

which change or amendment becomes effective on or after the date of this Indenture with respect to any payment due or to become due under the Notes, this Indenture or a Note Guarantee, the Company or a Guarantor, as the case may be, is, or on the next Interest Payment Date would be, required to pay Additional Amounts, and such requirement cannot be avoided by the Company or a Guarantor, as the case may be, taking reasonable measures available to it; *provided that* for the avoidance of doubt, changing the jurisdiction of the Company or a Guarantor is not a reasonable measure for the purposes of this Section 3.10; *provided*, *further*, that no such notice of redemption will be given earlier than 90 days prior to the earliest date on which the Company or a Guarantor, as the case may be, would be obligated to pay such Additional Amounts if a payment in respect of the Notes were then due.

Prior to the mailing of any notice of redemption of the Notes pursuant to the foregoing, the Company will deliver to the Trustee:

(1) an Officer's Certificate stating that such change or amendment referred to in the prior paragraph has occurred, and describing the facts related thereto and stating that such requirement cannot be avoided by the Company or such Guarantor, as the case may be, taking reasonable measures available to it; and

(2) an Opinion of Counsel or an opinion of a tax consultant of recognized international standing stating that the requirement to pay such Additional Amounts results from such change or amendment referred to in the prior paragraph.

The Trustee will accept and shall be entitled to rely on such Officer's Certificate and Opinion of Counsel or opinion of tax consultant as sufficient evidence of the satisfaction of the conditions precedent described above, in which event it will be conclusive and binding on the Holders.

Any Notes that are redeemed will be cancelled.

Section 3.11 *Gaming Redemption*.

Each Holder, by accepting a Note, shall be deemed to have agreed that if the Gaming Authority of any jurisdiction in which the Parent Guarantor, Company or any of their respective Affiliates (including Melco Crown Macau) conducts or proposes to conduct gaming requires that a person who is a holder or the beneficial owner of Notes be licensed, qualified or found suitable under applicable Gaming Laws, such holder or beneficial owner, as the case may be, shall apply for a license, qualification or a finding of suitability within the required time period. If such Person fails to apply or become licensed or qualified or is found unsuitable, the Company shall have the right, at its option:

(1) to require such Person to dispose of its Notes or beneficial interest therein within 30 days of receipt of notice of the Company's election or such earlier date as may be requested or prescribed by such Gaming Authority; or

(2) to redeem such Notes, which redemption may be less than 30 days following the notice of redemption if so requested or prescribed by the applicable gaming authority, at a redemption price equal to:

(A) the lesser of:

(1) the Person's cost, plus accrued and unpaid interest, if any, to the earlier of the redemption date or the date of the finding of unsuitability or failure to comply; and

(2)100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the earlier of the redemption date or the date of the finding of unsuitability or failure to comply; or

(B) such other amount as may be required by applicable law or order of the applicable Gaming Authority.

The Company shall notify the Trustee in writing of any such redemption as soon as practicable. Neither the Company nor the Trustee shall be responsible for any costs or expenses any Holder may incur in connection with such Holder's application for a license, qualification or a finding of suitability.

Section 3.12 *Special Put Option.*

In the event that the 2020 Notes are not refinanced or repaid in full by June 1, 2020 in accordance with the terms of this Indenture (and in the case of a refinancing, with refinancing indebtedness with a Weighted Average Life to Maturity no earlier than 90 days after the stated maturity date of the Notes) (a "*Special Put Option Triggering Event*"), each holder of the Notes will have the right to require the Company to repurchase all or any part of such holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date), except to the extent the Company has previously or concurrently elected to redeem the Notes in full as described under Section 3.07 hereof.

Within ten days following the occurrence of a Special Put Option Triggering Event, except to the extent that the Company has exercised its right to redeem the Notes by delivery of a notice of redemption as described under Section 3.07 hereof the Company shall mail a notice (a "*Special Put Option Offer*") to each holder of the Notes with a copy to the Trustee and the Paying Agent stating:

(a) that a Special Put Option Triggering Event has occurred and that such holder has the right to require the Company to repurchase such holder's Notes at a repurchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest to the date of repurchase (subject to the right of holders of record on a record date to receive interest on the relevant interest payment date);

(b) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed); and

(c) the instructions determined by the Company, consistent with this covenant, that a holder must follow in order to have its Notes repurchased.

Notes repurchased by the Company pursuant to a Special Put Option Offer will be retired and cancelled at the option of the Company.

The Company will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this covenant. To the extent that the provisions of any securities laws or regulations conflict with provisions of this covenant, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this covenant by virtue thereof.

On the date of repurchase, the Company will, to the extent lawful:

(a) accept for payment all Notes or portions of Notes properly tendered pursuant to the Special Put Option Offer;

(b) deposit with the Paying Agent an amount equal to the purchase price (plus accrued and unpaid interest) in respect of all Notes or portions of Notes properly tendered; and

(c) deliver or cause to be delivered to the Trustee and Paying Agent an Officer’s Certificate stating the aggregate principal amount of Notes or portions of Notes properly tendered and being purchased by the Company.

## ARTICLE 4
## COVENANTS

Section 4.01 *Payment of Notes*.

The Company will pay or cause to be paid the principal of, premium, if any, and interest and Additional Amounts, if any, on, the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest and Additional Amounts, if any, will be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 10:00 a.m. New York Time two Business Days prior to the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

(5) the Incurrence by the Parent Guarantor or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge any Indebtedness (other than intercompany Indebtedness or Indebtedness owed by the Parent Guarantor or any of its Restricted Subsidiaries under the Intercompany Note Proceeds Loans; *provided* that the Parent Guarantor or any of its Restricted Subsidiaries may agree to such amendment of the terms of the Intercompany Note Proceeds Loans as necessary for the refinancing the 2020 Notes so long as (a) the Indebtedness incurred to refinance the 2020 Notes and the Intercompany Note Proceeds Loans, as amended, each has a Weighted Average Life to Maturity no earlier than 90 days after the stated maturity date of the Notes, and (b) as a result of such amendment, the terms of the Intercompany Note Proceeds Loans are not materially more disadvantageous to the Parent Guarantor and its Restricted Subsidiaries, taken as a whole, than the Intercompany Note Proceeds Loans existing on the Issue Date (other than with respect to economic terms of the Indebtedness to which such Intercompany Note Proceeds Loan relates)) that was permitted by this Indenture to be Incurred under the first paragraph of this covenant or clauses (2), (3), (4), (5) or (15) of this Section 4.09(b);

(6) (a) Obligations in respect of workers' compensation claims, self-insurance obligations, bankers' acceptances, performance, bid, appeal and surety bonds and completion or performance guarantees (including the guarantee of any land grant) provided by the Company or any Restricted Subsidiary in connection with the Property or in the ordinary course of business and (b) Indebtedness constituting reimbursement obligations with respect to letters of credit or trade or bank guarantees (including for land grants) issued in the ordinary course of business to the extent that such letters of credit, trade or bank guarantees (including for land grants) are not drawn upon or, if drawn upon, to the extent such drawing is reimbursed no later than thirty (30) days following receipt of a demand for reimbursement;

(7) the Incurrence by the Parent Guarantor or any of its Restricted Subsidiaries of intercompany Indebtedness between or among the Parent Guarantor or any of its Restricted Subsidiaries; *provided*, *however*, that:

(A) if the Company or any Guarantor is the obligor on such Indebtedness and the payee is not the Company or a Guarantor, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all Obligations then due with respect to the Notes, in the case of the Company, or the Note Guarantee, in the case of a Guarantor; and

(B) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor and (ii) any sale or other transfer of any such Indebtedness to a Person that is not the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor, will be deemed, in each case, to constitute an Incurrence of such Indebtedness by the Parent Guarantor or such Restricted Subsidiary, as the case may be, that was not permitted by this clause (7);

(8) shares of Preferred Stock of a Restricted Subsidiary issued to the Parent Guarantor or another Restricted Subsidiary of the Parent Guarantor; *provided that*

(A) any subsequent issuance or transfer of Equity Interests that results in any such Preferred Stock being held by a Person other than the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor; and

(B) any sale or other transfer of any such Preferred Stock to a Person that is not the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor, will be deemed, in each case, to constitute an issuance of such Preferred Stock by such Restricted Subsidiary that was not permitted by this clause (8).

(9) the Incurrence by the Parent Guarantor or any of its Restricted Subsidiaries of Hedging Obligations in the ordinary course of business and not for speculative purposes;

(10) the guarantee by the Parent Guarantor or any Restricted Subsidiary of the Parent Guarantor of Indebtedness of the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor that was permitted to be Incurred by another provision of this Section 4.09; *provided that* if the Indebtedness being guaranteed is subordinated to or *pari passu* with the Notes, then the guarantee shall be subordinated or *pari passu*, as applicable, to the same extent as the Indebtedness guaranteed;

(11) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds, so long as such Indebtedness is extinguished within five (5) Business Days of its Incurrence;

(12) to the extent constituting Indebtedness, agreements to pay service fees to professionals (including architects, engineers, contractors and designers) in furtherance of and/or in connection with the Property or agreements to pay fees and expenses or other amounts pursuant to the Services and Right to Use Agreement or the MSA or otherwise arising under the Services and Right to Use Agreement or the MSA in the ordinary course of business (*provided*, *that* no such agreements shall give rise to Indebtedness for borrowed money);

(13) Indebtedness arising from agreements providing for indemnification, adjustment of purchase price or similar obligations, or from guarantees or letters of credit, surety bonds, or performance bonds securing any obligation of the Parent Guarantor or any Restricted Subsidiary of the Parent Guarantor pursuant to such agreements, in each case, incurred or assumed in connection with the acquisition or disposition of any business, assets or Capital Stock of a Restricted Subsidiary, other than guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or Subsidiary for the purpose of financing such acquisition; *provided*, *that* the maximum aggregate liability in respect of all such Indebtedness shall at no time exceed the gross proceeds actually received in connection with such disposition;

(14) Obligations in respect of Shareholder Subordinated Debt;

(15) any guarantees made solely in connection with (and limited in scope to) the giving of a Lien of the type specified in clause (22) of "Permitted Liens" to secure Indebtedness of an Unrestricted Subsidiary, the only recourse of which to the Parent Guarantor and its Restricted Subsidiaries is to the Equity Interests subject to the Liens; and

(16) the Incurrence by the Company or the Guarantors of additional Indebtedness in an aggregate principal amount (or accreted value, as applicable) at any time outstanding, including all Permitted Refinancing Indebtedness Incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness Incurred pursuant to this clause (16) and, without duplication, clause 4.09(b)(16) of the 2019 Notes Indenture, not to exceed US$30.0 million.

The Parent Guarantor and the Company will not Incur, and the Parent Guarantor will not permit any Subsidiary Guarantor to Incur, any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Parent Guarantor, the Company or such Subsidiary Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms; *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Parent Guarantor, the Company or any Subsidiary Guarantor solely by virtue of being unsecured or by virtue of being secured on a first or junior Lien basis.

For purposes of determining compliance with this Section 4.09, in the event that an item of proposed Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (16) above, or is entitled to be Incurred pursuant to the first paragraph of this covenant, the Parent Guarantor and the Company will be permitted to classify such item of Indebtedness on the date of its Incurrence, or later reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.09. Indebtedness incurred under the Senior Secured Credit Facilities will be deemed to have been incurred in reliance on the exception provided by clause (1)(x) of the definition of Permitted Debt and may not be reclassified. The accrual of interest, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of Preferred Stock as Indebtedness due to a change in accounting principles, and the payment of dividends on Disqualified Stock in the form of additional shares of the same class of Disqualified Stock will not be deemed to be an Incurrence of Indebtedness or an issuance of Disqualified Stock for purposes of this Section 4.09; provided, in each such case, that the amount of any such accrual, accretion or payment is included in Fixed Charges of the Parent Guarantor as accrued. Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Parent Guarantor or any Restricted Subsidiary of the Parent Guarantor may Incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

Further, for purposes of determining compliance with this covenant, to the extent the Parent Guarantor or any of its Restricted Subsidiaries (including the Company) guarantees Indebtedness of a direct or indirect parent entity to the extent otherwise permitted by this covenant, the on-loan by such direct or indirect parent entity to the Parent Guarantor or any of its Restricted Subsidiaries of all or a portion of the principal amount of such Indebtedness will not be double counted.

The amount of any Indebtedness outstanding as of any date will be:

(1) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;

(2) the principal amount of the Indebtedness, in the case of any other Indebtedness; and

(3) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:

(A) the Fair Market Value of such assets at the date of determination; and

(B) the face amount of the Indebtedness of the other Person.

Section 4.10 *Asset Sales*.

(a) The Parent Guarantor and the Company will not, and the Parent Guarantor will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale (other than an Event of Loss), unless:

(1) the Company, the Parent Guarantor or the Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of; and

(2) at least 75% of the consideration received in the Asset Sale by the Company, the Parent Guarantor or such Restricted Subsidiary is in the form of cash. For purposes of this provision, each of the following will be deemed to be cash:

(A) any liabilities, as shown on the Parent Guarantor's most recent consolidated balance sheet, of the Parent Guarantor or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Note Guarantee) that are assumed by the transferee of any such assets pursuant to a customary novation agreement that releases the Parent Guarantor or such Restricted Subsidiary from further liability;

(B) any securities, notes or other Obligations received by the Parent Guarantor or any such Restricted Subsidiary from such transferee that are, within 30 days of the receipt thereof, converted by the Parent Guarantor or such Restricted Subsidiary into cash, to the extent of the cash received in that conversion; and

(C) any stock or assets of the kind referred to in Section 4.10(b)(2) or Section 4.10(b)(4).

(b) Within 360 days after the receipt of any Net Proceeds from an Asset Sale (including an Event of Loss), the Company, the Parent Guarantor or the applicable Restricted Subsidiary, as the case may be may apply such Net Proceeds:

(1) to repay (a) Indebtedness Incurred under Section 4.09(b)(1) and Indebtedness that is secured under clause (25) of the definition of "Permitted Liens", (b) other Indebtedness of the Company or a Guarantor secured by property and assets that do not constitute Collateral that is the subject of such Asset Sale, and, in each case, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto, (c) Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor or (d) the Notes or the 2019 Notes pursuant to the redemption provisions of this Indenture or the 2019 Notes Indenture, as applicable;

(2) to acquire all or substantially all of the assets of another Permitted Business, or any Capital Stock of, a Person undertaking another Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of the Parent Guarantor (*provided that* (a) such acquisition funded with any proceeds from an Event of Loss occurs within the date that is 545 days after receipt of the Net Proceeds from the relevant Event of Loss to the extent that a binding agreement to acquire such assets or Capital Stock is entered into on or prior to the date that is 360 days after receipt of the Net Proceeds from the relevant Event of Loss, and (b) if such acquisition is not consummated within the period set forth in clause (a), the Net Proceeds not so applied will be deemed to be Excess Proceeds);

(3) to make a capital expenditure (*provided that* any such capital expenditure funded with any proceeds from an Event of Loss occurs within the date that is 545 days after receipt of the Net Proceeds from the relevant Event of Loss to the extent that a binding agreement to make such capital expenditure is entered into on or prior to the date that is 360 days after receipt of the Net Proceeds from the relevant Event of Loss); or

(4) to acquire other assets that are not classified as current assets under GAAP and that are used or useful in a Permitted Business (*provided that* (a) such acquisition funded from an Event of Loss occurs within the date that is 545 days after receipt of the Net Proceeds from the relevant Event of Loss to the extent that a binding agreement to acquire such assets is entered into on or prior to the date that is 360 days after receipt of the Net Proceeds from the relevant Event of Loss, and (b) if such acquisition is not consummated within the period set forth in clause (a), the Net Proceeds not so applied will be deemed to be Excess Proceeds);

or enter into a binding commitment regarding clauses (2), (3) or (4) above (in addition to the binding commitments expressly referenced in those clauses), *provided that* such binding commitment shall be treated as a permitted application of Net Proceeds from the date of such commitment until the earlier of (x) the date on which such acquisition or expenditure is consummated and (y) the 180th day following the expiration of the aforementioned 360-day period. To the extent such acquisition or expenditure is not consummated on or before such 180th day and the Company, the Parent Guarantor or such Restricted Subsidiary shall not have applied such Net Proceeds pursuant to clauses (2), (3) or (4) above on or before such 180th day, such commitment shall be deemed not to have been a permitted application of Net Proceeds, and such Net Proceeds will constitute Excess Proceeds.

(c) Pending the final application of any Net Proceeds, the Company may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(d) Any Net Proceeds from Asset Sales that are not applied or invested as provided in the second paragraph of this Section 4.10 will constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds US$5.0 million, within ten (10) days thereof, the Company shall make an Asset Sale Offer to all Holders and all holders of other Indebtedness that is *pari passu* with the Notes and secured by the Collateral containing provisions similar to those set forth in this Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets to purchase the maximum principal amount of Notes and such other *pari passu* Indebtedness that may be purchased out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount plus accrued and unpaid interest and Additional Amounts, if any, to the date of purchase, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Company will purchase all tendered Notes and such other *pari passu* Indebtedness on a *pro rata* basis unless otherwise required under Section 3.02. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(e) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of Section 3.09 hereof or this Section 4.10, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under Section 3.09 hereof or this Section 4.10 by virtue thereof.

(1) the Affiliate Transaction is on terms that are no less favorable to the Company, the Parent Guarantor or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company, the Parent Guarantor or such Restricted Subsidiary with a Person that is not an Affiliate of the Parent Guarantor or the Company; and

(2) the Parent Guarantor delivers to the Trustee:

(B) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US$45.0 million, an opinion as to the fairness to the Parent Guarantor or such Restricted Subsidiary of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of international standing, or other recognized independent expert of national standing with experience appraising the terms and conditions of the type of transaction or series of related transactions.

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.11(a) hereof:

(1) any employment agreement, employee benefit plan (including compensation, retirement, disability, severance and other similar plan), officer or director indemnification, stock option or incentive plan or agreement, employee equity subscription agreement or any similar arrangement entered into by the Parent Guarantor or any of its Restricted Subsidiaries in the ordinary course of business and payments pursuant thereto;

(2) transactions between or among the Company, the Parent Guarantor and/or its Restricted Subsidiaries;

The Parent Guarantor and the Company will not, and the Parent Guarantor will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind securing Indebtedness on any asset now owned or hereafter acquired or any proceeds, income or profits therefrom or assign or convey any right to receive income therefrom, except Permitted Liens, or, if such Lien is not a Permitted Lien, unless the Notes and the Note Guarantees are secured on a *pari passu* basis with the obligations so secured until such time as such obligations are no longer secured by a Lien.

Section 4.13 *Business Activities*.

The Parent Guarantor and the Company will not, and the Parent Guarantor will not permit any of its Restricted Subsidiaries to, engage in any business other than Permitted Business, except to such extent as would not be material to the Parent Guarantor and its Restricted Subsidiaries (taken as a whole).

(2) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries; *provided*, *however*, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Subsidiaries, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders.

Section 4.15 *Offer to Repurchase upon Change of Control*.

(a) Upon the occurrence of a Change of Control, each Holder will have the right to require the Company to repurchase all or any part of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest and Additional Amounts, if any, to the date of repurchase (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date), except to the extent the Company has previously or concurrently elected to redeem the Notes in full pursuant to Section 3.07 hereof. Within ten (10) days following any Change of Control, except to the extent that the Company has exercised its right to redeem the Notes by delivery of a notice of redemption pursuant to Section 3.03 hereof, the Company shall mail a notice (a "*Change of Control Offer*") to each Holder with a copy to the Trustee stating:

(1) that a Change of Control has occurred and that such Holder has the right to require the Company to repurchase such Holder's Notes at a repurchase price in cash equal to

(2) the circumstances and relevant facts and financial information regarding such Change of Control;

(4) that any Note not tendered will continue to accrue interest;

(5) that, unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date;

(6) the Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(7) the Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased, and

(8) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, *provided* that the unpurchased portion has a minimum denomination of US$200,000.

The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(c) Notwithstanding anything to the contrary in this Section 4.15, the Company will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.15 hereof and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to Section 3.03 hereof, unless and until there is a default in payment of the applicable redemption price.

(d) A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(e) Notes repurchased by the Company pursuant to a Change of Control Offer will be retired and cancelled at the option of the Company. Notes purchased by a third party pursuant to the preceding paragraph will have the status of Notes issued and outstanding.

(f) The Company will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of the Notes pursuant to this Section 4.15. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.15, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.15 by virtue of such compliance.

Section 4.16 *Payments for Consents*.

The Parent Guarantor and the Company will not, and the Parent Guarantor will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture, the Notes, the Note Guarantees, the Security Documents or the Intercreditor Agreement unless such consideration is (1) offered to be paid; and (2) is paid to all Holders that consent, waive or agree to amend within the time frame and on the terms set forth in the solicitation documents relating to such consent, waiver or agreement.

Notwithstanding the foregoing, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes in connection with an exchange offer, the Company and any of the Restricted Subsidiaries may exclude (a) in connection with an exchange offer, holders or beneficial owners of the Notes that are not “qualified institutional buyers” as defined in Rule 144A under the Securities Act, and (b) in connection with any consent, waiver or amendment, holders or beneficial owners of the Notes in any jurisdiction where the inclusion of such holders or beneficial owners would require the Company or any of its Restricted Subsidiaries to (i) file a registration statement, prospectus or similar document or subject the Company or any of its Restricted Subsidiaries to ongoing periodic reporting or similar requirements under any securities laws (including but not limited to, the United States federal securities laws and the laws of the European Union or its member states), (ii) qualify as a foreign corporation or other entity as a dealer in securities in such jurisdiction if it is not otherwise required to so qualify, (iii) generally consent to service of process in any such jurisdiction or (iv) subject the Company or any of its Restricted Subsidiaries to taxation in any such jurisdiction if it is not otherwise so subject, or the solicitation of such consent, waiver or amendment from, or the granting of such consent or waiver, or the approval of such amendment by, holders or beneficial owners in such jurisdiction would be unlawful, in each case as determined by the Company in its sole discretion.

Section 4.17 *Future Guarantors*.

(a) If the Parent Guarantor or any of its Restricted Subsidiaries acquires or creates another Subsidiary after the Issue Date, then the Parent Guarantor shall cause such newly acquired or created Subsidiary to become a Guarantor (in the event that such Subsidiary provides a guarantee of any other Indebtedness of the Company or a Guarantor of the type specified under clauses (1) or (2) of the definition of "Indebtedness"), at which time such Subsidiary shall:

(1) execute a supplemental indenture in the form attached as Exhibit D hereto pursuant to which such Subsidiary shall unconditionally guarantee, on a senior basis, all of the Company's Obligations under this Indenture and the Notes on the terms set forth in this Indenture;

(2) execute and deliver to the Security Agent and/or the Intercreditor Agent (as applicable) such amendments or supplements to the Security Documents necessary in order to grant to the Security Agent, for the benefit of the Trustee and the holders of the Notes, a perfected security interest (subject to Permitted Liens and to the extent permitted under applicable law) in the Collateral owned by such Subsidiary Guarantor required to be pledged pursuant to the Security Documents;

(3) take such further action and execute and deliver such other documents as otherwise may be reasonably requested by the Trustee, the Security Agent or the Intercreditor Agent to give effect to the foregoing; and

(4) deliver to the Trustee, the Security Agent and the Intercreditor Agent an Opinion of Counsel that (i) such supplemental indenture and any other documents required to be delivered have been duly authorized, executed and delivered by such Subsidiary and constitute legal, valid, binding and enforceable Obligations of such Subsidiary and (ii) the Security Documents to which such Subsidiary is a party create a valid perfected Lien on the Collateral covered thereby to the extent permitted under applicable law.

(b) Notwithstanding the foregoing, any Guarantee of the Notes created pursuant to the provisions described in paragraph (a) above may provide by its terms that it will be automatically and unconditionally released and discharged upon:

(1) (with respect to any Guarantee created after the date of this Indenture) the release by the holders of the Company's, the Parent Guarantor's or the Subsidiary Guarantor's Debt described in paragraph (a) above, of their guarantee by such Restricted Subsidiary (including any deemed release upon payment in full of all obligations under such Debt other than as a result of payment under such guarantee), at a time when:

(A) no other Indebtedness of either Company, the Parent Guarantor or any Subsidiary Guarantor has been guaranteed by such Restricted Subsidiary; or

(B) the holders of all such other Indebtedness that is guaranteed by such Restricted Subsidiary also release their guarantee by such Restricted Subsidiary (including any deemed release upon payment in full of all obligations under such Debt other than as a result of payment under such guarantee); or

(2) the release of the Guarantees on the terms and conditions and in the circumstances described in Section 11.08 hereof.

(c) Each additional Note Guarantee will be limited as necessary to recognize certain defences generally available to guarantors (including those that relate to fraudulent conveyance or transfer, voidable preference, financial assistance, corporate purpose, capital maintenance or similar laws, regulations or defences affecting the rights of creditors generally) or other considerations under applicable law. Notwithstanding Section 4.17(a), the Parent Guarantor shall not be obligated to cause such Restricted Subsidiary to Guarantee the Notes to the extent that such Guarantee by such Restricted Subsidiary would reasonably be expected to give rise to or result in (i) any liability for the officers, directors or shareholders of such Restricted Subsidiary or (ii) any significant cost, expense, liability or obligation (including with respect of any Taxes, but excluding any reasonable guarantee or similar fee payable to the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor) other than reasonable out of pocket expenses.

Section 4.18 *Designation of Restricted and Unrestricted Subsidiaries.*

The Board of Directors of the Parent Guarantor may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default; *provided that* in no event will the business currently operated by the Company, Studio City Developments Limited, Studio City Entertainment Limited or Studio City Hotels Limited be transferred to or held by an Unrestricted Subsidiary. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Parent Guarantor and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.07 hereof or under one or more clauses of the definition of Permitted Investments, as determined by the Parent Guarantor. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of the Parent Guarantor may re-designate any Unrestricted Subsidiary to be a Restricted Subsidiary if that re-designation would not cause a Default.

Any designation of a Subsidiary of the Parent Guarantor as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a certified copy of a resolution of the Board of Directors of the Parent Guarantor giving effect to such designation and an Officer's Certificate of the Parent Guarantor certifying that such designation complied with the preceding conditions and was permitted by Section 4.07 hereof. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be Incurred by a Restricted Subsidiary of the Parent Guarantor as of such date and, if such Indebtedness is not permitted to be Incurred as of such date under Section 4.09 hereof, Parent Guarantor and the Company will be in Default of such covenant. The Board of Directors of the Parent Guarantor may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Parent Guarantor; *provided that* such designation will be deemed to be an Incurrence of Indebtedness by a Restricted Subsidiary of the Parent Guarantor of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under Section 4.09 hereof, calculated on a *pro forma* basis as if such designation had occurred at the beginning of the reference period; and (2) no Default or Event of Default would be in existence following such designation. On such designation, the Parent Guarantor shall deliver an Officer's Certificate of the Parent Guarantor to the Trustee regarding such designation and certifying that such designation complies with the preceding conditions and the relevant covenants under this Indenture.

Section 4.19 *Listing*.

The Company will use its commercially reasonable efforts to list and maintain the listing and quotation of the Notes on the Official List of the Singapore Exchange Securities Trading Limited or another comparable exchange.

Section 4.20 *Limitations on Use of Proceeds*.

The Parent Guarantor and the Company will not, and the Parent Guarantor will not cause or permit any of its Restricted Subsidiaries to, use the net proceeds from the sale of the Notes, in any amount, for any purpose other than as set forth under the caption "Use of Proceeds" in the Offering Memorandum.

Section 4.21 *Impairment of Security Interest*.

(a) Subject to clauses (b) and (c) below, the Parent Guarantor and the Company will not, and the Parent Guarantor will not cause or permit any of its Restricted Subsidiaries to, take or knowingly omit to take, any action which action or omission would have the result of materially impairing the security interest over any of the assets comprising the Collateral (it being understood that the incurrence of Liens on the Collateral permitted by the last paragraph of the definition of Permitted Liens shall under no circumstances be deemed to materially impair the security interest with respect to the Collateral), for the benefit of the Trustee, the Security Agent, the Intercreditor Agent and the holders of Notes (including the priority thereof).

(b) At the request of the Parent Guarantor and without the consent of the holders of the Notes, the Trustee may from time to time (subject to receipt of the documents described in Section 7.02(b)) direct the Security Agent and/or the Intercreditor Agent (as applicable) (and acting on such direction the Security Agent and/or the Intercreditor Agent may, to the extent authorized and permitted by the Intercreditor Agreement), enter into one or more amendments to the Security Documents to: (i) cure any ambiguity, omission, defect or inconsistency therein; (ii) provide for any Permitted Liens; (iii) add to the Collateral or (iv) make any other change thereto that does not adversely affect the holders of the Notes in any material respect; *provided*, *however*, that no Security Document may be amended, extended, renewed, restated, supplemented or otherwise modified or replaced, unless contemporaneously with such amendment, extension, renewal, restatement, supplement, modification or replacement, the Parent Guarantor delivers to the Trustee, any of:

(1) a solvency opinion, in form satisfactory to the Trustee, from an Independent Financial Advisor confirming the solvency of the Parent Guarantor and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement;

(2) a certificate from the Board of Directors or chief financial officer of the Parent Guarantor (acting in good faith), substantially in the form attached hereto as Exhibit F to this Indenture, confirming the solvency of the Person granting such Lien after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement; or

(3) an opinion of counsel, in form satisfactory to the Trustee confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, the Lien or Liens securing the applicable Notes created under the Security Documents as so amended, extended, renewed, restated, supplemented, modified or replaced remain valid and perfected Liens not otherwise subject to any limitation, imperfection or new hardening period, in equity or at law, that such Lien or Liens were not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, supplement, modification, replacement or release and retaking.

(c) Nothing in this Section 4.21 will restrict and clause (b) above will not apply to (x) any release, amendment, extension, renewal, restatement, supplement, modification or replacement of any security interests in compliance with the provisions set out in Section 10.06 or (y) any Permitted Land Concession Amendment.

(d) In the event that the Parent Guarantor complies with this Section 4.21, the Trustee and/or the Security Agent and/or the Intercreditor Agent, as applicable, shall (to the extent authorized and permitted under the Intercreditor Agreement and subject to customary protections and indemnifications) consent to such amendment, extension, renewal, restatement, supplement, modification, replacement or release with no need for instructions from the Holders; *provided* such amendments do not impose any personal obligations on the Trustee and/or the Security Agent and/or the Intercreditor Agent or adversely affect the rights, duties, liabilities or immunities of the Trustee under this Indenture or the Intercreditor Agreement.

Section 4.22 *Suspension of Covenants*.

(a) The following covenants (the "*Suspended Covenants*") will not apply during any period during which the Notes have an Investment Grade Status (a "*Suspension Period*"): Section 4.07, Section 4.08, Section 4.09, Section 4.10, Section 4.11, with respect to the Parent Guarantor and the Company Section 5.01(a)(3), Section 4.17 and Section 4.21. Additionally, during any Suspension Period, neither the Parent Guarantor nor the Company will be permitted to designate any Restricted Subsidiary as an Unrestricted Subsidiary.

(b) In the event that the Parent Guarantor and its Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing, and on any subsequent date (the "*Reversion Date*") the Notes cease to have Investment Grade Status, then the Suspended Covenants will apply with respect to events occurring following the Reversion Date (unless and until the Notes subsequently attain an Investment Grade Status, in which case the Suspended Covenants will again be suspended for such time that the Notes maintain an Investment Grade Status); *provided*, *however*, that no Default or Event of Default will be deemed to exist under the Indenture with respect to the Suspended Covenants, and none of the Parent Guarantor, the Company or any of their respective Subsidiaries will bear any liability for any actions taken or events occurring during a Suspension Period and before any related Reversion Date, or any actions taken at any time pursuant to any contractual obligation or binding commitment arising prior to such Reversion Date, regardless of whether those actions or events would have been permitted if the applicable Suspended Covenant had remained in effect during such period. The Company shall notify the Trustee should the Notes achieve Investment Grade Status, *provided* that such notification shall not be a condition for the suspension of the covenants set forth above to be effective. The Trustee shall be under no obligation to notify the holders of the Notes that the Notes have achieved Investment Grade Status.

(c) On each Reversion Date, all Indebtedness Incurred during the Suspension Period prior to such Reversion Date will be deemed to be Indebtedness existing on the Issue Date. For purposes of calculating the amount available to be made as Restricted Payments under Section 4.07(a)(C) on or after the Reversion Date, calculations under such covenant shall be made as though such covenant had been in effect during the entire period of time after the Issue Date (including the Suspension Period). Restricted Payments made during the Suspension Period not otherwise permitted pursuant to any of clauses (2) through (6) or (18) under Section 4.07(b) will reduce the amount available to be made as Restricted Payments under Section 4.07(a)(C); provided, that the amount available to be made as Restricted Payments on the Reversion Date shall not be reduced to below zero solely as a result of such Restricted Payments. In addition, for purposes of the other Suspended Covenants, all agreements entered into and all actions taken during the Suspension Period, including, without limitation, the Incurrence of Indebtedness shall be deemed to have been taken or to have existed prior to the Issue Date.

(1) either:

(A) if the transaction or series of transactions is a consolidation of the Parent Guarantor or the Company with or a merger of the Parent Guarantor or the Company with or into any other Person, the Parent Guarantor or the Company, as the case may be, shall be the surviving entity of such merger or consolidation; or

(B) the Person formed by or surviving any such consolidation or merger (if other than the Parent Guarantor or the Company) or to which such sale, assignment, transfer, conveyance or other disposition has been made shall be a corporation organized and existing under the laws of the British Virgin Islands, Cayman Islands, Hong Kong, Macau, Singapore, United States, any state of the United States or the District of Columbia, and such Person shall expressly assume all the Obligations of the Parent Guarantor or the Company, as the case may be, under the Notes, the Note Guarantees, this Indenture and the Security Documents and the Intercreditor Agreement pursuant to supplemental indentures or other documents or agreements reasonably satisfactory to the Trustee, the Security Agent and the Intercreditor Agent, and in connection therewith shall cause such instruments to be filed and recorded in such jurisdictions and take such other actions as may be required by applicable law to perfect or continue the perfection of the Lien created under the Security Documents on the Collateral owned by or transferred to the surviving Person;

(2) immediately after such transaction, no Default or Event of Default exists; and

(3) the Parent Guarantor or the Company or, if applicable, the Person formed by or surviving any such consolidation or merger (if other than the Parent Guarantor or the Company), or to which such sale, assignment, transfer, conveyance or other disposition has been made, would, on the date of such transaction after giving pro forma effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, be permitted to Incur at least US$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) hereof.

(b) *The Subsidiary Guarantors*. No Subsidiary Guarantor will, and the Parent Guarantor will not permit any Subsidiary Guarantor to, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not such Subsidiary Guarantor survives); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of such Subsidiary Guarantor in one or more related transactions, to another Person, unless:

(1) either:

(A) if the transaction or series of transactions is a consolidation of such Subsidiary Guarantor with or a merger of such Subsidiary Guarantor with or into any other Person, such Subsidiary Guarantor shall be the surviving entity of such consolidation or merger; or

(B) the Person formed by or surviving any such consolidation or merger (if other than such Subsidiary Guarantor) or to which such sale, assignment, transfer, conveyance or other disposition has been made shall be a corporation organized and existing under the laws of the British Virgin Islands, Cayman Islands, Hong Kong, Macau, Singapore, United States, any state of the United States or the District of Columbia, and such Person shall expressly assume all the Obligations of such Subsidiary Guarantor under its Note Guarantee, this Indenture, the Security Documents and the Intercreditor Agreement pursuant to supplemental indentures or other documents or agreements reasonably satisfactory to the Trustee and the Security Agent and the Intercreditor Agent, and in connection therewith shall cause such instruments to be filed and recorded in such jurisdictions and take such other actions as may be required by applicable law to perfect or continue the perfection of the Lien created under the Security Documents on the Collateral owned by or transferred to the surviving Person; and

(2) immediately after such transaction, no Default or Event of Default exists;

*provided*, *however*, that the provisions of this Section 5.01(b) shall not apply if such Subsidiary Guarantor is released from its Note Guarantee as a result of such consolidation, merger, sale or other disposition pursuant to Section 11.08 hereof.

(c) This Section 5.01 will not apply to:

(1) a merger of the Company or a Guarantor, as the case may be, with an Affiliate solely for the purpose of reincorporating the Company or a Subsidiary Guarantor, as the case may be, in another jurisdiction; or

(2) any consolidation or merger, or any sale, assignment, transfer, conveyance, or other disposition of assets between or among the Company and the Guarantors or between or among the Guarantors.

Upon consummation of any consolidation or merger, or any sale, assignment, transfer, conveyance, or other disposition of assets by a Subsidiary Guarantor with or into the Company or another Guarantor in accordance with this Section 5.01 which results in a Subsidiary Guarantor distributing all of its assets (other than *de minimis* assets required by law to maintain its corporate existence) to the Company or another Guarantor, such transferring Subsidiary Guarantor may be wound up pursuant to a solvent liquidation or solvent reorganization, provided it shall have no third party recourse Indebtedness or be the obligor under any intercompany Indebtedness.

Section 5.02 *Successor Corporation Substituted*.

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of the Company in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof, the successor Person formed by such consolidation or into or with which the Company is merged or to which such sale,
assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture referring to the "Company" shall refer instead to the successor Person and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; *provided*, *however*, that the predecessor Company shall not be relieved from the obligation to pay the principal of and interest on the Notes except in the case of a sale of all of the Company's assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

## ARTICLE 6
## DEFAULTS AND REMEDIES

Section 6.01 *Events of Default*.

(a) Each of the following is an event of default (an "*Event of Default*"):

(1) default for 30 days in the payment when due of interest or Additional Amounts, if any, on the Notes;

(5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Parent Guarantor or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Parent Guarantor or any of its Restricted Subsidiaries), whether such Indebtedness or Guarantee now exists, or is created after the date of this Indenture, if that default:

(A) is caused by a failure to pay principal of, or interest or premium, if any, on, such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "*Payment Default*"); or

(B) results in the acceleration of such Indebtedness prior to its express maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates US$15.0 million or more at any time outstanding;

(6) failure by the Parent Guarantor or any of its Restricted Subsidiaries to pay final judgments entered by a court or courts of competent jurisdiction (other than any judgment as to which a reputable third party insurer has accepted full responsibility and coverage) aggregating in excess of US$15.0 million, which judgments are not paid, discharged or stayed for a period of 60 days;

(7) the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary pursuant to or within the meaning of Bankruptcy Law:

(B) consents to the entry of an order for relief against it in an involuntary case,

(C) consents to the appointment of a custodian of it or for all or substantially all of its property,

(D) makes a general assignment for the benefit of its creditors, or

(E) generally is not paying its debts as they become due;

(8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary in an involuntary case;

(B) appoints a custodian of the Company or of any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary or for all or substantially all of the property of the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary; or

(C) orders the liquidation of the Company or of any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary;

(9) the repudiation by the Company or any Guarantor of any of their Obligations under the Security Documents, or except as permitted by this Indenture and the Intercreditor Agreement, any of the Security Documents or the Intercreditor Agreement ceasing to be in full force and effect for any reason, being declared fully or partially void in judicial, regulatory or administrative proceeding or becoming enforceable against the Company or any Guarantor for any reason;

(10) except as permitted by this Indenture, (a) any Note Guarantee being held in any judicial proceeding in a competent jurisdiction to be unenforceable or invalid or ceases for any reason to be in full force and effect, or (b) any Person acting on behalf of any Guarantor, denying or disaffirming its Obligations under its Note Guarantee;

(11) the termination or rescission of any Gaming License or the Macau government takes any formal measure to do so;

Section 6.02 *Acceleration*.

In the case of an Event of Default specified in Section 6.01(a)(7) or 6.01(a)(8) hereof, with respect to the Company, the Parent Guarantor, any Restricted Subsidiary of the Parent Guarantor that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Parent Guarantor that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately.

Upon any such declaration, the Notes shall become due and payable immediately.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, rescind an acceleration and its consequences, if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal, interest, premium or Additional Amounts, if any, that has become due solely because of the acceleration) have been cured or waived.

Section 6.03 *Other Remedies*.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium and Additional Amounts, if any, and interest on the Notes or to enforce the performance of any provision of the Notes, this Indenture or the Security Documents.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults*.

Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of the principal of, premium, Additional Amounts, if any, or interest on, the Notes (including in connection with an offer to purchase); *provided*, *however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority*.

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct, in writing, the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders or that may involve the Trustee in personal liability.

Section 6.06 *Limitation on Suits*.

(a) Subject to the provisions of this Indenture relating to the duties of the Trustee, in case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any Holders unless such Holders have offered to the Trustee reasonable indemnity and/or security to its satisfaction against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, or interest or Additional Amounts, if any, when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes have made a written request to the Trustee to pursue the remedy;

(3) such Holders have offered the Trustee security and/or indemnity to its satisfaction against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security and/or indemnity to its satisfaction; and

(5) during such 60-day period, Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a written direction inconsistent with such request.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07 *Rights of Holders to Receive Payment*.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal, premium, Additional Amounts, if any, and interest on the Notes, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder; *provided that* a Holder shall not have the right to institute any such suit for the enforcement of payment if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the Lien of this Indenture upon any property subject to such Lien.

Section 6.08 *Collection Suit by Trustee*.

If an Event of Default specified in Section 6.01(a)(1) or (a)(2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium, Additional Amounts, if any, and interest remaining unpaid on, the Notes and interest on overdue principal and premium, if any and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim*.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.08 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.08 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities*.

*Third*: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

## ARTICLE 7
## TRUSTEE

Section 7.01 *Duties of Trustee*.

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(3) other than with respect to a payment default, the Trustee shall not be charged with knowledge of any Default or Event of Default unless written notice has been delivered to a Responsible Officer at the Corporate Trust Office of the Trustee referencing the applicable provision of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture or the Intercreditor Agreement will require the Trustee, to expend or risk its own funds or incur any liability.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 *Rights of Trustee*.

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may engage and consult with professional advisors and counsel selected by it at the reasonable expense of the Company, and the Trustee may rely conclusively upon advice of such professional advisors and counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon by the Trustee and any of its directors, officers, employees or agents duly appointed.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care. The Trustee shall have no duty to monitor the performance of such agents.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture and the Intercreditor Agreement. The Trustee shall not be required to take action at the direction of the Company or Holders which conflicts with the requirements of this Indenture and the Intercreditor Agreement or for which it is not indemnified to its satisfaction, or which involves undue risk or would be contrary to applicable law or regulation.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer or a director of the Company.

(f) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture or the Intercreditor Agreement at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity and/or security satisfactory to it in its sole discretion against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(g) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(h) The recitals contained herein and in the Notes are made by the Company and not by the Trustee, and the Trustee, does not assume any responsibility for the correctness thereof. The Trustee makes no representation as to the validity or sufficiency of this Indenture, the Notes, the Intercreditor Agreement or Security Documents.

(i) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records, and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(j) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(k) The rights, privileges, indemnity, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder and each agent, custodian and other Person employed to act hereunder and shall be incorporated by reference and made a part of the Security Documents and the Intercreditor Agreement;

(l) The Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture;

(m) In the event that the Trustee and Agents shall be uncertain as to their respective duties or rights hereunder or shall receive instructions, claims or demands from the Company, which in their opinion, conflict with any of the provisions of this Indenture, they shall be entitled to refrain from taking action until directed in writing by a final order or judgment of a court of competent jurisdiction; and

(n) So long as any of the Notes remains outstanding, the Company shall provide the Agents with a sufficient number of copies of this Indenture and each of the documents sent to the Trustee or which are required to be made available by stock exchange regulations or stated in the Offering Memorandum relating to the Notes, to be available and, subject to being provided with such copies, each of the Agents will procure that such copies shall be available at its specified office during normal office hours for examination by the Holders and that copies thereof will be furnished to the Holders upon written request at their own expense.

(o) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer’s Certificate and/or an Opinion of Counsel;

(p) in the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than a majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee, in its sole discretion, may determine what action, if any, will be taken and shall not incur any liability for its failure to act until such inconsistency or conflict is, in its reasonable opinion, resolved;

(q) the Trustee may, before commencing (or at any time during the continuance of) any act, action or proceeding, require the Holders at whose instance it is acting to deposit with the Trustee the Notes held by them, for which Notes the Trustee to which such Notes are deposited shall issue receipts to such Holders;

(r) notwithstanding any other provision of this Indenture, the Trustee and the Paying Agent shall be entitled to make a deduction or withholding from any payment which they make under this Indenture for or on account of any present or future taxes, duties or charges if and to the extent so required by applicable law, in which event the Trustee or the Paying Agent, as applicable, shall make such payment after such withholding or deduction has been made and shall account to the relevant authorities for the amount so withheld or deducted;

(s) the Trustee shall (except as expressly otherwise provided herein) as regards all the trusts, powers, authorities and discretions vested in it by this Indenture or by applicable law, have absolute and uncontrolled discretion as to the exercise or non-exercise thereof and, absent any wilful misconduct, gross negligence or fraud on the part of the Trustee the Trustee shall not be responsible for any loss, damage, cost, claim or any other liability or inconvenience that may result from the exercise or non-exercise thereof;

(t) unless otherwise specifically provided in this Indenture, any demand, request, direction or notice of the Company mentioned herein shall be sufficiently evidenced if in writing and signed by an Officer of the Company and any resolution of the Board of Directors shall be sufficiently evidenced by a board resolution;

(u) the Trustee shall have no duty to inquire as to the performance of the covenants of the Parent Guarantor or its Restricted Subsidiaries. Delivery of reports, information and documents to the Trustee under Section 4.03 hereof shall be for informational purposes only as regards the Trustee and the Trustee's receipt of such reports, information and documents shall not constitute constructive notice of any information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates);

(v) the Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes;

(w) the Trustee is not required to give any bond or surety with respect to the performance of its duty or the exercise of its power under this Indenture or the Notes;

(x) no provision of this Indenture shall require the Trustee to do anything which, in its opinion, may be illegal or contrary to applicable law or regulation;

(y) the Trustee may assume without inquiry in the absence of actual knowledge that the Company and the Parent Guarantor are duly complying with their obligations contained in this Indenture required to be performed and observed by them, and that no Default or Event of Default or other event which would require repayment of the Notes has occurred;

(z) At any time that the security granted pursuant to the Security Documents has become enforceable and the Holders have given a direction to the Trustee to enforce such Collateral, the Trustee is not required to give any direction to the Security Agent with respect thereto unless it has been indemnified and/or secured in accordance with Section 7.01(e) hereof, if requested. In any event, in connection with any enforcement of such security, the Trustee is not responsible for:

(A) any failure of the Security Agent to enforce such security within a reasonable time or at all;

(B) any failure of the Security Agent to pay over the proceeds of enforcement of the Collateral;

(C) any failure of the Security Agent to realize such security for the best price obtainable;

(D) monitoring the activities of the Security Agent in relation to such enforcement;

(E) taking any enforcement action itself in relation to such security;

(F) agreeing to any proposed course of action by the Security Agent which could result in the Trustee incurring any liability for its own account; or

(G) paying any fees, costs or expenses of the Security Agent; and

(aa) the permissive right of the Trustee to take the actions permitted by this Indenture and the Intercreditor Agreement shall not be construed as an obligation or duty to do so.

Section 7.03 *Limitation on Duties of Trustee in Respect of Collateral; Indemnification*.

(a) Beyond the exercise of reasonable care in the custody thereof, the Trustee, shall have no duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Trustee shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. The Trustee shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords other collateral and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Trustee in good faith.

(b) The Trustee shall not be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority of enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence, bad faith or willful misconduct on the part of the Trustee for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title of the Company to the Collateral, for insuring the Collateral or otherwise as to the maintenance of the Collateral. The Trustee shall have no duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture, the Intercreditor Agreement or the Security Documents, by the Company or the Guarantors.

Section 7.04 *Individual Rights of Trustee*.

(a) The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. The Trustee is also subject to Section 7.11 hereof.

(b) If the Trustee becomes a creditor of the Company or a Guarantor, this Indenture limits its right to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee will be permitted to engage in other transactions; however, if it acquires actual knowledge that it has any conflicting interest it must eliminate such conflict within 90 days or resign.

Section 7.05 *Trustee's Disclaimer*.

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Intercreditor Agreement, the Security Documents or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture or the Intercreditor Agreement, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture or the Intercreditor Agreement other than the certificate of authentication. The Trustee shall not be deemed to be required to calculate any Fixed Charges, Treasury Rates, Additional Amounts, any make-whole amount, any Fixed Charge Coverage Ratio or other coverage ratio, or otherwise.

Section 7.06 *Notice of Defaults*.

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee will mail to Holders a notice of the Default or Event of Default within ninety (90) days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium, Additional Amounts, if any, or interest on, any Note, the Trustee shall not be deemed to have such actual knowledge and may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders.

Section 7.07 *[Intentionally Omitted.]*

Section 7.08 *Compensation and Indemnity*.

(a) The Company will pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder pursuant to a written fee agreement executed or as otherwise agreed by the Trustee and the Company. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses properly incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Company and the Guarantors will indemnify the Trustee and its officers, directors, employees and agents against any and all losses, liabilities or expenses (including the fees and expenses of counsel) incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture and the Intercreditor Agreement, including the costs and expenses of enforcing this Indenture against the Company and the Guarantors (including this Section 7.08) and defending itself against any claim (whether asserted by the Company, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable solely to its gross negligence, willful misconduct or fraud by a court of competent jurisdiction in a final non-appealable order. The Trustee will notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company will not relieve the Company or any of the Guarantors of their obligations hereunder. The Company or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Company will pay the reasonable fees and expenses of such counsel. Neither the Company nor any Guarantor need to pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Company and the Guarantors under this Section 7.08 will survive the satisfaction and discharge of this Indenture, and the resignation or removal of the Trustee and/or any Agent.

(d) To secure the Company's and the Guarantors' payment obligations in this Section 7.08, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, in its capacity as Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(a)(7) or Section 6.01(a)(8) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.09 *Replacement of Trustee*.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.09.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.11 hereof;

(2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a custodian or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. Within one (1) year after the successor Trustee takes office, the holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(d) If a successor Trustee does not take office within sixty (60) days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee at the sole expense of the Company.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.11 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.08 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.09, the Company's obligations under Section 7.08 hereof will continue for the benefit of the retiring Trustee.

Section 7.10 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.11 *Eligibility; Disqualification.*

There shall at all times be a Trustee hereunder that is entitled to carry out the activities of a trustee under the laws of England and Wales, or Hong Kong, or is a corporation organized or doing business under the laws of the United States of America or any state thereof or the District of Columbia that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by the relevant authorities in such jurisdiction and that is a corporation which is generally recognized as a corporation which customarily performs such corporate trustee roles and provides such corporate trustee services in transactions similar in nature to the offering of the Notes. No obligor under the Notes or Person directly controlling, controlled by, or under common control with such obligor shall serve as trustee under the Notes.

Section 7.12 *Appointment of Co-Trustee*.

(a) Notwithstanding any other provisions of this Indenture, at any time, for the purpose of meeting any legal requirement of any jurisdiction or otherwise, the Trustee shall have the power and may execute and deliver all instruments necessary to appoint one or more Persons to act as a co-trustee or co-trustees, or separate trustees, of all or any part of this Indenture, and to vest in such
Person or Persons, in such capacity and for the benefit of the Holders, such powers, duties, obligations, rights and trusts as the Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 7.09 and no notice to the Holders of the appointment of any co-trustee or separate trustee shall be required.

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(1) All rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Trustee.

(2) No trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(3) The Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Section 7.12. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection or rights (including the rights to compensation, reimbursement and indemnification hereunder) to, the Trustee. Every such instrument shall be filed with the Trustee.

(d) Any separate trustee or co-trustee may at any time constitute the Trustee its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies, and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

Section 7.13 *Resignation of Agents*.

Any Agent may resign and be discharged from its duties under this Indenture at any time by giving thirty (30) days' prior written notice of such resignation to the Trustee and the Company. The Trustee or the Company may remove any Agent at any time by giving thirty (30) days' prior written notice to such Agent. Upon such notice, a successor Agent shall be appointed by the Company, who shall provide written notice of such to the Trustee. Such successor Agent shall become the Agent hereunder upon the resignation or removal date specified in such notice. If the Company is unable to replace the resigning Agent within thirty (30) days after such notice, the Agent shall deliver any funds then held hereunder in its possession to the Trustee or (i) such Agent may appoint as its successor Agent, any reputable and experienced financial institution acceptable to the Trustee or (ii) apply to a court of competent jurisdiction for the appointment of a successor Agent or for other appropriate relief. The costs and expenses (including its counsels' fees and expenses) incurred by the Agent in connection with such proceeding shall be paid by the Company. Upon receipt of the identity of the successor Agent, the Agent shall deliver any funds then held hereunder to the successor Agent, less the Agent's fees, costs and expenses or other obligations owed to the Agent. Upon its resignation and delivery of any funds, the Agent shall be discharged of and from any and all further obligations arising in connection with this Indenture, but shall continue to enjoy the benefit of Section 7.08.

Section 7.14 *Agents General Provisions*.

(a) The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several.

(b) the Company and the Agents acknowledge and agree that in the event of a Default or Event of Default, the Trustee may, by notice in writing to the Company and the Agents, require that the Agents act as agents of, and take instructions exclusively from, the Trustee. Until they have received such written notice from the Trustee, the Agents shall act solely as agents of the Company and need have no concern for the interests of the Holders.

(c) In the event that instructions given to any Agent are not reasonably clear, then such Agent shall be entitled to seek clarification from the Company or other party entitled to give the Agents instructions under this Indenture. If an Agent has sought clarification in accordance with this Section 7.14(c), then such Agent shall be entitled to take no action until such clarification is provided, and shall not incur any liability for not taking any action pending receipt of such clarification.

(d) The Agents shall only have such duties as expressly set out in this Indenture.

(e) The Company shall provide the Agents with a certified list of authorized signatories.

Section 7.15 *Rights of Trustee in Other Roles*.

All rights, powers and indemnities contained in this Article 7 shall apply to the Trustee in its other roles hereunder (including, for the avoidance of doubt, in relation to the Security Documents and the Intercreditor Agreement) and to the Agents.

## ARTICLE 8
## LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance*.

The Company may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officer's Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge*.

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their Obligations with respect to all outstanding Notes (including the Note Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium and Additional Amounts, if any, on, such Notes when such payments are due from the trust referred to in Section 8.04 hereof;

(2) the Company's Obligations with respect to such Notes under Article 2 and Section 4.02 hereof;

(3) the rights, powers, trusts, duties and immunities of the Trustee, the Security Agent, the Intercreditor Agent, the Paying Agent, the Registrar and the Transfer Agent hereunder and the Company's and the Guarantors' Obligations in connection therewith; and

(4) this Article 8.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance*.

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.15, 4.16, 4.17, 4.18, 4.19 and 4.21 hereof and Section 5.01(a)(3) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Company and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(a)(3) through 6.01(a)(5) hereof will not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance*.

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable U.S. Government Obligations, or a combination of cash in U.S. dollars and non-callable U.S. Government Obligations, in amounts as will be sufficient, in the opinion of an internationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, or interest and premium, and Additional Amounts, if any, on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the
Company must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of an election under Section 8.02 hereof, the Company must deliver to the Trustee an Opinion of Counsel confirming that:

(A) the Company has received from, or there has been published by, the U.S. Internal Revenue Service a ruling; or

(B) since the date of this Indenture, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the holders of the outstanding Notes will not recognize income, gain or loss for United States federal income tax purposes as a result of such Legal Defeasance and will be subject to United States federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.03 hereof, the Company must deliver to the Trustee an Opinion of Counsel confirming that the holders of the outstanding Notes will not recognize income, gain or loss for United States federal income tax purposes as a result of such Covenant Defeasance and will be subject to United States federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which the Parent Guarantor, the Company or any of their respective Subsidiaries is a party or by which the Parent Guarantor, the Company or any of their Subsidiaries is bound;

(6) the Company must deliver to the Trustee an Officer’s Certificate of the Company stating that the deposit was not made by the Company with the intent of preferring the Holders over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or others; and

(7) the Company must deliver to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

(8) The Trustee shall be entitled to its usual fees and, in addition, any fees and expenses incurred or charged by the Trustee and its counsel in connection with defeasance, satisfaction and discharge, and investment or custody services provided hereunder.

Section 8.05 *Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions*.

Subject to Section 8.06 hereof, all money and non-callable U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the “*Trustee*”) pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the holders of such Notes of all sums due and to become due thereon in respect of principal, premium, and Additional Amounts, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable U.S. Government Obligations deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or non-callable U.S. Government Obligations held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to Company*.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium or Additional Amounts, if any, or interest on, any Note and remaining unclaimed for two (2) years after such principal, premium, or Additional Amounts, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) will be discharged from such trust; and the holder of such Note will thereafter be permitted to look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, will thereupon cease; *provided*, *however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than thirty (30) days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 8.07 *Reinstatement*.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable U.S. Government Obligations in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided*, *however*, that, if the Company makes any payment of principal of, premium or Additional Amounts, if any, or interest on, any Note following the reinstatement of its obligations, the Company will be subrogated to the rights of the holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

## ARTICLE 9
## AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes*.

Notwithstanding Section 9.02 of this Indenture, the Company, the Guarantors, the Trustee, each Agent, the Security Agent and/or the Intercreditor Agent, as the case may be, may amend or supplement this Indenture, the Notes, the Note Guarantees, the Security Documents and/or the Intercreditor Agreement without the consent of any Holder:

(1) to cure any ambiguity, defect or inconsistency;

(2) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(3) to provide for the assumption of the Company's or a Guarantor's Obligations under the Notes or the Note Guarantees in the case of a merger or consolidation or sale of all or substantially all of the Company's or such Guarantor's assets, as applicable;

(4) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under this Indenture of any such Holder;

(5) to conform the text of the Notes, this Indenture, the Note Guarantees, the Security Documents or the Intercreditor Agreement to any provision of the "Description of Notes" section of the Offering Memorandum, to the extent that such provision in that "Description of Notes" section of the Offering Memorandum was intended to be a verbatim recitation of a provision of the Notes, this Indenture, the Note Guarantees, the Security Documents or the Intercreditor Agreement, which intent shall be evidenced by an Officer's Certificate of the Company to that effect;

(6) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture as of the date of this Indenture;

(7) to make, complete or confirm any grant of Collateral permitted or required by this Indenture, the Security Documents or the Intercreditor Agreement; or

(8) to allow any Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes or to release any Guarantor from its Note Guarantee in accordance with the terms of this Indenture.

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee, each Agent, the Security Agent (at the direction of the Trustee, subject to receipt of the documents described in Section 7.02(b)) and/or the Intercreditor Agent, (at the direction of the Trustee, subject to receipt of the documents described in Section 7.02(b)), as the case may be, will join with the Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and the Intercreditor Agreement and to make any further appropriate agreements and stipulations that may be therein contained, but neither the Trustee, the Security Agent, the Intercreditor Agent nor any Agent will be obligated to (although they may at their discretion) enter into such amended or supplemental indenture that affects their own rights, duties or immunities under this Indenture, the Intercreditor Agreement or otherwise.

Section 9.02 *With Consent of Holders of Notes.*

Except as provided below in this Section 9.02, the Company, the Trustee, each Agent, the Security Agent and/or the Intercreditor Agent, as the case may be, may amend or supplement this Indenture (including, without limitation, Section 3.09, 4.10 and 4.15 hereof) and the Notes, and the Company, the Guarantors, the Trustee and/or the Intercreditor Agent and/or the Security Agent, after they have acceded to this Indenture, as the case may be, may amend or supplement the Note Guarantees, the Security Documents and the Intercreditor Agreement with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes), and, subject to Section 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium or Additional Amounts, if any, or interest on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes, the Note Guarantees, the Security Documents or the Intercreditor Agreement may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes).

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02, 9.06, 13.04 and 13.05 hereof, the Trustee, each Agent, the Security Agent (at the direction of the Trustee, subject to receipt of the documents described in Section 7.02(b)) and/or the Intercreditor Agent (at the direction of the Trustee, subject to receipt of the documents described in Section 7.02(b)), as the case may be, will join with the Company and the Guarantors in the execution of such amended or supplemental indenture authorized or permitted by the terms of this Indenture and the Intercreditor Agreement unless such amended or supplemental indenture directly affects the Trustee's, any Agent's, the Security Agent's or the Intercreditor Agent's or own rights, duties or immunities under this Indenture or the Intercreditor Agreement, as applicable, or otherwise, in which case the Trustee, each Agent, the Security Agent and/or the Intercreditor Agent (as the case may be) may in their discretion, but will not be obligated to, enter into such amended or supplemental indenture.

It is not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Company with any provision of this Indenture or the Notes. However, without the consent of each Holder (including the Additional Notes) affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes (including the Additional Notes) held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of, premium, if any, or change the fixed maturity of any Note or alter the provisions with respect to the redemption of the Notes (except as provided above with respect to Sections 3.09, 4.10 and 4.15 hereof);

(3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(4) waive a Default or Event of Default in the payment of principal of, or interest, premium or Additional Amounts, if any, on, the Notes (except a rescission of acceleration of the Notes by the holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(5) make any Note payable in money other than that stated in the Notes;

(6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, or interest, premium or Additional Amounts, if any, on, the Notes;

(7) waive a redemption payment with respect to any Note (other than a payment required by Sections 3.09, 4.10 or 4.15 hereof);

(8) release any Guarantor from any of its Obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture;

(9) release the Collateral from the Liens securing the Notes or making any changes to the priority of the Liens under the Security Documents or the Intercreditor Agreement that would adversely affect the Holders, except in accordance with the terms of this Indenture, the applicable Security Documents or the Intercreditor Agreement; or

(10) make any change in the preceding amendment and waiver provisions.

For the avoidance of doubt, no amendment to or deletion of, or actions taken in compliance with, the covenants described under Article 4 shall be deemed to impair or affect any rights of Holders to receive payment of principal of, or premium, if any, or interest on, the Notes.

Section 9.03 *Supplemental Indenture*.

Every amendment or supplement to this Indenture or the Notes will be set forth in an amended or supplemental indenture.

Section 9.04 *Revocation and Effect of Consents*.

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by such Holder and every subsequent holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes*.

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee, Security Agent and Intercreditor Agent to Sign Amendments, etc.*

The Trustee, the Security Agent and/or the Intercreditor Agent, as the case may be, will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee, and/or the Security Agent and/or the Intercreditor Agent. The Company may not sign an amended or supplemental indenture until the Board of Directors of the Company approves it. In executing any amended or supplemental indenture, the Trustee, the Security Agent and/or the Intercreditor Agent will be entitled to receive security and/or indemnity to their reasonable satisfaction. The Trustee (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Section 13.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture, that the supplemental indenture is legal, valid, binding and enforceable against the Company in accordance with its terms and such other matters as the Trustee may request. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

## ARTICLE 10
## COLLATERAL AND SECURITY

Section 10.01 *Pledge of Collateral*.

The due and punctual payment of the principal of, and premium, interest and Additional Amounts, if any, on the Notes when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of and interest and Additional Amounts (to the extent permitted by law), if any, on the Notes and performance of all other obligations of the Company to the Holders of Notes or the Trustee, the Security Agent, the Intercreditor Agent and the Agents under this Indenture and the Notes according to the terms hereunder or thereunder, are secured as provided in the Security Documents, subject to the terms of the Intercreditor Agreement. Each Holder of Notes, by its acceptance thereof, consents and agrees to the terms of the Security Documents and the Intercreditor Agreement in effect or may be amended from time to time in accordance with its terms and authorizes and directs the Security Agent to enter into the Security Documents and the Intercreditor Agreement and to perform its obligations and exercise its rights thereunder in accordance therewith. The Company will deliver to the Trustee copies of all documents delivered to the Security Agent pursuant to the Security Documents and the Intercreditor Agreement, and the Company will, and the Company will cause each of its Restricted Subsidiaries to, do or cause to be done all such acts and things as may be required, to assure and confirm to the Trustee that the Security Agent holds, for the benefit of the Holders and the Trustee, duly created, enforceable and perfected Liens as contemplated hereby and by the Security Documents and the Intercreditor Agreement, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purposes herein expressed. The Company will take, and will cause its Restricted Subsidiaries to take, upon request of the Trustee or Security Agent, any and all actions reasonably required to cause the Security Documents to create and maintain, as security for the Obligations of the Company hereunder, in respect of the Collateral, valid and enforceable perfected first priority Liens on all such Collateral, superior to and prior to the rights of all third parties and subject to no Liens other than the Permitted Liens. Certain provisions with respect to enforcement of security interests are set out in each of the Security Documents and the Intercreditor Agreement.

Section 10.02 *Security Agent and Intercreditor Agent*.

(a) On or about the Issue Date, the Security Agent and the Intercreditor Agent shall enter into a supplemental indenture substantially in the form attached hereto as Exhibit E pursuant to which it shall accede to this Indenture as Security Agent or Intercreditor Agent hereunder.

(b) Appointment of the Security Agent and the Intercreditor Agent and any resignation or replacement of the Security Agent or the Intercreditor Agent shall be made in accordance with the terms of the Intercreditor Agreement.

(c) The Security Agent agrees that it will hold the security interests in Collateral created under any Security Documents to which it is a party as contemplated by this Indenture and in accordance with the Intercreditor Agreement, and any and all proceeds thereof, for the benefit of, among others, itself, the Trustee and the Holders, without limiting the Security Agent’s rights including under Section 10.04, to act in preservation of the security interest in the Collateral. The Security Agent will take action or refrain from taking action in connection therewith only as directed by the Intercreditor Agent or the Trustee, in each case pursuant to the terms of this Indenture and the Intercreditor Agreement.

Section 10.03 *Release of Collateral and Certain Matters with Respect to Collateral*.

(a) Collateral may be released from the Liens and security interests created by the Security Documents at any time or from time to time in accordance with the provisions of the Security Documents, the Intercreditor Agreement and Section 10.06 of this Indenture. In connection therewith, and subject to the terms and conditions of the relevant Security Documents and the Intercreditor Agreement, upon the request of the Company pursuant to an Officer's Certificate certifying that all conditions precedent hereunder have been met, the Security Agent shall, at the expense of the Company, and the direction of the Trustee (subject to receipt of the documents described in Section 7.02(b)), execute, deliver or acknowledge any necessary or proper instruments of termination, satisfaction or release to evidence the release of any Collateral permitted to be released pursuant to this Indenture, the Intercreditor Agreement or the Security Documents. The Company hereby agrees that following the release of the Liens over the Note Interest Accrual Account in accordance with the provisions of the Security Documents, the Intercreditor Agreement and Section 10.06 of this Indenture, the Company shall, as soon as practicable, close the Note Interest Accrual Account, or pledge such account to the Security Agent for the benefit of the Secured Parties, it being understood that so long as such account remains open, in no event shall security interest be created over such account for the benefit of any Person other than the Secured Parties.

(b) The Intercreditor Agreement sets out the rights of the Company or the Guarantors upon the occurrence and during the continuance of a Default or Event of Default.

Section 10.04 *Authorization of Actions to Be Taken by the Trustee and the Security Agent and the Intercreditor Agent*.

(a) Subject to the provisions of Section 6.05, 7.01 and 7.02 and the terms of the Security Documents and the Intercreditor Agreement, the Trustee may (acting on the instruction of Holders holding at least 25% of the aggregate principal amount of the Notes), take all actions it deems necessary or appropriate, or direct, on behalf of the Holders, the Security Agent and/or the Intercreditor Agent to take all actions it deems necessary or appropriate, in order to:

(1) enforce any of the terms of the Security Documents or the Intercreditor Agreement; and

(2) collect and receive any and all amounts payable in respect of the Obligations of the Company hereunder.

(b) The Trustee will have power to institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of the Security Documents, the Intercreditor Agreement or this Indenture, and such suits and proceedings as the Trustee may deem expedient to preserve or protect its interests and the interests of the Holders of Notes in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders of Notes or of the Trustee).

(c) With respect to any action authorized to be taken by the Security Agent or the Intercreditor Agent under this Indenture, the Security Agent or the Intercreditor Agent, as the case may be, may act (or refrain from acting) on the instruction of the Trustee unless the provision requiring such action expressly requires otherwise, to the extent such action or non-action is authorized and permitted under the Intercreditor Agreement and subject to Section 14.02(d).

Section 10.05 *Authorization of Receipt of Funds by the Trustee under the Security Documents*.

The Trustee is authorized to receive any funds for the benefit of the Holders of Notes distributed under the Security Documents and the Intercreditor Agreement, and to make further distributions of such funds to the Holders of Notes according to the provisions of this Indenture and the Intercreditor Agreement.

Section 10.06 *Termination of Security Interest*.

Subject to the terms of the Intercreditor Agreement, the Trustee shall, at the request and expense of the Company upon having provided the Trustee an Officer's Certificate (which shall certify, among other things, that all action under the relevant Security Document(s) with respect to the release of the security thereunder has been taken and the release of the Collateral complies with the terms of the relevant Security Document(s)) and Opinion of Counsel certifying compliance with this Section 10.06, execute and deliver a certificate to the Security Agent and the Intercreditor Agent releasing the relevant Collateral or other appropriate instrument evidencing such release (in the form provided by the Company):

(a) upon the full and final payment and performance of all Obligations of the Company under the Indenture and the Notes;

(b) upon the Legal Defeasance or satisfaction and discharge of the Notes as provided in Section 8.02 and Article 12 hereof;

(c) upon certain dispositions of the Collateral in compliance with either of the covenants entitled Section 4.10 or 5.01 (and in the latter instance, if such covenant authorizes such release);

(d) in the case of a Guarantor that is released from its Note Guarantee, pursuant to the terms of this Indenture, the Intercreditor Agreement;

(e) in connection with certain enforcement actions taken by the creditors under certain of the Company's and the Guarantors' secured Indebtedness (including the Notes and the Senior Secured Credit Facilities) in accordance with the Intercreditor Agreement; or

(f) as described under Article 9 hereof.

Section 10.07 *Note Interest Accrual Account*.

(a) The Company shall, as soon as practicable and in any event prior to December 30, 2016: (i) establish the Note Interest Accrual Account; (ii) effect the pledge of the Note Interest Accrual Account for the benefit of holders of the Notes; and (iii) substantially concurrently with such pledge, cause the delivery of customary opinion of counsel to the Trustee, in relation to such pledges, in form and substance satisfactory to the Trustee.

(b) Following the Issue Date, the Company will, on the 30th of each month (or the last day of February), deposit an amount that is not less than one-sixth of the aggregate amount of interest due on the Notes on the next interest payment date into the Note Interest Accrual Account so that at such interest payment date, the amount standing to the credit of the Note Interest Accrual Account is at least equal to the amount of interest due on the Notes on such interest payment date (and such aggregate amount will be applied in making such payment). The Security Agent will have a perfected security interest in the Note Interest Accrual Account and all dividends, instruments, cash and Cash Equivalents and other property, as applicable, on deposit in such account on an exclusive basis for the benefit of the Trustee and the holders of the Notes. The Security Agent will not have a Lien on the Note Interest Accrual Account and the cash and Cash Equivalents on deposit in such account for the benefit of the 2019 Notes Trustee, the holders of the 2019 Notes or the Senior Credit Facilities Finance Parties.

Section 10.08 *Further Actions*.

(a) The Company shall use its best efforts to take, or cause to be taken, all appropriate action, and to do or cause to be done, all things necessary, proper or advisable under applicable laws and regulations to consummate and make effective the security over the Collateral as contemplated by the Security Documents and the Intercreditor Agreement, including, without limitation, (i) cooperating in the preparation of any required filings under the Security Documents and the Intercreditor Agreement, (ii) using best efforts to make all required filings, notifications, releases and applications and to obtain licenses, permits, consents, approvals, authorizations, qualifications and orders of governmental authorities and parties to contracts with the Company as are necessary for the grants of security contemplated by this Indenture, the Intercreditor Agreement and the Security Documents and to fulfill the conditions of the Security Documents including, without limitation, delivery of title deeds and all other documents of title relating to the Collateral secured by the Security Documents in the manner as provided for therein and in the Intercreditor Agreement, (iii) taking any and all action to perfect the security over the Collateral as contemplated by this Indenture, the Intercreditor Agreement and the Security Documents, (iv) cooperating in all respects with each other in connection with any investigation or other inquiry, including any proceeding initiated by any Person, in connection with the granting of security over the Collateral, (v) keeping the Trustee, the Security Agent and the Intercreditor Agent informed in all material respects of any material communication received by the Company from, or given by them to, any governmental authority or any other Person regarding any matters contemplated by the Security Documents and the Intercreditor Agreement or with respect to the Collateral, and (vi) permitting the Trustee, the Security Agent and the Intercreditor Agent to review any material communication given by the Company to any such governmental authority or any other Person.

(b) The Company will deliver to the Trustee, as soon as possible and in any event within thirty (30) days after the Issue Date, a copy of a shareholder resolution stamped by the Registrar of Corporate Affairs in the British Virgin Islands which amends the Memorandum of Association of each of the SCP Holdings Limited, SCP One Limited, SCP Two Limited, Studio City Holdings Two Limited, Studio City Holdings Three Limited and Studio City Holdings Four Limited. ## ARTICLE 11
## NOTE GUARANTEES

Section 11.01 *Guarantee*.

(a) Each Guarantor hereby jointly and severally, irrevocably and unconditionally guarantees to each Holder and to the Trustee, successors and assigns (1) the full and punctual payment when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, of all obligations of the Company under this Indenture (including obligations to the Trustee) and the Notes, whether for payment of principal of, interest, premium or Additional Amounts, if any, on the Notes and all other monetary obligations of the Company under this Indenture and the Notes and (2) the full and punctual performance within applicable grace periods of all other obligations of the Company whether for fees, expenses, indemnification or otherwise under this Indenture and the Notes (all the foregoing being hereinafter collectively called the "*Guaranteed Obligations*"). Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Guarantor, and that each such Guarantor shall remain bound under this Article 11 notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Notes or the Guaranteed Obligations. The obligations of each Guarantor hereunder shall not be affected by (1) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Company or any other Person under this Indenture, the Notes or any other agreement or otherwise; (2) any extension or renewal of any thereof; (3) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (4) the release of any security held by any Holder or the Trustee for the Guaranteed Obligations or any of them; (5) the failure of any Holder or the Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (6) any change in the ownership of such Subsidiary.

(c) Each Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Guarantors, such that such Guarantor's obligations would be less than the full amount claimed. Each Guarantor hereby waives any right to which it may be entitled to have the assets of the Company first be used and depleted as payment of the Company's or such Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Guarantor hereunder. Each Guarantor hereby waives any right to which it may be entitled to require that the Company be sued prior to an action being initiated against such Guarantor.

(d) Each Guarantor further agrees that its Note Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

(e) Except as expressly set forth in Sections 8.02, 11.02 and 11.08, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Notes or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of any Guarantor as a matter of law or equity.

(f) Except as expressly set forth in Sections 8.02, 11.02 and 11.08, each Guarantor agrees that its Note Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Guarantor further agrees that its Note Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Company or otherwise.

(g) In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Company to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (1) the unpaid principal amount of such Guaranteed Obligations, (2) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by law) and (3) all other monetary obligations of the Company to the Holders and the Trustee.

(h) Each Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of any Note Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purposes of Section 11.01.

(i) Each Guarantor also agrees to pay any and all costs and expenses (including attorneys' fees and expenses) incurred by the Trustee in enforcing any rights under Section 11.01.

(j) Upon request of the Trustee, each Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 11.02 *Limitation on Liability*.

Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Guarantor shall not exceed the maximum amount that can be hereby guaranteed by the applicable Guarantor without rendering the Note Guarantee, as it relates to such Guarantor, voidable under applicable law relating to ultra vires, fraudulent conveyance, fraudulent transfer, corporate benefit, financial assistance or similar laws affecting the rights of creditors generally or other considerations under applicable law.

Section 11.03 *Successors and Assigns*.

This Article 11 shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

Section 11.04 *No Waiver*.

Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article 11 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 11 at law, in equity, by statute or otherwise.

Section 11.05 *Modification*.

No modification, amendment or waiver of any provision of this Article 11, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

Section 11.06 *Execution of Supplemental Indenture for Future Guarantors*.

Each Restricted Subsidiary which is required to become a Guarantor pursuant to Section 4.17 shall promptly execute and deliver to the Trustee a supplemental indenture pursuant to which such Subsidiary shall become a Guarantor under this Article 11 and shall guarantee the Guaranteed Obligations. Concurrently with the execution and delivery of such supplemental indenture, the Company shall deliver to the Trustee an Opinion of Counsel and an Officer's Certificate to the effect that such supplemental indenture has been duly authorized, executed and delivered by such Restricted Subsidiary and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Note Guarantee of such Guarantor is a legal, valid and binding obligation of such Guarantor, enforceable against such Guarantor in accordance with its terms and or to such other matters as the Trustee may reasonably request.

Section 11.07 *Non-Impairment*.

The failure to endorse a Note Guarantee on any Note shall not affect or impair the validity thereof.

Section 11.08 *Release of Guarantees*.

(a) Subject to paragraphs (b), (c) and (d), each Note Guarantee, once it becomes due, is a continuing guarantee and shall (i) remain in full force and effect until payment in full of all the Guaranteed Obligations, (ii) be binding upon each Guarantor and its successors and (iii) inure to the benefit of, and be enforceable by, the Trustee, the Holders and their successors, transferees and assigns.

(b) The Note Guarantee of the Parent Guarantor will be automatically and unconditionally released and discharged:

(1) if the Parent Guarantor is not the surviving entity in a sale of all or substantially all of the properties and assets of the Parent Guarantor in a transaction that complies with the provisions described under Section 5.01(a) (including, without limitation, compliance with the requirement that the surviving entity expressly assume, by a supplemental indenture, the Parent Guarantor's obligations under this Indenture, the applicable Notes, the Intercreditor Agreement and the Security Documents);

(2) in connection with any sale or other disposition of the Capital Stock of that Subsidiary Guarantor to a Person that is not (either before or after giving effect to such transaction) the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor, if the sale or other disposition does not violate Sections 3.09 or 4.15 hereof and such Subsidiary Guarantor ceases to be a Restricted Subsidiary of the Parent Guarantor as a result of such sale or other disposition;

(3) if the Parent Guarantor designates any Restricted Subsidiary that is a Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with Section 4.18 hereof;

(4) upon Legal Defeasance or satisfaction and discharge of the Indenture as provided by Article 8 and 12 of this Indenture;

(6) upon the merger or consolidation of any Subsidiary Guarantor with and into the Company, the Parent Guarantor or a Wholly-Owned Subsidiary Guarantor (or a Wholly- Owned Restricted Subsidiary that becomes a Subsidiary Guarantor concurrently with the transaction) that is the surviving Person in such merger or consolidation, or upon the liquidation of such Subsidiary Guarantor following the transfer of all or substantially all of its assets to the Company, the Parent Guarantor or a Wholly-Owned Subsidiary Guarantor (or a Wholly-Owned Restricted Subsidiary that becomes a Subsidiary Guarantor concurrently with the transaction);

## ARTICLE 12
## SATISFACTION AND DISCHARGE

Section 12.01 *Satisfaction and Discharge*.

This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(2) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(1) *INTEREST*. Studio City Company Limited, a BVI business company with limited liability incorporated under the laws of the British Virgin Islands (the "*Company*"), promises to pay interest on the principal amount of this Note at 7.250% per annum from __________, 20__ until maturity. The Company will pay interest and Additional Amounts, if any, semi-annually in arrears on May 30 and November 30 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "*Interest Payment Date*"). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided that* if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be __________, 20__. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, at the rate equal to 1% per annum in excess of the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Amounts (without regard to any applicable grace period) at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

(2) *METHOD OF PAYMENT*. The Company will pay interest on the Notes (except defaulted interest) and Additional Amounts, if any, to the Persons who are registered Holders of Notes at the close of business on the May 15 or November 15 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, and Additional Amounts, if any, and interest at the office or agency of the Company maintained for such purpose within or without the City and State of New York, or, at the option of the Company, payment of interest and Additional Amounts, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided that* payment by wire transfer of immediately available funds will be required with respect to principal of and interest, premium and Additional Amounts, if any, on, all Global Notes and all other Notes, the Holders of which will have provided wire transfer instructions to the Company or the Paying Agent, and shall so notify the Trustee and each Paying Agent thereof. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR*. Initially, Deutsche Bank Trust Company Americas will act as Paying Agent, Registrar and Transfer Agent. The Company may change any Paying Agent, Transfer Agent or Registrar without notice to any Holder. The Parent Guarantor or any of its Subsidiaries may act in any such capacity.

The Company issued the Notes under an Indenture dated as of November 30, 2016 (the "*Indenture*") among the Company, each Guarantor, the Trustee, the Paying Agent, the Registrar and other persons from time to time party thereto. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are secured pursuant to the terms of the Indenture and the Security Documents referred to in the Indenture and subject to the terms of the Intercreditor Agreement referred to in the Indenture. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION*.

(a) Except as set forth in subparagraphs (b), (c) and (d) of this Paragraph (5), the Company will not have the option to redeem the Notes prior to November 30, 2018. On or after November 30, 2018, the Company may redeem all or a part of the Notes upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Additional Amounts, if any, on the Notes redeemed to the applicable redemption date, if redeemed during the twelve-month period beginning on December 1 of the years indicated below, subject to the rights of Holders on the relevant record date to receive interest on the relevant interest payment date:

(b) The amount of the proposed Utilisation must be a minimum of HK$10,000,000 or, if less, the Available Facility.

### 5.4 Lenders' participation

(a) Subject to Clause 7.2 (*Revolving Facility*), if the conditions set out in this Agreement have been met, and (in respect of Revolving Facility Loans), each Lender shall make its participation in each Revolving Facility Loan available by the Utilisation Date through its Facility Office.

(b) The amount of each Lender's participation in each Revolving Facility Loan will be equal to the proportion borne by its Available Commitment to the Available Facility immediately prior to making the Revolving Facility Loan.

(c) The Agent shall, by 2.00 p.m. on the third Business Day prior to the proposed Utilisation Date, notify each Lender of the amount of each Revolving Facility Loan, the amount of its participation in that Revolving Facility Loan and, if different, the amount of that participation to be made available in cash.

### 5.5 Limitations on Utilisations

(a) Amounts borrowed under or in respect of the Facilities (including the proceeds of the advance constituting the Facility A Loan under the original form of this Agreement) shall not be applied (directly or indirectly):

(i) for business activities (1) relating to or involving (A) Cuba, Sudan, Iran, Myanmar (Burma), Syria or North Korea (in each case to the extent such country is subject to any economic and/or trade sanctions) or (B) any other countries that are subject to economic and/or trade sanctions as notified in writing by the Agent (acting on behalf of any Lender) to the Borrower from time to time (C) any Restricted Party or (2) which would otherwise result in a breach of any Anti-Terrorism Law; or

(ii) towards any purpose connected with the operation of casino games of chance or other forms of gaming.

(b) Without prejudice to paragraph (a) above, the proceeds of the Revolving Facility shall not be applied towards any purpose other than a purpose specified in Clause 3 (*Purpose*).

**5.6 Cancellation of Commitment**

The Revolving Facility Commitments which, at that time, are unutilised shall be immediately cancelled at the end of the Availability Period.

## 6. Ancillary Facilities

**6.1 Type of Facility**

An Ancillary Facility may be by way of:

(a) an overdraft facility;

(b) a guarantee, bonding, documentary or stand-by letter of credit facility;

(c) a short term loan facility;

(d) a derivatives facility;

(e) a foreign exchange facility; or

(f) any other facility or accommodation required in connection with the business of the Group and which is agreed by the Borrower with an Ancillary Lender.

**6.2 Availability**

(a) If the Borrower and a Lender agree and except as otherwise provided in this Agreement, the Lender may provide all or part of its Revolving Facility Commitment as an Ancillary Facility.

(b) An Ancillary Facility shall not be made available unless, not later than three (3) Business Days prior to the Ancillary Commencement Date for an Ancillary Facility, the Agent has received from the Borrower:

(i) a notice in writing of the establishment of an Ancillary Facility and specifying:

(A) the proposed Borrower which may use the Ancillary Facility;

(B) the proposed Ancillary Commencement Date and expiry date of the Ancillary Facility;

(C) the proposed type of Ancillary Facility to be provided;

(D) the proposed Ancillary Lender;

(E) the proposed Ancillary Commitment and the maximum amount of the Ancillary Facility and, in the case of a Multi-account Overdraft, its Designated Gross Amount and its Designated Net Amount; and

(F) the proposed currency of the Ancillary Facility (if not denominated in HK dollars); and

(ii) any other information which the Agent may reasonably request in connection with the Ancillary Facility.

(c) The Agent shall promptly notify the Ancillary Lender and the other Lenders of the establishment of an Ancillary Facility.

(d) Subject to compliance with paragraph (b) above:

(i) the Lender concerned will become an Ancillary Lender; and

(ii) the Ancillary Facility will be available,

with effect from the date agreed by the Borrower and the Ancillary Lender.

**6.3 Terms of Ancillary Facilities**

(a) Except as provided below, the terms of any Ancillary Facility will be those agreed by the Ancillary Lender and the Borrower.

(b) Those terms:

(i) must be based upon normal commercial terms at that time (except as varied by this Agreement);

(ii) may allow only the Borrower to use the Ancillary Facility;

(iii) may not allow the Ancillary Outstandings to exceed the Ancillary Commitment;

(iv) may not allow a Lender's Ancillary Commitment to exceed that Lender's Available Commitment relating to the Revolving Facility (before taking into account the effect of the Ancillary Facility on that Available Commitment); and

(v) must require that the Ancillary Commitment is reduced to zero, and that all Ancillary Outstandings are repaid not later than the Termination Date applicable to the Revolving Facility (or such earlier date as the Revolving Facility Commitment of the relevant Ancillary Lender (or its Affiliate) is reduced to zero).

(c) If there is any inconsistency between any term of an Ancillary Facility and any term of this Agreement, this Agreement shall prevail except for:

(i) Clause 34.3 (*Day count convention*) which shall not prevail for the purposes of calculating fees, interest or commission relating to an Ancillary Facility;

(ii) an Ancillary Facility comprising more than one account where the terms of the Ancillary Documents shall prevail to the extent required to permit the netting of balances on those accounts; and

(iii) where the relevant term of this Agreement would be contrary to, or inconsistent with, the law governing the relevant Ancillary Document, in which case that term of this Agreement shall not prevail.

(d) Interest, commission and fees on Ancillary Facilities are dealt with in Clause 14.3 (*Interest, commission and fees on Ancillary Facilities*).

## 6.4 Repayment of Ancillary Facility

(a) An Ancillary Facility shall cease to be available on the Termination Date applicable to the Revolving Facility or such earlier date on which its expiry date occurs or on which it is cancelled in accordance with the terms of this Agreement.

(b) If an Ancillary Facility expires in accordance with its terms the Ancillary Commitment of the relevant Ancillary Lender shall be reduced to zero.

(c) No Ancillary Lender may demand repayment or prepayment of any Ancillary Outstandings prior to the expiry date of the relevant Ancillary Facility unless:

(i) required to reduce the Permitted Gross Outstandings of a Multi-account Overdraft to or towards an amount equal to its Designated Net Amount;

(ii) the Total Revolving Facility Commitments have been cancelled in full or all outstanding Utilisations under the Revolving Facility have become due and payable in accordance with the terms of this Agreement;

(iii) it becomes unlawful in any applicable jurisdiction for the Ancillary Lender to perform any of its obligations as contemplated by this Agreement or to fund, issue or maintain its participation in its Ancillary Facility (or it becomes unlawful for any Affiliate of the Ancillary Lender for the Ancillary Lender to do so); or

(iv) both:

(A) the Available Commitments relating to the Revolving Facility; and

(B) the notice of the demand given by the Ancillary Lender,

would not prevent the relevant Borrower funding the repayment of those Ancillary Outstandings in full by way of Revolving Facility Utilisation.

(d) If a Revolving Facility Utilisation is made to repay Ancillary Outstandings in full, the relevant Ancillary Commitment shall be reduced to zero.

## 6.5 Limitation on Ancillary Outstandings

Each Borrower shall procure that and each Ancillary Lender agrees that:

(a) the Ancillary Outstandings under any Ancillary Facility shall not exceed the Ancillary Commitment applicable to that Ancillary Facility; and

(b) in relation to a Multi-account Overdraft:

(i) the Ancillary Outstandings shall not exceed the Designated Net Amount applicable to that Multi-account Overdraft; and

(ii) the Gross Outstandings shall not exceed the Designated Gross Amount applicable to that Multi-account Overdraft.

## 6.6 Adjustment for Ancillary Facilities upon acceleration

(a) In this Clause 6.6:

"**Revolving Outstandings**" means, in relation to a Lender, the aggregate of the equivalent in HK dollars of:

(i) its participation in each Revolving Facility Loan then outstanding (together with the aggregate amount of all accrued interest, fees and commission owed to it as a Lender under the Revolving Facility); and

(ii) if the Lender is also an Ancillary Lender, the Ancillary Outstandings in respect of Ancillary Facilities provided by that Ancillary Lender (or by its Affiliate) (together with the aggregate amount of all accrued interest, fees and commission owed to it (or to its Affiliate) as an Ancillary Lender in respect of the Ancillary Facility); and

"**Total Revolving Outstandings**" means the aggregate of all Revolving Outstandings.

(b) If a notice is served under Clause 24.19 (*Acceleration*) (other than a notice declaring Utilisations to be due on demand), each Lender and each Ancillary Lender shall (subject to paragraph (g) below) promptly adjust (by making or receiving (as the case may be) corresponding transfers of rights and obligations under the Finance Documents relating to Revolving Outstandings) their claims in respect of amounts outstanding to them under the Revolving Facility and each Ancillary Facility to the extent necessary to ensure that after such transfers the Revolving Outstandings of each Lender bear the same proportion to the Total Revolving Outstandings as such Lender's Revolving Facility Commitment bears to the Total Revolving Facility Commitments, each as at the date the notice is served under Clause 24.19 (*Acceleration*).

(c) If an amount outstanding under an Ancillary Facility is a contingent liability and that contingent liability becomes an actual liability or is reduced to zero after the original adjustment is made under paragraph (b) above, then each Lender and Ancillary Lender will make a further adjustment (by making or receiving (as the case may be) corresponding transfers of rights and obligations under the Finance Documents relating to Revolving Outstandings to the extent necessary) to put themselves in the position they would have been in had the original adjustment been determined by reference to the actual liability or, as the case may be, zero liability and not the contingent liability.

(d) Any transfer of rights and obligations relating to Revolving Outstandings made pursuant to this Clause 6.6 shall be made for a purchase price in cash, payable at the time of transfer, in an amount equal to those Revolving Outstandings.

(e) Prior to the application of the provisions of paragraph (b) above, an Ancillary Lender that has provided a Multi-account Overdraft shall set off any Available Credit Balance on any account comprised in that Multi-account Overdraft.

(f) All calculations to be made pursuant to this Clause 6.6 shall be made by the Agent based upon information provided to it by the Lenders and Ancillary Lenders and the Agent's Spot Rate of Exchange.

(g) This Clause 6.6 shall not oblige any Lender to accept the transfer of a claim relating to an amount outstanding under an Ancillary Facility which is not denominated (pursuant to the relevant Finance Document) in HK dollars for the purpose of any Revolving Facility Loan or in another currency which is acceptable to that Lender.

### 6.7 Information

Each Borrower and each Ancillary Lender shall, promptly upon request by the Agent, supply the Agent with any information relating to the operation of an Ancillary Facility (including the Ancillary Outstandings) as the Agent may reasonably request from time to time. Each Borrower consents to all such information being released to the Agent and the other Finance Parties.

### 6.8 Affiliates of Lenders as Ancillary Lenders

(a) Subject to the terms of this Agreement, an Affiliate of a Lender may become an Ancillary Lender. In such case, the Lender and its Affiliate shall be treated as a single Lender whose Revolving Facility Commitment is the amount set out opposite the relevant Lender's name in Schedule 1 (*The Original Parties*) and/or the amount of any Revolving Facility Commitment transferred to or assumed by that Lender under this Agreement, to the extent (in each case) not cancelled, reduced or transferred by it under this Agreement.

(b) The Borrower shall specify any relevant Affiliate of a Lender in any notice delivered by the Borrower to the Agent pursuant to paragraph (b)(i) of Clause 6.2 (*Availability*).

(c) An Affiliate of a Lender which becomes an Ancillary Lender shall accede to the Intercreditor Agreement as an Ancillary Lender and any person which so accedes to the Intercreditor Agreement shall, at the same time, become a Party as an Ancillary Lender in accordance with clause 25.14 (*Creditor/Creditor Representative Accession Undertaking*) of the Intercreditor Agreement.

(d) If a Lender assigns all of its rights and benefits or transfers all of its rights and obligations to a New Lender, its Affiliate shall cease to have any obligations under this Agreement or any Ancillary Document.

(e) Where this Agreement or any other Finance Document imposes an obligation on an Ancillary Lender and the relevant Ancillary Lender is an Affiliate of a Lender which is not a party to that document, the relevant Lender shall ensure that the obligation is performed by its Affiliate.

### 6.9 Revolving Facility Commitment amounts

Notwithstanding any other term of this Agreement, each Lender shall ensure that at all times its Revolving Facility Commitment is not less than the aggregate of:

(a) its Ancillary Commitment; and

(b) the Ancillary Commitment(s) of its Affiliate(s).

### 6.10 Amendments and waivers – Ancillary Facilities

No amendment or waiver of a term of any Ancillary Facility shall require the consent of any Finance Party other than the relevant Ancillary Lender unless such amendment or waiver itself relates to or gives rise to a matter which would require an amendment of or under this Agreement (including, for the avoidance of doubt, under this Clause 6). In such a case, Clause 37 (*Amendments and waivers*) will apply.

## SECTION 4
## REPAYMENT, PREPAYMENT AND CANCELLATION

### 7. Repayment

#### 7.1 Facility A

Subject to clause 3.2 (*Rolled Loan – restrictions*) of the Intercreditor Agreement, the Borrower shall repay the Facility A Loan in full on the Termination Date applicable to Facility A. The Borrower may not reborrow any part of the Facility A Loan that is repaid.

#### 7.2 Revolving Facility

(a) The Borrower shall repay each Revolving Facility Loan in full on the last day of its Interest Period.

(b) Without prejudice to the Borrower's obligations under paragraph (a) above, if one or more Revolving Facility Loans are to be made available to the Borrower:

(i) on the same day that a maturing Revolving Facility Loan is due to be repaid by the Borrower; and

(ii) in whole or in part for the purpose of refinancing the maturing Revolving Facility Loan,

the aggregate amount of the new Revolving Facility Loans shall be treated as if applied in or towards repayment of the maturing Revolving Facility Loan so that:

(A) if the amount of the maturing Revolving Facility Loan exceeds the aggregate amount of the new Revolving Facility Loans:

(1) the Borrower will only be required to pay an amount in cash in the relevant currency equal to that excess; and

(2) each Lender's participation (if any) in the new Revolving Facility Loans shall be treated as having been made available and applied by the Borrower in or towards repayment of that Lender's participation (if any) in the maturing Revolving Facility Loan and that Lender will not be required to make its participation in the new Revolving Facility Loans available in cash; and

(B) if the amount of the maturing Revolving Facility Loan is equal to or less than the aggregate amount of the new Revolving Facility Loans:

(1) the Borrower will not be required to make any payment in cash; and

(2) each Lender will be required to make its participation in the new Revolving Facility Loans available in cash only to the extent that its participation (if any) in the new Revolving Facility Loans exceeds that Lender's participation (if any) in the maturing Revolving Facility Loan and the remainder of that Lender's participation in the new Revolving Facility Loans shall be treated as having been made available and applied by the Borrower in or towards repayment of that Lender's participation in the maturing Revolving Facility Loan.

(c) At any time when a Lender becomes a Defaulting Lender, the maturity date of each of the participations of that Lender in the Revolving Facility Loans then outstanding will be automatically extended to the Termination Date applicable to the Revolving Facility and will be treated as separate Revolving Facility Loans (the "**Separate Loans**") denominated in the Base Currency.

(d) A Separate Loan may be prepaid by giving five (5) Business Days' prior notice to the Agent. The Agent will forward a copy of a prepayment notice received in accordance with this paragraph (d) to the Defaulting Lender concerned as soon as practicable on receipt.

(e) Interest in respect of a Separate Loan will accrue for successive Interest Periods selected by the Borrower by the time and date specified by the Agent (acting reasonably) and will be payable by the Borrower to the Agent (for the account of that Defaulting Lender) on the last day of each Interest Period of that Loan.

(f) The terms of this Agreement relating to Revolving Facility Loans generally shall continue to apply to Separate Loans other than to the extent inconsistent with paragraphs (c) to (e) above, in which case those paragraphs shall prevail in respect of any Separate Loan.

## 8. Illegality, voluntary prepayment and cancellation

### 8.1 Illegality

If it becomes unlawful in any applicable jurisdiction for a Lender to perform any of its obligations as contemplated by this Agreement or to fund, issue or maintain its participation in any Utilisation:

(a) that Lender shall promptly notify the Agent upon becoming aware of that event;

(b) upon the Agent notifying the Borrower, the Commitment of that Lender will be immediately cancelled; and

(c) to the extent that Lender's participation has not been transferred pursuant to Clause 37.5 (*Replaceable Lenders*), the Borrower shall repay that Lender's participation in each Utilisations on the last day of the Interest Period for each Utilisation occurring after the Agent has notified the Borrower or, if earlier, the date specified by the Lender in the notice delivered to the Agent (being no earlier than the last day of any applicable grace period permitted by law).

### 8.2 Voluntary cancellation

The Borrower may, if it gives the Agent not less than five (5) Business Days' prior notice, cancel the whole or any part (being a minimum of HK$100,000,000) of the Available Facility in respect of the Revolving Facility. Any cancellation under this Clause 8.2 shall reduce the Commitments of the Lenders rateably under the Revolving Facility.

### 8.3 Voluntary prepayment of the Facility A Loan

Subject to clause 3.2 (*Rolled Loan – restrictions*) of the Intercreditor Agreement, the Borrower under a Facility may, if it gives the Agent not less than five (5) Business Days' prior notice, prepay the whole or any part of the Facility A Loan (but, if in part, being an amount that reduces the Facility A Loan by a minimum amount of HK$500,000).

### 8.4 Voluntary prepayment of Revolving Facility Loans

The Borrower may, if it gives the Agent not less than five (5) Business Days' prior notice, prepay the whole or any part of a Revolving Facility Loan (but, if in part, being an amount that, whether alone or with any such prepayment made by any other Borrower at such time, reduces such Revolving Facility Loan by a minimum amount of HK$100,000,000).

## 9. Mandatory prepayment

Each Borrower shall prepay the Utilisations and/or cancel Commitments under the Facilities on the dates and in accordance, and otherwise comply, with the provisions of this Clause 9 (*Mandatory prepayment*).

### 9.1 Definitions

For the purposes of this Clause 9 (*Mandatory prepayment*):

"**Disposal Prepayment Event**" means the Disposal of all or substantially all of the business and assets of the Group or all the Obligors.

### 9.2 Change of Control and Disposal Prepayment Event

(a) If a Change of Control occurs:

(i) the Parent will promptly notify the Agent upon becoming aware of that event;

(ii) no Lender shall be obliged to fund a Utilisation (except for a Rollover Loan) and an Ancillary Lender shall not be obliged to fund a utilisation of an Ancillary Facility (unless the terms of such Ancillary Facility provide otherwise); and

(iii) if a Lender so requires and notifies the Agent within 20 Business Days of the earlier of (A) the Parent's notifying the Agent of the event and (B) that Lender becoming aware the event has occurred, the Agent shall, by not less than 10 Business Days' notice to the Parent, cancel the Commitment of that Lender in respect of the Revolving Facility and declare the participation of that Lender in all outstanding Utilisations in respect of the Revolving Facility and Ancillary Outstandings, together with accrued interest and all other amounts accrued under the Finance Documents to that Lender (including, without limitation, in respect of Facility A (other than the principal amount outstanding in respect of the Facility A Loan)), immediately due and payable, whereupon the Commitment of that Lender in respect of the Revolving Facility will be cancelled and, to the extent that Lender's relevant participations have not been transferred pursuant to Clause 37.5 (*Replaceable Lenders*), all such outstanding amounts will become immediately due and payable and full cash cover in respect of its contingent liability under an Ancillary Facility shall become immediately due and payable.

(b) Subject to clause 3.2 (*Rolled Loan – restrictions*) of the Intercreditor Agreement, if a Disposal Prepayment Event occurs, the Facilities will be cancelled and all outstanding Utilisations, together with accrued interest and all other amounts accrued under the Finance Documents, shall become immediately due and payable.

(c) In accordance with paragraph (e) of Clause 37.3 (*Exceptions*), any waiver which relates to a right to prepayment under this Clause 9.2 may only be waived with the consent of the Lender that is entitled to the prepayment.

**9.3 High Yield Notes and Bondco Loans**

(a) If, at any time on or after 1 June 2020 (the "**Option Period Commencement Date**"), any scheduled date for the payment of any principal amount under any High Yield Note or Bondco Loan (after taking into account all extensions of the payments dates of the High Yield Notes and Bondco Loans from time to time) would fall on or prior to the Final Repayment Date applicable to a Facility and the aggregate principal amount outstanding in respect of the Pari Passu Debt Liabilities is less than US$500,000,000 (or its equivalent in other currencies) or would (in circumstances where any Pari Passu Creditor(s) has exercised any right(s) to require any member of the Group to prepay, purchase, defease, redeem, acquire or retire any such Pari Passu Debt Liability pursuant to the exercise of any put option under the relevant Pari Passu Debt Documents in connection with the High Yield Notes or Bondco Loans) be less than US$500,000,000 (or its equivalent in other currencies) taking into account the obligations of the members of the Group to so prepay, purchase, defease, redeem, acquire or retire any such Pari Passu Debt Liabilities:

(i) the Parent will promptly notify the Agent upon becoming aware of that event;

(ii) no Lender shall be obliged to fund a Revolving Facility Loan (except for a Rollover Loan) and an Ancillary Lender shall not be obliged to fund a utilisation of an Ancillary Facility (unless the terms of such Ancillary Facility provide otherwise); and

(iii) if a Lender so requires and notifies the Agent within 20 Business Days of the later of (A) the Parent's notifying the Agent of the event and (B) the Option Period Commencement Date, the Agent shall, by not less than three (3) Business Days' notice to the Parent, cancel the Commitment of that Lender in respect of the Revolving Facility and declare (x) the participation of that Lender in all outstanding Utilisations in respect of the Revolving Facility and Ancillary Outstandings, together with accrued interest and all other amounts accrued under the Finance Documents to that Lender (including, without limitation, in respect of Facility A (other than the principal amount outstanding in respect of the Facility A Loan)) and (y) subject to clause 3.2 (*Rolled Loan – restrictions*) of the Intercreditor Agreement, the participation of that Lender in the Facility A Loan, due and payable, whereupon (such date being the "**Reference Date**") the Commitment of that Lender in respect of the Revolving Facility will be cancelled and, to the extent that Lender's relevant participations have not been transferred pursuant to Clause 37.5 (*Replaceable Lenders*), full cash cover in respect of its contingent liability under an Ancillary Facility shall become due and payable immediately and the Borrower shall repay that Lender's participation in each applicable Utilisation and all such other outstanding amounts on the last day of the Interest Period for each such Utilisation occurring after the Reference Date or, if earlier, the day falling one (1) Business Day prior to the first scheduled date for payment of any principal amount under any High Yield Note or Bondco Loan falling on or prior to the Final Repayment Date applicable to the Facility to which that Utilisation relates.

(b) In accordance with paragraph (e) of Clause 37.3 (*Exceptions*), any waiver which relates to a right to prepayment under this Clause 9.3 may only be waived with the consent of the Lender that is entitled to the prepayment.

### 9.4 Notes Repurchases

(a) If a Notes Repurchase occurs, or an offer to make a Notes Repurchase has been made, the Borrower will, promptly upon becoming aware of such event, notify the Agent of the details of the event, including the amount of the Notes Repurchase.

(b) The Borrower shall cancel and prepay the relevant proportion of the Revolving Facility if required by, and in accordance with Clause 23.15 (*Notes Repurchase condition*).

### 9.5 Asset Sales

The Borrower shall cancel and prepay the relevant proportion of the Revolving Facility if required by, and in accordance with, Section 5 (*Asset Sales*) of Schedule 10 (*Covenants*).

### 9.6 Waivers

Any waiver that relates to a right to prepayment under Clause 9.4 (*Notes Repurchase condition*) or 9.5 (*Asset Sales*) above may only be waived with the consent of the Lender that is entitled to the prepayment.

### 9.7 Application of mandatory prepayments and cancellations – Note Repurchases and Asset dispositions

(a) Prepayments of Utilisations and cancellations of Commitments made pursuant to Clause 9.4 (*Notes Repurchases*) or Clause 9.5 (*Asset Sales*) shall be applied in the following order:

(i) *firstly*, in cancellation of the Available Commitments (and the Available Commitment of the Lenders will be cancelled rateably);

(ii) *secondly*, in permanent prepayment and cancellation of Revolving Facility Utilisations and cancellation of Commitments under the Revolving Facility;

(iii) *thirdly*, in prepayment and cancellation of the Ancillary Outstandings and Ancillary Commitments; and

(iv) *then*, subject to clause 3.2 (*Rolled Loan – restrictions*) of the Intercreditor Agreement, in permanent prepayment of the Facility A Loan.

(b) Unless the Borrower makes an election under paragraph (c) below, the Borrower shall make prepayments under Clause 9.5 (*Asset Sales*) promptly upon receipt of the relevant proceeds.

(c) Subject to paragraph (d) below, the Borrower may, by giving the Agent not less than three (3) Business Days' (or such shorter period as the Majority Lenders may agree) prior written notice, elect that any prepayment under Clause 9.5 (*Asset Sales*) be applied in prepayment of a Loan on the last day of the Interest Period relating to that Loan. If the Borrower makes such an election, then a proportion of the Loan equal to the amount of the relevant prepayment will be due and payable on the last day of its Interest Period.

(d) If the Borrower has made an election under paragraph (c) above but an Event of Default has occurred and is continuing, that election shall no longer apply and a proportion of the Loan in respect of which the election was made equal to the amount of the relevant prepayment shall be immediately due and payable (unless the Majority Lenders otherwise agree).

## 10. Restrictions

### 10.1 Notices of cancellation or prepayment

Any notice of cancellation or prepayment, authorisation or other election given by any Party under Clause 8 (*Illegality, voluntary prepayment and cancellation*) shall be irrevocable and, unless a contrary indication appears in this Agreement, any such notice shall specify the date or dates upon which the relevant cancellation or prepayment is to be made, the affected Facility (or Facilities) and Utilisations and the amount of that cancellation or prepayment.

### 10.2 Interest and other amounts

Any prepayment under this Agreement shall be made together with accrued interest on the amount prepaid and, subject to any Break Costs, without premium or penalty.

### 10.3 Reborrowing of Facilities

The Borrower shall not reborrow any part of Facility A which is prepaid. Unless a contrary indication appears in this Agreement, any part of the Revolving Facility which is repaid or voluntarily prepaid may be reborrowed in accordance with the terms of this Agreement.

### 10.4 Prepayment in accordance with Agreement

The Borrower shall not repay or prepay all or any part of the Utilisations or cancel all or any part of the Commitments except at the times and in the manner expressly provided for in this Agreement.

### 10.5 No reinstatement of Commitments

No amount of the Total Commitments cancelled under this Agreement may be subsequently reinstated.

### 10.6 Agent's receipt of notices

If the Agent receives a notice under Clause 8 (*Illegality, voluntary prepayment and cancellation*), it shall promptly forward a copy of that notice or election to either the Borrower or the affected Lender, as appropriate.

### 10.7 Prepayment notices

The Agent shall notify the Lenders as soon as possible of any proposed prepayment of that Facility under Clause 8.3 (*Voluntary prepayment*).

### 10.8 Effect of repayment and prepayment

If all or part of a Loan under the Revolving Facility is repaid or prepaid and is not available for redrawing (other than as may conditionally be the case pursuant to Clause 4.1 (*Utilisation conditions precedent*)), an amount of the Commitments (equal to the amount of the Loan which is repaid or prepaid) in respect of the Revolving Facility will be deemed to be cancelled on the date of repayment or prepayment. Any cancellation under this Clause 10.8 (save in connection with any repayment or, as the case may be, prepayment under paragraph (c) of Clause 8.1 (*Illegality*) or Clause 37.7 (*Cancellation and repayment of a Replaceable Lender (other than an Illegal Lender)*)) shall reduce the Commitments of the Lenders rateably under the Revolving Facility.

## SECTION 5
## COSTS OF UTILISATION

### 11. Interest

**11.1 Calculation of interest**

The rate of interest on each Loan for each Interest Period is the percentage rate per annum which is the aggregate of the applicable:

(a) Margin; and

(b) HIBOR.

**11.2 Payment of interest**

The Borrower to which a Loan has been made shall pay accrued interest on that Loan on the last day of each Interest Period (and, if the Interest Period is longer than three Months, on the dates falling at three-monthly intervals after the first day of the Interest Period).

**11.3 Default interest**

(a) If an Obligor fails to pay any amount payable by it under a Finance Document on its due date, interest shall accrue on the Unpaid Sum from the due date up to the date of actual payment (both before and after judgment) at a rate which, subject to paragraph (b) below, is 2 per cent. higher than the rate which would have been payable if the Unpaid Sum had, during the period of non-payment, constituted a Loan in the currency of the Unpaid Sum for successive Interest Periods, each of a duration selected by the Agent (acting reasonably). Any interest accruing under this Clause 11.3 shall be immediately payable by the relevant Obligor on demand by the Agent.

(b) If any Unpaid Sum consists of all or part of a Loan which became due on a day which was not the last day of an Interest Period relating to that Loan:

(i) the first Interest Period for that Unpaid Sum shall have a duration equal to the unexpired portion of the current Interest Period relating to that Loan; and

(ii) the rate of interest applying to the Unpaid Sum during that first Interest Period shall be 2 per cent. higher than the rate which would have applied if the Unpaid Sum had not become due.

(c) Default interest (if unpaid) arising on an Unpaid Sum will be compounded with the Unpaid Sum at the end of each Interest Period applicable to that Unpaid Sum but will remain immediately due and payable.

**11.4 Notification of rates of interest**

The Agent shall promptly notify the Lenders and the relevant Borrower (or the Parent) of the determination of a rate of interest under this Agreement.

### 12. Interest Periods

**12.1 Selection of Interest Periods**

(a) The first Interest Period for the Facility A Loan shall be as set out in paragraph (b)(i)(C) of Clause 2.1 (*The Facilities*). The Borrower (or the Parent on behalf of the Borrower) may select a subsequent Interest Period for the Facility A Loan in a Selection Notice. The Borrower (or the Parent on behalf of the Borrower) may select an Interest Period for a Revolving Facility Loan in the Utilisation Request for that Revolving Facility Loan.

(b) Each Selection Notice for the Facility A Loan is irrevocable and must be delivered to the Agent by the Borrower (or the Parent on behalf of the Borrower) not later than 11.00 a.m. on the fifth Business Day prior to the commencement of the next Interest Period.

(c) If the Borrower (or the Parent) fails to deliver a Selection Notice to the Agent in accordance with paragraph (b) above, the relevant Interest Period in respect of the Facility A Loan will be one Month.

(d) Subject to this Clause 12, the Borrower (or the Parent) may select an Interest Period for a Loan of one, two, three or six Months or any other period agreed between the Borrower and the Agent (acting on the instructions of all the Lenders in relation to the relevant Loan).

(e) An Interest Period for a Loan shall not extend beyond the Termination Date applicable to its Facility.

(f) Subject to paragraph (b)(i)(C) of Clause 2.1 (*The Facilities*), each Interest Period for a Loan shall start on the Utilisation Date with respect to that Loan or (if already made) on the last day of its preceding Interest Period.

(g) A Revolving Facility Loan has one Interest Period only.

### 12.2 Non-Business Days

If an Interest Period would otherwise end on a day which is not a Business Day, that Interest Period will instead end on the next Business Day in that calendar month (if there is one) or the preceding Business Day (if there is not).

## 13. Changes to the calculation of interest

### 13.1 Absence of quotations

Subject to Clause 13.2 (*Market disruption*), if HIBOR is to be determined by reference to the Reference Banks but a Reference Bank does not supply a quotation by (in relation to HIBOR) 11:00 a.m. on the Quotation Date for HK dollars, HIBOR shall be determined on the basis of the quotations of the remaining Reference Banks.

### 13.2 Market disruption

(a) If a Market Disruption Event occurs in relation to a Loan for any Interest Period, then the rate of interest on each Lender’s share of that Loan for the Interest Period shall be the percentage rate per annum which is the sum of:

(i) the Margin; and

(ii) the rate notified to the Agent by that Lender as soon as practicable and in any event not less than the date falling two (2) Business Days after the Quotation Date (or, if earlier, on the date falling two (2) Business Days prior to the date on which interest is due to be paid in respect of that Interest Period), to be that which expresses as a percentage rate per annum the cost to that Lender of funding its participation in that Loan from whatever source it may reasonably select.

(b) In this Agreement "**Market Disruption Event**" means:

(i) at or about noon on the Quotation Date for the relevant Interest Period for the relevant Loan the Screen Rate is not available or the Screen Rate is zero or negative and none or only one of the Reference Banks supplies a rate to the Agent to determine HIBOR for the relevant currency and Interest Period; or

(ii) before close of business on the Quotation Date for the relevant Interest Period, the Agent receives notifications from a Lender or Lenders (whose aggregate participations in that Loan exceed 35 per cent. of that Loan) that the cost to it of obtaining matching deposits in the Relevant Interbank Market would be in excess of HIBOR.

(c) If a Market Disruption Event shall occur, the Agent shall promptly notify the Lenders and the Borrower thereof.

(d) If:

(i) the percentage rate per annum notified by a Lender pursuant to paragraph (a)(ii) above is less than HIBOR; or

(ii) a Lender has not notified the Agent of a percentage rate per annum notified by a Lender pursuant to paragraph (a)(ii) above,

the cost to that Lender of funding its participation in that Loan for that Interest Period shall be deemed, for the purposes of paragraph (a) above, to be HIBOR.

**13.3 Alternative basis of interest or funding**

(a) If a Market Disruption Event occurs and the Agent or the Borrower so requires, the Agent and the Borrower shall enter into negotiations (for a period of not more than thirty days) with a view to agreeing a substitute basis for determining the rate of interest.

(b) Any alternative basis agreed pursuant to paragraph (a) above shall, with the prior consent of all the Lenders and the Borrower, be binding on all Parties.

(c) For the avoidance of doubt, in the event that no substitute basis is agreed at the end of the thirty day period, the rate of interest shall continue to be determined in accordance with the terms of this Agreement.

**13.4 Break Costs**

(a) Each Borrower shall, within three (3) Business Days of demand by a Finance Party, pay to that Finance Party its Break Costs attributable to all or any part of a Loan or Unpaid Sum being paid by that Borrower on a day other than the last day of an Interest Period for that Loan or Unpaid Sum.

(b) Each Lender shall, as soon as reasonably practicable after a demand by the Agent, provide a certificate confirming the amount of its Break Costs for any Interest Period in which they accrue.

## 14. Fees

**14.1 Commitment fee**

(a) The Borrower shall pay to the Agent (for the account of each Lender under the Revolving Facility) a commitment fee in HK dollars that is computed at a rate of 35 per cent. of the Margin applicable to the Revolving Facility on that Lender's Available Commitment under the Revolving Facility for the period from (and including) the first date of the Availability Period applicable to the Revolving Facility to (but excluding) the last day of the Availability Period applicable to the Revolving Facility.

(b) The accrued commitment fee is payable on the last day of each successive period of three Months which ends during the relevant period specified in paragraph (a) above, on the last day of the relevant Availability Period and, if cancelled in full, on the cancelled amount of the relevant Lender's Commitment at the time such cancellation is effective.

(c) No commitment fee is payable to the Agent (for the account of a Lender) on any Available Commitment of that Lender for any day on which that Lender is a Defaulting Lender.

**14.2 Agent's fee**

The Borrower shall pay to the Agent (for its own account) an agency fee in the amount and at the times agreed in any Fee Letter.

**14.3 Interest, commission and fees on Ancillary Facilities**

The rate and time of payment of interest, commission, fees and any other remuneration in respect of each Ancillary Facility shall be determined by agreement between the relevant Ancillary Lender and the Borrower of that Ancillary Facility based upon normal market rates and terms.

## SECTION 6
## ADDITIONAL PAYMENT OBLIGATIONS

**15. Tax gross-up and indemnities**

**15.1 Definitions**

(a) In this Agreement:

"**Protected Party**" means a Finance Party which is or will be subject to any liability or required to make any payment for or on account of Tax in relation to a sum received or receivable (or any sum deemed for the purposes of Tax to be received or receivable) under a Finance Document.

"**Tax Credit**" means a credit against, relief or remission for, or repayment of, any Tax.

"**Tax Deduction**" means a deduction or withholding for or on account of Tax from a payment under a Finance Document, other than a FATCA Deduction.

"**Tax Payment**" means either the increase in a payment made by an Obligor to a Finance Party under Clause 15.2 (*Tax gross-up*) or a payment under Clause 15.3 (*Tax indemnity*).

Unless a contrary indication appears, in this Clause 15 a reference to "**determines**" or "**determined**" means a determination made in the absolute discretion of the person making the determination.

**15.2 Tax gross-up**

(a) Each Obligor shall make all payments to be made by it under a Finance Document without any Tax Deduction, unless a Tax Deduction is required by law.

(b) The Borrower shall promptly upon an Obligor becoming aware that such Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Agent accordingly. Similarly, a Lender shall notify the Agent on becoming so aware in respect of a payment payable to that Lender. If the Agent receives such notification from a Lender it shall notify the Borrower and that relevant Obligor.

(c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.

(d) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

(e) Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Agent for the Finance Party entitled to the payment evidence reasonably satisfactory to that Finance Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

**15.3 Tax indemnity**

(a) Without prejudice to Clause 15.2 (*Tax gross-up*), the Borrower shall (within five (5) Business Days of demand by the Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document or the transactions occurring under such Finance Document.

(b) Paragraph (a) above shall not apply:

(i) with respect to any Tax assessed on a Finance Party:

(A) under the law of the jurisdiction in which that Finance Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Finance Party is treated as resident for tax purposes; or

(B) under the law of the jurisdiction in which that Finance Party's Facility Office is located in respect of amounts received or receivable in that jurisdiction,

if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Finance Party;

(ii) to the extent a loss, liability or cost is compensated for by an increased payment under Clause 15.2 (*Tax gross-up*); or

(iii) to the extent a loss, liability or cost relates to a FATCA Deduction required to be made by a Party.

(c) A Protected Party making, or intending to make a claim under paragraph (a) above shall notify the Agent of the event which will give, or has given, rise to the claim within 120 days after the date on which that Protected Party becomes aware of it (after which that Protected Party shall not be entitled to claim any indemnification or payment under this Clause 15.3), following which the Agent shall notify the Borrower.

(d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 15.3, notify the Agent.

**15.4 Tax Credit**

If an Obligor makes a Tax Payment and the relevant Finance Party determines that:

(a) a Tax Credit is attributable either to an increased payment of which that Tax Payment forms part or to that Tax Payment; and

(b) that Finance Party has obtained, utilised and retained that Tax Credit,

the Finance Party shall pay an amount to the relevant Obligor which that Finance Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the relevant Obligor.

**15.5 Stamp taxes**

The Borrower shall pay and, within five (5) Business Days of demand, indemnify each Secured Party against any cost, loss or liability that Secured Party incurs in relation to all stamp duty, registration, excise and other similar Taxes payable in respect of any Finance Document or the transactions occurring under any of them.

## 15.6 Indirect tax

(a) All amounts set out or expressed in a Finance Document to be payable by any Party to a Finance Party shall be deemed to be exclusive of any Indirect Tax. If any Indirect Tax is chargeable on any supply made by any Finance Party to any Party in connection with a Finance Document, that Party shall pay to the Finance Party (in addition to and at the same time as paying the consideration) an amount equal to the amount of the Indirect Tax.

(b) Where a Finance Document requires any Party to reimburse a Finance Party for any costs or expenses, that Party shall also at the same time pay and indemnify the Finance Party against all Indirect Tax incurred by that Finance Party in respect of the costs or expenses to the extent that the Finance Party reasonably determines that it is not entitled to credit or repayment in respect of the Indirect Tax.

## 15.7 Survival of obligations

Without prejudice to the survival of any other section of this Agreement, the agreements and obligations of each Obligor and each Finance Party contained in this Clause 15 shall survive the payment in full by the Obligors of all obligations under this Agreement and the termination of this Agreement.

## 15.8 FATCA Information

(a) Subject to paragraph (c) below, each Party shall, within 10 Business Days of a reasonable request by another Party:

(i) confirm to that other Party whether it is:

(A) a FATCA Exempt Party; or

(B) not a FATCA Exempt Party;

(ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and

(iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.

(b) If a Party confirms to another Party pursuant to paragraph (a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.

(c) Paragraph (a) above shall not oblige any Finance Party to do anything, and paragraph (a)(iii) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:

(i) any law or regulation;

(ii) any fiduciary duty; or

(iii) any duty of confidentiality.

(d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a)(i) or (ii) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.

## 15.9 FATCA Deduction

(a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.

(b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction), notify the Party to whom it is making the payment and, in addition, shall notify the Borrower and the Agent and the Agent shall notify the other Finance Parties.

# 16. Increased Costs

## 16.1 Increased costs

(a) Subject to Clause 16.3 (*Exceptions*) the Borrower shall, within five (5) Business Days of a demand by the Agent, pay for the account of a Finance Party the amount of any Increased Costs incurred by that Finance Party or any of its Affiliates as a result of:

(i) the introduction of or any change in (or in the interpretation, administration or application of) any law or regulation after the date of this Agreement; or

(ii) compliance with any law or regulation made after the date of this Agreement.

The terms "law" and "regulation" in this paragraph (a) shall include, without limitation, any law or regulation concerning capital adequacy, prudential limits, liquidity, reserve assets or Tax.

(b) In this Agreement:

(i) "**Increased Costs**" means:

(A) a reduction in the rate of return from a Facility or on a Finance Party's (or its Affiliate's) overall capital (including, without limitation, as a result of any reduction in the rate of return on capital brought about by more capital being required to be allocated by such Finance Party);

(B) an additional or increased cost; or

(C) a reduction of any amount due and payable under any Finance Document,

which is incurred or suffered by a Finance Party or any of its Affiliates to the extent that it is attributable to that Finance Party having entered into its Commitment or funding or performing its obligations under any Finance Document; and

(ii) "**Basel III**" means (A) the agreements on capital requirements, a leverage ratio and liquidity standards contained in "Basel III: A global regulatory framework for more resilient banks and banking systems", "Basel III: International framework for liquidity risk measurement, standards and monitoring" and "Guidance for national authorities operating the countercyclical capital buffer" published by the Basel Committee on Banking Supervision on 16 December 2010, each as amended, supplemented or restated, (B) the rules for global systemically important banks contained in "Global systemically important banks: assessment methodology and the additional loss absorbency requirement – Rules text" published by the Basel Committee on Banking Supervision in November 2011, as amended, supplemented or restated and (C) any further guidance or standards published by the Basel Committee on Banking Supervision relating to "Basel III".

### 16.2 Increased cost claims

(a) A Finance Party intending to make a claim pursuant to Clause 16.1 (*Increased costs*) shall notify the Agent of the event giving rise to the claim within 120 days of the date on which that Finance Party becomes aware of it, following which the Agent shall promptly notify the Borrower.

(b) Each Finance Party shall, as soon as practicable after a demand by the Agent, provide a certificate confirming the amount of its Increased Costs.

### 16.3 Exceptions

(a) Clause 16.1 (*Increased costs*) does not apply to the extent any Increased Cost is:

(i) attributable to a Tax Deduction required by law to be made by an Obligor;

(ii) compensated for by Clause 15.3 (*Tax indemnity*) (or would have been compensated for under Clause 15.3 (*Tax indemnity*) but was not so compensated solely because any of the exclusions in paragraph (b) of Clause 15.3 (*Tax indemnity*) applied);

(iii) attributable to a FATCA Deduction required to be made by a Party;

(iv) attributable to the wilful breach by the relevant Finance Party or its Affiliates of any law or regulation; or

(v) attributable to the implementation or application of or compliance with the "International Convergence of Capital Measurement and Capital Standards, a Revised Framework" published by the Basel Committee on Banking Supervision in June 2004 in the form existing on the date of this Agreement (but excluding any amendment arising out of Basel III) ("**Basel II**") or any other law or regulation which implements Basel II (whether such implementation, application or compliance is by a government, regulator, Finance Party or any of its Affiliates); or

(vi) not notified to the Agent by the Finance Party (that is claiming any indemnification or payment under this Clause 16 in respect of such Increased Cost) within 120 days of the date of such Finance Party becoming aware of the event giving rise to such Increased Costs in accordance with paragraph (a) of Clause 16.2 (*Increased Costs claims*).

(b) In this Clause 16.3, a reference to a "**Tax Deduction**" has the same meaning given to the term in Clause 15.1 (*Definitions*).

## 17. Other indemnities

### 17.1 Currency indemnity

(a) If any sum due from an Obligor under the Finance Documents (a "**Sum**"), or any order, judgment or award given or made in relation to a Sum, has to be converted from the currency (the "**First Currency**") in which that Sum is payable into another currency (the "**Second Currency**") for the purpose of:

(i) making or filing a claim or proof against that Obligor; or

(ii) obtaining or enforcing an order, judgment or award in relation to any litigation or arbitration proceedings,

that Obligor shall as an independent obligation, within five (5) Business Days of demand, indemnify each Finance Party to whom that Sum is due against any cost, loss or liability arising out of or as a result of the conversion including any discrepancy between (A) the rate of exchange used to convert that Sum from the First Currency into the Second Currency and (B) the rate or rates of exchange available to that person at the time of its receipt of that Sum.

(b) Each Obligor waives any right it may have in any jurisdiction to pay any amount under the Finance Documents in a currency or currency unit other than that in which it is expressed to be payable.

### 17.2 Other indemnities

(a) The Borrower shall (or shall procure that an Obligor will), within five (5) Business Days of demand, indemnify each Finance Party against any cost, loss or liability incurred by it as a result of:

(i) the occurrence of any Event of Default;

(ii) any information produced or approved by any Obligor being or being alleged to be misleading and/or deceptive in any respect;

(iii) any enquiry, investigation, subpoena (or similar order) or litigation with respect to any Obligor or with respect to the transaction contemplated or financed under this Agreement;

(iv) a failure by an Obligor to pay any amount due under a Finance Document on its due date, including without limitation, any cost, loss or liability arising as a result of Clause 30 (*Sharing among the Finance Parties*);

(v) funding, or making arrangements to fund, its participation in a Loan requested in a Utilisation Request but not made by reason of the operation of any one or more of the provisions of this Agreement (other than by reason of default or negligence by that Finance Party alone); or

(vi) a Loan (or part of a Loan) not being prepaid in accordance with a notice of prepayment given by the Borrower or the Parent.

### 17.3 Indemnity to the Agent

The Borrower shall promptly indemnify the Agent against:

(a) any cost, loss or liability incurred by the Agent (acting reasonably) as a result of:

(i) investigating any event which it reasonably believes is a Default; and

(ii) acting or relying on any notice, request or instruction which it reasonably believes to be genuine, correct and appropriately authorised; and

(b) any cost, loss or liability (including, without limitation, for negligence or any other category of liability whatsoever) incurred by the Agent (otherwise than by reason of the Agent's gross negligence or wilful misconduct) in acting as Agent under the Finance Documents.

## 18. Mitigation by the Lenders

### 18.1 Mitigation

(a) Each Finance Party shall, in consultation with the Borrower, take all reasonable steps to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to, or cancelled pursuant to, any of Clause 8.1 (*Illegality*), Clause 15 (*Tax gross-up and indemnities*) or Clause 16 (*Increased Costs*), including (but not limited to) transferring its rights and obligations under the Finance Documents to another Affiliate or Facility Office.

(b) Paragraph (a) above does not in any way limit the obligations of any Obligor under the Finance Documents.

### 18.2 Limitation of liability

(a) The Borrower shall indemnify each Finance Party for all costs and expenses reasonably incurred by that Finance Party as a result of steps taken by it under Clause 18.1 (*Mitigation*).

(b) A Finance Party is not obliged to take any steps under Clause 18.1 (*Mitigation*) if, in the opinion of that Finance Party (acting reasonably), to do so might be prejudicial to it.

## 19. Costs and expenses

### 19.1 Transaction expenses

The Borrower shall within five (5) Business Days (other than in respect of costs and expenses required to be paid as a condition to Utilisation) of demand pay (or shall procure that another member of the Group will pay) the Agent, the Common Security Agent and the POA Agent the amount of all costs and expenses (including legal fees but subject to any agreed caps) reasonably incurred by the Agent, the Common Security Agent or the POA Agent as applicable (and, in the case of the Common Security Agent and the POA Agent, by any Receiver or Delegate) in connection with the negotiation, preparation, printing, execution, syndication and perfection of any Finance Documents executed after the date of this Agreement.

### 19.2 Amendment costs

If (a) an Obligor requests an amendment, waiver or consent or (b) an amendment is required pursuant to Clause 31.10 (*Change of currency*), the Borrower shall, within five (5) Business Days of demand, reimburse (or shall procure that another member of the Group will reimburse) each of the Agent, the Common Security Agent and the POA Agent for the amount of all costs and expenses (including legal fees, disbursements and other out of pocket expenses) reasonably incurred or made by the Agent, the Common Security Agent or the POA Agent as applicable (and, in the case of the Common Security Agent and the POA Agent, by any Receiver or Delegate) in responding to, evaluating, negotiating or complying with that request or requirement.

**19.3 Common Security Agent's ongoing costs**

(a) In the event of (i) a Default or (ii) the Common Security Agent considering it necessary or expedient or (iii) the Common Security Agent being requested by an Obligor or the Majority Lenders to undertake duties which the Common Security Agent and the Borrower agree to be of an exceptional nature and/or outside the scope of the normal duties of the Common Security Agent under the Finance Documents, the Borrower shall pay (or shall procure that another member of the Group will pay) to the Common Security Agent any additional remuneration that may be agreed between them.

(b) If the Common Security Agent and the Borrower fail to agree upon the nature of the duties or upon any additional remuneration, that dispute shall be determined by an investment bank (acting as an expert and not as an arbitrator) selected by the Common Security Agent and approved by the Borrower or, failing approval, nominated (on the application of the Common Security Agent) by the President for the time being of the Law Society of Hong Kong (the costs of the nomination and of the investment bank being payable by the Borrower) and the determination of any investment bank shall be final and binding upon the parties to this Agreement.

**19.4 Enforcement and preservation costs**

The Borrower shall, within five (5) Business Days of demand, pay (or shall procure that another member of the Group will pay) to each Secured Party the amount of all costs and expenses (including legal fees, disbursements and other out of pocket expenses) incurred by it in connection with the enforcement of or the preservation of any rights under any Finance Document and the Transaction Security and any proceedings instituted by or against the Common Security Agent or the POA Agent as a consequence of taking or holding the Transaction Security or enforcing these rights.

## SECTION 7
## GUARANTEE

### 20. Guarantee and indemnity

### 20.1 Guarantee and indemnity

Each Guarantor irrevocably and unconditionally jointly and severally:

(a) guarantees to each Finance Party punctual performance by each other Obligor of all that Obligor's obligations under the Finance Documents;

(b) undertakes with each Finance Party that whenever another Obligor does not pay any amount when due under or in connection with any Finance Document, that Guarantor shall immediately on demand pay that amount as if it was the principal obligor; and

(c) agrees with each Finance Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Finance Party immediately on demand against any cost, loss or liability it incurs as a result of an Obligor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Finance Document on the date when it would have been due. The amount payable by a Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 20 if the amount claimed had been recoverable on the basis of a guarantee.

### 20.2 Continuing guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Obligor under the Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

### 20.3 Reinstatement

If for any reason (including, without limitation, as a result of insolvency, breach of fiduciary or statutory duties or any similar event):

(a) any payment to a Finance Party (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is avoided, reduced or required to be restored, or

(b) any discharge, compromise or arrangement (whether in respect of the obligations of any Obligor or any security for any such obligation or otherwise) given or made wholly or partly on the basis of any payment, security or other matter which is avoided, reduced or required to be restored,

then:

(i) the liability of each Obligor shall continue (or be deemed to continue) as if the payment, discharge, compromise or arrangement had not occurred; and

(ii) each Finance Party shall be entitled to recover the value or amount of that payment or security from each Obligor, as if the payment, discharge, compromise or arrangement had not occurred.

### 20.4 Waiver of defences

The obligations of each Guarantor under this Clause 20 will not be affected by any act, omission, matter or thing which, but for this Clause 20, would reduce, release or prejudice any of its obligations under this Clause 20 (without limitation and whether or not known to it or any Finance Party) including:

(a) any time, waiver or consent granted to, or composition with, any Obligor or other person;

(b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;

(e) any amendment, novation, supplement, extension (whether of maturity or otherwise) or restatement (in each case, however fundamental and of whatsoever nature, and whether or not more onerous) or replacement of a Finance Document or any other document or security;

(f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security;

(g) any insolvency or similar proceedings; or

(h) this Agreement or any other Finance Document not being executed by or binding against any other Guarantor or any other party.

**20.5 Guarantor intent**

Without prejudice to the generality of Clause 20.4 (*Waiver of defences*), each Guarantor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental and of whatsoever nature and whether or not more onerous) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for or in connection with any purpose whatsoever, including without limitation, any of the following: any amendment or waiver contemplated under a Fee Letter, any Property or Site expansion; acquisitions of any nature; increasing working capital; enabling dividends or distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and expenses associated with any of the foregoing.

**20.6 Immediate recourse**

Each Guarantor waives any right it may have of first requiring any Finance Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Guarantor under this Clause 20. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

**20.7 Appropriations**

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full, each Finance Party (or any trustee or agent on its behalf) may:

(a) refrain from applying or enforcing any other moneys, security or rights held or received by that Finance Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Guarantor shall be entitled to the benefit of the same; and

(b) hold in an interest-bearing suspense account any moneys received from any Guarantor or on account of any Guarantor’s liability under this Clause 20.

### 20.8 Deferral of Guarantors' rights

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Agent otherwise directs, no Guarantor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this Clause 20:

(a) to be indemnified by an Obligor;

(b) to claim any contribution from any other guarantor of any Obligor's obligations under the Finance Documents;

(c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Finance Party;

(d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Guarantor has given a guarantee, undertaking or indemnity under this Clause 20;

(e) to exercise any right of set off against any Obligor; and/or

(f) to claim or prove as a creditor of any Obligor in competition with any Finance Party.

If any Obligor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all the Secured Obligations to be repaid or discharged in full, on trust for the Finance Parties and shall promptly pay or transfer the same to the Agent or as the Agent may direct for application in accordance with Clause 31 (*Payment mechanics*).

### 20.9 Additional security

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Finance Party.

## SECTION 8
## REPRESENTATIONS, UNDERTAKINGS AND EVENTS OF DEFAULT

### 21. Representations

Each Obligor makes the representations and warranties set out in this Clause 21 at the times set out herein.

### 21.1 Times when representations made

(a) All the representations and warranties in this Clause 21 (other than paragraph (a) of Clause 21.11 (*No Default*)) are made by each Obligor on the 2016 Amendment and Restatement Effective Date.

(b) The Repeating Representations are deemed to be made by each Obligor on:

(i) the date of each Utilisation Request;

(ii) each Utilisation Date; and

(iii) the first day of each Interest Period.

(c) The representations and warranties set out in paragraph (a) of Clause 21.14 (*Financial statements*) will cease to be made in respect of any financial statements on and from the date on which more recent financial statements are delivered to the Agent pursuant to Clause 22.4 (*Financial statements*).

## SECTION 9
## CHANGES TO PARTIES

### 25. Changes to the Lenders

### 25.1 Assignments and transfers by the Lenders

Subject to this Clause 25 and to Clause 26 (*Restriction on Debt Purchase Transactions*), a Lender (the "**Existing Lender**") may:

(a) assign any of its rights; or

(b) transfer by novation any of its rights and obligations,

under any Finance Document to a Permitted Transferee (in each case, the "**New Lender**").

### 25.2 Conditions of assignment or transfer

(a) Any Transfer by an Existing Lender of all or any part of its Commitment must:

(i) subject to paragraph (b) below, not be made or entered into without the prior written consent of the Borrower (such consent not to be unreasonably withheld or delayed);

(ii) if the Transfer is of a commitment or participation in the Revolving Facility, the New Lender has a rating of at least BBB by Standard & Poor's Rating Services (or an equivalent rating); and

(iii) in the case of a Transfer relating to the Revolving Facility, if the Transfer is only of part of (instead of all of) an Existing Lender's participation in respect of the Revolving Facility, immediately after such the Transfer:

(A) the amount of that Existing Lender's remaining Revolving Facility Commitments (when aggregated with its Affiliates' and Related Funds' Revolving Facility Commitments) is at least a minimum amount of HK$40,000,000; and

(B) the amount of that New Lender's Revolving Facility Commitments (when aggregated with its Affiliates' and Related Funds' Revolving Facility Commitments) is at least a minimum amount of HK$40,000,000.

(b) Notwithstanding paragraph (a)(i) above (and, for the avoidance of doubt, subject to paragraphs (a)(ii) and (iii) above), a Transfer entered into in respect of any Commitment or amount outstanding under this Agreement shall not require the prior written consent of the Borrower pursuant to paragraph (a)(i) above if:

(i) the Transfer is to another Lender or an Affiliate of a Lender;

(ii) if the Existing Lender is a fund, the Transfer is to, or the sub-participation is with, a fund which is a Related Fund of that Existing Lender;

(iii) an Event of Default has occurred and is continuing; or

(iv) the Transfer is of a Participation which is not a Voting Participation.

(c) The Borrower shall be deemed to have provided its written consent in accordance with paragraph (a) above if it has not responded to the relevant Existing Lender's request for such Transfer within 10 Business Days of such request having been made.

(d) A Transfer entered into in respect of any Commitment or amount outstanding under this Agreement shall in no circumstances (including pursuant to paragraph (b) above) be made to a Conflicted Lender without the prior written consent of the Borrower (in its sole discretion). If requested to do so by a Lender, the Borrower shall as soon as reasonably practicable (but allowing a reasonable period of time for the Borrower to satisfy itself) confirm to that Lender whether or not a potential New Lender identified to the Borrower is a Conflicted Lender.

(e) An assignment will only be effective if the procedure set out in Clause 25.6 (*Procedure for assignment*) is complied with and will only be effective on:

(i) receipt by the Agent (whether in the Assignment Agreement and Lender Accession Undertaking or otherwise) of written confirmation from the New Lender (in form and substance satisfactory to the Agent) that the New Lender will assume the same obligations to the other Finance Parties and the other Secured Parties as it would have been under if it was an Original Lender;

(ii) the New Lender entering into the documentation required for it to accede as a party to the Intercreditor Agreement; and

(iii) performance by the Agent of all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to such assignment to a New Lender, the completion of which the Agent shall promptly notify to the Existing Lender and the New Lender.

(f) A transfer will only be effective if the procedure set out in Clause 25.5 (*Procedure for transfer*) is complied with and the New Lender enters into the documentation required for it to accede as a party to the Intercreditor Agreement.

(g) An Existing Lender may not assign or transfer any or all of its rights or obligations under the Finance Documents or change its Facility Office if such assignment or transfer would give rise to a requirement to prepay any Loan (or any part thereof) or cancel any Commitment (or any part thereof) pursuant to Clause 8.1 (*Illegality*) in relation to the New Lender or such Existing Lender acting through the new Facility Office.

(h) If:

(i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office; and

(ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, an Obligor would be obliged to make a payment to the New Lender or Lender acting through its new Facility Office under Clause 15 (*Tax gross-up and indemnities*) or Clause 16 (*Increased Costs*),

then the New Lender or Lender acting through its new Facility Office is only entitled to receive payment under those Clauses to the same extent as the Existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred.

(i) Each New Lender, by executing the relevant Transfer Certificate or Assignment Agreement and Lender Accession Undertaking, confirms, for the avoidance of doubt, that the Agent has authority to execute on its behalf any amendment or waiver that has been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement on or prior to the date on which the transfer or assignment becomes effective in accordance with this Agreement and that it is bound by that decision to the same extent as the Existing Lender would have been had it remained a Lender

(j) If an Existing Lender assigns or transfers any of its rights or obligations under the Finance Documents to a New Lender, (A) such Existing Lender shall (unless agreed with such New Lender) bear its own fees, costs and expenses in connection with, or resulting from, such assignment or transfer (including any legal fees, taxes, notarial and security registration or perfection fees) and (B) no Obligor or any member of the Group will be required to pay to or for the account of such New Lender, or reimburse or indemnify such New Lender for, any fees, costs, Taxes, expenses, indemnity payments, Tax Payments, Increased Costs or other payments under a Finance Document in excess of what that Obligor would have been required to pay to such Existing Lender immediately prior to such transfer or assignment being effected, *provided that*, notwithstanding the foregoing:

(i) the Borrower shall pay such New Lender in full any amount expressed to be payable by it to such New Lender under Clause 19.4 (*Enforcement and preservation costs*); and

(ii) in respect of costs, fees and expenses only, the amount thereof payable or reimbursable shall be calculated by reference to the amount of such costs, fees and expenses which such Obligor is able to demonstrate it would have been required to pay to such Existing Lender immediately prior to such transfer or assignment being effected.

(k) The Agent shall, promptly upon request from the Borrower, provide to the Borrower information in reasonable detail regarding the identities and participations of each of the Lenders.

(l) An Existing Lender will enter into a Confidentiality Undertaking with any potential New Lender (that is not already a Lender) prior to providing such New Lender with any information about the Finance Documents or the Group. This Confidentiality Undertaking may be amended, if necessary, to ensure that it is capable of being relied upon by the Borrower without requiring its signature, and may not be materially amended without the consent of the Borrower. A copy of that Confidentiality Undertaking must be provided to the Borrower promptly after being entered into.

**25.3 Assignment or transfer fee**

Unless the Agent otherwise agrees and excluding an assignment or transfer (i) to an Affiliate of a Lender or (ii) to a Related Fund, the New Lender shall, on the date upon which an assignment, transfer or accession takes effect, pay to the Agent (for its own account) a fee of US$3,500 in respect of any New Lender.

**25.4 Limitation of responsibility of Existing Lenders**

(a) Unless expressly agreed to the contrary, an Existing Lender makes no representation or warranty and assumes no responsibility to a New Lender for:

(i) the legality, validity, effectiveness, adequacy or enforceability of the Transaction Documents, the Transaction Security or any other documents;

(ii) the financial condition or other circumstances of the Site or the Phase II Project, any Obligor or any other person;

(iii) the performance and observance by any Obligor or any other person of its obligations under the Transaction Documents or any other documents; or

(iv) the accuracy of any statements (whether written or oral) made in or in connection with any Transaction Document or any other document,

and any representations or warranties implied by law are excluded.

(b) Each New Lender confirms to the Existing Lender, the other Finance Parties and the Secured Parties that it:

(i) has made (and shall continue to make) its own independent investigation and assessment of the financial and other condition, circumstances and affairs of the Site and the Phase II Project, each Obligor and its related entities in connection with its participation in this Agreement and has not relied exclusively on any information provided to it by the Existing Lender or any other Finance Party in connection with any Transaction Document or the Transaction Security; and

(ii) will continue to make its own independent appraisal of the creditworthiness of each Obligor and its related entities whilst any amount is or may be outstanding under the Finance Documents or any Commitment is in force.

(c) Nothing in any Finance Document obliges an Existing Lender to:

(i) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred under this Clause 25; or

(ii) support any losses directly or indirectly incurred by the New Lender by reason of the non-performance by any Obligor of its obligations under the Transaction Documents or otherwise.

**25.5 Procedure for transfer**

(a) Subject to the conditions set out in Clause 25.2 (*Conditions of assignment or transfer*) a transfer is effected in accordance with paragraph (c) below when the Agent executes an otherwise duly completed Transfer Certificate delivered to it by the Existing Lender and the New Lender. The Agent shall, subject to paragraph (b) below, as soon as reasonably practicable after receipt by it of a duly completed Transfer Certificate appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Transfer Certificate.

(b) The Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary "know your customer" or other similar other checks under all applicable laws and regulations in relation to the transfer to such New Lender.

(c) On the Transfer Date:

(i) to the extent that in the Transfer Certificate the Existing Lender seeks to transfer by novation its rights and obligations under the Finance Documents and in respect of the Transaction Security, each of the Obligors and the Existing Lender shall be released from further obligations towards one another under the Finance Documents and in respect of the Transaction Security and their respective rights against one another under the Finance Documents and in respect of the Transaction Security shall be cancelled (being the "**Discharged Rights and Obligations**");

(ii) each of the Obligors and the New Lender shall assume obligations towards one another and/or acquire rights against one another which differ from the Discharged Rights and Obligations only insofar as that Obligor or other member of the Group and the New Lender have assumed and/or acquired the same in place of that Obligor and the Existing Lender;

(iii) the Agent, the Common Security Agent, the POA Agent, the New Lender and the other Lenders shall acquire the same rights and assume the same obligations between themselves and in respect of the Transaction Security as they would have acquired and assumed had the New Lender been an Original Lender with the rights, and/or obligations acquired or assumed by it as a result of the transfer and to that extent the Agent, the Common Security Agent, the POA Agent and the Existing Lender shall each be released from further obligations to each other under the Finance Documents; and

(iv) the New Lender shall become a Party as a "Lender".

### 25.6 Procedure for assignment

(a) Subject to the conditions set out in Clause 25.2 (*Conditions of assignment or transfer*) an assignment may be effected in accordance with paragraph (c) below when the Agent executes an otherwise duly completed Assignment Agreement and Lender Accession Undertaking delivered to it by the Existing Lender and the New Lender.The Agent shall, subject to paragraph (d) below, as soon as reasonably practicable after receipt by it of a duly completed Assignment Agreement and Lender Accession Undertaking appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Assignment Agreement and Lender Accession Undertaking.

(b) The Agent shall only be obliged to execute an Assignment Agreement and Lender Accession Undertaking delivered to it by the Existing Lender and the New Lender upon its completion of all "know your customer" or other checks relating to any person that it is required to carry out in relation to the assignment to such New Lender.

(c) On the Transfer Date:

(i) the Existing Lender will assign absolutely to the New Lender its rights under the Finance Documents and in respect of the Transaction Security expressed to be the subject of the assignment in the Assignment Agreement and Lender Accession Undertaking;

(ii) the Existing Lender will be released from the obligations (the "**Relevant Obligations**") expressed to be the subject of the release in the Assignment Agreement and Lender Accession Undertaking (and any corresponding obligations by which it is bound in respect of the Transaction Security); and

(iii) the New Lender shall become a Party as a "Lender" and will be bound by obligations equivalent to the Relevant Obligations.

(d) Lenders may utilise procedures other than those set out in this Clause 25.6 to assign their rights under the Finance Documents, *provided that* they comply with the conditions set out in Clause 25.2 (*Conditions of assignment or transfer*).

(e) The procedure set out in this Clause 25.6 shall not apply to any right or obligation under any Finance Document (other than this Agreement) if and to the extent its terms, or any laws or regulations applicable thereto, provide for or require a different means of assignment of such right or release or assumption of such obligation or prohibit or restrict any assignment of such right or release or assumption of such obligation, unless such prohibition or restriction shall not be applicable to the relevant assignment, release or assumption or each condition of any applicable restriction shall have been satisfied.

### 25.7 Copy of assignments, transfer and accession documents to the Borrower and Parent

The Agent shall, as soon as reasonably practicable after it has executed a Transfer Certificate or an Assignment Agreement and Lender Accession Undertaking, send to the Borrower and the Parent a copy of that Transfer Certificate or Assignment Agreement and Lender Accession Undertaking.

### 25.8 Security interests over Lenders' rights

In addition to the other rights provided to Lenders under this Clause 25, each Lender may without consulting with or obtaining consent from any Obligor, at any time charge, assign or otherwise create Security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including, without limitation:

(a) any charge, assignment or other Security to secure obligations to a federal reserve or central bank; and

(b) in the case of any Lender which is a fund, any charge, assignment or other Security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,

except that no such charge, assignment or other Security shall:

(i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or other Security for the Lender as a party to any of the Finance Documents; or

(ii) require any payments to be made by an Obligor or grant to any person any more extensive rights than those required to be made or granted to the relevant Lender under the Finance Documents.

### 25.9 Exclusion of Agent's liability

In relation to any assignment or transfer pursuant to this Clause 25, each Party acknowledges and agrees that the Agent shall not be obliged to enquire as to the accuracy of any representation or warranty made by a New Lender in respect of its eligibility as a Lender.

### 26.1 Prohibition on Debt Purchase Transactions by the Group

The Parent and Borrower shall not and shall procure that each other member of the Group shall not may (i) enter into any Debt Purchase Transaction or (ii) beneficially own all or any part of the share capital of a company that is a Lender or a party to a Debt Purchase Transaction of the type referred to in paragraphs (b) or (c) of the definition of "Debt Purchase Transaction".

(A) the Majority Lenders; or

(B) whether:

(1) any given percentage (other than in relation to decisions requiring the consent of all of the Lenders) of the Total Commitments; or

(2) the agreement of any specified group of Lenders (other than in relation to decisions requiring the consent of all of the Lenders),

has been obtained to approve any request for a consent, waiver, amendment or other vote under the Finance Documents,

such Commitment shall be deemed to be zero and such Sponsor Affiliate or the person with whom it has entered into such sub-participation, other agreement or arrangement shall be deemed not to be a Lender for the purposes of paragraphs (A) and (B) above (unless in the case of a person not being a Sponsor Affiliate it is a Lender by virtue otherwise than by beneficially owning the relevant Commitment), *provided that* such consent, waiver, amendment or other vote is not materially detrimental (in comparison to the other Lenders) to the rights and/or interests of that Sponsor Affiliate solely in its capacity as a Lender (and, for the avoidance of doubt, excluding its interests as a holder of equity in the Borrower (whether directly or indirectly)), and each Sponsor Affiliate upon becoming a Party expressly agrees and acknowledges that the operation of this Clause 26.2 shall not of itself be so detrimental to it in comparison to the other Lenders or otherwise; and

(b) Each Lender shall, unless such Debt Purchase Transaction is an assignment or transfer, promptly notify the Agent in writing if it knowingly enters into a Debt Purchase Transaction with a Sponsor Affiliate (a "**Notifiable Debt Purchase Transaction**"), such notification to be substantially in the form set out in Part 1 of Schedule 8 (*Forms of Notifiable Debt Purchase Transaction Notice*). A Lender shall promptly notify the Agent if a Notifiable Debt Purchase Transaction to which it is a party:

(i) is terminated; or

(ii) ceases to be with a Sponsor Affiliate,

such notification to be substantially in the form set out in Part 2 of Schedule 8 (*Forms of Notifiable Debt Purchase Transaction Notice*)).

(c) Each Sponsor Affiliate that is a Lender agrees that:

(ii) in its capacity as Lender, unless the Agent otherwise agrees, it shall not be entitled to receive any report or other document prepared at the behest of, or on the instructions of, the Agent or one or more of the Lenders, in each case, unless the Agent otherwise agrees or it relates to matters in which the Sponsor Affiliate is entitled to vote in accordance with this Clause 26.

## 27. Changes to the Obligors

### 27.1 Assignment and transfers by Obligors

No Obligor may assign any of its rights or transfer any of its rights or obligations under the Finance Documents.

### 27.2 Additional Guarantors

(a) Subject to compliance with the provisions of paragraphs (c) and (d) of Clause 22.10 ("*Know your customer*" *checks*), the Borrower may request that any of its wholly owned Subsidiaries become an Additional Guarantor.

(b) The Borrower shall procure that any other member of the Group shall, as soon as possible after becoming a member of the Group, become an Additional Guarantor and grant such Security as the Agent may require.

(c) A member of the Group shall become an Additional Guarantor if:

(i) the Borrower and the proposed Additional Guarantor deliver to the Agent a duly completed and executed Accession Letter; and

(e) The Lenders authorise the Agent to give the notification described in paragraph (d) above. The Agent shall not be liable for any damages, costs or losses whatsoever as a result of giving any such notification.

### 27.3 Repetition of representations

Delivery of an Accession Letter constitutes confirmation by the relevant Subsidiary that the representations and warranties referred to in paragraph (d) of Clause 21.1 (*Times when representations made*) are true and correct in relation to it as at the date of delivery as if made by reference to the facts and circumstances then existing.

### 27.4 Resignation of a Guarantor

(a) The Borrower may request that a Guarantor (other than the Parent or the Borrower) ceases to be a Guarantor by delivering to the Agent a Resignation Letter if:

(i) that Guarantor is being (or shares or equity interests in that Guarantor are being) disposed of (directly or indirectly) by way of a sale or disposal or reorganisation where such sale or disposal or reorganisation is expressly permitted under this Agreement or any other Finance Document in circumstances where that Guarantor ceases to be a Group Member, and the Borrower has confirmed to the Agent and the Intercreditor Agent that this is the case; or

(ii) the Lenders have consented to the resignation of that Guarantor.

(b) Subject to clause 25.17 (*Resignation of a Debtor*) of the Intercreditor Agreement, the Agent shall accept a Resignation Letter and notify the Borrower and the Lenders of its acceptance if:

(i) no Event of Default is continuing or would result from that Guarantor ceasing to be a Guarantor (and the Borrower has confirmed to the Agent and the Intercreditor Agent that this is the case); and

(ii) no payment is due from that Guarantor under Clause 20.1 (*Guarantee and indemnity*).

(c) Subject to paragraph (d) below, upon notification by the agent to the Borrower and the Lender of its acceptance of the resignation of the Guarantor, that entity shall cease to be a Guarantor and shall have no further rights or obligations under the Finance Documents as a Guarantor.

(d) The resignation of that Guarantor shall not be effective until the date of the relevant sale or disposal or reorganisation.

#### 28.2 Instructions

(a) The Agent shall:

(i) unless a contrary indication appears in a Finance Document, exercise or refrain from exercising any right, power, authority or discretion vested in it as Agent in accordance with any instructions given to it by all Lenders if the relevant Finance Document stipulates the matter is an all Lender decision and, otherwise, the Majority Lenders; and

(d) The Agent may refrain from acting in accordance with any instructions of any Lender (or group of Lenders) until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Finance Documents and which may include payment in advance) for any cost, loss or liability which it may incur in complying with those instructions.

(e) In the absence of instructions, the Agent may act (or refrain from acting) as it considers to be in the best interest of the Lenders.

(f) The Agent is not authorised to act on behalf of a Lender (without first obtaining that Lender’s consent) in any legal or arbitration proceedings relating to any Finance Document. (d) Except where a Finance Document specifically provides otherwise, the Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.

(e) If the Agent receives notice from a Party referring to this Agreement, describing a Default and stating that the circumstance described is a Default, it shall promptly notify the other Finance Parties.

(f) If the Agent is aware of the non-payment of any principal, interest, commitment fee or other fee payable to a Finance Party (other than the Agent, the Common Security Agent or the POA Agent) under this Agreement it shall promptly notify the other Finance Parties.

(g) The Agent shall have only those duties, obligations and responsibilities expressly specified in the Finance Documents to which it is expressed to be a party (and no others shall be implied.

### 28.4 No fiduciary duties

(a) Nothing in any Finance Document constitutes the Agent as a trustee or fiduciary of any other person.

(b) The Agent shall not be bound to account to any Lender for any sum or the profit element of any sum received by it for its own account.

### 28.5 Business with the Group

The Agent may accept deposits from, lend money to and generally engage in any kind of banking or other business with any member of the Group.

as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate; and

(iv) rely on any statement made or purportedly made by a director, authorised signatory or employee of any person regarding any matters which may reasonably be assumed to be within his knowledge or within his power to verify.

(i) no Default has occurred (unless it has actual knowledge of a Default arising under Clause 24 (*Events of Default*));

(ii) any right, power, authority or discretion vested in any Party or the Majority Lenders or any group of Lenders has not been exercised;

(iii) any notice or request made by the Borrower (other than a Utilisation Request or Selection Notice) is made on behalf of and with the consent and knowledge of all the Obligors; and

(iv) no Notifiable Debt Purchase Transaction:

(A) has been entered into;

(B) has been terminated; or

(C) has ceased to be with a Sponsor Affiliate.

(d) Without prejudice to the generality of paragraph (c) above, the Agent may at any time engage and pay for the services of any lawyers to act as independent counsel to the Agent (and so separate from any lawyers instructed by the Lenders) if the Agent in its reasonable opinion deems this to be desirable.

(e) The Agent may act in relation to the Finance Documents through its officers, employees and agents and the Agent shall not:

(i) be liable for any error of judgment made by any such person; or

(ii) be bound to supervise, or be in any way responsible for, any loss incurred by reason of misconduct, omission or default on the part of any such person,

(g) Without prejudice to the generality of paragraph (f) above, the Agent:

(i) Notwithstanding any other provision of any Finance Document to the contrary, the Agent may not disclose to any Finance Party any details of the rate notified to the Agent by any Lender or the identity of any such Lender for the purpose of paragraph (a)(ii) of clause 13.2 (*Market disruption*).

(j) Notwithstanding any provision of any Finance Document to the contrary, the Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

**28.7 Responsibility for documentation**

The Agent is and shall not be responsible for:

(a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Agent, an Obligor or any other person given in or in connection with any Finance Document or the transactions contemplated in the Finance Documents or the transactions contemplated in the Finance Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document;

(b) the legality, validity, effectiveness, adequacy or enforceability of any Finance Document or the Transaction Security or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Transaction Security; or

(c) any determination as to whether any information provided or to be provided to any Finance Party is non-public information the use of which may be regulated or prohibited by applicable law or regulation relating to insider dealing or otherwise.

## 28.8 No duty to monitor

(a) The Agent shall not be bound to enquire:

(i) whether or not any Default has occurred;

(ii) as to the performance, default or any breach by any Party of its obligations under any Finance Document; or

(iii) whether any other event specified in any Finance Document has occurred.

## 28.9 Exclusion of liability

(a) Without limiting paragraph (b) below (and without prejudice to any other provision of any Finance Document excluding or limiting the liability of the Agent), the Agent will not be liable (including, without limitation, for negligence or any other category of liability whatsoever) for:

(i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Finance Document or the Transaction Security, unless directly caused by its gross negligence or wilful misconduct;

(ii) exercising, or not exercising, any right, power, authority or discretion given to it by, or in connection with, any Finance Document, the Transaction Security or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Finance Document or the Transaction Security; or

(iii) without prejudice to the generality of paragraphs (i) and (ii) above, any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of:

(A) any act, event or circumstance not reasonably within its control; or

(B) the general risks of investment in, or the holding of assets in, any jurisdiction,

including (in each case and without limitation) such damages, costs, losses, diminution in value or liability arising as a result of: nationalisation, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets (including any Disruption Event); breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.

(b) No Party (other than the Agent) may take any proceedings against any officer, employee or agent of the Agent in respect of any claim it might have against the Agent or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Finance Document or any Transaction Document and any officer, employee or agent of the Agent may rely on this Clause subject to Clause 1.3 (*Third party rights*) and the provisions of the Third Parties Act.

(c) The Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Agent if the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.

(d) Nothing in this Agreement shall oblige the Agent to carry out (i) any "know your customer" or other checks in relation to any person or (ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Lender, on behalf of any Lender and each Lender confirms to the Agent that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Agent.

(e) Without prejudice to any provision of any Finance Document excluding or limiting the Agent's liability, any liability of the Agent arising under or in connection with any Finance Document or the Transaction Security shall be limited to the amount of actual loss which has been finally judicially determined to have been suffered (as determined by reference to the date of default of the Agent or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Agent at any time which increase the amount of that loss. In no event shall the Agent be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Agent has been advised of the possibility of such loss or damages

**28.10 Lenders' indemnity to the Agent**

(a) Each Lender shall (in the proportion that the Liabilities due to it bear to the aggregate of the Liabilities due to all the Lenders for the time being (or, if the Liabilities due to the Lenders are zero, immediately prior to their being reduced to zero)), indemnify the Agent, within three (3) Business Days of demand, against any cost, loss or liability (including, without limitation, for negligence or any other category of liability whatsoever) incurred by the Agent (otherwise than by reason of the Agent's gross negligence or wilful misconduct) (or, in the case of any cost, loss or liability pursuant to Clause 31.11 (*Disruption to payment systems, etc.*), notwithstanding the Agent's negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Agent in acting as Agent under the Finance Documents (unless the Agent has been reimbursed by an Obligor pursuant to a Finance Document),

(b) If the Borrower is required to reimburse or indemnify any Lender for any payment that Lender makes to the Agent pursuant to paragraph (a) above in accordance with the Finance Documents, the Borrower shall, within 10 Business Days of demand in writing by the relevant Lender, indemnify such Lender for the amount of such payment actually made pursuant to paragraph (a) above.

(c) Paragraph (b) above shall not apply to the extent that the indemnity payment in respect of which the Lender claims reimbursement relates to a liability of the Agent to an Obligor.

**28.11 Resignation of the Agent**

(a) The Agent may resign and appoint one of its Affiliates acting through an office in Hong Kong or Macau as successor by giving notice to the Lenders and the Borrower.

(b) Alternatively the Agent may resign by giving notice to the Lenders and the Borrower, in which case the Majority Lenders (after consultation with the Borrower) may appoint a successor Agent.

(c) If the Majority Lenders have not appointed a successor Agent in accordance with paragraph (b) above within 30 days after notice of resignation was given, the Agent (after consultation with the Borrower) may appoint a successor Agent (acting through an office in Hong Kong or Macau).

(d) If the Agent wishes to resign because (acting reasonably) it has concluded that it is no longer appropriate for it to remain as agent and the Agent is entitled to appoint a successor Agent under paragraph (c) above, the Agent may (if it concludes (acting reasonably) that it is necessary to do so in order to persuade the proposed successor Agent to become a party to this Agreement as Agent) agree with the proposed successor Agent amendments to this Clause 28 and any other term of this Agreement dealing with the rights or obligations of the Agent consistent with then current market practice for the appointment and protection of corporate trustees

(e) The retiring Agent shall, at its own cost, make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents.

(f) The Agent's resignation notice shall only take effect upon the appointment of a successor in accordance with the Finance Documents (including such successor's accession to the Intercreditor Agreement in the capacity as Agent).

(g) Upon the appointment of a successor, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (e) above) but shall remain entitled to the benefit of Clause 17.3 (*Indemnity to the Agent*) and this Clause 28 (and any agency fees for the account of the retiring Agent shall cease to accrue from (and shall be payable on) that date). Its successor and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.

(h) The Agent shall resign in accordance with paragraph (b) above (and, to the extent applicable, shall use reasonable endeavours to appoint a successor Agent pursuant to paragraph (b) above) if on or after the date which is three months before the earliest FATCA Application Date relating to any payment to the Agent under the Finance Documents, either:

(i) the Agent fails to respond to a request under Clause 15.8 (*FATCA Information*) and the Borrower or a Lender reasonably believes that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;

(ii) the information supplied by the Agent pursuant to Clause 15.8 (*FATCA Information*) indicates that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date; or

(iii) the Agent notifies the Borrower and the Lenders that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;

and (in each case) the Borrower or a Lender reasonably believes that a Party will be required to make a FATCA Deduction that would not be required if the Agent were a FATCA Exempt Party, and the Borrower or that Lender, by notice to the Agent, requires it to resign.

### 28.12 Replacement of the Agent

(a) After consultation with the Borrower, the Majority Lenders may, by giving 30 days' notice to the Agent (or, at any time the Agent is an Impaired Agent, by giving any shorter notice determined by the Majority Lenders) replace the Agent by appointing a successor Agent (acting through an office in Hong Kong or Macau).

(b) The retiring Agent shall (at its own cost if it is an Impaired Agent and otherwise at the expense of the Lenders) make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents.

(c) The appointment of the successor Agent shall take effect on the date specified in the notice from the Majority Lenders to the retiring Agent (or, if later, on its accession to the Intercreditor Agreement in the capacity as Agent). As from this date, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (b) above) but shall remain entitled to the benefit of Clause 17.3 (*Indemnity to the Agent*) and this Clause 28 (and any agency fees for the account of the retiring Agent shall cease to accrue from (and shall be payable on) that date).

(d) Any successor Agent and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.

### 28.13 Confidentiality

(a) In acting as agent for the Finance Parties, the Agent shall be regarded as acting through its agency division which shall be treated as a separate entity from any other of its divisions or departments.

(b) If information is received by another division or department of the Agent, it may be treated as confidential to that division or department and the Agent shall not be deemed to have notice of it.

(c) Notwithstanding any other provision of any Finance Document to the contrary, the Agent shall not be obliged to disclose to any other person (i) any confidential information or (ii) any other information if the disclosure would or might in its reasonable opinion constitute a breach of any law or a breach of a fiduciary duty.

(d) The Agent shall not be obliged to disclose to any Finance Party any information supplied to it by the Borrower or any Affiliates of the Borrower on a confidential basis and for the purpose of evaluating whether any waiver or amendment is or may be required or desirable in relation to any Finance Document.

### 28.14 Relationship with the Lenders

(a) The Agent may treat each person shown in its records as a Lender at the opening of business (in the place of the Agent's principal office as notified to the Finance Parties from time to time) as the Lender acting through its Facility Office:

(i) entitled to or liable for any payment due under any Finance Document on that day; and

(ii) entitled to receive and act upon any notice, request, document or communication or make any decision or determination under any Finance Document made or delivered on that day,

unless it has received not less than five (5) Business Days prior notice from that Lender to the contrary in accordance with the terms of this Agreement.

(b) Each Lender shall supply the Agent with any information that the Intercreditor Agent or Common Security Agent may reasonably specify (through the Agent) as being necessary or desirable to enable the Intercreditor Agent or Common Security Agent (as applicable) to perform its functions as Intercreditor Agent or Common Security Agent (as applicable). Each Lender shall deal with the Intercreditor Agent and the Common Security Agent exclusively through the Agent and shall not deal directly with the Intercreditor Agent or the Common Security Agent.

(c) Each Lender may by notice to the Agent appoint a person to receive on its behalf all notices, communications, information and documents to be made or despatched to that Lender under the Finance Documents. Such notice shall contain the address, fax number and (where communication by electronic mail or other electronic means is permitted under Clause 33.6 (*Electronic communication*)) electronic mail address and/or any other information required to enable the sending and receipt of information by that means (and, in each case, the department or officer, if any, for whose attention communication is to be made) and be treated as a notification of a substitute address, fax number, electronic mail address, department and officer by that Lender for the purposes of Clause 33.2 (*Addresses*) and paragraph (a)(ii) of Clause 33.6 (*Electronic communication*) and the Agent shall be entitled to treat such person as the person entitled to receive all such notices, communications, information and documents as though that person were that Lender.

**28.15 Credit appraisal by the Lenders**

Without affecting the responsibility of any Obligor for information supplied by it or on its behalf in connection with any Finance Document, each Lender confirms to the Agent that it has been, and will continue to be, solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with any Finance Document including but not limited to:

(a) the financial condition, status and nature of each member of the Group;

(b) the legality, validity, effectiveness, adequacy or enforceability of any Finance Document and the Transaction Security and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Transaction Security;

(c) whether that Secured Party has recourse, and the nature and extent of that recourse, against any Party or any of its respective assets under or in connection with any Finance Document, the Transaction Security or the transactions contemplated by the Finance Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Transaction Security;

(d) the adequacy, accuracy and/or completeness any information provided by the Agent, the Common Security Agent, any Party or by any other person under or in connection with any Finance Document, the transactions contemplated by any Finance Document or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document; and

(e) the right or title of any person in or to, or the value or sufficiency of any part of the Charged Property, the priority of any of the Transaction Security or the existence of any Security affecting the Charged Property.

**28.16 Reference Banks**

The Agent may at any time and from time to time (in consultation with the Borrower) appoint any Lender or an Affiliate of a Lender to replace any Reference Bank that is not (or which is not an Affiliate of) a Lender.

**28.17 Agent's management time**

(a) Any amount payable to the Agent under Clause 17.3 (*Indemnity to the Agent*), Clause 19 (*Costs and expenses*) and Clause 28.10 (*Lenders' indemnity to the Agent*) shall include the cost of utilising the Agent's management time or other resources and will be calculated on the basis of such reasonable daily or hourly rates as the Agent may notify to the Borrower and the Lenders, and is in addition to any fee paid or payable to the Agent under Clause 14 (*Fees*).

(b) Any cost of utilising the Agent's management time or other resources shall include, without limitation, any such costs in connection with Clause 26.2 (*Disenfranchisement on Debt Purchase Transactions entered into by Sponsor Affiliates*).

**28.18 Deduction from amounts payable by the Agent**

If any Party owes an amount to the Agent under the Finance Documents the Agent may, after giving notice to that Party, deduct an amount not exceeding that amount from any payment to that Party which the Agent would otherwise be obliged to make under the Finance Documents and apply the amount deducted in or towards satisfaction of the amount owed. For the purposes of the Finance Documents that Party shall be regarded as having received any amount so deducted.

**28.19 Reliance and engagement letters**

Each Finance Party and Secured Party confirms that the Agent has authority to accept on its behalf and ratifies the acceptance on its behalf of any letters or reports already accepted by the Agent, the terms of any reliance letter or engagement letters relating to any reports or letters provided by any advisers in connection with the Finance Documents or the transactions contemplated in the Finance Documents and to bind it in respect of those reports or letters and to sign such letters on its behalf and further confirms that it accepts the terms and qualifications set out in such letters.

**28.20 Saving provision**

Notwithstanding anything expressly stated in or omitted from this Agreement, all residual rights and obligations (including in respect of any contingent liabilities) under any Finance Document of any person that was a Party to this Agreement in its capacity as Bookrunner Mandated Lead Arranger, Mandated Lead Arranger, Arranger, Senior Manager or Manager and which rights were not terminated, released, relinquished or otherwise did not expire on or before the 2016 Amendment and Restatement Effective Date (whether pursuant to the transactions contemplated in connection with the 2016 Amendment and Restatement Agreement or otherwise) continue and, as may be necessary, such person may rely on this Clause 28.20 subject to Clause 1.3 (*Third party rights*) and the provisions of the Third Parties Act.

## 29. Conduct of business by the Finance Parties

No provision of this Agreement will:

(a) interfere with the right of any Finance Party to arrange its affairs (tax or otherwise) in whatever manner it thinks fit;

(b) oblige any Finance Party to investigate or claim any credit, relief, remission or repayment available to it or the extent, order and manner of any claim;

(c) oblige any Finance Party to disclose any information relating to its affairs (tax or otherwise) or any computations in respect of Tax; or

(d) oblige any Finance Party to do or omit to do anything if it would, or might in its reasonable opinion, constitute a breach of any applicable anti-money laundering, economic or trade sanctions laws or regulations.

## 30. Sharing among the Finance Parties

### 30.1 Payments to Finance Parties

If a Finance Party (a "**Recovering Finance Party**") receives or recovers any amount from an Obligor other than in accordance with Clause 31 (*Payment mechanics*) and applies that amount to a payment due under the Finance Documents then:

(a) the Recovering Finance Party shall, within three (3) Business Days, notify details of the receipt or recovery, to the Agent;

(b) the Agent shall determine whether the receipt or recovery is in excess of the amount the Recovering Finance Party would have been paid had the receipt or recovery been received or made by the Agent and distributed in accordance with Clause 31 (*Payment mechanics*), without taking account of any Tax which would be imposed on the Agent in relation to the receipt, recovery or distribution; and

(c) the Recovering Finance Party shall, within three (3) Business Days of demand by the Agent, pay to the Agent an amount (the "**Sharing Payment**") equal to such receipt or recovery less any amount which the Agent determines may be retained by the Recovering Finance Party as its share of any payment to be made, in accordance with Clause 31.6 (*Partial payments*).

### 30.2 Redistribution of payments

The Agent shall treat the Sharing Payment as if it had been paid by the relevant Obligor and distribute it between the Finance Parties (other than the Recovering Finance Party) (the "**Sharing Finance Parties**") in accordance with Clause 31.6 (*Partial payments*) towards the obligations of that Obligor to the Sharing Finance Parties.

### 30.3 Recovering Finance Party's rights

(a) On a distribution by the Agent under Clause 30.2 (*Redistribution of payments*), the Recovering Finance Party will be subrogated to the rights of the Finance Parties which have shared in the redistribution.

(b) If and to the extent that the Recovering Finance Party is not able to rely on its rights under paragraph (a) above, the relevant Obligor shall be liable to the Recovering Finance Party for a debt equal to the Sharing Payment which is immediately due and payable.

**30.4 Reversal of redistribution**

If any part of the Sharing Payment received or recovered by a Recovering Finance Party becomes repayable and is repaid by that Recovering Finance Party, then:

(a) each Finance Party which has received a share of the relevant Sharing Payment pursuant to Clause 30.2 (*Redistribution of payments*) shall, upon request of the Agent, pay to the Agent for account of that Recovering Finance Party an amount equal to the appropriate part of its share of the Sharing Payment (together with an amount as is necessary to reimburse that Recovering Finance Party for its proportion of any interest on the Sharing Payment which that Recovering Finance Party is required to pay); and

(b) that Recovering Finance Party's rights of subrogation in respect of any reimbursement shall be cancelled and the relevant Obligor will be liable to the reimbursing Finance Party for the amount so reimbursed.

**30.5 Exceptions**

(a) This Clause 30 shall not apply to the extent that the Recovering Finance Party would not, after making any payment pursuant to this Clause, have a valid and enforceable claim against the relevant Obligor.

(b) A Recovering Finance Party is not obliged to share with any other Finance Party any amount which the Recovering Finance Party has received or recovered as a result of taking legal or arbitration proceedings, if:

(i) it notified the other Finance Party of the legal or arbitration proceedings; and

(ii) the other Finance Party had an opportunity to participate in those legal or arbitration proceedings but did not do so as soon as reasonably practicable having received notice and did not take separate legal or arbitration proceedings.

## SECTION 11
## ADMINISTRATION

### 31. Payment mechanics

### 31.1 Payments to the Agent

(a) On each date on which an Obligor or a Lender is required to make a payment under a Finance Document that Obligor or Lender shall make the same available to the Agent (unless a contrary indication appears in a Finance Document) for value on the due date or such other date at the time and in such funds specified by the Agent as being customary at the time for settlement of transactions in the relevant currency in the place of payment.

(b) In the case of payments to be made in Patacas, Hong Kong dollars or US dollars, payment shall be made to such account in the Macau SAR (or, if specified by way of written notice to the Parent and the Lenders by any successor to the Agent on or about the time of its becoming Agent, such other location as it shall select (acting reasonably)) with such bank as the Agent specifies.

(c) In the case of payments to be made in any other currency, payment shall be made to such account in the principal financial centre of the country of that currency (or, if specified by way of written notice to the Parent and the Lenders by any successor to the Agent on or about the time of its becoming Agent, such other location as it shall select (acting reasonably)) with such bank as the Agent specifies.

### 31.2 Distributions by the Agent

(a) Each payment received by the Agent under the Finance Documents for another Party shall, subject to Clause 31.3 (*Distributions to an Obligor*) and Clause 31.4 (*Clawback*) be made available by the Agent as soon as practicable after receipt to the Party entitled to receive payment in accordance with this Agreement (in the case of a Lender, for the account of its Facility Office), to such account as that Party may notify to the Agent by not less than five (5) Business Days' notice with a bank specified by that Party in the principal financial centre of the country of that currency (which, in the case of Hong Kong dollars is Hong Kong).

(b) The Agent shall distribute payments received by it in relation to all or any part of a Loan to the Lender indicated in the records of the Agent as being so entitled on that date, *provided that* the Agent is authorised to distribute payments to be made on the date on which any transfer becomes effective pursuant to Clause 25 (*Changes to the Lenders*) to the Lender so entitled immediately before such transfer took place regardless of the period to which such sums relate.

### 31.3 Distributions to an Obligor

The Agent may (with the consent of the Obligor or in accordance with Clause 32 (*Set off*)) apply any amount received by it for that Obligor in or towards payment (on the date and in the currency and funds of receipt) of any amount due from that Obligor under the Finance Documents or in or towards purchase of any amount of any currency to be so applied.

### 31.4 Clawback

(a) Where a sum is to be paid to the Agent under the Finance Documents for another Party, the Agent is not obliged to pay that sum to that other Party (or to enter into or perform any related exchange contract) until it has been able to establish to its satisfaction that it has actually received that sum.

(b) Unless paragraph (c) below applies, if the Agent pays an amount to another Party and it proves to be the case that the Agent had not actually received that amount, then the Party to whom that amount (or the proceeds of any related exchange contract) was paid by the Agent shall on demand refund the same to the Agent together with interest on that amount from the date of payment to the date of receipt by the Agent, calculated by the Agent to reflect its cost of funds.

(c) If the Agent has notified the Lenders that it is willing to make available amounts for the account of the Borrower before receiving funds from the Lenders then if and to the extent that the Agent does so but it proves to be the case that it does not then receive funds from a Lender in respect of a sum which it paid to the Borrower:

(i) the Agent shall notify the Borrower of that Lender's identity and the Borrower shall on demand refund it to the Agent; and

(ii) the Lender by whom those funds should have been made available or, if that Lender fails to do so in circumstances where the Borrower had requested that the Agent make available amounts for the account of the Borrower before receiving funds from the Lenders only, the Borrower, shall on demand pay to the Agent the amount (as certified by the Agent) which will indemnify the Agent against any funding cost incurred by it as a result of paying out that sum before receiving those funds from that Lender.

**31.5 Impaired Agent**

(a) If, at any time, the Agent becomes an Impaired Agent, an Obligor or a Lender which is required to make a payment under the Finance Documents to the Agent in accordance with Clause 31.1 (*Payments to the Agent*) may instead either:

(i) pay that amount direct to the required recipient(s); or

(ii) if, in its absolute discretion, it considers that it is not reasonably practicable to pay that amount direct to the required recipient(s), pay that amount or the relevant part of that amount to an interest-bearing account held with an Acceptable Bank within the meaning of paragraph (a) of the definition of "Acceptable Bank" and in relation to which no Insolvency Event has occurred and is continuing, in the name of the Obligor or the Lender making the payment (the "**Paying Party**") and designated as a trust account for the benefit of the Party or Parties beneficially entitled to that payment under the Finance Documents (the "**Recipient Party**" or "**Recipient Parties**").

In each case such payments must be made on the due date for payment under the Finance Documents.

(b) All interest accrued on the amount standing to the credit of the trust account shall be for the benefit of the Recipient Party or Recipient Parties *pro rata* to their respective entitlements.

(c) A Party which has made a payment in accordance with this Clause 31.5 shall be discharged of the relevant payment obligation under the Finance Documents and shall not take any credit risk with respect to the amounts standing to the credit of the trust account.

(d) Promptly upon the appointment of a successor Agent in accordance with Clause 28.12 (*Replacement of the Agent*), each Paying Party shall (other than to the extent that that Party has given an instruction pursuant to paragraph (e) below) give all requisite instructions to the bank with whom the trust account is held to transfer the amount (together with any accrued interest) to the successor Agent for distribution to the Recipient Party or Recipient Parties in accordance with Clause 31.2 (*Distributions by the Agent*).

(e) A Paying Party shall, promptly upon request by a Recipient Party and to the extent that:

(i) that it has not given an instruction pursuant to paragraph (d) above; and

(ii) that it has been provided with the necessary information by that Recipient Party,

give all requisite instructions to the bank with whom the trust account is held to transfer the relevant amount (together with any accrued interest) to that Recipient Party.

**31.6 Partial payments**

(a) If the Agent receives a payment for application against amounts due in respect of any Finance Documents that is insufficient to discharge all the amounts then due and payable by an Obligor under those Finance Documents, the Agent shall apply that payment towards the obligations of that Obligor under those Finance Documents in the following order:

(i) *firstly*, following the delivery of an Enforcement Notice, in payment of all costs and expenses incurred by or on behalf of the Agent, the Common Security Agent, the POA Agent or the Intercreditor Agent in connection with such enforcement or recovery and which have been certified, in writing, as having been incurred by the Agent, the Common Security Agent, the POA Agent or the Intercreditor Agent;

(ii) *secondly*, in or towards payment *pro rata* of any unpaid fees, costs and expenses of the Agent, the Common Security Agent, the POA Agent and the Intercreditor Agent under those Finance Documents;

(iii) *thirdly*, in payment *pro rata* of all amounts paid by any Secured Party under Clause 28.10 (*Lenders' indemnity to the Agent*) but which have not been reimbursed by the Borrower;

(iv) *fourthly*, in or towards payment *pro rata* of all accrued interest, costs, fees and expenses due and payable to the Lenders under the Finance Documents;

(v) *fifthly*, in or towards payment *pro rata* of:

(A) subject to clause 3.2 (*Rolled Loan – restrictions*) of the Intercreditor Agreement, any principal due and payable under the Term Loan Facility to the extent due and payable to the Lenders; and

(B) any principal due but unpaid under the Revolving Facility; and

(vi) *sixthly*, in or towards payment *pro rata* of any other sum due but unpaid under the Finance Documents.

(b) Subject to clause 3.2 (*Rolled Loan – restrictions*) of the Intercreditor Agreement, the Agent shall, if so directed by the Lenders, vary the order set out in paragraphs (a)(iii) to (vi) above.

(c) Paragraphs (a) and (b) above will override any appropriation made by an Obligor.

### 31.7 No set off by Obligors

All payments to be made by an Obligor under the Finance Documents shall be calculated and be made without (and free and clear of any deduction for) set off or counterclaim.

### 31.8 Business Days

(a) Any payment which is due to be made on a day that is not a Business Day shall be made on the next Business Day in the same calendar month (if there is one) or the preceding Business Day (if there is not).

(b) During any extension of the due date for payment of any principal or Unpaid Sum under this Agreement interest is payable on the principal or Unpaid Sum at the rate payable on the original due date.

### 31.9 Currency of account

(a) Subject to paragraphs (b) to (e) below, HK dollars is the currency of account and payment for any sum due from an Obligor under any Finance Document.

(b) A repayment of a Utilisation or Unpaid Sum or a part of a Utilisation or Unpaid Sum shall be made in the currency in which that Utilisation or Unpaid Sum is denominated on its due date.

(c) Each payment of interest shall be made in the currency in which the sum in respect of which the interest is payable was denominated when that interest accrued.

(d) Each payment in respect of costs, expenses or Taxes shall be made in the currency in which the costs, expenses or Taxes are incurred.

(e) Any amount expressed to be payable in a currency other than HK dollars shall be paid in that other currency.

### 31.10 Change of currency

(a) Unless otherwise prohibited by law, if more than one currency or currency unit are at the same time recognised by the central bank of any country as the lawful currency of that country, then:

 (i) any reference in the Finance Documents to, and any obligations arising under the Finance Documents in, the currency of that country shall be translated into, or paid in, the currency or currency unit of that country designated by the Agent (after consultation with the Borrower); and

 (ii) any translation from one currency or currency unit to another shall be at the official rate of exchange recognised by the central bank for the conversion of that currency or currency unit into the other, rounded up or down by the Agent (acting reasonably).

(b) If a change in any currency of a country occurs, this Agreement will, to the extent the Agent (acting reasonably and after consultation with the Borrower) specifies to be necessary, be amended to comply with any generally accepted conventions and market practice in the Relevant Interbank Market and otherwise to reflect the change in currency.

### 31.11 Disruption to payment systems, etc.

If the Agent determines (in its discretion) that a Disruption Event has occurred or the Agent is notified by the Borrower that a Disruption Event has occurred:

(a) the Agent may, and shall if requested to do so by the Borrower, consult with the Borrower with a view to agreeing with the Borrower such changes to the operation or administration of the Facilities as the Agent may deem necessary in the circumstances;

(b) the Agent shall not be obliged to consult with the Borrower in relation to any changes mentioned in paragraph (a) above if, in its opinion, it is not practicable to do so in the circumstances and, in any event, shall have no obligation to agree to such changes;

(c) the Agent may consult with the Finance Parties in relation to any changes mentioned in paragraph (a) above but shall not be obliged to do so if, in its opinion, it is not practicable to do so in the circumstances;

(d) any such changes agreed upon by the Agent and the Borrower shall (whether or not it is finally determined that a Disruption Event has occurred) be binding upon the Parties as an amendment to (or, as the case may be, waiver of) the terms of the Finance Documents notwithstanding the provisions of Clause 37 (*Amendments and waivers*);

(e) the Agent shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever (including, without limitation for negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Agent) arising as a result of its taking, or failing to take, any actions pursuant to or in connection with this Clause 31.11; and

(f) the Agent shall notify the Finance Parties of all changes agreed pursuant to paragraph (d) above.

## 32. Set off

Subject to the terms of Clause 30 (*Sharing among the Finance Parties*), a Finance Party may set off any matured obligation due from an Obligor under the Finance Documents (to the extent beneficially owned by that Finance Party) against any matured obligation owed by that Finance Party to that Obligor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Finance Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set off.

## 33. Notices

### 33.1 Communications in writing

Any communication to be made under or in connection with the Finance Documents shall be made in writing and, unless otherwise stated, may be made by fax or letter.

### 33.2 Addresses

The address and fax number (and the department or officer, if any, for whose attention the communication is to be made) of each Party for any communication or document to be made or delivered under or in connection with the Finance Documents is:

(a) in the case of the Borrower and each other Obligor that is a Party as at the 2016 Amendment and Restatement Date, that identified with its name in the signing pages to the Intercreditor Agreement;

(b) in the case of the Original Lender and the Agent, that identified with its name in the signing pages to the Intercreditor Agreement;

(c) in the case of the Common Security Agent and the POA Agent, that identified with its name in the signing pages to the Intercreditor Agreement; and

(d) in the case of each other Lender and each other Obligor, that notified in writing to the Agent on or prior to the date on which it becomes a Party,

or any substitute address, fax number or department or officer as the Party may notify to the Agent (or the Agent may notify to the other Parties, if a change is made by the Agent) by not less than 10 Business Days' notice.

**33.3 Delivery**

(a) Any communication or document made or delivered by one person to another under or in connection with the Finance Documents will only be effective:

(i) if by way of fax, when received in legible form; or

(ii) if by way of letter, when it has been left at the relevant address or five (5) Business Days after being deposited in the post postage prepaid in an envelope addressed to it at that address,

and, if a particular department or officer is specified as part of its address details provided under Clause 33.2 (*Addresses*), if addressed to that department or officer.

(b) Any communication or document to be made or delivered to the Agent, the POA Agent or the Common Security Agent will be effective only when actually received by the Agent, the POA Agent or Common Security Agent (as applicable) and then only if it is expressly marked for the attention of the department or officer identified with the Agent's, POA Agent's or Common Security Agent's signature in the 2016 Amendment and Restatement Agreement or Intercreditor Agreement (as applicable) (or any substitute department or officer as the Agent, the POA Agent or Common Security Agent (as applicable) shall specify for this purpose).

(c) All notices from or to an Obligor shall be sent through the Agent.

(d) Any communication or document made or delivered to the Borrower in accordance with this Clause 33.3 will be deemed to have been made or delivered to each of the Obligors.

**33.4 Notification of address and fax number**

Promptly upon changing its own address or fax number, the Agent shall notify the other Parties.

**33.5 Communication when Agent is Impaired Agent**

If the Agent is an Impaired Agent the Parties may, instead of communicating with each other through the Agent, communicate with each other directly and (while the Agent is an Impaired Agent) all the provisions of the Finance Documents which require communications to be made or notices to be given to or by the Agent shall be varied so that communications may be made and notices given to or by the relevant Parties directly. This provision shall not operate after a replacement Agent has been appointed.

**33.6 Electronic communication**

(a) Any communication to be made between the Agent, the POA Agent or the Common Security Agent and a Lender under or in connection with the Finance Documents may be made by electronic mail or other electronic means, if the Agent, the POA Agent, the Common Security Agent (as applicable) and the relevant Lender:

(i) agree that, unless and until notified to the contrary, this is to be an accepted form of communication;

(ii) notify each other in writing of their electronic mail address and/or any other information required to enable the sending and receipt of information by that means; and

(iii) notify each other of any change to their address or any other such information supplied by them.

(b) Any electronic communication made between the Agent and a Lender, the POA Agent or the Common Security Agent will be effective only when actually received in readable form and in the case of any electronic communication made by a Lender to the Agent, the POA Agent or the Common Security Agent only if it is addressed in such a manner as the Agent, the POA Agent or Common Security Agent (as applicable) shall specify for this purpose.

(c) Notwithstanding the foregoing, each Party hereto agrees that the Agent may make information, documents and other materials that any Obligor is obligated to furnish to the Agent pursuant to the Finance Documents (together, "**Communications**") available to any Finance Party by posting the Communications on IntraLinks or another relevant website, if any, to which such Finance Party has access (whether a commercial, third-party website or whether sponsored by the Agent) (the "**Platform**"). Nothing in this Clause 33.6 shall prejudice the right of the Agent to make the Communications available to any Finance Party in any other manner specified in this Agreement or any other Finance Documents.

(d) Each Finance Party agrees that e-mail notice to it (at the address provided pursuant to the next sentence and deemed delivered as provided in the next paragraph) specifying that Communications have been posted to the Platform shall constitute effective delivery of such Communications to such Finance Party for purposes of this Agreement and the other Finance Documents. Each Finance Party agrees:

(i) to notify the Agent in writing (including by electronic communication) from time to time to ensure that the Agent has on record an effective e-mail address for such Finance Party to which the foregoing notice may be sent by electronic transmission; and

(ii) that the foregoing notice may be sent to such e-mail address.

(e) Notwithstanding paragraph (f) below, each Party hereto agrees that any electronic communication referred to in this Clause 33.6 shall be deemed delivered upon the posting of a record of such communication (properly addressed to such party at the e-mail address provided to the Agent) as "sent" in the e-mail system of the sending party or, in the case of any such communication to the Agent, upon the posting of a record of such communication as "received" in the e-mail system of the Agent; *provided that* if such communication is not so received by a Finance Party in the place of receipt on a Business day or is not so received by a Finance Party on before 5.00 pm in the place of receipt on a Business Day, such communication shall be deemed delivered at the opening of business on the next Business Day for that Finance Party.

(f) Each Party hereto acknowledges that:

(i) the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution;

(ii) the Communications and the Platform are provided "as is" and "as available";

(iii) none of the Agent, its affiliates nor any of their respective officers, directors, employees, agents, advisors or representatives (collectively, the "**Agency Parties**") warrants the adequacy, accuracy or completeness of the Communications or the Platform, and each Agency Party expressly disclaims liability for errors or omissions in any Communications or the Platform; and

(iv) no representation or warranty of any kind, express, implied or statutory, including any representation or warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by any Agency Party in connection with any Communications or the Platform.

(g) Each Obligor hereby acknowledges that from time to time certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to MPEL, any of its Subsidiaries or their respective securities) (each, a "**Public Lender**"). Each Obligor hereby agrees that:

Notwithstanding any other provision of this Section 4, the maximum amount of Indebtedness that the Parent Guarantor or any Restricted Subsidiary of the Parent Guarantor may Incur pursuant to this Section 4 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

(e) Further, for purposes of determining compliance with this covenant, to the extent the Parent Guarantor or any of its Restricted Subsidiaries (including the Company) guarantees Indebtedness of a direct or indirect parent entity to the extent otherwise permitted by this covenant, the on-loan by such direct or indirect parent entity to the Parent Guarantor or any of its Restricted Subsidiaries of all or a portion of the principal amount of such Indebtedness will not be double counted.

(f) The amount of any Indebtedness outstanding as of any date will be:

(i) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;

(ii) the principal amount of the Indebtedness, in the case of any other Indebtedness; and

(ii) to acquire all or substantially all of the assets of another Permitted Business, or any Capital Stock of, a Person undertaking another Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of the Parent Guarantor; *provided that* (A) such acquisition funded with any proceeds from an Event of Loss occurs within the date that is 545 days after receipt of the Net Proceeds from the relevant Event of Loss to the extent that a binding agreement to acquire such assets or Capital Stock is entered into on or prior to the date that is 360 days after receipt of the Net Proceeds from the relevant Event of Loss, and (B) if such acquisition is not consummated within the period set forth in clause (A), the Net Proceeds not so applied will be deemed to be Excess Proceeds;

(iii) to make a capital expenditure; *provided that* any such capital expenditure funded with any proceeds from an Event of Loss occurs within the date that is 545 days after receipt of the Net Proceeds from the relevant Event of Loss to the extent that a binding agreement to make such capital expenditure is entered into on or prior to the date that is 360 days after receipt of the Net Proceeds from the relevant Event of Loss; or

or enter into a binding commitment regarding clauses (ii), (iii) or (iv) above (in addition to the binding commitments expressly referenced in those clauses); *provided that* such binding commitment shall be treated as a permitted application of Net Proceeds from the date of such commitment until the earlier of (x) the date on which such acquisition or expenditure is consummated and (y) the 180th day following the expiration of the aforementioned 360-day period. To the extent such acquisition or expenditure is not consummated on or before such 180th day and the Company, the Parent Guarantor or such Restricted Subsidiary shall not have applied such Net Proceeds pursuant to clauses (ii), (iii) or (iv) above on or before such 180th day, such commitment shall be deemed not to have been a permitted application of Net Proceeds, and such Net Proceeds will constitute Excess Proceeds.

(c) Pending the final application of any Net Proceeds, the Company may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Agreement.

(d) If the aggregate amount of Excess Proceeds exceeds US$5.0 million, the Company shall make an Asset Sale Offer to all holders of the Senior Secured 2019 Notes, the Senior Secured 2021 Notes and all holders of other Indebtedness that is *pari passu* with the Facilities Liabilities and secured by the Collateral containing provisions similar to those set forth in the Senior Secured 2019 Note Indenture and the Senior Secured 2021 Note Indenture with respect to offers to prepay or purchase or redeem with the proceeds of sales of assets to purchase the maximum principal amount of such *pari passu* Indebtedness that may be purchased out of the Excess Proceeds and comply with the terms and conditions of the Senior Secured 2019 Note Indenture, the Senior Secured 2021 Note Indenture and such provisions in respect of other pari passu Indebtedness in respect of such Excess Proceeds and comply with Clause 23.15 (*Notes Repurchase condition*) of this Agreement in connection with the same.

(i) the Affiliate Transaction is on terms that are no less favorable to the Company, the Parent Guarantor or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company, the Parent Guarantor or such Restricted Subsidiary with a Person that is not an Affiliate of the Parent Guarantor or the Company; and

(ii) the Parent Guarantor delivers to the Agent:

(A) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US$30.0 million, a resolution of the Board of Directors of the Parent Guarantor set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with this Section 6(a) and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of the Parent Guarantor or, if the Board of Directors of the Parent Guarantor has no disinterested directors, approved in good faith by a majority of the members (or in the case of a single member, the sole member) of the Board of Directors of the Parent Guarantor; and

(B) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US$45.0 million, an opinion as to the fairness to the Parent Guarantor or such Restricted Subsidiary of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of international standing, or other recognized independent expert of national standing with experience appraising the terms and conditions of the type of transaction or series of related transactions.

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 6(a) hereof:

(i) any employment agreement, employee benefit plan (including compensation, retirement, disability, severance and other similar plan), officer or director indemnification, stock option or incentive plan or agreement, employee equity subscription agreement or any similar arrangement entered into by the Parent Guarantor or any of its Restricted Subsidiaries in the ordinary course of business and payments pursuant thereto;

(x) (A) transactions or arrangements under, pursuant to or in connection with the Services and Right to Use Agreement, the Reinvestment Agreement or the MSA, including any amendments, modifications, supplements, extensions, replacements, terminations or renewals thereof (so long as the Services and Right to Use Agreement and the Reinvestment Agreement, taken as a whole, or the MSA, respectively, together with all such amendments, modifications, supplements, extensions, replacements, terminations and renewals, taken as a whole, is not materially more disadvantageous to the Parent Guarantor and its Restricted Subsidiaries, taken as a whole, than the Services and Right to Use Agreement and the Reinvestment Agreement, taken as a whole, or the MSA, respectively, as in effect on the 2016 Amendment and Restatement Effective Date or, as determined in good faith by the Board of Directors of the Parent Guarantor, does not have and would not reasonably be expected to have a Material Adverse Effect under paragraph (b) of the definition of "Material Adverse Effect" only) and (B) other than with respect to transactions or arrangements subject to clause (A) above, transactions or arrangements with customers, clients, suppliers or sellers of goods or services in the ordinary course of business, on terms that are fair to the Parent Guarantor or any of its Restricted Subsidiaries, as applicable, or are no less favorable than those that might reasonably have been obtained in a comparable transaction at such time on an arms-length basis from a Person that is not an Affiliate of the Parent Guarantor or the Company, in the case of each of (A) and (B), unless any such amendments, modifications, supplements, extensions, replacements, terminations or renewals are imposed by any Gaming Authority or any other public authority having jurisdiction over Melco Crown Macau, the Parent Guarantor or any of its Restricted Subsidiaries, including, but not limited to, the government of the Macau SAR;

7. Liens

The Parent Guarantor and the Company will not, and the Parent Guarantor will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind securing Indebtedness on any asset now owned or hereafter acquired or any proceeds, income or profits therefrom or assign or convey any right to receive income therefrom, except Permitted Liens, or, if such Lien is not a Permitted Lien, unless the Facilities Liabilities are secured on a *pari passu* basis with the obligations so secured until such time as such obligations are no longer secured by a Lien.

8. Business Activities

The Parent Guarantor and the Company will not, and the Parent Guarantor will not permit any of its Restricted Subsidiaries to, engage in any business other than Permitted Business, except to such extent as would not be material to the Parent Guarantor and its Restricted Subsidiaries (taken as a whole).

9. Corporate Existence

Subject to Section 13 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(a) its corporate existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Subsidiary; and

(b) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries; *provided*, however, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Subsidiaries, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Lenders.

10. Designation of Restricted and Unrestricted Subsidiaries

(a) The Board of Directors of the Parent Guarantor may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default; *provided that* in no event will the business currently operated by the Company, Studio City Developments Limited, Studio City Entertainment Limited or Studio City Hotels Limited be transferred to or held by an Unrestricted Subsidiary. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Parent Guarantor and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 2 hereof or under one or more clauses of the definition of Permitted Investments, as determined by the Parent Guarantor. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of the Parent Guarantor may re-designate any Unrestricted Subsidiary to be a Restricted Subsidiary if that re-designation would not cause a Default.

(b) Any designation of a Subsidiary of the Parent Guarantor as an Unrestricted Subsidiary will be evidenced to the Agent by filing with the Agent a certified copy of a resolution of the Board of Directors of the Parent Guarantor giving effect to such designation and an Officer's Certificate of the Parent Guarantor certifying that such designation complied with the preceding conditions and was permitted by Section 2 hereof. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Agreement and any Indebtedness of such Subsidiary will be deemed to be Incurred by a Restricted Subsidiary of the Parent Guarantor as of such date and, if such Indebtedness is not permitted to be Incurred as of such date under Section 4 hereof, Parent Guarantor and the Company will be in Default of such covenant. The Board of Directors of the Parent Guarantor may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Parent Guarantor; *provided that* such designation will be deemed to be an Incurrence of Indebtedness by a Restricted Subsidiary of the Parent Guarantor of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under Section 4 hereof, calculated on a *pro forma* basis as if such designation had occurred at the beginning of the reference period; and (2) no Default or Event of Default would be in existence following such designation. On such designation, the Parent Guarantor shall deliver an Officer's Certificate of the Parent Guarantor to the Agent regarding such designation and certifying that such designation complies with the preceding conditions and the relevant covenants under this Agreement.

11. Impairment of Security Interest

(a) Subject to clauses (b) and (c) below, the Parent Guarantor and the Company will not, and the Parent Guarantor will not cause or permit any of its Restricted Subsidiaries to, take or knowingly omit to take, any action which action or omission would have the result of materially impairing the security interest over any of the assets comprising the Collateral (it being understood that the incurrence of Liens on the Collateral permitted by the last paragraph of the definition of Permitted Liens shall under no circumstances be deemed to materially impair the security interest with respect to the Collateral), for the benefit of the Agent, the Intercreditor Agent, the Common Security Agent and the Lenders (including the priority thereof).

(b) Subject to the terms and conditions of the Intercreditor Agreement, at the request of the Parent Guarantor and without the consent of any Finance Party, the Agent may from time to time direct the Intercreditor Agent and/or the Common Security Agent (or direct the Intercreditor Agent to direct the Common Security Agent) to (and, acting on such direction the Intercreditor Agent and/or the Common Security Agent may, to the extent authorized and permitted by the Intercreditor Agreement) enter into one or more amendments to the Transaction Security Documents to: (i) cure any ambiguity, omission, defect or inconsistency therein; (ii) provide for any Permitted Liens; (iii) add to the Collateral or (iv) make any other change thereto that does not adversely affect the Lenders in any material respect; *provided*, however, that no Security Document may be amended, extended, renewed, restated, supplemented or otherwise modified or replaced, unless contemporaneously with such amendment, extension, renewal, restatement, supplement, modification or replacement, the Parent Guarantor delivers to the Agent, any of:

(i) a solvency opinion, in form satisfactory to the Agent, from an Independent Financial Advisor confirming the solvency of the Parent Guarantor and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement;

(ii) a customary certificate from the Board of Directors or chief financial officer of the Parent Guarantor (acting in good faith), confirming the solvency of the Person granting such Lien after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement; or

(iii) an opinion of counsel, in form satisfactory to the Agent confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, the Lien or Liens securing any of the Facilities Liabilities created under the Transaction Security Documents as so amended, extended, renewed, restated, supplemented, modified or replaced remain valid and perfected Liens not otherwise subject to any limitation, imperfection or new hardening period, in equity or at law, that such Lien or Liens were not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, supplement, modification, replacement or release and retaking.

(c) Nothing in this Section 11 will restrict and clause (b) above will not apply to (x) any release, amendment, extension, renewal, restatement, supplement, modification or replacement of any security interests in compliance with provisions of the Finance Documents governing the release of the Transaction Security or (y) any Permitted Land Concession Amendment.

(d) Subject to the terms and conditions of the Intercreditor Agreement, in the event that the Parent Guarantor complies with this Section 11, the Agent and/or the Common Security Agent, as applicable, shall (or, if applicable, shall direct the Intercreditor Agent to) (subject to customary protections and indemnifications) consent to such amendment, extension, renewal, restatement, supplement, modification, replacement or release with no need for instructions from any Finance Party; *provided* such amendments do not impose any personal obligations on the Agent and/or the Common Security Agent and/or the Intercreditor Agent or adversely affect the rights, duties, liabilities or immunities of the Agent and/or the Common Security Agent and/or the Intercreditor Agent under the Finance Documents.

12. Suspension of Covenants

(a) In this Section 12, "**Rated Liability**" means (i) any Financial Indebtedness outstanding under the Senior Secured 2019 Note Indenture, (ii) any Financial Indebtedness outstanding under the Senior Secured 2021 Note Indenture or (iii) any Financial Indebtedness outstanding under any other Pari Passu Debt Document in an aggregate principal amount of at least US$400,000,000 and that is rated by S&P or Moody's.

(b) The following covenants (the "**Suspended Covenants**") will not apply during any period during which all of the Rated Liabilities have an Investment Grade Status (a "**Suspension Period**"): Sections 2, 3, 4, 5, 6, 11 and (with respect to the Parent Guarantor and the Company) 13(a)(iii). Additionally, during any Suspension Period, neither the Parent Guarantor nor the Company will be permitted to designate any Restricted Subsidiary as an Unrestricted Subsidiary. For the avoidance of doubt, a Suspension Period will not apply if there are no Rated Liabilities.

(c) In the event that the Parent Guarantor and its Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of clause (b) above, and on any subsequent date (the "**Reversion Date**") any Rated Liability ceases to have Investment Grade Status (or there cease to be any Rated Liabilities), then the Suspended Covenants will apply with respect to events occurring following the Reversion Date (unless and until a Suspension Period applies again, in which case the Suspended Covenants will again be suspended for such time that there are Rated Liabilities and all of the Rated Liabilities have an Investment Grade Status); *provided*, however, that no Default or Event of Default will be deemed to exist under this Agreement with respect to the Suspended Covenants, and none of the Parent Guarantor, the Company or any of their respective Subsidiaries will bear any liability for any actions taken or events occurring during a Suspension Period and before any related Reversion Date, or any actions taken at any time pursuant to any contractual obligation or binding commitment arising prior to such Reversion Date, regardless of whether those actions or events would have been permitted if the applicable Suspended Covenant had remained in effect during such period. The Company shall notify the Agent should a Suspension Period commence; *provided that* such notification shall not be a condition for the suspension of the covenants set forth above to be effective.

(d) On each Reversion Date, all Indebtedness Incurred during the Suspension Period prior to such Reversion Date will be deemed to be Indebtedness existing on the 2016 Amendment and Restatement Effective Date. For purposes of calculating the amount available to be made as Restricted Payments under clause (iii) of Section 2(a) on or after the Reversion Date, calculations under such covenant shall be made as though such covenant had been in effect during the entire period of time after the 2016 Amendment and Restatement Effective Date (including the Suspension Period). Restricted Payments made during the Suspension Period not otherwise permitted pursuant to any of clauses (ii) through (vi) or (xviii) under Section 2(b) will reduce the amount available to be made as Restricted Payments under clause (iii) of Section 2(a); *provided that* the amount available to be made as Restricted Payments on the Reversion Date shall not be reduced to below zero solely as a result of such Restricted Payments. In addition, for purposes of the other Suspended Covenants, all agreements entered into and all actions taken during the Suspension Period, including, without limitation, the Incurrence of Indebtedness shall be deemed to have been taken or to have existed prior to the 2016 Amendment and Restatement Effective Date.

13. Merger, Consolidation, or Sale of Assets

(a) Neither the Parent Guarantor nor the Company will, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not the Parent Guarantor or the Company survives); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Parent Guarantor and its Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person unless:

(i) either:

(A) if the transaction or series of transactions is a consolidation of the Parent Guarantor or the Company with or a merger of the Parent Guarantor or the Company with or into any other Person, the Parent Guarantor or the Company, as the case may be, shall be the surviving entity of such merger or consolidation; or

(B) the Person formed by or surviving any such consolidation or merger (if other than the Parent Guarantor or the Company) or to which such sale, assignment, transfer, conveyance or other disposition has been made shall be a corporation organized and existing under the laws of the British Virgin Islands, Cayman Islands, Hong Kong, Macau, Singapore, United States, any state of the United States or the District of Columbia, and such Person shall expressly assume all the Obligations of the Parent Guarantor or the Company, as the case may be, under the Finance Documents pursuant to such accession documents or agreements that are reasonably satisfactory to the Agent, the Common Security Agent and the Intercreditor Agent, and in connection therewith shall cause such instruments to be filed and recorded in such jurisdictions and take such other actions as may be required by applicable law to perfect or continue the perfection of the Lien created under the Transaction Security Documents on the Collateral owned by or transferred to the surviving Person;

(ii) immediately after such transaction, no Default or Event of Default exists;

(iii) the Parent Guarantor or the Company or, if applicable, the Person formed by or surviving any such consolidation or merger (if other than the Parent Guarantor or the Company), or to which such sale, assignment, transfer, conveyance or other disposition has been made, would, on the date of such transaction after giving pro forma effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, be permitted to Incur at least US$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4(a) hereof; and

(iv) Clauses 22.10 ("*Know your customer*" *checks*) and 27 (*Changes to the Obligors*) of this Agreement are satisfied.

(b) No Subsidiary Guarantor will, and the Parent Guarantor will not permit any Subsidiary Guarantor to, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not such Subsidiary Guarantor survives); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of such Subsidiary Guarantor in one or more related transactions, to another Person, unless:

(i) either:

(A) if the transaction or series of transactions is a consolidation of such Subsidiary Guarantor with or a merger of such Subsidiary Guarantor with or into any other Person, such Subsidiary Guarantor shall be the surviving entity of such consolidation or merger; or

(B) the Person formed by or surviving any such consolidation or merger (if other than such Subsidiary Guarantor) or to which such sale, assignment, transfer, conveyance or other disposition has been made shall be a corporation organized and existing under the laws of the British Virgin Islands, Cayman Islands, Hong Kong, Macau, Singapore, United States, any state of the United States or the District of Columbia, and such Person shall expressly assume all the Obligations of the Parent Guarantor or the Company, as the case may be, under the Finance Documents pursuant to such accession documents or agreements that are reasonably satisfactory to the Agent, the Common Security Agent and the Intercreditor Agent, and in connection therewith shall cause such instruments to be filed and recorded in such jurisdictions and take such other actions as may be required by applicable law to perfect or continue the perfection of the Lien created under the Transaction Security Documents on the Collateral owned by or transferred to the surviving Person;

(ii) immediately after such transaction, no Default or Event of Default exists; and

(iii) Clauses 22.10 ("*Know your customer*" *checks*) and 27 (*Changes to the Obligors*) of this Agreement are satisfied,

*provided*, however, that the provisions of this Section 13(b) shall not apply if such Subsidiary Guarantor is released from its obligations as a Guarantor as a result of such consolidation, merger, sale or other disposition pursuant to the Finance Documents.

(c) This Section 13 will not apply to:

(i) a merger of the Company or a Guarantor, as the case may be, with an Affiliate solely for the purpose of reincorporating the Company or a Subsidiary Guarantor, as the case may be, in another jurisdiction; or

(ii) any consolidation or merger, or any sale, assignment, transfer, conveyance, or other disposition of assets between or among the Company and the Guarantors or between or among the Guarantors.

(d) Upon consummation of any consolidation or merger, or any sale, assignment, transfer, conveyance, or other disposition of assets by a Subsidiary Guarantor with or into the Company or another Guarantor in accordance with this Section 13 which results in a Subsidiary Guarantor distributing all of its assets (other than *de minimis* assets required by law to maintain its corporate existence) to the Company or another Guarantor, such transferring Subsidiary Guarantor may be wound up pursuant to a solvent liquidation or solvent reorganization; *provided that* it shall have no third party recourse Indebtedness or be the obligor under any intercompany Indebtedness.

## Section 2
## Ranking and Primary Creditors

### 2. Ranking and priority

### 2.1 Primary Creditor Liabilities

Each of the Parties agrees that the Credit Facility Liabilities, the Hedging Liabilities and the Pari Passu Debt Liabilities owed by the Debtors to the Primary Creditors shall rank in right and priority of payment *pari passu* and without any preference between them.

### 2.2 Transaction Security

Each of the Parties agrees that the Transaction Security shall rank and secure the Credit Facility Liabilities, the Hedging Liabilities and the Pari Passu Debt Liabilities (subject to the terms of this Agreement) *pari passu* and without any preference between them (but only to the extent that such Transaction Security is expressed to secure those Liabilities).

### 2.3 Subordinated and Intra-Group Liabilities

(a) Each of the Parties agrees that the Subordinated Liabilities and the Intra-Group Liabilities are postponed and subordinated to the Liabilities owed by the Debtors to the Primary Creditors.

(b) This Agreement does not purport to rank any of the Subordinated Liabilities or the Intra-Group Liabilities as between themselves.

### 2.4 Creditor Representative Amounts

Subject to Clause 19 (*Application of proceeds*) where applicable, nothing in this Agreement will prevent payment by the Parent or any Debtor of the Creditor Representative Amounts or the receipt and retention of such Creditor Representative Amounts by the relevant Creditor Representative(s).

### 2.5 Anti-layering

Notwithstanding anything in any Debt Document to the contrary, until the Pari Passu Debt Discharge Date, no Debtor shall, without the approval of the Required Pari Passu Creditors, issue or allow to remain outstanding any Liabilities that:

(a) are secured or expressed to be secured by Common Transaction Security on a basis (i) junior to any of the Super Senior Liabilities but (ii) senior to any of the Pari Passu Debt Liabilities;

(b) are expressed to rank so that they are subordinated to any of the Super Senior Liabilities but are senior to any of the Pari Passu Debt Liabilities; or

(c) are contractually subordinated in right of payment to any of the Super Senior Liabilities and senior in right of payment to the Pari Passu Debt Liabilities,

in each case, unless such ranking or subordination arises as a matter of law.

### 2.6 Additional and/or refinancing debt

(a) The Creditors acknowledge that the Debtors (or any of them) may wish to:

(i) incur additional Borrowing Liabilities and/or Guarantee Liabilities in respect of such additional Borrowing Liabilities; or

(ii) refinance Borrowing Liabilities and/or Guarantee Liabilities in respect of such additional Borrowing Liabilities,

which, in any such case, are intended to rank *pari passu* with or in priority to any existing Liabilities (but not in priority to the Super Senior Liabilities) and/or share *pari passu* with or in priority to any existing Liabilities (but not in priority to the Super Senior Liabilities) in any existing Common Transaction Security and/or to rank behind any existing Liabilities and/or to share in any existing Common Transaction Security behind such existing Liabilities.

(b) Subject to Clause 2.5 (*Anti-layering*), without limiting the generality of any other applicable provision of this Agreement including Clause 25.11 (*Accession of Credit Facility Creditors under New Credit Facilities*), the Creditors confirm that if and to the extent a financing or refinancing referred to in paragraph (a) above and such ranking and such Security is not prohibited by the terms of the Debt Documents at such time, they will (at the cost of the Debtors) co-operate with the Debtors with a view to enabling such financing or refinancing and such sharing in the Common Transaction Security to take place. In particular, but without limitation, each of the Secured Parties hereby irrevocably authorises and directs each of their Creditor Representatives, the Intercreditor Agent and the Common Security Agent (as applicable) to execute any amendment to this Agreement and such other Debt Documents required to reflect such arrangements to the extent such financing, refinancing and/or sharing is not prohibited by such Debt Documents.

## 3. Credit Facility Creditors and Credit Facility Liabilities

### 3.1 Payment of Credit Facility Liabilities

(a) Subject to paragraph (b) below and Clause 3.2 (*Rolled Loan – restrictions*), and without prejudice to any restrictions contained in the Pari Passu Debt Documents (other than this Agreement), the Debtors may make Payments of the Credit Facility Liabilities at any time in accordance with, and subject to the provisions of, the relevant Credit Facility Documents.

(b) Subject to paragraph (b) of Clause 12.3 (*Set-off*) and Clause 19.3 (*Treatment of Credit Facility Cash Cover and Credit Facility Lender Cash Collateral*), following the occurrence of an Acceleration Event which is continuing no member of the Group may make Payments of (or in satisfaction of) the Credit Facility Liabilities (save in the case of Liabilities constituting Creditor Representative Amounts) except from Enforcement Proceeds distributed in accordance with Clause 19 (*Application of proceeds*), other than any distribution or dividend out of any Debtor's unsecured assets (*pro rata* to each unsecured creditor's claim) made by a liquidator, receiver, administrative receiver, administrator, compulsory manager or other similar officer appointed in respect of any Debtor or any of its assets, (unless, at any time at which the Intercreditor Agent or Common Security Agent is required to act in accordance with Enforcement Instructions issued by the Majority Super Senior Creditors pursuant to Clause 15.2 (*Instructions to enforce*), the Majority Super Senior Creditors give notice to the Intercreditor Agent that the restrictions in each of paragraph (b) of Clause 3.1 (*Payment of Credit Facility Liabilities*), paragraph (b) of Clause 4.1 (*Payment of Pari Passu Debt Liabilities*) and the proviso to Clause 5.2 (*Restriction on Payments: Hedging Liabilities*) will cease to apply), *provided* that in the case where the only Acceleration Event that is continuing is a Credit Facility Acceleration Event, one or more members of the Group may make Payments to effect the Credit Facility Lender Discharge Date (in which case and conditional upon such event occurring, that Credit Facility Acceleration Event shall be deemed to have ceased to occur for the purposes of this paragraph (b), notwithstanding that a principal amount of the Rolled Loan may be outstanding at such time).

### 3.2 Rolled Loan – restrictions

(a) The provisions of this Clause 3.2 shall override anything in this Agreement or the other Debt Documents to the contrary. No amendment or waiver may be made that has the effect of changing or which relates to this Clause 3.2 without the consent of each Pari Passu Note Trustee on behalf of the Pari Passu Noteholders in respect of which it is the Creditor Representative, the Pari Passu Lenders, the Intercreditor Agent and the Rolled Loan Facility Lender.

(b) Each Debtor and the Rolled Loan Facility Lender agrees for the benefit of the Secured Parties that, unless and until the Rolled Loan Release Date has occurred:

(i) in the case of each Debtor, it shall not (and it shall procure that no member of the Group and none of their other Affiliates will) make Payments (or encourage any other person to make Payments) of (or in satisfaction of) or exercise any set off against the Liabilities in respect of the principal amount of the Rolled Loan (other than Payment of the Rolled Loan at its maturity as set out in the Credit Facility Agreement (the "**Permitted Rolled Loan Payment**")) and, in the case of the Rolled Loan Facility Lender, it shall not accept any such Payments (or encourage any person to make such Payments or accept such Payments on its behalf) of (or in satisfaction of) or exercise any set off in respect of the Liabilities in respect of the principal amount of the Rolled Loan owed to it (other than the Permitted Rolled Loan Payment), in each case except from Enforcement Proceeds distributed in accordance with Clause 19 (*Application of proceeds*), other than any distribution or dividend out of any Debtor's unsecured assets (*pro rata* to each unsecured creditor's claim) made by a liquidator, receiver, administrative receiver, administrator, compulsory manager or other similar officer appointed in respect of any Debtor or any of its assets;

(ii) in the case of the Company, it shall not make or take any steps to make any withdrawal from the Rolled Loan Cash Collateral Account other than to directly facilitate the making of the Permitted Rolled Loan Payment or to reimburse itself after having made the Permitted Rolled Loan Payment;

(iii) in the case of each Debtor, it shall not (and it shall procure that no member of the Group and none of their other Affiliates will) purchase or offer to purchase any interest in the Rolled Loan;

(iv) in the case of the Rolled Loan Facility Lender, it shall not knowingly transfer or assign all or any interest in the Rolled Loan to a Sponsor Affiliate;

(v) it shall not amend the terms of the Credit Facility Documents with respect to the Rolled Loan if the amendment would be an amendment to the amount or terms of repayment or prepayment (mandatory or otherwise) of all or part of the Rolled Loan, if the amendment would be an amendment to any date of repayment or prepayment (mandatory or otherwise) of the Rolled Loan so as to provide for the earlier repayment or prepayment of all or part of the Rolled Loan or to establish any right of the Rolled Loan Facility Lender to demand the prepayment of the Rolled Loan in addition to any rights contained in the original form of the Credit Facility Agreement (or to waive or amend the conditionality contained in the original form of the Credit Facility Agreement with respect to such rights in a manner that would be adverse to the interests of the Pari Passu Creditors); and

(vi) in the case of the Rolled Loan Facility Lender, it shall not take any Enforcement Action in respect of the principal amount of the Rolled Loan or any Transaction Security in respect of the Rolled Loan Cash Collateral Account (i) other than after the occurrence of an Insolvency Event in relation to the Company in which case it reserves its rights to be able to exercise any right it may otherwise have to (x) accelerate the Rolled Loan or declare the Rolled Loan prematurely due and payable or payable on demand or (y) claim and prove in the liquidation of the Company for the principal amount of the Rolled Loan or (ii) in the case of a failure by the Company to make the Permitted Rolled Loan Payment in accordance with the terms of the Credit Facility Agreement and *provided* that no Common Transaction Initial Enforcement Notice has been delivered pursuant to Clause 15.2 (*Instructions to enforce*), unless and until the date falling six (6) months after the date of such failure has occurred.

(c) In the case of a Payment made and purported to have effect in breach of the provisions of paragraph (b)(i) above, such purported effect shall be void and deemed not to have occurred and shall instead be deemed an advance by the relevant payer (or, if such payer is not a Party, an advance by the Company) of a loan in an amount equal to the amount of such Payment to the Rolled Loan Facility Lender, such loan being immediately repayable by the Rolled Loan Facility Lender and the Rolled Loan Facility Lender undertakes for the benefit of the other Secured Parties to repay such loan as soon as reasonably practicable.

(d) In the case of a purported set off in respect of the Liabilities in respect of the principal amount of the Rolled Loan that would be in breach of paragraph (b)(i) above, such purported set off shall be void and deemed not to have occurred.

(e) In the case of a purported transfer or assignment or purchase of any other interest in the Rolled Loan that would be in breach of paragraph (b)(iii) above, such purported transfer or assignment or purchase shall be void and deemed not to have occurred.

(f) In the case of a transfer or assignment or purchase of any other interest in the Rolled Loan by a Sponsor Affiliate on or before the Rolled Loan Release Date, to the extent that such Sponsor Affiliate is a Party or becomes a Party, that Sponsor Affiliate agrees to promptly on request by the Intercreditor Agent transfer all of its interests in the Rolled Loan to a person nominated by the Intercreditor Agent (acting on the instructions of any Secured Party that is not a member of the Group or a Sponsor Affiliate (and, in the case of the receipt of instructions from more than one such Secured Party, on the basis of the first instructions received)) for one Hong Kong dollar (HK$1) and on such other terms as the Intercreditor Agent (acting on the instructions of any Secured Party that is not a member of the Group or a Sponsor Affiliate) may stipulate (and, in the case of the receipt of instructions from more than one such Secured Party, on the basis of the first instructions received).

(g) The Intercreditor Agent shall not authorise any withdrawal from the Rolled Loan Cash Collateral Account on or before the Rolled Loan Release Date.

(h) In the case of a failure by the Company to make the Permitted Rolled Loan Payment in accordance with the terms of the Credit Facility Agreement, the provisions of Clause 6.1 (*Option to purchase: Pari Passu Debt Creditors*) shall apply *mutatis mutandis* as if such failure were a Distress Event, that provision applied only to the Rolled Loan Facility Lender's rights, benefits and obligations in respect of the Rolled Loan and paragraph (c) of Clause 6.1 (*Option to purchase: Pari Passu Debt Creditors*) did not apply.

(i) No Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Debt Document by the operation of this Clause 3.2 even if its obligation to make that Payment is restricted at any time by the terms of this Clause 3.2.

### 3.3 Security: Credit Facility Creditors

(a) Other than as set out in this Clause 3.3, no Debtor shall (and each Debtor shall procure that no member of the Group will) grant to any of the Credit Facility Creditors the benefit of any Security in respect of that Credit Facility Creditor's Secured Obligations or otherwise permit such Security to subsist.

(b) Other than as set out in Clause 3.5 (*Security: Ancillary Lenders and Issuing Banks*) and without prejudice to paragraph (c) below, the Credit Facility Creditors may take, accept or receive the benefit of any Security in respect of the Credit Facility Liabilities from any member of the Group in addition to the Common Transaction Security that (except for any Security permitted under Clause 3.5 (*Security: Ancillary Lenders and Issuing Banks*)) to the extent legally possible and subject to any Agreed Security Principles is, at the same time, also offered either:

(i) to the Common Security Agent as trustee for the other Secured Parties in respect of their Liabilities; or

(ii) in the case of any jurisdiction in which effective Security cannot be granted in favour of the Common Security Agent as trustee for the Secured Parties:

(A) to the other Secured Parties in respect of their Liabilities; or

(B) to the Common Security Agent under a parallel debt structure for the benefit of the other Secured Parties,

and ranks in the same order of priority as that contemplated in Clause 2.2 (*Transaction Security*), *provided* that all amounts received or recovered by any Secured Party with respect to such Security are immediately payable to the Common Security Agent to be held in accordance with this Agreement and applied in accordance with Clause 19 (*Application of proceeds*).

(c) The Rolled Loan Facility Lender may take, accept or receive the benefit of Security over the Rolled Loan Cash Collateral Account.

### 3.4 Guarantees: Credit Facility Creditors

(b) Other than as set out in Clause 3.5 (*Security: Ancillary Lenders and Issuing Banks*), the Credit Facility Creditors may take, accept or receive the benefit of any guarantee, indemnity or other assurance against loss from any member of the Group in respect of the Credit Facility Liabilities in addition to those in:

Subject to Clause 3.7 (*Permitted Enforcement: Ancillary Lenders and Issuing Banks*), so long as any of the Super Senior Liabilities (other than any Liabilities owed to the Ancillary Lenders or Issuing Banks) are or may be outstanding, none of the Ancillary Lenders nor the Issuing Banks shall be entitled to take any Enforcement Action in respect of any of the Liabilities owed to it.

**3.7 Permitted Enforcement: Ancillary Lenders and Issuing Banks**

(a) that Payment is permitted under Clause 5.3 (*Permitted Payments: Hedging Liabilities*); or

(b) the taking or receipt of that Payment is permitted under paragraph (b) of Clause 5.9 (*Permitted Enforcement: Hedge Counterparties*),

*provided that* (unless, at any time at which the Common Security Agent is required to act in accordance with Enforcement Instructions issued by the Majority Super Senior Creditors pursuant to Clause 15.2 (*Instructions to enforce*), the Majority Super Senior Creditors give notice to the Security Agent that the restrictions in each of paragraph (b) of Clause 3.1 (*Payment of Credit Facility Liabilities*), paragraph (b) of Clause 4.1 (*Payment of Pari Passu Debt Liabilities*) and this proviso will cease to apply), following the occurrence of an Acceleration Event which is continuing (until the occurrence of the later of the Super Senior Discharge Date and the Rolled Loan Discharge Date), no member of the Group may make Payments of the Hedging Liabilities except from Enforcement Proceeds distributed in accordance with Clause 19 (*Application of proceeds*), other than any distribution or dividend out of any Debtor's unsecured assets (*pro rata* to each unsecured creditor's claim) made by a liquidator, receiver, administrative receiver, administrator, compulsory manager or other similar officer appointed in respect of any Debtor or any of its assets.

**5.3 Permitted Payments: Hedging Liabilities**

(a) Subject to paragraph (b) below, the Debtors may make Payments to any Hedge Counterparty in respect of the Hedging Liabilities then due to that Hedge Counterparty under any Hedging Agreement in accordance with the terms of that Hedging Agreement:

(i) if the Payment is a scheduled Payment arising under the relevant Hedging Agreement;

(ii) to the extent that the relevant Debtor's obligation to make the Payment arises as a result of the operation of:

(A) any of sections 2(d) (*Deduction or Withholding for Tax*), 2(e) (*Default Interest; Other Amounts*), 8(a) (*Payment in the Contractual Currency*), 8(b) (*Judgments*) and 11 (*Expenses*) of the 1992 ISDA Master Agreement (if the Hedging Agreement is based on a 1992 ISDA Master Agreement);

(B) any of sections 2(d) (*Deduction or Withholding for Tax*), 8(a) (*Payment in the Contractual Currency*), 8(b) (*Judgments*), 9(h)(i) (*Prior to Early Termination*) and 11 (*Expenses*) of the 2002 ISDA Master Agreement (if the Hedging Agreement is based on a 2002 ISDA Master Agreement); or

(C) any provision of a Hedging Agreement which is similar in meaning and effect to any provision listed in paragraphs (A) or (B) above (if the Hedging Agreement is not based on an ISDA Master Agreement);

(iii) to the extent that the relevant Debtor's obligation to make the Payment arises from a Non-Credit Related Close-Out;

(iv) to the extent that:

(A) the relevant Debtor's obligation to make the Payment arises from:

(1) a Credit Related Close-Out in relation to that Hedging Agreement; or

(2) a Permitted Automatic Early Termination under that Hedging Agreement which arises as a result of an event relating to a Debtor; and

(B) no Event of Default is continuing at the time of that Payment or would result from that Payment;

(v) to the extent that no Event of Default is continuing or would result from that Payment and the relevant Debtor's obligation to make the Payment arises as a result of a close-out or termination arising as a result of:

(A) section 5(a)(vii) (*Bankruptcy*) of the 1992 ISDA Master Agreement (if the relevant Hedging Agreement is based on a 1992 ISDA Master Agreement) and the Event of Default (as defined in the relevant Hedging Agreement) has occurred with respect to the relevant Hedge Counterparty;

(B) section 5(a)(vii) (*Bankruptcy*) of the 2002 ISDA Master Agreement (if the relevant Hedging Agreement is based on a 2002 ISDA Master Agreement) and the Event of Default (as defined in the relevant Hedging Agreement) has occurred with respect to the relevant Hedge Counterparty;

(C) any provision of a Hedging Agreement which is similar in meaning and effect to any provision listed in paragraphs (A) or (B) above (if the Hedging Agreement is not based on an ISDA Master Agreement) and the equivalent event of default has occurred with respect to the relevant Hedge Counterparty; or

(D) the relevant Debtor terminating or closing-out the relevant Hedging Agreement as a result of a Hedging Force Majeure and the Termination Event (as defined in the relevant Hedging Agreement in the case of a Hedging Agreement based on an ISDA Master Agreement) or the equivalent termination event (in the case of a Hedging Agreement not based on an ISDA Master Agreement) has occurred with respect to the relevant Hedge Counterparty; or

(vi) if the Majority Super Senior Creditors and the Required Pari Passu Creditors give prior consent to the Payment being made.

(b) No Payment may be made to a Hedge Counterparty under paragraph (a) above if any scheduled Payment due from that Hedge Counterparty to a Debtor under a Hedging Agreement to which they are both party is due and unpaid unless the prior consent of the Majority Super Senior Creditors and the Required Pari Passu Creditors is obtained. For the avoidance of doubt, this provision shall not affect any Payment which is due from a Hedge Counterparty to a Debtor pursuant to a Hedging Agreement to which that Hedge Counterparty and Debtor are both party and which is being terminated or closed out.

(c) Failure by a Debtor to make a Payment to a Hedge Counterparty which results solely from the operation of paragraph (b) above shall, without prejudice to Clause 5.4 (*Payment obligations continue*), not result in a default (however described) in respect of that Debtor under that Hedging Agreement.

**5.4 Payment obligations continue**

No Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Debt Document by the operation of Clauses 5.2 (*Restriction on Payment: Hedging Liabilities*) and 5.3 (*Permitted Payments: Hedging Liabilities*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.

**5.5 No acquisition of Hedging Liabilities**

The Debtors shall not, and shall procure that no other member of the Group will:

(a) enter into any Liabilities Acquisition; or

(b) beneficially own all or any part of the share capital of a company that is party to a Liabilities Acquisition,

in respect of any of the Hedging Liabilities, unless the prior consent of the Majority Super Senior Creditors and the Required Pari Passu Creditors is obtained.

**5.6 Amendments and waivers: Hedging Agreements**

(a) Subject to paragraph (b) below, the Hedge Counterparties may not, at any time, amend or waive any term of the Hedging Agreements.

(b) A Hedge Counterparty may amend or waive any term of a Hedging Agreement in accordance with the terms of that Hedging Agreement if the amendment or waiver (i) does not breach another term of this Agreement and (ii) would not result in a breach of the Credit Facility Agreement or any Pari Passu Debt Document.

**5.7 Security: Hedge Counterparties**

The Hedge Counterparties may not take, accept or receive the benefit of any Security, guarantee, indemnity or other assurance against loss from any member of the Group in respect of the Hedging Liabilities other than:

(a) the Common Transaction Security;

(b) any guarantee, indemnity or other assurance against loss contained in:

(i) the original form of Clause 5.15 (*Hedge Counterparties' guarantee and indemnity*) and Schedule 9 (*Hedge Counterparties' guarantee and indemnity*);

(ii) this Agreement (other than Clause 5.15 (*Hedge Counterparties' guarantee and indemnity*) and Schedule 9 (*Hedge Counterparties' guarantee and indemnity*));

(iii) any Common Assurance; or

(iv) the relevant Hedging Agreement no greater in extent than any of those referred to in paragraphs (i) to (iii) above;

(c) as otherwise contemplated by Clauses 3.3 (*Security: Credit Facility Creditors*), 3.4 (*Guarantees: Credit Facility Creditors*), 4.2 (*Security: Pari Passu Debt Creditors*); and 4.3 (*Guarantees: Pari Passu Debt Creditors*); and

(d) the indemnities contained in the ISDA Master Agreements (in the case of a Hedging Agreement which is based on an ISDA Master Agreement) or any indemnities which are similar in meaning and effect to those indemnities (in the case of a Hedging Agreement which is not based on an ISDA Master Agreement).

**5.8 Restriction on Enforcement: Hedge Counterparties**

Subject to Clause 5.9 (*Permitted Enforcement: Hedge Counterparties*) and Clause 5.10 (*Required Enforcement: Hedge Counterparties*) and without prejudice to each Hedge Counterparty's rights under Clauses 15.3 (*Enforcement Instructions*) and 15.5 (*Manner of Enforcement*), the Hedge Counterparties shall not take any Enforcement Action in respect of any of the Hedging Liabilities or any of the hedging transactions under any of the Hedging Agreements at any time.

**5.9 Permitted Enforcement: Hedge Counterparties**

(a) To the extent it is able to do so under the relevant Hedging Agreement, a Hedge Counterparty may terminate or close-out in whole or in part any hedging transaction under that Hedging Agreement prior to its stated maturity:

***Non-Credit Related Close-Outs***

(i) if, prior to a Distress Event, the Parent has confirmed in writing to that Hedge Counterparty that that termination or close-out would not result in a breach of any term of a Credit Facility Document or Pari Passu Debt Document;

(ii) if a Hedging Force Majeure has occurred in respect of that Hedging Agreement;

(iii) to the extent necessary to comply with paragraph (c) of Clause 5.13 (*Total Interest Rate Hedging and Total Exchange Rate Hedging*);

(iv) to ensure that the Common Currency Amount of a Hedge Counterparty's Hedging Liabilities does not exceed its Allocated Super Senior Hedging Amount;

***Credit Related Close-Outs***

(i) if a Distress Event has occurred;

(ii) if an Event of Default has occurred under clause 24.5 (*Insolvency*) or clause 24.6 (*Insolvency proceedings*) of the Credit Facility Agreement, paragraphs (a)(7) and (a)(8) of section 6.01 (*Events of Default*) of the Senior Secured 2019 Note Indenture or paragraphs (a)(7) and (a)(8) of section 6.01 (*Events of Default*) of the Senior Secured 2021 Note Indenture (or, in each case, any Equivalent Provision of a Pari Passu Facility Agreement or Pari Passu Note Indenture) in relation to a Debtor which is party to that Hedging Agreement; or

(iii) if the Majority Super Senior Creditors and the Required Pari Passu Creditors give prior consent to that termination or close-out being made.

(b) After the occurrence of an Insolvency Event in relation to any member of the Group, each Hedge Counterparty shall be entitled to exercise any right it may otherwise have in respect of that member of the Group to:

(i) prematurely close-out or terminate any Hedging Liabilities of that member of the Group;

(ii) make a demand under any guarantee, indemnity or other assurance against loss given by that member of the Group in respect of any Hedging Liabilities;

(iii) exercise any right of set-off or take or receive any Payment in respect of any Hedging Liabilities of that member of the Group; or

(iv) claim and prove in the liquidation of that member of the Group for the Hedging Liabilities owing to it.

**5.10 Required Enforcement: Hedge Counterparties**

(a) Subject to paragraph (b) below, a Hedge Counterparty shall promptly terminate or close-out in full any hedging transaction under all or any of the Hedging Agreements to which it is party prior to their stated maturity, following:

(i) the occurrence of an Acceleration Event which is continuing and delivery to it of a notice from the Intercreditor Agent that that Acceleration Event has occurred and is continuing; and

(ii) delivery to it of a subsequent notice from the Intercreditor Agent (acting on the instructions of the Instructing Group) instructing it to do so.

(b) Paragraph (a) above shall not apply to the extent that that Acceleration Event occurred as a result of an arrangement made between any Debtor and any Primary Creditor with the purpose of bringing about that Acceleration Event.

**5.11 Treatment of payments due to Debtors on termination of Hedging Transactions**

(a) If, on termination of any hedging transaction under any Hedging Agreement occurring after a Distress Event, a settlement amount or other amount (following the application of any Close-Out Netting, Payment Netting or Inter-Hedging Agreement Netting in respect of that Hedging Agreement) falls due from a Hedge Counterparty to the relevant Debtor then that amount shall be paid by that Hedge Counterparty to the Common Security Agent, treated as the proceeds of enforcement of the Transaction Security and applied in accordance with the terms of this Agreement.

(b) The payment of that amount by the Hedge Counterparty to the Common Security Agent in accordance with paragraph (a) above shall discharge the Hedge Counterparty's obligation to pay that amount to that Debtor.

**5.12 Terms of Hedging Agreements**

The Hedge Counterparties (to the extent party to the Hedging Agreement in question) and the Debtors party to the Hedging Agreements shall ensure that, at all times:

(a) each Hedging Agreement documents only hedging arrangements entered into for the purpose of hedging the types of liabilities described in the definition of "**Hedging Agreement**" and that no other hedging arrangements are carried out under or pursuant to a Hedging Agreement;

(b) each Hedging Agreement is based either:

(i) on an ISDA Master Agreement; or

(ii) on another framework agreement which is similar in effect to an ISDA Master Agreement;

(c) in the event of a termination of the hedging transaction entered into under a Hedging Agreement, whether as a result of:

(i) a Termination Event or an Event of Default, each as defined in the relevant Hedging Agreement (in the case of a Hedging Agreement which is based on an ISDA Master Agreement); or

(ii) an event similar in meaning and effect to either of those described in paragraph (i) above (in the case of a Hedging Agreement which is not based on an ISDA Master Agreement),

that Hedging Agreement will:

(A) if it is based on a 1992 ISDA Master Agreement, provide for payments under the “Second Method” and will make no material amendment to section 6(e) (*Payments on Early Termination*) of the ISDA Master Agreement;

(B) if it is based on a 2002 ISDA Master Agreement, make no material amendment to section 6(e) (*Payments on Early Termination*) of the ISDA Master Agreement; or

(C) if it is not based on an ISDA Master Agreement, provide for any other method the effect of which is that the party to which that event is referable will be entitled to receive payment under the relevant termination provisions if the net replacement value of all terminated transactions entered into under that Hedging Agreement is in its favour;

(d) each Hedging Agreement will not provide for Automatic Early Termination other than to the extent that:

(i) the provision of Automatic Early Termination is consistent with practice in the relevant derivatives market, taking into account the legal status and jurisdiction of incorporation of the parties to that Hedging Agreement; and

(ii) that Automatic Early Termination is:

(A) as provided for in section 6(a) (*Right to Terminate following Event of Default*) of the 1992 ISDA Master Agreement (if the Hedging Agreement is based on a 1992 ISDA Master Agreement);

(B) as provided for in section 6(a) (*Right to Terminate Following Event of Default*) of the 2002 ISDA Master Agreement (if the Hedging Agreement is based on a 2002 ISDA Master Agreement); or

(C) similar in effect to that described in paragraphs (A) or (B) above (if the Hedging Agreement is not based on an ISDA Master Agreement);

(e) each Hedging Agreement will provide that the relevant Hedge Counterparty will be entitled to designate an Early Termination Date or otherwise be able to terminate each transaction under such Hedging Agreement if so required pursuant to Clause 5.10 (*Required Enforcement: Hedge Counterparties*); and

(f) each Hedging Agreement will permit the relevant Hedge Counterparty and each relevant Debtor to take such action as may be necessary to comply with Clause 5.13 (*Total Interest Rate Hedging and Total Exchange Rate Hedging*).

**5.13 Total Interest Rate Hedging and Total Exchange Rate Hedging**

(a) The Parent shall procure that, at all times:

(i) the Total Interest Rate Hedging does not exceed the Floating Rate Term Outstandings; and

(ii) the Total Exchange Rate Hedging does not exceed the Other Currency Term Outstandings.

(b) Subject to paragraph (a) above, if:

(i) the Total Interest Rate Hedging is less than the Floating Rate Term Outstandings, a Debtor may (but, subject to any express requirement in a Pari Passu Debt Document shall be under no obligation to) enter into additional hedging arrangements to increase the Total Interest Rate Hedging; or

(ii) the Total Exchange Rate Hedging is less than the Other Currency Term Outstandings, a Debtor may (but, subject to any express requirement in a Pari Passu Debt Document, shall be under no obligation to) enter into additional hedging arrangements to increase the Total Exchange Rate Hedging.

(c) If any reduction in the Floating Rate Term Outstandings or the Other Currency Term Outstandings results in:

(i) an Interest Rate Hedge Excess then, on the same day (or as soon as reasonably practicable thereafter) as that reduction becomes effective in accordance with the terms of the relevant Debt Document, the relevant Debtor(s) shall, and the Parent shall procure that the relevant Debtor(s) shall, reduce each Hedge Counterparty's Interest Rate Hedging by that Hedge Counterparty's Interest Rate Hedging Proportion of that Interest Rate Hedge Excess by terminating or closing out any relevant hedging transaction(s) in full or in part, as may be necessary; or

(ii) an Exchange Rate Hedge Excess then, on the same day (or as soon as reasonably practicable thereafter) as that reduction becomes effective in accordance with the terms of the relevant Debt Document, the relevant Debtor(s) shall, and the Parent shall procure that the relevant Debtor(s) shall, reduce each Hedge Counterparty's Exchange Rate Hedging by that Hedge Counterparty's Exchange Rate Hedging Proportion of that Exchange Rate Hedge Excess by terminating or closing out any relevant hedging transaction(s) in full or in part, as may be necessary.

(d) The relevant Debtor(s) shall, and the Parent shall procure that the relevant Debtor(s) will, pay to that Hedge Counterparty (in accordance with the relevant Hedging Agreement) an amount equal to the sum of all payments (if any) that become due from each relevant Debtor to a Hedge Counterparty under the relevant Hedging Agreement(s) as a result of any action described in paragraph (c) above.

(e) Each Hedge Counterparty shall co-operate in any process described in paragraph (d) above and shall pay (in accordance with the relevant Hedging Agreement(s)) any amount that becomes due from it under the relevant Hedging Agreement(s) to a Debtor as a result of any action described in paragraph (c) above.

**5.14 Allocation of Super Senior Hedging Liabilities**

(a) The Parent may from time to time allocate (or reallocate or effect the release of any previous allocation of) the Super Senior Hedging Amount in whole or in part to one or more Hedge Counterparties subject to this Clause 5.14 (*Allocation of Super Senior Hedging Liabilities*).

(b) Any allocation or reallocation or release of any previous allocation of the Super Senior Hedging Amount (whether in whole or in part) by the Parent shall only take effect on receipt by the Intercreditor Agent (which receipt shall be acknowledged promptly) of a Super Senior Hedging Certificate which complies with the conditions set out in this Clause 5.14 (*Allocation of Super Senior Hedging Liabilities*).

(c) The Intercreditor Agent shall only be required to recognise and give effect to any allocation, reallocation or release of the Super Senior Hedging Amount requested by the Parent pursuant to any Super Senior Hedging Certificate to the extent such Super Senior Hedging Certificate:

(i) complies in form and substance with the form of Super Senior Hedging Certificate set out in Schedule 8 (*Form of Super Senior Hedging Certificate*);

(ii) has been duly executed by: (A) the Parent; (B) the Hedge Counterparty to whom any portion of the available Super Senior Hedging Amount is to be allocated and (C) if applicable, any Hedge Counterparty who is to release any portion of any Super Senior Hedging Amount previously allocated to it in accordance with this Clause 5.14 (*Allocation of Super Senior Hedging Liabilities*);

(iii) identifies the portion of the Super Senior Hedging Amount (by reference to an amount in the Common Currency) that is to be allocated to the proposed new Super Senior Hedge Counterparty and/or released by an existing Super Senior Hedge Counterparty;

(iv) identifies the relevant Hedging Agreement pursuant to which the relevant Hedging Liabilities arise; and

(v) complies with paragraph (d) below and does not otherwise purport to allocate any part of the Super Senior Hedging Amount which is not available for allocation or which has previously been allocated and not released to any other Hedge Counterparty pursuant to this Clause 5.14 (*Allocation of Super Senior Hedging Liabilities*).

(d) No Allocated Super Senior Hedging Amount may, whether on an individual basis or when aggregated with all previously Allocated Super Senior Hedging Amounts (to the extent not released pursuant to this Clause 5.14 (*Allocation of Super Senior Hedging Liabilities*)), exceed the lower of:

(i) the Super Senior Hedging Amount; and

(ii) any hedging limit specified in any Credit Facility Agreement or any Pari Passu Debt Document entered into after the date of this Agreement and notified in writing to the Intercreditor Agent by the relevant Creditor Representative to the extent that such limit is not lower than the aggregate of all Allocated Super Senior Hedging Amounts existing as at the date of notification.

(e) The Intercreditor Agent shall not accept or give effect to any Super Senior Hedging Certificate to the extent it allocates or purports to allocate any part of the Super Senior Hedging Amount in breach of paragraph (d) above.

(f) An Allocated Super Senior Hedging Amount may not be:

(i) changed without the prior written consent of the relevant Hedge Counterparty to whom such Allocated Super Senior Hedging Amount has been allocated pursuant to this Clause 5.14 (*Allocation of Super Senior Hedging Liabilities*); or

(ii) allocated to another Hedge Counterparty or to any other Hedging Liabilities or Hedging Agreement other than through delivery of a Super Senior Hedging Certificate duly executed by the Parent and each Hedge Counterparty who agrees to release or reallocate any part of the Allocated Super Senior Hedging Amount.

(g) The Intercreditor Agent shall maintain a register for the recording of the names and addresses of the Hedge Counterparties and the Allocated Super Senior Hedging Amounts of each such Hedge Counterparty (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Parent, the Intercreditor Agent, the Common Security Agent and the Hedge Counterparties shall treat each person whose name is recorded in the Register as a Super Senior Hedge Counterparty for the purposes of this Agreement to the extent of its Super Senior Hedging Liabilities. The Register shall be available for inspection by the Parent and any Hedge Counterparty, at all reasonable times and on reasonable notice to the Intercreditor Agent.

**5.15 Hedge Counterparties' guarantee and indemnity**

Each Debtor agrees that it will be bound by the obligations set out in Schedule 9 (*Hedge Counterparties' guarantee and indemnity*).

**5.16 Notice and acknowledgement of Common Transaction Security**

Each Hedge Counterparty, by its accession to this Agreement as a Hedge Counterparty, acknowledges receipt of notice of assignment pursuant to the applicable Transaction Security Documents in respect of the Common Transaction Security of the proceeds owing by that Hedge Counterparty to any Debtor pursuant to the Hedging Agreement(s) to which that Hedge Counterparty is a party.

**6. Option to purchase and Hedge Transfer**

**6.1 Option to purchase: Pari Passu Debt Creditors**

(a) Any of the Pari Passu Noteholders and Pari Passu Lenders may, after a Distress Event, by giving not less than ten days' prior notice in writing to the Intercreditor Agent, require the transfer to them (or to a nominee or nominees), in accordance with Clause 25.5 (*Change of Credit Facility Lender or Pari Passu Lender under an Existing Credit Facility or Pari Passu Facility*), of all, but not part, of the rights, benefits and obligations in respect of the Credit Facility Liabilities (including, for the avoidance of doubt, all Liabilities relating to the Rolled Loan) (such Pari Passu Noteholders and Pari Passu Lenders so requiring, the "**Purchasing Secured Creditors**") if:

(i) that transfer is lawful and, subject to paragraph (ii) below, otherwise permitted by the terms of the Credit Facility Agreement;

(ii) any conditions relating to such a transfer contained in the Credit Facility Agreement are complied with, other than:

(A) any requirement to obtain the consent of, or consult with, any Debtor or other member of the Group relating to such transfer, which consent or consultation shall not be required; and

(B) any requirement that the Purchasing Secured Creditors (or their nominee or nominees) as Credit Facility Lenders must satisfy the requirements of paragraph (a)(ii) of clause 25.2 (*Conditions of assignment or transfer*) of the original form of the Credit Facility Agreement or must not be a "Defaulting Lender" (as defined in the original form of the Credit Facility Agreement), which conditions shall not be required to be satisfied; and

(C) (x) any requirement that the Purchasing Secured Creditors provide cash cover for any Letter of Credit then outstanding in excess of the amount equal to 105 per cent. of the sum of all Letters of Credit then outstanding and the aggregate facing and similar fees that would accrue thereon through the stated maturity of such Letters of Credit (assuming no drawings thereon before stated maturity), which requirement in respect of such excess shall not be required to be satisfied and (y) to the extent the Purchasing Secured Creditors provide cash cover (in the amount set forth in the Credit Facility Agreement, subject to the limit in (x) above) for any Letter of Credit then outstanding, the consent of the relevant Issuing Bank relating to such transfer, which consent shall not be required; and

(D) any condition more onerous than those contained in clause 25.1 (*Assignments and transfers by the Lenders*) of the original form of the Credit Facility Agreement;

(iii) the Credit Facility Agent, on behalf of the Credit Facility Lenders, is paid an amount by the Purchasing Secured Creditors equal to the aggregate of:

(A) any amounts provided as cash cover by the Purchasing Secured Creditors for any Letter of Credit (as envisaged in paragraph (ii)(C) above);

(B) all of the Credit Facility Liabilities at that time (whether or not due), including all amounts that would have been payable under the Credit Facility Documents if the Credit Facility Liabilities were being prepaid by the relevant Debtors on the date of that payment (including, for the avoidance of doubt, any amounts that would have been payable under clause 13.4 (*Break Costs*) of the original form of the Credit Facility Agreement); and

(C) all costs and expenses (including legal fees) incurred by the Credit Facility Agent and/or the Credit Facility Lenders as a consequence of giving effect to that transfer,

together, and subject to paragraph (b) below, the "**Capped Purchase Amount**";

(iv) as a result of that transfer the Credit Facility Lenders have no further actual or contingent liability to any Debtor under the relevant Debt Documents;

(v) an indemnity is provided from the Purchasing Secured Creditors (or from another third party acceptable to all the Credit Facility Lenders) in a form satisfactory to each Credit Facility Lender in respect of all losses which may be sustained or incurred by any Credit Facility Lender as a consequence of any sum received or recovered by any Credit Facility Lender from any person being required (or it being alleged that it is required) to be paid back by or clawed back from any Credit Facility Lender for any reason; and

(vi) the transfer is made without recourse to, or representation or warranty from, the Credit Facility Lenders, except that each Credit Facility Lender shall be deemed to have represented and warranted on the date of that transfer that it has the corporate power to effect that transfer, it has taken all necessary action to authorise the making by it of that transfer and that it is transferring all of its rights, benefits and obligations in respect of its Credit Facility Liabilities.

(b) The Credit Facility Agent shall, within five Business Days of request, provide in reasonable detail a written statement setting out all amounts comprising the Capped Purchase Amount, *provided* that (i) such written statement is provided within five Business Days of request and (ii) such amounts are reasonable and in the absence of manifest error, the amounts set out in such written statement shall, in aggregate, constitute the Capped Purchase Amount. In the event the criteria set out in either subparagraph (i) or sub-paragraph (ii) of this paragraph are not fulfilled, the Capped Purchase Amount shall constitute the aggregate of the principal amount of all outstanding loans under the Credit Facility Agreement (including cash cover for outstanding Letters of Credit issued thereunder) and all interest and fees which will have accrued on such loans and Letters of Credit up to and including the date of payment of the Capped Purchase Amount to the Credit Facility Agent, each as calculated by the Purchasing Secured Creditors.

(c) Subject to paragraph (c) of Clause 6.2 (*Hedge Transfer: Pari Passu Debt Creditors*), the Purchasing Secured Creditors may only require a Credit Facility Lender Liabilities Transfer if, at the same time, they require a Hedge Transfer in accordance with Clause 6.2 (*Hedge Transfer: Pari Passu Debt Creditors*) and if, for any reason, a Hedge Transfer cannot be made in accordance with Clause 6.2 (*Hedge Transfer*: *Pari Passu Debt Creditors*), no Credit Facility Lender Liabilities Transfer may be required to be made.

(d) The Creditor Representatives in respect of the Credit Facilities shall, at the request of the Purchasing Secured Creditors notify the Pari Passu Noteholders and Pari Passu Lenders of:

(i) the sum of the amounts described in paragraphs (a)(iii)(B) and (C) above; and

(ii) the amount of each Letter of Credit for which cash cover is to be provided by all the Purchasing Secured Creditors.

(e) If more than one Purchasing Secured Creditor wishes to exercise the option to purchase the Credit Facility Liabilities in accordance with paragraph (a) above, each such Purchasing Secured Creditor shall:

(i) acquire the Credit Facility Liabilities *pro rata*, in the proportion that its Pari Passu Credit Participation bears to the aggregate Pari Passu Credit Participations of all the Purchasing Secured Creditors at the time of such purchase; and

(ii) inform the Senior Secured 2019 Note Trustee in accordance with the terms of the Senior Secured 2019 Note Indenture, the Senior Secured 2021 Note Trustee in accordance with the terms of the Senior Secured 2021 Note Indenture or the relevant Creditor Representative(s) in accordance with the terms of the relevant Pari Passu Debt Documents, who will determine (consulting with each other as required) the appropriate share of the Credit Facility Liabilities to be acquired by each such Purchasing Secured Creditor and who shall inform each such Purchasing Secured Creditor accordingly,

and the Senior Secured 2019 Note Trustee, the Senior Secured 2021 Note Trustee or the relevant Creditor Representative(s) (as applicable) shall promptly inform the Credit Facility Agent and the Hedging Counterparties of the Purchasing Secured Creditors intention to exercise the option to purchase the Credit Facility Liabilities.

**6.2 Hedge Transfer: Pari Passu Debt Creditors**

(a) Any of the Pari Passu Noteholders and Pari Passu Lenders may, after a Distress Event, by giving not less than ten days' prior notice in writing to the Intercreditor Agent, require a Hedge Transfer (such Pari Passu Noteholders and Pari Passu Lenders so requiring, the "**Hedge Transfer Lenders**"):

(i) if either:

(A) the Hedge Transfer Lenders are also Purchasing Secured Creditors and the Purchasing Secured Creditors require, at the same time, a Credit Facility Lender Liabilities Transfer; or

(B) the Hedge Transfer Lenders require that Hedge Transfer at any time on or after the Credit Facility Lender Discharge Date; and

(ii) if:

(A) that transfer is lawful and otherwise permitted by the terms of the Hedging Agreements in which case no Debtor or other member of the Group shall be entitled to withhold its consent to that transfer;

(B) any conditions (other than the consent of, or any consultation with, any Debtor or other member of the Group) relating to that transfer contained in the Hedging Agreements are complied with;

(C) each Hedge Counterparty is paid (in the case of a positive number) or pays (in the case of a negative number) an amount equal to the aggregate of (i) the Hedging Purchase Amount in respect of the hedging transactions under the relevant Hedging Agreement at that time and (ii) all costs and expenses (including legal fees) incurred as a consequence of giving effect to that transfer (together, subject to paragraph (b) below, the "**Capped Hedge Purchase Amount**");

(D) as a result of that transfer, the Hedge Counterparties have no further actual or contingent liability to any Debtor under the Hedging Agreements;

(E) an indemnity is provided from the Hedge Transfer Lenders who are receiving (or for which a nominee is receiving) that transfer (or from another third party acceptable to the relevant Hedge Counterparty) in a form satisfactory to the relevant Hedge Counterparty in respect of all losses which may be sustained or incurred by that Hedge Counterparty in consequence of any sum received or recovered by that Hedge Counterparty being required (or it being alleged that it is required) to be paid back by or clawed back from the Hedge Counterparty for any reason; and

(F) that transfer is made without recourse to, or representation or warranty from, the relevant Hedge Counterparty, except that the relevant Hedge Counterparty shall be deemed to have represented and warranted on the date of that transfer that it has the corporate power to effect that transfer, it has taken all necessary action to authorise the making by it of that transfer and that it is transferring all of its rights, benefits and obligations in respect of each Hedging Agreement, each Hedging Liability and each Hedge Counterparty Obligation.

(b) The relevant Hedge Counterparty shall, within two Business Days of a written request, provide in reasonable detail a written statement setting out all amounts comprising the Capped Hedge Purchase Amount. Provided that (i) such written statement is provided within two Business Days' of request and (ii) such amounts are reasonable and in the absence of manifest error, the amounts set out in such written statement shall, in aggregate, constitute the Capped Hedge Purchase Amount. In the event the criteria set out in either sub-paragraph (i) or sub-paragraph (ii) are not fulfilled, the Capped Hedge Purchase Amount shall be an amount calculated by the Hedge Transfer Lenders (and, to assist in that calculation, the Debtors will promptly provide all reasonable assistance required by the Hedge Transfer Lenders including, without limitation, copies of all Hedging Agreements)

(ii) In the case of any Transaction Security in respect of a Pari Passu Notes Interest Accrual Account, if the Creditor Representative representing the Pari Passu Noteholders in respect of the Pari Passu Notes to which the Pari Passu Notes Interest Accrual Account relates (acting on behalf of such Pari Passu Noteholders) wishes to issue Enforcement Instructions in respect of such Transaction Security, that Creditor Representative shall deliver a copy of those Enforcement Instructions in respect of such Credit-Specific Transaction Security to the Intercreditor Agent and the Intercreditor Agent shall promptly forward such Enforcement Instructions to the Common Security Agent.

(iii) In the case of any Transaction Security in respect of a Pari Passu Facility Debt Service Reserve Account, if the Creditor Representative representing the Pari Passu Lenders in respect of the Pari Passu Facility to which the Pari Passu Facility Debt Service Reserve Account relates (acting on behalf of such Pari Passu Lenders) wishes to issue Enforcement Instructions in respect of such Transaction Security, that Creditor Representative shall deliver a copy of those Enforcement Instructions in respect of such Credit-Specific Transaction Security to the Intercreditor Agent and the Intercreditor Agent shall promptly forward such Enforcement Instructions to the Common Security Agent.

(b) The delivery of a Common Transaction Security Initial Enforcement Notice to the Intercreditor Agent shall commence a 30-day consultation period (or such shorter period as the relevant Creditor Representatives shall agree) (the "**Initial Consultation Period**") during which time the Creditor Representatives for each of the Super Senior Creditors and the Pari Passu Creditors (or, in the case of any group of Secured Parties that choses to do so, a representative or committee of such creditor group appointed in place of its Creditor Representative for this purpose), shall consult with each other in good faith with a view to coordinating the proposed instructions as to Enforcement of the Common Transaction Security and shall use their reasonable commercial efforts to keep the Intercreditor Agent informed of such consultation and coordination efforts. Such Creditor Representatives shall not be obliged to consult (or, in the case of (ii) below, shall only be obliged to consult for such shorter period of time as the Intercreditor Agent (acting reasonably and, if it chooses (in its sole discretion) to do so, on the advice of its legal counsel or other relevant professional adviser) may determine) in accordance with this paragraph (b) (and, accordingly, no Initial Consultation Period shall arise or there shall be no further obligation to consult, as applicable) if:

(i) an Insolvency Event has occurred and is continuing in respect of a Debtor or the Security Provider;

(ii) an Event of Default being continuing in relation to Liabilities owed to the relevant Secured Parties, a Creditor Representative acting on behalf of any Secured Party(ies) (such Secured Party(ies) having made a determination acting reasonably and in good faith) notifies the Intercreditor Agent that:

(A) to enter into or continue such consultations and thereby delay the commencement of enforcement of the Common Transaction Security could reasonably be expected to have a material adverse effect on the ability to effect a Distressed Disposal or on the expected realisation proceeds of any Enforcement; or

(B) the circumstances described in paragraph (c)(ii) or paragraph (c)(iii) below have occurred; or

(iii) the Creditor Representatives of each other group of Secured Parties agree on the proposed Enforcement Instructions and that no Initial Consultation Period (or further consultation during such Initial Consultation Period) is required.

(c) If the consultation as may be required pursuant to paragraph (b) above has taken place (such consultation to be considered to have taken place regardless of whether each Creditor Representative (having been invited to do so at reasonable times and on a reasonable basis) has participated or has participated in good faith, so long as the Creditor Representative that delivered the Common Transaction Security Initial Enforcement Notice has complied or made itself available so as to comply with its obligation to do so) (the "**Consultation Condition**" having been "**satisfied**" and, for this purpose, unless otherwise advised by a Creditor Representative, the Intercreditor Agent is entitled to assume that the required consultation has taken place upon the expiry of the Initial Consultation Period):

(i) subject to paragraphs (c)(ii), (c)(iii) and (d) below, the Intercreditor Agent shall deliver to the Common Security Agent the Enforcement Instructions in respect of the Common Transaction Security received from the Majority Pari Passu Creditors;

(ii) if:

(A) the Majority Pari Passu Creditors have not either:

(1) made a determination as to the method of Enforcement (save with respect to any Credit-Specific Transaction Security) they wish to instruct the Common Security Agent to pursue (and notified the Intercreditor Agent of that determination in writing); or

(2) appointed a Financial Adviser to assist them in making such a determination,

within 3 months of the date of the Common Transaction Security Initial Enforcement Notice; or

(B) the Super Senior Discharge Date or the Rolled Loan Discharge Date has not occurred within 6 months of the date of the Common Transaction Security Initial Enforcement Notice,

then the Intercreditor Agent shall deliver to the Common Security Agent the Enforcement Instructions in respect of the Common Transaction Security received from the Majority Super Senior Creditors; and

(iii) if the Majority Pari Passu Creditors have not either:

(A) made a determination as to the method of Enforcement (save with respect to any Credit-Specific Transaction Security) they wish to instruct the Common Security Agent to pursue (and notified the Intercreditor Agent of that determination in writing); or

(B) appointed a Financial Adviser to assist them in making such a determination,

and the Majority Super Senior Creditors:

(1) determine in good faith (and notify the other Creditor Representatives, the Hedge Counterparties and the Intercreditor Agent) that a delay in issuing Enforcement Instructions in respect of the Common Transaction Security could reasonably be expected to have a material adverse effect on the ability to effect a Distressed Disposal or on the expected realisation proceeds of any such Enforcement; and

(2) deliver Enforcement Instructions in respect of the Common Transaction Security which they reasonably believe to be consistent with the Enforcement Principles before the Intercreditor Agent has received any Enforcement Instructions in respect of the Common Transaction Security from the Majority Pari Passu Creditors,

then the Intercreditor Agent shall deliver to the Common Security Agent the Enforcement Instructions in respect of the Common Transaction Security received from the Majority Super Senior Creditors.

(d) If an Insolvency Event (other than an Insolvency Event directly caused by any Enforcement Action taken by or at the request or direction of a Super Senior Creditor) is continuing with respect to a Debtor or the Security Provider then the Intercreditor Agent shall, to the extent the Majority Super Senior Creditors elect to provide such Enforcement Instructions in respect of the Common Transaction Security (such Enforcement Instructions to be limited to such Enforcement as may be reasonably necessary to preserve and protect the claims and interest of the Super Senior Creditors), deliver to the Common Security Agent the Enforcement Instructions in respect of the Common Transaction Security received from the Majority Super Senior Creditors.

(e) The Common Security Agent shall act in accordance with any Enforcement Instructions received from the Intercreditor Agent pursuant to this Clause 15 (and not withdrawn), save that (i) in the case of Enforcement Instructions delivered to the Common Security Agent pursuant to paragraph (d) above, the Common Security Agent shall only act in accordance with such Enforcement Instructions until the Super Senior Discharge Date has occurred and (ii) in the case of Enforcement Instructions delivered to the Common Security Agent pursuant to paragraphs (c)(ii) or (c)(iii) above, the Common Security Agent shall only act in accordance with such Enforcement Instructions until later of the Super Senior Discharge Date and the Rolled Loan Discharge Date.

### 15.3 Enforcement Instructions

(a) The Common Security Agent may refrain from enforcing the Transaction Security or taking any other action as to Enforcement unless instructed otherwise by the Intercreditor Agent and the Intercreditor Agent may refrain from delivering such instructions to the Common Security Agent or taking any other action as to Enforcement unless instructed otherwise by the Instructing Group in accordance with Clause 15.2 (*Instructions to enforce*).

(b) Subject to Clause 15.2 (*Instructions to enforce*), the applicable Instructing Group may deliver or refrain from delivering instructions to the Intercreditor Agent directing the Common Security Agent to take action as to Enforcement in accordance with the Enforcement Principles as they see fit by way of the issuance of Enforcement Instructions.

(c) The Intercreditor Agent and the Common Security Agent are entitled to rely on and comply with instructions given in accordance with this Clause 15.3.

**15.4 Enforcement of Transaction Security – Rolled Loan Cash Collateral**

(a) This Clause 15.4 is subject to Clause 3.2 (*Rolled Loan – restrictions*).

(b) If the Rolled Loan Facility Lender wishes to take Enforcement Action in respect of any Transaction Security in respect of the Rolled Loan Cash Collateral Account, the Rolled Loan Facility Lender shall first inform the Intercreditor Agent in writing of its intention to do so and the Intercreditor Agent shall promptly forward such notice to the Common Security Agent and each Creditor Representative. The Rolled Loan Facility Lender shall not take Enforcement Action in respect of any Transaction Security in respect of the Rolled Loan Cash Collateral Account on or before the date that is five (5) Business Days after the delivery of such notice to the Intercreditor Agent.

(c) If at any time prior to the Final Discharge Date (for these purposes, ignoring any amounts in respect of the Rolled Facility Loan) the Rolled Loan Facility Lender receives or recovers any Enforcement Proceeds in respect of the Rolled Loan Cash Collateral, it will hold and apply such Enforcement Proceeds (or an amount equal to such Enforcement Proceeds) in accordance with Clause 13.2 (*Turnover by the Primary Creditors*), save that it shall not be required to do so and shall be entitled to apply such Enforcement Proceeds as it choses in circumstances where such Enforcement Proceeds have been received or recovered in connection with Enforcement Action taken as permitted by limb (ii) of paragraph (b)(vi) of Clause 3.2 (*Rolled Loan – restrictions*).

**15.5 Manner of Enforcement**

(a) If the Transaction Security is being enforced or other action as to Enforcement is being taken pursuant to Clause 15.3 (*Enforcement Instructions*), the Common Security Agent shall enforce the Transaction Security (other than the Rolled Loan Cash Collateral) or take other action as to Enforcement in such manner (including, without limitation, the selection of any administrator (or any analogous officer in any jurisdiction) of any Debtor or Security Provider to be appointed by the Common Security Agent) as the applicable Instructing Group shall instruct (*provided* that such instructions are consistent with the Enforcement Principles) or, in the absence of any such instructions, as the Intercreditor Agent (as it considers in its own discretion to be appropriate and consistent with the Enforcement Principles) has instructed the Common Security Agent to do so or, in the absence of any such instructions, as the Common Security Agent considers in its discretion to be appropriate and consistent with the Enforcement Principles.

(b) If the Majority Super Senior Creditors or any Required Pari Passu Creditor (in each case acting reasonably) consider that the Common Security Agent is enforcing (or the Intercreditor Agent has directed the Common Security Agent to enforce) the Common Transaction Security in a manner that is not consistent with the Enforcement Principles, subject to paragraph (a) above, the applicable Creditor Representative (the "**Notifying Creditor Representative**") shall give notice to the Intercreditor Agent (and the Intercreditor Agent shall promptly forward such notice to the Common Security Agent and each Creditor Representative which did not deliver such notice) after which the Creditor Representatives for each of the Super Senior Creditors and the Pari Passu Creditors (or, in the case of any group of Secured Parties that choses to do so, a representative or committee of such creditor group appointed in place of its Creditor Representative for this purpose), shall consult with the Intercreditor Agent and the Common Security Agent for a period of 10 days (or such lesser period as the Notifying Creditor Representative may agree) with a view to agreeing the manner of Enforcement of the Common Transaction Security, *provided* that the such Creditor Representatives shall not be obliged to consult under this paragraph (b) more than once in relation to each Enforcement Action.

### 15.6 Exercise of voting rights

(a) Subject to paragraph (c) below, each Creditor (other than each Creditor Representative and each Arranger) agrees with the Intercreditor Agent and the Common Security Agent that it will cast its vote in any proposal put to the vote by or under the supervision of any judicial or supervisory authority in respect of any insolvency, pre-insolvency or rehabilitation or similar proceedings relating to any member of the Group as instructed by the Intercreditor Agent.

(b) Subject to paragraph (c) below, the Intercreditor Agent shall give instructions for the purposes of paragraph (a) above in accordance with any instructions given to it by the applicable Instructing Group, *provided that* any such instructions have been given in accordance with Clause 15.3 (*Enforcement Instructions*), taking into account the arrangements contemplated in paragraph (e) of Clause 17.4 (*Restriction on Enforcement*).

(c) Nothing in this Clause 15.6 entitles any party to exercise or require any other Primary Creditor to exercise such power of voting or representation to (i) waive, reduce, discharge, extend the due date for (or change the basis for accrual of any) payment of or reschedule any of the Liabilities owed to that Primary Creditor or (ii) impair or otherwise adversely affect any Credit-Specific Transaction Security.

### 15.7 Waiver of rights

To the extent permitted under applicable law and subject to Clause 15.3 (*Enforcement Instructions*), Clause 15.5 (*Manner of Enforcement*), Clause 17.2 (*Proceeds of Distressed Disposals and Debt Disposals*) and Clause 19 (*Application of proceeds*), each of the Secured Parties and the Debtors waives all rights it may otherwise have to require that the Transaction Security be enforced in any particular order or manner or at any particular time or that any amount received or recovered from any person, or by virtue of the enforcement of any of the Transaction Security or of any other security interest, which is capable of being applied in or towards discharge of any of the Secured Obligations is so applied.

### 15.8 Duties owed

Each of the Secured Parties and the Debtors acknowledges that, in the event that the Common Security Agent enforces or is instructed to enforce the Transaction Security, the duties of the Common Security Agent and of any Receiver or Delegate owed to them in respect of the method, type and timing of that enforcement or of the exploitation, management or realisation of any of that Transaction Security shall, subject to Clause 17.2 (*Proceeds of Distressed Disposals and Debt Disposals*), be no different to or greater than the duty that is owed by the Common Security Agent, Receiver or Delegate to the Debtors under general law.

### 15.9 Enforcement through Common Security Agent only

(a) Subject to paragraph (b) below, no Secured Party shall have any independent power to enforce, or have recourse to, any of the Transaction Security or to exercise any right, power, authority or discretion arising under the Transaction Security Documents except through the Common Security Agent.

(b) Subject to the terms and conditions of this Agreement (including Clauses 3.2 (*Rolled Loan – restrictions*) and Clause 15.4 (*Enforcement of Transaction Security – Rolled Loan Cash Collateral*)), the Rolled Loan Facility Lender shall have independent power to enforce and have recourse to the Credit-Specific Transaction Security in respect of the Rolled Loan Cash Collateral and to exercise any right, power, authority or discretion arising under the Transaction Security Documents related to such Transaction Security.

**15.10 Alternative Enforcement Actions**

After the Common Security Agent has commenced Enforcement of the Common Transaction Security, it shall not accept (and the Intercreditor Agent shall not deliver to it) any subsequent instructions as to Enforcement (save (i) with respect to any Credit-Specific Transaction Security, (ii) in the case where paragraph (c)(ii) or (d) of Clause 15.2 (*Instructions to enforce*) applies, (iii) after the Super Senior Discharge Date, where paragraph (d) of Clause 15.2 (*Instructions to enforce*) had applied or (iv) after the later of the Super Senior Discharge Date and the Rolled Loan Discharge Date, where any of paragraphs (c)(ii) or (c)(iii) of Clause 15.2 (*Instructions to enforce*) had applied) from anyone other than the Instructing Group that instructed it to commence such enforcement of the Common Transaction Security, regarding any other enforcement of the Common Transaction Security over or relating to shares or assets directly or indirectly the subject of the enforcement of the Common Transaction Security which has been commenced (and, for the avoidance of doubt, during any enforcement of the Common Transaction Security only paragraph (b) of the definition of Instructing Group shall be applicable in relation to any instructions (save with respect to any Credit-Specific Transaction Security) given to the Intercreditor Agent and the Common Security Agent by the Instructing Group under this Agreement).

**15.11 Power of Attorney**

The POA Agent shall not exercise any right under a Power of Attorney until after the delivery of an Enforcement Notice to the Company and to Propco and unless the Common Security Agent has instructed it to do so.

**15.12 Livranças**

The Common Security Agent shall not present any of the Livranças for payment until after the delivery of an Enforcement Notice to the Company and each Guarantor. Notwithstanding the terms of the Livrança Covering Letter, the aggregate amount to be inserted by the Common Security Agent into the Livranças may not exceed the aggregate amount of the Secured Obligations as at the date of such insertion by the Common Security Agent.

**15.13 High Yield Note Guarantees**

(a) The Parent shall ensure that the relevant documents or instruments relating to (or in respect of) each Additional High Yield Note, Additional High Yield Note Refinancing and High Yield Note Refinancing contain a provision for the release of each High Yield Note Guarantee relating to the corresponding Additional High Yield Note, Additional High Yield Note Refinancing Indebtedness or High Yield Note Refinancing Indebtedness that is equivalent in form, substance and effect to section 11.08(c) (*Release of Guarantees*) of the original form of the High Yield Note Indenture (each, a "**Required Release Provision**").

(b) No Debtor and no Bondco shall amend, vary or waive section 11.08(c) (*Release of Guarantees*) of the original form of the High Yield Note Indenture or any Required Release Provision without the prior written consent of the Intercreditor Agent (acting on the instructions of the Majority Super Senior Creditors and the Required Pari Passu Creditors).

(b) "**Non-Distressed Disposal**" means a disposal of:

(i) an asset of a member of the Group; or

(ii) an asset which is subject to the Transaction Security,

to a person or persons outside the Group where:

(A) either (x) one Officer of the Parent certifies for the benefit of the Intercreditor Agent and the Common Security Agent (and such certification is not objected to by the Credit Facility Agent within five (5) Business Days of receipt of such certificate) that that disposal is expressly permitted or not prohibited (as applicable) under the Credit Facility Documents, (y) the Credit Facility Agent notifies the Intercreditor Agent and the Common Security Agent that that disposal is expressly permitted or not prohibited (as applicable) under the Credit Facility Documents or (z) the Majority Lenders (as defined in the Credit Facilities Agreement) consent to that disposal;

(B) either (x) one Officer of the Parent certifies for the benefit of the Intercreditor Agent and the Common Security Agent that the disposal and, if the disposal is of Charged Property, the release of Transaction Security is expressly permitted or not prohibited (as applicable) under the Pari Passu Debt Documents (*provided that* such certificate has been provided to the relevant Creditor Representative(s) and the relevant Creditor Representative(s) have not objected to such certificate within 5 Business Days of receipt of such certificate) or (y) the Creditor Representative in respect of each Pari Passu Facility Agreement and Pari Passu Note Indenture authorises the release; and

(C) that disposal is not a Distressed Disposal; and

(c) "**Officer**" means the Chairman of the Board, Chief Executive Officer, Chief Financial Officer, President, any Executive Vice President, Senior Vice President or Vice President, Treasurer or Secretary of the Parent, or any Directors of the Board or any person acting in that capacity, in each case acting with due authority.

#### 16.2 Facilitation of Non-Distressed Disposals

(a) If a disposal of an asset is a Non-Distressed Disposal, the Common Security Agent is irrevocably authorised (at the cost of the Parent (*provided* that the Common Security Agent acts reasonably) and without any consent, sanction, authority or further confirmation from any Creditor, other Secured Party or Debtor) but subject to paragraph (b) below:

(i) to release the Transaction Security or any other claim (relating to a Debt Document) over that asset;

(ii) where that asset consists of shares in the capital of a member of the Group, to release the Transaction Security or any other claim (relating to a Debt Document) over that member of the Group's Property; and

(iii) to execute and deliver or enter into any release of the Transaction Security or any claim described in paragraphs (i) and (ii) above and issue any certificates of non-crystallisation of any floating charge or any consent to dealing that may, in the discretion of the Common Security Agent, be considered necessary or desirable.

(b) Each release of Transaction Security or any claim described in paragraph (a) above shall become effective only on the making of the relevant Non-Distressed Disposal.

**16.3 Facilitation of other releases**

(a) If a release of Transaction Security is (i) required to effect amendments to the Secured Obligations Documents that have been duly consented to and approved under the terms of the Secured Obligations Documents and such release would comply with the terms and conditions of section 11 (*Impairment of Security Interest*) of schedule 10 (*Covenants*) pursuant to clause 23.1 (*Notes covenants*) of the Credit Facility Agreement, section 4.21 (*Impairment of Security Interest*) of the Senior Secured 2019 Note Indenture, section 4.21 (*Impairment of Security Interest*) of the Senior Secured 2021 Note Indenture and each Equivalent Provision of any other Pari Passu Debt Document or (ii) conditional upon repayment or prepayment in full of the Secured Liabilities and the payment of all other amounts then due and payable under the Secured Obligations Documents so as to achieve the Final Discharge Date, the Common Security Agent is irrevocably authorised (at the cost of the Parent (*provided* that the Common Security Agent acts reasonably) and without any consent, sanction, authority or further confirmation from any Creditor, other Secured Party or Debtor) but subject to paragraph (b) below:

(i) to release the Transaction Security or any other claim (relating to a Debt Document) over that asset;

(ii) where that asset consists of shares in the capital of a member of the Group, to release the Transaction Security or any other claim (relating to a Debt Document) over that member of the Group's Property; and

(iii) to execute and deliver or enter into any release of the Transaction Security or any claim described in paragraphs (i) and (ii) above and issue any certificates of non-crystallisation of any floating charge or any consent to dealing that may, in the discretion of the Common Security Agent, be considered necessary or desirable.

(b) Each release of Transaction Security or any claim described in paragraph (a) above shall become effective only on the making of the relevant transaction (and, if applicable, entry into any replacement Transaction Security that may be required pursuant to the terms and conditions of section 11 (*Impairment of Security Interest*) of schedule 10 (*Covenants*) pursuant to clause 23.1 (*Notes covenants*) of the Credit Facility Agreement, section 4.21 (*Impairment of Security Interest*) of the Senior Secured 2019 Note Indenture, section 4.21 (*Impairment of Security Interest*) of the Senior Secured 2021 Note Indenture and each Equivalent Provision of any other Pari Passu Debt Document).

(c) In connection with the entry into this Agreement, the Secured Parties (other than the Common Security Agent) irrevocably authorise and instruct the Common Security Agent to execute and deliver or enter into each release of the Transaction Security listed under the heading "Release documents for Onshore Security" in schedule 4 (*Conditions subsequent documents*) of the 2016 Amendment and Restatement Agreement. The Parent agrees that such execution, deliver or entry into such releases shall be at its cost (*provided* that the Common Security Agent acts reasonably) and shall not require any consent, sanction, authority or further confirmation from any Debtor. Each other Creditor confirms that its consent is not required for such releases.

**16.4 Disposal Proceeds**

Subject to Clause 3.2 (*Rolled Loan – restrictions*), if any Disposal Proceeds are required to be applied (or offered to be applied) in mandatory prepayment or redemption of the Credit Facility Liabilities or the Pari Passu Debt Liabilities then those Disposal Proceeds shall be applied (or, if relevant, offered and then applied, if required) in accordance with the Debt Documents and the consent of any other Party shall not be required for that application or offer.

**16.5 Release of Unrestricted Subsidiaries**

If a member of the Group is designated as an Unrestricted Subsidiary in accordance with the terms of each of the Credit Facility Documents and the Pari Passu Debt Documents, the Common Security Agent is irrevocably authorised and obliged (at the cost of the relevant Debtor or the Parent (*provided* that the Common Security Agent acts reasonably) and without any consent, sanction, authority or further confirmation from any Creditor or Debtor):

(a) to release the Transaction Security or any other claim (relating to a Debt Document) over that member of the Group's assets; and

(b) to execute and deliver or enter into any release of the Transaction Security or any claim described in paragraph (a) above and issue any certificates of non-crystallisation of any floating charge or any consent to dealing that may, in the discretion of the Common Security Agent, be considered necessary or desirable or as requested by the Parent.

**17. Distressed Disposals**

**17.1 Facilitation of Distressed Disposals**

Subject to Clause 17.4 (*Restriction on Enforcement*), if a Distressed Disposal is being effected the Common Security Agent is irrevocably authorised (at the cost of the Parent and without any consent, sanction, authority or further confirmation from any Creditor, other Secured Party or Debtor):

(a) **Release of Transaction Security/non-crystallisation certificates**: to release the Transaction Security (and any claims thereunder) or any other claim over the asset subject to the Distressed Disposal and execute and deliver or enter into any release of that Transaction Security or claim and issue any letters of non-crystallisation of any floating charge or any consent to dealing that may, in the discretion of the Common Security Agent, be considered necessary or desirable;

(b) **Release of liabilities and Transaction Security on a share sale (Debtor)**: if the asset subject to the Distressed Disposal consists of shares and/or other equity interests in the capital of a Debtor, to release:

(i) that Debtor and any Subsidiary of that Debtor from all or any part of:

(A) its Borrowing Liabilities;

(B) its Guarantee Liabilities; and

(C) its Other Liabilities;

(ii) any Transaction Security granted by the Holding Company of that Debtor over the shares and other equity interests in the capital of that Debtor and any Transaction Security granted by that Debtor or any Subsidiary of that Debtor over any of its assets; and

on behalf of the relevant Creditors and Debtors;

(c) **Release of liabilities and Transaction Security on a share sale (Holding Company)**: if the asset subject to the Distressed Disposal consists of shares and/or other equity interests in the capital of any Holding Company of a Debtor, to release:

(A) its Borrowing Liabilities;

(B) its Guarantee Liabilities; and

(C) its Other Liabilities;

(ii) any Transaction Security granted by the Holding Company of that Holding Company over the shares and other equity interests in the capital of that Holding Company and any Transaction Security granted by any Subsidiary of that Holding Company over any of its assets; and

(iii) any other claim of a Bondco, Subordinated Creditor, an Intra-Group Lender or another Debtor over the assets of any Subsidiary of that Holding Company,

on behalf of the relevant Creditors and Debtors;

(d) **Facilitative disposal of liabilities on a share sale**: if the asset subject to the Distressed Disposal consists of shares and/or other equity interests in the capital of a Debtor or the Holding Company of a Debtor and the Intercreditor Agent or Common Security Agent decides to dispose of all or any part of:

(i) the Liabilities (other than Liabilities due to any Creditor Representative or Arranger or the Liabilities in respect of the principal amount outstanding in respect of the Rolled Loan); or

(ii) the Debtors' Intra-Group Receivables,

owed by that Debtor or Holding Company or any Subsidiary of that Debtor or Holding Company on the basis that any transferee of those Liabilities or Debtors' Intra-Group Receivables (the "**Transferee**") will not be treated as a Primary Creditor or a Secured Party for the purposes of this Agreement, to execute and deliver or enter into any agreement to dispose of all or part of those Liabilities or Debtors' Intra-Group Receivables on behalf of the relevant Creditors and Debtors, *provided that* notwithstanding any other provision of any Debt Document the Transferee shall not be treated as a Primary Creditor or a Secured Party for the purposes of this Agreement;

(e) **Sale of liabilities on a share sale**: if the asset subject to the Distressed Disposal consists of shares and/or other equity interests in the capital of a Debtor or the Holding Company of a Debtor and the Intercreditor Agent or Common Security Agent decides to dispose of all or any part of:

(i) the Liabilities (other than Liabilities due to any Creditor Representative or Arranger or the Liabilities in respect of the principal amount outstanding in respect of the Rolled Loan); or

(ii) the Debtors' Intra-Group Receivables,

owed by that Debtor or Holding Company or any Subsidiary of that Debtor or Holding Company on the basis that any transferee of those Liabilities or Debtors' Intra-Group Receivables will be treated as a Primary Creditor or a Secured Party for the purposes of this Agreement, to execute and deliver or enter into any agreement to dispose of:

(A) all (and not part only) of the Liabilities owed to the Primary Creditors (other than to any Creditor Representative or Arranger); and

(B) all or part of any other Liabilities (other than Liabilities owed to any Creditor Representative or Arranger) and the Debtors' Intra-Group Receivables,

on behalf of, in each case, the relevant Creditors and Debtors;

(f) **Transfer of obligations in respect of liabilities on a share sale**: if the asset subject to the Distressed Disposal consists of shares and/or other equity interests in the capital of a Debtor or the Holding Company of a Debtor (the "**Disposed Entity**") and the Intercreditor Agent or Common Security Agent decides to transfer to another Debtor (the "**Receiving Entity**") all or any part of the Disposed Entity's obligations or any obligations of any Subsidiary of that Disposed Entity in respect of:

(i) the Intra-Group Liabilities; or

(ii) the Debtors' Intra-Group Receivables,

to execute and deliver or enter into any agreement to:

(A) agree to the transfer of all or part of the obligations in respect of those Intra-Group Liabilities or Debtors' Intra-Group Receivables on behalf of the relevant Intra-Group Lenders and Debtors to which those obligations are owed and on behalf of the Debtors which owe those obligations; and

(B) to accept the transfer of all or part of the obligations in respect of those Intra-Group Liabilities or Debtors' Intra-Group Receivables on behalf of the Receiving Entity or Receiving Entities to which the obligations in respect of those Intra-Group Liabilities or Debtors' Intra-Group Receivables are to be transferred.

**17.2 Proceeds of Distressed Disposals and Debt Disposals**

The net proceeds of each Distressed Disposal and each Debt Disposal shall be paid, or distributed, to the Common Security Agent for application in accordance with Clause 19 (*Application of proceeds*) and, to the extent that any Liabilities Sale has occurred, as if that Liabilities Sale had not occurred.

**17.3 Fair value**

(a) In the case of:

(i) a Distressed Disposal; or

(ii) a Debt Disposal,

effected by, or at the request of, the Common Security Agent, the Common Security Agent shall act in accordance with this Agreement, *provided* that the Parties instructing the Intercreditor Agent and/or the Common Security Agent shall take reasonable care to obtain a fair market price having regard to the prevailing market conditions (though none of such Parties shall have any obligation to postpone (or request the postponement of) any Distressed Disposal or Debt Disposal in order to achieve a higher price).

(b) The requirement in paragraph (a) above shall be satisfied (and as between the Creditors and the Debtors shall be conclusively presumed to be satisfied) and the Common Security Agent will be taken to have discharged all its obligations in this respect under this Agreement, the other Debt Documents and generally at law if:

(i) that Distressed Disposal or Debt Disposal is made pursuant to any process or proceedings approved or supervised by or on behalf of any court of law or any Government Authority of the Macau SAR;

(ii) that Distressed Disposal or Debt Disposal is made by, at the direction of or under the control of, a liquidator, receiver, administrative receiver, administrator, compulsory manager or other similar officer (or any analogous officer in any jurisdiction) appointed in respect of a member of the Group or the assets of a member of the Group;

(iii) that Distressed Disposal or Debt Disposal is made pursuant to a Competitive Sales Process or a process contemplated under Services and Right to Use Direct Agreement; or

(iv) if a Financial Adviser appointed by the Common Security Agent in accordance with Schedule 7 (*Enforcement Principles*) has delivered a Fairness Opinion to the Common Security Agent in respect of that Distressed Disposal or Debt Disposal.

**17.4 Restriction on Enforcement**

If a Distressed Disposal, a Liabilities Sale or a Debt Disposal is being effected:

(a) the Common Security Agent is not authorised to release any Debtor, Subsidiary or Holding Company from any Borrowing Liabilities or Guarantee Liabilities owed to any Primary Creditor except in accordance with this Clause 17 (*Distressed Disposals*);

(b) no Distressed Disposal, Liabilities Sale or Debt Disposal may be made for consideration in a form other than cash except to the extent contemplated by Schedule 7 (*Enforcement Principles*);

(c) the relevant Primary Creditors shall simultaneously effect the unconditional release (or unconditional transfer to the purchaser of the relevant member of the Group) of all Borrowing Liabilities, Guarantee Liabilities and Other Liabilities owing to the Primary Creditors by the relevant Debtor and each of its direct and indirect Subsidiaries;

(d) the Common Security Agent is not authorised to release any Debtor, Subsidiary or Holding Company from any Borrowing Liabilities or Guarantee Liabilities owed to the Rolled Loan Facility Lender in respect of the Rolled Loan in connection with a Distressed Disposal unless the cash amount of the Enforcement Proceeds of such Distressed Disposal is equal to or in excess of the lower of (i) the amount standing to the credit of the Rolled Loan Cash Collateral Account or (ii) the then principal amount of the Rolled Loan and, in such case, an amount of such Enforcement Proceeds in cash equal to the amount standing to the credit of the Rolled Loan Cash Collateral Account (or, if lower, the then principal amount of the Rolled Loan) shall be treated for the purposes of Clause 19 (*Application of proceeds*) as a Recovery from the Transaction Security over the Rolled Loan Cash Collateral Account and not as a Recovery from the Common Transaction Security; and

(e) in the case that any Pari Passu Debt Liability is secured by any Credit-Specific Transaction Security, the Common Security Agent is not authorised to release any Debtor, Subsidiary or Holding Company from that Pari Passu Debt Liability in connection with a Distressed Disposal unless the cash amount of the Enforcement Proceeds of such Distressed Disposal (less the amount, if any, to be first treated as a Recovery from the Transaction Security over the Rolled Loan Cash Collateral Account) is equal to or in excess of the amount standing to the credit of the Pari Passu Notes Interest Accrual Account or Pari Passu Facility Debt Service Reserve Account (as applicable) (or, if lower, the amount of such Pari Passu Liability) plus the equivalent amount relating to each other Pari Passu Debt Liability similarly affected, and, in such case, an amount of such Enforcement Proceeds in cash equal to the amount standing to the credit of the relevant Pari Passu Notes Interest Accrual Account or Pari Passu Facility Debt Service Reserve Account (or, if lower, the then principal amount of such Pari Passu Debt Liability) shall be treated for the purposes of Clause 19 (*Application of proceeds*) as a Recovery from the Transaction Security over that Pari Passu Notes Interest Accrual Account or Pari Passu Facility Debt Service Reserve Account (as applicable) and not as a Recovery from the Common Transaction Security.

**19.8 Calculation of amounts**

(a) All *pro rata* calculations to be made in relation to this Clause 19 shall be made by the Intercreditor Agent. For the purpose of calculating any person's share of any amount payable to or by it, the Intercreditor Agent shall be entitled to:

(d) The Parent intends that this Clause constitutes, and this Clause shall be deemed to constitute, a "keepwell, support or other agreement" for the benefit of each other Debtor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

## 20. Equalisation

### 20.1 Equalisation definitions

For the purposes of this Clause 20:

"**Enforcement Date**" means the first date (if any) on which a Super Senior Creditor takes enforcement action of the type described in paragraphs (a)(i), (a)(iii), (a)(iv) or (c) of the definition of "**Enforcement Action**" in accordance with the terms of this Agreement.

"**Exposure**" means:

(a) in relation to a Credit Facility Lender, the aggregate amount of its participation (if any, and without double counting) in all Utilisations outstanding under the Credit Facility Agreement at the Enforcement Date (assuming all contingent liabilities which have become actual liabilities since the Enforcement Date to have been actual liabilities at the Enforcement Date (but not including, for these purposes only, any interest that would have accrued from the Enforcement Date to the date of actual maturity in respect of those liabilities) and assuming any transfer of claims between Credit Facility Lenders pursuant to any loss-sharing arrangement in the Credit Facility Agreement which has taken place since the Enforcement Date to have taken place at the Enforcement Date) together with the aggregate amount of all accrued interest, fees and commission owed to it under the Credit Facility Agreement and amounts owed to it by a Debtor in respect of any Ancillary Facility but excluding:

(i) any amount owed to it by a Debtor in respect of any Ancillary Facility to the extent (and in the amount) that Credit Facility Cash Cover has been provided by a Debtor in respect of that amount and is available to that Credit Facility Lender pursuant to the relevant Credit Facility Cash Cover Document;

(ii) any amount outstanding in respect of a Letter of Credit to the extent (and in the amount) that Credit Facility Cash Cover has been provided by a Debtor in respect of that amount and is available to the party it has been provided for pursuant to the relevant Credit Facility Cash Cover Document;

(iii) the principal amount of the Rolled Loan; and

(b) in relation to a Hedge Counterparty:

(i) if that Hedge Counterparty has terminated or closed out any hedging transaction under any Hedging Agreement in accordance with the terms of this Agreement on or prior to the Enforcement Date, the amount, if any, payable to it under that Hedging Agreement in respect of that termination or close-out as of the date of termination or close-out (taking into account any interest accrued on that amount) to the extent that amount is unpaid at the Enforcement Date (that amount to be certified by the relevant Hedging Counterparty and as calculated in accordance with the relevant Hedging Agreement) and to the extent that amount constitutes Super Senior Hedging Liabilities; and

(ii) if that Hedge Counterparty has not terminated or closed out any hedging transaction under any Hedging Agreement on or prior to the Enforcement Date:

(A) if the relevant Hedging Agreement is based on an ISDA Master Agreement the amount, if any, which would be payable to it under that Hedging Agreement in respect of that hedging transaction if the Enforcement Date was deemed to be an Early Termination Date (as defined in the relevant ISDA Master Agreement) for which the relevant Debtor is the Defaulting Party (as defined in the relevant ISDA Master Agreement); or

(B) if the relevant Hedging Agreement is not based on an ISDA Master Agreement, the amount, if any, which would be payable to it under that Hedging Agreement in respect of that hedging transaction if the Enforcement Date was deemed to be the date on which an event similar in meaning and effect (under that Hedging Agreement) to an Early Termination Date (as defined in any ISDA Master Agreement) occurred under that Hedging Agreement for which the relevant Debtor is in a position similar in meaning and effect (under that Hedging Agreement) to that of a Defaulting Party (under and as defined in the same ISDA Master Agreement),

to the extent that amount constitutes Super Senior Hedging Liabilities, such amount, in each case, to be certified by the relevant Hedging Counterparty and as calculated in accordance with the relevant Hedging Agreement.

"**Utilisation**" means a "Utilisation" under and as defined in the Credit Facility Agreement.

**20.2 Implementation of equalisation**

(a) The provisions of this Clause 20 shall be applied at such time or times after the Enforcement Date as the Intercreditor Agent may consider appropriate.

(b) Without prejudice to the generality of paragraph (a) above, if the provisions of this Clause 20 have been applied before all the Liabilities have matured and/or been finally quantified, the Intercreditor Agent may elect to re-apply those provisions on the basis of revised Exposures and the relevant Creditors shall make appropriate adjustment payments among themselves.

**20.3 Equalisation**

If, for any reason, any Super Senior Liabilities (other than in respect of the Rolled Loan) remain unpaid after the Enforcement Date and the resulting losses in respect of any Super Senior Liabilities (other than in respect of the Rolled Loan) are not borne by the Credit Facility Lenders and the Hedge Counterparties in the proportions which their respective Exposures at the Enforcement Date bore to the aggregate Exposures of all the Credit Facility Lenders and the Hedge Counterparties at the Enforcement Date, the Credit Facility Lenders and the Hedge Counterparties will make such payments among themselves as the Intercreditor Agent shall require to put the Credit Facility Lenders and the Hedge Counterparties in such a position that (after taking into account such payments) those losses are borne in those proportions.

**20.4 Turnover of Enforcement Proceeds**

If:

(a) the Common Security Agent or a Creditor Representative is not entitled, for reasons of applicable law, to pay or distribute amounts received pursuant to the making of a demand under any guarantee, indemnity or other assurance against loss or the enforcement of the Transaction Security to the relevant Super Senior Creditors but is entitled to pay or distribute those amounts to Creditors (such Creditors, the "**Receiving Creditors**") who, in accordance with the terms of this Agreement, are subordinated in right and priority of payment to the relevant Super Senior Creditors; and

(b) the Super Senior Discharge Date has not yet occurred (nor would occur after taking into account such payments),

then the Receiving Creditors shall make such payments or distributions to the relevant Super Senior Creditors as the Intercreditor Agent shall require to place the relevant Super Senior Creditors in the position they would have been in had such amounts been available for application against the Super Senior Liabilities.

**20.5 Notification of Exposure**

Before each occasion on which it intends to implement the provisions of this Clause 20, the Intercreditor Agent shall send notice to each Hedge Counterparty and the Credit Facility Agent requesting that it notify the Intercreditor Agent of, respectively, its Exposure and that of each Credit Facility Lender (if any).

**20.6 Default in payment**

If a Super Senior Creditor fails to make a payment due from it under this Clause 20, the Intercreditor Agent shall be entitled (but not obliged) to take action on behalf of the Super Senior Creditor(s) to whom such payment was to be redistributed (subject to being indemnified to its satisfaction by such Super Senior Creditor(s) in respect of costs) but shall have no liability or obligation towards such Super Senior Creditor(s) or any other Primary Creditor as regards such default in payment and any loss suffered as a result of such default shall lie where it falls.

**Section 7**
**The Parties**

## 21. The Common Security Agent

### 21.1 Common Security Agent as trustee

(a) The Parties acknowledge that the role of Common Security Agent is a continuation of the role of Security Agent as conducted by the Common Security Agent up to and including the effectiveness of this Agreement under and pursuant to the Credit Facility Agreement.

(b) The Common Security Agent declares that it holds the Security Property on trust for the Secured Parties on the terms contained in this Agreement. The Common Security Agent and the Secured Parties acknowledge that such declaration is simply a restatement of the declaration of trust by the Common Security Agent as originally declared by the Common Security Agent in the original form of the Credit Facility Agreement (which trust continues as restated in this Agreement and for the benefit of the Secured Parties as defined in this Agreement, with appropriate adjustments to the terms of such trust as set out in this Agreement).

(c) Each of the Primary Creditors authorises the Common Security Agent to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Common Security Agent under or in connection with the Debt Documents together with any other incidental rights, powers, authorities and discretions.

### 21.2 Parallel debt

(a) Notwithstanding any other provision of this Agreement, each Debtor irrevocably and unconditionally undertakes to pay to the Common Security Agent, as creditor in its own right and not as representative of the other Secured Parties, sums equal to and in the currency of each amount payable by each of them to each of the Secured Parties under each of the Debt Documents as and when that amount falls due for payment under the relevant Debt Document or would have fallen due but for any discharge resulting from failure of another Secured Party to take appropriate steps, in insolvency proceedings affecting any Debtor, to preserve its entitlement to be paid that amount.

(b) The Common Security Agent shall have its own independent right to demand payment of the amounts payable by the Debtors under paragraph (a), irrespective of any discharge of its obligation(s) to pay those amounts to the other Secured Parties resulting from failure by them to take appropriate steps, in insolvency proceedings affecting any Debtor, to preserve their entitlement to be paid those amounts.

(c) Any amount due and payable by any Debtor to the Common Security Agent under this Clause 21.2 shall be decreased to the extent that the other Secured Parties have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Debt Documents.

(d) Any amount paid by a Debtor to the Common Security Agent under this Clause 21.2 shall reduce the corresponding amount due and payable by such Debtor to the other Secured Parties to the extent that those Secured Parties have received (and are able to retain) payment in full of such amount under the other provisions of the Debt Documents.

## 21.3 Instructions

(a) The Common Security Agent shall:

(i) subject to paragraphs (d) and (e) below, exercise or refrain from exercising any right, power, authority or discretion vested in it as Common Security Agent in accordance with any instructions given to it by the Intercreditor Agent; and

(ii) not be liable for any act (or omission) if it acts (or refrains from acting) in accordance with paragraph (i) above (or, if this Agreement stipulates the matter is a decision for any other Creditor or group of Creditors, in accordance with instructions given to it by that Creditor or group of Creditors).

(b) The Common Security Agent shall be entitled to request instructions, or clarification of any instruction, from the Intercreditor Agent as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Common Security Agent may refrain from acting unless and until it receives those instructions or that clarification.

(c) Unless a contrary intention appears in this Agreement, any instructions given to the Common Security Agent by the Intercreditor Agent shall override any conflicting instructions given by any other Parties and will be binding on all Secured Parties.

(d) Paragraph (a) above shall not apply:

(i) where a contrary indication appears in this Agreement;

(ii) where this Agreement requires the Common Security Agent to act in a specified manner or to take a specified action;

(iii) in respect of any provision which protects the Common Security Agent's own position in its personal capacity as opposed to its role of Common Security Agent for the Secured Parties including, without limitation, Clauses 21.6 (*No duty to account*) to Clause 21.11 (*Exclusion of liability*), Clause 21.14 (*Confidentiality*) to Clause 21.21 (*Custodians and nominees*) and Clause 21.24 (*Acceptance of title*) to Clause 21.27 (*Disapplication of Trustee Acts*);

(iv) in respect of the exercise of the Common Security Agent's discretion to exercise a right, power or authority under any of:

(A) Clause 16 (*Non-Distressed Disposals*);

(B) Clause 19.1 (*Order of application*);

(C) Clause 19.2 (*Prospective liabilities*);

(D) Clause 19.3 (*Treatment of Credit Facility Cash Cover and Credit Facility Lender Cash Collateral*); and

(E) Clause 19.6 (*Permitted deductions*).

(e) If giving effect to instructions given by the Intercreditor Agent would (in the Common Security Agent's opinion) have an effect equivalent to an Intercreditor Amendment, the Common Security Agent shall not act in accordance with those instructions unless consent to it so acting is obtained from each Party (other than the Common Security Agent) whose consent would have been required in respect of that Intercreditor Amendment.

(f) In exercising any discretion to exercise a right, power or authority under the Debt Documents where either:

(i) it has not received any instructions as to the exercise of that discretion; or

(ii) the exercise of that discretion is subject to paragraph (d)(iv) above,

the Common Security Agent shall do so having regard to the interests of all the Secured Parties.

(ii) the Common Security Agent either:

(A) procured the revocation of the Power of Attorney granted in favour of the POA Agent and procured a new Power of Attorney granted in favour of the successor POA Agent; or

(B) is satisfied that the POA Agent has executed a power of attorney without reservation (in form and substance satisfactory to the Common Security Agent) in favour of the successor POA Agent in respect of all of its powers and other rights and authority under the relevant Power of Attorney and has irrevocably and unconditionally divested itself in full of its powers, rights and authority thereunder.

(j) Upon the appointment of a successor POA Agent and replacement of the existing POA Agent, the existing POA Agent shall be discharged from any further obligation in respect of the Power of Attorney. Its successor and each of the other Parties hereto shall have the same rights and obligations among themselves as they would have had if such successor had been an original Party hereto.

### 22.2 POA Agent's fee

The Borrower shall pay to the POA Agent (for its own account) a power-of-attorney agent fee in the amount and at the times agreed in any Fee Letter.

## 23. The Intercreditor Agent

### 23.1 Intercreditor Agent as agent

Each of the Primary Creditors authorises the Intercreditor Agent to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Intercreditor Agent under or in connection with the Debt Documents together with any other incidental rights, powers, authorities and discretions.

### 23.2 Instructions

(a) The Intercreditor Agent shall:

(i) subject to paragraphs (d) and (e) below, exercise or refrain from exercising any right, power, authority or discretion vested in it as Intercreditor Agent in accordance with any instructions given to it by the Instructing Group; and

(ii) not be liable for any act (or omission) if it acts (or refrains from acting) in accordance with paragraph (i) above (or, if this Agreement stipulates the matter is a decision for any other Creditor or group of Creditors, in accordance with instructions given to it by that Creditor or group of Creditors).

(b) The Intercreditor Agent shall be entitled to request instructions, or clarification of any instruction, from the Instructing Group (or, if this Agreement stipulates the matter is a decision for any other Creditor or group of Creditors, from that Creditor or group of Creditors) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Intercreditor Agent may refrain from acting unless and until it receives those instructions or that clarification.

(c) Save in the case of decisions stipulated to be a matter for any other Creditor or group of Creditors under this Agreement and unless a contrary intention appears in this Agreement, any instructions given to the Intercreditor Agent by the Instructing Group shall override any conflicting instructions given by any other Parties and will be binding on all Primary Creditors.

(d) Paragraph (a) above shall not apply:

(i) where a contrary indication appears in this Agreement;

(ii) where this Agreement requires the Intercreditor Agent to act in a specified manner or to take a specified action;

(iii) in respect of any provision which protects the Intercreditor Agent's own position in its personal capacity as opposed to its role of Intercreditor Agent for the Primary Creditors including, without limitation, Clauses 23.5 (*No duty to account*) to Clause 23.10 (*Exclusion of liability*), and Clauses 23.13 (*Confidentiality*) to Clause 23.19 (*Insurance by Intercreditor Agent*);

(iv) in respect of the exercise of the Intercreditor Agent's discretion to exercise a right, power or authority under Clause 19.1 (*Order of application*).

(e) If giving effect to instructions given by the Instructing Group would (in the Intercreditor Agent's opinion) have an effect equivalent to an Intercreditor Amendment, the Intercreditor Agent shall not act in accordance with those instructions unless consent to it so acting is obtained from each Party (other than the Intercreditor Agent) whose consent would have been required in respect of that Intercreditor Amendment.

(f) In exercising any discretion to exercise a right, power or authority under the Debt Documents where either:

(i) it has not received any instructions as to the exercise of that discretion; or

(ii) the exercise of that discretion is subject to paragraph (d)(iv) above,

the Intercreditor Agent shall do so having regard to the interests of all the Secured Parties.

(g) The Intercreditor Agent may refrain from acting in accordance with any instructions of any Creditor or group of Creditors until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Debt Documents and which may include payment in advance) for any cost, loss or liability (together with any applicable Indirect Tax) which it may incur in complying with those instructions.

(h) Without prejudice to the provisions of Clause 15 (*Enforcement of Transaction Security*) and the remainder of this Clause 23.2, in the absence of instructions, the Intercreditor Agent may act (or refrain from acting) as it considers in its discretion to be appropriate.

**23.3 Duties of the Intercreditor Agent**

(a) The Intercreditor Agent's duties under the Debt Documents are solely mechanical and administrative in nature.

(b) The Intercreditor Agent shall promptly:

(i) forward to each Creditor Representative and to each Hedge Counterparty a copy of any document received by the Intercreditor Agent from any Debtor under any Debt Document; and

(ii) forward to a Party the original or a copy of any document which is delivered to the Intercreditor Agent for that Party by any other Party.

(c) Except where a Debt Document specifically provides otherwise, the Intercreditor Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.

(d) Without prejudice to Clause 28.3 (*Notification of prescribed events*), if the Intercreditor Agent receives notice from a Party referring to any Debt Document, describing a Default and stating that the circumstance described is a Default, it shall promptly notify the Primary Creditors.

(e) The Intercreditor Agent shall have only those duties, obligations and responsibilities expressly specified in the Debt Documents to which it is expressed to be a party (and no others shall be implied).

### 23.4 No fiduciary duties to Debtors, Security Providers, Bondco or Subordinated Creditors

Nothing in this Agreement constitutes the Intercreditor Agent as an agent, trustee or fiduciary of any Debtor, any Security Provider, Bondco or any Subordinated Creditor.

### 23.5 No duty to account

The Intercreditor Agent shall not be bound to account to any other Secured Party for any sum or the profit element of any sum received by it for its own account.

### 23.6 Business with the Group

The Intercreditor Agent may accept deposits from, lend money to and generally engage in any kind of banking or other business with any member of the Group.

### 23.7 Rights and discretions

(a) The Intercreditor Agent may:

(i) rely on any representation, communication, notice or document believed by it to be genuine, correct and appropriately authorised;

(ii) assume that:

(A) any instructions received by it from the Instructing Group, any Creditors or any group of Creditors are duly given in accordance with the terms of the Debt Documents;

(B) unless it has received notice of revocation, that those instructions have not been revoked; and

(C) if it receives any instructions to act in relation to the Transaction Security, that all applicable conditions under the Debt Documents for so acting have been satisfied; and

(iii) rely on a certificate from any person:

(A) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or

(B) to the effect that such person approves of any particular dealing, transaction, step, action or thing,

as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.

(b) The Intercreditor Agent may assume (unless it has received notice to the contrary in its capacity as intercreditor agent for the Secured Parties) that:

(i) no Default has occurred;

(ii) any right, power, authority or discretion vested in any Party or any group of Creditors has not been exercised; and

(iii) any notice made by the Parent is made on behalf of and with the consent and knowledge of all the Debtors.

(c) The Intercreditor Agent may engage and pay for the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts.

(d) Without prejudice to the generality of paragraph (c) above or paragraph (e) below, the Intercreditor Agent may at any time engage and pay for the services of any lawyers to act as independent counsel to the Intercreditor Agent (and so separate from any lawyers instructed by any Primary Creditor) if the Intercreditor Agent in its reasonable opinion deems this to be desirable.

(e) The Intercreditor Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Intercreditor Agent or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.

(f) The Intercreditor Agent may act in relation to the Debt Documents and the Security Property through its officers, employees and agents and shall not:

(i) be liable for any error of judgment made by any such person; or

(ii) be bound to supervise, or be in any way responsible for any loss incurred by reason of misconduct, omission or default on the part of any such person,

unless such error or such loss was directly caused by the Intercreditor Agent's gross negligence or wilful misconduct.

(g) Unless this Agreement expressly specifies otherwise, the Intercreditor Agent may disclose to any other Party any information it reasonably believes it has received as Intercreditor Agent under this Agreement.

(h) Notwithstanding any other provision of any Debt Document to the contrary, the Intercreditor Agent is not obliged to do or omit to do anything if it would, or might in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.

(i) Notwithstanding any provision of any Debt Document to the contrary, the Intercreditor Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

**23.8 Responsibility for documentation**

The Intercreditor Agent shall not be responsible or liable for:

(a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Intercreditor Agent, a Debtor or any other person in or in connection with any Debt Document or the transactions contemplated in the Debt Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Debt Document;

(b) the legality, validity, effectiveness, adequacy or enforceability of any Debt Document, the Security Property or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Debt Document or the Security Property; or

(c) any determination as to whether any information provided or to be provided to any Secured Party is non-public information the use of which may be regulated or prohibited by applicable law or regulation relating to insider dealing or otherwise.

### 23.9 No duty to monitor

The Intercreditor Agent shall not be bound to enquire:

(a) whether or not any Default has occurred;

(b) as to the performance, default or any breach by any Party of its obligations under any Debt Document; or

(c) whether any other event specified in any Debt Document has occurred.

### 23.10 Exclusion of liability

(a) Without limiting paragraph (b) below (and without prejudice to any other provision of any Debt Document excluding or limiting the liability of the Intercreditor ), the Intercreditor Agent shall not be liable for:

(i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Debt Document or the Security Property unless directly caused by its gross negligence or wilful misconduct;

(ii) exercising or not exercising any right, power, authority or discretion given to it by, or in connection with, any Debt Document, the Security Property or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Debt Document or the Security Property;

(iii) any shortfall which arises on the enforcement or realisation of the Security Property; or

(iv) without prejudice to the generality of paragraphs (i) to (iii) above, any damages, costs, losses, any diminution in value or any liability whatsoever arising as a result of:

(A) any act, event or circumstance not reasonably within its control; or

(B) the general risks of investment in, or the holding of assets in, any jurisdiction,

including (in each case and without limitation) such damages, costs, losses, diminution in value or liability arising as a result of: nationalisation, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets; breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.

(b) No Party (other than the Intercreditor Agent) may take any proceedings against any officer, employee or agent of the Intercreditor Agent in respect of any claim it might have against the Intercreditor Agent or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Debt Document or any Security Property and any officer, employee or agent of the Intercreditor Agent may rely on this Clause subject to Clause 1.5 (*Third party rights*) and the provisions of the Third Parties Act.

(c) Nothing in this Agreement shall oblige the Intercreditor Agent to carry out:

(i) any "know your customer" or other checks in relation to any person; or

(ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Primary Creditor,

on behalf of any Primary Creditor and each Primary Creditor confirms to the Intercreditor Agent that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Intercreditor Agent.

(d) Without prejudice to any provision of any Debt Document excluding or limiting the liability of the Intercreditor Agent, any liability of the Intercreditor Agent arising under or in connection with any Debt Document or the Security Property shall be limited to the amount of actual loss which has been finally judicially determined to have been suffered (as determined by reference to the date of default of the Intercreditor Agent or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Intercreditor Agent at any time which increase the amount of that loss. In no event shall the Intercreditor Agent be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Intercreditor Agent has been advised of the possibility of such loss or damages.

**23.11 Primary Creditors' indemnity to the Intercreditor Agent**

(a) Each Primary Creditor (other than any Creditor Representative) shall (in the proportion that the Liabilities due to it bear to the aggregate of the Liabilities due to all the Primary Creditors (other than any Creditor Representative) for the time being (or, if the Liabilities due to the Primary Creditors (other than any Creditor Representative) are zero, immediately prior to their being reduced to zero)), indemnify the Intercreditor Agent, within three Business Days of demand, against any cost, loss or liability incurred by any of them (otherwise than by reason of the Intercreditor Agent's gross negligence or wilful misconduct) in acting as Intercreditor Agent under, or exercising any authority conferred under, the Debt Documents (unless the Intercreditor Agent has been reimbursed by a Debtor pursuant to a Debt Document).

(b) For the purposes only of paragraph (a) above, to the extent that any hedging transaction under a Hedging Agreement has not been terminated or closed-out, the Hedging Liabilities due to any Hedge Counterparty in respect of that hedging transaction will be deemed to be:

(i) if the relevant Hedging Agreement is based on an ISDA Master Agreement, the amount, if any, which would be payable to it under that Hedging Agreement in respect of those hedging transactions, if the date on which the calculation is made was deemed to be an Early Termination Date (as defined in the relevant ISDA Master Agreement) for which the relevant Debtor is the Defaulting Party (as defined in the relevant ISDA Master Agreement); or

(ii) if the relevant Hedging Agreement is not based on an ISDA Master Agreement, the amount, if any, which would be payable to it under that Hedging Agreement in respect of that hedging transaction, if the date on which the calculation is made was deemed to be the date on which an event similar in meaning and effect (under that Hedging Agreement) to an Early Termination Date (as defined in any ISDA Master Agreement) occurred under that Hedging Agreement for which the relevant Debtor is in a position similar in meaning and effect (under that Hedging Agreement) to that of a Defaulting Party (under and as defined in the same ISDA Master Agreement),

that amount, in each case as calculated in accordance with the relevant Hedging Agreement.

(c) Subject to paragraph (d) below, the Parent shall immediately on demand reimburse any Primary Creditor for any payment that Primary Creditor makes to the Intercreditor Agent pursuant to paragraph (a) above.

(d) Paragraph (c) above shall not apply to the extent that the indemnity payment in respect of which the Primary Creditor claims reimbursement relates to a liability of the Intercreditor Agent to a Debtor.

**23.12 Resignation of the Intercreditor Agent**

(a) The Intercreditor Agent may resign and appoint one of its Affiliates as successor by giving notice to the Primary Creditors and the Parent.

(b) Alternatively the Intercreditor Agent may resign by giving 30 days' notice to the Primary Creditors and the Parent, in which case the Majority Super Senior Creditors and the Required Pari Passu Creditors may appoint a successor Intercreditor Agent.

(c) If the Majority Super Senior Creditors and the Required Pari Passu Creditors have not appointed a successor Intercreditor Agent in accordance with paragraph (b) above within 20 days after notice of resignation was given, the retiring Security Agent (after consultation with the Creditor Representatives and the Hedge Counterparties) may appoint a successor Intercreditor Agent.

(d) The retiring Intercreditor Agent shall, at its own cost, make available to the successor Intercreditor Agent such documents and records and provide such assistance as the successor Intercreditor Agent may reasonably request for the purposes of performing its functions as Intercreditor Agent under the Debt Documents.

(e) The Intercreditor Agent's resignation notice shall only take effect upon the appointment of a successor.

(f) Upon the appointment of a successor, the retiring Intercreditor Agent shall be discharged from any further obligation in respect of the Debt Documents (other than its obligations under paragraph (d) above) but shall remain entitled to the benefit of this Clause 23 and Clause 27.2 (*Indemnity to the Intercreditor Agent*) (and any Intercreditor Agent fees for the account of the retiring Intercreditor Agent shall cease to accrue from (and shall be payable on) that date). Any successor and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if that successor had been an original Party.

(g) The Majority Super Senior Creditors and the Required Pari Passu Creditors may, by notice to the Intercreditor Agent, require it to resign in accordance with paragraph (b) above. In this event, the Intercreditor Agent shall resign in accordance with paragraph (b) above but the cost referred to in paragraph (d) above shall be for the account of the Parent.

### 23.13 Confidentiality

(a) In acting as agent for the Secured Parties, the Intercreditor Agent shall be regarded as acting through its agency division which shall be treated as a separate entity from any other of its divisions or departments.

(b) If information is received by another division or department of the Intercreditor Agent, it may be treated as confidential to that division or department and the Intercreditor Agent shall not be deemed to have notice of it.

(c) Notwithstanding any other provision of any Debt Document to the contrary, the Intercreditor Agent is not obliged to disclose to any other person (i) any confidential information or (ii) any other information if the disclosure would, or might in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty.

### 23.14 Information from the Creditors

Each Creditor shall supply the Intercreditor Agent with any information that the Intercreditor Agent may reasonably specify as being necessary or desirable to enable the Intercreditor Agent to perform its functions as Intercreditor Agent.

(a) the financial condition, status and nature of each member of the Group;

(b) Without prejudice to paragraph (a) above, in the event of:

(i) a Default;

the Parent shall pay to the Intercreditor Agent any additional remuneration (together with any applicable Indirect Tax) that may be agreed between them or determined pursuant to paragraph (c) below.

(c) If the Intercreditor Agent and the Parent fail to agree upon the nature of the duties or upon the additional remuneration referred to in paragraph (b) above or whether additional remuneration is appropriate in the circumstances, any dispute shall be determined by an investment bank (acting as an expert and not as an arbitrator) selected by the Intercreditor Agent and approved by the Parent or, failing approval, nominated (on the application of the Intercreditor Agent) by the President for the time being of the Law Society of Hong Kong (the costs of the nomination and of the investment bank being payable by the Parent) and the determination of any investment bank shall be final and binding upon the Parties.

**23.17 Reliance and engagement letters**

The Intercreditor Agent may obtain and rely on any certificate or report from any Debtor’s auditor and may enter into any reliance letter or engagement letter relating to that certificate or report on such terms as it may consider appropriate (including, without limitation, restrictions on the auditor’s liability and the extent to which that certificate or report may be relied on or disclosed).

**23.20 Delegation by the Intercreditor Agent**

(a) The Intercreditor Agent may, at any time, delegate by power of attorney or otherwise to any person for any period, all or any right, power, authority or discretion vested in it in its capacity as such.

(b) That delegation may be made upon any terms and conditions (including the power to sub-delegate) and subject to any restrictions that the Intercreditor Agent may, in its discretion, think fit in the interests of the Secured Parties.

(c) The Intercreditor Agent shall not be bound to supervise, or be in any way responsible for any damages, costs or losses incurred by reason of any misconduct, omission or default on the part of, any such delegate or sub-delegate.

## 24. Pari Passu Note Trustee Protections

### 24.1 Limitation of Pari Passu Note Trustee Liability

It is expressly understood and agreed by the Parties that this Agreement is executed and delivered by each Pari Passu Note Trustee not individually or personally but solely in its capacity as a Pari Passu Note Trustee in the exercise of the powers and authority conferred and vested in it under the relevant Pari Passu Debt Documents. It is further understood by the Parties that in no case shall a Pari Passu Note Trustee be (a) responsible or accountable in damages or otherwise to any other Party for any loss, damage or claim incurred by reason of any act or omission performed or omitted by it in good faith in accordance with this Agreement and in a manner that the relevant Pari Passu Note Trustee believed to be within the scope of the authority conferred on the Pari Passu Note Trustee by this Agreement and the relevant Pari Passu Debt Documents or by law, or (b) personally liable for or on account of any of the statements, representations, warranties, covenants or obligations stated to be those of any other Party, all such liability, if any, being expressly waived by the Parties and any person claiming by, through or under such Party, *provided* however, that a Pari Passu Note Trustee shall be personally liable under this Agreement for its own gross negligence or wilful misconduct. It is also acknowledged that a Pari Passu Note Trustee shall not have any responsibility for the actions of any individual Pari Passu Noteholder.

### 24.2 Note Trustee not fiduciary for other Creditors

The Pari Passu Note Trustee shall not be deemed to owe any fiduciary duty to any of the Creditors (other than the Pari Passu Noteholders for which it is the Creditor Representative), any of the Subordinated Creditors or any member of the Group and shall not be liable to any Creditor (other than the Pari Passu Noteholders for which it is the Creditor Representative) any Subordinated Creditor or any member of the Group if the Pari Passu Note Trustee shall in good faith mistakenly pay over or distribute to the Pari Passu Noteholders or to any other person cash, property or securities to which any Creditor (other than the Pari Passu Noteholders for which it is the Creditor Representative) shall be entitled by virtue of this Agreement or otherwise. With respect to the Creditors (other than the Pari Passu Noteholders for which it is the Creditor Representative) and any Subordinated Creditor, the Pari Passu Note Trustee undertakes to perform or to observe only such of its covenants or obligations as are specifically set forth in the relevant Pari Passu Debt Documents (including this Agreement) and no implied covenants or obligations with respect to Creditors (other than the Pari Passu Noteholders for which it is the Creditor Representative) and any Subordinated Creditor shall be read into this Agreement against a Pari Passu Note Trustee.

### 24.3 Reliance on certificates

A Pari Passu Note Trustee may rely without enquiry on any notice, consent or certificate of the Common Security Agent, the Intercreditor Agent, any other Creditor Representative or any Hedge Counterparty as to the matters certified therein.

### 24.4 Pari Passu Note Trustee

In acting under and in accordance with this Agreement a Pari Passu Note Trustee shall act in accordance with the relevant Pari Passu Note Indenture and shall seek any necessary instruction from the relevant Pari Passu Noteholders, to the extent provided for, and in accordance with, the relevant Pari Passu Note Indenture, and where it so acts on the instructions of the Pari Passu Noteholders, the Pari Passu Note Trustee shall not incur any liability to any person for so acting other than in accordance with the Pari Passu Note Indenture. Furthermore, prior to taking any action under this Agreement or the relevant Pari Passu Debt Documents, as the case may be, the Pari Passu Note Trustee may reasonably request and rely upon an opinion of counsel or opinion of another qualified expert, at the Parent's expense, as applicable; *provided, however, that* any such opinions shall be at the expense of the relevant Pari Passu Noteholders, if such actions are on the instructions of the relevant Pari Passu Noteholders.

### 24.5 Turnover obligations

Notwithstanding any provision in this Agreement to the contrary, a Pari Passu Note Trustee shall only have an obligation to turn over or repay amounts received or recovered under this Agreement by it (a) if it had actual knowledge that the receipt or recovery is an amount received in breach of a provision of this Agreement (a "**Turnover Receipt**") and (b) to the extent that, prior to receiving that knowledge, it has not distributed the amount of the Turnover Receipt to the Pari Passu Noteholders for which it is the Creditor Representative in accordance with the provisions of the relevant Pari Passu Note Indenture. For the purpose of this Clause 24.5, (i) "actual knowledge" of the Pari Passu Note Trustee shall be construed to mean the Pari Passu Note Trustee shall not be charged with knowledge (actual or otherwise) of the existence of facts that would impose an obligation on it to make any payment or prohibit it from making any payment unless a responsible officer of such Pari Passu Note Trustee has received, not less than two Business Days' prior to the date of such payment, a written notice that such payments are required or prohibited by this Agreement; and (ii) "responsible officer" when used in relation to the Pari Passu Note Trustee means any person who is an officer within the corporate trust and agency department of the Pari Passu Note Trustee, including any director, associate director, vice president, assistance vice president, senior associate, assistant treasurer, trust officer, or any other officer of the Pari Passu Note Trustee who customarily performs functions similar to those performed by such officers, or to whom any corporate trust matter is referred because of such individual's knowledge of and familiarity with the particular subject and who shall have direct responsibility for the administration of this Agreement.

### 24.6 Creditors and the Pari Passu Note Trustee

In acting pursuant to this Agreement and the relevant Pari Passu Note Indenture, the Pari Passu Note Trustee is not required to have any regard to the interests of the Creditors (other than the Pari Passu Noteholders for which it is the Creditor Representative Creditors) or any Subordinated Creditor.

### 30.2 No impairment

If, at any time after its date, any provision of a Debt Document (including this Agreement) is not binding on or enforceable in accordance with its terms against a person expressed to be a party to that Debt Document, neither the binding nature nor the enforceability of that provision or any other provision of that Debt Document will be impaired as against the other party(ies) to that Debt Document.

### 30.3 Remedies and waivers

No failure to exercise, nor any delay in exercising, on the part of any Party, any right or remedy under a Debt Document shall operate as a waiver of any such right or remedy or constitute an election to affirm any Debt Document. No election to affirm any Debt Document on the part of a Secured Party shall be effective unless it is in writing. No single or partial exercise of any right or remedy shall prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in each Debt Document are cumulative and not exclusive of any rights or remedies provided by law.

### 30.4 Waiver of defences

The provisions of this Agreement or any Transaction Security will not be affected by an act, omission, matter or thing which, but for this Clause 30.4, would reduce, release or prejudice the subordination and priorities expressed to be created by this Agreement including (without limitation and whether or not known to any Party):

(a) any time, waiver or consent granted to, or composition with, any Debtor, Security Provider or other person;

(b) the release of any Debtor, Security Provider or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any Debtor, Security Provider or other person;

(e) any amendment, novation, supplement, extension (whether of maturity or otherwise) or restatement (in each case, however fundamental and of whatsoever nature, and whether or not more onerous) or replacement of a Debt Document or any other document or security;

(f) any unenforceability, illegality or invalidity of any obligation of any person under any Debt Document or any other document or security;

(b) apply regardless of the order in which or dates upon which this Agreement and the other Debt Documents are executed or registered or notice of them is given to any person; and

(i) result in any breach of any legal or regulatory requirement beyond the control of any member of the Group (or, if applicable, the relevant Security Provider) or result in any breach of corporate benefit, financial assistance, fraudulent preference or thin capitalisation laws or regulations (or analogous restrictions) of any applicable jurisdiction;

(ii) result in a significant risk to the officers of the relevant grantor of Security of contravention of their fiduciary duties and/or of civil or criminal liability; or

(iii) require the consent of any shareholder (that is not wholly-owned directly or indirectly by the Parent or that is not SCH5) or would breach any restriction or provision contained in any joint venture agreement or shareholders' agreement or require (other than agreements solely between members of the Group and/or Affiliates of members of the Group), *provided* that such restriction or provision was not included primarily so that such guarantee or Transaction Security would be exempted pursuant to this exception;

(b) shall only be given (if at all) after taking into account:

(i) the practicality and costs involved in taking or perfecting any such guarantee or Transaction Security and (in the case of Transaction Security) the extent to which such Transaction Security may be unduly burdensome on the relevant member of the Group or interfere with the operation of its business;

(ii) the provisions of each Transaction Security Document will be limited to those obligations required by local law to create or maintain effective Transaction Security and will not impose commercial obligations;

(iii) any adverse taxation implications for the Group as a whole;

(iv) any such guarantee or Transaction Security and extent of its perfection will be agreed taking into account the costs to the Group of providing such guarantee or Transaction Security so as to ensure that it is proportionate to the benefit accruing to the Secured Parties and the principle that the Transaction Security granted in favour of the Secured Parties in respect of the Secured Obligations shall in its nature and scope remain substantially consistent with the Transaction Security created pursuant to the Existing Transaction Security Documents (and to the extent that such costs are disproportionate to the benefit accruing to the Secured Parties and such guarantee or Transaction Security is not required to satisfy such principle, such guarantee or Transaction Security or the extent of perfection shall not be given or made); and

(v) any assets subject to any arrangements with third parties (which arrangements are permitted under the Credit Facility Agreement or a Pari Passu Debt Document) which prevent those assets from being secured will be excluded from any Transaction Security and any Transaction Security Document, *provided* that reasonable endeavours for a period of 30 Business Days to obtain consent to the creation of Transaction Security over any such asset shall be used by the relevant Obligor or Group Member if such asset is material (and *provided* that if that Obligor or Group Member has used its reasonable endeavours but has not been able to obtain such consent, its obligation to obtain such consent shall cease on the expiry of that 30 Business Days period), and *provided further* that such arrangements with third parties were not entered into primarily so that such guarantee or Transaction Security would be exempted pursuant to this exception.

1.5 For the avoidance of doubt, in these Agreed Security Principles, “cost” includes, but is not limited to, income tax cost, registration taxes payable on the creation or enforcement or for the continuance of any Security, stamp duties, out-of-pocket expenses, and other fees and expenses directly incurred by the relevant grantor of Security or any of its direct or indirect owners, subsidiaries or Affiliates.

**2. Obligations to be Secured**

2.1 Subject to 1 (*Considerations*) and to paragraph 2.2 below and other than in respect of any Credit-Specific Transaction Security, the obligations to be secured are the Secured Obligations and are to be granted in favour of the Common Security Agent on behalf of each of the Secured Parties.

2.2 The secured obligations will be limited:

(a) to avoid any breach of corporate benefit, financial assistance, fraudulent preference, thin capitalisation rules or the laws or regulations (or analogous restrictions) of any applicable jurisdiction; and

(b) to avoid any risk to officers of the relevant member of the Group that is granting Transaction Security of contravention of their fiduciary duties and/or civil or criminal or personal liability.

**3. General**

The terms of any guarantee or any Transaction Security Document entered into after the date of this Agreement shall be in accordance with the following principles:

(a) where appropriate, defined terms in this Agreement shall be incorporated by reference into each Transaction Security Document;

(b) the parties to this Agreement agree to negotiate the form of each Transaction Security Document in good faith;

(c) any guarantee is subject to any limitations relating to that Additional Debtor set out in any relevant Debtor Accession Deed;

(d) the guarantees and Transaction Security shall only be enforceable upon or following the delivery of an Enforcement Notice to the relevant Debtor or Security Provider;

(e) any representations, warranties or undertakings which are required to be included in any Transaction Security Document shall reflect (to the extent to which the subject matter of such representation, warranty and undertaking is the same as the corresponding representation, warranty and undertaking in this Agreement, the Credit Facility Agreement and the Pari Passu Debt Documents) the commercial deal set out in this Agreement (save to the extent that Secured Parties' local counsel deem it necessary to include any further provisions (or deviate from those contained in this Agreement, the Credit Facility Agreement and the Pari Passu Debt Documents) in order to protect or preserve the Security granted to the Secured Parties) and will not impose additional commercial obligations;

(f) unless otherwise required under applicable law for the creation or perfection of Transaction Security in accordance with these Agreed Security Principles, the Transaction Security Documents will not contain any repetition of provisions of this Agreement or of the Credit Facility Agreement or the Pari Passu Debt Documents, such as notices, costs and expenses, indemnities, Tax gross up and distribution of proceeds (but may, in circumstances where that Transaction Security Document is to be registered, replicate certain covenants contained in this Agreement, the Credit Facility Agreement or the Pari Passu Debt Documents where to do so would be in the interests of the Secured Parties); and

(g) information, such as lists of assets (or classes or assets, if customary under local law), will be provided if, and only to the extent, required by local law to be provided in order to perfect or register the applicable Transaction Security and, when requested by the Common Security Agent (acting reasonably), shall be provided annually (unless required more frequently under local law) or, whilst an Event of Default is continuing, on the Common Security Agent's reasonable request.

**Schedule 7**
**Enforcement Principles**

**1.** In this Schedule 7:

"**Enforcement Objective**" means maximising, to the extent consistent with a prompt and expeditious realisation of value, the value realised from Enforcement.

"**Fairness Opinion**" means, in respect of any Enforcement, an opinion from a Financial Adviser that the proceeds received or recovered in connection with that Enforcement are fair from a financial point of view taking into account all relevant circumstances.

"**Financial Adviser**" means any:

(a) independent, reputable, internationally recognised investment bank;

(b) independent, internationally recognised accountancy firm; or

(c) other independent, reputable, internationally recognised, third-party professional services firm which is regularly engaged in providing valuations of businesses or financial assets or, where applicable, advising on competitive sales processes.

**2.** Any Enforcement of the Common Transaction Security shall be consistent with the Enforcement Objective and, if applicable, the Services and Right to Use Direct Agreement.

**3.** The Common Transaction Security will be enforced and other action as to Enforcement in respect of the Common Transaction Security will be taken such that either:

(a) to the extent the Instructing Group is the Majority Super Senior Creditors, all proceeds of Enforcement are received by the Common Security Agent in cash for distribution in accordance with Clause 19 (*Application of proceeds*); or

(b) to the extent the Instructing Group is the Majority Pari Passu Creditors, either:

(i) all proceeds of enforcement are received by the Common Security Agent in cash for distribution in accordance with Clause 19 (*Application of proceeds*); or

(ii) sufficient proceeds from Enforcement will be received by the Common Security Agent in cash to ensure that, when the proceeds are applied in accordance with Clause 19 (*Application of proceeds*), the Super Senior Discharge Date will occur (unless the Majority Super Senior Creditors agree otherwise).

**4.** On:

(a) a proposed Enforcement of the Common Transaction Security in relation to assets comprising Charged Property other than shares in a member of the Group over which Transaction Security exists, where the aggregate book value of such assets exceeds US$5,000,000 (or its equivalent in any other currency or currencies); or

(b) a proposed Enforcement of the Common Transaction Security in relation to Charged Property comprising some or all of the shares in a member of the Group over which Transaction Security exists,

which, in either case, is not being effected through a public auction or court process, the Intercreditor Agent shall, if requested by the Majority Super Senior Creditors or the Majority Pari Passu Creditors, appoint a Financial Adviser to provide a Fairness Opinion in relation to that Enforcement, *provided that* the Intercreditor Agent shall not be required to appoint a Financial Adviser nor obtain a Fairness Opinion if a proposed Enforcement:

(i) would result in the receipt of sufficient Enforcement Proceeds in cash by the Common Security Agent to ensure that, after application in accordance with Clause 19 (*Application of proceeds*):

(A) in the case of an Enforcement requested by the Majority Super Senior Creditors, the Final Discharge Date would occur; or

(B) in the case of an Enforcement requested by the Majority Pari Passu Creditors, the Super Senior Discharge Date would occur,

(ii) is in accordance with any applicable law; and

(iii) complies with Clause 17 (*Distressed Disposals*).

**5.** The Intercreditor Agent shall be under no obligation to appoint a Financial Adviser or to seek the advice of a Financial Adviser unless expressly required to do so by this Schedule 7 or any other provision of this Agreement.

**6.** In any public or private auction or other competitive sales process, each Pari Passu Creditor may, at its reasonable request, receive the same information, have the same access to management and have the same rights to participate, at the same time and on the same basis, as each other potential bidder in such process.

**7.** The Fairness Opinion will be conclusive evidence that the Enforcement Objective has been met.

**8.** The Common Security Agent shall be under no obligation to take any action that would be contrary to its agreements in the Services and Right to Use Direct Agreement.

## Schedule 9
## Hedge Counterparties' guarantee and indemnity

### 1. Guarantee

Each Debtor irrevocably and unconditionally jointly and severally:

(a) guarantees to each Hedge Counterparty punctual performance by each other Debtor of all that Debtor's obligations under the Hedging Agreements;

(b) undertakes with each Hedge Counterparty that whenever another Debtor does not pay any amount when due under or in connection with any Hedging Agreement, that Debtor shall immediately on demand pay that amount as if it was the principal Debtor; and

(c) agrees with each Hedge Counterparty that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Hedge Counterparty immediately on demand against any cost, loss or liability it incurs as a result of a Debtor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Hedging Agreement on the date when it would have been due. The amount payable by a Debtor under this indemnity will not exceed the amount it would have had to pay under this Schedule 9 if the amount claimed had been recoverable on the basis of a guarantee.

### 2. Continuing guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Debtor under the Hedging Agreements, regardless of any intermediate payment or discharge in whole or in part.

### 3. Reinstatement

If any discharge, release or arrangement (whether in respect of the obligations of any Debtor or any security for those obligations or otherwise) is made by a Hedge Counterparty in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Debtor under this Schedule 9 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

### 4. Waiver of defences

The obligations of each Debtor under this Schedule 9 will not be affected by an act, omission, matter or thing which, but for this Schedule 9, would reduce, release or prejudice any of its obligations under this Schedule 9 (without limitation and whether or not known to it or any Hedge Counterparty) including:

(a) any time, waiver or consent granted to, or composition with, any Debtor or other person;

(b) the release of any other Debtor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Debtor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Debtor or any other person;

(e) any amendment, novation, supplement, extension restatement (however fundamental and whether or not more onerous) or replacement of a Hedging Agreement or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any hedging arrangements or the addition of any new hedging arrangements under any Hedging Agreement or other document or security;

(f) any unenforceability, illegality or invalidity of any obligation of any person under any Hedging Agreement or any other document or security; or

(g) any insolvency or similar proceedings.

**5. Debtor intent**

Without prejudice to the generality of paragraph 4 (*Waiver of defences*), each Debtor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Hedging Agreements and/or any hedging made available for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

**6. Immediate recourse**

Each Debtor waives any right it may have of first requiring any Hedge Counterparty (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Debtor under this Schedule 9. This waiver applies irrespective of any law or any provision of a Hedging Agreement to the contrary.

**7. Appropriations**

Until all amounts which may be or become payable by the Debtors under or in connection with the Hedging Agreements have been irrevocably paid in full, each Hedge Counterparty (or any trustee or agent on its behalf) may:

(a) refrain from applying or enforcing any other moneys, security or rights held or received by that Hedge Counterparty (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Debtor shall be entitled to the benefit of the same; and

(b) hold in an interest-bearing suspense account any moneys received from any Debtor or on account of any Debtor’s liability under this Schedule 9.

**8. Deferral of Debtors’ rights**

Until all amounts which may be or become payable by the Debtors under or in connection with the Hedging Agreements have been irrevocably paid in full, no Debtor will exercise any rights which it may have by reason of performance by it of its obligations under the Hedging Agreements or by reason of any amount being payable, or liability arising, under this Schedule 9:

(a) to be indemnified by a Debtor;

(b) to claim any contribution from any other guarantor of any Debtor's obligations under the Hedging Agreements;

(c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Hedge Counterparties under the Hedging Agreements or of any other guarantee or security taken pursuant to, or in connection with, the Hedging Agreements by any Hedge Counterparty;

(d) to bring legal or other proceedings for an order requiring any Debtor to make any payment, or perform any obligation, in respect of which any Debtor has given a guarantee, undertaking or indemnity under paragraph 1 (*Guarantee*);

(e) to exercise any right of set-off against any Debtor; and/or

(f) to claim or prove as a creditor of any Debtor in competition with any Hedge Counterparty.

If a Debtor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Hedge Counterparties by the Debtors under or in connection with the Hedging Agreements to be repaid in full on trust for the Hedge Counterparties and shall promptly pay or transfer the same to the Relevant Hedge Counterparty.

**9. Release of Debtors' right of contribution**

If any Debtor (a "**Retiring Debtor**") ceases to be a Debtor in accordance with the terms of the Hedging Agreements for the purpose of any sale or other disposal of that Retiring Debtor then on the date such Retiring Debtor ceases to be a Debtor:

(a) that Retiring Debtor is released by each other Debtor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Debtor arising by reason of the performance by any other Debtor of its obligations under the Hedging Agreements; and

(b) each other Debtor waives any rights it may have by reason of the performance of its obligations under the Hedging Agreements to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Hedge Counterparties under any Hedging Agreement or of any other security taken pursuant to, or in connection with, any Hedging Agreement where such rights or security are granted by or in relation to the assets of the Retiring Debtor.

**10. Additional security**

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Hedge Counterparty.

**11. Additional Debtor limitations**

The guarantee of any Additional Debtor is subject to any limitations relating to that Additional Debtor set out in any relevant Debtor Accession Deed.
