**18.5 Election of remedies**

The liability and obligation of a Defaulting Shareholder in respect of a particular Capital Call shall be eliminated to the extent that the Default Amount has been subscribed for by any Non Defaulting Shareholder under **clause 18.2**. If the Default Amount is not subscribed for, the Defaulting Shareholder will remain liable for such amount and this clause does not affect the rights that the Company or Non Defaulting Shareholder may have against the Defaulting Shareholder. In the event that there are two or more Defaulting Shareholders in respect of the same Capital Call and some, but not all, of the Default Amount is subscribed for by any Non Defaulting Shareholders, the amount of the liability and obligation of each Defaulting Shareholder that is eliminated thereby shall be in proportion to their respective portions of the Default Amount. Upon elimination of the liability and obligation of a Defaulting Shareholder under the foregoing provisions, no claims for damages or otherwise may be made or continued against that Defaulting Shareholder, or any other person who may have made guarantees or commitments, in each case in respect of the applicable Default Amount.

**18.6 Company action in respect of MCE Shareholder default**

In the event an MCE Shareholder is a Defaulting Shareholder, the Minority Directors shall have the power to direct the Company to pursue all appropriate remedies, subject to **clause 18.5**, against the Defaulting Shareholder and against any party that has made an equity commitment to the Company in respect of the obligations of that Defaulting Shareholder and the Company shall be required to act in accordance with any such direction. Any such act that requires approval of the Board may be taken with the approval of all of the Minority Directors notwithstanding any contrary action by the MCE Directors.

**19.1 Requirement for additional capital**

If, after the maximum amount payable in respect of all Capital Calls has been subscribed for or advanced (less any amounts called under **clause 17** and which have not been subscribed for or advanced under that clause or **clause 18**), the Board determines that additional capital is currently required or imminently likely to be required to fund the construction and development of the MSC Property, then the Board may (i) seek the required capital from third parties either in the form of a loan (subject to **clause 7.2(a)**) or through the issuance of additional securities in accordance with **clause 21** or (ii) serve a notice to MCE and the Shareholders under **clause 19.3(a)** .

(a) the issue price for the Securities must be Fair Market Value;

(b) the proposed subscription date is the date specified in the Additional Capital Notice; and

(b) Subject to **clause 20.2(a)**, each Shareholder must provide that proportion of the aggregate amount of Financial Support to be provided under that clause equal to the proportion that the Financial Interest of that Shareholder bears to the aggregate Financial Interests held by all Shareholders at the time requested by the Board under that clause.

(c) If the Project Lenders require additional Financial Support (in addition to the Financial Support provided under **clause 20.2(a)**) each of the Shareholders agree to negotiate in good faith as to the form, terms, and amount of additional Financial Support (if any) that Shareholder or its Affiliates is prepared to provide.

(b) The parties agree that the Financial Support Fee charged by each Shareholder will be equal to two percent per annum of the aggregate amount of the non-recourse debt supported by that Shareholder.

(c) The Financial Support Fee (or portion of that amount) will be charged to the Company each Quarter of each year in which the Financial Support is provided.

(d) In addition to the Financial Support Fee, each Shareholder may charge to the Company all reasonable costs incurred by the Shareholder in providing the Financial Support (including all establishment and administration fees and reasonable legal fees and expenses and, in the case of a letter of credit, all interest, fees and charges) from time to time.

(e) If two or more persons provide support in respect of the same facility, the fees in respect of that facility and the payment of those fees will be proportionate to the amount of support provided by each such person but in no event will the fee exceed two percent of the amount supported in aggregate.

(f) The Financial Support Fee must be paid prior to any dividends or other distributions in respect of Securities.

## 20.4 Financial Support is called on

(a) If for whatever reason, the Financial Support provided by a Shareholder or former Shareholder (**Financial Supporter**) is called on, or will be imminently called on, the Financial Supporter may advance the amount called on to the Company in the form of a loan (**Financial Support Loan**).

**20.8 Cessation of Financial Support**

Each Financial Supporter agrees that if advised by the Project Lenders that Financial Support is no longer required, and subject to being released from the obligation to provide Financial Support by the Project Lenders, that Financial Supporter will stop providing that support as soon as practicable and any break fees, early termination fees or similar fees payable by the Financial Supporter to the Project Lenders in connection with that cessation will be charged to the Company.

**20.9 Related Party Transactions**

The Policy on Related Party Transactions will not apply to the making of any loan or the issue of any Securities or the payment of the Financial Support Fee under this **clause 20**, but it will apply to payment by the Company of any other fees in connection with, or the granting of any priorities, encumbrances or other economic benefits in respect of, the provision of Financial Support.

**20.10 No obligation**

Except as expressly provided for in this **clause 20**, no Shareholder or any of their respective Affiliates is required to provide Financial Support or, except as expressly set out in this document (and in particular **clause 17**), under any obligation to provide any other financial accommodation, guarantee or other similar commitment or comfort in relation to any Group Company.

21 Pre-emptive rights on issue

**21.1 Pro rata offer**

(a) If the Board resolves to issue any Securities, the Securities must, subject to the Policy on Related Party Transactions being complied with (except where such Securities are issued after Opening in which case the Policy on Related Party Transactions will not apply), be offered to all the Shareholders (each an **Offeree**) on the following terms (**Offer**):

(i) each Offeree is entitled to subscribe for up to its Respective Proportion of the Securities proposed to be issued;

(ii) the Offeree, if it accepts the Offer, must subscribe for the Securities it applies for; and

(b) Despite **clause 21.1(a)**, in the case of **clauses 17**, **18**, **19**, **20** and **29**, this **clause 21** shall only apply as provided in such clauses, with such changes as are provided therein.

(c) After Opening, Securities proposed to be issued under this **clause 21** must be issued at Fair Market Value which shall be determined in accordance with the procedures in **clause 34**, except that references to each Quarter in such clause shall instead be deemed to refer to the date of the applicable Offer Notice under **clause 21.2**.

**21.2 Offer Notice**

The Company must make the Offer to each Offeree by giving a notice in writing (**Offer Notice**) to each Offeree specifying:

(a) the total number of Securities proposed to be issued;

(b) the number of Securities the Offeree is entitled to subscribe for (up to its Respective Proportion of the aggregate of all Securities to be issued); and

**21.6 Disposal to third parties**

If any Securities are not taken up under the Offers (or any of the Offerees default in respect of any such subscription obligation) then the Company may issue any Securities not taken up (on the same terms as specified in the Offer Notice):

(a) firstly, to any Offerees that have offered to subscribe for Unsubscribed Securities under **clause 21.3(b)** (and, if there is competition between them, on a pro rata basis to their acceptances under **clause 21.3(a)** ) but on the basis that no Offeree will be required to subscribe for more than the number of additional Securities specified in its notice under **clause 21.3(b)**; and

(b) secondly, to any person (other than any Shareholder), at any time within 180 days after the end of the period referred to in **clause 21.3** (subject to the extension of such 180 day period for a reasonable time not to exceed 90 days to the extent reasonably necessary to obtain any required Authorisation) on terms no more favourable to such person than those offered to the Offerees.

(a) if, following that Transfer, MCE would have an Effective Interest in Securities less than or equal to 40%, such Transfer may only be made pursuant to **clause 26** in a transaction in which the Dragging Shareholders have required all of the Dragged Shareholders to Transfer their Dragged Securities to the Third Party Purchaser (or to such person as the Third Party Purchaser directs) in accordance with, and provided the Dragging Shareholders have complied with, **clause 26**.

(b) no such Transfer may be made to eSun or any of its Affiliates without the prior written consent of the Majority of the Minority Shareholders.

### 22.4 Credit worthiness

A Shareholder must not Transfer any Securities under **clauses 23**, **24** or **27** unless:

### 22.5 Transfers of Financial Interests

So long as any Capital Calls may still be made by the Board, any Transfer of Securities by a Shareholder to a person in accordance with this document must be accompanied by a Transfer of that proportion of the Financial Interests held by that Shareholder equal to the proportion that the Securities on issue transferred by that Shareholder bears to the total number of Securities on issue held by that Shareholder immediately prior to the transfer. For the avoidance of doubt, a Transfer of Financial Interests by a Shareholder as provided by this **clause 22.5** shall relieve that Shareholder of any further liability or obligation in respect of the Financial Interests subject to such Transfer.

The Tagging Shareholders must, if requested by the Proposed Seller, represent and warrant to the Proposed Purchaser on completion of the Transfer of the Tagging Securities that they are the legal owners of the Tagging Securities and have full power and authority to Transfer the Tagging Securities free of any Encumbrances but will not be required to provide any other representations or warranties.

**25.8 Liability and other terms**

(a) The liability of any Tagging Shareholder to the Proposed Purchaser in connection with any warranty, representation, indemnity, obligation, escrow, holdback, retention or similar provision will be several (and not joint or joint and several) and will be pro rata based on the consideration received by the Proposed Seller and each Tagging Shareholder, in each case limited to the amount actually received by the Tagging Shareholder in respect of the Transfer of that Shareholder’s Tagging Securities.

(b) MCE must procure that the Transfer of the Tagging Securities to the Proposed Purchaser be on terms no more onerous to the Tagging Shareholders than the terms on which the Proposed Purchaser proposes to purchase the Sale Securities.

(c) The Proposed Purchaser must assume all Financial Interests of the Tagging Shareholders.

## 26 Drag along

### 26.1 Drag Along Right

If one or more Shareholders that together own a majority of the Securities on issue (**Dragging Shareholders**) receive a bona fide offer from an unrelated third party (**Third Party Purchaser**) to purchase all of the Securities on issue solely for cash or cash equivalents (whether by Transfer, merger or other similar transaction) then the Dragging Shareholders have the right (**Drag Along Right**) to require all of the other Shareholders (**Dragged Shareholders**) to Transfer all their Securities (**Dragged Securities**) to the Third Party Purchaser (or to such person as the Third Party Purchaser directs) in accordance with, and provided the Dragging Shareholders have complied with, this **clause 26**.

### 26.2 Proposed Drag Notice

If the Dragging Shareholders propose to exercise the Drag Along Right they must give notice to the Company and the Dragged Shareholders (**Proposed Drag Notice**) on or before the date 30 Business Days prior to the proposed date of Transfer of all of the Securities to the Third Party Purchaser, specifying:

(a) the name and address of the Third Party Purchaser;

(b) the consideration per Security (or class of Security) payable (directly or indirectly) for the Dragged Securities;

(c) the proposed date of Transfer of the Dragged Securities;

(d) details of any payments or other consideration reasonably expected to be received, directly or indirectly, by the Dragging Shareholders from the Third Party Purchaser in connection with the Transfer, including in connection with any potential Related Agreements under **clause 26.9**;

(e) details of any potential Related Agreements under **clause 26.9**;

(f) the name of a reputable internationally recognised investment bank proposed to be instructed by the Dragging Shareholders to prepare the Fairness Opinion; and

(g) all other material terms and conditions on which the Dragged Securities are to be Transferred.

### 26.3 Fairness Opinion

(a) On or before the date five Business Days after the date of the Proposed Drag Notice, holders of a majority of the Dragged Securities must serve a notice on the Dragging Shareholders stating whether they consent to the appointment of the investment bank specified in the Proposed Drag Along Notice.

(b) If such holders of Dragged Securities do not consent to the appointment of the investment bank specified in the Proposed Drag Along Notice, or fail to give a notice consenting to that appointment within the period specified in **clause 26.3(a)**, the Dragging Shareholders, on the one hand, and such objecting holders of Dragged Securities, on the other hand, must meet within 5 Business Days to attempt in good faith to agree to an investment bank to prepare the Fairness Opinion.

(c) If such Shareholders cannot agree on an investment bank within 3 Business Days of first meeting under **clause 26.3(b)** , any such Shareholder may request the HKIAC to appoint an independent Expert having the qualifications set out in **clause 7.3(f)(iii)** and to instruct that Expert to promptly nominate an investment bank to prepare the Fairness Opinion.

(d) The Dragging Shareholders must promptly instruct the investment bank agreed to under this **clause 26.3** or appointed under **clause 26.3(b)** to prepare an opinion as to the fairness of the proposed transaction to the Dragged Shareholders from a financial perspective (**Fairness Opinion**) and **clauses 37.1(a)** to **37.1(h)** will not apply to such Fairness Opinion.

**26.4 Exercise of Drag Right**

If in the opinion of the investment bank agreed to under **clause 26.3** or appointed under **clause 26.3(b)** the proposed transaction is fair from a financial point of view to the Dragged Shareholders, the Dragging Shareholders may serve a notice on each of the Dragged Shareholders (**Drag Along Notice**) requiring them to Transfer all of their Securities on the terms set out in the Proposed Drag Along Notice but no sooner than 15 Business Days after the Drag Along Notice is deemed given in accordance with **clause 39**.

**26.5 Lapsing of Drag Along Notice**

(a) A Drag Along Notice is irrevocable but will lapse if all of the Securities are not Transferred to the Third Party Purchaser within 180 days after the Drag Along Notice is deemed given in accordance with **clause 39** (which 180 day period may be extended for a reasonable time not to exceed 90 days to the extent reasonably necessary to obtain any required Authorisation).

(b) The Dragging Shareholders may serve further Proposed Drag Notices and Drag Along Notices following the lapse of any Drag Along Notice, in compliance with the provisions of this **clause 26**.

**26.6 Completion of the sale**

Completion of the sale (including payment) of the Dragged Securities must take place on the same date as the completion of the sale of the Securities held by the Dragging Shareholders.

**26.7 Application to New Shareholders**

If any person (other than a Third Party Purchaser), following the issue of a Drag Along Notice, becomes a Shareholder, whether pursuant to the exercise of pre-existing options to acquire Securities or otherwise (**New Shareholder**), then a Drag Along Notice will be deemed to have been served on the New Shareholder on the same terms as the previous Drag Along Notice, and each such New Shareholder will be required to sell Securities acquired by it to the Third Party Purchaser (or such person as the Third Party Purchaser directs) and the provisions of this **clause 26** will apply, with appropriate changes, to the New Shareholder.

### 26.8 Consideration for Dragged Securities

The consideration payable by the Third Party Purchaser for the Dragged Securities must be solely in cash or cash equivalents and must be the same in value, on a per Security basis, as payable by the Third Party Purchaser to the Dragging Shareholders for their Securities of that same class.

### 26.9 Related Agreements

(a) If the Dragging Shareholders or any of their Affiliates have entered into or propose to enter into any Contract (**Related Agreement**) in connection with, in anticipation of or related to, the proposed Transfer of Securities under this **clause 26**, including:

(i) to provide consulting or other services (including as to casino management), or for the discontinuation of any services (including as to casino management), to any Group Company, the Third Party Purchaser or any of their respective Affiliates; or

(ii) not to compete with any of the persons specified in **clause 26.9(a)(i)**,

the Dragging Shareholder must within 20 Business Days of completion of the sale of all the Securities, instruct a person selected from the list set out in **schedule 4** to determine the net present value of the Related Agreements under **clause 26.9(c)**.

(b) If one or more of the Shareholders that hold 5% or more of the Securities on issue disagree with the determination of net present value of the Related Agreements under **clause 26.9(a)** made by the person selected by the Dragging Shareholder, the net present value of the Related Agreements shall be determined under **clause 26.9(c)** by taking the arithmetic mean of the determination of net present of value by such person and the determination of net present value by a different person selected by the holders of a majority of the Securities on issue held by all such objecting 5% or greater Shareholders from the list set out in **schedule 4**. If the difference between the two calculations of net present value made by those persons is greater than 10% of the value of the higher calculation, then an internationally recognised accounting firm that is independent of the Company and MCE must be selected by those two persons and the final net present value shall be the value that is the arithmetic mean of the valuation calculated by such accounting firm and the valuation of such first two persons that is closest to the valuation of the accounting firm.

(c) The net present value of the Related Agreements must be determined as at the date of completion of the sale of all the Securities and will be equal to:

(i) the amount of any payment received, or reasonably likely to be received, by the Dragging Shareholders or any of their Affiliates under the Related Agreements; less

(ii) any costs of the type reimbursable under the Casino Management Agreement or, as to services other than casino management, any other reasonable costs ordinarily incurred in providing any of the services under the Related Agreements,

but excluding any amounts under **clause 26.9(c)(i)** (not exceeding 2% of the aggregate purchase price for the Securities) for services (other than casino management services) that are not being provided to a Group Company prior to completion of the sale of the Securities and which are entered into on arm's length terms.

(d) The Dragging Shareholders must within 20 Business Days of the final determination of net present value of the Related Agreements, pay to each of the Dragged Shareholders in cash the proportion of such amount that the number of Securities held by them immediately prior to completion of the sale of the Securities bears to the total number of Securities held by all Shareholders at such time.

**26.10 Warranties on Transfer of the Dragged Securities**

The Dragged Shareholders must, if requested by the Dragging Shareholder, represent and warrant to the Third Party Purchaser that they are the legal owners of the Dragged Securities and have full power and authority to Transfer their Securities free of any Encumbrances but will not be required to provide any other representations or warranties.

**26.11 Liability and other terms**

(a) The liability of any Dragged Shareholder to the Third Party Purchaser in connection any warranty, representation, indemnity obligation, escrow, holdback, retention or similar provision will be several (and not joint or joint and several) and will be pro rata based on the consideration received by the Dragging Shareholders and each Dragged Shareholder, in each case limited to the amount actually received by the Dragged Shareholder in respect of the Transfer of that Shareholder's Dragged Securities.

(b) The Dragging Shareholders must procure that the Transfer of the Dragged Securities to the Third Party Purchaser be on terms no more onerous to the Dragged Shareholders than the terms on which the Third Party Purchaser proposes to purchase the Securities held by the Dragging Shareholders.

(c) The Third Party Purchaser must assume all Financial Interests of the Dragged Shareholders.

## 27 Compulsory Transfer

### 27.1 Competitor or Unsuitable Person

(a) A Shareholder must promptly notify the Company and each other Shareholder if it has actual knowledge that any holder of Upstream Securities in that Shareholder, has become, or is reasonably likely to become, a Competitor or Unsuitable Person (and for this purpose, paragraphs (a) and (b) of the definition of Unsuitable Person will not apply).

(b) If at any time a Shareholder, or holder of Upstream Securities in a Shareholder, other than a person to whom **clause 27.3** applies, becomes a Competitor or an Unsuitable Person (**Prohibited Investor**) and any Shareholder affected thereby serves, at any time, a notice on the relevant Shareholder (with a copy to the Company) to that effect, the Shareholder on whom notice has been served must:

(i) where the Shareholder has become a Competitor or an Unsuitable Person, subject to **clause 27.3**, immediately offer all the Securities held by it for sale on a pro rata basis to each other Shareholder and the Shareholder must use commercially reasonable endeavours to procure the sale of any Securities which have not been purchased following the completion of that process to a third party (but subject to the terms of this document); and

(ii) where a holder of Upstream Securities in a Shareholder has become a Competitor or an Unsuitable Person, immediately procure that the holder transfers all of its interests in the Upstream Securities to a person that is not a Competitor or an Unsuitable Person (but subject to the restrictions on Transfer in this document).

### 27.2 Governmental Agency

(a) Each Shareholder acknowledges that each other Shareholder, each holder of Upstream Securities, and their respective Affiliates from time to time are or may be engaged in businesses that are the subject of regulation by Governmental Agencies (including Gaming Regulators).

(b) If any Shareholder, holder of Upstream Securities or any of their respective Affiliates (**Notified Party**):

(i) is directed by any Governmental Agency to terminate its association with any other Shareholder, or any holder of Upstream Securities in any other Shareholder, or any of their respective Affiliates; or is advised in writing by a Gaming Regulator that such direction will be made; or

(ii) receives notice in writing from any Governmental Agency that:

(A) any other Shareholder, or any holder of Upstream Securities in any other Shareholder, or any of their respective Affiliates; or

(B) any officer, director or employee of any of the persons in **clause 27.2(b)(ii)(A)**,

is an Unsuitable Person, or in the opinion of the Gaming Regulator is a person who may result in such Notified Party or its Affiliates being directed to terminate its association with the relevant Shareholder, holder of Upstream Securities, or Affiliate or, in the case of MCE or its Affiliates, that such association may result in the ability of MCE Subconcessionaire to operate games of fortune and chance and other games in casino in Macau being materially adversely affected,

then the Notified Party (in the case of a Shareholder), the Shareholder that is an Affiliate of the Notified Party (in the case of an Affiliate of a Shareholder), or the Shareholder that is related to the holder of Upstream Securities or Affiliate thereof (in the case of a holder of Upstream Securities or an Affiliate thereof) must give a notice (**Suitability Notice**) in writing to the relevant Shareholder (**Relevant Holder**) to that effect.

(c) If a Relevant Holder, other than a person to whom **clause 27.3** applies, receives a Suitability Notice under **clause 27.2(b)** , it must:

(i) where the Notified Party has been directed by any Governmental Agency to terminate its association with that Relevant Holder, or where the Notified Party has received a notice under **clause 27.2(b)(ii)(A)** in relation to that Relevant Holder, immediately offer all the Securities held by such Relevant Holder for sale on a pro rata basis to each other Shareholder and use commercially reasonable endeavours to procure the sale of any Securities which have not been purchased following the completion of that process to a third party (but subject to the terms of this document);

(ii) where the Notified Party has been directed by any Governmental Agency to terminate its association with a holder of Upstream Securities or any of its Affiliates or where a notice has been received by a Notified Party under **clause 27.2(b)(ii)(A)** in relation to a holder of Upstream Securities or any of its Affiliates, immediately procure that such holder of Upstream Securities Transfers all of its interests in the Upstream Securities to a person that is not a Competitor or Unsuitable Person (but subject to the terms of this document);

(iii) where the Notified Party has been directed by any Governmental Agency to terminate its association with an Affiliate of that Relevant Holder, or where the Notified Party has received a notice under **clause 27.2(b)(ii)(A)** in relation to any Affiliate of that Relevant Holder, immediately terminate its association with such Affiliate or comply with **clause 27.2(c)(i)** or **27.2(c)(ii)**, as applicable; or

(iv) where a notice has been received by the Notified Party under **clause 27.2(b)(ii)(B)** in relation to any officer, director or employee of any of the persons specified in **clause 27.2(b)(ii)(A)** , procure that the relevant director, officer or employee is terminated or resigns their office.

**27.3 Existing holders**

The parties agree that if, in respect of any person who is, as at the date of this document, a Shareholder, or the holder of Upstream Securities in a Shareholder:

(a) that person or any Permitted Transferee to whom those Securities or Upstream Securities are transferred in accordance with this document becomes a Competitor or an Unsuitable Person; or

(b) that person is the subject of any notice from a Governmental Agency under **clause 27.2(b)(ii)**,

**clauses 27.1(b)** and **27.2(c)** (as the case may be) will not apply and instead MCE and the relevant Shareholder will meet to agree on a process for resolving the issue.

**27.4 Specific performance**

Each Shareholder acknowledges that:

(a) any breach of the obligations in **clause 27.2** may result in any party to this document suffering damage, for which damages may not be an adequate remedy; and

(b) a party is entitled to seek specific performance as a remedy in respect of a breach by a party of its obligations under **clause 27.2** (in addition to any other remedies available at Law).

28 Shareholders

**28.1 Deed of Accession**

(a) A Shareholder who proposes to Transfer any Securities to anyone other than another Shareholder must ensure that the transferee enters into a Deed of Accession before the Transfer takes place.

(b) Before issuing Securities to anyone other than another Shareholder the Company must ensure that the person to whom the Securities are to be issued enters into a Deed of Accession.

**28.2 Accession by holders of Upstream Securities**

Each Shareholder must procure that each holder of Upstream Securities having an Effective Interest in Securities as at the date of this document of 1% or more, and each person to whom Upstream Securities are proposed to be Transferred and who would following that Transfer have an Effective Interest in Securities greater than 1%, must enter into an agreement (in a form reasonably acceptable to the Company and consistent with **clause 27**) under which that person agrees to comply with **clause 27** and to keep confidential any information provided to them under **clause 30** or **31** on the terms of that clause (and in any event no more onerous to them than the terms of the Confidentiality Deed).

**28.3 Minimum transaction size**

Minority Shareholders must not Transfer less than 2% of the Securities on issue to any one person other than to the MCE Shareholders under **clause 24**.

## 29 IPO

**29.1 Right to demand an IPO**

(a) Subject to **clause 29.1(b)** any Shareholder (other than an MCE Shareholder) holding more than 20% of the Securities (**Demanding Shareholder**) on issue may, by notice to the Company (with a copy to MCE), demand an IPO.

(b) A Demanding Shareholder may only demand an IPO on or after the Opening.

(c) For the avoidance of doubt, in determining the percentage of Securities held by a Demanding Shareholder, any reduction in the percentage arising out of Securities issued subsequent to the date hereof or in the IPO will be disregarded, except where such issue occurs under **clause 17** or **18**.

**29.2 Revocation**

A call for an IPO is revocable, however if revoked prior to the IPO, the Shareholder that called for the IPO may not call for an IPO again for another 12 months from the date the call was revoked.

**29.3 Condition to IPO**

Despite **clause 29.1**, it is a condition to any IPO demanded by a Demanding Shareholder that the Demanding Shareholder has complied with **clause 29.6** and that either:

(a) the total aggregate value of the Securities or shares of IPO HoldCo publicly offered in the IPO (including any Securities or shares of IPO HoldCo on issue to be Transferred in the IPO) is not less than US$150 million; or

(b) the number of Securities or shares of IPO HoldCo publicly offered in the IPO (including any Securities or shares of IPO HoldCo on issue to be Transferred in the IPO) is not less than 10% of the total number of Securities or shares of IPO HoldCo, as applicable, on issue immediately following the IPO.

**29.4 Call by the Board**

The Board may, at any time, call for an IPO and **clause 29.3** will not apply to any such IPO.

**29.5 Recognised Stock Exchange**

Any IPO must take place on a Recognised Stock Exchange nominated by the Board after consultation with each Minority Shareholder holding more than 20% of the Securities on issue, or where a demand is made under **clause 29.1(a)** , nominated by the Demanding Shareholder after consultation with MCE.

**29.6 Requirement to negotiate**

(a) The Demanding Shareholder and MCE must, following receipt by MCE of a demand under **clause 29.1(a)**:

(c) The Company shall, during the 45-day period referred to in **clause 29.6(a)(i)**, comply with its obligations hereunder and under the Registration Rights Agreement with respect to an IPO.

(d) This **clause 29.6** is without prejudice to the rights of a Demanding Shareholder to demand an IPO under **clause 29.1(a)**.

**29.7 Structure of the IPO**

Where a demand is made under **clause 29.1(a)** , the Demanding Shareholder and MCE will have the joint right to approve the structure of the IPO (such approval by either party not to be unreasonably withheld, conditioned, or delayed), which structure will, among other things, attempt to minimise, to the extent permitted by applicable Law and to the extent possible, any recognition of taxable income with respect to the Shareholders' interests in the Company being sold in the IPO in advance of the receipt of the proceeds therefor and will take into account the Minority Shareholders' desires for liquidity.

**29.8 Obligations of the parties**

(a) If a demand is made under **clause 29.1(a),** or the Board calls for an IPO under **clause 29.4**, then the Company must give a notice to each Shareholder requiring them to co-operate and use their commercially reasonable endeavours in applying to a Recognised Stock Exchange selected for the IPO under **clause 29.5** for:

(i) the admission of the Company or a new holding company of the Company to the official list of that stock exchange; and

(ii) the official quotation of the Securities or shares of IPO HoldCo on that stock exchange,

as soon as reasonably practicable after service of the notice.

(b) On and after the date on which a notice is given under **clause 29.1(a)** , or the Board calls for an IPO under **clause 29.4**, each Shareholder and the Company must use all commercially reasonably endeavours to enable the IPO to occur in accordance with this document and the Registration Rights Agreement including:

(i) in the case of Shareholders only, consenting to and voting in favour of a conversion of the Company into a corporation or other limited liability entity or other matters necessary to effect the structure agreed upon pursuant to **clause 29.7**; and

in each case as mutually agreed by Shareholders holding a majority of all Securities then on issue that are held by Minority Shareholders and the MCE Shareholders and achieve the listing of the Company or the holding company and quotation of the Securities or shares of IPO HoldCo on the Recognised Stock Exchange selected for the IPO under **clause 29.5** on which the IPO is to occur, provided that each Shareholder is at all times treated the same (if the Board has called for an IPO), or the same as the Demanding Shareholder (in the case of a notice under **clause 29.1(a)**).

(c) The Shareholders must, in exercising their respective rights to agree to the actions reasonably required to enable an IPO to successfully occur under **clause 29.8(b)**, cause the Company to act reasonably and in good faith and with a view to expeditiously consummating the IPO.

(d) The terms of the Registration Rights Agreement shall apply to such transaction.

(a) with the written consent of the named mortgagee or chargee or anyone authorised to act on his behalf; or

(b) upon evidence satisfactory to the directors of the discharge of the liability secured by the mortgage or charge and the issue of such indemnities as the directors shall consider necessary or desirable.

5.4. Whilst particulars of a mortgage or charge over Shares are entered in the register of members pursuant to this Regulation:

(a) no transfer of any Share the subject of those particulars shall be effected;

(b) the Company may not purchase, redeem or otherwise acquire any such Share; and

(c) no replacement certificate shall be issued in respect of such Shares,

6.1. Shares that are not fully paid on issue are subject to the forfeiture provisions set forth in this Regulation and for this purpose Shares issued for a promissory note or a contract for future services are deemed to be not fully paid.

6.2. A written notice of call specifying the date for payment to be made shall be served on the Shareholder who defaults in making payment in respect of the Shares.

6.3. The written notice of call referred to in Sub-Regulation 6.2 shall name a further date not earlier than the expiration of 14 days from the date of service of the notice on or before which the payment required by the notice is to be made and shall contain a statement that in the event of non-payment at or before the time named in the notice the Shares, or any of them, in respect of which payment is not made will be liable to be forfeited.

6.4. Where a written notice of call has been issued pursuant to Sub-Regulation 6.3 and the requirements of the notice have not been complied with, the directors may, at any time before tender of payment, forfeit and cancel the Shares to which the notice relates.

6.5. The Company is under no obligation to refund any moneys to the Shareholder whose Shares have been cancelled pursuant to Sub-Regulation 6.4 and that Shareholder shall be discharged from any further obligation to the Company.

7.2. The transfer of a Share is effective when the name of the transferee is entered on the register of members.

(a) to accept such evidence of the transfer of Shares as they consider appropriate; and

(b) that the transferee's name should be entered in the register of members notwithstanding the absence of the instrument of transfer.

8.4. The director convening a meeting of Shareholders may fix as the record date for determining those Shareholders that are entitled to vote at the meeting the date notice is given of the meeting, or such other date as may be specified in the notice, being a date not earlier than the date of the notice.

8.5. A meeting of Shareholders held in contravention of the requirement to give notice is valid if Shareholders holding at least 90 per cent of the total voting rights on all the matters to be considered at the meeting have waived notice of the meeting and, for this purpose, the presence of a Shareholder at the meeting shall constitute waiver in relation to all the Shares which that Shareholder holds.

8.6. The inadvertent failure of a director who convenes a meeting to give notice of a meeting to a Shareholder or another director, or the fact that a Shareholder or another director has not received notice, does not invalidate the meeting.

8.7. A Shareholder may be represented at a meeting of Shareholders by a proxy who may speak and vote on behalf of the Shareholder.

8.8. The instrument appointing a proxy shall be produced at the place designated for the meeting before the time for holding the meeting at which the person named in such instrument proposes to vote. The notice of the meeting may specify an alternative or additional place or time at which the proxy shall be presented.

If the chairman fails to take a poll then any Shareholder present in person or by proxy who disputes the announcement by the chairman of the result of any vote may immediately following such announcement demand that a poll be taken and the chairman shall cause a poll to be taken. The consent may be in the form of counterparts, each counterpart being signed by one or more Shareholders. If the consent is in one or more counterparts, and the counterparts bear different dates, then the resolution shall take effect on the earliest date upon which Eligible Persons holding a sufficient number of votes of Shares to constitute a Resolution of Shareholders have consented to the resolution by signed counterparts.

All cheques, promissory notes, drafts, bills of exchange and other negotiable instruments and all receipts for moneys paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as shall from time to time be determined by Resolution of Directors.

10.8. For the purposes of Section 175 (Disposition of assets) of the Act, the directors may by Resolution of Directors determine that any sale, transfer, lease, exchange or other disposition is in the usual or regular course of the business carried on by the Company and such determination is, in the absence of fraud, conclusive.

**11.** PROCEEDINGS OF DIRECTORS

11.1. Any one director of the Company may call a meeting of the directors by sending a written notice to each other director.

11.2. The directors of the Company or any committee thereof may meet at such times and in such manner and places within or outside the British Virgin Islands as the directors may determine to be necessary or desirable.

11.3. A director is deemed to be present at a meeting of directors if he participates by telephone or other electronic means and all directors participating in the meeting are able to hear each other.

11.4. A director shall be given not less than three days' notice of meetings of directors, but a meeting of directors held without three days' notice having been given to all directors shall be valid if all the directors entitled to vote at the meeting who do not attend waive notice of the meeting, and for this purpose the presence of a director at a meeting shall constitute waiver by that director. The inadvertent failure to give notice of a meeting to a director, or the fact that a director has not received the notice, does not invalidate the meeting.

11.5. A director may by a written instrument appoint an alternate who need not be a director and the alternate shall be entitled to attend meetings in the absence of the director who appointed him and to vote or consent in place of the director until the appointment lapses or is terminated.

11.6. A meeting of directors is duly constituted for all purposes if at the commencement of the meeting there are present in person or by alternate not less than one-half of the total number of directors, unless there are only two directors in which case the quorum is two.

11.7. If the Company has only one director the provisions herein contained for meetings of directors do not apply and such sole director has full power to represent and act for the Company in all matters as are not by the Act, the Memorandum or the Articles required to be exercised by the Shareholders. In lieu of minutes of a meeting the sole director shall record in writing and sign a note or memorandum of all matters requiring a Resolution of Directors. Such a note or memorandum constitutes sufficient evidence of such resolution for all purposes.

11.8. At meetings of directors at which the Chairman of the Board is present, he shall preside as chairman of the meeting. If there is no Chairman of the Board or if the Chairman of the Board is not present, the directors present shall choose one of their number to be chairman of the meeting.

11.9. An action that may be taken by the directors or a committee of directors at a meeting may also be taken by a Resolution of Directors or a resolution of a committee of directors consented to in writing by all directors or by all members of the committee, as the case may be, without the need for any notice. The consent may be in the form of counterparts each counterpart being signed by one or more directors. If the consent is in one or more counterparts, and the counterparts bear different dates, then the resolution shall take effect on the date upon which the last director has consented to the resolution by signed counterparts.

**12.** COMMITTEES

12.1. The directors may, by Resolution of Directors, designate one or more committees, each consisting of one or more directors, and delegate one or more of their powers, including the power to affix the Seal, to the committee.

12.2. The directors have no power to delegate to a committee of directors any of the following powers:

(a) to amend the Memorandum or the Articles;

(b) to designate committees of directors;

(c) to delegate powers to a committee of directors;

(d) to appoint directors;

(e) to appoint an agent;

(f) to approve a plan of merger, consolidation or arrangement; or

(g) to make a declaration of solvency or to approve a liquidation plan.

12.3. Sub-Regulation 12.2(b) and (c) do not prevent a committee of directors, where authorised by the Resolution of Directors appointing such committee or by a subsequent Resolution of Directors, from appointing a sub-committee and delegating powers exercisable by the committee to the sub-committee.

12.4. The meetings and proceedings of each committee of directors consisting of two or more directors shall be governed mutatis mutandis by the provisions of the Articles regulating the proceedings of directors so far as the same are not superseded by any provisions in the Resolution of Directors establishing the committee.

12.5. Where the directors delegate their powers to a committee of directors they remain responsible for the exercise of that power by the committee, unless they believed on reasonable grounds at all times before the exercise of the power that the committee would exercise the power in conformity with the duties imposed on directors of the Company under the Act.

**13.** OFFICERS AND AGENTS

13.1. The Company may by Resolution of Directors appoint officers of the Company at such times as may be considered necessary or expedient. Such officers may consist of a Chairman of the Board of Directors, a president and one or more vice-presidents, secretaries and treasurers and such other officers as may from time to time be considered necessary or expedient. Any number of offices may be held by the same person.

13.2. The officers shall perform such duties as are prescribed at the time of their appointment subject to any modification in such duties as may be prescribed thereafter by Resolution of Directors. In the absence of any specific prescription of duties it shall be the responsibility of the Chairman of the Board to preside at meetings of directors and Shareholders, the president to manage the day to day affairs of the Company, the vice-presidents to act in order of seniority in the absence of the president but otherwise to perform such duties as may be delegated to them by the president, the secretaries to maintain the register of members, minute books and records (other than financial records) of the Company and to ensure compliance with all procedural requirements imposed on the Company by applicable law, and the treasurer to be responsible for the financial affairs of the Company.

13.3. The emoluments of all officers shall be fixed by Resolution of Directors.

13.4. The officers of the Company shall hold office until their successors are duly appointed, but any officer elected or appointed by the directors may be removed at any time, with or without cause, by Resolution of Directors. Any vacancy occurring in any office of the Company may be filled by Resolution of Directors.

13.5. The directors may, by a Resolution of Directors, appoint any person, including a person who is a director, to be an agent of the Company. An agent of the Company shall have such powers and authority of the directors, including the power and authority to affix the Seal, as are set forth in the Articles or in the Resolution of Directors appointing the agent, except that no agent has any power or authority with respect to the matters specified in Sub-Regulation 12.2. The Resolution of Directors appointing an agent may authorise the agent to appoint one or more substitutes or delegates to exercise some or all of the powers conferred on the agent by the Company. The directors may remove an agent appointed by the Company and may revoke or vary a power conferred on him.

**14.** CONFLICT OF INTERESTS

14.1. A director of the Company shall, forthwith after becoming aware of the fact that he is interested in a transaction entered into or to be entered into by the Company, disclose the interest to all other directors of the Company.

14.2. For the purposes of Sub-Regulation 14.1, a disclosure to all other directors to the effect that a director is a member, director or officer of another named entity or has a fiduciary relationship with respect to the entity or a named individual and is to be regarded as interested in any transaction which may, after the date of the entry or disclosure, be entered into with that entity or individual, is a sufficient disclosure of interest in relation to that transaction.

14.3. Provided that the Board of directors of the Company has given prior authorisation by way of a Resolution of Directors (for which purposes the interested director shall not be able to vote), a director of the Company who is interested in a transaction entered into or to be entered into by the Company may:

(a) vote on a matter relating to the transaction;

(b) attend a meeting of directors at which a matter relating to the transaction arises and be included among the directors present at the meeting for the purposes of a quorum; and

(c) sign a document on behalf of the Company, or do any other thing in his capacity as a director, that relates to the transaction, and, subject to compliance with the Act shall not, by reason of his office be accountable to the Company for any benefit which he derives from such transaction and no such transaction shall be liable to be avoided on the grounds of any such interest or benefit.

## 15. INDEMNIFICATION

15.1. Subject to the limitations hereinafter provided the Company shall indemnify against all expenses, including legal fees, and against all judgments, fines and amounts paid in settlement and reasonably incurred in connection with legal, administrative or investigative proceedings any person who:

(a) is or was a party or is threatened to be made a party to any threatened, pending or completed proceedings, whether civil, criminal, administrative or investigative, by reason of the fact that the person is or was a director of the Company; or

(b) is or was, at the request of the Company, serving as a director of, or in any other capacity is or was acting for, another company or a partnership, joint venture, trust or other enterprise.

15.2. The indemnity in Sub-Regulation 15.1 only applies if the person acted honestly and in good faith with a view to the best interests of the Company and, in the case of criminal proceedings, the person had no reasonable cause to believe that their conduct was unlawful.

15.3. The decision of the directors as to whether the person acted honestly and in good faith and with a view to the best interests of the Company and as to whether the person had no reasonable cause to believe that his conduct was unlawful is, in the absence of fraud, sufficient for the purposes of the Articles, unless a question of law is involved.

15.4. The termination of any proceedings by any judgment, order, settlement, conviction or the entering of a *nolle prosequi* does not, by itself, create a presumption that the person did not act honestly and in good faith and with a view to the best interests of the Company or that the person had reasonable cause to believe that his conduct was unlawful.

15.5. The Company may purchase and maintain insurance in relation to any person who is or was a director, officer or liquidator of the Company, or who at the request of the Company is or was serving as a director, officer or liquidator of, or in any other capacity is or was acting for, another company or a partnership, joint venture, trust or other enterprise, against any liability asserted against the person and incurred by the person in that capacity, whether or not the Company has or would have had the power to indemnify the person against the liability as provided in the Articles.

Ladies and Gentlemen:

This commitment agreement (this "Agreement") is dated [●], 2011 and is entered into by and between Melco Crown Entertainment Limited ("MCE") and Cyber One Agents Limited (the "Company"). Capitalized terms used herein but not defined shall have the meanings given to such terms in the Shareholders' Agreement by and among the Company, New Cotai, LLC, MCE Cotai Investments Limited ("MCE Cotai") and MCE (as acceded to, and amended, from time to time, the "Shareholders' Agreement").

1. Commitment. MCE hereby agrees upon the terms and subject to the conditions set forth herein, (x) to provide or cause to be provided to MCE Cotai, directly or through one or more other entities, funds to meet any and all Capital Calls made on MCE Cotai by the Company, from time to time pursuant to and in accordance with clause 17 of the Shareholders' Agreement, (y) if Financial Support is required by the Project Lenders and requested by the Board, to provide to the Company Financial Support on behalf of MCE Cotai, from time to time pursuant to and in accordance with clause 20 of the Shareholders' Agreement, and (z) to exercise all of its rights as a direct or indirect equity holder to cause MCE Cotai to meet, and in any event to not take any affirmative action as a direct or indirect equity holder, or refrain from taking any affirmative action as a direct or indirect equity holder, to prevent MCE Cotai from meeting, such Capital Call in accordance with clause 17 of the Shareholders' Agreement, in the case of each of clause (x) and (y), if and only to the extent that MCE Cotai does not otherwise have sufficient funds to meet those Capital Calls or provide such Financial Support; provided, however, that in no event shall MCE be required to provide such funds and/or such Financial Support in an amount exceeding MCE's Maximum Obligations (such commitment, the "Commitment"). The Commitment shall be subject to all defenses available to MCE Cotai under the Shareholders' Agreement with respect to any Capital Call or obligation to provide Financial Support, each of which defenses may be asserted directly by or on behalf of MCE. For the purposes of clause (z), the obligation of MCE to take action under that clause shall include an obligation on MCE to exercise all of its rights (i) under the constituent documents of MCE Cotai to approve or authorize (as the case may be) the Capital Call to be met, (ii) to instruct its board member appointees of MCE Cotai to approve and authorize the Capital Call to be met, and (iii) to vote any of the securities held by it in MCE Cotai to approve or authorize the Capital Call to be met. Nothing in this Agreement is intended to limit in any respect MCE Cotai's right to exercise all defenses available to it under the Shareholders' Agreement with respect to any Capital Call or obligation to provide Financial Support, or require MCE to in any way attempt to limit such exercise.

For purposes hereof, (a) "Maximum Obligations" in respect of any Capital Call and/or any requirement to provide Financial Support from time to time means an amount equal to the lesser of (i) the amount of such Capital Call made on MCE Cotai or Financial Support required to be provided by MCE Cotai, as the case may be, and (ii) the Aggregate Remaining MCE Cotai Capital Commitment, and (b) "Aggregate Remaining MCE Cotai Capital Commitment" means, as of any date of any Capital Call or request to provide Financial Support (as the case may be), an amount equal to $480 million less the aggregate amounts subscribed for or advanced to the Company by or on behalf of MCE Cotai (including through draws by the Company on this Commitment) as of such date under clauses 17 and 18 of the Shareholders' Agreement, less the aggregate amount of Financial Support provided on behalf of MCE Cotai (including through draws by the Company on this Commitment) as of such date under clause 20 of the Shareholders' Agreement, less the amount by which MCE Cotai's obligation to make Capital Calls is reduced either in connection with a Transfer of Financial Interests held by MCE Cotai as provided in clause 22.5 of the Shareholders' Agreement or pursuant to an amendment to the Shareholders' Agreement to reduce the maximum amount payable in respect of all Capital Calls under clause 17.5 of the Shareholders' Agreement.

2. No Recourse. Notwithstanding anything that may be expressed or implied in this Agreement or any document or instrument delivered in connection herewith, by its acceptance of the benefits of this Agreement, the Company covenants, agrees and acknowledges that no person or entity other than MCE has any obligation hereunder, and no personal liability shall attach to, the former, current or future equity holders, controlling persons, directors, officers, employees, agents, affiliates, members, managers, general or limited partners or assignees of MCE or any former, current or future stockholder, controlling person, director, officer, employee, general or limited partner, member, manager, affiliate (other than, in the case of MCE Cotai, under the Shareholders' Agreement), agent or assignee of any of the foregoing, whether by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any statute, regulation or applicable law, or otherwise.

3. Termination. Upon the earliest of (x) the full satisfaction of the maximum amount payable by MCE Cotai in respect of all Capital Calls pursuant to clause 17.5 of the Shareholders' Agreement, (y) the expiration of the period for the making of Capital Calls under clause 17.10 of the Shareholders' Agreement and (z) the termination of the Shareholders' Agreement in accordance with its terms, this Agreement shall terminate and be of no further force and effect. Upon termination of this Agreement, MCE shall not have any liability to any person in connection with this Agreement except, in the case of clause (y) and (z), any breach of this Agreement occurring on or before the relevant date.

4. Representations and Warranties. MCE hereby represents and warrants to the Company that (i) MCE is duly organized, validly existing and in good standing under the laws of the state or country of its formation or organization, and has all necessary power and authority to enter into and perform this letter agreement, (ii) this letter agreement has been duly executed and delivered by MCE and constitutes a legal, valid and binding obligation of MCE, enforceable against MCE in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally, (iii) MCE has and will have sufficient financial resources available to meet its obligations hereunder from time to time in an amount not less than the Aggregate Remaining MCE Cotai Capital Commitment, and (iv) no other approval is required for MCE to fulfill its obligations hereunder.

5. Amendments. This Agreement may be amended, modified, or waived with the written consent of MCE and the Company.

6. Assignment; Successors and Assigns. No assignment or transfer by any party of its rights and obligations under this Agreement will be made except with the prior written consent of (i) the Company (in the case of any assignment or transfer by MCE) or (ii) MCE (in the case of any assignment or transfer by the Company); provided, that (x) the Company may assign its rights pursuant to this Agreement to any Project Lender as collateral security without the prior written consent of MCE and (y) in connection with a Transfer or issuance of Upstream Securities in respect of MCE Cotai, MCE may assign all or any portion of its Commitment to the transferee or purchaser (as applicable) of such Upstream Securities, provided that (A) immediately following such assignment, the portion of the Commitment held by MCE relative to the portion of the Commitment held by such transferee or purchaser (as applicable) is substantially equivalent to the Effective Interest held by MCE relative to the Effective Interest held by such transferee or purchaser at such time, (B) the transferee or purchaser (as applicable) agrees to provide its portion of the Commitment on terms that are not in the aggregate materially less beneficial to the Company than the terms hereof and (C) the transferee or purchaser (as applicable) proves to the reasonable satisfaction of the Company that it has sufficient financial resources to meet the portion of the Commitment to be assigned to it under clause (A). All the covenants and agreements contained in this Agreement shall bind and inure to the benefit of any such assignee.

7. Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or the effectiveness or validity of any provision in any other jurisdiction, and this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

8. Counterparts; Binding Agreement. This Agreement may be executed simultaneously in two or more separate counterparts (including by means of facsimile), any one of which need not contain the signatures of more than one party, but each of which will be an original and all of which together shall constitute one and the same agreement binding on all the parties hereto.

9. Confidentiality. This Agreement shall be treated as strictly confidential and is being provided to the Company solely in connection with the Shareholders' Agreement and the transactions contemplated thereby. This Agreement may not be used, circulated, quoted or otherwise referred to in any document, except with the written consent of each of the Company and MCE. Notwithstanding the foregoing, this Agreement may be (a) provided by the Company and MCE to their respective officers, managers, employees, directors (or equivalent) or financial, legal or accounting advisors or lenders who have been directed to treat this Agreement as confidential, (b) provided by MCE to its direct and indirect equity holders and their respective affiliates who have been directed to treat this Agreement as confidential and (c) disclosed to any person or entity if required by law or the rules of any stock exchange or regulatory authority (including a self-regulatory organization).

10. Specific Performance. MCE acknowledges and agrees that (a) irreparable damage would occur in the event that any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached, and (b) remedies at law would not be adequate to compensate the non-breaching party. Accordingly, MCE agrees that the Company shall have the right, in addition to any other rights and remedies existing in its favor, to an injunction or injunctions to prevent breaches of the provisions of this Agreement and to enforce its rights and obligations hereunder not only by an action or actions for damages but also by an action or actions for specific performance, injunctive and/or other equitable relief. The right to equitable relief, including specific performance or injunctive relief, shall exist notwithstanding, and shall not be limited by, any other provision of this Agreement. MCE hereby waives any defense that a remedy at law is adequate and any requirement to post bond or other security in connection with actions instituted for injunctive relief, specific performance or other equitable remedies.

11. Descriptive Headings; Interpretation. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a substantive part of this Agreement. Whenever required by the context, any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa. The use of the word "including" in this Agreement shall be by way of example rather than by limitation. Unless otherwise noted, reference to any agreement, document or instrument means such agreement, document or instrument as amended or otherwise modified from time to time in accordance with the terms thereof, and if applicable hereof. The use of the words "or," "either" and "any" shall not be exclusive. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement. Wherever a conflict exists between this Agreement and any other agreement, this Agreement shall control but solely to the extent of such conflict.

12. Applicable Law; Venue. This Agreement is governed by and is to be construed in accordance with the laws applicable in Hong Kong. Except as otherwise expressly provided in this Agreement, any dispute relating hereto shall be heard exclusively in the courts of Hong Kong, and the parties agree to jurisdiction and venue therein.

13. Addresses and Notices. All notices, demands and other communications to be given or delivered under or by reason of the provisions of this Agreement shall be given or delivered, as applicable, as provided in clause 39 of the Shareholders' Agreement as if such provisions applied herein *mutatis mutandis*.

14. No Third Party Beneficiaries. None of the provisions of this Agreement shall be for the benefit of or enforceable by any person or entity other than the Company, including without limitation, any shareholder or creditor of the Company or any of their respective affiliates, and no creditor who makes a loan to the Company or any of its affiliates may have or acquire (except pursuant to the terms of a separate agreement executed by the Company in favor of such creditor) at any time as a result of making the loan any direct or indirect interest in the Commitment other than as a secured creditor of the Company.

15. Waiver. No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or any other covenant, duty, agreement or condition.

16. Further Action. The parties agree to execute and deliver all documents, provide all information and take or refrain from taking such actions as may be necessary or appropriate to achieve the purposes of this Agreement.

17. Entire Agreement. This Agreement, those documents expressly referred to herein and other documents dated as of even date herewith embody the complete agreement and understanding among the parties and supersede and preempt any prior understandings, agreements or representations by or among the parties, written or oral, which may have related to the subject matter hereof in any way.

18. Delivery by Facsimile. This Agreement, the agreements referred to herein, and each other agreement or instrument entered into in connection herewith or therewith or contemplated hereby or thereby, and any amendments hereto or thereto, to the extent signed and delivered by means of a facsimile machine, shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any party hereto or to any such agreement or instrument, each other party hereto or thereto shall reexecute original forms thereof and deliver them to all other parties. No party hereto or to any such agreement or instrument shall raise the use of a facsimile machine to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine as a defense to the formation or enforceability of a contract and each such party forever waives any such defense.

The Commitment shall be subject to all defenses available to New Cotai under the Shareholders' Agreement with respect to any Capital Call or obligation to provide Financial Support, each of which defenses may be asserted directly by or on behalf of the Silver Point Funds. For the purposes of clause (z), the obligation of each of the Silver Point Funds to take action under that clause shall include an obligation on each of the Silver Point Funds to exercise all of their rights (i) under the constituent documents of New Cotai to approve or authorize (as the case may be) the Capital Call to be met, (ii) to instruct its board member appointees of New Cotai to approve and authorize the Capital Call to be met, and (iii) to vote any of the securities held by it in New Cotai to approve or authorize the Capital Call to be met. 2. No Recourse. Notwithstanding anything that may be expressed or implied in this Agreement or any document or instrument delivered in connection herewith, by its acceptance of the benefits of this Agreement, the Company covenants, agrees and acknowledges that no person or entity other than the Silver Point Funds has any obligation hereunder, and no personal liability shall attach to, the former, current or future equity holders, controlling persons, directors, officers, employees, agents, affiliates, members, managers, general or limited partners or assignees of the Silver Point Funds or any former, current or future stockholder, controlling person, director, officer, employee, general or limited partner, member, manager, affiliate (other than, in the case of New Cotai, under the Shareholders' Agreement), agent or assignee of any of the foregoing, whether by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any statute, regulation or applicable law, or otherwise.

4. Representations and Warranties. Each of the Silver Point Funds hereby represents and warrants to the Company that (i) such Silver Point Fund is duly organized, validly existing and in good standing under the laws of the state or country of its formation or organization, and has all necessary power and authority to enter into and perform this letter agreement, (ii) this letter agreement has been duly executed and delivered by such Silver Point Fund and constitutes a legal, valid and binding obligation of such Silver Point Fund, enforceable against such Silver Point Fund in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally, (iii) such Silver Point Fund has and will maintain available capital in an amount not less than such Silver Point Fund's Pro Rata Share of the Aggregate Remaining New Cotai Capital Commitment, and (iv) no other approval is required for such Silver Point Fund to fulfill its obligations hereunder.

5. Amendments. This Agreement may be amended, modified, or waived with the written consent of each of the Silver Point Funds and the Company.

6. Assignment; Successors and Assigns. No assignment or transfer by any party of its rights and obligations under this Agreement will be made except with the prior written consent of (i) the Company (in the case of any assignment or transfer by the Silver Point Funds) or (ii) each of the Silver Point Funds (in the case of any assignment or transfer by the Company); provided, that (x) the Company may assign its rights pursuant to this Agreement to any Project Lender as collateral security without the prior written consent of the Silver Point Funds and (y) in connection with a Transfer or issuance of Upstream Securities in respect of New Cotai, each Silver Point Fund may assign all or any portion of its Commitment to the transferee or purchaser (as applicable) of such Upstream Securities, provided that (A) immediately following such assignment, the portion of the Commitment held by such Silver Point Fund relative to the portion of the Commitment held by such transferee or purchaser (as applicable) is substantially equivalent to the Effective Interest held by such Silver Point Fund relative to the Effective Interest held by such transferee or purchaser at such time, (B) the transferee or purchaser (as applicable) agrees to provide its portion of the Commitment on terms that are not in the aggregate materially less beneficial to the Company than the terms hereof and (C) the transferee or purchaser (as applicable) proves to the reasonable satisfaction of the Company that it has sufficient financial resources to meet the portion of the Commitment to be assigned to it under clause (A). All the covenants and agreements contained in this Agreement shall bind and inure to the benefit of any such assignee.

7. Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or the effectiveness or validity of any provision in any other jurisdiction, and this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

8. Counterparts; Binding Agreement. This Agreement may be executed simultaneously in two or more separate counterparts (including by means of facsimile), any one of which need not contain the signatures of more than one party, but each of which will be an original and all of which together shall constitute one and the same agreement binding on all the parties hereto.

9. Confidentiality. This Agreement shall be treated as strictly confidential and is being provided to the Company solely in connection with the Shareholders' Agreement and the transactions contemplated thereby. This Agreement may not be used, circulated, quoted or otherwise referred to in any document, except with the written consent of each of the Company and each of the Silver Point Funds. Notwithstanding the foregoing, this Agreement may be (a) provided by the Company and the Silver Point Funds to their respective officers, managers, employees, directors (or equivalent) or financial, legal or accounting advisors or lenders who have been directed to treat this Agreement as confidential, (b) provided by the Silver Point Funds to their direct and indirect equity holders and their respective affiliates who have been directed to treat this Agreement as confidential and (c) disclosed to any person or entity if required by law or the rules of any stock exchange or regulatory authority (including a self-regulatory organization).

10. Specific Performance. Each Silver Point Fund acknowledges and agrees that (a) irreparable damage would occur in the event that any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached, and (b) remedies at law would not be adequate to compensate the non-breaching party. Accordingly, each Silver Point Fund agrees that the Company shall have the right, in addition to any other rights and remedies existing in its favor, to an injunction or injunctions to prevent breaches of the provisions of this Agreement and to enforce its rights and obligations hereunder not only by an action or actions for damages but also by an action or actions for specific performance, injunctive and/or other equitable relief. The right to equitable relief, including specific performance or injunctive relief, shall exist notwithstanding, and shall not be limited by, any other provision of this Agreement. Each Silver Point Fund hereby waives any defense that a remedy at law is adequate and any requirement to post bond or other security in connection with actions instituted for injunctive relief, specific performance or other equitable remedies.

1. Commitment. Each of the Oaktree Funds hereby agrees, on a several but not joint basis, upon the terms and subject to the conditions set forth herein, (x) to provide or cause to be provided to New Cotai, directly or through one or more other entities, funds to meet any and all Capital Calls made on New Cotai by the Company, from time to time pursuant to and in accordance with clause 17 of the Shareholders' Agreement, (y) if Financial Support is required by the Project Lenders and requested by the Board, to provide to the Company Financial Support on behalf of New Cotai, from time to time pursuant to and in accordance with clause 20 of the Shareholders' Agreement, and (z) to exercise all of its rights as a direct or indirect equity holder to cause New Cotai to meet, and in any event to not take any affirmative action as a direct or indirect equity holder, or refrain from taking any affirmative action as a direct or indirect equity holder, to prevent New Cotai from meeting, such Capital Call in accordance with clause 17 of the Shareholders' Agreement, in the case of each of clause (x) and (y), if and only to the extent that New Cotai does not otherwise have sufficient funds to meet those Capital Calls or provide such Financial Support; provided, however, that in no event shall the Oaktree Funds be required to provide such funds and/or such Financial Support in an amount exceeding such Oaktree Funds' Maximum Obligations (such commitment, the "Commitment"). The Commitment shall be subject to all defenses available to New Cotai under the Shareholders' Agreement with respect to any Capital Call or obligation to provide Financial Support, each of which defenses may be asserted directly by or on behalf of the Oaktree Funds. For the purposes of clause (z), the obligation of each of the Oaktree Funds to take action under that clause shall include an obligation on each of the Oaktree Funds to exercise all of their rights (i) under the constituent documents of New Cotai to approve or authorize (as the case may be) the Capital Call to be met, (ii) to instruct its board member appointees of New Cotai to approve and authorize the Capital Call to be met, and (iii) to vote any of the securities held by it in New Cotai to approve or authorize the Capital Call to be met. Nothing in this Agreement is intended to limit in any respect New Cotai's right to exercise all defenses available to it under the Shareholders' Agreement with respect to any Capital Call or obligation to provide Financial Support, or require the Oaktree Funds to in any way attempt to limit such exercise.

For purposes hereof, (a) "Maximum Obligations" in respect of any Capital Call and/or any requirement to provide Financial Support from time to time means (i) with respect to OCM V, an amount equal to the lesser of (A) OCM V's Pro Rata Share of the amount of such Capital Call made on New Cotai or Financial Support required to be provided by New Cotai, as the case may be, and (B) OCM V's Pro Rata Share of the Aggregate Remaining New Cotai Capital Commitment, (ii) with respect to OCM Asia, an amount equal to the lesser of (x) OCM Asia's Pro Rata Share of the amount of such Capital Call made on New Cotai or Financial Support required to be provided by New Cotai, as the case may be, and (y) OCM Asia's Pro Rata Share of the Aggregate Remaining New Cotai Capital Commitment, and (iii) with respect to OCM VI, an amount equal to the lesser of (A) OCM VI's Pro Rata Share of the amount of such Capital Call made on New Cotai or Financial Support required to be provided by New Cotai, as the case may be, and (B) OCM VI's Pro Rata Share of the Aggregate Remaining New Cotai Capital Commitment, (b) "Pro Rata Share"[1] means (I) with respect to OCM V, [●]%, (II) with respect to OCM Asia, [●]%, and (III) with respect to OCM VI, [●]%, and (c) "Aggregate Remaining New Cotai Capital Commitment" means, as of any date of any Capital Call or request to provide Financial Support (as the case may be), an amount equal to $320 million less the aggregate amounts subscribed for or advanced to the Company by or on behalf of New Cotai (including through draws by the Company on this Commitment) as of such date under clauses 17 and 18 of the Shareholders' Agreement, less the aggregate amount of Financial Support provided on behalf of New Cotai (including through draws by the Company on this Commitment) as of such date under clause 20 of the Shareholders' Agreement, less the amount by which New Cotai's obligation to make Capital Calls is reduced either in connection with a Transfer of Financial Interests held by New Cotai as provided in clause 22.5 of the Shareholders' Agreement or pursuant to an amendment to the Shareholders' Agreement to reduce the maximum amount payable in respect of all Capital Calls under clause 17.5 of the Shareholders' Agreement.

[1] NTD: Pro Rata Share of the Oaktree Funds to equal 22% in aggregate; break down to be filled in at the Effective Time.

5. Amendments. This Agreement may be amended, modified, or waived with the written consent of each of the Oaktree Funds and the Company.

6. Assignment; Successors and Assigns. No assignment or transfer by any party of its rights and obligations under this Agreement will be made except with the prior written consent of (i) the Company (in the case of any assignment or transfer by the Oaktree Funds) or (ii) each of the Oaktree Funds (in the case of any assignment or transfer by the Company); provided, that (x) the Company may assign its rights pursuant to this Agreement to any Project Lender as collateral security without the prior written consent of the Oaktree Funds and (y) in connection with a Transfer or issuance of Upstream Securities in respect of New Cotai, each Oaktree Fund may assign all or any portion of its Commitment to the transferee or purchaser (as applicable) of such Upstream Securities, provided that (A) immediately following such assignment, the portion of the Commitment held by such Oaktree Fund relative to the portion of the Commitment held by such transferee or purchaser (as applicable) is substantially equivalent to the Effective Interest held by such Oaktree Fund relative to the Effective Interest held by such transferee or purchaser at such time, (B) the transferee or purchaser (as applicable) agrees to provide its portion of the Commitment on terms that are not in the aggregate materially less beneficial to the Company than the terms hereof and (C) the transferee or purchaser (as applicable) proves to the reasonable satisfaction of the Company that it has sufficient financial resources to meet the portion of the Commitment to be assigned to it under clause (A). The use of the words "or," "either" and "any" shall not be exclusive. in each case for the financing of the development and construction of the MSC Property in an aggregate amount at least equal to US$2,200 million (such amount being prior to the payment of any underwriters' fees and any other expenses or costs incurred by the Company in connection with such financing).

(d) **Specified Project Value** means the sum of (x) US$1,560 million, plus (y) the aggregate amount funded from time to time pursuant to the MCE Follow On Commitment (whether funded by MCE Cotai or New Cotai).

2. **MCE Follow On Commitment**

(a) MCE Cotai hereby agrees to purchase additional Securities up to a maximum aggregate amount equal to US$350 million (**MCE Follow On Commitment**). The Company must issue such Securities under clause 17 of the Shareholders' Agreement pursuant to a valid Capital Call made in accordance with such clause, except:

(i) such Capital Call may only be made and such Securities may only be issued by the Company after the remaining portion of the Original Capital Commitments have been funded by the Shareholders in full or otherwise exhausted pursuant to clause 20.2(a) of the Shareholders' Agreement;

(ii) such Capital Call must be made only on the Shareholders that from time to time hold a Financial Interest in the MCE Follow On Commitment; and

From and after the date hereof, references to "Financial Interests" in the Shareholders' Agreement shall mean, as the context requires, (i) the Financial Interests held by the Shareholders from time to time in the Original Capital Commitments, and (ii) the Financial Interests held by the Shareholders from time to time in the MCE Follow On Commitment.

(c) Clause 17.5 of the Shareholders' Agreement is hereby amended to increase the maximum amount payable on all Capital Calls under clause 17 of the Shareholders' Agreement by the amount of the MCE Follow On Commitment.

(d) Concurrent herewith, MCE will execute and deliver to the Company a commitment letter in the form set out in **annexure A** to this Amendment.

(e) For the avoidance of any doubt, any Securities issued pursuant to this Amendment shall be taken into account in determining the percentage of Securities held by a Shareholder for the purposes of any threshold in the Shareholders' Agreement or the policy on Related Party Transactions.

3. **New Cotai Equity Option**

(a) At any time during the Option Period, subject to the terms set out in this **clause 3**, New Cotai shall have the option, exercisable in its sole discretion, to acquire from MCE Cotai a Financial Interest in the MCE Follow On Commitment in an amount up to but not exceeding 40% (**New Cotai Equity Option**). For the avoidance of doubt, the New Cotai Equity Option may only be exercised once.

(b) If New Cotai wishes to exercise the New Cotai Equity Option it must serve a notice on MCE Cotai and the Company (Exercise Notice) specifying:

(i) that it is exercising the New Cotai Equity Option;

(ii) the Financial Interest in the MCE Follow On Commitment that it is acquiring from MCE Cotai (which, for the avoidance of doubt, may be any amount greater than zero and up to but not exceeding 40%); and

(iii) the date and time for the closing of the New Cotai Equity Option, which date shall be no later than 30 days after the New Cotai Equity Option is exercised in accordance with **clause 3(c)** below and shall coincide with the execution and delivery of the commitment letters referred to in **clause 3(d)** below and, to the extent applicable, the Transfer of Subject Securities as set out in **clause 3(e)** below.

(c) The New Cotai Equity Option shall be taken to have been exercised on the date the Exercise Notice is deemed given in accordance with clause 39 of the Shareholders' Agreement.

(d) At the closing of the exercise of the New Cotai Equity Option:

(i) Schedule 1 of the Shareholders' Agreement shall be amended to reflect the change in the Financial Interests held by the Shareholders in the MCE Follow On Commitment as a result of the closing of the New Cotai Equity Option;

(ii) New Cotai shall procure that the Silver Point Funds and the Oaktree Funds, or other parties reasonably acceptable to MCE, execute and deliver to the Company commitment letters with a maximum aggregate commitment equal to (A) the product of (x) the Financial Interest in the MCE Follow On Commitment being acquired by New Cotai, multiplied by (y) US$350 million less (B) any amounts payable by New Cotai to MCE Cotai pursuant to **clause 3(e)** below. Such commitment letters shall be in substantially the same form as the MCE commitment letter referred to in **clause 2(d)** above and be provided on a several and not joint basis;

(iii) the MCE commitment letter referred to in **clause 2(d)** above shall be amended to reduce the maximum commitment thereunder by an amount corresponding to the amount computed in **clause 3(d)(ii)** above; and

(iv) unless **clause 3(e)** below applies, no monies or other consideration of any kind must be paid by New Cotai to MCE, MCE Cotai, the Company or any other Person on account of the exercise by New Cotai of the New Cotai Equity Option or the closing thereof.

(e) If, at the closing of the exercise of the New Cotai Equity Option, there are Securities outstanding that were issued to MCE Cotai in respect of the MCE Follow On Commitment (**Subject Securities**), then at such closing:

(i) New Cotai shall purchase and acquire from MCE Cotai, and MCE Cotai shall Transfer to New Cotai, a number of Subject Securities equal to the product of (x) the total number of Subject Securities then held by MCE Cotai, multiplied by (y) the Financial Interest in the MCE Follow On Commitment being acquired by New Cotai at the closing of the New Cotai Equity Option;

(ii) such Subject Securities shall be Transferred to New Cotai free of any Encumbrances (except any Encumbrances in favor of any Project Lender that were granted in accordance with the Shareholders' Agreement and which are common to all Securities);

(iii) the purchase price for such Subject Securities shall be the same as the issue price for such Subject Securities; and

(iv) the Company shall update the share register to reflect the Transfer of such Subject Securities from MCE Cotai to New Cotai.

If at the time of the purchase of the Subject Securities by New Cotai, those Subject Securities are not the subject of an existing Encumbrance granted by New Cotai to any Project Lender, New Cotai agrees that, if requested by any Project Lender, it will grant such Encumbrances over the Subject Securities as may be purchased by New Cotai under this clause on such terms as any Project Lender may reasonably request and as are common to all Securities.

(f) All amounts in **clause 3(e)** above must be paid by New Cotai in immediately available funds by wire transfer to an account that has been notified by MCE to New Cotai at least three Business Days prior to the payment date. If required, New Cotai must also pay to MCE Cotai on demand and upon presentation of reasonable supporting documentation any documentary, sales, use, registration, transfer, stamp, recording, or similar tax (for the avoidance of doubt and without limitation, not including income, gains, profits, or any similar Taxes or any withholding or deduction with respect thereto) suffered or incurred by MCE Cotai arising solely as a result of the Transfer of any Subject Securities under this **clause 3**. The parties shall use commercially reasonable endeavors to effect the Transfer of Subject Securities in a manner that minimizes any such documentary, sales, use, registration, transfer, stamp, recording, or similar tax.

(g) Any rights attaching to Subject Securities transferred under this **clause 3** will be transferred with effect from the date of transfer to New Cotai.

(h) Any provisions contained in the Shareholders' Agreement that purport to restrict the Transfer of Securities by an MCE Shareholder shall not apply to the Transfer of Securities contemplated by **clause 3(e)** above.

(i) If New Cotai fails to subscribe for any Securities required to be subscribed by it under clause 17 of the Shareholders' Agreement on or before the date specified in the relevant Call Notice then, and without limiting any rights that MCE Cotai and MCE may have under the Shareholders' Agreement, a portion of the New Cotai Equity Option equal to the percentage of such Securities New Cotai fails to subscribe for will be immediately cancelled and New Cotai will cease to have any rights under this **clause 3** with respect to such portion of the New Cotai Equity Option so cancelled. By way of example, if New Cotai fails to subscribe for 50% of the Securities required to be subscribed by it under clause 17 of the Shareholders' Agreement on or before the date specified in the relevant Call Notice, then 50% of the New Cotai Equity Option will be cancelled such that New Cotai will only be entitled to acquire from MCE Cotai a Financial Interest in the MCE Follow On Commitment in an amount up to but not exceeding 20%.

4. **Financing Cooperation**

(a) If New Cotai requires any information (including financial information) relating to a Group Company in connection with the New Cotai Financing, New Cotai may request MCE for that information and MCE shall use its commercially reasonable endeavors to provide such information, or procure the provision of such information by a Group Company, to such persons and subject to such conditions that are reasonable under the circumstances having regard to the information requested, the purpose of the information requested and its intended use and subject to **clause 4(c)** below. Such conditions may include the entry into a confidentiality agreement by the recipient on reasonable and customary terms (and in any event on terms no more onerous to them than the terms of the Confidentiality Deed).

(c) Despite **clauses 4(a)** and **4(b)** above, MCE shall not be required to provide information, cooperation or assistance, or to cause any Group Company to so provide, in connection with the New Cotai Financing, to the extent that:

(i) to do so would violate any applicable law, order, regulation or rule, including the rules of any stock exchange on which MCE's securities are listed at the relevant time; or

(ii) such information, cooperation or assistance is requested during a share trading black out period of MCE or its affiliates, and the cooperation and assistance (including the provision of any information) could reasonably be expected to lead to disclosure of material price sensitive information of MCE or its affiliates, or the cooperation or assistance could reasonably be expected to lead to a request for the provision of, or a query in connection with, any material price sensitive information of MCE or its affiliates.

(d) New Cotai shall, promptly upon request by MCE, reimburse MCE and, to the same extent (if any) as MCE reimburses the Group for similar assistance, each relevant Group Company for all reasonable and documented out-of-pocket costs and expenses incurred by MCE or the relevant Group Company in connection with any information provided for in **clause 4(a)** or any cooperation and assistance provided for in **clause 4(b)** above.

(e) Any cooperation or assistance or information provided by MCE, or procured by MCE on behalf of any Group Company, under this **clause 4** is provided on a no liability basis, and New Cotai agrees to indemnify MCE and any Group Company from any claim or loss suffered or incurred by MCE or any Group Company arising from, or in connection with:

(i) any cooperation or assistance provided by Group Company personnel under this **clause 4**;

(ii) any statements made or information provided by MCE or any Group Company to New Cotai under this **clause 4** (including where any statements or information are relied upon in any document or representations made in connection with the New Cotai Financing);

(iii) any documentation prepared in connection with the New Cotai Financing;

(iv) any breach of this **clause 4** by New Cotai;

(v) any breach of any law, order, regulation or rule, including the rules of any stock exchange that is a direct result of a breach of this **clause 4** by New Cotai; or

(vi) any breach of any securities law by New Cotai in connection with the New Cotai Financing.

(f) Despite **clause 4(e)**, New Cotai will not be liable to MCE or any Group Company, nor will MCE be relieved from liability, in connection with any claim or loss arising from, or in connection with:

(i) the fraud of MCE or any Group Company; or

(ii) any act or omission of MCE or any Group Company that amounts to gross negligence or wilfully misleading or deceptive conduct.

(g) The provisions of this **clause 4** shall apply only to the extent of any cooperation or assistance or information that New Cotai is not already entitled to receive under the Shareholders' Agreement.

5. **General**

(B) Pursuant to clause 17 of the Shareholders' Agreement, MCE Cotai and New Cotai agreed to invest equity capital in the Company up to an aggregate amount of US$800 million **(Original Capital Commitments**);

(C) On 25 September 2012, MCE Cotai, New Cotai, MCE and the Company entered into Amendment No. 1 to the Shareholders' Agreement **(Amendment No. 1**), under which MCE Cotai agreed to commit to invest an additional US$350 million equity capital in the Company **(MCE Follow On Commitment**), subject to an option granted to New Cotai **(New Cotai Equity Option**) to acquire from MCE Cotai a Financial Interest in the MCE Follow On Commitment in an amount up to but not exceeding 40%, and clause 17.5 of the Shareholders' Agreement was amended to increase the maximum amount payable on all Capital Calls under clause 17 of the Shareholders' Agreement by the amount of the MCE Follow On Commitment, from US$800 million to US$1,150 million;

(D) New Cotai exercised the New Cotai Equity Option in full on 19 April 2013, and on 17 May 2013, MCE Cotai, New Cotai, MCE and the Company entered into Amendment No. 2 to the Shareholders' Agreement **(Amendment No. 2)** to document this fact and amend Schedule 1 of the Shareholders' Agreement to reflect the Financial Interests of MCE Cotai and New Cotai in the MCE Follow On Commitment;

(E) As of the date of this Amendment No. 3, the Shareholders have funded in full the Original Capital Commitments of US$800 million and US$250 million of the MCE Follow On Commitment. There is a remaining US$100 million of the MCE Follow On Commitment that may be called on the Shareholders pursuant to clause 17 of the Shareholders' Agreement;

(F) On 26 November 2013, the Company, Studio City Company Limited, an indirect Subsidiary of the Company, Deutsche Bank AG, Hong Kong Branch **(Agent)** and Industrial and Commercial Bank of China (Macau) Limited **(Security Agent)** entered into a completion support agreement **(Completion Support Agreement)**, under which the Company deposited US$225 million **(Completion Support)** in a cash collateral account secured in favor of the Security Agent;

(G) On the date of this Amendment No. 3, the Board increased the budget for the development of the MSC Property by US$300 million **(Budget Increase)**. In order to partially fund the Budget Increase, MCE Cotai and New Cotai have agreed, as more fully set out below, (i) to commit to invest an additional US$100 million equity capital in the Company, (ii) that the Company shall at the discretion of the Chairperson make a Capital Call with respect to the remaining US$100 million of the MCE Follow On Commitment, and (iii) that the Company shall procure Studio City Company Limited to instruct the Agent to instruct the Security Agent to make a call under the Completion Support Agreement in the sum of US$58 million of the Completion Support and to direct the application of such amount to partially fund the Budget Increase; and

Ladies and Gentlemen:

This commitment agreement (this "Agreement") is dated 3 June, 2014 and is entered into by and between Melco Crown Entertainment Limited ("MCE") and Studio City International Holdings Limited (the "Company"). Capitalized terms used herein but not defined shall have the meanings given to such terms in the Shareholders' Agreement (as acceded to, and amended, from time to time, the "Shareholders' Agreement"), and Amendment No. 3 to Shareholders' Agreement ("Amendment No. 3"), both by and among the Company, New Cotai, LLC, MCE Cotai Investments Limited ("MCE Cotai") and MCE. This Agreement is being delivered pursuant to clause 1(f) of Amendment No. 3.

1. Commitment. MCE hereby agrees upon the terms and subject to the conditions set forth herein, (x) to provide or cause to be provided to MCE Cotai, directly or through one or more other entities, funds to meet any and all Capital Calls made on MCE Cotai by the Company, from time to time pursuant to and in accordance with clause 1(e) of Amendment No. 3, and (y) to exercise all of its rights as a direct or indirect equity holder to cause MCE Cotai to meet, and in any event to not take any affirmative action as a direct or indirect equity holder, or refrain from taking any affirmative action as a direct or indirect equity holder, to prevent MCE Cotai from meeting, such Capital Call in accordance with clause 1(e) of Amendment No. 3, in the case of clause (x), if and only to the extent that MCE Cotai does not otherwise have sufficient funds to meet those Capital Calls; provided, however, that in no event shall MCE be required to provide such funds in all amount exceeding MCE's Maximum Obligations (such commitment, the "Commitment"). The Commitment shall be subject to all defenses available to MCE Cotai under the Shareholders' Agreement with respect to any Capital Call, each of which defenses may be asserted directly by or on behalf of MCE. For the purposes of clause (y), the obligation of MCE to take action under that clause shall include an obligation on MCE to exercise all of its rights (i) under the constituent documents of MCE Cotai to approve or authorize (as the case may be) the Capital Call to be met, (ii) to instruct its board member appointees of MCE Cotai to approve and authorize the Capital Call to be met, and (iii) to vote any of the securities held by it in MCE Cotai to approve or authorize the Capital Call to be met. Nothing in this Agreement is intended to limit in any respect MCE Cotai's right to exercise all defenses available to it under the Shareholders' Agreement with respect to any Capital Call, or require MCE to in any way attempt to limit such exercise.

For the purposes hereof, (a) "Maximum Obligations" in respect of any Capital Call from time to time means an amount equal to the lesser of (i) the amount of such Capital Call made on MCE Cotai in accordance with clause 1(e) of Amendment No. 3, and (ii) the Aggregate Remaining Second Follow On Commitment, and (h) "Aggregate Remaining Second Follow On Commitment" means, as of any date of any Capital Call, an amount equal to US$60 million less the aggregate amounts (other than the US$60 million out of the remaining US$100 million of the MCE Follow On Commitment) subscribed for or advanced to the Company by or on behalf of MCE Cotai (including through draws by the Company on this Commitment) as of such date in accordance with clause 1(e) of Amendment No. 3, less the amount by which MCE Cotai's obligation to make Capital Calls is reduced in connection with a Transfer of Financial Interests held by MCE Cotai as provided in clause 22.5 of the Shareholders' Agreement.

2. No Recourse. Notwithstanding anything that may be expressed or implied in this Agreement or any document or instrument delivered in connection herewith, by its acceptance of the benefits of this Agreement, the Company covenants, agrees and acknowledges that no person or entity other than MCE has any obligation hereunder, and no personal liability shall attach to, the former, current or future equity holders, controlling persons, directors, officers, employees, agents, affiliates, members, managers, general or limited partners or assignees of MCE or any former, current or future stockholder, controlling person, director, officer, employee, general or limited partner, member, manager, affiliate (other than, in the case of MCE Cotai, under the Shareholders' Agreement or Amendment No. 3), agent or assignee of any of the foregoing, whether by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any statute, regulation or applicable law, or otherwise.

3. Termination. Upon the earliest of (x) the full satisfaction of the maximum amount payable by MCE Cotai in respect of all Capital Calls pursuant to clause 1(e) of Amendment No. 3, (y) the expiration of the period for the making of Capital Calls under clause 17.10 of the Shareholders' Agreement and (z) the termination of the Shareholders' Agreement in accordance with its terms, this Agreement shall terminate and be of no further force and effect. Upon termination of this Agreement, MCE shall not have any liability to any person in connection with this Agreement except, in the case of clause (y) and (z), any breach of this Agreement occurring on or before the relevant date.

4. Representations and Warranties. MCE hereby represents and warrants to the Company that (i) MCE is duly organized, validly existing and in good standing under the laws of the state or country of its formation or organization, and has all necessary power and authority to enter into and perform this Agreement, (ii) this Agreement has been duly executed and delivered by MCE and constitutes a legal, valid and binding obligation of MCE, enforceable against MCE in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally, (iii) MCE has and will maintain available capital in an amount not less than the Aggregate Remaining Second Follow On Commitment, and (iv) no other approval is required for MCE to fulfill its obligations hereunder.

5. Amendments. This Agreement may be amended, modified, or waived with the written consent of MCE and the Company.

6. Assignment; Successors and Assigns. No assignment or transfer by any party of its rights and obligations under this Agreement will be made except with the prior written consent of (i) the Company (in the case of any assignment or transfer by MCE) or (ii) MCE (in the case of any assignment or transfer by the Company); provided, that (x) the Company may assign its rights pursuant to this Agreement to any Project Lender as collateral security without the prior written consent of MCE and (y) in connection with a Transfer or issuance of Upstream Securities in respect of MCE Cotai, MCE may assign all or any portion of its Commitment to the transferee or purchaser (as applicable) of such Upstream Securities, provided that (A) immediately following such assignment, the portion of the Commitment held by MCE relative to the portion of the Commitment held by such transferee or purchaser (as applicable) is substantially equivalent to the Effective Interest in Securities held by MCE relative to the Effective Interest in Securities held by such transferee or purchaser at such time, (B) the transferee or purchaser (as applicable) agrees to provide its portion of the Commitment on terms that are not in the aggregate materially less beneficial to the Company than the terms hereof and (C) the transferee or purchaser (as applicable) proves to the reasonable satisfaction of the Company that it has sufficient financial resources to meet the portion of the Commitment to be assigned to it under clause (A). All the covenants and agreements contained in this Agreement shall bind and inure to the benefit of any such assignee.

7. Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or the effectiveness or validity of any provision in any other jurisdiction, and this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

8. Counterparts; Binding Agreement. This Agreement may be executed simultaneously in two or more separate counterparts (including by means of facsimile or by electronic transmission of a .pdf or other electronic file), any one of which need not contain the signatures of more than one party, but each of which will be an original and all of which together shall constitute one and the same agreement binding on all the parties hereto.

9. Confidentiality. This Agreement shall be treated as strictly confidential and is being provided to the Company solely in connection with the Shareholders' Agreement and Amendment No. 3 and the transactions contemplated thereby. This Agreement may not be used, circulated, quoted or otherwise referred to in any document, except with the written consent of each of the Company and MCE. Notwithstanding the foregoing, this Agreement may be (a) provided by the Company and MCE to their respective officers, managers, employees, directors (or equivalent) or financial, legal or accounting advisors or lenders who have been directed to treat this Agreement as confidential, (b) provided by MCE to its direct and indirect equity holders and their respective affiliates who have been directed to treat this Agreement as confidential and (c) disclosed lo any person or entity if required by law or the rules of any stock exchange or regulatory authority (including a self-regulatory organization).

10. Specific Performance. MCE acknowledges and agrees that (a) irreparable damage would occur in the event that any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached, and (b) remedies at law would not be adequate to compensate the non-breaching party. Accordingly, MCE agrees that the Company shall have the right, in addition to any other rights and remedies existing in its favor, to an injunction or injunctions to prevent breaches of the provisions of this Agreement and to enforce its rights and obligations hereunder not only by an action or actions for damages but also by an action or actions for specific performance, injunctive and/or other equitable relief. The right to equitable relief, including specific performance or injunctive relief, shall exist notwithstanding, and shall not be limited by, any other provision of this Agreement. MCE hereby waives any defense that a remedy at law is adequate and any requirement to post bond or other security in connection with actions instituted for injunctive relief, specific performance or other equitable remedies.

11. Descriptive Headings; Interpretation. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a substantive part of this Agreement. Whenever required by the context, any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa. 12. Applicable Law; Venue. This Agreement is governed by and is to be construed in accordance with the laws applicable in Hong Kong. 15. Waiver. No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or any other covenant, duty, agreement or condition.

16. Further Action. The parties agree to execute and deliver all documents, provide all information and take or refrain from taking such actions as may be necessary or appropriate to achieve the purposes of this Agreement.

Ladies and Gentlemen:

This commitment agreement (this "Agreement") is dated 3 June, 2014 and is entered into by and among OCM Opportunities Fund V, L.P. ("OCM V"), OCM Asia Principal Opportunities Fund, L.P. ("OCM Asia"), OCM Opportunities Fund VI, L.P. ("OCM VI" and, together with OCM V and OCM Asia, the "Oaktree Funds") and Studio City International Holdings Limited (the "Company"). Capitalized terms used herein but not defined shall have the meanings given to such terms in the Shareholders' Agreement (as acceded to, and amended, from time to time, the "Shareholders' Agreement"), and Amendment No. 3 to Shareholders' Agreement ("Amendment No. 3"), both by and among the Company, New Cotai, LLC ("New Cotai"), MCE Cotai Investments Limited and Melco Crown Entertainment Limited. This Agreement is being delivered pursuant to clause 1(h) of Amendment No. 3.

1. Commitment. Each of the Oaktree Funds hereby agrees, on a several but not joint basis, upon the terms and subject to the conditions set forth herein, (x) to provide or cause to be provided to New Cotai, directly or through one or more other entities, funds to meet any and all Capital Calls made on New Cotai by the Company, from time to time pursuant to and in accordance with clause 1(e) of Amendment No. 3, and (y) to exercise all of its rights as a direct or indirect equity holder to cause New Cotai to meet, and in any event to not take any affirmative action as a direct or indirect equity holder, or refrain from taking any affirmative action as a direct or indirect equity holder, to prevent New Cotai from meeting, such Capital Call in accordance with clause 1(e) of Amendment No. 3, in the case of clause (x), if and only to the extent that New Cotai does not otherwise have sufficient funds to meet those Capital Calls; provided, however, that in no event shall any of the Oaktree Funds be required to provide such funds in an amount exceeding such Oaktree Fund's Maximum Obligations (such commitment, the "Commitment"). The Commitment shall be subject to all defenses available to New Cotai under the Shareholders' Agreement with respect to any Capital Call, each of which defenses may be asserted directly by or on behalf of the Oaktree Funds. For the purposes of clause (y), the obligation of each of the Oaktree Funds to take action under that clause shall include an obligation on each of the Oaktree Funds to exercise all of their rights (i) under the constituent documents of New Cotai to approve or authorize (as the case may be) the Capital Call to be met, (ii) to instruct its board member appointees of New Cotai to approve and authorize the Capital Call to be met, and (iii) to vote any of the securities held by it in New Cotai to approve or authorize the Capital Call to be met. Nothing in this Agreement is intended to limit in any respect New Cotai's right to exercise all defenses available to it under the Shareholders' Agreement with respect to any Capital Call, or require the Oaktree Funds to in any way attempt to limit such exercise.

For the purposes hereof, (a) "Maximum Obligations" in respect of any Capital Call from time to time means (i) with respect to OCM V, an amount equal to the lesser of (A) OCM V's Pro Rata Share of the amount of such Capital Call made on New Cotai in accordance with clause 1(e) of Amendment No. 3, and (B) OCM V's Pro Rata Share of the Aggregate Remaining Second Follow On Commitment, (ii) with respect to OCM Asia, an amount equal to the lesser of (x) OCM Asia's Pro Rata Share of the amount of such Capital Call made on New Cotai in accordance with clause 1(e) of Amendment No. 3, and (y) OCM Asia's Pro Rata Share of the Aggregate Remaining Second Follow On Commitment, and (iii) with respect to OCM VI, an amount equal to the lesser of (A) OCM VI's Pro Rata Share of the amount of such Capital Call made on New Cotai in accordance with clause 1(e) of Amendment No. 3, and (B) OCM VI's Pro Rata Share of the Aggregate Remaining Second Follow On Commitment, (b) "Pro Rata Share" means (I) with respect to OCM V, Seven and One-Third percent (7-1/3%), (II) with respect to OCM Asia, Seven and One-Third percent (7-1/3%), and (III) with respect to OCM VI, Seven and One-Third percent (7-1/3%), and (c) "Aggregate Remaining Second Follow On Commitment" means, as of any date of any Capital Call, an amount equal to US$40 million less the aggregate amounts (other than the US$40 million out of the remaining US$100 million of the MCE Follow On Commitment) subscribed for or advanced to the Company by or on behalf of New Cotai (including through draws by the Company on this Commitment) as of such date in accordance with clause 1(e) of Amendment No. 3, less the amount by which New Cotai's obligation to make Capital Calls is reduced in connection with a Transfer of Financial Interests held by New Cotai as provided in clause 22.5 of the Shareholders' Agreement.

2. No Recourse. Notwithstanding anything that may be expressed or implied in this Agreement or any document or instrument delivered in connection herewith, by its acceptance of the benefits of this Agreement, the Company covenants, agrees and acknowledges that no person or entity other than the Oaktree Funds has any obligation hereunder, and no personal liability shall attach to, the former, current or future equity holders, controlling persons, directors, officers, employees, agents, affiliates, members, managers, general or limited partners or assignees of the Oaktree Funds or any former, current or future stockholder, controlling person, director, officer, employee, general or limited partner, member, manager, affiliate (other than, in the case of New Cotai, under the Shareholders' Agreement or Amendment No. 3), agent or assignee of any of the foregoing, whether by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any statute, regulation or applicable law, or otherwise.

3. Termination. Upon the earliest of (x) the full satisfaction of the maximum amount payable by New Cotai in respect of all Capital Calls pursuant to clause 1(e) of Amendment No. 3, (y) the expiration of the period for the making of Capital Calls under clause 17.10 of the Shareholders' Agreement and (z) the termination of the Shareholders' Agreement in accordance with its terms, this Agreement shall terminate and be of no further force and effect. Upon termination of this Agreement, none of the Oaktree Funds shall have any liability to any person in connection with this Agreement except, in the case of clause (y) and (z), any breach of this Agreement occurring on or before the relevant date.

4. Representations and Warranties. Each of the Oaktree Funds hereby represents and warrants to the Company that (i) such Oaktree Fund is duly organized, validly existing and in good standing under the laws of the state or country of its formation or organization, and has all necessary power and authority to enter into and perform this Agreement, (ii) this Agreement has been duly executed and delivered by such Oaktree Fund and constitutes a legal, valid and binding obligation of such Oaktree Fund, enforceable against such Oaktree Fund in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally, (iii) such Oaktree Fund has and will maintain available capital in an amount not less than such Oaktree Fund's Pro Rata Share of the Aggregate Remaining Second Follow On Commitment, and (iv) no other approval is required for such Oaktree Fund to fulfill its obligations hereunder.

5. Amendments. This Agreement may be amended, modified, or waived with the written consent of each of the Oaktree Funds and the Company.

6. Assignment; Successors and Assigns. No assignment or transfer by any party of its rights and obligations under this Agreement will be made except with the prior written consent of (i) the Company (in the case of any assignment or transfer by the Oaktree Funds) or (ii) each of the Oaktree Funds (in the case of any assignment or transfer by the Company); provided, that (x) the Company may assign its rights pursuant to this Agreement to any Project Lender as collateral security without the prior written consent of the Oaktree Funds and (y) in connection with a Transfer or issuance of Upstream Securities in respect of New Cotai, each Oaktree Fund may assign all or any portion of its Commitment to the transferee or purchaser (as applicable) of such Upstream Securities, provided that (A) immediately following such assignment, the portion of the Commitment held by such Oaktree Fund relative to the portion of the Commitment held by such transferee or purchaser (as applicable) is substantially equivalent to the Effective Interest in Securities held by such Oaktree Fund relative to the Effective Interest in Securities held by such transferee or purchaser at such time, (B) the transferee or purchaser (as applicable) agrees to provide its portion of the Commitment on terms that are not in the aggregate materially less beneficial to the Company than the terms hereof and (C) the transferee or purchaser (as applicable) proves to the reasonable satisfaction of the Company that it has sufficient financial resources to meet the portion of the Commitment to be assigned to it under clause (A). All the covenants and agreements contained in this Agreement shall bind and inure to the benefit of any such assignee.

7. Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or the effectiveness or validity of any provision in any other jurisdiction, and this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

8. Counterparts; Binding Agreement. This Agreement may be executed simultaneously in two or more separate counterparts (including by means of facsimile or by electronic transmission of a .pdf or other electronic file), any one of which need not contain the signatures of more than one party, but each of which will be an original and all of which together shall constitute one and the same agreement binding on all the parties hereto.

9. Confidentiality. This Agreement shall be treated as strictly confidential and is being provided to the Company solely in connection with the Shareholders' Agreement and Amendment No. 3 and the transactions contemplated thereby. This Agreement may not be used, circulated, quoted or otherwise referred to in any document, except with the written consent of each of the Company and each of the Oaktree Funds. Notwithstanding the foregoing, this Agreement may be (a) provided by the Company and the Oaktree Funds to their respective officers, managers, employees, directors (or equivalent) or financial, legal or accounting advisors or lenders who have been directed to treat this Agreement as confidential, (b) provided by the Oaktree Funds to their direct and indirect equity holders and their respective affiliates who have been directed to treat this Agreement as confidential and (c) disclosed to any person or entity if required by law or the rules of any stock exchange or regulatory authority (including a self-regulatory organization).

10. Specific Performance. Each Oaktree Fund acknowledges and agrees that (a) irreparable damage would occur in the event that any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached, and (b) remedies at law would not be adequate to compensate the non-breaching party. Accordingly, each Oaktree Fund agrees that the Company shall have the right, in addition to any other rights and remedies existing in its favor, to an injunction or injunctions to prevent breaches of the provisions of this Agreement and to enforce its rights and obligations hereunder not only by an action or actions for damages but also by an action or actions for specific performance, injunctive and/or other equitable relief. The right to equitable relief, including specific performance or injunctive relief, shall exist notwithstanding, and shall not be limited by, any other provision of this Agreement. Each Oaktree Fund hereby waives any defense that a remedy at law is adequate and any requirement to post bond or other security in connection with actions instituted for injunctive relief, specific performance or other equitable remedies.

11. Descriptive Headings; Interpretation. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a substantive part of this Agreement. Whenever required by the context, any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa. The use of the word "including" in this Agreement shall be by way of example rather than by limitation. Unless otherwise noted, reference to any agreement, document or instrument means such agreement, document or instrument as amended or otherwise modified from time to time in accordance with the terms thereof, and if applicable hereof. The use of the words "or," "either" and "any" shall not be exclusive. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement. Wherever a conflict exists between this Agreement and any other agreement, this Agreement shall control but solely to the extent of such conflict.

12. Applicable Law; Venue. This Agreement is governed by and is to be construed in accordance with the laws applicable in Hong Kong. Except as otherwise expressly provided in this Agreement, any dispute relating hereto shall be heard exclusively in the courts of Hong Kong, and the parties agree to jurisdiction and venue therein.

13. Addresses and Notices. All notices, demands and other communications to be given or delivered under or by reason of the provisions of this Agreement shall be given or delivered, as applicable, as provided in clause 39 of the Shareholders' Agreement as if such provisions applied herein *mutatis mutandis*.

14. No Third Party Beneficiaries. None of the provisions of this Agreement shall be for the benefit of or enforceable by any person or entity other than the Company, including without limitation, any shareholder or creditor of the Company or any of their respective affiliates, and no creditor who makes a loan to the Company or any of its affiliates may have or acquire (except pursuant to the terms of a separate agreement executed by the Company in favor of such creditor) at any time as a result of making the loan any direct or indirect interest in the Commitment other than as a secured creditor of the Company.

15. Waiver. No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or any other covenant, duty, agreement or condition.

16. Further Action. The parties agree to execute and deliver all documents, provide all information and take or refrain from taking such actions as may be necessary or appropriate to achieve the purposes of this Agreement.

17. Entire Agreement. (b) The parties acknowledge that the Subconcessionaire shall operate the Studio City Casino within the Subconcession pursuant to the terms of the Casino Management Agreement.

(i) in proportion to the number of tables the Studio City Casino and the other Melco Casinos have (or have allocated to them) at that time; and

(ii) if the number of additional gaming tables authorised by the Macau government to be utilised by the Subconcession is disproportionately more than the number of gaming tables authorised to other concession and subconcession holders in Macau (based on the number of gaming tables held by each of them and including circumstances in which the percentage of additional gaming tables allocated to the Subconcessionaire exceeds the percentage of gaming tables allocated to other gaming concession or subconcession holders in Macau under the table cap regime implemented by the Macau government from time to time), the amount of the excess will (to the extent permitted by the Macau government) be allocated by the Subconcessionaire between the Studio City Casino and the other Melco Casinos based on:

(B) if no such plans exist, pro rated based on the respective number of tables at (or allocated to) the Studio City Casino and the other Melco Casinos.

(c) In the event that, after initial allocation of gaming tables by the Macau government to the Studio City Casino, the number of gaming tables authorised by the Macau government to be utilized by the Subconcession is reduced, Melco and New Cotai shall discuss in good faith whether there is to be any reduction in the number of gaming tables at the Studio City Casino having regard to (among other things) a fair and appropriate allocation of gaming tables to all Melco Casinos and after taking into account any Macau government requirement and the capital expenditures of each of the Melco Casinos and, in any event, the number of gaming tables at the Studio City Casino shall not be disproportionately reduced relative to the reduction of gaming tables at other Melco Casinos (unless the Melco Shareholders and New Cotai agree otherwise).

## 5. OTHER ADMINISTRATIVE MATTERS

**5.2** Despite clause 5.1(a), if reasonable to do so, the Company may limit the information provided to such information as is required by the Gaming Regulator or otherwise customarily provided to any such Gaming Regulator.

**5.3** Any person to whom information is provided under clause 5.1(a) shall agree, as a condition of being provided with that information, to cooperate with the Company to seek to limit or protect the information required to be provided, if the Company determines (acting reasonably) that providing such information would:

## 6. PRE-EMPTIVE RIGHTS

### 6.1 Pro rata offer

If the Company proposes to offer Equity Securities of the Company for subscription (other than issuances in connection with a public offering, under any Equity Plan or "assured entitlement" arrangements pursuant to the Listing Rules of The Stock Exchange of Hong Kong Limited (as it may be amended from time to time)), solely or primarily to Melco or any of its Affiliates, each Entitled Minority Shareholder is entitled to subscribe for up to its Respective Proportion of the Equity Securities proposed to be issued, and the Company shall give written notice to New Cotai of the proposed issuance, describing the type of Equity Securities, the cash price per Equity Security, the number of Equity Securities, and the general terms upon which the Company proposes to issue the same (**Offer**).

**6.2 Offer Notice**

The Company shall make the Offer to each Entitled Minority Shareholder by giving a notice in writing (**Offer Notice**) to New Cotai specifying:

(a) the total number of Equity Securities proposed to be issued to Melco and/or its Affiliates;

(b) the number of Equity Securities each Entitled Minority Shareholder is entitled to subscribe for (up to its Respective Proportion of the aggregate of all Equity Securities to be issued to Melco and its Affiliates); and

(c) the terms of issue of the Equity Securities (including the issue price which shall be the same price for all of the Equity Securities being offered).

The Company shall provide such Offer Notice as soon as reasonably practicable (but not less than fifteen (15) business days) prior to the date of the closing of the issue of the Equity Securities; provided that if the Company determines that such advance notice is not practical under the circumstances, the Company may provide notice as soon as practicable after such closing.

**6.3 Response to Offer**

Within fifteen (15) business days after the date the Offer Notice is deemed given in accordance with **clause 10**, New Cotai shall give notice to the Company stating, with respect to each Entitled Minority Shareholder, whether such Entitled Minority Shareholder accepts all or any portion of the Equity Securities offered to it in the Offer Notice or it declines the Offer in full.

**6.4 Failure to Respond**

If New Cotai does not give notice to the Company stating whether an Entitled Minority Shareholder accepts all or a portion of the Equity Securities offered to such Entitled Minority Shareholder in the Offer within the period stated in **clause 6.3**, any such Entitled Minority Shareholder shall be deemed to have declined all of the Equity Securities offered to it in the Offer.

**6.5 Payment by Accepting Entitled Minority Shareholders**

If an Entitled Minority Shareholder accepts all or any portion of the Equity Securities offered to such Entitled Minority Shareholder in the Offer, upon the closing of the issuance of the Equity Securities as specified in the Offer Notice, such Entitled Minority Shareholder shall pay to the Company an amount in cash (in U.S. dollars) equal to the aggregate purchase price for the number of Equity Securities specified in the notice of acceptance of such Entitled Minority Shareholder's Offer (the **Cash Purchase Price**) on the terms specified in the Offer Notice. If an Entitled Minority Shareholder fails to make a timely payment of the Cash Purchase Price in full in accordance with the terms specified in the Offer Notice, such Entitled Minority Shareholder shall be deemed to have declined all of the Equity Securities offered to it in the Offer.

**6.6 Termination of Pre-Emptive Rights**

B. AGREEMENT TO INDEMNIFY

1. General Agreement. In the event the Indemnitee was, is, or is threatened to be made, a party to or a Participant (as a witness, deponent or otherwise) in any Proceeding, the Company shall indemnify the Indemnitee from and against any and all Expenses (including all interest, assessments and other charges paid or payable in connection with or in respect of such Expenses) which are actually and reasonably incurred by the Indemnitee in connection with such Proceeding, whether or not such Proceeding proceeds to judgment or is settled or is otherwise brought to a final disposition, to the fullest extent permitted by applicable law.

2. Indemnification of Expenses of a Party Who is Wholly or Partly Successful. Notwithstanding any other provisions of this Agreement (and in addition to, and not in limitation of, any right of Indemnitee under Section B.5), to the fullest extent permitted by applicable law and to the extent that the Indemnitee was or is a party to (or a participant in) and is successful, on the merits or otherwise, in any Proceeding or in defense of any claim, issue or matter therein, in whole or in part, the Company shall indemnify the Indemnitee against all Expenses actually and reasonably incurred by the Indemnitee in connection therewith. If the Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Company shall indemnify the Indemnitee against all Expenses actually and reasonably incurred by the Indemnitee in connection with or related to each successfully resolved claim, issue or matter to the fullest extent permitted by law. For purposes of this Section and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, shall be deemed to be a successful result as to such claim, issue or matter.

3. Partial Indemnification. If the Indemnitee is entitled under any provision of this Agreement to indemnification by the Company for a portion of Expenses, but not for the total amount of Expenses, the Company shall indemnify the Indemnitee for the portion of such Expenses to which the Indemnitee is entitled.

4. Indemnification for Expenses of a Witness. Notwithstanding any other provision of this Agreement, to the fullest extent permitted by applicable law and to the extent that the Indemnitee is, by reason of the Indemnitee's Corporate Status, a witness or otherwise asked to participate in any Proceeding to which the Indemnitee was or is not a party, the Indemnitee shall be indemnified against all Expenses actually and reasonably incurred by the Indemnitee in connection therewith.

5. Additional Indemnification.

(a) Notwithstanding any limitation in Sections B.1 or B.2, the Company shall indemnify the Indemnitee to the fullest extent permitted by applicable law if the Indemnitee was or is a party to or threatened to be made a party to any Proceeding (including a Proceeding by or in the right of the Company to procure a judgment in its favor) by reason of the Indemnitee's Corporate Status.

(b) For purposes of this Section B.5, the meaning of the phrase "to the fullest extent permitted by applicable law" shall include, but not be limited to:

i. to the fullest extent permitted by the provision of the laws of the Cayman Islands and, prior to the HK Exemption, by sections 468 and 469 of the Hong Kong Companies Ordinance (Cap 622), in each case, that authorize or contemplate additional indemnification by agreement, or the corresponding provision of any amendment to or replacement of the such laws; and

ii. to the fullest extent authorized or permitted by any amendments to or replacements of the laws of the Cayman Islands and, prior to the HK Exemption, sections 468 and 469 of the Hong Kong Companies Ordinance (Cap 622), in each case, adopted after the date of this Agreement that increase the extent to which a corporation may indemnify its officers and directors.

(c) The parties hereto intend that this Agreement shall provide to the fullest extent permitted by law for indemnification in excess of that expressly permitted by statute, including, without limitation, any indemnification provided by the Memorandum and Articles of Association, vote of the Company's shareholders or Disinterested Directors or applicable law.

6. Exclusions. Notwithstanding anything in this Agreement, the Company shall not be obligated under this Agreement to make any indemnification payment in connection with any claim involving the Indemnitee:

(a) subject to Section E.4, for which payment has actually been received by or on behalf of the Indemnitee (and not subsequently returned) under any insurance policy or other indemnity provision, except with respect to any excess beyond the amount paid under any insurance policy or other indemnity provision; or

(b) except as provided in Section C.3(d) of this Agreement, in connection with any Proceeding (or any part of any Proceedings) initiated by the Indemnitee, including any Proceeding (or any part of any Proceeding) initiated by the Indemnitee against the Company, any director, officer, employee or other indemnitees of the Company or any other party, and not by way of defense, unless (i) the Board of Directors has authorized the Proceeding (or any part of any Proceeding) prior to its initiation; (ii) the Proceeding is to enforce indemnification rights under this Agreement initiated pursuant to Section C.3(a) of this Agreement or any applicable law; or (iii) the Company provides the indemnification, in its sole discretion, pursuant to the powers vested in the Company under applicable law; or

(c) for (i) an accounting of profits made from the purchase and sale (or sale and purchase) by the Indemnitee of securities of the Company within the meaning of Section 16(b) of the Exchange Act or similar provisions of state statutory law or common law, (ii) any reimbursement of the Company by the Indemnitee of any bonus or other incentive-based or equity-based compensation or of any profits realized by the Indemnitee from the sale of securities of the Company, as required in each case under the Exchange Act (including any such reimbursements that arise from an accounting restatement of the Company pursuant to Section 304 of the Sarbanes-Oxley Act of 2002 (the "**Sarbanes-Oxley Act**"), or the payment to the Company of profits arising from the purchase and sale by the Indemnitee of securities in violation of Section 306 of the Sarbanes-Oxley Act); or (iii) any reimbursement of the Company by the Indemnitee of any compensation pursuant to any compensation recoupment or clawback policy adopted by the Board of Directors or the compensation committee of the Board of Directors, including but not limited to any such policy adopted to comply with stock exchange listing requirements implementing Section 10D of the Exchange Act;

(d) to the extent brought about or contributed to by the dishonesty or fraud of the Indemnitee seeking payment hereunder; *provided*, *however*, notwithstanding the foregoing, the Indemnitee shall be indemnified under this Agreement as to any claims upon which suit may be brought against him by reason of any alleged dishonesty on his or her part, unless a judgment or other final adjudication thereof adverse to the Indemnitee establishes that he or she committed (i) acts of active and deliberate dishonesty, (ii) with actual dishonest purpose and intent, and (iii) which acts were material to the cause of action so adjudicated; or

(e) which payment it is prohibited from paying as indemnity by applicable law. For the purpose of this Agreement, applicable law shall include U.S. federal law, Cayman Islands law, the governing law of this Agreement and, prior to the HK Exemption, sections 468 and 469 of the Hong Kong Companies Ordinance (Cap 622).

7. No Employment Rights. Nothing in this Agreement is intended to create in the Indemnitee any right to continued employment with the Company.

8. Contribution. To the fullest extent permissible under applicable law, if the indemnification provided for in this Agreement is unavailable to the Indemnitee for any reason whatsoever, the Company, in lieu of indemnifying the Indemnitee, shall contribute to the amount incurred by the Indemnitee, whether for judgments, fines, penalties, excise taxes, amounts paid or to be paid in settlement and/or for Expenses, in connection with any claim relating to an Indemnifiable Event, in such proportion as is deemed fair and reasonable in light of all of the circumstances of such Proceeding in order to reflect (i) the relative benefits received by the Company and the Indemnitee as a result of the event(s) and/or transaction(s) giving cause to such Proceeding; and/or (ii) the relative fault of the Company (and, other than such the Indemnitee, its directors, officers, employees and agents) and the Indemnitee in connection with such event(s) and/or transaction(s); provided that the relative benefits accruing to the Indemnitee shall be deemed to be an amount not greater than the Indemnitee's compensation from the Company beginning from the year in which the events giving rise to such losses or Expenses are alleged to have occurred and the relative fault of the Company on the one hand and of the Indemnitee on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such Expenses, judgments, fines or settlement amounts. The Company agrees that it would not be just and equitable if contribution pursuant to this Section B.8 were determined by pro rata allocation or any other method of allocation which does not take account of the foregoing equitable considerations.

C. INDEMNIFICATION PROCESS

1. Notice and Cooperation by the Indemnitee. The Indemnitee shall, as a condition precedent to his or her right to be indemnified under this Agreement, give the Company notice in writing as soon as reasonably practicable of any claim made against the Indemnitee for which indemnification will or could be sought under this Agreement; provided that the delay of the Indemnitee to give notice under this Agreement shall not prejudice any of the Indemnitee's rights hereunder, unless such delay results in the Company's forfeiture of substantive rights or defenses. Notice to the Company shall be given in accordance with Section G.8 below. If, at the time of receipt of such notice, the Company has directors' and officers' liability insurance policies in effect, the Company shall give prompt notice to its insurers of the Proceeding relating to the notice. The Company shall thereafter take all necessary and desirable action to cause such insurers to pay, on behalf of the Indemnitee, all Expenses payable as a result of such Proceeding. In addition, the Indemnitee shall give the Company such cooperation as the Company may reasonably request and the Company shall give the Indemnitee such cooperation as the Indemnitee may reasonably request, including providing any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to the Indemnitee or the Company, as the case may be.

2. Indemnification Payment.

(a) *Advancement of Expenses*. Notwithstanding any provision of this Agreement to the contrary (other than Section C.3(d)), the Company shall advance, to the extent not prohibited by law, the reasonable Expenses incurred by the Indemnitee (or reasonably expected by the Indemnitee to be incurred by the Indemnitee within three months in connection with any Proceeding (or any part of any Proceeding) within thirty (30) days after the receipt by the Company of a statement or statements requesting such advances from time to time, whether prior to or after final disposition of any Proceeding. Advances shall, to the fullest extent permitted by applicable law, be unsecured and interest free. Advances shall be made without regard to the Indemnitee's ability to repay the Expenses and without regard to the Indemnitee's ultimate entitlement to indemnification under the other provisions of this Agreement. Advances shall include any and all reasonable Expenses incurred pursuing an action to enforce this right of advancement, including Expenses incurred preparing and forwarding statements to the Company to support the advances claimed. The Indemnitee shall qualify for advances upon the execution and delivery to the Company of this Agreement, which shall constitute an undertaking providing that the Indemnitee undertakes to repay the amounts advanced (without interest) to the extent that it is ultimately determined that the Indemnitee is not entitled to be indemnified by the Company. No other form of undertaking shall be required other than the execution of this Agreement. Any excess of the advance Expense over the actual Expense will be promptly repaid to the Company. This Section C.2(a) shall not apply to any claim made by the Indemnitee for which indemnity is excluded pursuant to Section B.6.

(b) *Reimbursement of Expenses*. To the extent the Indemnitee has not requested any advanced payment of Expenses from the Company, the Indemnitee shall be entitled to receive reimbursement for the Expenses incurred in connection with a Proceeding from the Company as soon as practicable and, in any event, within 30 days after the Indemnitee makes a written request to the Company for reimbursement unless a determination is required by applicable law with respect to the Indemnitee's entitlement to indemnification, in which case the Company shall refer the indemnification request to the Independent Counsel (as defined below) in accordance with Section C.2(c) below. The Company will be entitled to participate in the Proceedings at its own expense.

(c) *Procedure upon Application for Indemnification.* If a determination is required by applicable law with respect to the Indemnitee's entitlement to indemnification or that the Company reasonably believes that it is not obligated under this Agreement to indemnify the Indemnitee, the Company shall, within 10 business days after the Indemnitee's written request for an advancement or reimbursement of Expenses, notify the Indemnitee that the request for advancement of Expenses or reimbursement of Expenses will be submitted to the Independent Counsel. The Independent Counsel shall make a determination on the request and a copy of such determination shall be delivered to the Indemnitee in accordance with Section C.8(b) below. Notwithstanding anything foregoing to the contrary, in the event it is so determined that the Indemnitee is not entitled to indemnification in connection with a Proceeding under this Agreement or applicable law, the Company shall be entitled to be reimbursed by the Indemnitee for all the Expenses previously advanced or otherwise paid to the Indemnitee in connection with such Proceeding; *provided*, *however*, that the Indemnitee may bring a suit to enforce his or her indemnification right in accordance with Section C.3 below.

3. Suit to Enforce Rights.

(a) In the event that (i) a determination is made pursuant to Section C.2 of this Agreement that the Indemnitee is not entitled to indemnification under this Agreement, (ii) advancement of Expenses is not timely made pursuant to Section C.2(a) of this Agreement, (iii) no determination of entitlement to indemnification shall have been made pursuant to Section C.2(c) of this Agreement within 90 days after receipt by the Company of the request for indemnification, (iv) payment of indemnification is not made pursuant to Section B.2, Section B.3 or Section B.4 of this Agreement within 10 business days after receipt by the Company of a written request therefor, (v) payment of indemnification pursuant to Section B.1 or Section B.5 of this Agreement is not made within 10 business days after a determination has been made that the Indemnitee is entitled to indemnification or (vi) the Company or any other person takes or threatens to take any action to declare this Agreement void or unenforceable, or institutes any litigation or other action or Proceeding designed to deny, or to recover from, the Indemnitee the benefits provided or intended to be provided to the Indemnitee hereunder, the Indemnitee shall be entitled to an adjudication by a court of the Indemnitee's entitlement to such indemnification or advancement of Expenses. The Company shall not oppose the Indemnitee's right to seek any such adjudication. Unless the court determines that each of the material assertions made by the Indemnitee as a basis for such action was not made in good faith or was frivolous, the Indemnitee shall be entitled to be paid all court costs and reasonable expenses in connection with such proceeding. Any determination by the Independent Counsel not challenged by the Indemnitee and any judgment entered by the court shall be binding on the Company and the Indemnitee.

(b) In the event that a determination shall have been made pursuant to Section C.2(c) of this Agreement that the Indemnitee is not entitled to indemnification, any judicial proceeding commenced pursuant to this Section C.3 shall be conducted in all respects as a de novo trial on the merits and the Indemnitee shall not be prejudiced by reason of that adverse determination. In any judicial proceeding commenced pursuant to this Section C.3, the Company shall have the burden of proving the Indemnitee is not entitled to indemnification or advancement of Expenses, as the case may be.

(c) If a determination shall have been made pursuant to Section C.2(c) of this Agreement that the Indemnitee is entitled to indemnification, the Company shall be bound by such determination in any judicial proceeding or arbitration commenced pursuant to this Section C.3, absent (i) a misstatement by the Indemnitee of a material fact, or an omission of a material fact necessary to make the Indemnitee's statement not materially misleading, in connection with the request for indemnification or (ii) a prohibition of such indemnification under applicable law.

(d) The Company shall, to the fullest extent not prohibited by law, be precluded from asserting in any judicial proceeding or arbitration commenced pursuant to this Section C.3 that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate in any such court that the Company is bound by all the provisions of this Agreement. It is the intent of the Company that, to the fullest extent permitted by law, the Indemnitee not be required to incur legal fees or other Expenses associated with the interpretation, enforcement or defense of the Indemnitee's rights under this Agreement by litigation or otherwise because the cost and expense thereof would substantially detract from the benefits intended to be extended to the Indemnitee hereunder. The Company shall, to the fullest extent permitted by law, indemnify the Indemnitee against any and all Expenses and, if requested by the Indemnitee, shall (within 30 days after receipt by the Company of a written request therefor) advance, to the extent not prohibited by law, such Expenses to the Indemnitee, which are incurred by the Indemnitee in connection with any action brought by the Indemnitee for indemnification or advancement of Expenses from the Company under this Agreement or under any directors' and officers' liability insurance policies maintained by the Company if, in the case of indemnification, the Indemnitee is wholly successful on the underlying claims; if the Indemnitee is not wholly successful on the underlying claims, then such indemnification shall be only to the extent the Indemnitee is successful on such underlying claims or otherwise as permitted by law, whichever is greater.

(e) Notwithstanding anything in this Agreement to the contrary, no determination as to entitlement of the Indemnitee to indemnification under this Agreement shall be required to be made prior to the final disposition of any Proceeding.

4. Assumption of Defense. In the event the Company is obligated under this Agreement to advance or bear any Expenses for any Proceeding against the Indemnitee, the Company shall be entitled to assume the defense of such Proceeding, with counsel approved by the Indemnitee, upon delivery to the Indemnitee of written notice of its election to do so. After delivery of such notice, approval of such counsel by the Indemnitee and the retention of such counsel by the Company, the Company will not be liable to the Indemnitee under this Agreement for any fees of counsel subsequently incurred by the Indemnitee with respect to the same Proceeding, unless (i) the employment of counsel by the Indemnitee has been previously authorized by the Company, (ii) the Indemnitee shall have reasonably concluded, based on written advice of counsel, that there may be a conflict of interest of such counsel retained by the Company between the Company and the Indemnitee in the conduct of any such defense, or (iii) the Company ceases or terminates the employment of such counsel with respect to the defense of such Proceeding, in any of which events the fees and expenses of the Indemnitee's counsel shall be at the expense of the Company. At all times, the Indemnitee shall have the right to employ counsel in any Proceeding at the Indemnitee's expense.

5. Burden of Proof and Presumptions. In making a determination with respect to entitlement to indemnification hereunder, the person or persons or entity making such determination shall, to the fullest extent not prohibited by law, presume that the Indemnitee is entitled to indemnification under this Agreement, and the Company shall, to the fullest extent not prohibited by law, have the burden of proof to overcome that presumption in connection with the making by any person, persons or entity of any determination contrary to that presumption. Neither the failure of the Company (including by its directors or Independent Counsel) to have made a determination prior to the commencement of any action pursuant to this Agreement that indemnification is proper in the circumstances because the Indemnitee has met the applicable standard of conduct, nor an actual determination by the Company (including by its directors or Independent Counsel) that the Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the Indemnitee has not met the applicable standard of conduct.

6. No Settlement without Consent. Neither party to this Agreement shall settle any Proceeding in any manner that would impose any damage, loss, penalty or limitation on the Indemnitee without the other party's written consent. Neither the Company nor the Indemnitee shall unreasonably withhold its consent to any proposed settlement.

7. Company Participation. Subject to Section B.8, the Company shall not be liable to indemnify the Indemnitee under this Agreement with regard to any judicial action if the Company was not given a reasonable and timely opportunity, at its expense, to participate in the defense, conduct and/or settlement of such action.

8. Independent Counsel.

(a) For purposes of this Agreement, the Independent Counsel with respect to each indemnification request of the Indemnitee that is referred by the Company pursuant to Section C.2(c) above shall make its determination in a written opinion to the Board of Directors, a copy of which shall be delivered to the Indemnitee within 60 days after the later of the Indemnitee's written request for an advancement or reimbursement of Expenses and the resolution of any objection to the Independent Counsel under Section C.8(b) below. If the Independent Counsel determines that the Indemnitee is entitled to indemnification, payment to the Indemnitee shall be made within 10 days after such determination. The Indemnitee shall cooperate with the person, persons or entity making such determination with respect to the Indemnitee's entitlement to indemnification, including providing to such person, persons or entity upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to the Indemnitee and reasonably necessary to such determination. Any Independent Counsel shall act reasonably and in good faith in making a determination under this Agreement of the Indemnitee's entitlement to indemnification. Any reasonable costs or expenses (including reasonable attorneys' fees and disbursements) incurred by the Indemnitee in so cooperating with the person, persons or entity making such determination shall be borne by the Company (irrespective of the determination as to the Indemnitee's entitlement to indemnification) and the Company hereby indemnifies and agrees to hold the Indemnitee harmless therefrom to the extent as aforesaid.

(b) If the Company submits the Indemnitee's request for indemnification to the Independent Counsel under Section C.2(c), the Independent Counsel shall be selected by the Board of Directors by a majority vote, including the affirmative vote of a majority of Disinterested Directors that are independent (within the meaning of the listing rules of The New York Stock Exchange). The Indemnitee may, within 10 days after such written notice of selection shall have been given, deliver to the Company a written objection to such selection; *provided*, *however*, that such objection may be asserted only on the ground that the Independent Counsel so selected does not meet the requirements of "Independent Counsel" as defined in this Agreement, and the objection shall set forth with particularity the factual basis of such assertion. Absent a proper and timely objection, the person so selected shall act as Independent Counsel. If a written objection is made and substantiated, the Independent Counsel selected may not serve as Independent Counsel unless and until such objection is withdrawn or a court has determined that such objection is without merit. The Company shall pay any and all reasonable fees and expenses of Independent Counsel incurred by such Independent Counsel in connection with acting under this Agreement, and the Company shall pay all reasonable fees and expenses incident to the procedures of this Section C.8(b), regardless of the manner in which such Independent Counsel was selected or appointed. If, within 20 days after the later of submission by the Indemnitee of a written objection pursuant to this Section C.8(b) hereof and the final disposition of the relevant Proceeding, no Independent Counsel shall have been selected and not objected to, either the Company or the Indemnitee may petition the court of competent jurisdiction for resolution of any objection which shall have been made by the Company or the Indemnitee to the other's selection of Independent Counsel and/or for the appointment as Independent Counsel of a person selected by such court or by such other person as such court shall designate, and the person with respect to whom all objections are so resolved or the person so appointed shall act as Independent Counsel under Section C.2(c) hereof. Upon the due commencement of any judicial proceeding or arbitration pursuant to Section C.3 of this Agreement, Independent Counsel shall be discharged and relieved of any further responsibility in such capacity (subject to the applicable standards of professional conduct then prevailing).

(c) In making a determination with respect to entitlement to indemnification hereunder, the Independent Counsel shall presume that the Indemnitee is entitled to indemnification under this Agreement if the Indemnitee has submitted a request for indemnification in accordance with this Agreement, and the Company shall have the burden of proof to overcome that presumption in connection with the making by any person, persons or entity of any determination contrary to that presumption. The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement (with or without court approval), conviction, or upon a plea of *nolo contendere* or its equivalent, shall not (except as otherwise expressly provided in this Agreement) of itself adversely affect the right of the Indemnitee to indemnification or create a presumption that the Indemnitee did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal Proceeding, that the Indemnitee had reasonable cause to believe that his or her conduct was unlawful. For purposes of any determination of good faith, the Indemnitee shall be deemed to have acted in good faith if the Indemnitee's action is based on the records or books of account of the Company and any other corporation, partnership, joint venture or other entity of which the Indemnitee is or was serving at the written request of the Company as a director, officer, partner, managing member, trustee, fiduciary or agent, including financial statements, or on information supplied to the Indemnitee by the officers and directors of the Company or such other corporation, partnership, joint venture or other entity in the course of their duties, or on the advice of legal counsel for the Company or such other corporation, partnership, joint venture or other entity or on information or records given or reports made to the Company or such other corporation, partnership, joint venture or other entity by an independent certified public accountant or by an appraiser or other expert selected with reasonable care by the Company or such other corporation, partnership, joint venture or other entity. In addition, the knowledge and/or actions, or failure to act, of any director, officer, agent or employee of the Company or such other corporation, partnership, joint venture or other entity shall not be imputed to the Indemnitee for purposes of determining the right to indemnification under this Agreement. The provisions of this Section C.8(c) shall not be deemed to be exclusive or to limit in any way the other circumstances in which the Indemnitee may be deemed to have met the applicable standard of conduct set forth in this Agreement.

(d) The Company agrees to pay the reasonable fees and expenses of the Independent Counsel and to fully indemnify such counsel against any and all Expenses, claims, liabilities and damages arising out of or relating to this Agreement or its engagement pursuant hereto.

D. DIRECTORAND OFFICER LIABILITY INSURANCE

1. Maintenance of Insurance. The Company shall use commercially reasonable efforts to obtain and maintain in effect during the entire period for which the Company is obligated to indemnify the Indemnitee under this Agreement, one or more policies of insurance with reputable insurance companies providing the directors of the Company with coverage for losses incurred in connection with their services to the Company and to ensure the Company's performance of its indemnification obligations under this Agreement. The Indemnitee shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any such director, officer, employee or agent under such policy or policies. In all such insurance policies, the Indemnitee shall be named as an insured in such a manner as to provide the Indemnitee with the same rights and benefits as are accorded to the most favorably insured of the Company's directors and officers. Notwithstanding anything to the contrary in this Agreement, the Company shall use its commercially reasonable efforts to cause any insurance policies referenced in this Section D to cover the Indemnitee without taking into account any limitations contained herein as a result of sections 468 and 469 of the Hong Kong Companies Ordinance (Cap 622).

2. Coverage of the Indemnitee. If, at the time of the receipt of a notice of a claim pursuant to the terms hereof, the Company has director and officer liability insurance in effect, the Company shall give prompt notice of such claim or of the commencement of a Proceeding, as the case may be, to the insurers in accordance with the procedures set forth in the respective policies. The Company shall thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of the Indemnitee, all amounts payable as a result of such Proceeding in accordance with the terms of such policies. The Company shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable (or for which advancement is provided hereunder) hereunder if and to the extent that the Indemnitee has otherwise actually received (and not subsequently returned) such payment under any insurance policy, contract, agreement or otherwise. The Company's obligation to indemnify or advance Expenses hereunder to the Indemnitee who is or was serving at the request of the Company as a director, officer, trustee, partner, managing member, fiduciary, employee or agent of any other corporation, partnership, joint venture or other entity shall be reduced by any amount the Indemnitee has actually received (and not subsequently returned) as indemnification or advancement of Expenses from such other corporation, partnership, joint venture or other entity.

E. NON-EXCLUSIVITY;TERM

1. Non-Exclusivity. The rights of indemnification and to receive advancement of Expenses as provided by this Agreement shall not be deemed exclusive of any rights to which the Indemnitee may at any time be entitled under the Company's Memorandum and Articles of Association, as may be amended from time to time, applicable law, any written agreement between the Indemnitee and the Company (including its subsidiaries and affiliates), a vote of shareholders or a resolution of directors, or otherwise. The indemnification provided under this Agreement shall continue to be available to the Indemnitee for any action taken or not taken while serving in an indemnified capacity even though he or she may have ceased to serve in any such capacity at the time of any Proceeding. To the extent that a change in applicable laws permits greater indemnification by agreement than would be afforded under the Memorandum and Articles of Association or this Agreement, it is the intent of the parties hereto that the Indemnitee shall enjoy by this Agreement the greater benefits so afforded by such change. No right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy.

2. Primary Obligations. The Company hereby acknowledges that the Indemnitee may have certain rights to indemnification, advancement of Expenses and/or insurance provided by one or more Persons with whom or which the Indemnitee may be associated (including, without limitation, any Sponsor Entity). The Company hereby acknowledges and agrees:

(a) the Company is the indemnitor of first resort with respect to any request for indemnification or advancement of Expenses made pursuant to this Agreement concerning any Proceeding arising from or related to the Indemnitee's Corporate Status with the Company.

(b) the Company is primarily liable for all indemnification and indemnification or advancement of Expenses obligations for any Proceeding arising from or related to the Indemnitee's Corporate Status, whether created by law, organizational or constituent documents, contract (including this Agreement) or otherwise.

**EXECUTION VERSION**

**REGISTRATION RIGHTS AGREEMENT**

This REGISTRATION RIGHTS AGREEMENT, dated as of July 27, 2011 (this "Agreement"), is made by and among Cyber One Agents Limited, a company incorporated in the British Virgin Islands (the "Company"), and those parties set forth on the Schedule of Shareholders attached hereto (each, a "Shareholder" and collectively, the "Shareholders").

A. The Shareholders, among other parties, are parties to an implementation agreement (the "Implementation Agreement"), dated as of [●], 2011, pursuant to which, among other things, the Shareholders and the other parties thereto have agreed, at the Effective Time of the transactions contemplated by the Implementation Agreement, to (i) enter into a shareholders' agreement (the "Shareholders' Agreement") to govern their relationship in connection with, and the conduct and operations of, the Company and its subsidiaries, and (ii) cause the Company to enter into this Agreement with the Shareholders and provide to the Shareholders (and their transferees) the registration and other rights provided herein.

B. Capitalized terms used in this Agreement are used as defined in Section 11.

Now, therefore, the parties hereto agree as follows:

1. IPO Demand. The right of Holders to require the Company to effect an IPO is set forth in clause 29 of the Shareholders' Agreement. If the conditions to effecting an IPO in such clause of the Shareholders' Agreement have been satisfied, then the notification to the Company demanding an IPO under clause 29.1(a) of the Shareholders' Agreement shall constitute an "IPO Registration Request" which shall be governed by the terms of this Agreement, including Section 2(a) hereof.

2. Demand Registrations.

(a) Requests for Registration. At any time following an IPO, the Required Holders may request in writing that the Company or IPO HoldCo (as the case may be, the "Registering Entity") effect the registration of all or any part of the Registrable Securities held by such Required Holders (a "Post-IPO Registration Request" and, together with an IPO Registration Request, a "Registration Request"). Promptly after its receipt of any Registration Request, the Registering Entity will give written notice of such request to all other Holders, and will use its reasonable best efforts to register, in accordance with the provisions of this Agreement, all Registrable Securities that have been requested to be registered by the Holders in the Registration Request or by any other Holders that have provided written notice to the Registering Entity within 30 days after the date the Registering Entity has given such Holders notice of the Registration Request, provided that, other than in connection with an IPO Registration Request, the Registering Entity will not be required to effect a registration pursuant to this Section 2(a) unless the minimum aggregate value of the Registrable Securities that are proposed to be sold in such registration by such Holders shall be at least US$50,000,000. The Registering Entity will pay all Registration Expenses incurred in connection with any registration pursuant to this Section 2.

(b) Limitation on Demand Registrations. Following an IPO, the Registering Entity will not be obligated to effect more than five registrations pursuant to this Section 2, provided that a request for registration will not count for the purposes of this limitation if (i) the Holders of a majority of Registrable Securities covered by a particular registration determine in good faith to withdraw (prior to the effective date of the Registration Statement relating to such request) the proposed registration, (ii) the Registration Statement relating to such request is not declared effective within 120 days of the date such registration statement is first filed with the Commission, (iii) if, after such Registration Statement becomes effective, such Registration Statement becomes subject to any stop order, injunction or other order or requirement of the Commission or other governmental agency or court for any reason, (iv) the Holders are not able to register and sell at least 80% of the Registrable Securities requested to be included in such registration, other than by reason of such Holders withdrawing their request or terminating the offering, (v) the conditions to closing specified in the underwriting agreement or purchase agreement entered into in connection with the registration relating to such request are not satisfied (other than as a result of a material default or material breach thereunder by the Holders), or (vi) if the Registration Statement relating to such request has not remained effective until the earlier of the time when all the Registrable Securities requested to be included in such registration is sold and the end of the period described in Section 2(g). Notwithstanding the foregoing, the Registering Entity will pay all Registration Expenses in connection with any request for registration pursuant to Section 2(a) regardless of whether or not such request counts toward the limitation set forth above. The Registering Entity shall not be required to file and cause to become effective more than one registration statement in any six month period.

(c) Shelf Registrations. At any time following a Qualified IPO, the Required Holders may request in writing that the Registering Entity effect the registration described in Section 2(a) on Form S-3 (a "Shelf Registration Statement") (provided that the Registering Entity is eligible to use such form) for an offering to be made on a continuous basis pursuant to Rule 415 under the Securities Act and to use reasonable best efforts to cause such registration statement to become effective and to maintain the effectiveness of such shelf registration statement with respect to such Registrable Securities in the Registering Entity of Holders participating in the registration for the period provided in Section 2(g) hereof (a "Shelf Demand Registration"). To the extent the Registering Entity is a well known seasoned issuer (a "WKSI") (as defined in Rule 405 under the Securities Act) at the time any Required Holders make a Shelf Demand Registration, the Registering Entity shall file a Shelf Registration Statement under procedures applicable to WKSIs. The Registering Entity shall not be obligated to file more than one Shelf Demand Registration in any twelve-month period.

(d) Restrictions on Demand Registrations. The Registering Entity may postpone for a reasonable period of time, not to exceed 90 days, the filing of a prospectus or the effectiveness of a Registration Statement for a registration pursuant to this Section 2 if the Registering Entity furnishes to the Holders a certificate signed by the Chief Executive Officer of the Registering Entity, following consultation with, and after obtaining the good faith approval of, the board of directors of the Registering Entity, stating that the Registering Entity believes that such postponement is necessary in order to avoid premature disclosure of a material matter required, as determined by the Registering Entity after consultation with outside counsel, to be otherwise disclosed in the prospectus the disclosure of which the board has determined would have a material adverse effect on any proposal or plan by the Registering Entity to engage in any acquisition of assets (other than in the ordinary course of business) or any merger, amalgamation, consolidation, tender offer or similar transaction, or otherwise would have a material adverse effect on the business, assets, operations, prospects or financial condition of the Registering Entity, provided, however, that the Registering Entity shall not be entitled to so postpone unless it shall (A) concurrently request the suspension of sales by other security holders under registration statements covering securities held by such other security holders, (B) in accordance with the Registering Entity's policies from time to time in effect, forbid purchases and sales in the open market by senior executives of the Registering Entity, and (C) itself refrain from any public offering and open market purchases during the postponement, provided further, however, that the Registering Entity may not effect such a postponement more than once in any 360-day period. If the Registering Entity so postpones the filing of a prospectus or the effectiveness of a Registration Statement, the Holders of a majority of Registrable Securities covered by a particular registration will be entitled to withdraw such request and, if such request is withdrawn, such registration request will not count for the purposes of the limitation set forth in Sections 2(b) and 2(c). The Registering Entity shall provide written notice to the Holders of the Registering Entity's decision to file or seek effectiveness of a Registration Statement following such postponement and the effectiveness of such Registration Statement. The Registering Entity will pay all Registration Expenses incurred in connection with any such postponed filing and any such postponed effectiveness of a Registration Statement.

(e) Selection of Underwriters. In connection with the IPO Registration Request and any other Registration Request in which the Required Holders intend to distribute the Registrable Securities by means of an underwritten offering, they will so advise the Registering Entity as a part of the Registration Request, and the Registering Entity will include such information in the notice sent by the Registering Entity to the other Holders with respect to such Registration Request. In such event, the Holders of a majority of the Registrable Securities covered by such Registration Request will have the right to select the managing underwriter to administer the offering; provided that (i) in the case of an IPO Registration Request, such underwriter shall be selected after consultation with Melco Crown Entertainment Limited and (ii) in the case of all other Registration Requests, such underwriter shall be subject to the Registering Entity's approval which will not be unreasonably withheld, conditioned or delayed . If the offering is underwritten, the right of any Holder to registration pursuant to this Section 2 will be conditioned upon such Holder's participation in such underwriting and the inclusion of such Holder's Registrable Securities in the underwriting (unless otherwise agreed by the Holders of a majority of Registrable Securities covered by a particular registration), and each such Holder will (together with the Registering Entity and the other Holders distributing their securities through such underwriting) enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting. If any Holder disapproves of the terms of the underwriting, such Holder may elect to withdraw therefrom by written notice to the Registering Entity, the managing underwriter and the Required Holders.

(f) Priority on Demand Registrations. The Registering Entity will not include in any underwritten registration pursuant to Section 2(a) or 2(c) any securities that are not Registrable Securities without the prior written consent of the Holders making the Registration Request. In the case of any proposed registration that is initiated by a Holder pursuant to Section 2, if the managing underwriter in good faith advises the Registering Entity that in its opinion the number of Registrable Securities (and, if permitted hereunder, other securities requested to be included in such offering) exceeds the number of securities that can be sold in such offering without adversely affecting the marketability or price per share of securities to be sold in such offering, the Registering Entity will include in such offering only such number of securities that in the opinion of such underwriters can be sold without adversely affecting the marketability or price per share of securities to be sold in such offering, which securities will be so included in the following order of priority: (i) first, the Registrable Securities requested to be included in such registration, *pro rata* among the Holders of such Registrable Securities on the basis of the number of Registrable Securities so requested to be included therein by each such Holder, (ii) second, the securities the Registering Entity proposes to issue and sell for its own account, and (iii) third, other securities requested to be included in such registration pursuant to other registration rights agreements or otherwise.

(g) Effective Period of Demand Registrations. After any Registration Statement filed pursuant to Section 2(a) has become effective, the Registering Entity shall use its reasonable best efforts to keep such Registration Statement effective for a period of either (i) 180 days from the date on which the Commission declares such Registration Statement effective (or if such Registration Statement is not effective during any period within such 180 days or if disposition of Registrable Securities is suspended in the circumstances described in Section 7(b), such 180-day period shall be extended by the number of days during such period when such Registration Statement is not effective or is suspended as provided in Section 7(b)) or, if such Registration Statement relates to an underwritten offering, such longer period as in the opinion of counsel for the underwriters a prospectus is required by law to be delivered in connection with sales of Registrable Securities by an underwriter or dealer or (ii) such shorter period which shall terminate when all of the Registrable Securities covered by such Registration Statement have been sold pursuant to such Registration Statement. After any Shelf Registration Statement filed pursuant to Section 2(c) has become effective, the Registering Entity agrees to use its reasonable best efforts to keep the Shelf Registration Statement continuously effective and usable for the resale of the Registrable Securities registered thereunder for a period ending on the first date on which all the Registrable Securities covered by such Shelf Registration Statement shall have been sold pursuant to such Shelf Registration Statement.

(h) Other Registration Rights. Except as provided in this Agreement, the Registering Entity will not grant to any holder or prospective holder of any securities of the Registering Entity registration rights with respect to such securities which are senior or *pari passu* to the rights granted hereunder without the prior written consent of the Holders of a majority of Registrable Securities.

3. Piggyback Registrations.

(a) Right to Piggyback. Whenever the Registering Entity proposes to register any of its securities (other than a registration on Form S-4, Form S-8 or a comparable form, or a registration of securities relating solely to an offering and sale to employees pursuant to any employee stock plan or other employee benefit plan arrangement) other than pursuant to a Registration Request (each, a "Piggyback Registration"), the Registering Entity will give prompt written notice (and in any event within 15 days after its receipt of notice of any exercise of other demand registration rights or its decision to effect a primary offering, as applicable) to all Holders of its intention to effect such a registration and will include in such registration on the same terms as the Registering Entity and the other Persons selling securities in connection with such registration all Registrable Securities with respect to which the Registering Entity has received written requests for inclusion therein within fifteen (15) days after the date of the Registering Entity's notice. The Registering Entity's notice shall specify, at a minimum, the number of securities proposed to be registered, the proposed date of filing of such registration statement with the Commission, the proposed means of distribution, the proposed managing underwriter or underwriters (if any and if known) and a good faith estimate by the Registering Entity of the proposed minimum offering price of such securities. Any Holder that has made such a written request may withdraw all or any part of its Registrable Securities from such Piggyback Registration by giving written notice to the Registering Entity and the managing underwriter, if any, on or before the fifteenth (15th) day prior to the planned effective date of such Piggyback Registration. The Registering Entity may terminate or withdraw any registration under this Section 3 prior to the effectiveness of such registration, whether or not any Holder has elected to include Registrable Securities in such registration, and except for the obligation to pay Registration Expenses pursuant to Section 3(c) the Registering Entity will have no liability to any Holder in connection with such termination or withdrawal.

(b) Underwritten Registration. If the registration referred to in Section 3(a) is proposed to be underwritten, the Registering Entity will so advise the Holders as a part of the written notice given pursuant to Section 3(a). In such event, the right of any Holder to registration pursuant to this Section 3 will be conditioned upon such Holder's participation in such underwriting and the inclusion of such Holder's Registrable Securities in the underwriting, and each such Holder will (together with the Registering Entity and the other Holders distributing their securities through such underwriting) enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting by the Registering Entity. If any Holder disapproves of the terms of the underwriting, such Holder may elect to withdraw therefrom by written notice to the Registering Entity and the managing underwriter.

(c) Piggyback Registration Expenses. The Registering Entity will pay all Registration Expenses in connection with any Piggyback Registration, whether or not any registration or prospectus becomes effective or final.

(d) Priority on Primary Registrations. If a Piggyback Registration relates to an underwritten primary offering on behalf of the Registering Entity, and the managing underwriters advise the Registering Entity in writing that in their opinion the number of securities requested to be included in such registration exceeds the number of securities that can be sold in such registration without adversely affecting the marketability or price per share of securities to be sold in such offering, the Registering Entity will include in such registration only such number of securities that in the opinion of such underwriters can be sold without such a material and adverse effect, which securities will be so included in the following order of priority: (i) first, the securities the Registering Entity proposes to issue and sell for its own account, (ii) second, the Registrable Securities requested to be included in such registration, *pro rata* among the Holders of such Registrable Securities on the basis of the number of Registrable Securities so requested to be included therein owned by each such Holder, and (iii) third, other securities requested to be included in such registration pursuant to other registration rights agreements or otherwise.

(e) Priority on Secondary Registrations. If a Piggyback Registration relates to an underwritten secondary registration on behalf of other holders of the Registering Entity's securities, and the managing underwriters advise the Registering Entity in writing that in their opinion the number of securities requested to be included in such registration exceeds the number of securities that can be sold in such registration without adversely affecting the marketability or price per share of securities to be sold in such offering, the Registering Entity will include in such registration only such number of securities that in the opinion of such underwriters can be sold without such a material and adverse effect, which securities will be so included in the following order of priority: (i) first, the securities requested to be included therein by the holders requesting such registration and the Registrable Securities requested to be included in such registration, *pro rata* among the holders of such securities and Registrable Securities on the basis of the number of securities so requested to be included therein owned by each such holder, and (ii) second, other securities requested to be included in such registration pursuant to other registration rights agreements or otherwise.

(f) Other Registrations. If the Registering Entity files a Registration Statement with respect to Registrable Securities pursuant to Section 2 or Section 3, and if such registration has not been withdrawn or abandoned, the Registering Entity will not file or cause to be effected any other registration of any of its equity securities or securities convertible or exchangeable into or exercisable for its equity securities under the Securities Act (except on Form S-4 or S-8 or any successor or similar forms), whether on its own behalf or at the request of any holder or holders of such securities, until a period of at least 180 days have elapsed from the effective date of the effectiveness of such Registration Statement.

4. Registration Procedures. Subject to Section 2(d), whenever the Holders have requested that any Registrable Securities be registered pursuant to this Agreement, the Registering Entity will use its reasonable best efforts to effect the registration and sale of such Registrable Securities in accordance with the intended method of disposition thereof. Without limiting the generality of the foregoing, the Registering Entity will, as expeditiously as possible:

(a) prepare and (within 60 days after the end of the thirty-day period within which requests for registration may be given to the Registering Entity pursuant to Section 2(a) or 2(c)) file with the Commission a Registration Statement with respect to such Registrable Securities, make all required filings with FINRA and use its reasonable best efforts to cause such Registration Statement to become effective as soon as practicable thereafter, provided that before filing a Registration Statement or any amendments or supplements thereto, a Prospectus included in such Registration Statement (including a preliminary Prospectus) or filed under Rule 424 of the Securities Act with the Commission, the Registering Entity will furnish to the Holders covered by such Registration Statement copies of all such documents proposed to be filed, including exhibits thereto and exhibits incorporated by reference; and the Registering Entity will give one counsel selected by the Holders of a majority of the Registrable Securities covered by such Registration Statement the opportunity to participate in the preparation of such Registration Statement, each Prospectus (including preliminary Prospectus) included therein or filed under Rule 424 of the Securities Act with the Commission, and each amendment thereof or supplement thereto, in each case at the Registering Entity's reasonable expense in accordance with Section 5(b). Unless such counsel earlier informs the Registering Entity that it has no objections to the filing of such Registration Statement, Prospectus, amendment or supplement, the Registering Entity will not file such Registration Statement, Prospectus, amendment or supplement prior to the date that is five Business Days from the date that such Holders received such document. The Holders covered by such Registration Statement will have the opportunity to object to any information pertaining to such Holders that is contained in the Registration Statement, Prospectus, amendment or supplement, and the Registering Entity will make the corrections reasonably requested by such Holders with respect to such information prior to filing any Registration Statement or amendment thereto or any Prospectus or any supplement thereto. The Registering Entity will not, without the prior consent (which will not be unreasonably withheld, conditioned or delayed) of the Holders representing a majority of the Registrable Securities covered by such Registration Statement, make any offer relating to the Registrable Securities that would constitute a "free writing Prospectus," as defined in Rule 405 of the Securities Act. The Registering Entity will not file any Registration Statement or amendment or post-effective amendment or supplement to such Registration Statement or any Prospectus to which such counsel will have reasonably objected in writing on the grounds that (and explaining why) such document does not comply in all material respects with the requirements of the Securities Act or of the rules or regulations thereunder;

(b) prepare and file with the Commission such amendments and supplements to such Registration Statement as may be necessary to keep such Registration Statement effective for the period provided in Section 2(g), and to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement until such time as all of such securities have been disposed of in accordance with the intended methods of disposition by the seller or sellers thereof set forth in such Registration Statement;

(c) furnish to each seller of Registrable Securities such number of copies, without charge, of such Registration Statement, each amendment and supplement thereto, including each preliminary Prospectus, final Prospectus, all exhibits and other documents filed therewith and such other documents as such seller may reasonably request including in order to facilitate the disposition of the Registrable Securities owned by such seller;

(d) use its reasonable best efforts to register or qualify such Registrable Securities under such other securities or blue sky laws of such jurisdictions as any seller and any underwriter(s) reasonably request and do any and all other acts and things that may be necessary or reasonably advisable to enable such seller and any underwriter(s) to consummate the disposition in such jurisdictions of the Registrable Securities owned by such seller (provided that the Registering Entity will not be required to (i) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this subsection, (ii) subject itself to taxation in any such jurisdiction or (iii) consent to general service of process in any such jurisdiction);

(e) use its reasonable best efforts to cause all Registrable Securities covered by such Registration Statement to be registered with or approved by such other governmental agencies, authorities or self-regulatory bodies as may be necessary or reasonably advisable in light of the business and operations of the Registering Entity to enable the seller or sellers thereof to consummate the disposition of such Registrable Securities in accordance with the intended method or methods of disposition thereof;

(f) promptly notify each seller of such Registrable Securities, at any time when a Prospectus relating thereto is required to be delivered under the Securities Act, upon discovery that, or upon the discovery of the happening of any event as a result of which, the Prospectus included in such Registration Statement or filed under Rule 424 of the Securities Act with the Commission contains an untrue statement of a material fact or omits any fact necessary to make the statements therein not misleading in the light of the circumstances under which they were made, and, as promptly as practicable, prepare and furnish to such seller a reasonable number of copies of a supplement or amendment to such Prospectus so that, as thereafter delivered to the purchasers of such Registrable Securities, such Prospectus will not contain an untrue statement of a material fact or omit to state any fact necessary to make the statements therein not misleading in the light of the circumstances under which they were made;

(g) promptly notify each seller of any Registrable Securities covered by such Registration Statement and the underwriter(s), if any: (i) when the Registration Statement, any pre-effective amendment, the Prospectus or any Prospectus supplement or post-effective amendment has been filed and, with respect to such Registration Statement or any post-effective amendment, when the same has become effective, (ii) of any request by the Commission for amendments or supplements to such Registration Statement or to amend or to supplement such Prospectus or for additional information, (iii) of the issuance by the Commission of any stop order suspending the effectiveness of such Registration Statement or the initiation of any proceedings for any of such purposes, (iv) of the issuance by the Commission of a notification of objection to the use of the form on which the Registration Statement has been filed, or of the happening of any event that causes the Registering Entity to become an "ineligible issuer," as defined in Rule 405 of the Securities Act, and (v) of the receipt by the Registering Entity of any notification with respect to the suspension of the qualification of any Registrable Securities for sale under the applicable securities or "blue sky" laws of any jurisdiction;

(h) use its reasonable best efforts to cause all such Registrable Securities to be listed on each Exchange on which similar securities issued by the Registering Entity are then listed or, if no similar securities issued by the Registering Entity are then listed on any Exchange, use its reasonable best efforts to cause all such Registrable Securities to be listed on the Exchange in which the IPO is to be effected as provided by and in accordance with the Shareholders' Agreement;

(i) provide a transfer agent and registrar for all such Registrable Securities not later than the effective date of such Registration Statement;

(j) enter into such customary agreements (including underwriting agreements with customary provisions) and take all such other actions as the sellers of Registrable Securities or the underwriters, if any, reasonably request in order to expedite or facilitate the disposition of such Registrable Securities (including, without limitation, effecting a share split or a combination of shares);

(k) make available for inspection by any seller of Registrable Securities, any underwriter participating in any disposition pursuant to such Registration Statement and any attorney, accountant or other agent retained by any such seller or underwriter, all financial and other records, pertinent corporate documents and documents relating to the business of the Registering Entity, and cause the Registering Entity's officers, directors, employees and independent accountants to supply all information reasonably requested by any such seller, underwriter, attorney, accountant or agent in connection with such Registration Statement; provided that each Holder will, and will use its commercially reasonable efforts to cause each such underwriter, accountant or other agent to, (i) enter into a confidentiality agreement in form and substance reasonably satisfactory to the Registering Entity and (ii) minimize the disruption to the Registering Entity's business in connection with the foregoing;

(l) otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the Commission, and make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve months beginning with the first day of the Registering Entity's first full calendar quarter after the effective date of the Registration Statement, which earnings statement will satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder;

(m) in the event of the issuance of any stop order suspending the effectiveness of a Registration Statement, or of any order suspending or preventing the use of any related prospectus or ceasing trading of any securities included in such Registration Statement for sale in any jurisdiction, use its reasonable best efforts promptly to obtain the withdrawal of such order;

(n) enter into such agreements and take such other actions as the sellers of Registrable Securities or the underwriters reasonably request in order to expedite or facilitate the disposition of such Registrable Securities, including, without limitation, preparing for and participating in such number of "road shows" and all such other customary selling efforts as the underwriters reasonably request in order to expedite or facilitate such disposition;

(o) obtain one or more comfort letters, addressed to the sellers of Registrable Securities and the underwriter(s) (if any), dated the effective date of or the date of the final receipt issued for such Registration Statement (and, if such registration includes an underwritten public offering dated the date of the closing under the underwriting agreement for such offering), signed by the Registering Entity's independent public accountants in customary form and covering such matters of the type customarily covered by comfort letters as the Holders of a majority of the Registrable Securities being sold in such offering and such underwriter(s) reasonably request;

(p) provide legal opinions of the Registering Entity's outside counsel, addressed to the underwriter(s) (if any) and the Holders of the Registrable Securities being sold, dated the effective date of or the date of the final receipt issued for such Registration Statement, each amendment and supplement thereto (and, if such registration includes an underwritten public offering, dated the date of the closing under the underwriting agreement), with respect to the Registration Statement, each amendment and supplement thereto (including the preliminary prospectus) and such other documents relating thereto in customary form and covering such matters of the type customarily covered by legal opinions of such nature;

(q) promptly respond to any and all comments received from the Commission, with a view towards causing each Registration Statement or any amendment thereto to be declared effective by the Commission as soon as practicable and file an acceleration request as soon as practicable following the resolution or clearance of all Commission comments or, if applicable, following notification by the Commission that any such Registration Statement or any amendment thereto will not be subject to review;

(r) furnish each seller of Registrable Securities with a copy of all documents submitted to any Exchange and all amendments thereto. In connection with any offering of Registrable Securities pursuant to this Agreement, the Registering Entity shall instruct the transfer agent and registrar of the securities to release any stop transfer orders with respect to the securities so sold;

(s) furnish to any seller of Registrable Securities such information and assistance as such seller may reasonably request in connection with any "due diligence" effort which such seller deems appropriate; and

(t) provide a CUSIP number for the Registrable Securities and use its reasonable best efforts to take or cause to be taken all other actions, and do and cause to be done all other things, necessary or reasonably advisable in the opinion of any seller of Registrable Securities or the underwriter(s), if any, to effect the registration of such Registrable Securities contemplated hereby.

The Registering Entity agrees not to file or make any amendment to any Registration Statement with respect to any Registrable Securities, or any amendment of or supplement to the Prospectus used in connection therewith, that refers to any Holder covered thereby by name, or otherwise identifies such Holder as the holder of any securities of the Registering Entity, without the consent of such Holder, such consent not to be unreasonably withheld or delayed, unless and to the extent such disclosure is required by law.

The Registering Entity may require each Holder as to which any registration is being effected to furnish the Registering Entity with such information regarding such Holder and pertinent to the disclosure requirements relating to the registration and the distribution of such securities as the Registering Entity may from time to time reasonably request in writing.

If any such Registration Statement refers to any Holder by name or otherwise as the holder of any securities of the Registering Entity, then such Holder shall have the right to require (i) the insertion therein of language, in form and substance reasonably satisfactory to such Holder, to the effect that the holding by such Holder of such securities does not necessarily make such holder a "controlling person" of the Registering Entity within the meaning of the Securities Act and is not to be construed as a recommendation by such Holder of the investment quality of the Registering Entity's securities covered thereby and that such holding does not imply that such Holder will assist in meeting any future financial requirements of the Registering Entity, or (ii) in the event that such reference to such Holder by name or otherwise is not required by the Commission or Securities Act or any similar federal statute then in force, the deletion of the reference to such Holder.

In addition to the obligations contained in this Section 4, in connection with any Application in respect of a sale or distribution by the Holders of Registrable Securities outside the United States, the Registering Entity shall further assist and facilitate such sale or distribution, including without limitation, by providing such information as the relevant Holders may reasonably request for purposes of such Application and the related offering. Without limiting the foregoing, the assistance, documents and procedures, provisions for payment of expenses, requirement for information from Holders, indemnification and other provisions set forth in Sections 4 through 6 hereof shall apply to the Registration Statement and sale or distribution of Registrable Securities, with such reasonable and necessary adjustments as would customarily apply in the applicable jurisdictions where the public offering and the Registration Statement is made, and with all references herein to United States securities laws being deemed replaced by references to applicable provisions of local law, regulation or stock exchange requirements in such jurisdictions.

5. Registration Expenses.

(a) Except as otherwise provided for herein, all expenses incidental to the Registering Entity's performance of or compliance with this Agreement, including, without limitation, all registration and filing fees, fees and expenses of compliance with securities or blue sky laws, word processing, duplicating and printing expenses, messenger and delivery expenses, listing application fees, transfer agent's and registrar's fees, costs of distributing Prospectus in preliminary and final form as well as any supplements thereto, and fees and disbursements of counsel for the Registering Entity and all independent certified public accountants, underwriters and other Persons retained by the Registering Entity (all such expenses, "Registration Expenses"), will be borne by the Registering Entity, and the Registering Entity will also pay its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expenses of any annual audit or quarterly review, the expenses of any liability insurance and the expenses and fees for listing the securities on an Exchange. All Selling Expenses will be borne by the holders of the securities so registered *pro rata* on the basis of the number of their shares so registered.

(b) In connection with each registration initiated hereunder, the Registering Entity shall reimburse the Holders covered by such registration or sale for the reasonable fees and disbursements of one law firm (and one local counsel) chosen by Holders holding a majority of the Registrable Securities to be included in the applicable registration. The amount of reimbursement under this Section 5(b) is limited to US$1,300,000 in respect of a registration initiated in connection with an IPO, and US$800,000 in the aggregate for all other registrations initiated hereunder.

(c) The obligation of the Registering Entity to bear the expenses described in Section 5(a) and to reimburse the Holders for the expenses described in Section 5(b) shall apply irrespective of whether any sales of Registrable Securities ultimately take place.

6. Indemnification.

(a) The Registering Entity agrees to indemnify and hold harmless, and hereby does indemnify and hold harmless, to the fullest extent permitted by law, each Holder, its Affiliates and their respective officers, directors, employees and partners and each Person who controls such Holder (within the meaning of the Securities Act) against, and pay and reimburse such Holder, Affiliate, director, officer, employee or partner or controlling person for any losses, claims, damages, expenses (including but not limited to reasonable legal fees and expenses), liabilities, joint or several, to which such Holder or any such Affiliate, director, officer, employee or partner or controlling person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages, expenses or liabilities (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon (i) any untrue or alleged untrue statement of material fact contained in any Registration Statement, Prospectus or preliminary Prospectus or any “issuer free writing Prospectus” (as defined in Rule 433 under the Securities Act) or any “issuer free writing Prospectus” or any amendment thereof or supplement thereto, (ii) any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, or (iii) any violation or alleged violation by the Registering Entity of any rule or regulation promulgated under the Securities Act, the Exchange Act or any state securities laws applicable to the Registering Entity, and the Registering Entity will pay and reimburse such Holder and each such Affiliate, director, officer, partner, employee and controlling person for any legal or any other expenses actually and reasonably incurred by them in connection with investigating, defending or settling any such loss, claim, damage, expense, liability, action or proceeding, provided that the Registering Entity will not be liable in any such case to the extent that any such loss, claim, damage, liability (or action or proceeding in respect thereof) or expense arises out of or is based upon an untrue statement or alleged untrue statement, or omission or alleged omission, made in such Registration Statement, any such Prospectus or preliminary Prospectus or any amendment or supplement thereto, or in any application, in reliance upon, and in conformity with, written information prepared and furnished to the Registering Entity by such Holder expressly for use therein. In connection with an underwritten offering, the Registering Entity, if requested, will indemnify such underwriters, their officers and directors and each Person who controls such underwriters (within the meaning of the Securities Act) to the same extent as provided above with respect to the indemnification of the Holders.

(b) In connection with any Registration Statement in which a Holder is participating, each such Holder will furnish to the Registering Entity in writing such information and affidavits as the Registering Entity reasonably requests for use in connection with any such Registration Statement or Prospectus and will indemnify and hold harmless, to the fullest extent permitted by law, the Registering Entity, its directors and officers, each underwriter and each other Person who controls the Registering Entity (within the meaning of the Securities Act) and each such underwriter against any losses, claims, damages, expenses (including but not limited to reasonable legal fees and expenses), liabilities, joint or several, to which such Holder or any such director or officer, any such underwriter or controlling person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages, expenses, or liabilities (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon (i) any untrue or alleged untrue statement of material fact contained in the Registration Statement, Prospectus or preliminary Prospectus or any "issuer free writing Prospectus" (as defined in Rule 433 under the Securities Act) or any amendment thereof or supplement thereto or (ii) any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is made in such Registration Statement, any such Prospectus or preliminary Prospectus or any "issuer free writing Prospectus" or any amendment or supplement thereto in reliance upon and in conformity with written information prepared and furnished to the Registering Entity by such Holder expressly for use therein, and such Holder will reimburse the Registering Entity and each such director, officer, underwriter and controlling Person for any legal or any other expenses actually and reasonably incurred by them in connection with investigating, defending or settling any such loss, claim, damage, expense, liability, action or proceeding, provided that the obligation to indemnify and hold harmless will be individual and several, not joint and several, to each holder and will be in proportion to and limited to the net amount of proceeds received by such Holder (after underwriting discounts and commissions) from the sale of Registrable Securities pursuant to such Registration Statement.

(c) Any Person entitled to indemnification hereunder will (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party will not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent will not be unreasonably withheld, conditioned or delayed). The indemnifying party shall not enter into any settlement of the claims so assumed without the consent of the indemnified party, provided, that the consent of the indemnified party will not be required if the settlement involves only the payment of money damages all of which are indemnifiable losses hereunder and does not involve the imposition of any equitable remedy or admission of wrongdoing. An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim will not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. Failure to give prompt written notice shall not release the indemnifying party from its obligations hereunder except to the extent that (and only to the extent that) such failure shall have caused the damages for which the indemnifying party is obligated to be greater than such damages would have been had prompt written notice been given.

(d) The indemnification provided for under this Agreement will remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling Person of such indemnified party and will survive the registration and sale of any securities by any Person entitled to any indemnification hereunder and the expiration or termination of this Agreement.

(e) If the indemnification provided for in this Section 6 is held by a court of competent jurisdiction to be unavailable to an indemnified party with respect to any loss, liability, claim, damage or expense referred to therein, then the indemnifying party, in lieu of indemnifying such indemnified party thereunder, will contribute to the amount paid or payable by such indemnified party as a result of such loss, liability, claim, damage or expense in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other hand in connection with the statements or omissions which resulted in such loss, liability, claim, damage or expense. The relative fault of the indemnifying party and the indemnified party will be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. Notwithstanding the foregoing, the amount any Holder will be obligated to contribute pursuant to this Section 6(e) will be limited to an amount equal to the net proceeds (after underwriting discounts and commissions) to such Holder of the Restricted Securities sold pursuant to the registration statement which gives rise to such obligation to contribute (less the aggregate amount of any damages which the Holder has otherwise been required to pay in respect of such loss, claim, damage, liability or action or any substantially similar loss, claim, damage, liability or action arising from the sale of such Restricted Securities) or the amount for which such indemnifying party would have been obligated to pay by way of indemnification if the indemnification provided for under Section 6(a) or 6(b) hereof had been available under the circumstances.

7. Participation in Underwritten Registrations.

(a) No Holder may participate in any registration hereunder that is underwritten unless such Holder (i) agrees to sell its Registrable Securities on the basis provided in any underwriting arrangements approved by the Person or Persons entitled hereunder to approve such arrangements (including, without limitation, pursuant to the terms of any over-allotment or “green shoe” option requested by the managing underwriter(s), provided that no Holder will be required to sell more than the number of Registrable Securities that such Holder has requested the Registering Entity to include in any registration), (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements, and (iii) cooperates with the Registering Entity’s reasonable requests in connection with such registration or qualification (it being understood that the Registering Entity’s failure to perform its obligations hereunder, which failure is caused by such Holder’s failure to cooperate, will not constitute a breach by the Registering Entity of this Agreement). Notwithstanding the foregoing, no Holder will be required to agree to any indemnification obligations on the part of such Holder that are greater than its obligations pursuant to Section 7(b).

(b) Each Holder that is participating in any registration hereunder agrees that, upon receipt of any notice from the Registering Entity, after consultation with outside counsel, of the happening of any event of the kind described in Section 4(f) above, such Holder will forthwith discontinue the disposition of its Registrable Securities pursuant to the Registration Statement until such Holder receives copies of a supplemented or amended Prospectus as contemplated by such Section 4(f), provided, however, that the Registering Entity shall promptly use its reasonable best efforts to file a post effective amendment or take such other action so as to obviate the need for such a notice as soon as reasonably practicable in the good faith judgment of the Registering Entity and promptly after filing such amendment (and in any event within 24 hours of such filing) deliver sufficient copies of such supplemented or amended Prospectuses pursuant to Section 4(c) to such sellers to resume such disposition, provided further, however, that such postponement of sales of Registrable Securities by the Holders shall not exceed 120 days in the aggregate in any one year. In the event the Registering Entity gives any such notice, the applicable the period of time during which a Registration Statement is to remain effective pursuant to this Agreement will be extended by the number of days during the period from and including the date of the giving of such notice pursuant to this Section 7(b) to and including the date when each seller of a Registrable Security covered by such Registration Statement will have received the copies of the supplemented or amended Prospectus contemplated by Section 4(f). In any event, the Registering Entity shall not deliver more than three notices under this Section 7(b) in any one year.

8. Rule 144 Reporting. With a view to making available the benefits of certain rules and regulations of the Commission which may permit the sale of the restricted securities to the public without registration, the Registering Entity agrees to:

(i) make and keep adequate current public information available as those terms are understood and defined in Rule 144 under the Securities Act, at all times to the extent required to enable the holders of Registrable Securities covered by a Registration Statement to sell such Registrable Securities without registration under the Securities Act within the limitations of the exemptions provided by Rule 144 thereunder, and

(ii) file with the Commission in a timely manner all reports and other documents required of the Registering Entity under the Securities Act and the Exchange Act at any time after it has become subject to such reporting requirements.

9. Certain Agreements.

(a) Lock Up Agreements. In consideration for the Registering Entity agreeing to its obligations under this Agreement, each Holder agrees in connection with any registration of the Registering Entity's securities (whether or not such Holder is participating in such registration) upon the request of the Registering Entity and the underwriters managing any underwritten offering of the Registering Entity's securities, not to effect (other than pursuant to such registration) any public sale or distribution of Registrable Securities, including, but not limited to, any sale pursuant to Rule 144, or make any short sale of, loan, grant any option for the purchase of, or otherwise dispose of any Registrable Securities, any other equity securities of the Registering Entity or any securities convertible into or exchangeable or exercisable for any equity securities of the Registering Entity without the prior written consent of the Registering Entity or such underwriters, as the case may be, for such period of time (not to exceed 180 days in the case of the Registering Entity's initial public offering, or 90 days in the case of any other offering) from the effective date of such registration unless the underwriters managing the registration otherwise agree to a shorter period.

10. Term. This Agreement will be effective as of the date hereof and will continue in effect thereafter until the earliest of (a) its termination by the consent of the Company and each Holder, (b) the date on which no Registrable Securities remain outstanding and (c) the dissolution, liquidation or winding up of the Registering Entity.

**AMENDED AND RESTATED REGISTRATION RIGHTS AGREEMENT**

This AMENDED AND RESTATED REGISTRATION RIGHTS AGREEMENT, dated as of , 2018 (this "Agreement"), is made by and among Studio City International Holdings Limited (formerly known as CYBER ONE AGENTS LIMITED), an exempted company with limited liability in the Cayman Islands (the "Company"), and those parties set forth on the Schedule of Shareholders attached hereto (each, a "Shareholder" and collectively, the "Shareholders").

A. The Company (prior to its transfer by way of continuation (redomiciling) as an exempted company with limited liability in the Cayman Islands, the "Predecessor Company")) and the Shareholders entered into that certain Registration Rights Agreement dated as of July 27, 2011 (the "Existing Agreement"), pursuant to which the Predecessor Company provided registration rights to the Shareholders as set forth therein.

B. The Company is contemplating an initial public offering (the "IPO") of American Depositary Shares (the "ADS"), each ADS representing a certain number of Class A Ordinary Shares (as defined below) of the Company.

C. In connection with the IPO, the Predecessor Company and the Shareholders have entered into that certain Implementation Agreement, dated as of [●], 2018 (as such agreement may be amended from time to time, "Implementation Agreement"), pursuant to which, and subject to the conditions set forth therein, the Predecessor Company and the Shareholders have, among other things, agreed to take certain actions in anticipation of the contemplated IPO.

D. In connection with the IPO, the Company desires to amend and restate the Existing Agreement in order to provide to the Shareholders certain rights with respect to the registration of the Registrable Securities (as defined below) upon the terms and subject to the conditions set forth herein.

E. Capitalized terms used in this Agreement are used as defined in Section 9.

Now, therefore, the parties hereto agree as follows:

1. Demand Registrations.

(a) Requests for Registration. At any time following an IPO, the Required Holders may request in writing that the Company effect the registration of all or any part of the Registrable Securities held by such Required Holders (a "Registration Request"). Promptly after its receipt of any Registration Request, the Company will give written notice of such request to all other Holders, and will use its reasonable best efforts to register, in accordance with the provisions of this Agreement, all Registrable Securities that have been requested to be registered by the Holders in the Registration Request or by any other Holders that have provided written notice to the Company within 30 days after the date the Company has given such Holders notice of the Registration Request; provided that the Company will not be required to effect a registration pursuant to this Section 1(a) unless the minimum aggregate value of the Registrable Securities that are proposed to be sold in such registration by such Holders shall be at least US$50,000,000. The Company will pay all Registration Expenses incurred in connection with any registration pursuant to this Section 1.

(b) Limitation on Demand Registrations. The Company will not be obligated to effect more than five registrations pursuant to this Section 1; provided that a request for registration will not count for the purposes of this limitation if (i) the Holders of a majority of Registrable Securities covered by a particular registration determine in good faith to withdraw (prior to the effective date of the Registration Statement relating to such request) the proposed registration, (ii) the Registration Statement relating to such request is not declared effective within 120 days of the date such registration statement is first filed with the Commission, (iii) if, after such Registration Statement becomes effective, such Registration Statement becomes subject to any stop order, injunction or other order or requirement of the Commission or other governmental agency or court for any reason, (iv) the Holders are not able to register and sell at least 80% of the Registrable Securities requested to be included in such registration, other than by reason of such Holders withdrawing their request or terminating the offering, (v) the conditions to closing specified in the underwriting agreement or purchase agreement entered into in connection with the registration relating to such request are not satisfied (other than as a result of a material default or material breach thereunder by the Holders), or (vi) if the Registration Statement relating to such request has not remained effective until the earlier of the time when all the Registrable Securities requested to be included in such registration are sold and the end of the period described in Section 1(g). Notwithstanding the foregoing, the Company will pay all Registration Expenses in connection with any request for registration pursuant to Section 1(a) regardless of whether or not such request counts toward the limitation set forth above. The Company shall not be required to file and cause to become effective more than one registration statement in any six month period.

(c) Shelf Registrations. At any time following the IPO, the Required Holders may request in writing that the Company effect the registration described in Section 1(a) on Form F-3 or any successor form thereto (or, if applicable, Form S-3 or any successor form thereto) (a "Shelf Registration Statement") (provided that the Company is eligible to use such form) for an offering to be made on a continuous basis pursuant to Rule 415 under the Securities Act and to use reasonable best efforts to cause such registration statement to become effective and to maintain the effectiveness of such shelf registration statement with respect to such Registrable Securities in the Company of Holders participating in the registration for the period provided in Section 1(g) hereof (a "Shelf Demand Registration"). To the extent the Company is a well-known seasoned issuer (a "WKSI") (as defined in Rule 405 under the Securities Act) at the time any Required Holders make a Shelf Demand Registration, the Company shall file a Shelf Registration Statement under procedures applicable to WKSIs. The Company shall not be obligated to file more than one Shelf Demand Registration in any twelve-month period.

If (x) a Shelf Registration Statement filed pursuant to Section 1(c) includes securities to be issued by the Company and (y) immediately prior to the third anniversary of the initial effective date of such Shelf Registration Statement, any Registrable Securities remain unsold under such Shelf Registration Statement, the Company will, prior to such third anniversary, file a new Shelf Registration Statement relating to such unsold Registrable Securities and will use its reasonable best efforts to cause such Shelf Registration Statement to be declared effective within 180 days after such third anniversary, and will take all other action necessary or appropriate to permit the public offering and sale of the remaining Registrable Securities to continue as contemplated in the expired Shelf Registration Statement, provided that such filing of a new Shelf Registration will be limited to one time.

(d) Restrictions on Demand Registrations. The Company may postpone for a reasonable period of time, not to exceed 90 days, the filing of a prospectus or the effectiveness of a Registration Statement for a registration pursuant to this Section 1 if the Company furnishes to the Holders a certificate signed by the principal executive officer of the Company, following consultation with, and after obtaining the good faith approval of, the board of directors of the Company, stating that the Company believes that such postponement is necessary in order to avoid premature disclosure of a material matter required, as determined by the Company after consultation with outside counsel, to be otherwise disclosed in the prospectus the disclosure of which the board has determined would have a material adverse effect on any proposal or plan by the Company to engage in any acquisition of assets (other than in the ordinary course of business) or any merger, amalgamation, consolidation, tender offer or similar transaction, or otherwise would have a material adverse effect on the business, assets, operations, prospects or financial condition of the Company; provided, however, that the Company shall not be entitled to so postpone unless it shall (A) concurrently request the suspension of sales by other security holders under registration statements covering securities held by such other security holders, (B) in accordance with the Company's policies from time to time in effect, forbid purchases and sales in the open market by senior executives of the Company, and (C) itself refrain from any public offering and open market purchases during the postponement; provided further, however, that the Company may not effect such a postponement more than once in any 360-day period. If the Company so postpones the filing of a prospectus or the effectiveness of a Registration Statement, the Holders of a majority of Registrable Securities covered by a particular registration will be entitled to withdraw such request and, if such request is withdrawn, such registration request will not count for the purposes of the limitation set forth in Sections 1(b) and 1(c). The Company shall provide written notice to the Holders of the Company's decision to file or seek effectiveness of a Registration Statement following such postponement and the effectiveness of such Registration Statement. The Company will pay all Registration Expenses incurred in connection with any such postponed filing and any such postponed effectiveness of a Registration Statement.

(e) Selection of Underwriters. In connection with any Registration Request in which the Required Holders intend to distribute the Registrable Securities by means of an underwritten offering, they will so advise the Company as a part of the Registration Request, and the Company will include such information in the notice sent by the Company to the other Holders with respect to such Registration Request. In such event, the Holders of a majority of the Registrable Securities covered by such Registration Request will have the right to select the managing underwriter to administer the offering; provided that such underwriter shall be subject to the Company's approval which will not be unreasonably withheld, conditioned or delayed. If the offering is underwritten, the right of any Holder to registration pursuant to this Section 1 will be conditioned upon such Holder's participation in such underwriting and the inclusion of such Holder's Registrable Securities in the underwriting (unless otherwise agreed by the Holders of a majority of Registrable Securities covered by a particular registration), and each such Holder will (together with the Company and the other Holders distributing their securities through such underwriting) enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting. If any Holder disapproves of the terms of the underwriting, such Holder may elect to withdraw therefrom by written notice to the Company, the managing underwriter and the Required Holders.

(f) Priority on Demand Registrations. The Company will not include in any underwritten registration pursuant to Section 1(a) or 1(c) any securities that are not Registrable Securities without the prior written consent of the Holders making the Registration Request. In the case of any proposed registration that is initiated by a Holder pursuant to Section 1, if the managing underwriter in good faith advises the Company that in its opinion the number of Registrable Securities (and, if permitted hereunder, other securities requested to be included in such offering) exceeds the number of securities that can be sold in such offering without adversely affecting the marketability or price per share of securities to be sold in such offering, the Company will include in such offering only such number of securities that in the opinion of such underwriters can be sold without adversely affecting the marketability or price per share of securities to be sold in such offering, which securities will be so included in the following order of priority: (i) first, the Registrable Securities requested to be included in such registration, *pro rata* among the Holders of such Registrable Securities on the basis of the number of Registrable Securities so requested to be included therein by each such Holder, (ii) second, the securities the Company proposes to issue and sell for its own account, and (iii) third, other securities requested to be included in such registration pursuant to other registration rights agreements or otherwise.

(g) Effective Period of Demand Registrations. After any Registration Statement filed pursuant to Section 1(a) has become effective, the Company shall use its reasonable best efforts to keep such Registration Statement effective for a period of either (i) 180 days from the date on which the Commission declares such Registration Statement effective (or if such Registration Statement is not effective during any period within such 180 days or if disposition of Registrable Securities is suspended in the circumstances described in Section 6(b), such 180-day period shall be extended by the number of days during such period when such Registration Statement is not effective or is suspended as provided in Section 6(b)) or, if such Registration Statement relates to an underwritten offering, such longer period as in the opinion of counsel for the underwriters a prospectus is required by law to be delivered in connection with sales of Registrable Securities by an underwriter or dealer or (ii) such shorter period which shall terminate when all of the Registrable Securities covered by such Registration Statement have been sold pursuant to such Registration Statement. After any Shelf Registration Statement filed pursuant to Section 1(c) has become effective, the Company agrees to use its reasonable best efforts to keep the Shelf Registration Statement continuously effective and usable for the resale of the Registrable Securities registered thereunder for a period ending on the first date on which all the Registrable Securities covered by such Shelf Registration Statement shall have been sold pursuant to such Shelf Registration Statement.

(h) Other Registration Rights. Except as provided in this Agreement, the Company will not grant to any holder or prospective holder of any securities of the Company registration rights with respect to such securities which are senior or *pari passu* to the rights granted hereunder without the prior written consent of the Holders of a majority of Registrable Securities.

2. Piggyback Registrations.

(a) Right to Piggyback. Whenever the Company proposes to register any of its securities (other than a registration on Form S-4, Form S-8 or a comparable form, or a registration of securities relating solely to an offering and sale to employees pursuant to any employee stock plan or other employee benefit plan arrangement) other than pursuant to a Registration Request (each, a "Piggyback Registration"), the Company will give prompt written notice (and in any event within 15 days after its receipt of notice of any exercise of other demand registration rights or its decision to effect a primary offering, as applicable) to all Holders of its intention to effect such a registration and will include in such registration on the same terms as the Company and the other Persons selling securities in connection with such registration all Registrable Securities with respect to which the Company has received written requests for inclusion therein within fifteen (15) days after the date of the Company's notice. The Company's notice shall specify, at a minimum, the number of securities proposed to be registered, the proposed date of filing of such registration statement with the Commission, the proposed means of distribution, the proposed managing underwriter or underwriters (if any and if known) and a good faith estimate by the Company of the proposed minimum offering price of such securities. Any Holder that has made such a written request may withdraw all or any part of its Registrable Securities from such Piggyback Registration by giving written notice to the Company and the managing underwriter, if any, on or before the fifteenth (15th) day prior to the planned effective date of such Piggyback Registration. The Company may terminate or withdraw any registration under this Section 2 prior to the effectiveness of such registration, whether or not any Holder has elected to include Registrable Securities in such registration, and except for the obligation to pay Registration Expenses pursuant to Section 2(c) the Company will have no liability to any Holder in connection with such termination or withdrawal.

(b) Underwritten Registration. If the registration referred to in Section 2(a) is proposed to be underwritten, the Company will so advise the Holders as a part of the written notice given pursuant to Section 2(a). In such event, the right of any Holder to registration pursuant to this Section 2 will be conditioned upon such Holder's participation in such underwriting and the inclusion of such Holder's Registrable Securities in the underwriting, and each such Holder will (together with the Company and the other Holders distributing their securities through such underwriting) enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting by the Company. If any Holder disapproves of the terms of the underwriting, such Holder may elect to withdraw therefrom by written notice to the Company and the managing underwriter.

(c) Piggyback Registration Expenses. The Company will pay all Registration Expenses in connection with any Piggyback Registration, whether or not any registration or prospectus becomes effective or final.

(d) Priority on Primary Registrations. If a Piggyback Registration relates to an underwritten primary offering on behalf of the Company, and the managing underwriters advise the Company in writing that in their opinion the number of securities requested to be included in such registration exceeds the number of securities that can be sold in such registration without adversely affecting the marketability or price per share of securities to be sold in such offering, the Company will include in such registration only such number of securities that in the opinion of such underwriters can be sold without such a material and adverse effect, which securities will be so included in the following order of priority: (i) first, the securities the Company proposes to issue and sell for its own account, (ii) second, the Registrable Securities requested to be included in such registration, *pro rata* among the Holders of such Registrable Securities on the basis of the number of Registrable Securities so requested to be included therein owned by each such Holder, and (iii) third, other securities requested to be included in such registration pursuant to other registration rights agreements or otherwise.

(e) Priority on Secondary Registrations. If a Piggyback Registration relates to an underwritten secondary registration on behalf of other holders of the Company's securities, and the managing underwriters advise the Company in writing that in their opinion the number of securities requested to be included in such registration exceeds the number of securities that can be sold in such registration without adversely affecting the marketability or price per share of securities to be sold in such offering, the Company will include in such registration only such number of securities that in the opinion of such underwriters can be sold without such a material and adverse effect, which securities will be so included in the following order of priority: (i) first, the securities requested to be included therein by the holders requesting such registration and the Registrable Securities requested to be included in such registration, *pro rata* among the holders of such securities and Registrable Securities on the basis of the number of securities so requested to be included therein owned by each such holder, and (ii) second, other securities requested to be included in such registration pursuant to other registration rights agreements or otherwise.

(f) Other Registrations. If the Company files a Registration Statement with respect to Registrable Securities pursuant to Section 1 or Section 2, and if such registration has not been withdrawn or abandoned, the Company will not file or cause to be effected any other registration of any of its equity securities or securities convertible or exchangeable into or exercisable for its equity securities under the Securities Act (except on Form S-4 or S-8 or any successor or similar forms), whether on its own behalf or at the request of any holder or holders of such securities, until a period of at least 180 days have elapsed from the effective date of the effectiveness of such Registration Statement.

3. Registration Procedures. Subject to Section 1(d), whenever the Holders have requested that any Registrable Securities be registered pursuant to this Agreement, the Company will use its reasonable best efforts to effect the registration and sale of such Registrable Securities in accordance with the intended method of disposition thereof. Without limiting the generality of the foregoing, the Company will, as expeditiously as possible:

(a) prepare and (within 60 days after the end of the thirty-day period within which requests for registration may be given to the Company pursuant to Section 1(a) or 1(c)) file with the Commission a Registration Statement with respect to such Registrable Securities, make all required filings with FINRA and use its reasonable best efforts to cause such Registration Statement to become effective as soon as practicable thereafter; provided that before filing a Registration Statement or any amendments or supplements thereto, a Prospectus included in such Registration Statement (including a preliminary Prospectus) or filed under Rule 424 of the Securities Act with the Commission, the Company will furnish to the Holders covered by such Registration Statement copies of all such documents proposed to be filed, including exhibits thereto and exhibits incorporated by reference; and the Company will give one counsel selected by the Holders of a majority of the Registrable Securities covered by such Registration Statement the opportunity to participate in the preparation of such Registration Statement, each Prospectus (including preliminary Prospectus) included therein or filed under Rule 424 of the Securities Act with the Commission, and each amendment thereof or supplement thereto, in each case at the Company's reasonable expense in accordance with Section 4(b). Unless such counsel earlier informs the Company that it has no objections to the filing of such Registration Statement, Prospectus, amendment or supplement, the Company will not file such Registration Statement, Prospectus, amendment or supplement prior to the date that is five Business Days from the date that such Holders received such document. The Holders covered by such Registration Statement will have the opportunity to object to any information pertaining to such Holders that is contained in the Registration Statement, Prospectus, amendment or supplement, and the Company will make the corrections reasonably requested by such Holders with respect to such information prior to filing any Registration Statement or amendment thereto or any Prospectus or any supplement thereto. The Company will not, without the prior consent (which will not be unreasonably withheld, conditioned or delayed) of the Holders representing a majority of the Registrable Securities covered by such Registration Statement, make any offer relating to the Registrable Securities that would constitute a "free writing Prospectus," as defined in Rule 405 of the Securities Act. The Company will not file any Registration Statement or amendment or post-effective amendment or supplement to such Registration Statement or any Prospectus to which such counsel will have reasonably objected in writing on the grounds that (and explaining why) such document does not comply in all material respects with the requirements of the Securities Act or of the rules or regulations thereunder;

(b) prepare and file with the Commission such amendments and supplements to such Registration Statement as may be necessary to keep such Registration Statement effective for the period provided in Section 1(g), and to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement until such time as all of such securities have been disposed of in accordance with the intended methods of disposition by the seller or sellers thereof set forth in such Registration Statement;

(c) furnish to each seller of Registrable Securities such number of copies, without charge, of such Registration Statement, each amendment and supplement thereto, including each preliminary Prospectus, final Prospectus, all exhibits and other documents filed therewith and such other documents as such seller may reasonably request including in order to facilitate the disposition of the Registrable Securities owned by such seller;

(d) use its reasonable best efforts to register or qualify such Registrable Securities under such other securities or blue sky laws of such jurisdictions as any seller and any underwriter(s) reasonably request and do any and all other acts and things that may be necessary or reasonably advisable to enable such seller and any underwriter(s) to consummate the disposition in such jurisdictions of the Registrable Securities owned by such seller (provided that the Company will not be required to (i) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this subsection, (ii) subject itself to taxation in any such jurisdiction or (iii) consent to general service of process in any such jurisdiction);

(e) use its reasonable best efforts to cause all Registrable Securities covered by such Registration Statement to be registered with or approved by such other governmental agencies, authorities or self-regulatory bodies as may be necessary or reasonably advisable in light of the business and operations of the Company to enable the seller or sellers thereof to consummate the disposition of such Registrable Securities in accordance with the intended method or methods of disposition thereof;

(f) promptly notify each seller of such Registrable Securities, at any time when a Prospectus relating thereto is required to be delivered under the Securities Act, upon discovery that, or upon the discovery of the happening of any event as a result of which, the Prospectus included in such Registration Statement or filed under Rule 424 of the Securities Act with the Commission contains an untrue statement of a material fact or omits any fact necessary to make the statements therein not misleading in the light of the circumstances under which they were made, and, as promptly as practicable, prepare and furnish to such seller a reasonable number of copies of a supplement or amendment to such Prospectus so that, as thereafter delivered to the purchasers of such Registrable Securities, such Prospectus will not contain an untrue statement of a material fact or omit to state any fact necessary to make the statements therein not misleading in the light of the circumstances under which they were made;

(g) promptly notify each seller of any Registrable Securities covered by such Registration Statement and the underwriter(s), if any: (i) when the Registration Statement, any pre-effective amendment, the Prospectus or any Prospectus supplement or post-effective amendment has been filed and, with respect to such Registration Statement or any post-effective amendment, when the same has become effective, (ii) of any request by the Commission for amendments or supplements to such Registration Statement or to amend or to supplement such Prospectus or for additional information, (iii) of the issuance by the Commission of any stop order suspending the effectiveness of such Registration Statement or the initiation of any proceedings for any of such purposes, (iv) of the issuance by the Commission of a notification of objection to the use of the form on which the Registration Statement has been filed, or of the happening of any event that causes the Company to become an "ineligible issuer," as defined in Rule 405 of the Securities Act, and (v) of the receipt by the Company of any notification with respect to the suspension of the qualification of any Registrable Securities for sale under the applicable securities or "blue sky" laws of any jurisdiction;

(h) use its reasonable best efforts to cause all such Registrable Securities to be listed on each Exchange on which similar securities issued by the Company are then listed;

(i) provide a transfer agent and registrar for all such Registrable Securities not later than the effective date of such Registration Statement;

(j) enter into such customary agreements (including underwriting agreements with customary provisions) and take all such other actions as the sellers of Registrable Securities or the underwriters, if any, reasonably request in order to expedite or facilitate the disposition of such Registrable Securities (including, without limitation, effecting a share split or a combination of shares);

(k) make available for inspection by any seller of Registrable Securities, any underwriter participating in any disposition pursuant to such Registration Statement and any attorney, accountant or other agent retained by any such seller or underwriter, all financial and other records, pertinent corporate documents and documents relating to the business of the Company, and cause the Company's officers, directors, employees and independent accountants to supply all information reasonably requested by any such seller, underwriter, attorney, accountant or agent in connection with such Registration Statement; provided that each Holder will, and will use its commercially reasonable efforts to cause each such underwriter, accountant or other agent to, (i) enter into a confidentiality agreement in form and substance reasonably satisfactory to the Company and (ii) minimize the disruption to the Company's business in connection with the foregoing;

(l) otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the Commission, and make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve months beginning with the first day of the Company's first full calendar quarter after the effective date of the Registration Statement, which earnings statement will satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder;

(m) in the event of the issuance of any stop order suspending the effectiveness of a Registration Statement, or of any order suspending or preventing the use of any related prospectus or ceasing trading of any securities included in such Registration Statement for sale in any jurisdiction, use its reasonable best efforts promptly to obtain the withdrawal of such order;

(n) enter into such agreements and take such other actions as the sellers of Registrable Securities or the underwriters reasonably request in order to expedite or facilitate the disposition of such Registrable Securities, including, without limitation, preparing for and participating in such number of "road shows" and all such other customary selling efforts as the underwriters reasonably request in order to expedite or facilitate such disposition;

(o) obtain one or more comfort letters, addressed to the sellers of Registrable Securities and the underwriter(s) (if any), dated the effective date of or the date of the final receipt issued for such Registration Statement (and, if such registration includes an underwritten public offering dated the date of the closing under the underwriting agreement for such offering), signed by the Company's independent public accountants in customary form and covering such matters of the type customarily covered by comfort letters as the Holders of a majority of the Registrable Securities being sold in such offering and such underwriter(s) reasonably request;

(p) provide legal opinions of the Company's outside counsel, addressed to the underwriter(s) (if any) and the Holders of the Registrable Securities being sold, dated the effective date of or the date of the final receipt issued for such Registration Statement, each amendment and supplement thereto (and, if such registration includes an underwritten public offering, dated the date of the closing under the underwriting agreement), with respect to the Registration Statement, each amendment and supplement thereto (including the preliminary prospectus) and such other documents relating thereto in customary form and covering such matters of the type customarily covered by legal opinions of such nature;

(q) promptly respond to any and all comments received from the Commission, with a view towards causing each Registration Statement or any amendment thereto to be declared effective by the Commission as soon as practicable and file an acceleration request as soon as practicable following the resolution or clearance of all Commission comments or, if applicable, following notification by the Commission that any such Registration Statement or any amendment thereto will not be subject to review;

(r) furnish each seller of Registrable Securities with a copy of all documents submitted to any Exchange and all amendments thereto. In connection with any offering of Registrable Securities pursuant to this Agreement, the Company shall instruct the transfer agent and registrar of the securities to release any stop transfer orders with respect to the securities so sold;

(s) furnish to any seller of Registrable Securities such information and assistance as such seller may reasonably request in connection with any "due diligence" effort which such seller deems appropriate; and

(t) if appropriate, use its reasonable efforts to cause to be filed, and cause to become effective, a Registration Statement on Form F-6, which registers a number of ADSs that is sufficient to allow the Holders to exercise their rights under, and sell their Registrable Securities in the manner contemplated by, Sections 1 and 2 of this Agreement; and

(u) provide a CUSIP number for the Registrable Securities and use its reasonable best efforts to take or cause to be taken all other actions, and do and cause to be done all other things, necessary or reasonably advisable in the opinion of any seller of Registrable Securities or the underwriter(s), if any, to effect the registration of such Registrable Securities contemplated hereby.

The Company agrees not to file or make any amendment to any Registration Statement with respect to any Registrable Securities, or any amendment of or supplement to the Prospectus used in connection therewith, that refers to any Holder covered thereby by name, or otherwise identifies such Holder as the holder of any securities of the Company, without the consent of such Holder, such consent not to be unreasonably withheld or delayed, unless and to the extent such disclosure is required by law.

The Company may require each Holder as to which any registration is being effected to furnish the Company with such information regarding such Holder and pertinent to the disclosure requirements relating to the registration and the distribution of such securities as the Company may from time to time reasonably request in writing.

If any such Registration Statement refers to any Holder by name or otherwise as the holder of any securities of the Company, then such Holder shall have the right to require (i) the insertion therein of language, in form and substance reasonably satisfactory to such Holder, to the effect that the holding by such Holder of such securities does not necessarily make such holder a "controlling person" of the Company within the meaning of the Securities Act and is not to be construed as a recommendation by such Holder of the investment quality of the Company's securities covered thereby and that such holding does not imply that such Holder will assist in meeting any future financial requirements of the Company, or (ii) in the event that such reference to such Holder by name or otherwise is not required by the Commission or Securities Act or any similar federal statute then in force, the deletion of the reference to such Holder.

In addition to the obligations contained in this Section 3, in connection with any Application in respect of a sale or distribution by the Holders of Registrable Securities outside the United States, the Company shall further assist and facilitate such sale or distribution, including without limitation, by providing such information as the relevant Holders may reasonably request for purposes of such Application and the related offering. Without limiting the foregoing, the assistance, documents and procedures, provisions for payment of expenses, requirement for information from Holders, indemnification and other provisions set forth in Sections 3 through 5 hereof shall apply to the Registration Statement and sale or distribution of Registrable Securities, with such reasonable and necessary adjustments as would customarily apply in the applicable jurisdictions where the public offering and the Registration Statement is made, and with all references herein to United States securities laws being deemed replaced by references to applicable provisions of local law, regulation or stock exchange requirements in such jurisdictions.

4. Registration Expenses.

(a) Except as otherwise provided for herein, all expenses incidental to the Company's performance of or compliance with this Agreement, including, without limitation, all registration and filing fees, fees and expenses of compliance with securities or blue sky laws, word processing, duplicating and printing expenses, messenger and delivery expenses, listing application fees, transfer agent's fees, and registrar's fees, costs of distributing Prospectus in preliminary and final form as well as any supplements thereto, and fees and disbursements of counsel for the Company and all independent certified public accountants, underwriters and other Persons retained by the Company (all such expenses, "Registration Expenses"), will be borne by the Company, and the Company will also pay its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expenses of any annual audit or quarterly review, the expenses of any liability insurance and the expenses and fees for listing the securities on an Exchange. All Selling Expenses will be borne by the holders of the securities so registered *pro rata* on the basis of the number of their shares so registered.

(b) In connection with each registration initiated hereunder, the Company shall reimburse the Holders covered by such registration or sale for the reasonable fees and disbursements of one law firm (and one local counsel) chosen by Holders holding a majority of the Registrable Securities to be included in the applicable registration. The amount of reimbursement under this Section 4(b) is limited to US$800,000 in the aggregate for all registrations initiated hereunder.

(c) The obligation of the Company to bear the expenses described in Section 4(a) and to reimburse the Holders for the expenses described in Section 4(b) shall apply irrespective of whether any sales of Registrable Securities ultimately take place**.**

5. Indemnification.

(a) The Company agrees to indemnify and hold harmless, and hereby does indemnify and hold harmless, to the fullest extent permitted by law, each Holder, its Affiliates and their respective officers, directors, employees and partners and each Person who controls such Holder (within the meaning of the Securities Act) against, and pay and reimburse such Holder, Affiliate, director, officer, employee or partner or controlling person for any losses, claims, damages, expenses (including but not limited to reasonable legal fees and expenses), liabilities, joint or several, to which such Holder or any such Affiliate, director, officer, employee or partner or controlling person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages, expenses or liabilities (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon (i) any untrue or alleged untrue statement of material fact contained in any Registration Statement, Prospectus or preliminary Prospectus or any "issuer free writing Prospectus" (as defined in Rule 433 under the Securities Act) or any "issuer free writing Prospectus" or any amendment thereof or supplement thereto, (ii) any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, or (iii) any violation or alleged violation by the Company of any rule or regulation promulgated under the Securities Act, the Exchange Act or any state securities laws applicable to the Company, and the Company will pay and reimburse such Holder and each such Affiliate, director, officer, partner, employee and controlling person for any legal or any other expenses actually and reasonably incurred by them in connection with investigating, defending or settling any such loss, claim, damage, expense, liability, action or proceeding, provided that the Company will not be liable in any such case to the extent that any such loss, claim, damage, liability (or action or proceeding in respect thereof) or expense arises out of or is based upon an untrue statement or alleged untrue statement, or omission or alleged omission, made in such Registration Statement, any such Prospectus or preliminary Prospectus or any amendment or supplement thereto, or in any application, in reliance upon, and in conformity with, written information prepared and furnished to the Company by such Holder expressly for use therein. In connection with an underwritten offering, the Company, if requested, will indemnify such underwriters, their officers and directors and each Person who controls such underwriters (within the meaning of the Securities Act) to the same extent as provided above with respect to the indemnification of the Holders.

(b) In connection with any Registration Statement in which a Holder is participating, each such Holder will furnish to the Company in writing such information and affidavits as the Company reasonably requests for use in connection with any such Registration Statement or Prospectus and will indemnify and hold harmless, to the fullest extent permitted by law, the Company, its directors and officers, each underwriter and each other Person who controls the Company (within the meaning of the Securities Act) and each such underwriter against any losses, claims, damages, expenses (including but not limited to reasonable legal fees and expenses), liabilities, joint or several, to which such Holder or any such director or officer, any such underwriter or controlling person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages, expenses, or liabilities (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon (i) any untrue or alleged untrue statement of material fact contained in the Registration Statement, Prospectus or preliminary Prospectus or any "issuer free writing Prospectus" (as defined in Rule 433 under the Securities Act) or any amendment thereof or supplement thereto or (ii) any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is made in such Registration Statement, any such Prospectus or preliminary Prospectus or any "issuer free writing Prospectus" or any amendment or supplement thereto in reliance upon and in conformity with written information prepared and furnished to the Company by such Holder expressly for use therein, and such Holder will reimburse the Company and each such director, officer, underwriter and controlling Person for any legal or any other expenses actually and reasonably incurred by them in connection with investigating, defending or settling any such loss, claim, damage, expense, liability, action or proceeding; provided that the obligation to indemnify and hold harmless will be individual and several, not joint and several, to each holder and will be in proportion to and limited to the net amount of proceeds received by such Holder (after underwriting discounts and commissions) from the sale of Registrable Securities pursuant to such Registration Statement.

(c) Any Person entitled to indemnification hereunder will (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party will not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent will not be unreasonably withheld, conditioned or delayed). The indemnifying party shall not enter into any settlement of the claims so assumed without the consent of the indemnified party; provided that the consent of the indemnified party will not be required if the settlement involves only the payment of money damages all of which are indemnifiable losses hereunder and does not involve the imposition of any equitable remedy or admission of wrongdoing. An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim will not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. Failure to give prompt written notice shall not release the indemnifying party from its obligations hereunder except to the extent that (and only to the extent that) such failure shall have caused the damages for which the indemnifying party is obligated to be greater than such damages would have been had prompt written notice been given.

(d) The indemnification provided for under this Agreement will remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling Person of such indemnified party and will survive the registration and sale of any securities by any Person entitled to any indemnification hereunder and the expiration or termination of this Agreement.

(e) If the indemnification provided for in this Section 5 is held by a court of competent jurisdiction to be unavailable to an indemnified party with respect to any loss, liability, claim, damage or expense referred to therein, then the indemnifying party, in lieu of indemnifying such indemnified party thereunder, will contribute to the amount paid or payable by such indemnified party as a result of such loss, liability, claim, damage or expense in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other hand in connection with the statements or omissions which resulted in such loss, liability, claim, damage or expense. The relative fault of the indemnifying party and the indemnified party will be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. Notwithstanding the foregoing, the amount any Holder will be obligated to contribute pursuant to this Section 5(e) will be limited to an amount equal to the net proceeds (after underwriting discounts and commissions) to such Holder of the Restricted Securities sold pursuant to the registration statement which gives rise to such obligation to contribute (less the aggregate amount of any damages which the Holder has otherwise been required to pay in respect of such loss, claim, damage, liability or action or any substantially similar loss, claim, damage, liability or action arising from the sale of such Restricted Securities) or the amount for which such indemnifying party would have been obligated to pay by way of indemnification if the indemnification provided for under Section 5(a) or 5(b) hereof had been available under the circumstances.

6. Participation in Underwritten Registrations.

(a) No Holder may participate in any registration hereunder that is underwritten unless such Holder (i) agrees to sell its Registrable Securities on the basis provided in any underwriting arrangements approved by the Person or Persons entitled hereunder to approve such arrangements (including, without limitation, pursuant to the terms of any over-allotment or "green shoe" option requested by the managing underwriter(s); provided that no Holder will be required to sell more than the number of Registrable Securities that such Holder has requested the Company to include in any registration), (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements, and (iii) cooperates with the Company's reasonable requests in connection with such registration or qualification (it being understood that the Company's failure to perform its obligations hereunder, which failure is caused by such Holder's failure to cooperate, will not constitute a breach by the Company of this Agreement). Notwithstanding the foregoing, no Holder will be required to agree to any indemnification obligations on the part of such Holder that are greater than its obligations pursuant to Section 6(b).

(b) Each Holder that is participating in any registration hereunder agrees that, upon receipt of any notice from the Company, after consultation with outside counsel, of the happening of any event of the kind described in Section 3(f) above, such Holder will forthwith discontinue the disposition of its Registrable Securities pursuant to the Registration Statement until such Holder receives copies of a supplemented or amended Prospectus as contemplated by such Section 3(f); provided, however, that the Company shall promptly use its reasonable best efforts to file a post-effective amendment or take such other action so as to obviate the need for such a notice as soon as reasonably practicable in the good faith judgment of the Company and promptly after filing such amendment (and in any event within 24 hours of such filing) deliver sufficient copies of such supplemented or amended Prospectuses pursuant to Section 3(c) to such sellers to resume such disposition; provided further, however, that such postponement of sales of Registrable Securities by the Holders shall not exceed 120 days in the aggregate in any one year. In the event the Company gives any such notice, the applicable the period of time during which a Registration Statement is to remain effective pursuant to this Agreement will be extended by the number of days during the period from and including the date of the giving of such notice pursuant to this Section 6(b) to and including the date when each seller of a Registrable Security covered by such Registration Statement will have received the copies of the supplemented or amended Prospectus contemplated by Section 3(f). In any event, the Company shall not deliver more than three notices under this Section 6(b) in any one year.

7. Rule 144 Reporting. With a view to making available the benefits of certain rules and regulations of the Commission which may permit the sale of the restricted securities to the public without registration, the Company agrees to:

(i) make and keep adequate current public information available as those terms are understood and defined in Rule 144 under the Securities Act, at all times to the extent required to enable the holders of Registrable Securities covered by a Registration Statement to sell such Registrable Securities without registration under the Securities Act within the limitations of the exemptions provided by Rule 144 thereunder, and

(ii) file with the Commission in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act at any time after it has become subject to such reporting requirements.

8. Certain Agreements.

(a) Lock Up Agreements. In consideration for the Company agreeing to its obligations under this Agreement, each Holder agrees in connection with any registration of the Company's securities (whether or not such Holder is participating in such registration) upon the request of the Company and the underwriters managing any underwritten offering of the Company's securities, not to effect (other than pursuant to such registration) any public sale or distribution of Registrable Securities, including, but not limited to, any sale pursuant to Rule 144, or make any short sale of, loan, grant any option for the purchase of, or otherwise dispose of any Registrable Securities, any other equity securities of the Company or any securities convertible into or exchangeable or exercisable for any equity securities of the Company without the prior written consent of the Company or such underwriters, as the case may be, for such period of time (not to exceed 180 days in the case of the Company's initial public offering, or 90 days in the case of any other offering) from the effective date of such registration unless the underwriters managing the registration otherwise agree to a shorter period.

(c) Term. This Agreement will be effective as of the date hereof and will continue in effect thereafter until the earliest of (a) the date on which this Agreement is to be terminated pursuant to the terms of the Implementation Agreement, (b) with respect to each Holder, its termination by the consent of the Company and such Holder, (c) the date on which no Registrable Securities remain outstanding and (d) following the closing of the IPO, the dissolution, liquidation or winding up of the Company.

In the event that MSC does not obtain and maintain any and all such coverages as Operator has specified as are required to be maintained for Operator to comply with the terms of Operator's Gaming License, Operator shall have the right to obtain and maintain any or all such insurance coverage as are required in order to enable Operator to comply with the terms of Operator's Gaming License, the costs of all such insurance coverages shall be Costs of Operations, and the Operating Budget shall be amended to reflect the cost of obtaining such insurance coverages as Costs of Operations.

## ARTICLE VIII

## BUDGETS, COMPENSATION AND CONSIDERATION

Section 8.1 Projections and Budgets; Funding of Costs of Operations.

(a) MSC shall prepare a budget for the Initial Costs of Operation in accordance with Section 3.5 and include the budget for the Initial Costs of Operation in the Pre-Opening Budget and provide the budget for the Initial Costs of Operation to Operator at the same time that the Pre-Opening Budget is required to be provided to Operator under Section 3.5, being not less than one hundred twenty (120) days prior to the anticipated Commencement Date referred to in Section 3.3. The budget for the Initial Costs of Operations shall be prepared in consultation with Operator and shall include all requirements necessary to meet the obligations of the Casino and MSC as owner of the Casino under Macau Law and under Operator’s Gaming License as to which Operator shall have given prior notice of to MSC. MSC shall also, in consultation with Operator, prepare monthly, quarterly, and annual operating budgets for the first Fiscal Year of operations and provide them to Operator at least ninety (90) days prior to the anticipated Commencement Date referred to in Section 3.3. Each monthly, quarterly and annual operating budget shall include all requirements necessary to meet the obligations of the Casino and MSC as owner of the Casino under Macau Law and under Operator’s Gaming License as to which Operator shall have given prior notice of to MSC. To the extent that an amount necessary to meet the obligations under Operator’s Gaming License is not known by Operator prior to the preparation of a relevant monthly, quarterly or annual operating budget, but Operator subsequently becomes aware of such amount, Operator shall promptly give notice of that amount to MSC and each relevant budget shall be amended accordingly. All operating budgets prepared and finalized by MSC hereunder (each, as applicable, an “**Operating Budget**”) shall include, among other things, a budget of receipts and expenditure proposals for payroll and other Casino Employee Expenses, operating inventories and supplies and other reimbursable expenses under this Agreement and the Transaction Documents. Each party shall provide to the other (i) monthly progress reports regarding expenses versus Budget and (ii) such other progress reports regarding expenses versus Budget as may be reasonably requested by the other party. MSC shall prepare each future annual Operating Budget, including monthly, quarterly and annual breakdowns, in consultation with Operator, by no later than thirty (30) days prior to the commencement of each succeeding

Fiscal Year. Each such future Operating Budget, including monthly, quarterly and annual breakdowns, shall include all requirements necessary to meet the obligations of the Casino and MSC as owner of the Casino under Macau Law and under Operator's Gaming License as to which Operator shall have given prior notice of to MSC. To the extent that an amount necessary to meet the obligations under Operator's Gaming License is not known by Operator prior to the preparation of a relevant monthly, quarterly or annual operating budget, but Operator subsequently becomes aware of such amount, Operator shall promptly give notice of that amount to MSC and each relevant budget shall be amended accordingly. The parties recognize that adjustments may be made to an Operating Budget previously approved by MSC, from time to time during any Fiscal Year, to reflect changes required based upon staffing of the Casino determined from time to time in accordance with Section 6.1, the impact of unforeseen circumstances, financial constraints, or other events. Any such adjustments shall not affect any actions previously taken by Operator in accordance with the terms of the Operating Budget as in effect at the relevant time. Operator agrees to promptly inform MSC regarding any items of revenue or expense that are reasonably anticipated to exceed the amounts set forth in any Budget and Operator shall promptly notify MSC of any payments made in excess of the amount provided therefor in such Budget.

(b) Operator shall use commercially reasonable efforts to cooperate with and assist MSC in the preparation of the Operating Budget described herein.

(c) Operator shall not be required to pre-fund any Costs of Operations under this Agreement. MSC shall ensure that Operator is provided with sufficient funds in the Costs of Operations Account to meet the Costs of Operations contemplated by any applicable Budget before Operator is under any obligation to pay for the relevant Costs of Operations. Accordingly, each Operating Budget shall specify in respect of each month covered by the relevant Operating Budget, a minimum balance of funds required to be maintained at all times in the Costs of Operations Account (the "**Minimum Balance**"). Any shortfall in the Minimum Balance shall be funded from the Trust Account and transferred to the Costs of Operations Account in accordance with the provisions of Section 8.3(d).

(d) Notwithstanding any other provision of this Agreement, except for the items set forth in clauses (iii) through (vi) (inclusive) of the exclusions from Costs of Operations set forth in the proviso to the definition of Costs of Operations, Operator shall not be required to incur any costs, expenses, liabilities or other obligations howsoever or whatsoever in connection with the Casino, including under any request, direction, instruction, principle, guide, proposal or Budget contemplated under ARTICLES IV, VI or VIII of this Agreement or otherwise, unless the relevant amount has been included in a Budget which is in effect at the relevant time such that the relevant amount is a Cost of Operations and has been credited to, and remains standing to the balance of, the Cost of Operations Account. Operator shall not be in breach of this Agreement as a result of any failure or refusal to incur any such cost, expense, liability or other obligation (except for the items set forth in clauses (iii) through (vi) (inclusive) of the exclusions from Costs of Operations set forth in the proviso to the definition of Costs of Operations) which is not a Cost of Operations able to be funded from the Cost of Operations Account at the relevant time.

Section 8.2 Monthly Financial Statements. Within thirty (30) days after the end of each calendar month, Operator shall furnish to MSC monthly verifiable financial statements in accordance with (i) GAAP and (ii) requirements of the Macau Government, including the DICJ and Macau taxation authorities covering the preceding month's operations of the Casino, including operating statements, balance sheets, income statements, cash flow statements and statements reflecting the amounts computed to be distributed in accordance with Section 8.3.

Section 8.3 Distribution of Total Gaming Revenues; Transfers for Costs of Operations.

(a) As consideration for the Operator Services provided pursuant to this Agreement, Operator shall be entitled to retain, by deposit to the Operator Account in accordance with Section 8.3 (d), monthly, an amount (the "**Operator Consideration**") equal to [***]. As payment for the MSC Services, and in consideration of MSC's other obligations hereunder and rights provided to Operator hereunder, MSC shall receive, monthly, a fee (the "**MSC Consideration**") equal to Total Gaming Receipts for the prior month less the sum of (1) an amount equal to Macau Gaming Taxes with respect to the Total Gaming Revenues for the prior month and (2) Operator Consideration for that month. All monthly distributions shall be subject to the quarterly true up pursuant to Section 8.3 (e) and the other rights and remedies of the parties as set forth herein. For the purposes of this Section 8.3(a), [***].

(b) Notwithstanding Section 8.3 (a), the MSC Consideration shall first be applied to maintain the Minimum Balance in the Costs of Operations Account by Operator and as required from time to time as so as to ensure the amounts in the Costs of Operations Account are sufficient to meet Costs of Operations. Thereafter, MSC shall be paid the remaining balance of the MSC Consideration. Such applications and payments shall be made in accordance with Section 8.3(d).

(c) Where amounts in the Costs of Operations Account are insufficient to meet Costs of Operations, then, notwithstanding the provisions of Sections 8.3 (a), 8.3(b) and 8.3(d), MSC shall make transfers from its own funds (or shall direct that transfers be made from the Trust Account) to the Costs of Operations Account as necessary to pay Costs of Operations and on the basis that such funds are transferred to the Costs of Operations Account before Operator is under an obligation to pay for the relevant Costs of Operations.

(d) The amount of Total Gaming Receipts for each day shall be deposited as follows promptly after determination of the amount thereof. [***]

(e) No later than the thirtieth (30th) day of March, June, September or December of each year, if the actual Total Gaming Revenues, the Total Gaming Receipts or other amounts paid to MSC or Operator in accordance with Section 8.3 for the preceding quarter (or part thereof) ending the preceding December, March, June and September are different from the amount that should have been determined or paid to such party based on

the books and records of Operator and based upon the provisions of this Agreement, then to the extent either party received an overpayment, it shall repay and deposit the amount of such overpayment into the Trust Account, and to the extent either party received an underpayment, it shall receive a distribution from the Trust Account, as more particularly described in the Trust Account Agreement. In addition, if the Estimated Rent for the preceding quarter is different from the amount that should have been paid as Rent based on the Right to Use Agreement Payments during such quarter, then Operator and MSC shall adjust the disbursements of cash accordingly so that the amount of Rent paid for such preceding quarter (and the corresponding amount included in the Operator Consideration) equals the Right to Use Agreement Payments for such quarter.

(f) MSC shall also furnish Operator (directly, or through deposits to the Costs of Operations Account) such other amounts and on such other dates as may be specified by Operator in a request for funds, made in consultation with MSC, delivered to MSC at least thirty (30) days in advance of the specified funding date.

(g) Operator shall pay all Macau Gaming Taxes from the Tax Account and, to the extent that sufficient funds are available in the Costs of Operations Account, shall pay all Costs of Operations from the Costs of Operations Account.

(h) Subject to the provisions of Section 14.1 (a) or any Liens granted in favour of a Lender, Operator shall not cause, permit or suffer to exist any Lien on or against the Tax Account, the Costs of Operations Account, or any funds on deposit in either such account, and immediately upon becoming aware of same, shall notify MSC. Operator shall promptly take all actions necessary or proper to obtain the release or discharge of any such Lien; provided, however, that any amount incurred to obtain such release or discharge of Lien, and all costs and expenses incurred therewith, shall be Non-Reimbursable Expenses (except if such Lien results from the performance of the Operator's obligations or any failure by MSC to perform its obligations under this Agreement, in which case any amounts incurred shall be considered Costs of Operation).

(i) Other than any Lien granted in favour of a Lender, neither Operator nor MSC shall cause, permit or suffer to exist any Lien on or against the Trust Account or any funds on deposit therein, and immediately upon becoming aware of same, the party becoming aware shall notify the other party. MSC and Operator shall promptly discuss the actions to be taken to obtain the release or discharge of any such Lien, and Operator and MSC shall take such action as may be determined by MSC to be necessary and proper to obtain the release or discharge of any such Lien. Any amount incurred to obtain such release or discharge of Lien, and all costs and expenses incurred therewith, shall be borne by the party whose action or inaction has given rise to the relevant Lien.

Section 8.4 Annual Audit.

(a) With respect to each Fiscal Year, MSC shall cause an audit to be conducted by an accounting firm selected by MSC. On or before one hundred and twenty (120)

days after the end of such year, the selected accounting firm shall issue a report with financial statements in accordance with (i) GAAP and (ii) requirements of the Macau Government, including the DICJ and Macau taxation authorities, with respect to the preceding Fiscal Year (or portion of the year in the case of the first year) operations of the Casino, including operating statements, balance sheets, income statements and statements reflecting the amounts computed to be distributed in accordance with Section 8.3.

(b) In addition, upon termination of this Agreement in accordance with its terms, such accounting firm shall conduct an audit, and on or before one hundred and twenty (120) days after the termination date, shall issue a report setting forth the same information as is required in the annual report pursuant to Section 8.4(a), in each case with respect to the portion of the Fiscal Year ending on the termination date. If the Total Gaming Revenues, Total Gaming Receipts or other amounts paid to MSC or Operator in accordance with Section 8.3, or paid to Operator (from the Costs of Operations Account or otherwise) in respect of Costs of Operations, for the relevant period are different from the amount that should have been paid to such party based on the report prepared by the accounting firm and based upon the provisions of this Agreement, then to the extent either party received an overpayment, it shall repay and deposit the amount of such overpayment into the Trust Account within twenty-five (25) days after the receipt by such party of the accountant's report, and to the extent either party received an underpayment, it shall, within twenty five (25) days after receipt by such party of the accountant's report, receive a distribution from the Trust Account of the amount of such underpayment

Section 8.5 Cooperation Regarding Financing. Each party will reasonably cooperate in all material respects with efforts by the other party and its Affiliates to obtain financing, and shall coordinate and consult with each other in connection with any financial projections shown to lenders. The terms of the Transaction Documents among the parties shall be adjusted as reasonably required by any financing sources to a party or its Affiliates, provided that neither party shall be required to agree to any such amendments or adjustments that materially adversely affect the economic terms or benefits set forth in such documentation. Nothing in this Section 8.5 shall require a party to incur a material obligation or liability.

Section 8.6 Effect of New Taxes. If, during the Term, (a)(i) either party hereto (the "**Taxed Party**") becomes subject to a Tax imposed by the Macau Government (other than Macau Gaming Taxes) with respect to the income derived by the Taxed Party from the transactions and activities contemplated by this Agreement, and the Taxed Party, if it were deriving gross revenues, gross receipts, gross income or net income from the transactions and activities contemplated by this Agreement at the Effective Date, would not be subject to such Tax on the Effective Date (assuming, for this purpose, that any "tax holidays," "exemptions," or the like were not applicable to the Taxed Party at such time) or (ii) the Macau Government modifies the basis of calculation of a Tax in effect as of the Effective Date (including Macau Gaming Taxes) by changing such basis of calculation from gross income, net income, gross revenues, gross receipts or sales to another of such bases or by determining to tax Operator on the revenue of the Casino or on the MSC Consideration without any offset or deduction for the

payments made by Operator or from the revenue of the Casino to MSC (it being understood that a change in rate of Tax shall not constitute a change in basis of calculation) and (b) as a result of the imposition of such a Tax referred to in clause (a)(i) or the modification of the basis of calculation of a Tax referred to in clause (a)(ii), the Taxed Party, if it were deriving gross revenues, gross receipts, gross income or net income from the transactions and activities contemplated by this Agreement at the Effective Date, and assuming, for this purpose, that any "tax holidays," "exemptions," or the like were not applicable to the Taxed Party at such time, would be liable to pay a materially greater amount of Tax than the Taxed Party would have previously paid (or, if the Commencement Date has not yet occurred, would have previously paid in the periods following the Commencement Date), Operator and MSC shall each negotiate in good faith in order to attempt to minimize equitably as between the parties the adverse impact as a result of the imposition or modification of the Tax, taking into consideration in such attempt any reduction in the taxes payable by the other party that correspond to the Tax imposition or modification. Failure to reach agreement after negotiating in good faith shall not constitute a Dispute subject to resolution under ARTICLE XV.

Section 11.5 Termination by Mutual Consent. This Agreement may also be terminated at any time upon the mutual written consent of MSC and Operator.

Section 11.6 Termination on Failure of Commencement Date to Occur. Either party may terminate this Agreement on thirty (30) days' notice to the other party if the Commencement Date has not occurred on or prior to April 30, 2018 (the "**Outside Commencement Date**"), provided that the Outside Commencement Date shall be automatically extended to the extent that the requirements to achieve the Commencement Date are diligently being pursued by MSC in good faith and the Commencement Date is reasonably expected to occur not later than six (6) months following the original Outside Commencement Date.

Section 11.7 Termination Upon Closure of Casino or Discontinuance of Operations. Operator may terminate this Agreement on thirty (30) days' notice to MSC if, upon request of MSC and provided that all authorizations have been granted by the Macau Government, Operator has permanently closed the Casino or permanently discontinued the operations of the Casino as contemplated by Section 5.9. If (a) the Casino is permanently closed or the operations at the Casino are permanently discontinued, (b) this Agreement is terminated, and (c) thereafter, MSC or any of its Affiliates takes any step to reopen the Casino or recommence operations at the Casino or at any other casino at the Site, in each case at any time during the Term of this Agreement (including any extension thereof under Section 2.2) which would have otherwise applied if this Agreement had not been terminated, MSC shall notify Operator accordingly within thirty (30) days of taking any such step. Operator shall notify MSC in writing within thirty (30) days of receiving MSC's notice if Operator desires to enter into an agreement to operate the Casino if reopened or operations are recommenced at the Casino, on the same terms and conditions of this Agreement for a term determined in accordance with the provisions of this Agreement as if the Casino had not been closed or operations at the Casino had not been discontinued, and as if this Agreement had not terminated. If Operator desires to enter into such an agreement, then the parties shall, and shall procure that their respective Affiliates shall, take all actions necessary to enter into such an agreement in relation to the reopened Casino on the same terms as this Agreement.

Section 11.8 Notice of Termination. Any notice of termination hereunder shall be in writing detailing (a) the Event of Default or termination provision being invoked and (b) the reason the party considers the Event of Default not to be cured or the reason the party considers such termination provision to be applicable, and must be delivered to the other party pursuant to Section 14.4 for such termination to be effective. Termination by Operator (other than pursuant to Sections 11.4 or 11.7) shall not be effective earlier than one hundred and eighty (180) days after delivery to enable MSC to arrange for a new operator of the Casino. Termination by Operator pursuant to Section 11.3 shall not be effective earlier than one

hundred eighty (180) days after delivery (or such shorter period as may be permitted by applicable Gaming Authority(ies), after Operator has used commercially reasonable action to obtain the longest transition period obtainable not to exceed one hundred eighty (180) days) to enable MSC to arrange for a new operator of the Casino.

Section 11.9 No Termination. Notwithstanding anything herein to the contrary (but subject to Section 11.4), including in Article X hereof and this Article XI, if MSC is directly or indirectly under MCE Control (as defined below), then Operator may not pursue any remedies against MSC under or in connection with this Agreement (other than to cause compliance herewith), and shall not have any right to terminate this Agreement for so long as MSC is directly or indirectly under MCE Control. At any time from and after the time MSC is no longer directly or indirectly under MCE Control, Operator may pursue remedies against MSC under or in connection with this Agreement including any right it may have to terminate this Agreement, to the extent (and only to the extent) such remedies are available to Operator at such time under Article X hereof and this Article XI, provided, in each case, that if its right to pursue such remedies (including any termination right it may have) has arisen as a result of any action taken by MSC (or as a result of the failure of MSC to take any action) while MSC was directly or indirectly under MCE Control, then such right to pursue remedies (including any termination right it may have) may only be exercised by Operator if (a) the event that entitles Operator to pursue any remedies under this Agreement or to terminate this Agreement is beyond MCE's reasonable control, for example as a direct result of the material deterioration of general business and financial conditions affecting the operation of casinos in Macau generally, or (b) MCE has used its commercially reasonable efforts to remedy the breach caused by such event while MSC is directly or indirectly under MCE Control (and provided that, in either case under clause (a) or (b), MCE shall not be required to fund the operation of the Casino nor shall MCE or the Shareholders be required to fund or inject equity into, or make other payments in relation to, the Project above the thresholds agreed as of the Amendment Effective Date). For the purposes hereof, MSC shall be deemed to be directly or indirectly controlled by MCE at all times during which:

(i) MCE directly, or indirectly through one or more interposed entities, owns and controls MSC as conclusively determined by holding a majority of the voting power of MSC or having the right to appoint a majority of the board of directors or similar governing body of MSC, and

(ii) MCE directly, or indirectly through one or more interposed entities, owns and controls the other entities which own and control the Site, the hotel facilities within the Project and other facilities which are material for purposes of sustaining operations of the Project as a whole and the Casino in particular (the "Key Non-Gaming Entities"), with ownership and control in each instance being conclusively determined by holding a majority of the voting power in or having the right to appoint a majority of the board of directors or similar governing body of such Key Non-Gaming Entities, provided that, in the event any of the foregoing entities (or all or substantially all of such

entity's assets) is sold, transferred or otherwise disposed of, directly or indirectly, to a third party while such entity is directly or indirectly under MCE Control (other than in connection with any action taken by a Lender to enforce any Lien against such entity or such entity's assets or the entities through which MCE directly or indirectly holds the Key Non-Gaming Entities or their assets), such entity shall no longer be deemed to be a Key Non-Gaming Entity, and

(iii) no Lender has taken any action to foreclose on or enforce any Lien against MSC, any Key Non-Gaming Entity or any such interposed entities or their assets which prevents MCE from exercising any such power or right in clause (i) or (ii) or the result of which is that MCE is fundamentally deprived of ownership or control over MSC, any Key Non-Gaming Entity or any such interposed entities or their assets, which assets are material for purposes of sustaining operations of the Project as a whole and the Casino in particular or the exercise of any such powers or right ("MCE Control").

Without limiting the foregoing, each party shall, in consultation with the other parties, supply the Macau Government with all information necessary to comply with applicable Law.

Section 12.3 Regulatory Review. MSC acknowledges that, by executing this Agreement and/or the Transaction Documents, it may be subject to ongoing probity review by certain Gaming Authorities. If reasonably requested to do so by Operator, MSC and its respective shareholders, members, investors, officers, directors and employees shall reasonably cooperate with any information requests made by, or to comply with the rules of, any Gaming Authority (“**Regulatory Review**”). Each party shall cooperate in good faith in connection with any Regulatory Review so as to reduce the likelihood of termination pursuant to Section 11.3.

## ARTICLE XIII

With respect to the obligation to indemnify under this Section 13.3, Operator shall have the sole right to control the defense of any such

matters and shall pay its attorneys' fees; provided that, with respect to any such matters, Operator shall not be responsible for the attorneys' fees of attorneys hired by the indemnitee except to the extent Operator requests their assistance or Operator fails to promptly assume the defense of the dispute, or if representation of the indemnitee by the counsel retained by Operator would be inappropriate due to actual or potential conflict of interests between the indemnitee and any other party represented by such counsel in such proceeding. ## ARTICLE XIV

## MISCELLANEOUS

Section 14.1 Assignment and Subcontractors.

(a) No party shall assign its rights or delegate its duties under this Agreement other than to a direct or indirect subsidiary (provided that, in the case of an assignment by Operator, the direct or indirect subsidiary holds a Gaming License, and in the case of assignment by Operator, Operator is not relieved of the obligation to perform and such assignment will not have a material adverse effect on Operator's ability to perform under the Transaction Documents) or, in the case of MSC, as required in connection with any financing for the Company or any of its subsidiaries. Notwithstanding the foregoing, this Section 14.1(a) shall not restrict any direct or indirect MSC Change of Control or any assignment of this Agreement and delegation of MSC's duties hereunder in connection with any direct or indirect sale or disposal by MSC of any of its assets or businesses (an "**MSC Change of Control Transaction**"); provided, that, if such transaction would result in a material adverse effect upon Operator's Gaming License, Operator may (subject to Section 14.1(b)) terminate the Transaction Documents; provided further that if the transaction (A) (1) is not a Competitor Termination Event and (2) has been approved by the Macau Government, or (B) was undertaken by MSC while under MCE Control), then the foregoing proviso shall no longer be applicable. The assignment of rights or delegation of duties by a party to its direct or indirect subsidiary shall not relieve the party of its obligations under this Agreement. Save as may be required in connection with any financing for the Company or any of its subsidiaries, MSC shall not directly or indirectly sell or otherwise dispose of all or substantially all of MSC's rights as to the Casino unless MSC either terminates the Transaction Documents in accordance with Section 11.4 or also assigns its rights and delegates its duties under this Agreement to the transferee or an affiliate of the transferee. In the case of an assignment of this Agreement by MSC in connection with a financing by the Company or any of its subsidiaries, no Lender shall be required to assume the obligations of MSC under this Agreement (but it may do so if it so elects), unless and until that Lender has exercised remedies under any Lien such that it becomes the counterparty to this Agreement or the owner of the Casino, in which event it shall be required to assume the obligations of MSC under this Agreement from and after the date thereof and the other provisions hereof. Any Lender providing financing to MSC or its Affiliates in connection with the Project and wishing to take a security interest in the Casino premises, or which on enforcement would affect the right of Operator to occupy the Casino premises under this Agreement, shall, at the request of the Operator, enter into an agreement with Operator providing that such Lender shall not unreasonably interfere with Operator's right to occupy the Casino premises in accordance with this Agreement, on terms and conditions reasonably satisfactory to Operator and such Lender, as a condition of Lender taking such security. Notwithstanding the provisions of Section 8.3 (h), the Operator shall be entitled to pledge and assign its rights under the Tax Account and the Costs of Operation Account in favour of any Lender providing financing in connection with the Project.

(b) MSC shall provide written notice (the "**MSC Change of Control Notice**") to Operator of any contemplated MSC Change of Control Transaction that was not undertaken by MSC while under MCE Control (except in case of enforcement of any Lien by a Lender). The MSC Change of Control Notice must provide a reasonable description of the proposed transaction, the names of all proposed beneficial owners the nature and proportion of each beneficial owner's ownership. Until such information is provided, MSC will not have delivered an MSC Change of Control Notice. Within twenty (20) business days after delivery of the MSC Change of Control Notice, Operator shall inform MSC in writing whether it reasonably believes that such transaction would result in a material adverse effect upon Operator's Gaming License. If MSC disputes Operator's determination that an MSC Change of Control Transaction would result in a material adverse effect upon Operator's Gaming License, then the parties shall address such Dispute in accordance with the procedures set forth in ARTICLE XV. The provisions of this Section 14.1(b) are without prejudice to any other provisions of this Agreement and, without limiting the generality of the foregoing, a failure by Operator to inform MSC in writing that Operator reasonably believes that the contemplated MSC Change of Control Transaction would result in a material adverse effect upon Operator's Gaming License shall be without prejudice to Operator's rights to subsequently terminate this Agreement under any applicable provision of this Agreement (including ARTICLE XI and Section 14.1(a)) as a result of or in connection with the MSC Change of Control Transaction or any other matter howsoever or whatsoever.

(c) The provisions of Sections 14.1(a) and (b) are without prejudice to the provisions of Section 11.4 and in the event of any conflict, the provisions of Section 11.4 shall prevail and be overriding. Accordingly, without limiting the generality of the foregoing, if an MSC Change of Control Transaction is also a Competitor Termination Event Section 11.4 shall apply irrespective of the provisions of Sections 14.1(a) or (b) and irrespective of whether the relevant transaction has been approved by the Macau Government. If the MSC Change of Control Transaction is not a Competitor Termination Event, the provisions of Sections 14.1(a) and (b) shall apply to the relevant transaction.

(d) Subject to the foregoing limitations, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby. Except as set forth in Section 14.1(a), the assignee of the rights of a party under this Agreement permitted by applicable Law, shall assume the obligations of the relevant party under this Agreement as a condition of the assignment.

(h) The parties each acknowledge that the disclosing party would be irreparably injured by a breach of this Section 14.18 by a receiving party or its Representatives, and that monetary remedies at law would be inadequate to protect the disclosing party against any actual or threatened breach of this Section 14.18 by a receiving party or its Representatives, and, without prejudice to any other rights and remedies otherwise available to MSC or Operator, the parties each agree to the granting of equitable relief, including injunctive relief and specific performance, in the favor of a disclosing party without proof of actual damages. Any dispute, controversy or claim (each, a "**Dispute**") arising out of or relating to this Agreement or any other Transaction Document, or the interpretation, breach, termination or validity hereof, shall be resolved by the following dispute resolution process (except to the extent that the Agreement or such other Transaction Document provides for a different procedure):

(a) First, representatives appointed by the highest ranking corporate officer of each party to the Dispute shall engage in consultations with respect to such Dispute. Such consultation shall begin immediately after one party has delivered to the other party or parties a written notice for such consultation.

(b) If the Dispute is not resolved for any reason within thirty (30) days following the date on which such notice is given, the Dispute shall be submitted to arbitration upon the request of any party to the Dispute with notice to the other party or parties to the Dispute (the "**Arbitration Notice**").

(c) The arbitration shall be conducted in Hong Kong under the auspices of the Hong Kong International Arbitration Centre (the "**Centre**"). There shall be three (3) arbitrators. The claimant(s) in the Dispute shall collectively choose one arbitrator, and the respondent(s) shall collectively choose one arbitrator within thirty (30) days of the service on the respondent(s) of the request for arbitration. The two party-appointed arbitrators shall jointly select the third arbitrator, who shall serve as chair of the arbitral tribunal. Any arbitrator not timely selected shall be appointed by the Secretary General of the Centre.

(d) The arbitration proceedings shall be conducted in English. The arbitral tribunal shall apply the Arbitration Rules of the United Nations Commission on International Trade Law, as in effect at the time of the arbitration. However, if such rules are in conflict with the provisions of this ARTICLE XV, including the provisions concerning the appointment of arbitrators, the provisions of this ARTICLE XV shall prevail.

(e) Each party shall cooperate with the other in making full disclosure of and providing complete access to all information and documents reasonably requested by the other(s) in connection with such arbitration proceedings, subject only to any applicable privileges and confidentiality obligations binding on such party.

(f) The arbitral tribunal shall decide any Dispute submitted by the parties to the arbitration strictly in accordance with the substantive law of Macau and shall not apply any other substantive law. The members of the arbitral tribunal shall engage, as a cost of arbitration, an attorney qualified to practice law in Macau, which attorney shall not be counsel to any of the parties or their Affiliates and shall be experienced in gaming matters.

(g) The award of the arbitral tribunal shall be final and binding upon the parties, and the prevailing party or parties may apply to a court of competent jurisdiction for enforcement of such award.

(h) Any party shall be entitled to seek preliminary injunctive relief, if possible, from any court of competent jurisdiction pending the constitution of the arbitral tribunal. Without prejudice to such provisional remedies that may be granted by a national court, the arbitral tribunal shall have full authority to grant provisional remedies, to order a party to seek modification or vacation of an injunction issued by a national court, and to award damages for the failure of any party to respect the arbitral tribunal's orders to that effect.

(i) During the course of the arbitral tribunal's adjudication of the Dispute, this Agreement shall continue to be performed except with respect to the part in dispute and under adjudication.

(j) The cost of arbitration (including reasonable legal, accounting and other professional fees and expenses reasonably incurred, by any prevailing party with respect to the investigation, collection, prosecution and/or defense of any claim in the Dispute) shall be borne by the losing party or, if there is more than one losing party, pro rata by each losing party.

For the avoidance of doubt, such suspension shall only apply in respect of the operation and performance of the Company's obligations under the Services and Right to Use Agreement and shall not include a suspension of its obligation (if any) to fund pursuant to Clause 4.9 (*Suspension*) or Clause 5.3 (*Non-payment by Studio City Entertainment of arrears under the Services and Right to Use Agreement*) of this Agreement nor a suspension of the operation or performance of the Company's obligations (if any) under the Reimbursement Agreement, as supplemented by this Agreement (it being at all times acknowledged and understood that any such obligations only apply to any Reimbursement Amount or part thereof actually received by the Company).

(b) The Security Agent shall notify the Company in writing of the remedial action it (or the POA Agent or any Delegate, Receiver or any permitted nominee or delegate of any of them, as relevant) is taking or intends on taking within 30 days following receipt by the Security Agent of a Notice of Disturbance.

(c) The Security Agent and the POA Agent covenant that they will (and shall procure that any Delegate, Receiver or any permitted nominee or delegate of any of them) take any necessary action to ensure that the relevant event or circumstance giving rise to the inability of the Company to operate in accordance with the Services and Right to Use Agreement notified to the Security Agent in the Notice of Disturbance ceases.

4.5.2 prevents the Company's performance of any or all of its material obligations under the Services and Right to Use Agreement or prevents it from doing so on terms no more onerous or subject to costs, expenses, liabilities or claims no greater than those to which it, or as the case may be, Studio City Entertainment, was previously subject immediately prior to the action which gives rise to the suspension of operation by the Company,

in each case which, regardless of whether Studio City Entertainment remains under MCE Control or any other provision hereof, would give rise to a right of the Company to terminate the Services and Right to Use Agreement, then **provided that** such prevention subsists for a continuous period of 45 days or a total period of 60 days in any 90 day period, in each case following receipt by the Security Agent of a Notice of Disturbance:

(b) each of the Services and Right to Use Agreement and the Reimbursement Agreement shall, subject to receipt by the Company of any necessary Governmental Approvals, terminate on the date (if any) set out in the Governmental Approvals or determined by a Government Authority, or otherwise on the date specified in the termination notice which shall be no less than 30 days after the date of such written notice.

4.6 **Court Action**

(a) Without prejudice to Clause 4.7 (*Absence or Lack of Utility Services*), if an Official or a court takes, directs or orders any action which:

(1) prevents the Company's operation of the Gaming Area (or any other gaming area comprised in the Project) (or its ability to do so) in accordance with the requirements of the Services and Right to Use Agreement or prevents it from doing so on terms no more onerous or subject to costs, expenses, liabilities or claims no greater than those to which it, or as the case may be, Studio City Entertainment, was previously subject immediately prior to the action which gives rise to the suspension of operation by the Company; and/or

(2) prevents the Company's performance of any or all of its material obligations under the Services and Right to Use Agreement or prevents it from doing so on terms no more onerous or subject to costs, expenses, liabilities or claims no greater than those to which it, or as the case may be, Studio City Entertainment, was previously subject immediately prior to the action which gives rise to the suspension of operation by the Company,

then the Company may notify the Security Agent and provide reasonable details of the event or circumstance giving rise to the inability of the Company to operate in accordance with the Services and Right to Use Agreement (such notice, a "**Notice of Suspension**").

(b) From the time the Company issues the Notice of Suspension to the Security Agent until such time when such Notice of Suspension has been revoked, the Company's obligation to operate the Gaming Area in accordance with the requirements of and perform its obligations under the Services and Right to Use Agreement shall be suspended. For the avoidance of doubt, such suspension shall only apply in respect of the operation and performance of the Company's obligations under the Services and Right to Use Agreement and shall not include a suspension of its obligation (if any) to fund pursuant to Clause 4.9 (*Suspension*) or Clause 5.3 (*Non-payment by Studio City Entertainment of arrears under the Services and Right to Use Agreement*) of this Agreement nor a suspension of the operation or performance of the Company's obligations (if any) under the Reimbursement Agreement, as supplemented by this Agreement (it being at all times acknowledged and understood that any such obligations only apply to any Reimbursement Amount or part thereof actually received by the Company).

4.7 **Absence or Lack of Utility Services**

(a) In circumstances where:

(i) the Company is unable to gain access to or otherwise operate the Gaming Area (or any other gaming area comprised in the Project or perform any of its obligations under the Services and Right to Use Agreement) due to an absence or lack of utility services, telephone and

other similar services required for such operation as appropriate and consistent with the Operating Standards or an absence or lack of necessary facilities, goods, services, utilities and other like things from any other part of the Project or the Site or from any person to support such operation as appropriate and consistent with the Operating Standards, in each case, on terms no more onerous or subject to costs, expenses, liabilities or claims no greater than those to which it, or as the case may be, Studio City Entertainment, was previously subject; and

(ii) the Company has complied with its obligation to fund when due pursuant to Clause 5.3 (*Non-payment by Studio City Entertainment of arrears under the Services and Right to Use Agreement*),

then the Company may notify the Security Agent of the inability of the Company to operate in accordance with the Services and Right to Use Agreement (such notice, a "**Notice of Absence of Utility Services**").

(b) Promptly following the resumption of utility services, telephone and other similar services, facilities, goods, services, utilities and other like things, in each case (x) to a level that is possible for the Company to operate the Gaming Area (or any other gaming area comprised in the Project) in accordance and consistent with the Operating Standards and otherwise perform its material obligations under the Services and Right to Use Agreement and (y) on terms no less favourable than those which applied prior to the relevant cessation (and on terms no more onerous or subject to costs, expenses, liabilities or claims no greater than those to which it, or as the case may be, Studio City Entertainment, was previously subject), the Company shall immediately notify the Security Agent and revoke the Notice of Absence of Utility Services.

(c) From the time the Company issues the Notice of Absence of Utility Services to the Security Agent until the earlier of:

(i) such time when such Notice of Absence of Utility Services has been revoked; and

(ii) the date on which utility services, telephone and other similar services for the operation of the Gaming Area (or any other gaming area comprised in the Project) as appropriate and consistent with the Operating Standards or the necessary facilities, goods, services, utilities and other like things from any other part of the Project or the Site to support such operation as appropriate and consistent with the Operating Standards have resumed on terms no less favourable than those which applied prior to the relevant cessation (and on terms no more onerous or subject to costs, expenses, liabilities or claims no greater than those to which it, or as the case may be, Studio City Entertainment, was previously subject),

the Company's obligation to operate the Gaming Area in accordance with the requirements of and perform its obligations under the Services and Right to Use Agreement shall be suspended. For the avoidance of doubt, such

suspension shall only apply in respect of the operation and performance of the Company's obligations under the Services and Right to Use Agreement and shall not include a suspension of its obligation (if any) to fund pursuant to Clause 4.9 (*Suspension*) or Clause 5.3 (*Non-payment by Studio City Entertainment of arrears under the Services and Right to Use Agreement*) of this Agreement nor a suspension of the operation or performance of the Company's obligations (if any) under the Reimbursement Agreement (it being at all times acknowledged and understood that any such obligations relates only to any Reimbursement Amount or part thereof actually received by the Company).

4.8 **Transfers**

(a) If requested by the Security Agent after an Enforcement Notice has been served, and subject to Clause 4.2 (*After Enforcement Notice*), the Company shall promptly execute any acknowledgement to a notice of assignment of Studio City Entertainment's rights and obligations under the Services and Right to Use Agreement made in accordance with the Services and Right to Use Agreement, this Agreement and any applicable Legal Requirements (including any necessary Governmental Approvals) for an assignee to become a party to the Services and Right to Use Agreement in place of Studio City Entertainment.

(b) The assignment shall, subject to receipt of any necessary Governmental Approvals and compliance with this Agreement and all other applicable Legal Requirements, become effective upon execution of such acknowledgement of notice of assignment and shall forthwith release Studio City Entertainment from its obligations under the Services and Right to Use Agreement and thereafter such assignee or transferee shall be treated as if it had originally been named as a party thereto in place of Studio Entertainment with the rights, benefits, powers, discretions and obligations of Studio City Entertainment thereunder and, at the same time, if not already terminated, the Reimbursement Agreement shall terminate.

(c) It is hereby agreed and acknowledged that any assignment or transfer of Studio City Entertainment's rights or obligations under the Services and Right to Use Agreement must be in full (and include, in either event, all rights and obligations) and not in part.

4.9 **Suspension**

(a) To the extent that there are any costs incurred by the Company arising from suspension pursuant to Clauses 4.4 (*Notice of Disturbance*), 4.6 (*Court Action*), 4.7 (*Absence or Lack of Utility Services*) and/or 5.3 (*Non-payment by Studio City Entertainment of arrears under the Services and Right to Use Agreement*) including any termination costs arising during the suspension period, and in each case, which costs are not covered by the Costs of Operation and are not costs otherwise required to be paid or funded by the Finance Parties hereunder, without prejudice to Clause 5.3 (*Non-payment by Studio City Entertainment of arrears under the Services and Right to Use Agreement*):

(i) if such costs are incurred during the Initial Grace Period, the Company shall pay or fund any such costs when due; and

(ii) if such costs are incurred at any time after the Initial Grace Period, unless a Finance Party pays or funds any such costs when due, the Company may terminate the Services and Right to Use Agreement by giving written notice of termination to the Security Agent and if so, each of the Services and Right to Use Agreement and the Reimbursement Agreement shall, subject to receipt by the Company of any necessary Governmental Approvals, terminate on the date (if any) set out in the Governmental Approvals or determined by a Government Authority, or otherwise on the termination date specified in such written notice which shall be no less than 30 days after the date of such written notice.

(b) Studio City Entertainment and the Company shall take all reasonable steps to mitigate the costs which arise and would become payable from suspension, including, for the avoidance of doubt, any termination costs arising during the suspension period.

(c) On a weekly basis from the date of the relevant suspension or otherwise at such interval as may be agreed between the Security Agent and the Company, the Company shall provide to the Security Agent:

(i) details of all costs expected to be incurred in the next 7 days in connection with the suspension (including any termination costs arising from suspension); and

(ii) details of all costs actually incurred by it in the previous 7 days in connection with the suspension (including any termination costs arising from suspension).

In addition, the Company shall notify the Security Agent promptly, and in any event 2 Business Days prior to such amount becoming due, details of any suspension costs to be funded pursuant to paragraph (a)(ii) above.

(d) At any time when suspension pursuant to Clauses 4.4 (*Notice of Disturbance*), 4.6 (*Court Action*), 4.7 (*Absence or Lack of Utility Services*) and/or 5.3 (*Non-payment by Studio City Entertainment of arrears under the Services and Right*

*to Use Agreement*) has occurred and is continuing, the Security Agent may terminate the Services and Right to Use Agreement by giving written notice of termination to the Company and if so, each of the Services and Right to Use Agreement and the Reimbursement Agreement shall, subject to receipt by the Company of any necessary Governmental Approvals, terminate on the date (if any) set out in the Governmental Approvals or determined by a Government Authority, or otherwise on the termination date specified in such written notice.

(e) Following the cessation of the relevant event or circumstance giving rise to the inability of the Company to operate in accordance with the Services and Right to Use Agreement and the suspension pursuant to Clauses 4.4 (*Notice of Disturbance*), 4.6 (*Court Action*), 4.7 (*Absence or Lack of Utility Services*) and/or 5.3 (*Non-payment by Studio City Entertainment of arrears under the Services and Right to Use Agreement*), the Company shall, if a right to terminate has not arisen and subject to receipt by the Company of any Governmental Approvals (if any) required to resume operation of the Gaming Area (or any other gaming area comprised in the Project) in accordance with the requirements of the Services and Right to Use Agreement, promptly resume operation of the Gaming Area (and/or (as applicable) any other gaming area comprised in the Project) in accordance with the requirements of the Services and Right to Use Agreement.

4.10 **Purchaser Action**

Without prejudice to Clause 4.7 (*Absence or Lack of Utility Services*) and Clause 4.9 (*Suspension*), if following the completion of a Sale that does not constitute an SCE Sale, a purchaser under such Sale takes any action which:

4.10.1 prevents the Company's operation of the Gaming Area (or any other gaming area comprised in the Project) (or its ability to do so) in accordance with the requirements of the Services and Right to Use Agreement or prevents it from doing so on terms no more onerous or subject to costs, expenses, liabilities or claims no greater than those to which it, or as the case may be, Studio City Entertainment, was previously subject immediately prior to the action which gives rise to the suspension of operation by the Company; and/or

4.10.2 prevents the Company's performance of any or all of its material obligations under the Services and Right to Use Agreement or prevents it from doing so on terms no more onerous or subject to costs, expenses, liabilities or claims no greater than those to which it, or as the case may be, Studio City Entertainment, was previously subject immediately prior to the action which gives rise to the suspension of operation by the Company,

then **provided that** such prevention subsists for a continuous period of 45 days or a total period of 60 days in any 90 day period, in each case from the date of written notification by the Company of such prevention to the purchaser, then:

(a) the Company may terminate the Services and Right to Use Agreement by giving written notice of termination to the Security Agent; and if so, then

(b) each of the Services and Right to Use Agreement and the Reimbursement Agreement shall, subject to receipt by the Company of any necessary Governmental Approvals, terminate on the date (if any) set out in the Governmental Approvals or determined by a Government Authority, or otherwise on the date specified in the termination notice which shall be no less than 30 days after the date of such written notice.

4.11 **Operating Budget**

(a) The Company, Studio City Entertainment and the Security Agent agree that, following issuance of an Enforcement Notice on Studio City Entertainment in accordance with the requirements of the Finance Documents and for so long as the Enforcement Notice has not been withdrawn and until the Direct Undertakings Termination Date, it shall use commercially reasonable efforts to agree on and cooperate in the preparation of the Operating Budget from time to time.

(b) If the Company and the Security Agent (or, as the case may be, Studio City Entertainment acting at the direction of the Security Agent) are unable to agree on an Operating Budget at the times stipulated under the Services and Right to Use Agreement, then the Operating Budget shall be the previously agreed Operating Budget.

4.12 **Release of Security on Sale**

Subject to the terms of this Agreement, upon the completion of any SCE Sale or Sale by the Security Agent pursuant to the enforcement of the Transaction Security, the Security Agent shall (at the cost of the Obligors):

(a) (in respect of a share sale only) release and discharge any claims, right, title or interest by or of any Secured Party against each Obligor whose shares were the subject of such sale, each of its Subsidiaries (and, if the interest of each such Obligor were combined, any company which would, as a result, be a Subsidiary) and the assets of each such company and each such Subsidiary (other than any such claim, right, title or interest of any Secured Party arising or subsisting otherwise than by virtue of the Finance Documents), release all Transaction Security against such shares and/or assets (other than those subsisting otherwise than by virtue of the Finance Documents) and either (i) release and discharge any Subordinated Debt owing by any such company (whose shares were the subject to such sale) and/or (ii) and (to the extent the Security Agent has the power so to do) assign or transfer such Subordinated Debt to the purchaser or its nominee by way of enforcement of the Transaction Security over that Subordinated Debt or (to the extent the Security Agent does not have the power to so assign or transfer but has the power to release Transaction Security relating to that Subordinated Debt) to release such Transaction Security and, in the case of each of (i) and (ii), together with a release of the liabilities and obligations with respect to such Subordinated Debt under or pursuant to the Subordination Deed;

(b) (in respect of an asset sale only) release and discharge any claims, right, title or interest by or of any Secured Party against each such asset (other than

shares) the subject of a sale (other than any such claim, right, title or interest of any Secured Party arising or subsisting otherwise than by virtue of the Finance Documents) and release all Transaction Security against such assets (other than those subsisting otherwise than by virtue of the Finance Documents); and

(c) (in respect of a combination of share and asset sale), both (a) and (b) above shall apply as applicable.

In addition, the Security Agent shall be authorised to execute, without the need for any further authority from the Secured Parties, and deliver any document and do all such things as may be necessary to give effect to each such release and discharge, including to issue any certificates of non-crystallisation of floating charges that may be required or desirable.

## 5. RESTRICTION ON TERMINATION OF THE SERVICES AND RIGHT TO USE AGREEMENT

### 5.1 No termination

Save as permitted pursuant to Clauses 3.2.10, 3.2.12, 4.2.6, 4.4 (*Notice of Disturbance*), 4.5 (*Security Agent Action*), 4.6 (*Court Action*), 4.7 (*Absence or Lack of Utility Services*), 4.9 (*Suspension*), 4.10 (*Purchaser Action*), 5.2 (*Change of control*), 5.3 (*Non-payment by Studio City Entertainment of arrears under the Services and Right to Use Agreement*), 5.4 (*Termination rights of the Company in the Additional Grace Period*) and 5.5 (*Termination rights in the Final Grace Period*), the Company shall not suspend, rescind or terminate or agree to any suspension, rescission or termination to, of or under, the Services and Right to Use Agreement or present any petition or analogous application for the appointment of any liquidator, receiver, administrator, administrative receiver, compulsory manager or other similar officer in respect of Studio City Entertainment or any of its assets at any time prior to the Direct Undertakings Termination Date without the prior written consent of the Security Agent.

### 5.2 Change of control

In the event that Studio City Entertainment ceases to be under MCE Control following a Sale, or otherwise following a Change of Control (as defined in the Facilities Agreement) where the Agent (acting on the instructions of the Majority Lenders) have expressly consented in writing to such Change of Control for the purpose of this Clause 5.2, the Company may exercise any rights or claims under or in respect of the Services and Right to Use Agreement (including its rights of termination, if any) in accordance with the terms of the Services and Right to Use Agreement.

5.3 **Non-payment by Studio City Entertainment of arrears under the Services and Right to Use Agreement**

(a) Subject to paragraph (b) and (c) below, if at any time from the Funding Date until the earlier of:

(i) the date that is nine months from the Funding Date; and

(ii) the date of completion of any SCE Sale,

(such period, the "**Initial Grace Period**") and if the Services and Right to Use Agreement has not otherwise terminated, (x) Studio City Entertainment fails to pay or fund any shortfall in the Minimum Balance or provide the Company with sufficient funds to pay for the relevant Costs of Operation, in each case which Studio City Entertainment is required to pay or fund under the Services and Right to Use Agreement [***] or (y) any suspension costs contemplated by Clause 4.9(a) have arisen, the Company:

(A) shall, to the extent insufficient standing to the credit of the Trust Account, Tax Account, Enterprise Accounts, Cost of Operations Account and/or the Operator Account, pay or fund any shortfall to the extent necessary to meet such Costs of Operation then due and shall pay or fund such suspension costs, unless the Security Agent has otherwise notified the Company that a Finance Party proposes to do so instead; and

(B) shall not exercise any right it may have to terminate the Services and Right to Use Agreement because of this paragraph (a), other than in accordance with the terms of this Agreement.

(b) If the Company is unable to withdraw any amounts or access any funds standing to the credit of the Trust Account, Tax Account, Enterprise Accounts, Cost of Operations Account or the Operator Account for paying, reimbursing or funding any amounts required to be made under the Services and Right to Use Agreement (including but not limited to, paying the relevant Costs of Operations which it is required to be provided by Studio City Entertainment under the Services and Right to Use Agreement [***] as a result of enforcement by the Security Agent of any rights, discretions or remedies it may have under the Transaction Security Documents (including any failure to direct, permit or procure the transfer of Studio City Entertainment's funds or funds from the Trust Account, whether pursuant to section 8.3(c) of the Services and Right to Use Agreement (as supplemented by this Agreement) or otherwise), then the Company shall promptly notify the Security Agent in writing of the occurrence of such event. Unless such event ceases and the Company is able to withdraw amounts and/or access funding standing to the credit of the Trust Account, the Tax Account, the Enterprise Accounts, the Cost of Operations Account and the Operator Account within 2 Business Days of the date the notice is received by the Security Agent, the Initial Grace Period shall expire on the date which is 2 Business Days after receipt by the Security Agent of the notice from the Company. For the avoidance of doubt, the early expiry of the Initial Grace Period pursuant to this Clause 5.3(b) shall

be without prejudice to the operation of Clause 5.4 (*Termination rights of the Company in the Additional Grace Period*) or other provisions of this Agreement.

(c) If the Company is unable to withdraw any amounts or access any funds standing to the credit of the Trust Account, Tax Account, Enterprise Accounts, Cost of Operations Account or the Operator Account for paying, reimbursing or funding any amounts required to be made under the Services and Right to Use Agreement (including but not limited to, paying the relevant Costs of Operations which it is required to be provided by Studio City Entertainment under the Services and Right to Use Agreement [***] as a result of any actions taken by an Official or by direction or order of a court, then the Company shall promptly notify the Security Agent in writing of the occurrence of such event. Unless such event ceases and the Company is able to withdraw amounts and/or access funding standing to the credit of the Trust Account, the Tax Account, the Enterprise Accounts, the Cost of Operations Account and the Operator Account within 3 Business Days of the date the notice is received by the Security Agent, the Company's obligation to operate the Gaming Area and perform its obligations in accordance with the requirements of the Services and Right to Use Agreement shall be suspended. For the avoidance of doubt, such suspension shall only apply in respect of the operation and performance of the Company's obligations under the Services and Right to Use Agreement and shall not include a suspension of its obligation (if any) to fund pursuant to Clause 4.9 (*Suspension*) or Clause 5.3 (*Non-payment by Studio City Entertainment of arrears under the Services and Right to Use Agreement*) of this Agreement nor a suspension of the operation or performance of the Company's obligations (if any) under the Reimbursement Agreement, as supplemented by this Agreement (it being at all times acknowledged and understood that any such obligations only apply to any Reimbursement Amount or part thereof actually received by the Company). If 10 Business Days after the date the notice is received by the Security Agent, the Company is still unable to withdraw any amounts or access any funds standing to the credit of the Trust Account, Tax Account, Enterprise Accounts, Cost of Operations Account and/or the Operator Account due to the subsistence of the actions taken by an Official or by direction or order of a court, the Initial Grace Period shall expire on the date which is 3 Business Days after receipt by the Security Agent of the notice from the Company. For the avoidance of doubt, the early expiry of the Initial Grace Period pursuant to this Clause 5.3(c) shall be without prejudice to the operation of Clause 5.4 (*Termination rights of the Company in the Additional Grace Period*) or other provisions of this Agreement.

(d) If a Finance Party has not paid or funded (when due, and in immediately available funds) any amount which the Security Agent has notified to the Company in accordance with Clause 5.3(a)(A) of this Agreement that the Finance Party will so pay or fund, the Company:

(i) shall immediately notify the Security Agent of such occurrence;

(ii) shall, from the date falling 3 Business Days after such occurrence and until the date of expiry of the Initial Grace Period, pay or fund any shortfall to the extent necessary to meet such Costs of Operation then due; and

(iii) shall not exercise any right it may have to terminate the Services and Right to Use Agreement because of such failure by Studio City Entertainment caused by the failure to fund (when due) by the relevant Finance Party, other than in accordance with the terms of this Agreement until the expiry of the Initial Grace Period.

5.4 **Termination rights of the Company in the Additional Grace Period**

(a) If an SCE Sale has not been completed by the end of the Initial Grace Period (as such Initial Grace Period may be shortened pursuant to the terms of Clause 5.3 (*Non-payment by Studio City Entertainment of arrears under the Services and Right to Use Agreement of this Agreement*), then, if at any time from the date of expiry of the Initial Grace Period until the earlier of:

(i) the date that is nine months of the date of expiry of the Initial Grace Period; and

(ii) the date of completion of any SCE Sale,

(such additional period, the "**Additional Grace Period**"), (x) Studio City Entertainment fails to pay or fund any shortfall in the Minimum Balance or provide the Company with sufficient funds to pay for the relevant Costs of Operation, in each case which Studio City Entertainment is required to pay or fund under the Services and Right to Use Agreement [***] or (y) any suspension costs contemplated by Clause 4.9(a) have arisen, then subject to paragraph (b) below and Clause 5.5 (*Termination rights in the Final Grace Period*) below, the Company may (if the Services and Right to Use Agreement is not already terminated) exercise any right it may have to terminate the Services and Right to Use Agreement and the Reimbursement Agreement for such failure by Studio City Entertainment.

(b) The Company shall not exercise any right it may have to terminate the Services and Right to Use Agreement and the Reimbursement Agreement (save as otherwise contemplated under and in accordance with the terms of this Agreement) for any failure by Studio City Entertainment to pay or fund any shortfall in the Minimum Balance or provide the Company with sufficient funds to pay for the relevant Costs of Operation, in each case which Studio City Entertainment is required to pay or fund under the Services and Right to Use Agreement [***], if such amount and any suspension costs contemplated by Clause 4.9(a) during the Additional Grace Period (excluding, for the avoidance of doubt, any amount Studio City Entertainment may have failed to pay or fund during the Initial Grace Period) is paid or funded by a Finance Party when due (and in immediately available funds).

(c) Unless otherwise agreed by the Company, the Reimbursement Agreement shall, unless already terminated, terminate at the end of the Additional Grace Period [***].

5.5 **Termination rights in the Final Grace Period**

(a) If an SCE Sale has not been completed in the Initial Grace Period or in the Additional Grace Period and if the Services and Right to Use Agreement has not otherwise been terminated, then, if at any time from the date of expiry of the Additional Grace Period until the earlier of:

(i) the date that is six months from the date of the expiry of the Additional Grace Period; and

(ii) the date of completion of any SCE Sale,

(such additional period, the "**Final Grace Period**"), (x) Studio City Entertainment fails to pay or fund any shortfall in the Minimum Balance or provide the Company with sufficient funds to pay for the relevant Costs of Operation or pay any Operator Consideration, in each case which it is required to pay or fund under the Services and Right to Use Agreement or (y) any suspension costs contemplated by Clause 4.9(a) have arisen, then subject to (b) below, the Company may terminate the Services and Right to Use Agreement for such failure by Studio City Entertainment.

(b) The Company shall not exercise any right it may have to terminate the Services and Right to Use Agreement (save as otherwise contemplated under and in accordance with the terms of this Agreement) for any failure by Studio City Entertainment to pay or fund any shortfall in the Minimum Balance or provide the Company with sufficient funds to pay for the relevant Costs of Operation or pay any Operator Consideration, in each case which Studio City Entertainment is required to pay or fund under the Services and Right to Use Agreement, if such amount and any suspension costs contemplated by Clause 4.9(a) during the Final Grace Period (excluding, for the avoidance of doubt, any amount Studio City Entertainment may have failed to pay or fund during the Initial Grace Period and/or the Additional Grace Period and which the Company is obliged to fund) is paid or funded by a Finance Party when due (and in immediately available funds).

(c) The Company may terminate the Services and Right to Use Agreement at any time after the expiry of the Final Grace Period.

5.6 **Reimbursement**

(a) Subject to paragraph (b) below, the Company shall be reimbursed (ahead of the Secured Parties other than any sums owing to the Security Agent, any Receiver or any Delegate (as such terms are defined in the Facilities Agreement) and payable pursuant to clause 37.1(a) of the Facilities Agreement and the Security Agent shall ensure that the Company is so reimbursed) for any amounts paid or funded by it under Clause 5.3 (*Non-payment by Studio City Entertainment of arrears under the Services and Right to Use Agreement*) from and to the extent, if less, of the proceeds of any Sale (or any other disposal or realisation of any of the Disposed Assets) or, as the case may be, dividend or distribution from an Official or a court following a Sale or such disposal or realisation and (where relevant) on a *pro rata* basis with the

Finance Parties where a Finance Party has paid or funded any amount referred to in Clauses 5.3 (*Non-payment by Studio City Entertainment of arrears under the Services and Right to Use Agreement*) to 5.5 (*Termination rights in the Final Grace Period*) in the order set out in clause 37.1 of the Facilities Agreement.

(b) In respect of the completion of a Sale to a Sponsor, a Sponsor Affiliate or a nominee of any of the foregoing made in accordance with or contemplated by the Purchase Right:

(i) the Company shall not be entitled to any reimbursement for amount paid or funded by it under Clause 5.3 (*Non-payment by Studio City Entertainment of arrears under the Services and Right to Use Agreement*) from the proceeds of such Sale or disposal or realisation or, as the case may be, dividend or distribution from an Official or a court following a Sale; but

(ii) the Finance Parties shall be entitled to reimbursement for amount paid or funded by them (or any of them) under Clauses 5.3 (*Non-payment by Studio City Entertainment of arrears under the Services and Right to Use Agreement*) to 5.5 (*Termination rights in the Final Grace Period*) from the proceeds of such Sale or disposal or realisation or, as the case may be, dividend or distribution from an Official or a court following a Sale in the order set out in clause 37.1 of the Facilities Agreement.

## 6. SUBORDINATION OF THE COMPANY'S CLAIMS

The provisions of this Clause 6 shall cease to apply upon the earlier of the completion of any SCE Sale and the date on which the Secured Obligations are discharged in full.

### 6.1 Subordination Generally

6.1.1 Except as otherwise provided herein, the Company agrees that, so long as any Secured Obligation is outstanding, the Subordinated SCE Obligations and the claims of the Company (whether in respect of principal, interest or otherwise including, without limitation, consequential damages for breach) in respect of the Subordinated SCE Obligations shall be subordinated to the Secured Obligations and postponed to the claims of the Secured Parties in respect thereof.

6.1.2 Studio City Entertainment and the Company hereby covenant and undertake with the Security Agent and agree and acknowledge that (save as otherwise permitted in accordance with the terms of the Finance Documents and this Agreement), so long as any Secured Obligation is outstanding:

(a) no Subordinated SCE Obligation (nor any part thereof) other than a Permitted Subordinated SCE Obligation shall be payable or repayable, paid or repaid, **provided that** the Subordinated SCE Obligations may accrue interest in accordance with their terms;

(b) no Subordinated SCE Obligation (nor any part thereof) shall be secured by any Security;

(c) the Company shall not (without the prior written consent of the Security Agent):

(i) exercise, enforce or seek to exercise or enforce any monetary right or remedy which it may have against Studio City Entertainment (including the taking of any steps to enforce or require the enforcement of any Security or suing for, commencing or joining any legal or arbitration proceedings against Studio City Entertainment for payment) in respect of any or all of the Subordinated SCE Obligations;

(ii) (x) demand, accelerate, sue or prove for, or demand any distribution in respect of or on account of, or (y) receive or retain payment of, any Subordinated SCE Obligation in cash or in kind from Studio City Entertainment or other person;

(iii) amend, vary or cancel (or agree to any amendment, variation or cancellation of) so as to make more onerous (or otherwise adversely affect the interests of the Secured Parties) the terms on which any of the Subordinated SCE Obligations is or continues to be or may become owing to the Company (save as permitted pursuant to this Agreement);

(iv) enter into any composition, assignment or arrangement with Studio City Entertainment, solely in respect of the Subordinated SCE Obligations;

(v) petition, apply or vote for, or take any other step (including, but not limited to, the appointment of any liquidator, receiver, administrator or similar officer) in relation to, the winding-up, dissolution, administration or reorganisation of Studio City Entertainment or any suspension of payments or moratorium of any indebtedness of Studio City Entertainment or any analogous procedure or step in any jurisdiction;

(vi) exercise any right to be indemnified or otherwise assured against loss or claim under or in relation to any guarantee, in each case in respect of any or all of the Subordinated SCE Obligations; or

(vii) take the benefit of any Security or the benefit (in whole or in part and whether by subrogation or otherwise) of any rights of any Secured Party or any other Security taken pursuant to, or in connection with, any Finance Document by any Secured Party, in each case in respect of any or all of the Subordinated SCE Obligations; and

(d) neither the Company nor Studio City Entertainment shall have or claim any right of set-off, deduction or counterclaim in respect of any or all of the Subordinated SCE Obligations, and each of the Company and Studio City Entertainment agree that none of them shall exercise any such right which it may otherwise have in relation to the Subordinated SCE Obligations,

**provided that** the Company shall be entitled to receive and retain any amounts paid or funded by it under Clause 5.3 (*Non-payment by Studio City Entertainment of arrears under the Services and Right to Use Agreement*) pursuant to or in accordance with Clause 5.6 (*Reimbursement*) of this Agreement.

6.1.3 If, notwithstanding the provisions of Clauses 6.1.1 and 6.1.2, any amounts, benefits, moneys, proceeds or distributions in respect of any or all of the Subordinated SCE Obligations shall be received or recovered by the Company at a time when any of the Secured Obligations is outstanding (other than as permitted by the Finance Documents or this Agreement) then, the Company shall forthwith pay and/or transfer that receipt or recovery (or an amount equal thereto) into the Tax Account (to the extent the Tax Account has not yet been sufficiently funded with an amount equal to all Macau Gaming Taxes payable with respect to the Total Gaming Revenues on that day) and the balance into the Trust Account **provided that** if it is not possible to pay and/or transfer such amounts into the Tax Account and/or the Trust Account, the Company shall forthwith pay and/or transfer that receipt or recovery (or an amount equal thereto) into any suspense or impersonal account (which is interest-bearing **provided that** there is no tax liability on the Security Agent with respect to any interest in such account) for application in the manner prescribed by the Services and Right to Use Agreement and if relevant, as amended by this Agreement and afterwards for the discharge of the Secured Obligations, in each case other than any amounts received pursuant to or in accordance with Clause 5.6 (*Reimbursement*) of this Agreement in respect of amounts the Company paid or funded under Clause 5.3 (*Non-payment by Studio City Entertainment of arrears under the Services and Right to Use Agreement*).

## 6.2 Subordination in Insolvency

(a) the Golden Shareholder has not served a Veto Notice and the other documents referred to in sub-Regulation 6.7 in accordance with the requirements of Sub-Regulation 6.7 on the Company and the Seller by the Veto Cut-off Date; or

(b) the Golden Shareholder has waived in writing its rights under Sub-Regulation 6.7 pursuant to Sub-Regulation 6.2 addressed to the Company and the Ordinary Shareholders,

and the Golden Shareholder shall not have satisfied the conditions set out in Sub-Regulation 6.12(a) and (b) during the Pre-emption Period, then if the Seller, at any time during the Sale Period, delivers to the Company a duly executed instrument of transfer in favour of the Buyer in respect of the Sale Shares together with an Expert Sale Statement (and provides to the Company evidence in writing that the Seller has dispatched to the Golden Shareholder copies of such duly executed instrument of transfer, Expert Sale Statement and duly executed instruments of transfer in favour of

the Buyer in respect of the Sister Company Sale Shares) and a written notice to the Golden Shareholder stating that all conditions that have been agreed between the Seller and the Buyer as required to be satisfied at or before a transfer of the Sale Shares from the Seller to the Buyer have been satisfied or waived:

(i) the directors of the Company shall enter the Buyer in the register of members of the Company as the holder of the Sale Shares;

(ii) the Golden Shareholder shall have no rights under these Articles (other than under paragraphs (iii) and/or (iv) below);

(iii) the Golden Share shall become immediately redeemable at par at the option of the Company;

(iv) the Golden Shareholder will be deemed to have offered to sell the Golden Share for US$1.00 to the Ordinary Shareholders and any Ordinary Shareholder may, at any time during the period of five years commencing on the date of the delivery to the Company of the above-mentioned duly executed instrument of transfer and Expert Sale Statement, accept such offer by sending a notice in writing to such effect to the Company and the Golden Shareholder; and

(v) the Company shall thereupon be constituted the agent of the Golden Shareholder for the sale of the Golden Share in accordance with the provisions of this Sub-Regulation 6.10.

6.11 If any Ordinary Shareholder shall accept the deemed offer by the Golden Shareholder by sending a notice in writing to the Company and the Golden Shareholder as contemplated in paragraph (iv) of Sub-Regulation 6.10, such Ordinary Shareholder shall no later than 10 Business Days after such notice pay the sum of US$1.00 to the Golden Shareholder by delivering to the Company at the office of its registered agent for the time being a cheque or money order in the amount of US$1.00 payable to the Golden Shareholder. Promptly on such delivery of such cheque or money order, the chairman of the Company (or, failing him, one of the other directors, or some other person nominated by a resolution of the Board) shall:

(a) as agent on behalf of the Golden Shareholder, complete, execute and deliver in the name of the Golden Shareholder all documents necessary to give effect to the transfer of the Golden Share from the Golden Shareholder to such Ordinary Shareholder, and

(b) enter such Ordinary Shareholder in the register of members as the holder of the Golden Share.

6.12 If the Golden Shareholder, at any time during the Pre-emption Period, shall:

(a) pay or procure the payment of the Transfer Price into the Account and (without double-counting) each Sister Company Transfer Price into the relevant Sister Company Account; and

(b) serve on the Company and the Seller:

(i) a notice ("**Pre-emption Notice**") that the Golden Shareholder wishes to acquire the Sale Shares at the Transfer Price and setting out the name of the proposed transferee (the "**GS Transferee**"), together with evidence in writing that the Transfer Price has been unconditionally credited to the Account; and

(ii) copies of 'Pre-emption Notices' (as therein defined) in accordance with the Articles of Association of the Sister Companies, in respect of all the Sister Companies, given contemporaneously with the Pre-emption Notice together with evidence in writing that (without double-counting) each Sister Company Transfer Price has been unconditionally credited to the relevant Sister Company Account,

the Seller shall, against receipt of the Transfer Price into the Account and (without double-counting) each Sister Company Transfer Price into the relevant Sister Company Account, execute and deliver a transfer of the Sale Shares in favour of the GS Transferee. If the Golden Shareholder shall have satisfied the requirements of paragraphs (a) and (b) above but the Seller shall fail to execute and deliver a transfer of the Sale Shares in favour of the GS Transferee, the chairman of the Company (or, failing him, one of the other directors, or some other person nominated by a resolution of the Board) shall:

(1) as agent on behalf of the Seller, complete, execute and deliver in the name of the Seller all documents necessary to give effect to the transfer of the Sale Shares from the Seller to the GS Transferee; and

(2) enter the GS Transferee in the register of members as the holder of the Sale Shares.

6.13 If the Golden Shareholder has paid or procured the payment of the GS Purchase Price into the Account in accordance with Sub-Regulation 6.8(b) or the Transfer Price into the Account in accordance with Sub-Regulation 6.12(a), the Golden Shareholder shall not be obliged to concern itself with the distribution of the GS Purchase Price or, as the case may be, the Transfer Price.

6.14 Save in respect of a transfer to an Ordinary Shareholder as contemplated in Sub-Regulations 6.10, 6.11, 6.15 and 6.16, the Golden Share may be transferred only with the prior written consent of all the holders for the time being of the Ordinary Shares.

6.15 If the Golden Shareholder shall at any time give to the Company a notice (a "**GS Cessation Notice**") in accordance with Sub-Regulation 6.2(a) (directing that the provisions of Sub-Regulations 6.2 to 6.13 inclusive (and applicable defined terms and/or definitions) shall cease to apply for all purposes), then on and with effect from the Company's receipt of the GS Cessation Notice:

(a) the provisions of Sub-Regulations 6.2 to 6.13 inclusive (and applicable defined terms and/or definitions) shall cease to apply, save as provided in paragraph (d) below;

(b) any transfer of any Ordinary Share shall be effected by the delivery to the Company at the office of its registered agent of a written instrument of transfer signed by the transferor and containing the name and address of the transferee;

(c) the Golden Share shall become immediately redeemable at par at the option of the Company; and

(d) the Golden Shareholder will be deemed to have offered to sell the Golden Share for US$1.00 to the Ordinary Shareholders, and the provisions of paragraphs (iv) and (v) of Sub-Regulation 6.10 and Sub-Regulation 6.11 shall apply *mutatis mutandis*.

6.16 If a GS Insolvency Event shall occur or if the Golden Shareholder shall have failed to discharge its obligations under Sub-Regulation 6.8(b) on the GS Completion Date, then:

(a) the Golden Share shall become immediately redeemable at par at the option of the Company; and

(b) the Golden Shareholder will be deemed to have offered to sell the Golden Share for US$1.00 to the Ordinary Shareholders, and the provisions of paragraphs (iv) and (v) of Sub-Regulation 6.10 and Sub-Regulation 6.11 shall apply *mutatis mutandis*.

6.17 Subject to the provisions of this Regulation 6, Shares may be transferred by a written instrument of transfer signed by the transferor and containing the name and address of the transferee, which shall be sent to the Company at the office of its registered agent for registration.

6.18 No transfer of an Ordinary Share or the Golden Share may be effected other than in accordance with this Regulation 6 and the Company shall not (and no director of the Company shall, nor shall any director of the Company purport to) enter the name of any transferee of any Ordinary Shares or the Golden Share onto the register of members of the Company unless such transfer is undertaken in accordance with this Regulation 6.

6.19 The transfer of a Share is effective when the name of the transferee is entered on the register of members.

6.20 Subject to the Memorandum and this Regulation 6, the personal representative of a deceased Shareholder may transfer a Share even though the personal representative is not a Shareholder at the time of the transfer.

## 7. MEETINGS AND CONSENTS OF SHAREHOLDERS

7.1 Any director of the Company may convene meetings of the Shareholders at such times and in such manner and places within or outside the British Virgin Islands as the director considers necessary or desirable.

7.2 Upon the written request of Shareholders entitled to exercise 30 per cent or more of the voting rights in respect of the matter for which the meeting is requested the directors shall convene a meeting of Shareholders.

7.3 The director convening a meeting shall give not less than 7 days' notice of a meeting of Shareholders to:

(a) those Shareholders whose names on the date the notice is given appear as Shareholders in the register of members of the Company and are entitled to vote at the meeting; and

(b) the other directors.

7.4 The director convening a meeting of Shareholders may fix as the record date for determining those Shareholders that are entitled to vote at the meeting the date notice is given of the meeting, or such other date as may be specified in the notice, being a date not earlier than the date of the notice.

7.5 A meeting of Shareholders held in contravention of the requirement to give notice is valid if Shareholders holding at least 90 per cent of the total voting rights on all the matters to be considered at the meeting have waived notice of the meeting and, for this purpose, the presence of a Shareholder at the meeting shall constitute waiver in relation to all the Shares which that Shareholder holds.

7.6 The inadvertent failure of a director who convenes a meeting to give notice of a meeting to a Shareholder or another director, or the fact that a Shareholder or another director has not received notice, does not invalidate the meeting.

7.7 A Shareholder may be represented at a meeting of Shareholders by a proxy who may speak and vote on behalf of the Shareholder.

7.8 The instrument appointing a proxy shall be produced at the place designated for the meeting before the time for holding the meeting at which the person named in such instrument proposes to vote. The notice of the meeting may specify an alternative or additional place or time at which the proxy shall be presented.

7.9 The instrument appointing a proxy shall be in substantially the following form or such other form as the chairman of the meeting shall accept as properly evidencing the wishes of the Shareholder appointing the proxy.

[Name of Company]

I/We being a Shareholder of the above Company HEREBY APPOINT ______________________ of _____________ or failing him _______________ of __________________ to be my/our proxy to vote for me/us at the meeting of Shareholders to be held on the _____ day of ____________, 20___ and at any adjournment thereof.

(Any restrictions on voting to be inserted here.)

Signed this _____ day of _____________, 20___

_____________________________________________________
Shareholder

7.10 The following applies where Shares are jointly owned:

(a) if two or more persons hold Shares jointly each of them may be present in person or by proxy at a meeting of Shareholders and may speak as a Shareholder;

(b) if only one of the joint owners is present in person or by proxy he may vote on behalf of all joint owners; and

(c) if two or more of the joint owners are present in person or by proxy they must vote as one.

7.11 A Shareholder shall be deemed to be present at a meeting of Shareholders if he participates by telephone or other electronic means and all Shareholders participating in the meeting are able to hear each other.

7.12 A meeting of Shareholders is duly constituted if, at the commencement of the meeting, there are present in person or by proxy not less than 50 per cent of the votes of the Shares or class or series of Shares entitled to vote on Resolutions of Shareholders to be considered at the meeting. A quorum may comprise a single Shareholder or proxy and then such person may pass a Resolution of Shareholders and a certificate signed by such person accompanied where such person be a proxy by a copy of the proxy instrument shall constitute a valid Resolution of Shareholders.

7.13 If within two hours from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of Shareholders, shall be dissolved; in any other case it shall stand adjourned to the next business day in the jurisdiction in which the meeting was to have been held at the same time and place or to such other time and place as the directors may determine, and if at the adjourned meeting there are present within one hour from the time appointed for the meeting in person or by proxy not less than one third of the votes of the Shares or each class or series of Shares entitled to vote on the matters to be considered by the meeting, those present shall constitute a quorum but otherwise the meeting shall be dissolved.

7.14 At every meeting of Shareholders, the Chairman of the Board shall preside as chairman of the meeting. If there is no Chairman of the Board or if the Chairman of the Board is not present at the meeting, the Shareholders present shall choose one of their number to be the chairman. If the Shareholders are unable to choose a chairman for any reason, then the person representing the greatest number of voting Shares present in person or by proxy at the meeting shall preside as chairman failing which the oldest individual Shareholder or representative of a Shareholder present shall take the chair.

7.15 The chairman may, with the consent of the meeting, adjourn any meeting from time to time, and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

7.16 At any meeting of the Shareholders the chairman is responsible for deciding in such manner as he considers appropriate whether any resolution proposed has been carried or not and the result of his decision shall be announced to the meeting and recorded in the minutes of the meeting. If the chairman has any doubt as to the outcome of the vote on a proposed resolution, he shall cause a poll to be taken of all votes cast upon such resolution. If the chairman fails to take a poll then any Shareholder present in person or by proxy who disputes the announcement by the chairman of the result of any vote may immediately following such announcement demand that a poll be taken and the chairman shall cause a poll to be taken. If a poll is taken at any meeting, the result shall be announced to the meeting and recorded in the minutes of the meeting.

7.17 Subject to the specific provisions contained in this Regulation for the appointment of representatives of Eligible Persons other than individuals the right of any individual to speak for or represent a Shareholder shall be determined by the law of the jurisdiction where, and by the documents by which, the Eligible Person is constituted or derives its existence. In case of doubt, the directors may in good faith seek legal advice from any qualified person and unless and until a court of competent jurisdiction shall otherwise rule, the directors may rely and act upon such advice without incurring any liability to any Shareholder or the Company.

7.18 Any Eligible Person other than an individual which is a Shareholder may by resolution of its directors or other governing body authorise such individual as it thinks fit to act as its representative at any meeting of Shareholders or of any class of Shareholders, and the individual so authorised shall be entitled to exercise the same rights on behalf of the Eligible Person which he represents as that Eligible Person could exercise if it were an individual.

7.19 The chairman of any meeting at which a vote is cast by proxy or on behalf of any Eligible Person other than an individual may call for a notarially certified copy of such proxy or authority which shall be produced within 7 days of being so requested or the votes cast by such proxy or on behalf of such Eligible Person shall be disregarded.

7.20 Directors of the Company may attend and speak at any meeting of Shareholders and at any separate meeting of the holders of any class or series of Shares.

7.21 An action that may be taken by the Shareholders at a meeting may also be taken by a Resolution of Shareholders consented to in writing, without the need for any notice, but if any Resolution of Shareholders is adopted otherwise than by the unanimous written consent of all Shareholders, a copy of such resolution shall forthwith be sent to all Shareholders not consenting to such resolution. The consent may be in the form of counterparts, each counterpart being signed by one or more Shareholders. If the consent is in one or more counterparts, and the counterparts bear different dates, then the resolution shall take effect on the earliest date upon which Eligible Persons holding a sufficient number of votes of Shares to constitute a Resolution of Shareholders have consented to the resolution by signed counterparts.

8. **DIRECTORS**

8.1 The first directors of the Company shall be appointed by the first registered agent within 6 months of the date of incorporation of the Company; and thereafter, the directors shall be elected by Resolution of Shareholders or by Resolution of Directors for such term as the Shareholders or directors determine.

8.2 No person shall be appointed as a director of the Company unless he has consented in writing to act as a director.

8.3 The minimum number of directors shall be one and the maximum number shall be 12. The Shareholders and the directors shall be entitled to appoint a maximum of 12 directors.

8.4 Each director holds office for the term, if any, fixed by the Resolution of Shareholders or Resolution of Directors appointing him, or until his earlier death, resignation or removal. If no term is fixed on the appointment of a director, the director serves indefinitely until his earlier death, resignation or removal.

8.5 A director may be removed from office,

(a) with or without cause, by a Resolution of Shareholders passed at a meeting of Shareholders called for the purposes of removing the director or for purposes including the removal of the director or by a written resolution passed by a least seventy five per cent of the Shareholders of the Company entitled to vote; or

(b) with cause, by a Resolution of Directors passed at a meeting of directors called for the purpose of removing the director or for purposes including the removal of the director.

8.6 A director may resign his office by giving written notice of his resignation to the Company and the resignation has effect from the date the notice is received by the Company at the office of its registered agent or from such later date as may be specified in the notice. A director shall resign forthwith as a director if he is, or becomes, disqualified from acting as a director under the Act.

8.7 The directors may at any time appoint any person to be a director either to fill a vacancy or as an addition to the existing directors. Where the directors appoint a person as director to fill a vacancy, the term shall not exceed the term that remained when the person who has ceased to be a director ceased to hold office.

8.8 A vacancy in relation to directors occurs if a director dies or otherwise ceases to hold office prior to the expiration of his term of office.

8.9 The Company shall keep a register of directors containing:

(a) the names and addresses of the persons who are directors of the Company;

(b) the date on which each person whose name is entered in the register was appointed as a director of the Company;

(c) the date on which each person named as a director ceased to be a director of the Company; and

(d) such other information as may be prescribed by the Act.

8.10 The register of directors may be kept in any such form as the directors may approve, but if it is in magnetic, electronic or other data storage form, the Company must be able to produce legible evidence of its contents. Until a Resolution of Directors determining otherwise is passed, the magnetic, electronic or other data storage shall be the original register of directors.

8.11 The directors may, by a Resolution of Directors, fix the emoluments of directors with respect to services to be rendered in any capacity to the Company.

8.12 A director is not required to hold a Share as a qualification to office.

9. **POWERS OF DIRECTORS**

9.1 The business and affairs of the Company shall be managed by, or under the direction or supervision of, the directors of the Company. The directors of the Company have all the powers necessary for managing, and for directing and supervising, the business and affairs of the Company. The directors may pay all expenses incurred preliminary to and in connection with the incorporation of the Company and may exercise all such powers of the Company as are not by the Act or by the Memorandum or the Articles required to be exercised by the Shareholders.

9.2 Each director shall exercise his powers for a proper purpose and shall not act or agree to the Company acting in a manner that contravenes the Memorandum, the Articles or the Act. Each director, in exercising his powers or performing his duties, shall act honestly and in good faith in what the director believes to be the best interests of the Company.

9.3 If the Company is the wholly owned subsidiary of a holding company, a director of the Company may, when exercising powers or performing duties as a director, act in a manner which he believes is in the best interests of the holding company even though it may not be in the best interests of the Company.

9.4 Any director which is a body corporate may appoint any individual as its duly authorised representative for the purpose of representing it at meetings of the directors, with respect to the signing of consents or otherwise.

9.5 The continuing directors may act notwithstanding any vacancy in their body.

9.6 The directors may by Resolution of Directors exercise all the powers of the Company to incur indebtedness, liabilities or obligations and to secure indebtedness, liabilities or obligations whether of the Company or of any third party.

9.7 All cheques, promissory notes, drafts, bills of exchange and other negotiable instruments and all receipts for moneys paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as shall from time to time be determined by Resolution of Directors.

## 10. PROCEEDINGS OF DIRECTORS

10.1 Any one director of the Company may call a meeting of the directors by sending a written notice to each other director.

10.2 The directors of the Company or any committee thereof may meet at such times and in such manner and places within or outside the British Virgin Islands as the directors may determine to be necessary or desirable.

10.3 A director is deemed to be present at a meeting of directors if he participates by telephone or other electronic means and all directors participating in the meeting are able to hear each other.

10.4 A director shall be given not less than 3 days' notice of meetings of directors, but a meeting of directors held without 3 days' notice having been given to all directors shall be valid if all the directors entitled to vote at the meeting who do not attend waive notice of the meeting, and for this purpose the presence of a director at a meeting shall constitute waiver by that director. The inadvertent failure to give notice of a meeting to a director, or the fact that a director has not received the notice, does not invalidate the meeting.

10.5 A director may by a written instrument appoint an alternate who need not be a director and the alternate shall be entitled to attend meetings in the absence of the director who appointed him and to vote or consent in place of the director until the appointment lapses or is terminated.

10.6 A meeting of directors is duly constituted for all purposes if at the commencement of the meeting there are present in person or by alternate not less than one-half of the total number of directors, unless there are only 2 directors in which case the quorum is 2.

10.7 If the Company has only one director the provisions herein contained for meetings of directors do not apply and such sole director has full power to represent and act for the Company in all matters as are not by the Act, the Memorandum or the Articles required to be exercised by the Shareholders. In lieu of minutes of a meeting the sole director shall record in writing and sign a note or memorandum of all matters requiring a Resolution of Directors. Such a note or memorandum constitutes sufficient evidence of such resolution for all purposes.

10.8 At meetings of directors at which the Chairman of the Board is present, he shall preside as chairman of the meeting. If there is no Chairman of the Board or if the Chairman of the Board is not present, the directors present shall choose one of their number to be chairman of the meeting.

10.9 An action that may be taken by the directors or a committee of directors at a meeting may also be taken by a Resolution of Directors or a resolution of a committee of directors consented to in writing by all directors or by all members of the committee, as the case may be, without the need for any notice. The consent may be in the form of counterparts each counterpart being signed by one or more directors. If the consent is in one or more counterparts, and the counterparts bear different dates, then the resolution shall take effect on the date upon which the last director has consented to the resolution by signed counterparts.

## 11. COMMITTEES

11.1 The directors may, by Resolution of Directors, designate one or more committees, each consisting of one or more directors, and delegate one or more of their powers, including the power to affix the Seal, to the committee.

11.2 The directors have no power to delegate to a committee of directors any of the following powers:

(a) to amend the Memorandum or the Articles;

(b) to designate committees of directors;

(c) to delegate powers to a committee of directors;

(d) to appoint directors;

(e) to appoint an agent;

(f) to approve a plan of merger, consolidation or arrangement; or

(g) to make a declaration of solvency or to approve a liquidation plan.

11.3 Sub-Regulation 11.2(b) and 11.2(c) do not prevent a committee of directors, where authorised by the Resolution of Directors appointing such committee or by a subsequent Resolution of Directors, from appointing a sub-committee and delegating powers exercisable by the committee to the sub-committee.

11.4 The meetings and proceedings of each committee of directors consisting of 2 or more directors shall be governed *mutatis mutandis* by the provisions of the Articles regulating the proceedings of directors so far as the same are not superseded by any provisions in the Resolution of Directors establishing the committee.

11.5 Where the directors delegate their powers to a committee of directors they remain responsible for the exercise of that power by the committee, unless they believed on

reasonable grounds at all times before the exercise of the power that the committee would exercise the power in conformity with the duties imposed on directors of the Company under the Act.

## 12. OFFICERS AND AGENTS

12.1 The Company may by Resolution of Directors appoint officers of the Company at such times as may be considered necessary or expedient. Such officers may consist of a Chairman of the Board of Directors, a president and one or more vice-presidents, secretaries and treasurers and such other officers as may from time to time be considered necessary or expedient. Any number of offices may be held by the same person.

12.2 The officers shall perform such duties as are prescribed at the time of their appointment subject to any modification in such duties as may be prescribed thereafter by Resolution of Directors. In the absence of any specific prescription of duties it shall be the responsibility of the Chairman of the Board to preside at meetings of directors and Shareholders, the president to manage the day to day affairs of the Company, the vice-presidents to act in order of seniority in the absence of the president but otherwise to perform such duties as may be delegated to them by the president, the secretaries to maintain the register of members, minute books and records (other than financial records) of the Company and to ensure compliance with all procedural requirements imposed on the Company by applicable law, and the treasurer to be responsible for the financial affairs of the Company.

12.3 The emoluments of all officers shall be fixed by Resolution of Directors.

12.4 The officers of the Company shall hold office until their successors are duly appointed, but any officer elected or appointed by the directors may be removed at any time, with or without cause, by Resolution of Directors. Any vacancy occurring in any office of the Company may be filled by Resolution of Directors.

12.5 The directors may, by a Resolution of Directors, appoint any person, including a person who is a director, to be an agent of the Company. An agent of the Company shall have such powers and authority of the directors, including the power and authority to affix the Seal, as are set forth in the Articles or in the Resolution of Directors appointing the agent, except that no agent has any power or authority with respect to the matters specified in Sub-Regulation 11.2. The Resolution of Directors appointing an agent may authorise the agent to appoint one or more substitutes or delegates to exercise some or all of the powers conferred on the agent by the Company. The directors may remove an agent appointed by the Company and may revoke or vary a power conferred on him.

## 13. CONFLICT OF INTERESTS

13.1 A director of the Company shall, forthwith after becoming aware of the fact that he is interested in a transaction entered into or to be entered into by the Company, disclose the interest to all other directors of the Company.

13.2 For the purposes of Sub-Regulation 13.1, a disclosure to all other directors to the effect that a director is a member, director or officer of another named entity or has a

fiduciary relationship with respect to the entity or a named individual and is to be regarded as interested in any transaction which may, after the date of the entry or disclosure, be entered into with that entity or individual, is a sufficient disclosure of interest in relation to that transaction.

13.3 A director of the Company who is interested in a transaction entered into or to be entered into by the Company may:

(a) vote on a matter relating to the transaction;

(b) attend a meeting of directors at which a matter relating to the transaction arises and be included among the directors present at the meeting for the purposes of a quorum; and

(c) sign a document on behalf of the Company, or do any other thing in his capacity as a director, that relates to the transaction,

and, subject to compliance with the Act shall not, by reason of his office be accountable to the Company for any benefit which he derives from such transaction and no such transaction shall be liable to be avoided on the grounds of any such interest or benefit.

14. **INDEMNIFICATION**

14.1 Subject to the limitations hereinafter provided the Company shall indemnify against all expenses, including legal fees, and against all judgments, fines and amounts paid in settlement and reasonably incurred in connection with legal, administrative or investigative proceedings any person who:

(a) is or was a party or is threatened to be made a party to any threatened, pending or completed proceedings, whether civil, criminal, administrative or investigative, by reason of the fact that the person is or was a director of the Company; or

(b) is or was, at the request of the Company, serving as a director of, or in any other capacity is or was acting for, another company or a partnership, joint venture, trust or other enterprise.

14.2 The indemnity in Sub-Regulation 14.1 only applies if the person acted honestly and in good faith with a view to the best interests of the Company and, in the case of criminal proceedings, the person had no reasonable cause to believe that their conduct was unlawful.

14.3 The decision of the directors as to whether the person acted honestly and in good faith and with a view to the best interests of the Company and as to whether the person had no reasonable cause to believe that his conduct was unlawful is, in the absence of fraud, sufficient for the purposes of the Articles, unless a question of law is involved.

14.4 The termination of any proceedings by any judgment, order, settlement, conviction or the entering of a *nolle prosequi* does not, by itself, create a presumption that the person did not act honestly and in good faith and with a view to the best interests of the Company or that the person had reasonable cause to believe that his conduct was unlawful.

14.5 The Company may purchase and maintain insurance in relation to any person who is or was a director, officer or liquidator of the Company, or who at the request of the Company is or was serving as a director, officer or liquidator of, or in any other capacity is or was acting for, another company or a partnership, joint venture, trust or other enterprise, against any liability asserted against the person and incurred by the person in that capacity, whether or not the Company has or would have had the power to indemnify the person against the liability as provided in the Articles.

## 15. RECORDS

15.1 The Company shall keep the following documents at the office of its registered agent:

(a) the Memorandum and the Articles;

(b) the register of members, or a copy of the register of members;

(c) the register of directors, or a copy of the register of directors; and

15.5 The records kept by the Company under this Regulation shall be in written form or either wholly or partly as electronic records complying with the requirements of the Electronic Transactions Act (No. 5 of 2001).

## 16. REGISTERS OF CHARGES

(e) unless the charge is a security to bearer, the name and address of the holder of the charge; and

(f) details of any prohibition or restriction contained in the instrument creating the charge on the power of the Company to create any future charge ranking in priority to or equally with the charge.

## 17. SEAL

The Company may have more than one Seal and references herein to the Seal shall be references to every Seal which shall have been duly adopted by Resolution of Directors. The directors shall provide for the safe custody of the Seal and for an imprint thereof to be kept at the registered office. 5.1 Shares that are not fully paid on issue are subject to the forfeiture provisions set forth in this Regulation and for this purpose Shares issued for a promissory note or a contract for future services are deemed to be not fully paid.

5.2 A written notice of call specifying the date for payment to be made shall be served on the Shareholder who defaults in making payment in respect of the Shares.

5.3 The written notice of call referred to in Sub-Regulation 5.2 shall name a further date not earlier than the expiration of 14 days from the date of service of the notice on or before which the payment required by the notice is to be made and shall contain a statement that in the event of non-payment at or before the time named in the notice the Shares, or any of them, in respect of which payment is not made will be liable to be forfeited.

5.4 Where a written notice of call has been issued pursuant to Sub-Regulation 5.3 and the requirements of the notice have not been complied with, the directors may, at any time before tender of payment, forfeit and cancel the Shares to which the notice relates.

5.5 The Company is under no obligation to refund any moneys to the Shareholder whose Shares have been cancelled pursuant to Sub-Regulation 5.4 and that Shareholder shall be discharged from any further obligation to the Company.

6. **TRANSFER OF SHARES**

6.1 In this Regulation, reference to the transfer of a Share includes the transfer, assignment or other disposal of a beneficial or other interest in that Share, or the creation of a trust or encumbrance over that Share other than a Share Security Transfer; and reference to a Share includes a beneficial or other interest in that Share.

6.2 Any transfer of shares by a Shareholder shall be subject to the provisions set out in this Regulation 6. Ordinary Shares may be transferred only in accordance with the provisions of Sub-Regulations 6.2 to 6.13 (inclusive) or with the Golden Shareholder's prior written consent. Without prejudice to the foregoing, the Golden Shareholder may:

(a) at any time by notice in writing to the Company direct that the provisions of Sub-Regulations 6.2 to 6.13 inclusive (and applicable defined terms and/or definitions) shall cease to apply for all purposes; and

(b) from to time to time waive by notice in writing to the Company any or all conditions stipulated in any or all of Sub-Regulations 6.2 to 6.13 inclusive, whether generally or otherwise, as may be specified in such notice.

6.3 A holder of Ordinary Shares (the "**Seller**") wishing to transfer its shares (the "**Sale Shares**") must give to the Company and to the Golden Shareholder:

(a) a notice in writing (a "**Transfer Notice**") setting out:

(i) the number of Sale Shares;

(ii) the name of the proposed buyer of the Sale Shares (the "**Buyer**");

(iii) an amount (in US dollars cash) in respect of the consideration proposed to be paid or provided by the Buyer for the Sale Shares at closing of a sale of the Sale Shares (the "**Transfer Price**"); and

(iv) details of the bank account (the "**Account**") into which the Transfer Price (or, as the case may be, the GS Purchase Price) is to be paid,

and incorporating statements:

(A) that either (1) the Transfer Price is not greater than the amount of US dollars cash proposed to be paid within 30 Business Days of the date of such Transfer Notice by the Buyer in respect of a sale of the Sale Shares or (2) the Transfer Price is not greater than the consideration proposed to be paid or provided by the Buyer in respect of a sale of the Sale Shares, determined by the Expert in accordance with the Determination Basis, as stated in the Expert Transfer Statement, and

(B) that either (1) the Buyer proposes to buy the Sale Shares on the basis that on closing of such sale the Subsidiaries of the Company shall be free of any High Yield Note Guarantees granted by such Subsidiaries (to the extent the release of such High Yield Note Guarantees is permitted by the High Yield Note Indenture) or (2) the Buyer proposes to buy the Sale Shares on the basis that on and following closing of such sale the Subsidiaries of the Company shall not be free of any such High Yield Note Guarantees;

(b) if sub-paragraph (A)(2) of paragraph (a) above shall apply, a copy of an Expert Transfer Statement in relation thereto; and

(c) a statement in writing from the Agent of:

(i) the aggregate amount (and the currency or currencies thereof) of the Secured Obligations (the "**Indicative Outstanding Facility Debt Amount**"),

(ii) the aggregate (A) principal amount outstanding under the High Yield Notes and (B) amount of accrued but unpaid interest in respect of the High Yield Notes (the "**Indicative Outstanding High Yield Note Debt Amount**"), and

(iii) the sum of (i) and (ii) above (the Indicative Outstanding Gross Debt Amount),

in each case as at a date not earlier than two Business Days before the date of the Transfer Notice.

6.4 Subject to the terms of any waiver by the Golden Shareholder, as contemplated by and in accordance with Sub-Regulation 6.2, the Seller may sell all (but not some only) of its Shares pursuant to the provisions of this Regulation 6.

6.5 Once given under Sub-Regulation 6.3, a Transfer Notice may not be withdrawn.

6.6 A Transfer Notice constitutes the Company the agent of the Seller for the sale of the Sale Shares in accordance with the provisions of this Regulation 6.

6.7 The Golden Shareholder may, not later than the date (the "**Veto Cut-off Date**") falling 10 Business Days after the date of receipt by the Golden Shareholder of the Transfer Notice and the other documents referred to in Sub-Regulation 6.3, serve on the Company and the Seller a notice (a "**Veto Notice"**). The Veto Notice shall set out:

(a) the name of the proposed transferee (the "**GS Transferee**") of the Sale Shares;

(b) a statement (the "**GS Election**") by the Golden Shareholder that it will purchase the Sale Shares for one of the following (stipulating which of (A), (B) or (C) shall apply):

(A) the Transfer Price, or

(B) an amount equal to the aggregate amount of the Outstanding Facility Debt and the Outstanding High Yield Note Debt as at the GS Completion Date (the "**Gross Debt Amount**"), or

(C) an amount equal to the Outstanding Facility Debt as at the GS Completion Date (the "**Outstanding Facility Debt Amount**"),

(c) a date (the "**GS Completion Date**"), being a date no earlier than two Business Days, and no later than five Business Days, after the Veto Cut-off Date.

The Veto Notice:

(i) once given, may not be withdrawn (except with the consent in writing of all the holders for the time being of the Ordinary Shares, given to the Company and the Golden Shareholder), and

(ii) shall constitute, in favour of the Seller:

(X) if the GS Election shall have stipulated the Transfer Price, the irrevocable undertaking of the Golden Shareholder:

(1) to purchase the Sale Shares for the Transfer Price, and

(2) to pay or procure the payment of the Transfer Price into the Account on the GS Completion Date; or

(Y) if the GS Election shall have stipulated the Gross Debt Amount, the irrevocable undertaking of the Golden Shareholder:

(1) to purchase the Sale Shares for the Gross Debt Amount,

(2) to pay or procure the payment of the Indicative Outstanding Gross Debt Amount into the Account on the GS Completion Date, and

(3) to pay or procure the payment of the Balance Amount into the Account within two Business Days of the Seller giving to the Golden Shareholder and the Company a Balance Statement; or

(Z) if the GS Election shall have stipulated the Outstanding Facility Debt Amount, the irrevocable undertaking of the Golden Shareholder:

(1) to purchase the Sale Shares for the Outstanding Facility Debt Amount,

(2) to pay or procure the payment of the Indicative Outstanding Facility Debt Amount into the Account on the GS Completion Date, and

(3) to pay or procure the payment of the Balance Amount into the Account within two Business Days of the Seller giving to the Golden Shareholder and the Company a Balance Statement.

6.8 If the Golden Shareholder has served a Veto Notice and copies of the other documents referred to in Sub-Regulation 6.7 in accordance with the requirements of Sub-Regulation 6.7 on the Company and the Seller by the Veto Cut-off Date:

(a) the Seller shall, against receipt of the GS Completion Date Payment into the Account, execute and deliver a transfer of the Sale Shares in favour of the GS Transferee; and

(b) the Golden Shareholder shall pay or procure the payment of the GS Completion Date Payment into the Account,

in each case on the GS Completion Date.

6.9 If the Golden Shareholder has discharged its obligations under Sub-Regulation 6.8(b) on the GS Completion Date (and has provided to the Company evidence in writing that the GS Completion Date Payment has been unconditionally credited to the Account on the GS Completion Date) and the Seller fails to comply with Sub-Regulation 6.8(a), the chairman of the Company (or, failing him, one of the other directors, or some other person nominated by a resolution of the Board) shall:

(a) as agent on behalf of the Seller, complete, execute and deliver in the name of the Seller all documents necessary to give effect to the transfer of the Sale Shares from the Seller to the GS Transferee; and

(b) enter the GS Transferee in the register of members as the holder of the Sale Shares.

For the purpose of Sub-Regulation 6.8 and this Sub-Regulation 6.9, the Seller may at any time (other than where the Golden Shareholder has undertaken to purchase the Sale Shares for the Transfer Price) during the period commencing on the Business Day immediately preceding the GS Completion Date and ending 10 Business Days after the GS Completion Date give to the Golden Shareholder and the Company a statement in writing (a “**Balance Statement**”) from the Agent setting out:

(i) if the Golden Shareholder shall have undertaken to purchase the Sale Shares for the Gross Debt Amount, the difference (and the currency or currencies thereof) between (1) the Gross Debt Amount as at the GS Completion Date and (2) the Indicative Outstanding Gross Debt Amount, or

(ii) if the Golden Shareholder shall have undertaken to purchase the Sale Shares for the Outstanding Facility Debt, the difference (and the currency or currencies thereof) between (1) the Outstanding Facility Debt as at the GS Completion Date and (2) the Indicative Outstanding Facility Debt Amount,

such difference, in each case, the "**Balance Amount**".

6.10 If:

(a) the Golden Shareholder has not served a Veto Notice and the other documents referred to in sub-Regulation 6.7 in accordance with the requirements of Sub-Regulation 6.7 on the Company and the Seller by the Veto Cut-off Date; or

(b) the Golden Shareholder has waived in writing its rights under Sub-Regulation 6.7 pursuant to Sub-Regulation 6.2 addressed to the Company and the Ordinary Shareholders,

and the Golden Shareholder shall not have satisfied the conditions set out in Sub-Regulation 6.12(a) and (b) during the Pre-emption Period, then if the Seller, at any time during the Sale Period, delivers to the Company a duly executed instrument of transfer in favour of the Buyer in respect of the Sale Shares together with an Expert Sale Statement (and provides to the Company evidence in writing that the Seller has dispatched to the Golden Shareholder copies of such duly executed instrument of transfer and Expert Sale Statement) and a written notice to the Golden Shareholder stating that all conditions that have been agreed between the Seller and the Buyer as required to be satisfied at or before a transfer of the Sale Shares from the Seller to the Buyer have been satisfied or waived:

(i) the directors of the Company shall enter the Buyer in the register of members of the Company as the holder of the Sale Shares;

(ii) the Golden Shareholder shall have no rights under these Articles (other than under paragraphs (iii) and/or (iv) below);

(iii) the Golden Share shall become immediately redeemable at par at the option of the Company;

(iv) the Golden Shareholder will be deemed to have offered to sell the Golden Share for US$1.00 to the Ordinary Shareholders and any Ordinary Shareholder may, at any time during the period of five years commencing on the date of the delivery to the Company of the above-mentioned duly executed instrument of transfer and Expert Sale Statement, accept such offer by sending a notice in writing to such effect to the Company and the Golden Shareholder; and

(v) the Company shall thereupon be constituted the agent of the Golden Shareholder for the sale of the Golden Share in accordance with the provisions of this Sub-Regulation 6.10.

6.11 If any Ordinary Shareholder shall accept the deemed offer by the Golden Shareholder by sending a notice in writing to the Company and the Golden Shareholder as contemplated in paragraph (iv) of Sub-Regulation 6.10, such Ordinary Shareholder shall no later than 10 Business Days after such notice pay the sum of US$1.00 to the Golden Shareholder by delivering to the Company at the office of its registered agent for the time being a cheque or money order in the amount of US$1.00 payable to the Golden Shareholder. Promptly on such delivery of such cheque or money order, the chairman of the Company (or, failing him, one of the other directors, or some other person nominated by a resolution of the Board) shall:

(a) as agent on behalf of the Golden Shareholder, complete, execute and deliver in the name of the Golden Shareholder all documents necessary to give effect to the transfer of the Golden Share from the Golden Shareholder to such Ordinary Shareholder, and

(b) enter such Ordinary Shareholder in the register of members as the holder of the Golden Share.

6.12 If the Golden Shareholder, at any time during the Pre-emption Period, shall:

(a) pay or procure the payment of the Transfer Price into the Account; and

(b) serve on the Company and the Seller a notice ("**Pre-emption Notice**") that the Golden Shareholder wishes to acquire the Sale Shares at the Transfer Price and setting out the name of the proposed transferee (the "**GS Transferee**"), together with evidence in writing that the Transfer Price has been unconditionally credited to the Account,

the Seller shall, against receipt of the Transfer Price into the Account, execute and deliver a transfer of the Sale Shares in favour of the GS Transferee. If the Golden Shareholder shall have satisfied the requirements of paragraphs (a) and (b) above but the Seller shall fail to execute and deliver a transfer of the Sale Shares in favour of the GS Transferee, the chairman of the Company (or, failing him, one of the other directors, or some other person nominated by a resolution of the Board) shall:

(1) as agent on behalf of the Seller, complete, execute and deliver in the name of the Seller all documents necessary to give effect to the transfer of the Sale Shares from the Seller to the GS Transferee; and

(2) enter the GS Transferee in the register of members as the holder of the Sale Shares.

6.13 If the Golden Shareholder has paid or procured the payment of the GS Purchase Price into the Account in accordance with Sub-Regulation 6.8(b) or the Transfer Price into the Account in accordance with Sub-Regulation 6.12(a), the Golden Shareholder shall not be obliged to concern itself with the distribution of the GS Purchase Price or, as the case may be, the Transfer Price.

6.14 Save in respect of a transfer to an Ordinary Shareholder as contemplated in Sub-Regulations 6.10, 6.11, 6.15 and 6.16, the Golden Share may be transferred only with the prior written consent of all the holders for the time being of the Ordinary Shares.

6.15 If the Golden Shareholder shall at any time give to the Company a notice (a "**GS Cessation Notice**") in accordance with Sub-Regulation 6.2(a) (directing that the provisions of Sub-Regulations 6.2 to 6.13 inclusive (and applicable defined terms and/or definitions) shall cease to apply for all purposes), then on and with effect from the Company's receipt of the GS Cessation Notice:

(a) the provisions of Sub-Regulations 6.2 to 6.13 inclusive (and applicable defined terms and/or definitions) shall cease to apply, save as provided in paragraph (d) below;

(b) any transfer of any Ordinary Share shall be effected by the delivery to the Company at the office of its registered agent of a written instrument of transfer signed by the transferor and containing the name and address of the transferee;

(c) the Golden Share shall become immediately redeemable at par at the option of the Company; and

(d) the Golden Shareholder will be deemed to have offered to sell the Golden Share for US$1.00 to the Ordinary Shareholders, and the provisions of paragraphs (iv) and (v) of Sub-Regulation 6.10 and Sub-Regulation 6.11 shall apply *mutatis mutandis*.

6.16 If a GS Insolvency Event shall occur or if the Golden Shareholder shall have failed to discharge its obligations under Sub-Regulation 6.8(b) on the GS Completion Date, then:

(a) the Golden Share shall become immediately redeemable at par at the option of the Company; and

(b) the Golden Shareholder will be deemed to have offered to sell the Golden Share for US$1.00 to the Ordinary Shareholders, and the provisions of paragraphs (iv) and (v) of Sub-Regulation 6.10 and Sub-Regulation 6.11 shall apply *mutatis mutandis*.

6.17 Subject to the provisions of this Regulation 6, Shares may be transferred by a written instrument of transfer signed by the transferor and containing the name and address of the transferee, which shall be sent to the Company at the office of its registered agent for registration.

6.18 No transfer of an Ordinary Share or the Golden Share may be effected other than in accordance with this Regulation 6 and the Company shall not (and no director of the Company shall, nor shall any director of the Company purport to) enter the name of any transferee of any Ordinary Shares or the Golden Share onto the register of members of the Company unless such transfer is undertaken in accordance with this Regulation 6.

6.19 The transfer of a Share is effective when the name of the transferee is entered on the register of members.

6.20 Subject to the Memorandum and this Regulation 6, the personal representative of a deceased Shareholder may transfer a Share even though the personal representative is not a Shareholder at the time of the transfer.

7. **MEETINGS AND CONSENTS OF SHAREHOLDERS**

7.1 Any director of the Company may convene meetings of the Shareholders at such times and in such manner and places within or outside the British Virgin Islands as the director considers necessary or desirable.

7.2 Upon the written request of Shareholders entitled to exercise 30 per cent or more of the voting rights in respect of the matter for which the meeting is requested the directors shall convene a meeting of Shareholders.

7.3 The director convening a meeting shall give not less than 7 days' notice of a meeting of Shareholders to:

(a) those Shareholders whose names on the date the notice is given appear as Shareholders in the register of members of the Company and are entitled to vote at the meeting; and

(b) the other directors.

7.4 The director convening a meeting of Shareholders may fix as the record date for determining those Shareholders that are entitled to vote at the meeting the date notice is given of the meeting, or such other date as may be specified in the notice, being a date not earlier than the date of the notice.

7.5 A meeting of Shareholders held in contravention of the requirement to give notice is valid if Shareholders holding at least 90 per cent of the total voting rights on all the matters to be considered at the meeting have waived notice of the meeting and, for this purpose, the presence of a Shareholder at the meeting shall constitute waiver in relation to all the Shares which that Shareholder holds.

7.6 The inadvertent failure of a director who convenes a meeting to give notice of a meeting to a Shareholder or another director, or the fact that a Shareholder or another director has not received notice, does not invalidate the meeting.

7.7 A Shareholder may be represented at a meeting of Shareholders by a proxy who may speak and vote on behalf of the Shareholder.

7.8 The instrument appointing a proxy shall be produced at the place designated for the meeting before the time for holding the meeting at which the person named in such instrument proposes to vote. The notice of the meeting may specify an alternative or additional place or time at which the proxy shall be presented.

7.9 The instrument appointing a proxy shall be in substantially the following form or such other form as the chairman of the meeting shall accept as properly evidencing the wishes of the Shareholder appointing the proxy.

Studio City Holdings Two Limited

I/We being a Shareholder of the above Company HEREBY APPOINT __________ of __________ or failing him __________ of __________ to be my/our proxy to vote for me/us at the meeting of Shareholders to be held on the __________ day of __________, 20____ and at any adjournment thereof.

(Any restrictions on voting to be inserted here.)

Signed this __________ day of __________, 20____

______________________

Shareholder

7.10 The following applies where Shares are jointly owned:

(a) if two or more persons hold Shares jointly each of them may be present in person or by proxy at a meeting of Shareholders and may speak as a Shareholder;

(b) if only one of the joint owners is present in person or by proxy he may vote on behalf of all joint owners; and

(c) if two or more of the joint owners are present in person or by proxy they must vote as one.

7.11 A Shareholder shall be deemed to be present at a meeting of Shareholders if he participates by telephone or other electronic means and all Shareholders participating in the meeting are able to hear each other.

7.12 A meeting of Shareholders is duly constituted if, at the commencement of the meeting, there are present in person or by proxy not less than 50 per cent of the votes of the Shares or class or series of Shares entitled to vote on Resolutions of Shareholders to be considered at the meeting. A quorum may comprise a single Shareholder or proxy and then such person may pass a Resolution of Shareholders and a certificate signed by such person accompanied where such person be a proxy by a copy of the proxy instrument shall constitute a valid Resolution of Shareholders.

7.13 If within two hours from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of Shareholders, shall be dissolved; in any other case it shall stand adjourned to the next business day in the jurisdiction in which the meeting was to have been held at the same time and place or to such other time and place as the directors may determine, and if at the adjourned meeting there are present within one hour from the time appointed for the meeting in person or by proxy not less than one third of the votes of the Shares or each class or series of Shares entitled to vote on the matters to be considered by the meeting, those present shall constitute a quorum but otherwise the meeting shall be dissolved.

7.14 At every meeting of Shareholders, the Chairman of the Board shall preside as chairman of the meeting. If there is no Chairman of the Board or if the Chairman of the Board is not present at the meeting, the Shareholders present shall choose one of their number to be the chairman. If the Shareholders are unable to choose a chairman for any reason, then the person representing the greatest number of voting Shares present in person or by proxy at the meeting shall preside as chairman failing which the oldest individual Shareholder or representative of a Shareholder present shall take the chair.

7.15 The chairman may, with the consent of the meeting, adjourn any meeting from time to time, and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

7.16 At any meeting of the Shareholders the chairman is responsible for deciding in such manner as he considers appropriate whether any resolution proposed has been carried or not and the result of his decision shall be announced to the meeting and recorded in the minutes of the meeting. If the chairman has any doubt as to the outcome of the vote on a proposed resolution, he shall cause a poll to be taken of all votes cast upon such resolution. If the chairman fails to take a poll then any Shareholder present in person or by proxy who disputes the announcement by the chairman of the result of any vote may immediately following such announcement demand that a poll be taken and the chairman shall cause a poll to be taken. If a poll is taken at any meeting, the result shall be announced to the meeting and recorded in the minutes of the meeting.

7.17 Subject to the specific provisions contained in this Regulation for the appointment of representatives of Eligible Persons other than individuals the right of any individual to speak for or represent a Shareholder shall be determined by the law of the jurisdiction where, and by the documents by which, the Eligible Person is constituted or derives its existence. In case of doubt, the directors may in good faith seek legal advice from any qualified person and unless and until a court of competent jurisdiction shall otherwise rule, the directors may rely and act upon such advice without incurring any liability to any Shareholder or the Company.

7.18 Any Eligible Person other than an individual which is a Shareholder may by resolution of its directors or other governing body authorise such individual as it thinks fit to act as its representative at any meeting of Shareholders or of any class of Shareholders, and the individual so authorised shall be entitled to exercise the same rights on behalf of the Eligible Person which he represents as that Eligible Person could exercise if it were an individual.

7.19 The chairman of any meeting at which a vote is cast by proxy or on behalf of any Eligible Person other than an individual may call for a notarially certified copy of such proxy or authority which shall be produced within 7 days of being so requested or the votes cast by such proxy or on behalf of such Eligible Person shall be disregarded.

7.20 Directors of the Company may attend and speak at any meeting of Shareholders and at any separate meeting of the holders of any class or series of Shares.

7.21 An action that may be taken by the Shareholders at a meeting may also be taken by a Resolution of Shareholders consented to in writing, without the need for any notice, but if any Resolution of Shareholders is adopted otherwise than by the unanimous written consent of all Shareholders, a copy of such resolution shall forthwith be sent to all Shareholders not consenting to such resolution. The consent may be in the form of counterparts, each counterpart being signed by one or more Shareholders. If the consent is in one or more counterparts, and the counterparts bear different dates, then the resolution shall take effect on the earliest date upon which Eligible Persons holding a sufficient number of votes of Shares to constitute a Resolution of Shareholders have consented to the resolution by signed counterparts.

## 8. DIRECTORS

8.1 The first directors of the Company shall be appointed by the first registered agent within 6 months of the date of incorporation of the Company; and thereafter, the directors shall be elected by Resolution of Shareholders or by Resolution of Directors for such term as the Shareholders or directors determine.

8.2 No person shall be appointed as a director of the Company unless he has consented in writing to act as a director.

8.3 The minimum number of directors shall be one and the maximum number shall be 12. The Shareholders and the directors shall be entitled to appoint a maximum of 12 directors.

8.4 Each director holds office for the term, if any, fixed by the Resolution of Shareholders or Resolution of Directors appointing him, or until his earlier death, resignation or removal. If no term is fixed on the appointment of a director, the director serves indefinitely until his earlier death, resignation or removal.

8.5 A director may be removed from office,

(a) with or without cause, by a Resolution of Shareholders passed at a meeting of Shareholders called for the purposes of removing the director or for purposes including the removal of the director or by a written resolution passed by a least seventy five per cent of the Shareholders of the Company entitled to vote; or

(b) with cause, by a Resolution of Directors passed at a meeting of directors called for the purpose of removing the director or for purposes including the removal of the director.

8.6 A director may resign his office by giving written notice of his resignation to the Company and the resignation has effect from the date the notice is received by the Company at the office of its registered agent or from such later date as may be specified in the notice. A director shall resign forthwith as a director if he is, or becomes, disqualified from acting as a director under the Act.

8.7 The directors may at any time appoint any person to be a director either to fill a vacancy or as an addition to the existing directors. Where the directors appoint a person as director to fill a vacancy, the term shall not exceed the term that remained when the person who has ceased to be a director ceased to hold office.

8.8 A vacancy in relation to directors occurs if a director dies or otherwise ceases to hold office prior to the expiration of his term of office.

8.9 The Company shall keep a register of directors containing:

(a) the names and addresses of the persons who are directors of the Company;

(b) the date on which each person whose name is entered in the register was appointed as a director of the Company;

(c) the date on which each person named as a director ceased to be a director of the Company; and

(d) such other information as may be prescribed by the Act.

8.10 The register of directors may be kept in any such form as the directors may approve, but if it is in magnetic, electronic or other data storage form, the Company must be able to produce legible evidence of its contents. Until a Resolution of Directors determining otherwise is passed, the magnetic, electronic or other data storage shall be the original register of directors.

8.11 The directors may, by a Resolution of Directors, fix the emoluments of directors with respect to services to be rendered in any capacity to the Company.

8.12 A director is not required to hold a Share as a qualification to office.

## 9. POWERS OF DIRECTORS

9.1 The business and affairs of the Company shall be managed by, or under the direction or supervision of, the directors of the Company. The directors of the Company have all the powers necessary for managing, and for directing and supervising, the business and affairs of the Company. The directors may pay all expenses incurred preliminary to and in connection with the incorporation of the Company and may exercise all such powers of the Company as are not by the Act or by the Memorandum or the Articles required to be exercised by the Shareholders.

9.2 Each director shall exercise his powers for a proper purpose and shall not act or agree to the Company acting in a manner that contravenes the Memorandum, the Articles or the Act. Each director, in exercising his powers or performing his duties, shall act honestly and in good faith in what the director believes to be the best interests of the Company.

9.3 If the Company is the wholly owned subsidiary of a holding company, a director of the Company may, when exercising powers or performing duties as a director, act in a manner which he believes is in the best interests of the holding company even though it may not be in the best interests of the Company.

9.4 Any director which is a body corporate may appoint any individual as its duly authorised representative for the purpose of representing it at meetings of the directors, with respect to the signing of consents or otherwise.

9.5 The continuing directors may act notwithstanding any vacancy in their body.

9.6 The directors may by Resolution of Directors exercise all the powers of the Company to incur indebtedness, liabilities or obligations and to secure indebtedness, liabilities or obligations whether of the Company or of any third party.

9.7 All cheques, promissory notes, drafts, bills of exchange and other negotiable instruments and all receipts for moneys paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as shall from time to time be determined by Resolution of Directors.

## 10. **PROCEEDINGS OF DIRECTORS**

10.1 Any one director of the Company may call a meeting of the directors by sending a written notice to each other director.

10.2 The directors of the Company or any committee thereof may meet at such times and in such manner and places within or outside the British Virgin Islands as the directors may determine to be necessary or desirable.

10.3 A director is deemed to be present at a meeting of directors if he participates by telephone or other electronic means and all directors participating in the meeting are able to hear each other.

10.4 A director shall be given not less than 3 days’ notice of meetings of directors, but a meeting of directors held without 3 days’ notice having been given to all directors shall be valid if all the directors entitled to vote at the meeting who do not attend waive notice of the meeting, and for this purpose the presence of a director at a meeting shall constitute waiver by that director. The inadvertent failure to give notice of a meeting to a director, or the fact that a director has not received the notice, does not invalidate the meeting.

10.5 A director may by a written instrument appoint an alternate who need not be a director and the alternate shall be entitled to attend meetings in the absence of the director who appointed him and to vote or consent in place of the director until the appointment lapses or is terminated.

10.6 A meeting of directors is duly constituted for all purposes if at the commencement of the meeting there are present in person or by alternate not less than one-half of the total number of directors, unless there are only 2 directors in which case the quorum is 2.

10.7 If the Company has only one director the provisions herein contained for meetings of directors do not apply and such sole director has full power to represent and act for the Company in all matters as are not by the Act, the Memorandum or the Articles required to be exercised by the Shareholders. In lieu of minutes of a meeting the sole director shall record in writing and sign a note or memorandum of all matters requiring a Resolution of Directors. Such a note or memorandum constitutes sufficient evidence of such resolution for all purposes.

10.8 At meetings of directors at which the Chairman of the Board is present, he shall preside as chairman of the meeting. If there is no Chairman of the Board or if the Chairman of the Board is not present, the directors present shall choose one of their number to be chairman of the meeting.

10.9 An action that may be taken by the directors or a committee of directors at a meeting may also be taken by a Resolution of Directors or a resolution of a committee of directors consented to in writing by all directors or by all members of the committee, as the case may be, without the need for any notice. The consent may be in the form of counterparts each counterpart being signed by one or more directors. If the consent is in one or more counterparts, and the counterparts bear different dates, then the resolution shall take effect on the date upon which the last director has consented to the resolution by signed counterparts.

## 11. COMMITTEES

11.1 The directors may, by Resolution of Directors, designate one or more committees, each consisting of one or more directors, and delegate one or more of their powers, including the power to affix the Seal, to the committee.

11.2 The directors have no power to delegate to a committee of directors any of the following powers:

(a) to amend the Memorandum or the Articles;

(b) to designate committees of directors;

20.1 **Appointment and Powers**

The Chargor hereby by way of security irrevocably appoints the Security Agent and any Receiver severally to be its attorney and in its name, on its behalf and as its act and deed, at any time after a Special Enforcement Notice has been delivered to the Chargor, to execute, deliver and perfect all documents and do all things which the attorney may consider to be required or desirable for:

20.1.1 carrying out any obligation imposed on the Chargor by this Debenture or any other agreement relating to the Charged Property to which the Chargor and the Security Agent are party (including, where the Chargor has failed to do so, the execution and delivery of any deeds, charges, assignments or other security and any transfers of the Charged Property);

20.1.2 enabling the Security Agent and any Receiver to exercise, or delegate the exercise of, any of the rights, powers and authorities conferred on them by or pursuant to this Debenture or by law (including, after the delivery of a Special Enforcement Notice, the exercise of any right of a legal or beneficial owner of the Charged Property).

20.2 **Ratification**

21. **EFFECTIVENESS OF SECURITY**

21.1 **Continuing Security**

21.1.1 The Security created by or pursuant to this Debenture shall remain in full force and effect as a continuing security for the Secured Obligations unless and until released or discharged in full by the Security Agent in accordance with Clause 22 (Release of Security).

21.1.2 No part of the security from time to time intended to be constituted by the Debenture will be considered satisfied or discharged by any intermediate payment, discharge or satisfaction of the whole or any part of the Secured Obligations.

21.2 **Cumulative Rights**

The security created by or pursuant to this Debenture and the Collateral Rights shall be cumulative, in addition to and independent of every other security which the Security Agent or any Secured Party may at any time hold for the Secured Obligations or any other obligations or any rights, powers and remedies provided by law. No prior security held by the Security Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties over the whole or any part of the Charged Property shall merge into the security constituted by this Debenture.

21.3 **No Prejudice**

The security created by or pursuant to this Debenture and the Collateral Rights shall not be prejudiced by any unenforceability or invalidity of any other agreement or document or by any time or indulgence granted to the Chargor or any other person, or the Security Agent (whether in its capacity as security agent, trustee or otherwise) or any of the other Secured Parties or by any variation of the terms of the trust upon which the Security Agent holds the security or by any other thing which might otherwise prejudice that security or any Collateral Right.

21.4 **Remedies and Waivers**

No failure on the part of the Security Agent to exercise, or any delay on its part in exercising, any Collateral Right shall operate as a waiver of that Collateral Right or constitute an election to affirm this Debenture. No single or partial exercise of any Collateral Right shall preclude any further or other exercise of that or any other Collateral Right.

21.5 **Implied Covenants for Title**

(a) The covenants set out in Sections 3(1), 3(2) and 6(2) of the Law of Property (Miscellaneous Provisions) Act 1994 will not extend to Clause 3 (*Fixed Charges and Floating Charge*).

(b) It shall be implied in respect of Clause 3 (*Fixed Charges and Floating Charge*) that the Chargor is charging the Charged Property free from all charges and encumbrances (whether monetary or not) and from all other rights exercisable by third parties (including liabilities imposed and rights conferred by or under any enactment).

21.6 **Waiver of defences**

The obligations of the Chargor under this Debenture and the Collateral Rights will not be affected by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Debenture (without limitation and whether or not known to it or any Secured Party) including:

21.6.1 any time, waiver or consent granted to, or composition with, any Obligor or other person;

21.6.2 the release of any Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

21.6.3 the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or Security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any Security;

21.6.4 any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any Obligor or any other person;

21.6.5 any amendment, novation, supplement, extension (whether of maturity or otherwise) or restatement (in each case however fundamental and of whatsoever nature, and whether or not more onerous) or replacement of a Finance Document or any other document or Security or of the Secured Obligations;

21.6.6 any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or Security or of the Secured Obligations; or

21.6.7 any insolvency or similar proceedings.

21.7 **Immediate recourse**

The Chargor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from the Chargor under this Debenture. This waiver applies irrespective of any law or any provision of this Debenture to the contrary.

21.8 **Deferral of Rights**

Until the Secured Obligations have been irrevocably paid or discharged in full and unless the Security Agent (acting on the instructions of the Agent) otherwise directs, the Chargor will not exercise any rights which it may have by reason of performance by it of its obligations under this Debenture:

(a) to be indemnified by any Obligor;

(b) to claim any contribution from any guarantor of any Obligor's obligations under this Debenture;

(c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of any Secured Party under this Debenture or of any other guarantee or Security taken pursuant to, or in connection with, this Debenture;

(d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Obligor has given any guarantee, undertaking, indemnity or covenant to pay under any Finance Document;

(e) to exercise any right of set-off against any Obligor; and/or

(f) to claim or prove as a creditor of any Obligor in competition with any Secured Party.

If the Chargor that receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Security Agent and the Secured Parties by the Obligors under or in connection with the Finance Documents to be repaid in full on trust for the Security Agent and the Secured Parties and shall promptly pay or transfer the same to the Security Agent or as it may direct for application in accordance with clause 37 (*Application of Proceeds*) of the Facilities Agreement.

21.9 **Avoidance of Payments**

If any amount paid or credited to any Finance Party pursuant to the Finance Documents is capable of being avoided or reduced by virtue of any bankruptcy, insolvency, liquidation or similar laws the liability of the Chargor under this Debenture and the security constituted by this Debenture shall continue and such amount shall not be considered to have been irrevocably paid.

21.10 **Chargor's intent**

Without prejudice to the generality of Clause 21.6 (*Waiver of defences*), the Chargor expressly confirms that it intends that this Debenture and the Security created hereunder shall remain in full force and effect in case of any (however fundamental and of whatsoever nature and whether or not more onerous) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for or in connection with any purpose whatsoever, including without limitation, any of the following: any amendment or waiver contemplated under a Fee Letter, any Project expansion; acquisitions of any nature; increasing working capital; enabling dividends or distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and expenses associated with any of the foregoing. In the event of any such variation, increase, extension or addition the Chargor shall (if requested by the Security Agent) enter into an agreement (in such form as the Security Agent reasonably requires) with the Security Agent confirming that the Security created hereunder remains in full force and effect.

21.11 **Turnover trust**

The Chargor shall not accept or permit to subsist any collateral from any person in respect of any rights (if any) the Chargor may have arising out of this Debenture (except through operation of law). If, despite this provision, any such collateral shall be accepted or subsisting (whether through the mandatory operation of law or otherwise), the Chargor acknowledges that the Chargor's rights under and in respect of such collateral shall be held on trust for the Security Agent and the Secured Parties, to the extent necessary to enable all amounts which may be or become payable to the Security Agent and the Secured Parties by the Obligors under or in connection with

the Finance Documents to be repaid in full, and the Chargor shall if requested promptly transfer the same to the Security Agent or as it may direct for application in accordance with clause 37 (*Application of Proceeds*) of the Facilities Agreement.

## 22. RELEASE OF SECURITY

At the request and cost of the Chargor, the Security Agent shall promptly and without undue delay release all or part (as the case may be) of the Security constituted by this Debenture on the earliest of:

(a) the first date on which no Secured Obligations are outstanding, in accordance with clause 29.23 (*Winding up of trust*) of the Facilities Agreement; and

(b) a transfer of the Share in accordance with clause 13.7 (*Transfers by Golden Shareholder*) of the Services and Right to Use Direct Agreement shall have occurred,

**provided that**, for the avoidance of doubt, (in each case) the conditions to the release of such Security set out in the relevant clause (as the case may be) referred to in paragraphs (a) or (b) above have been satisfied.

## 23. OTHER SECURITY INTERESTS

23.1 In the event of any action, proceeding or step being taken to exercise any powers or remedies conferred by any prior ranking Security against any of the Charged Property or in case of exercise by the Security Agent or any Receiver of any power of sale under this Debenture, the Security Agent may redeem such prior Security or procure the transfer thereof to itself.

23.2 The Security Agent may settle and agree the accounts of the prior Security and any accounts so settled and agreed will be conclusive and binding on the Chargor.

23.3 All principal monies, interest, costs, charges and expenses of and incidental to any redemption or transfer will be paid by the Chargor to the Security Agent within five Business Days of demand, together with accrued interest thereon from the time or respective times of the same having been paid or incurred until payment thereof (after as well as before judgment) calculated in accordance with clause 12.3 (Default interest) of the Facilities Agreement.

23.4 If the Security Agent (acting in its capacity as security agent, trustee or otherwise) or any of the other Secured Parties at any time receives or is deemed to have received notice of any subsequent Security affecting all or any part of the Charged Property or any assignment or transfer of the Charged Property which is prohibited by the terms of any Finance Document, all payments thereafter by or on behalf of the Chargor to the Security Agent (whether in its capacity as security agent, trustee or otherwise) or any of the other Secured Parties shall be treated as having been credited to a new account of the Chargor and not as having been applied in reduction of the Secured Obligations as at the time when the Security Agent received such notice.

## 24. CURRENCY CONVERSION AND INDEMNITIES

24.1 For the purpose of or pending the discharge of any of the Secured Obligations the Security Agent may convert any monies received or recovered by the Security Agent from one currency to another at the spot rate at which the Security Agent is able to purchase the currency in which the Secured Obligations are due with the amount received or recovered.

24.2 Subject to the requirements of any applicable law, the obligations of the Chargor to pay in the due currency shall only be satisfied to the extent of the amount of the due currency purchased after deducting the costs of conversion.

24.3 If any sum (a "**Sum**") due from the Chargor under this Debenture or any order, judgment or award given or made in relation to a Sum has to be converted from the currency (the "**First Currency**") in which that Sum is payable into another currency (the "**Second Currency**") for the purpose of:

24.3.1 making or filing a claim or proof against the Chargor;

24.3.2 obtaining or enforcing an order, judgment or award in relation to any litigation or arbitration proceedings; or

24.3.3 applying the Sum in satisfaction of any of the Secured Obligations,

the Chargor shall, shall as an independent obligation, within five (5) Business Days of demand, indemnify each Secured Party to whom such Sum is due from and against any loss suffered or incurred as a result of any discrepancy between (a) the rate of exchange used for such purpose to convert such Sum from the First Currency into the Second Currency and (b) the rate or rates of exchange available to that person at the time of such receipt of that Sum.

## 25. CHANGES TO PARTIES

25.1 The Chargor may not assign or transfer any or all of its rights (if any) and/or obligations under this Debenture.

25.2 The Security Agent may:

25.2.1 assign all or any of its rights under this Debenture; and

25.2.2 transfer all or any of its obligations (if any) under this Debenture,

to any successor Security Agent in accordance with the provisions of the Facilities Agreement, **provided that** it is acknowledged that such assignment or transfer shall not in any way prejudice the priority of the security constituted by this Debenture (which shall be assigned to such successor Security Agent pursuant to the terms of the Facilities Agreement). Upon such assignment or transfer taking effect, the successor Security Agent shall be and be deemed to be acting as agent and security trustee for the Secured Parties for the purposes of this Debenture and in place of the former Security Agent.

25.3 Subject to the relevant provisions of the Finance Documents, each Secured Party may assign all or any of its rights under this Debenture (whether direct or indirect) in accordance with the provisions of the Finance Documents. It is acknowledged that none of the Secured Parties has or shall have any obligation under this Debenture.

25.4 The Chargor irrevocably and unconditionally confirms that:

(a) it consents to any assignment or transfer by any Secured Party of its rights and/or obligations made in accordance with the provisions of the Finance Documents;

(b) it shall continue to be bound by the terms of this Debenture, notwithstanding any such assignment or transfer; and

(c) the assignee or transferee of such Secured Party shall acquire an interest in this Debenture upon such assignment or transfer taking effect.

## 26. NOTICES

Clause 39 (*Notices*) of the Facilities Agreement shall apply to all notices, consents and other communications under this Debenture.

### 28.2 Delegation

Each of the Security Agent and any Receiver shall have full power to delegate (either generally or specifically) the powers, authorities and discretions conferred on it by this Debenture on such terms and conditions as it shall see fit which delegation shall not preclude either the subsequent exercise of such power, authority or discretion by the Security Agent or the Receiver itself or any subsequent delegation or revocation thereof or thereunder.

without being under any duty to ensure that any dividends, distributions or other monies payable or receivable in respect of the same are duly and promptly paid or received by it or to verify that the correct amounts are paid or received.

6.3 The Pledgor undertakes to the Security Agent (for and on behalf of the Secured Parties) at all times during the subsistence of this Agreement that it shall not exercise the voting and other rights pertaining to its Pledged Share in any mannerthat is not permitted by the terms of this Agreement or the Services and Right to Use Direct Agreement

## 9. UNDERTAKINGS OF THE PLEDGOR

Except as required or permitted under this Agreement or the Services and Right to Use Direct Agreement, the Pledgor hereby undertakes with the Security Agent (for and on behalf of the Secured Parties) that at all times during the subsistence of this Agreement, it shall:

(a) ensure that it is and shall remain the sole legal owner of the Pledged Share (other than in the circumstances of any transfer or disposal of the Share permitted by and made by the Pledgor in accordance with the Services and Right to Use Direct Agreement) free from any Security (other than Permitted Security);

and

(b) promptly notify the Security Agent in writing of the occurrence of any event or the receipt by it of any notice of any event that could reasonably be expected to prejudice materially the validity or effectiveness of the Pledge or the ability of the Security Agent to enforce the Pledge and realise the Pledged Share (except to the extent that such notification has already been delivered to the Security Agent by any Obligor).

## 10. ENFORCEMENT CONDITIONS

The Security Agent may only proceed to enforce the Pledge after the Security Agent has delivered a Special Enforcement Notice to the Pledgor and the Security Agent may not deliver a Special Enforcement Notice to the Pledgor unless:

(a) the conditions which are required to be satisfied in order for the Security Agent to be entitled to deliver an Enforcement Notice to any Obligor or Grantor shall be satisfied; and

(i) an Insolvency Event shall have occurred in respect of the Pledgor, or

(ii) either of the circumstances or events described in paragraph (c) of the definition of “Sponsor Option Termination Event” in Clause 1.1 of the Services and Right to Use Direct Agreement shall have occurred.

11. **ENFORCEMENT**

11.1 If the Security Agent has delivered a Special Enforcement Notice to the Pledgor the Security created by or pursuant to this Agreement will become immediately enforceable and the Security Agent shall be entitled to:

(a) sell the Pledged Share of the Pledgor through pledge enforcement judicial proceedings, in which case the Pledgor and the Company hereby irrevocably:

(i) consent to a sale by private negotiation or by auction to be conducted within the judicial proceedings;

(ii) undertake, if so requested by the Security Agent, to apply to the court for such sale by private negotiation or by auction and to indicate to the court that the negotiation or the auction be carried out by such entity as the Security Agent may indicate; and

(iii) accept that the above consent and undertaking shall constitute and may be used in court as evidence of its willingness to have such sale by private negotiation or by auction conducted within the judicial proceedings by the entity indicated by the Security Agent; or

(b) have the Pledged Share assigned to the Security Agent for a price determined by the court; or

(c) to the extent permitted by law and subject to Clause 11.3 below, sell or otherwise dispose of all the Pledged Share outside any judicial proceedings, by way of private negotiation or auction or otherwise at the times, in the manner and on the terms as the Security Agent may think fit.

11.2 In the event of a sale or other disposal of the Pledged Share outside any judicial proceedings as permitted by law, the Security Agent shall incur no liability to the Pledgor or the Company, and the Pledgor and the Company hereby waive any claims against the Security Agent arising from the fact that the price at which the Pledged Share was sold or disposed of through private negotiation was less than what might be obtained through an auction, even if the Security Agent accepts the first offer received and does not offer the Pledged Share to more than one party, or arising from the fact that a sale conducted within judicial proceedings would have been more advantageous than a sale outside of it, other than any loss which arises as a consequence of any gross negligence or wilful misconduct on the part of the Security Agent.

11.3 In making any disposal of all or any part of the assets pledged hereunder in the exercise of its powers, the Security Agent may (to the extent permitted by law) do so for such consideration, in such manner, and generally on such terms and conditions as it thinks fit. Any contract for such disposal by the Security Agent may contain conditions excluding or restricting the personal liability of the Security Agent.

## 12. ENFORCEMENT SUBJECT TO

Any enforcement of the Security created by or pursuant to this Agreement shall be subject to the terms of:

(a) the Authorisation of the Government of the Macau SAR; and

(b) the Services and Right to Use Direct Agreement,

(to the extent, in each case, such terms are applicable and **provided that**, in the event of any inconsistency between the Authorisation of the Government of the Macau SAR and any of the Services and Right to Use Direct Agreement, the former shall prevail).

## 13. APPLICATION OF MONIES

13.1 All monies received or recovered by the Security Agent pursuant to this Agreement up to the Maximum Secured Amount or the powers conferred by it shall (subject to (a) the claims of any person having prior rights thereto, (b) Clause 11 (*Enforcement*) and (c) Clause 13.2 below) be applied by the Security Agent (notwithstanding any purported appropriation by the Pledgor or any other Obligors) in accordance with clause 37 (*Application of Proceeds*) of the Facilities Agreement.

13.2 Notwithstanding any other provision of the Finance Documents, the Security Agent may, at any time after the delivery of a Special Enforcement Notice to the Pledgor, pay any or all of the monies received, recovered or realised by the Security Agent under this Agreement (including without limitation the proceeds of any conversion of currency) into any suspense or impersonal account (which is interest-bearing **provided that** there is no tax liability on the Security Agent with respect to any interest in such account) for so long as the Security Agent shall think fit (whether or not any Secured Obligations shall have become due) pending their application from time to time in accordance with the provisions of Clause 13.1. If the Secured Obligations have been fully discharged or would be fully discharged if the monies in such suspense or impersonal account were applied towards satisfaction of the Secured Obligations, the Security Agent shall promptly apply the monies in such suspense or impersonal account towards satisfaction of the Secured Obligations and if there are any monies remaining in such suspense or impersonal account after the Secured Obligations have been fully discharged, the Security Agent shall promptly pay such remaining monies in accordance with clause 37 (*Application of Proceeds*) of the Facilities Agreement. Any interest accrued on any monies in such suspense or impersonal account shall be credited to such suspense or, as the case may be, impersonal account and shall, subject to the terms of this Clause 13.2, be applied towards satisfaction of the Secured Obligations (and following the satisfaction of the same, in accordance with clause 37 (*Application of Proceeds*) of the Facilities Agreement).

## 14. EFFECTIVENESS OF COLLATERAL

14.1 No failure or delay on the part of the Security Agent to exercise any Security Agent's Right shall operate as a waiver thereof, nor shall any single or partial exercise of a Security Agent's Right preclude any other or further exercise of that or any other Security Agent's Right. The Security Agent's Rights hereunder are cumulative to those provided by any other security in respect of the Secured Obligations and not exclusive of any remedies provided by law.

14.2 The Security Agent shall not be obliged, before exercising any Security Agent's Right as against the Pledgor (a) to make any demand of the Company, any other Obligor or any other person, (b) to take any action or obtain judgment in any court against the Company, any other Obligor or any other person, (c) to make or file any proof or claim in a liquidation, bankruptcy or insolvency of the Company, any other Obligor or any other person or (d) to enforce or seek to enforce any other security in respect of the Secured Obligations.

14.3 If any payment, settlement or discharge hereunder shall be capable of being avoided or reduced by virtue of any bankruptcy, insolvency, liquidation or similar laws the liability of the relevant Pledgor under this Agreement and the security constituted by this Agreement shall continue and such amount shall not be considered to have been irrevocably paid.

14.4 The Pledgor expressly confirms that it intends that this Agreement and the Security created hereunder shall remain in full force and effect in case of any (however fundamental and of whatsoever nature and whether or not more onerous) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for or in connection with any purpose whatsoever, including without limitation, any of the following: any amendment or waiver contemplated under a Fee Letter, any Project expansion; acquisitions of any nature; increasing working capital; enabling dividends or distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and expenses associated with any of the foregoing. In the event of any such variation, increase, extension or addition the Pledgor shall (if requested by the Security Agent) enter into an agreement (in such form as the Security Agent reasonably requires) with the Security Agent confirming that the Security created hereunder remains in full force and effect.

## 15. CURRENCY CONVERSION AND INDEMNITY

15.1 For the purpose of or pending the discharge of any of the Secured Obligations the Security Agent may convert any monies received or recovered by the Security Agent from one currency to another at the spot rate at which the Security Agent is able to purchase the currency in which the Secured Obligations are due with the amount received or recovered.

15.2 Subject to the requirements of any applicable law, the obligations of the Pledgor to pay in the due currency shall only be satisfied to the extent of the amount of the due currency purchased after deducting the costs of conversion.

15.3 If any sum (a "**Sum**") due from the Pledgor under this Agreement or any order, judgment or award given or made in relation to a Sum has to be converted from the currency (the "**First Currency**") in which that Sum is payable into another currency (the "**Second Currency**") for the purpose of:

(a) making or filing a claim or proof against the Pledgor;

(b) obtaining or enforcing an order, judgment or award in relation to any litigation or arbitration proceedings; or

(c) applying the Sum in satisfaction of any of the Secured Obligations,

such Pledgor shall as an independent obligation, within five (5) Business Days of demand indemnify each Secured Party to whom such Sum is due from and against any cost, loss or liability suffered or incurred as a result of the conversion, including any discrepancy between (A) the rate of exchange used to convert that Sum from the First Currency into the Second Currency and (B) the rate or rates of exchange available to that person at the time of its receipt of that Sum.

## 16. DISCRETION AND DELEGATION

16.1 Any liberty or power which may be exercised or any determination which may be made hereunder by the Security Agent may, subject to the terms and conditions of the Services and Right to Use Direct Agreement and the Facilities Agreement, be exercised or made in its absolute and unfettered discretion without any obligation to give reasons save that the Security Agent shall act in a reasonable manner if expressly required hereunder.

16.2 The Security Agent shall have full power to delegate (either generally or specifically) the powers, authorities and discretions conferred on it by this Agreement on such terms and conditions as it shall see fit which delegation shall not preclude either the subsequent exercise of such power, authority or discretion by the Security Agent itself or any subsequent delegation or revocation thereof or thereunder.

## 17. CHANGES TO PARTIES

17.1 The Pledgor may not assign or transfer any or all of its rights (if any) and/or obligations under this Agreement.

17.2 The Security Agent may:

(a) assign all or any of its rights under this Agreement; and

(b) transfer all or any of its obligations (if any) under this Agreement,

to any successor Security Agent in accordance with the provisions of the Facilities Agreement, **provided that** it is acknowledged that such assignment or transfer shall not in any way prejudice the priority of the security constituted by this Agreement (which shall be assigned to such successor Security Agent pursuant to the terms of the Facilities Agreement). Upon such assignment or transfer taking effect, the successor Security Agent shall be and be deemed to be acting as agent for the Secured Parties for the purposes of this Agreement and in place of the former Security Agent. The successor Security Agent shall arrange for its registration as the new Security Agent with the Macau Commercial Registry.

17.3 Subject to the relevant provisions of the Finance Documents, each Secured Party may assign all or any of its rights under this Agreement (whether direct or indirect) in accordance with the provisions of the Finance Documents. It is acknowledged that none of the Secured Parties has or shall have any obligation under this Agreement.

17.4 The Pledgor irrevocably and unconditionally confirms that:

(a) it consents to any assignment or transfer by any Secured Party of its rights and/or obligations made in accordance with the provisions of the Finance Documents;

(b) it shall continue to be bound by the terms of this Agreement, notwithstanding any such assignment or transfer; and

(c) the assignee or transferee of such Secured Party shall acquire an interest in this Agreement, the Pledge and the Pledged Shares upon such assignment or transfer taking effect.

E. The Parties desire to enter into this Agreement to set out the terms and conditions that shall apply to certain services to be provided under the Work Agreements by (i) Melco Crown Parties to Studio City Parties and (ii) Studio City Parties to Melco Crown Parties, in each case on terms that are fair and beneficial to the party receiving such services and based on arms' length negotiations from a commercial perspective, as part of the ordinary course of their respective businesses and to secure access to the services that may be offered by a counterparty to this Agreement, on the terms and conditions set forth herein.

F. ## ARTICLE 2
## SERVICES

### 2.1 SERVICES

(a) **Provision of Services**. During the Term and subject hereto, (1) the relevant Melco Crown Party or Melco Crown Parties that enters or enter into a Work Agreement will provide or cause one or more members of the MCE Group to provide to one or more members of the SCIH Group the services set forth in such Work Agreement (each a "Melco Crown Service" and collectively, the "Melco Crown Services"), and (2) the relevant Studio City Party or Studio City Parties that enters or enter into a Work Agreement will provide or cause one or more members of the SCIH Group to provide to one or more members of the MCE Group the services set forth in such Work Agreement (each a "Studio City Service" and collectively, the "Studio City Services"). Each Work Agreement shall (A) be signed by the relevant Melco Crown Parties and relevant Studio City Parties, (B) include the applicable terms and details of Services as set forth in Schedule B and (C) except as specifically provided therein, be deemed to incorporate all of the terms and conditions set forth herein ("Work Agreement"). Each Work Agreement shall, to the extent applicable, contain:

(i) a description of the project and the services to be performed or resources or assets to be provided (and any relevant specifications and/or service levels);

(ii) a description of the tasks to be performed;

(iii) a description of the deliverables, if any, to be produced (and any applicable acceptance/rejection procedures and/or criteria);

(iv) the term and schedule for completion of each deliverable and/or stage of the project (and any applicable milestones);

(v) the fees to be paid, the basis of fee calculation and a schedule for payment;

(vi) any additional terms and conditions applicable to the services to be performed due to the specific nature thereof; and

(vii) the conditions of termination of all or any portion of such Work Agreement.

For the avoidance of doubt, the Services to be provided shall only be those Services that the parties specifically agree to and which are set forth in a Work Agreement, together with any tasks not specifically described in a Work Agreement but that are inherent in, or necessarily required for the provision of the Services described in such Work Agreement (which shall be deemed included within the Services as if specifically described in such Work Agreement). If there is any conflict between the terms of the body of this Agreement and any Work Agreement, the terms of this Agreement will prevail, unless the Work Agreement explicitly states that it is intended to supersede the body of this Agreement.

Notwithstanding the above, each Party agrees and acknowledges that each Work Agreement (A) will be a separate contract and agreement made by and between the relevant Service Provider and Service Recipient for the project, services, tasks, resources, assets and/or deliverables to be provided and/or performed under such Work Agreement, and (B) will not form a part of, relate to or depend on any other Work Agreement (unless otherwise expressly provided for in any Work Agreement).

For the avoidance of doubt, no individual Service may be charged by Service Provider to Service Recipient under more than one Work Agreement or under any Work Agreement and under the Services and Right to Use Agreement.

(b) **Standard of Care; Quality.** Each Service Provider will deliver or cause to be delivered the Services that they are obligated to provide under each relevant Work Agreement to the relevant Service Recipient:

(i) in accordance with this Agreement, the reasonable instructions of the Service Recipient that are consistent with and within the scope of this Agreement and the relevant Work Agreement, and applicable Law;

(ii) in a timely, diligent and workmanlike manner;

(iii) with at least the equivalent degree of (and, in any event, no less than a reasonable degree of) effort, care and skill in providing the Services to Service Recipient as is applied, if applicable, in work done by the applicable Service Provider or member of its Group at or for other MCE Group operated properties or businesses; and

(iv) as otherwise specifically set forth in a Work Agreement.

(c) **Service Modifications and Additional Services.** Except as otherwise provided in a Work Agreement and, to the extent applicable, subject to Recital F of this Agreement, during the Term, the Parties to a Work Agreement may, in accordance with the procedures specified in this Section 2.1(c): (i) agree in writing to modify the terms and conditions relating to the performance of or payment for a previously agreed-upon Service to reflect, among other things, new procedures, processes or other methods of providing such Service (a "Service Modification") or (ii) agree in writing upon terms and conditions relating to the provision of services that are in addition to any of the previously agreed-upon Services (an "Additional Service").

(i) Change Requests. If either Party to a Work Agreement desires a Service Modification or an Additional Service (in each case, a "Change"), the Party requesting the Change will deliver a written description of the proposed Change (a "Change Request") to the other Party as follows: (a) in the case of a Change Request by any Melco Crown Party, to Studio City Parties' Project Manager; and (b) in the case of a Change Request by any Studio City Party, to Melco Crown Parties' Project Manager.

(ii) Meeting of the Parties. Unless the Party receiving the Change Request agrees to implement the Change Request as proposed, the Project Manager of each Party to the relevant Work Agreement will meet in person or by telephone or correspond via email to discuss the Change Request no later than ten (10) Business Days after delivery of the Change Request to the other Party. Each Party shall consider any Change Request in good faith.

(iii) Approval of Service Recipient Change Requests. All Change Requests that are requested by a Service Recipient must be approved by the Service Provider's Project Manager in writing before the Change may be implemented in accordance with Section 2.1(c)(v) below. Such consent may be withheld in the sole and absolute discretion of the Service Provider with respect to any Change Request for an Additional Service. Such consent may not be unreasonably withheld, conditioned or delayed by Service Provider with respect to any Change Request for a Service Modification; provided, however, the Parties agree that the Service Provider may condition such consent on the Service Recipient agreeing to (i) bear any increases in the Service Provider's cost of performance resulting from such Change and (ii) reimburse the Service Provider for all reasonable documented out-of-pocket costs and expenses incurred by it as a result of the implementation of such Change.

(iv) Approval of Service Provider Change Requests. All Change Requests that are requested by a Service Provider must be approved by the Service Recipient's Project Manager in writing before the Change may be implemented in accordance with Section 2.1(c)(v) below. Such consent may be withheld in the sole and absolute discretion of the Service Recipient with respect to any Change Request for an Additional Service. Such consent may not be unreasonably withheld, conditioned or delayed by Service Recipient with respect to any Change Request for a Service Modification; provided, however, the Parties agree that the Service Recipient may condition such consent on the Service Provider agreeing (i) not to pass to the Service Recipient any increases in the Service Provider's cost of performance resulting from such Change, and (ii) to reimburse the Service Recipient for all reasonable documented out-of- pocket costs and expenses incurred by it as a result of the implementation of such Change.

(v) Implementation of Approved Change. If a Change Request is approved in accordance with this Section 2.1(c), then the applicable Work Agreement, and the definition of the Services, will be amended in accordance with Section 7.5 below as agreed by the Parties to reflect the implementation of the Change Request and any other agreed-upon terms or conditions relating to the Change.

(d) **Personnel.** Except as provided in a Work Agreement, MCE will have the sole and exclusive responsibility for MCE Personnel and SCIH will have the sole and exclusive responsibility for SCIH Personnel, including but not limited to responsibility for employment, supervision, direction and discharge of such Personnel and the payment of any and all compensation, necessary insurance for employees under applicable Law, employee benefits and other employment-related charges, liabilities, taxes and deductions with respect to such Personnel.

(e) **Termination of Work Agreement.** Each Work Agreement (and any Service contemplated thereby) shall terminate as provided in such Work Agreement or Section 5.2.

(f) **Books and Records**. During the Term and for three (3) years thereafter (or such longer period required by applicable Law), each Service Provider shall keep books and records of the Services provided and commercially reasonable supporting documentation of all charges

and expenses incurred in providing such Services and of all Fees and shall produce written records that verify the dates and times during which all Services were performed and the calculation of all Fees. During the Term and for three (3) years thereafter (or such longer period required by applicable Law), each Service Provider shall make such books and records available to the Service Recipient (or its designee), upon reasonable advanced written notice, during normal business hours, for audit and inspection (including the right to make copies thereof at Service Recipient's cost).

(g) **Subcontractors**. Each Service Provider shall be permitted to engage any Third Party Service Providers to perform any or all of their obligations under a Work Agreement without the prior written consent of the Service Recipient (to the extent consistent with such Service Provider's use of Third Party Service Providers at MCE Resorts (in case of Melco Crown Parties being the Service Provider) or Studio City Complex (in case of Studio City Parties being the Service Provider). To the extent the Service Provider uses any Third Party Service Providers for any purpose, such Service Provider shall in all cases remain primarily liable for the acts and omissions of such Third Party Service Providers and shall remain primarily responsible for all of its obligations hereunder with respect to the scope of the Services, the manner in which such Services are performed as set forth in Section 2.1 hereof and the content of the Services provided to the Service Recipient.

(h) **Exclusive Remedy**. Except as provided in Sections 6.1 and 6.3, if either Party breaches its obligations under Sections 2.1(a) or 2.1(b), the other Party's exclusive remedy will be to:

(a) require the breaching party to perform or re-perform the relevant Services should the non-breaching Party reasonably determine that performance or re-performance of the associated Services is commercially practicable; and/or

(b) receive a refund from the breaching Party of any Fees (as defined below) paid for the relevant Services should the non-breaching Party reasonably determine that performance or re-performance of the associated Services is not commercially practicable or would not sufficiently compensate for the harm caused by the breach (as applicable).

Notwithstanding the foregoing, if the breach results from or otherwise involves bad faith, gross negligence or willful misconduct of the breaching Party, then the limitation of remedies in this Section 2.1(h) shall not apply.

## 2.2 OTHER RESPONSIBILITIES

**General Obligations**. The Service Recipient will be responsible for providing to Service Provider all reasonably necessary input and other information in Service Recipient's possession or control in such format and level of detail requested by the Service Provider and that is reasonably necessary to allow the Service Provider to provide the Services requested (other than to the extent the applicable Work Agreement specifically provides that Service Provider is responsible to provide such input and other information). If the Service Recipient fails to comply with this Section 2.2, the Service Provider will be relieved of its obligations under Sections 2.1(a) and 2.1(b), as appropriate, solely to the extent such failure renders performance of the Services or the achievement of such standards described in such Sections impractical, impossible or economically not feasible. Service Provider will use commercially reasonable efforts to promptly notify Service Recipient in writing of any such failures.

## ARTICLE 3
## PAYMENT

### 3.1 FEES

(a) The Service Provider shall invoice the Service Recipient for fees and reasonable documented out-of-pocket expenses due pursuant to the payment schedule set forth in the applicable Work Agreement ("Fees"). Unless otherwise agreed in writing, the method of billing and payment is electronic and via bank remittance.

(b) To the extent not otherwise provided for in a Work Agreement, each of the Service Provider and the Service Recipient shall bear its own costs and out-of-pocket expenses incurred by it in connection with the provision and receipt of the relevant Services, including reasonable travel, lodging and meal expenses, mileage, copy costs, supplies, telecommunication charges and third party costs and expenses.

### 3.2 PAYMENTS / BILLING DISPUTES

(a) **Invoices**. To the extent not otherwise specified in a Work Agreement (or a purchase order thereunder), a Service Provider will use its reasonable efforts to issue an invoice to the relevant Service Recipient for the Services provided to such Service Recipient within twenty (20) days of the end of the month during which such Service was delivered or provided. Service Provider will, upon request, forward a copy of such invoice issued by it to the Project Manager of Studio City Parties.

(b) **Payment Terms**. To the extent not otherwise specified in a Work Agreement, all invoices issued by Service Providers in accordance herewith and the applicable Work Agreement will be payable within ten (10) days after the delivery of the invoice as set forth in Section 3.2(a) (the "Due Date"). All payments shall be made in Hong Kong or U.S. dollars or Macau patacas, as specified in the invoice to an account or accounts designated by the relevant Service Provider from time to time, or as set forth in the Work Agreement or by way of set-off if agreed by the Service Provider and the Service Recipient.

(c) **Services Charge Schedule**. Project Manager of Melco Crown Parties will prepare a monthly schedule (a "Services Charge Schedule"), setting forth a summary of all invoices issued by Melco Crown Parties or Studio City Parties, as the case may be, during the prior month. The Services Charge Schedule will set forth in reasonable detail a description of the Services provided by Melco Crown Parties or Studio City Parties, as the case may be, which must specify, at a minimum:

(i) the Work Agreement under which such Services were performed;

(ii) the name of Service Recipient, the date on which such Services were performed;

(iii) the date of the relevant purchase order and delivery (if applicable);

(iv) the amounts payable or paid therefor;

(v) the invoice numbers for the Services; and

(vi) reasonably detailed supporting documentation and calculations relevant to the amounts shown on the Services Charge Schedule.

The Project Manager of Melco Crown Parties shall provide a copy of the Services Charge Schedule to the Project Manager of the Studio City Parties no later than twenty (20) Business Days after the end of each month.

(d) **Monthly Review Process**. At the request of either Project Manager, within ten (10) Business Days after the delivery of a Services Charge Schedule, the Project Managers shall meet in person or by telephone to review the Services Charge Schedule and attempt in good faith to respond to any queries and resolve any disputes. If, based on such review process, the Project Managers agree that an adjustment should be made to an invoiced amount, an adjustment invoice for such adjustment shall be issued and signed by each of the Project Managers (the "Adjustment Documentation"). Such Adjustment Documentation shall be delivered to the relevant Service Recipient and Service Provider. The amount set forth in the Adjustment Documentation shall be paid within ten (10) days after the delivery thereof. Details of such Adjustment Documentation shall be included in the quarterly report for the relevant quarter as set out in Section 3.2(f). Any disputes (other than Significant Contested Items) not resolved in the monthly review process shall be addressed in the quarterly review process described below; provided, however, that any disputes shall not entitle the Service Recipient to withhold payment of any amounts invoiced unless such withheld amount (i) is being contested in good faith and (ii) is no greater than the amount in excess of the applicable amounts determined by reference to the MSM.

(e) **Significant Contested Items.** Notwithstanding sub-paragraph (d) above, in the event a Service Recipient identifies a Significant Contested Item within thirty (30) days after delivery of the Services Charge Schedule, the Service Provider's Project Manager shall, upon being notified of such item, prepare and submit a written report setting out any good faith justifications for the relevant charge or deviation from the MSM. After consideration of the report in good faith, the Service Recipient may request a meeting of the Project Managers of MCE Group and SCIH Group and such other representatives of the Service Provider as reasonably appropriate in order to consider if any concerns with the delivery, pricing, allocation methodology, quality or efficiency of the relevant Services need to be addressed. The Parties shall meet in good faith to address any such concerns and if the Parties agree that any such concerns need to be addressed, the Parties shall work together in good faith to attempt to remedy such concerns as soon as practicable, including adjusting charges or providing credits or refunds for Services if appropriate. In case of any adjustments, credits, refunds or any other remedy agreed to be made by the Parties ("Agreed MSM Remedy"), each Party shall prepare a report setting forth the Agreed MSM Remedy in reasonable detail, which must include, at a minimum, the Significant Contested Item, the monetary adjustment to be made pursuant to the Agreed MSM Remedy and the date and procedures for effecting such adjustment. Such report shall be included in the relevant Quarterly Review Report and reviewed during the quarterly review process described in Section 3.2(f). If the Parties are unable to agree on any of the foregoing within 30 days after delivery of the Services Charge Schedule, such disputes shall be resolved as set forth in Section 7.10.

(f) **Quarterly Review Process**. Within forty-five (45) days after the end of each calendar quarter, the Project Manager of Melco Crown Parties shall prepare and deliver a statement to the Chief Financial Officer of SCIH setting forth in reasonable detail a consolidated description of the Services performed by both Parties during the quarter, the date the Services were performed, the amounts payable and paid therefor and reasonable supporting documents (to the extent not provided with the relevant monthly Services Charge Schedule) (the "Quarterly Review Report"). The Quarterly Review Report shall also include a description of any adjustment made pursuant to the monthly review process described in Section 3.2(d), which must specify, at a minimum, the Work Agreement under which such adjustment was made, the name of Service Recipient, the amounts adjusted and the original invoice number for the Service (as applicable) and include any Adjustment Documentation and report any Agreed MSM Remedy. Within ten (10) Business Days after delivery of the Quarterly Review Report to the Chief Financial Officer of SCIH, the Project Managers will meet to review and determine any adjustments, credits or refunds that may be appropriate and agree to update the MSM to the extent necessary to reflect any changes to the business or the market. If the Parties are unable to agree on any of the foregoing within thirty (30) days after the delivery of the Quarterly Review Report, such disputes shall be resolved as set forth in Section 7.10.

(g) **Settlement of Disputed Charges**. Any disputed charges that are ultimately determined through the dispute resolution procedures set forth in this Section 3.2 or Section 7.10 to be invalid, shall, (i) if payment has already been made, be paid back or credited by the billing Party to the Service Recipient within five (5) Business Days after such determination is made, and (ii) if payment is due and has not already been made, be paid by the Service Recipient to the billing Party within five (5) Business Days after such determination is made.

**4.3 CONFIDENTIALITY**

(a) **General**. Each of MCE Group and SCIH Group (in each case, as applicable, the "Receiving Party") will maintain all Confidential Information of the other (the "Disclosing Party") in strict confidence, and the Receiving Party will disclose such Confidential Information only as authorized under this Agreement or a Work Agreement or as otherwise authorized in writing by the Disclosing Party. The Receiving Party shall only use such Confidential Information for the purpose of providing and receiving the Services or exercising any rights or remedies hereunder or under any Work Agreement, including:

(i) with respect to Service Provider, performing the Services hereunder for Service Recipient in accordance with the terms hereof; and

(ii) with respect to Service Recipient, receiving and enjoying the benefits of the Services.

The Receiving Party further agrees to take the same care with the Disclosing Party's Confidential Information as it does with its own, but in no event less than a reasonable degree of care.

(b) **Definition of Confidential Information**. For the purposes of this Agreement, "Confidential Information" means the following types of information and other information of a similar nature of the Disclosing Party, whether set forth in writing, disclosed or made available by the Disclosing Party's representatives orally or in any other manner (or with respect to which the Receiving Party is provided access to the information by the Disclosing Party in connection with the Services or this Agreement), to the extent designated in writing by the Disclosing Party as "confidential" or would otherwise reasonably be expected to be treated as confidential due to the nature thereof:

(i) all non-public information and material of or relating to the Disclosing Party and its Affiliates (and of or relating to companies with which the Disclosing Party or its Affiliates has entered into confidentiality agreements or has other confidentiality obligations) which the Receiving Party obtains knowledge of or access to;

(iv) the terms and conditions of this Agreement; and

(v) the terms and conditions of the Work Agreements.

(c) **Exceptions**. Notwithstanding any of the foregoing, Confidential Information does not include information which:

(i) has been made generally available to the public (other than by acts of the Receiving Party or its Affiliates or their respective employees, attorneys, agents, consultants, advisors or representatives in violation of this Agreement or any other duty of confidentiality to the Disclosing Party by which they are bound);

(ii) becomes available to the Receiving Party on a non-confidential basis from a source other than the Disclosing Party, provided that the source of such information was not known by the Receiving Party to be bound by a confidentiality agreement or other confidentiality obligations to the Disclosing Party in respect of such Confidential Information;

(iii) was within the possession of the Receiving Party prior to its being furnished to the Receiving Party by or on behalf of the Disclosing Party;

(iv) becomes available or known to the MCE Group as a service provider under the Services and Right to Use Agreement or a shareholder of SCIH (which such information shall be governed by the terms of the Services and Right to Use Agreement or the Shareholders Agreement, as applicable); or

(v) is independently developed by the Receiving Party or one of its employees, attorneys, agents, consultants, advisors or representatives without reference to or use of the Confidential Information.

Notwithstanding anything to the contrary herein, neither the Receiving Party nor any of its employees, attorneys, agents, consultants, advisors or representatives shall be precluded from disclosing Confidential Information:

(1) to its Affiliates, representatives and advisors on a need-to-know basis, in accordance with Section 4.3(d) hereof, or as permitted by the Shareholders Agreement,

(2) pursuant to the order of any court or administrative agency,

(3) as required by any applicable Law, including any regulation or requirement imposed by any applicable stock exchange or listing authority,

(4) upon the request or demand of any regulatory authority having jurisdiction over such Person or any of its Affiliates; provided that, in the case of the foregoing (2), (3) and (4), to the extent legally permissible, such Receiving Party shall provide the Disclosing Party with prompt notice of such request, demand or requirement in order to enable the Disclosing Party to

seek an appropriate protective order or other remedy (and if the Disclosing Party seeks such an order, the Receiving Party shall provide such cooperation as the Disclosing Party may reasonably request (at the sole cost and expense of the Disclosing Party), to consult with the Disclosing Party with respect to the Disclosing Party taking steps to resist or narrow the scope of such request, demand or legal process), or to waive compliance, in whole or in part, with the terms of this Section 4.3; provided, further that, in the event that such protective order or other remedy is not obtained, or that the Disclosing Party waives compliance, in whole or in part, with the terms of this Section 4.3, the Receiving Party shall disclose only that portion of the Disclosing Party's Confidential Information which such Receiving Party is advised by counsel as legally required to be disclosed and shall use commercially reasonable efforts to ensure that all of the Disclosing Party's Confidential Information so disclosed will be accorded confidential treatment,

(5) to any prospective purchaser of, or investor in, any or all of the assets, stock or the business of the Receiving Party or any of its subsidiaries, or to any current or prospective financier or any agent and/or trustee acting on their behalf (each a "Financier") to the Receiving Party or any of its subsidiaries, provided that such Person executes and delivers a confidentiality agreement (or has previously executed and delivered a confidentiality agreement that remains in effect) containing obligations of confidentiality that are at least as protective, in all material respects, of the Disclosing Party's Confidential Information as those set forth in this Section 4.3,

(6) to any Financier of a Receiving Party or any of its subsidiaries under financing arrangements that are in place on the Effective Date to the extent that such Financier is subject to a customary duty of confidentiality to the Receiving Party and/or one of its subsidiaries in respect of such Confidential Information, or

(7) as otherwise set forth herein.

(d) **Receiving Party Personnel**. The Receiving Party will limit access to the Confidential Information of the Disclosing Party to those Affiliates, employees and contractors having a need to know such information in order to exercise or perform the Receiving Party's rights and obligations under this Agreement and the Work Agreements and subject to confidentiality obligations (or, with respect to third party contractors, written confidentiality agreements containing obligations of confidentiality) that are at least as protective, in all material respects, of the Disclosing Party's Confidential Information as those set forth in Section 4.3.

(e) **No Implied License**. Without limiting the provisions of Section 4.2, no license or conveyance of any rights to any Intellectual Property is granted to the Receiving Party by the disclosure of Confidential Information pursuant to this Agreement or the Work Agreements.

(f) **Survival**. The obligations contained in this Section 4.3 will survive the termination or expiration of this Agreement in perpetuity; provided, however, that notwithstanding the foregoing, all Confidential Information also received or disclosed pursuant to any other agreement between any member of the MCE Group and any member of the SCIH Group will be governed by the confidentiality provision of any such agreement, to the extent applicable.

## 4.4 AUDIT ASSISTANCE

If either Party is subject to (i) a request from or audit by a governmental authority, standards organization or (ii) legal or arbitration proceedings in which such Party requests access to or an audit of books, records, documents or accounting practices and procedures pursuant to applicable Law, standards or contract provisions and such examination or audit relates to the Services, the other Party will provide (at sole cost and expense of the requesting Party) all reasonable assistance requested by the Party that is subject to the audit or proceedings in responding to such audits, requests for information, or legal or arbitration proceedings, to the extent that such assistance or information is (a) within the reasonable control of the cooperating Party and (b) related to the Services; provided that such assistance and provision of information shall be subject to the terms of Section 4.3.

# ARTICLE 5
# TERM AND TERMINATION; TRANSITION

## 5.1 TERM

This Agreement will commence on the Effective Date and shall terminate upon the earliest of: (a) any termination pursuant to Section 5.2; and (b) June 26, 2022, unless renewed or extended by mutual agreement of the Parties in writing (such term of this Agreement, the “Term”).

## 5.2 TERMINATION

This Agreement: (a) may be terminated by mutual agreement of Parties in writing; (b) shall automatically terminate if the Services and Right to Use Agreement is terminated in accordance with its terms; (c) may be terminated by any Party upon thirty (30) days prior written notice if all Work Agreements have been terminated and are no longer in effect; (d) may be terminated by Melco Crown Parties upon (i) the material breach by a Studio City Party of this Agreement which remains uncured after thirty (30) days of written notice provided by Melco Crown Parties of such breach or (ii) upon any MCE Change of Control Event; and/or (e) may be terminated by Studio City Parties upon the material breach by a Melco Crown Party of this Agreement which remains uncured after thirty (30) days of written notice provided by Studio City Parties of such breach. Upon the termination of this Agreement in accordance herewith, all of the Work Agreements shall automatically terminate.

## 5.3 EFFECT OF TERMINATION

(a) General. If this Agreement is terminated pursuant to Sections 5.1 or 5.2, all of the Parties’ obligations hereunder and under the Work Agreements will terminate, except that, in any event, Sections 1, 2.1(f) (for the time period set forth therein), 4.2, 4.3, 4.4, 5.4 (for the Transition Period), and 7.2 through 7.12, as well as Article 6, and this Section 5.3, will survive and the Parties’ rights to pursue all legal remedies for breaches of this Agreement will survive unimpaired. Following expiration or termination of this Agreement, each Party remains responsible for paying to the other Party all accrued but unpaid Fees through the date of termination, in accordance with Section 3.2. The termination of this Agreement will not be deemed to be an election of remedies by a terminating Party.

(b) Payment. All accrued and unpaid Fees for the Services shall be due and payable upon termination of this Agreement or particular Work Agreement with respect to such Services.

**5.4 TRANSITION**

In connection with (a) the termination of this Agreement and/or any Work Agreement (or portion thereof), for a period commencing on the date of the relevant termination notice and ending on the relevant date of termination of this Agreement or the relevant Work Agreement, or

(b) the expiration of this Agreement and/or any Work Agreement (or portion thereof), for the period commencing six months prior to the end of Term until the end of the Term, as the case may be, (the period specified in (a) and (b) above, the "Transition Period"), at the request of Service Recipient, Service Provider shall (and shall use its commercially reasonable efforts to cause its third-party vendors to) assist and cooperate and work together with Service Recipient to assist in the transition of the performance of such terminated Services or similar services by Service Recipient or by a third party engaged by Service Recipient to perform such Services or similar services; provided, however, that the Transition Period shall be extended, if additional time for transitioning of the performance of such terminated Services is reasonably required by the Service Recipient, by a number of days (in no circumstances to exceed 180 days) sufficient for such transitioning to be completed to the reasonable satisfaction of the Service Recipient (such extended period, the "Post-Termination Transition Period"), and only to the extent that (i) the Post Termination Transaction Period does not exceed 180 days nor extend beyond June 26, 2022; (ii) Service Recipient uses and continues to use all commercially reasonable endeavors to expedite the completion of such transitioning; and (iii) the transition services to be provided do not cause incremental interference to Service Provider's business operations and are structured (as between the Service Provider and Service Recipient, each acting in good faith) in such a manner as to cause no incremental commercial risk or loss to the Service Provider, in each case as compared to such interference, risk or loss faced by Service Provider during the Term. Without limiting the foregoing, during the Transition Period, Service Provider shall:

(a) make available on a timely basis to Service Recipient all information and materials reasonably requested by Service Recipient about the Services and the information technology systems used in connection with the provision of such Services and deliver to Service Recipient such documents, records and information as are reasonably requested by Service Recipient, but excluding any such items that constitute Melco Crown's Intellectual Property (if the Service Provider is one or more of the Melco Crown Parties) or Studio City's Intellectual Property (if the Service Provider is one or more of the Studio City Parties);

(b) make reasonably available to Service Recipient (x) any Personnel of Service Provider (or any member of its Group) to answer questions that Service Recipient may have regarding the terminated Services or management and operation of its business and properties in relation to the terminated Services, and (y) any information technology systems of Service Provider (or any member of its Group) reasonably necessary to continue to manage and operate the Studio City Complex in relation to the terminated Services in substantially the same manner and functionality as prior to such termination;

(c) comply with any specific termination or transition provisions under any applicable Work Agreement; and

(d) reasonably cooperate with Service Recipient, at Service Recipient's request, to assist in the development and installation of hardware and software systems as are reasonably necessary to continue to manage and operate its business and properties in relation to the terminated Services in substantially the same manner and functionality as prior to such termination; provided, however, that this obligation shall not include cooperation or assistance in the development and installation of any gaming-related hardware or software systems.

Immediately upon the termination or expiration of this Agreement or any applicable Work Agreement, Service Provider shall promptly deliver to Service Recipient copies of any and all documents, records and information in Service Provider's possession relating to the terminated or expired Service and owned by Service Recipient or to which Service Recipient is otherwise entitled pursuant to this Agreement or the applicable Work Agreement, other than any such items that constitute Melco Crown's Intellectual Property (if the Service Provider is one or more of the Melco Crown Parties) or Studio City's Intellectual Property (if the Service Provider is one or more of the Studio City Parties).

Service Recipient will reimburse Service Provider for any reasonable and documented out of pocket costs and expenses incurred by Service Provider, and with respect to Personnel of the Service Provider, any reasonable labor and employment costs, in providing the foregoing transition services within ten (10) days after being invoiced therefor.

During the portion of any Transition Period that is prior to the expiration or termination of this Agreement or any Work Agreement (or portion thereof), the provisions of this Section 5.4 shall be in addition to, and not in substitution of, all other obligations under this Agreement and the relevant Work Agreement, including, without duplication, the obligations of Service Recipient to pay for the Services.

## ARTICLE 6
## INDEMNIFICATION; WARRANTIES; LIMITATION OF LIABILITY

### 6.1 INDEMNIFICATION

(a) **Indemnity**.

(i) Each Party shall indemnify and hold harmless the other Party and its Affiliates, and their respective employees, agents, officers and directors, from any and all liabilities, losses, damages, charges, deficiencies, fines, penalties, and costs and expenses (including, to the extent payable to a third party, special, exemplary, punitive and consequential damages, and reasonable legal fees, advisory and consulting fees and expenses and reasonable documented out-of-pocket costs of investigation and litigation of claims) (collectively, "Damages") arising from any third-party claims, demands or complaints against the other Party as a result of or relating to such indemnifying Party's (or its Affiliate's) (1) breach of this Agreement (including any representations herein) or any Work Agreement, or (2) violation of applicable Law.

(ii) Service Provider shall indemnify and hold harmless Service Recipient and its Affiliates, and their respective employees, agents, officers and directors, from any and all Damages arising from (1) any claim, demand or complaint by or on behalf of a subcontractor of

Service Provider, Third Party Service Provider or Service Provider Personnel, or (2) any third- party claim, demand or complaint that the Services or deliverables provided by Service Provider or any Third Party Service Provider, or Service Recipient's use thereof infringes or constitutes a misappropriation or other violation of the Intellectual Property rights of any Person (including pursuant to Section 4.2).

(b) **Indemnity Procedures**. If any claim or action is asserted against a party entitled to an indemnity hereunder (as applicable, the "Indemnified Party") that would entitle such Indemnified Party to indemnification pursuant to this Section 6.1 (a "Proceeding"), the Indemnified Party will give prompt written notice thereof to the other Party ("Indemnifying Party"); provided, however, that the failure of any Indemnified Party to give timely notice hereunder will not affect its rights to indemnification hereunder, except to the extent that such failure actually prejudices the Indemnifying Party's ability to defend against such Proceeding. The Indemnifying Party may elect to direct the defense or settlement of any such Proceeding by giving written notice to the Indemnified Party, which election will be effective immediately upon receipt by the Indemnified Party of such written notice of election. The Indemnifying Party will have the right to employ counsel to defend any such Proceeding, or to compromise, settle or otherwise dispose of the same, if the Indemnifying Party deems it advisable to do so, all at the expense of the Indemnifying Party; provided that the Indemnifying Party will not settle, or consent to any entry of judgment in, any Proceeding without obtaining either: (i) an unconditional release of the Indemnified Party from all liability with respect to all claims underlying such Proceeding; or (ii) the prior written consent of the Indemnified Party (not to be unreasonably withheld, conditioned or delayed). An Indemnified Party will not settle, or consent to any entry of judgment, in any Proceeding without obtaining the prior written consent of the Indemnifying Party. Each Indemnifying Party and Indemnified Party will fully cooperate with each other in any such Proceeding and will make available to each other any books or records useful for the defense of any such Proceeding. Notwithstanding the foregoing, in any event, the Indemnified Party shall have the right to (x) participate in the defense and/or settlement of any Proceeding with its own counsel at its own expense, or (y) control, pay or settle any Proceeding which the Indemnifying Party shall have undertaken to defend so long as the Indemnified Party shall also waive any right to indemnification therefor by the Indemnifying Party.

**6.2 WARRANTIES; DISCLAIMER**

Except as expressly set forth herein or in any Work Agreement, no Party makes any warranty in connection with the subject matter of this Agreement or any Work Agreement and each Party hereby disclaims any and all implied or statutory warranties, including all implied warranties of title, merchantability, non-infringement and fitness for a particular purpose regarding such subject matter. To the extent the relevant Service Provider or Service Recipient may not as a matter of applicable Law disclaim any implied warranty, the scope and duration of such warranty will be the minimum permitted under such law.

**6.3 LIMITATION ON LIABILITY**

(a) **Consequential and Other Damages**. No Party shall be liable, whether contractually or extra-contractually or otherwise, for any special, indirect or consequential damages whatsoever which in any way arise out of, are related to, or are a consequence of, its

performance or nonperformance hereunder, or the provision of or failure to provide any service hereunder, including indirect loss of profits. The foregoing limitations do not apply to third- party claims that are subject to indemnification under Section 6.1 or any damages resulting from a breach by such Party of Section 4.3.

(b) **Liability Cap**. The aggregate liability of the relevant Party with respect to this Agreement or Work Agreement (other than with respect to the Service Recipient's obligation to pay fees) or in connection with the performance, delivery or provision of any Service under the Work Agreement shall be limited to the fees paid or charged under the relevant Work Agreement; provided, however, that the foregoing limitation of liability under this Section 6.3(b) shall not apply to (i) a breach by such Party of Section 4.3, or (ii) such Party's bad faith, gross negligence, willful misconduct or willful infringement of any rights in respect of Intellectual Property in connection with the performance, delivery or provision of the relevant Service by such Party (including Section 4.2).

**6.4 INSURANCE**

Each Party, at its sole cost, will maintain insurance coverage as described in Schedule C with insurance companies having a minimum current A.M. Best rating of A, S&P rating of A- or as otherwise reasonably acceptable to the other Party, with coverage in amounts customary for the size and nature of the Parties' businesses. Except as otherwise provided in the relevant Work Agreements, all costs and deductible amounts will be for the sole account of the insuring Party and its subcontractors and agents.

**6.5 LICENSES AND PERMITS**

Each Party represents that it has obtained or, at its sole cost and expense, will obtain any authorization or permit required by applicable Law to conduct its business and to perform the Services it is performing. Each Party will cooperate with each other, at the expense of the Party who is required to obtain any authorization or permit, in obtaining such authorization or permit.

As of the Effective Date, Melco Crown Parties' Project Managers shall be the individuals named in Part 1 of Schedule D; and Studio City Parties' Project Managers shall be the individuals named in Part 2 of Schedule D. ### 7.3 FORCE MAJEURE EVENT

Neither Party will be liable or deemed to be in breach of this Agreement or the Work Agreements for failure, hindrance, limitation or delay of performance caused wholly or partly by a Force Majeure Event as long as the Party whose performance is affected by the Force Majeure Event notifies the other Party as promptly as practicable thereof and takes commercially reasonable efforts to overcome it and resume performance hereunder as soon as possible. For the avoidance of doubt, the foregoing sentence shall not apply to any failure or delay of performance of any payment obligation. If a Party's performance is affected by a Force Majeure Event, the time for that Party's performance will be extended or, as appropriate, suspended for the duration of the Force Majeure Event without liability, except as otherwise provided in this Agreement. Each Service Provider shall treat the Service Recipient in the same manner as any other recipient for the affected Services (or similar services), if any, in connection with the resumption of performance. During the period of a Force Majeure Event affecting performance by a Service Provider of any Service(s), the Service Recipient (a) shall be relieved of the obligation to pay Fees for such Services(s) throughout the duration of such Force Majeure Event, (b) shall be entitled to seek an alternative service provider with respect to such Service(s), and (c) shall be entitled to permanently terminate the relevant Work Agreement (or, if less than an entire Work Agreement is affected, the affected portions thereof) if a Force Majeure Event shall continue to exist for more than sixty (60) consecutive days, provided that the Service Recipient shall provide written notice of such termination to the Service Provider. Except as specifically provided for in respect of a Force Majeure Event, the foregoing shall not affect any other rights of the Service Recipient to terminate this Agreement or all or any portion of any Work Agreement.

### 7.4 FURTHER ACTIONS

Upon the reasonable request of a Party, the other Party will (a) furnish to the requesting Party any additional information, (b) execute and deliver, at its own expense, any other documents and (c) take any other reasonable actions as the requesting Party may reasonably require, reasonably required to carry out the terms of this Agreement and the Work Agreements.

### 7.5 ENTIRE AGREEMENT AND MODIFICATION

This Agreement and the Work Agreements supersede all prior agreements between the Parties with respect to their subject matter, and constitute a complete and exclusive statement of the terms of the agreement between the Parties with respect to their subject matter. This Agreement and the Work Agreements may not be amended, supplemented or otherwise modified except in a written document executed by the Parties. Notwithstanding the foregoing, neither this Agreement nor any Work Agreement shall modify, amend, alter or supersede in any way the Services and Right to Use Agreement or the Shareholders Agreement.

### 7.6 SEVERABILITY

If a court of competent jurisdiction or arbitral tribunal holds any provision of this Agreement or any Work Agreement invalid or unenforceable, the other provisions of this Agreement and each Work Agreement will remain in full force and effect. Any provision of this Agreement or any Work Agreement held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable.

### 7.7 ASSIGNMENT; SUCCESSORS; NO THIRD-PARTY RIGHTS

Except as provided herein or in any relevant Work Agreement, no Party may assign any of its rights or delegate any of its obligations under this Agreement or the Work Agreements without the prior written consent of the other Party; provided, however, that, for the purposes of a Party securing financing, the proceeds of which will be used for such Party's properties and businesses (a "Financing"), or complying with the terms of any Financing that exists as of the Effective Date, a Party may pledge or grant a security interest in this Agreement and the Work Agreements to a Financier which provides such Financing without the other Party's consent; provided, further, however, that no Financier shall be required to assume the obligations of a Party under this Agreement or a Work Agreement (but may do so if it so elects), unless and until that Financier has exercised remedies under such security interest such that it becomes the counterparty to this Agreement or the relevant Work Agreement(s), in which event it shall be required to assume the obligations of such Party under this Agreement and the relevant Work Agreement(s) from and after the date thereof and the other provisions thereof.

### 7.8 JOINT AND SEVERAL LIABILITY

Each Melco Crown Party and each Studio City Party executing this Agreement agrees that it shall be jointly and severally liable for the payment of all amounts payable by Melco Crown Parties and Studio City Parties (respectively) hereunder and under any Work Agreement.

### 7.9 WAIVER

The rights and remedies of the Parties are cumulative and not alternative. Neither any failure nor any delay by either Party in exercising any right, power or privilege under this Agreement or any of the documents referred to in this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege.

### 7.10 RESOLUTION OF DISPUTES

(a) The Parties will cooperate in good faith and use commercially reasonable efforts to amicably resolve any Disputes. All Disputes shall be governed by the process set forth below:

(i) after each Quarterly Review, the SCIH Project Manager shall prepare a report on all unresolved Disputes to the SCIH Board of Directors (the "SCIH Board"), for discussion in the relevant quarterly meeting of the SCIH Board;

(ii) if, during any calendar quarter, there is an unresolved Dispute, or group of related unresolved Disputes, that involves less than US$3 million, and will not, with the passage of time and continuation of Services in accordance with past practice, exceed US$3 million in any calendar year, the SCIH Board, by a simple majority, shall have the sole authority to decide on the appropriate resolution of the unresolved Dispute(s);

(iii) if, during any calendar quarter, there is an unresolved Dispute, or group of related unresolved Disputes, that involves US$3 million or more, but less than US$8 million, or that, with the passage of time and continuation of Services in accordance with past practice will amount to US$3 million or more, but less than US$8 million, in any calendar year, the matter shall be referred to the Conflict Committee of SCIH, which, by a simple majority, shall have the sole authority to decide on the appropriate resolution of the unresolved Dispute(s);

(iv) if, during any calendar quarter, there is an unresolved Dispute or group of related unresolved Disputes that involves US$8 million or more, or that with the passage of time and continuation of Services in accordance with past practice will amount to US$8 million or more in any calendar year, the SCIH Board meeting and decision process will be as follows:

(A) before the relevant quarterly meeting of the SCIH Board, each member of the SCIH Board shall raise and discuss the unresolved Disputes with the relevant shareholder of SCIH whom the member is representing; and

(B) during the relevant quarterly meeting of the SCIH Board, if the unresolved Disputes cannot be resolved unanimously by the SCIH Board, the SCIH Board shall refer the unresolved Dispute(s) to the shareholders of SCIH for resolution; and

(v) If the SCIH Shareholders fail to resolve the unresolved Dispute(s) within thirty Business Days after such Board meeting, SCIH, or the applicable Studio City Party, if so directed by the SCIH Board member representing the disinterested shareholder within 120 days after such Board meeting shall refer such unresolved Dispute(s) to arbitration, with one arbitrator for Dispute(s) of US$8 million and less than US$15 million and with three arbitrators for Dispute(s) of US$15 million or more, in accordance with the provisions of Section 7.10(b).

(vi) If the SCIH Board members representing disinterested shareholders fail to refer an unresolved Dispute(s) to arbitration, within such 120 day period, then the issue(s) shall be resolved in favor of the applicable Melco Crown Party.

(vii) Upon referral of a Dispute to arbitration, any actions taken by SCIH in connection solely with respect to such arbitration shall be as determined by the SCIH Board members representing disinterested shareholders. For the avoidance of doubt, the provision in this Subsection 7.10(a)(vii) applies only to matters undertaken in connection with the arbitration proceedings and does not extend to other matters under this Agreement or any Work Agreement.

(b) In the event any Dispute(s) are to be arbitrated pursuant to Agreement, the Disputes shall be referred to and finally resolved by arbitration administered by the Hong Kong International Arbitration Centre ("HKIAC") under the HKIAC Administered Arbitration Rules in force at the time the Notice of Arbitration is submitted. The law of this arbitration clause shall be Hong Kong law. The seat of the arbitration shall be in Hong Kong. Unless otherwise agreed by the Parties, the appointment of such arbitrator or arbitrators shall be made by the HKIAC. The arbitrator or arbitrators shall be entitled to engage financial or other experts to the extent reasonably necessary to assist them in reaching their decision regarding the dispute. The

arbitration proceedings shall be conducted in English. The arbitral tribunal and the Parties may by agreement hold hearings in any location convenient to the arbitral tribunal and the Parties, including by teleconference and videoconference; in the absence of such agreement, hearings will be held in Hong Kong. When any Dispute occurs and when any Dispute referred to arbitration, except for the matters in dispute, the Parties shall continue to fulfill their respective obligations, and shall be entitled to exercise their respective rights under this Agreement or the relevant Work Agreement.

(c) In the event of any such arbitration, members of the MCE Group, in addition to presenting arguments as a Service Provider or Service Recipient, may also present, and the arbitrator(s) shall take into consideration, arguments as an equity holder of SCIH, as to why the Melco Crown Party's position is in the best interest of SCIH and the Studio City Parties.

(d) The cost of any arbitration shall be borne equally by the applicable Studio City Party and the applicable Melco Crown Party.

**7.11 INJUNCTIVE RELIEF; SPECIFIC PERFORMANCE**

Each Party acknowledges and agrees that the other Party may be damaged irreparably if certain terms of this Agreement (including the Work Agreements) are not performed in accordance with their specific terms and that any breach of any of such Sections by the other Party may not be adequately compensated in all cases by monetary damages alone. Accordingly, each Party agrees that, in addition to any other right or remedy to which the other Party may be entitled, at law or in equity, it will be entitled to seek, through arbitration or in a court of competent jurisdiction, specific performance, temporary, preliminary and permanent injunctive relief, and other interim measures or preliminary orders to prevent breaches or threatened breaches of any such provisions.

**7.12 GOVERNING LAW**

This Agreement will be governed by and construed under the laws of Hong Kong without regard to conflicts of laws principles that would require the application of any other law.

**7.13 NON-EXCLUSIVITY**

This Agreement is non-exclusive and either Party may contract with other parties for the procurement or sale of comparable services; provided, however, that any such arrangement shall not relieve such Party from paying Fees or from performing its obligations under the terms of any Work Agreement.

**7.14 TIME IS OF THE ESSENCE**

The Parties agree time is of the essence and that the timing of performance of the Services set forth in the applicable Work Agreements are material terms of this Agreement.

**7.15 COUNTERPARTS**

This Agreement and the Work Agreements may be executed in two or more counterparts and by facsimile, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

**7.16 ACCESSION**

Any subsidiary of any Party to this Agreement may accede to this Agreement after the date hereof by executing a supplemental agreement in the form attached hereto as Exhibit B, countersigned by MPEL Services Limited and Studio City Services Limited.

## ANNEX

**(File no. 6,396.1 of the Land, Public Works, and Transport Bureau and File no. 20/2001 of the Land Committee)**

Contract agreed between:

The Macau Special Administrative Region, as first party; and

East Asia – Satellite Television Limited, as second party.

Whereas:

**1.** By submission dated September 25, 2000, addressed to the Infrastructure Development Office (GDI), the company "Lai Sun Development Limited", with head office in Hong Kong and therein listed on the Stock Exchange, requested a concession, by leasehold and with waiver of public tender, of a plot of land with an area of around 100,000 sq.m., consisting of Lots G300, G400 and part of G310 of the COTAI Plan, located in the Embankment Area between the islands of Taipa and Coloane, to be developed with the construction of a movie production center and supporting facilities for tourism and entertainment.

**2.** On October 4, 2000, a company of the same group (Lai Sun), "eSun Holdings Limited", equally with head office and listed on the Stock Exchange in Hong Kong, submitted a new development plan for the land, according to which the venture would be developed in two phases, the first on the land initially requested and, the second, on an area of around 40,900 sq.m., for a future expansion of the movie production center and construction of facilities for housing of the respective personnel.

**3.** Considering the innovative character of the venture, as well as its high economic and touristic interest, its materialization representing an important investment, susceptible of directly and indirectly generating a significant number of jobs, the GDI issued a favorable opinion to the request, including the conditions under which the concession could be made effective, which merited the approval of H.E. the Chief Executive, after which the procedure was sent to the Land, Public Works, and Transport Bureau (DSSOPT) for the promotion of subsequent proceedings.

**4.** In the context of the instruction of the procedure, the applicant, through its attorney, Carlos Duque Simões, lawyer with office in Macau, at Avenida da Praia Grande, no. 759, 3.º andar, requested that a substitution of the party in the concession procedure be considered, being the concession granted in favor of the local company, incorporated for that purpose, and belonging to the Lai Sun Group, named East Asia – Satellite Television Limited, registered with the Commercial and Movable Assets Registry under no. 14,311 (SO).

**5.** Commenting on the preliminary draft of the contract that, for that purpose, was sent to them by the DSSOPT through a letter of March 3, 2001, the applicant requested the introduction of some amendments, namely in what regards the purpose of the land, towards the introduction of the purpose of tourism and entertainment, the annual rent, and the interest over the premium.

**6.** Pursuant to the analysis of the request, a new draft was sent, contemplating some of the proposed amendments, which obtained the general agreement of the company East Asia – Satellite Television Limited, with exception of the clause relating to the rent, in relation to which the applicant proposed that, considering the characteristics of the venture, the various existing purposes, and its phased execution, a unitary rent amount be stipulated, during and after the development, calculated on the basis of the granted land, or, alternatively, that no rent be charged for the free circulation and parking areas, as they considered they could not be the object of any construction. The first solution was accepted.

**7.** The procedure followed its regular course, and was sent to the Land Committee that, convening on August 2, 2001, issued a favorable opinion to the acceptance of the request.

**8.** The opinion of the Land Committee was homologated by dispatch of H.E. the Chief Executive, recorded over the favorable opinion of the Secretary for Transport and Public Works, dated August 14, 2001.

**9.** The land in question, with an area of 140,789 sq.m. is not described in the Land Registry (LR) and is marked with the letter “A” on the cadaster plan no. 5,899/2000, issued by the Cartography and Cadaster Bureau (DSCC), on January 22, 2001.

**10.** In accordance with and for the purposes provided by article 125 of Law 6/80/M, dated July 5, the conditions of the contract titled by this dispatch were notified to the concessionaire and expressly accepted by it, as per the statement submitted on September 10, 2001, signed by Lam Kin Kgok Peter, divorced, of Hong Kong birth, of British nationality, resident in Hong Kong, May Road, Tower II, May Tower, 19th floor, in the capacity of Director, capacity and powers that were verified by the Private Notary Carlos Duque Simões, in accordance with the certification affixed to the said statement.

**11.** The installment of the premium provided for in no. 1 of the ninth clause of the contract was paid at the receivables of the Macau Tax Office on September 14, 2001 (income no. 46,103) through the invoice no. 73/2001, issued by the Land Committee on September 4, 2001, which duplicate is archived in the respective procedure.

**12.** The security deposit provided for in no. 1 of the tenth clause of the contract was paid by deposit in cash, through the invoice no. 021/ARR/2001, issued on September 17, 2001, by the Financial Services Bureau.

## ANNEX

**(File no. 6,396.02 of the Land, Public Works, and Transport Bureau and File no. 12/2012 of the Land Committee)**

Contract agreed between:

The Macau Special Administrative Region, as first party; and

The company Studio City Developments Limited, as second party.

Whereas:

**1.** The company named "Studio City Developments Limited" (formerly known as East Asia – Satellite Television Limited), with registered office in Macau, at Avenida Dr. Mário Soares, no. 25, Edifício Montepio, 1.º andar, Sala 13, registered with the Commercial and Movable Assets Registry under no. 14,311 (SO), is the holder of the rights arising from the leasehold concession of the plot of land with 140,789 sq.m., located in the embankment area between the islands of Taipa and Coloane, hereinafter referred to as COTAI, lots G300, G310 and G400, described in the Land Registry, hereinafter referred to as LR, under no. 23,059, as per the registration in favor of the concessionaire under no. 26,642F.

**2.** The above mentioned concession is governed by the contract titled by the Dispatch of the Secretary for Transport and Public Works no. 100/2001, published in the Official Gazette of the Macau Special Administrative Region no. 42, Series II, dated October 17, 2001.

**3.** Under the terms of the third and fifth clauses of the leasehold concession contract, the land is intended for the concessionaire's own use for the construction of a movie production center with supporting facilities for tourism and entertainment.

**4.** In 2005, due to the submission of a new development plan which, further to the movie production center, contemplates the construction of a 5 star hotel complex, a procedure for the revision of the leasehold concession contract was commenced.

**5.** This new plan intends to adjust the project to the development of the Macau Special Administrative Region, hereinafter referred to as MSAR, especially with the materialization of investments made and projected for COTAI.

**6.** The revision procedure followed its course; however it was not concluded for reasons attributable to the concessionaire, namely, first, the submission of an amendment to the development plan submitted in 2005 and, subsequently, the failure to submit an economic and financial feasibility study for the proposed development, requested by the Land, Public Works, and Transport Bureau, hereinafter referred to as DSSOPT, in accordance with the proposal made by the Land Committee.

**7.** The said study was submitted on August 8, 2011, and on later dates the concessionaire submitted additional information requested by the DSSOPT.

**8.** In the meantime, meetings were held with representatives of the concessionaire in order to clarify the phasing of the project and the adjustment of the conditions of the draft contract, which would be accepted by the concessionaire through the statement submitted on February 8, 2012.

**9.** The land in question, with a total area of 140,789 sq.m. is noted and demarcated with letters “A” and “B”, with an area of 130,789 sq.m. and 10,000 sq.m., on plan no. 5,899/2000, issued by the Cartography and Cadaster Bureau, hereinafter referred to as DSCC, on January 3, 2012.

**10.** Due to the new alignments defined for the site, the plot of land marked with letter “B” on the abovementioned plan, to be detached from the plot of land mentioned in the preceding recital, shall be incorporated in the private domain of the MSAR.

**11.** The procedure followed its regular course, and the file was sent to the Land Committee which, convening on March 29 and May 10, 2012, issued a favorable opinion to the acceptance of the request, which was confirmed by dispatch of the Chief Executive dated May 21, 2012.

**12.** In accordance with and for the purposes provided by article 125 of Law 6/80/M, dated July 5, the conditions of the contract titled by this dispatch were notified to the concessionaire and expressly accepted by it, as per the statement submitted on June 13, 2012, signed by Ho, Lawrence Yau Lung, with professional domicile in Macau, at Avenida Xian Xing Hai, Edifício Golden Dragon Centre, 22.º andar, in his capacity as Group A Director and on behalf of the company named “Studio City Developments Limited”, capacity and powers verified by the Private Notary Hugo Ribeiro Couto, in accordance with the certification affixed to the said declaration.

**13.** The concessionaire paid the premium stipulated in paragraph 2) of Article Four of the contract titled by this dispatch.

***Article One – Object of the contract***

**2.** The above mentioned concession is governed by the contract titled by the Dispatch of the Secretary for Transport and Public Works no. 100/2001, revised by the Dispatch of the Secretary for Transport and Public Works no. 31/2012, published, respectively, in the Official Gazette of the Macau Special Administrative Region no. 42, Series II, and no. 30, Series II, dated October 17, 2001 and July 25, 2012.

**3.** In accordance with the provisions of the third clause of the contract for the revision of the leasehold concession, the land is developed with the construction of a complex of five star hotels and a movie production center with supporting facilities for tourism and entertainment.

**4.** On May 11, 2015, the concessionaire submitted to the Land, Public Works, and Transport Bureau, hereinafter referred to as DSSOPT, a request for the alteration of the classification of the use of five star hotel to four star hotel, the rest of the use and the gross building areas remaining unchanged, on the grounds that, at the moment, this typology is more adequate for the policies of diversification of accommodations and tourism product, and because, from the technical point of view, the project submitted to the Macau Government Tourism Office, hereinafter referred to as MGTO, is better suited for this type of equipment.

**5.** Having received the favorable opinion of the MGTO and collected the necessary documents for the instruction of the procedure, the DSSOPT proceeded to the calculation of the due considerations and prepared the draft of contract for the revision of the concession that was accepted by the concessionaire through a statement submitted on July 10, 2015.

(b) Immediately after a Newco Share Issuance, the Participation Percentage of each Participant (as in effect immediately prior to such Newco Share Issuance) shall be adjusted to equal the quotient (expressed as a percentage) of (x) the number of Class A Ordinary Shares that such Participant would have been entitled to receive pursuant to the terms of this Agreement if, immediately prior to such Newco Share Issuance, such Participant had exercised its Exchange Rights in accordance with the terms of this Agreement with respect to the entirety of its Participation Interest divided by (y) the number of Class A Ordinary Shares issued and outstanding immediately after such Newco Share Issuance, which, for the avoidance of doubt, shall not include any Class A Ordinary Shares described in clause (x) of this Section 2.4(b).

(c) If the Participants Representative delivers a written objection to the Adjustment Change Notice or Payment Notice under Section 2.5(b) within the applicable Objection Period, the Participants Representative and Newco shall promptly endeavor in good faith to resolve such dispute. In the event that a written agreement has not been reached within thirty (30) days after the date of receipt by Newco of the objection, or such later date as Newco and the Participants Representative may mutually agree to (the "Negotiation Period"), then the Participants Representative and Newco shall promptly submit for review to an internationally recognized independent valuation or accounting firm agreed between Newco and the Participants Representative or, failing agreement, to KPMG International Cooperative and if KPMG International Cooperative is unwilling or is unavailable to serve in such capacity to BDO International Limited (the "Third Party Expert") the Adjustment Change Notice or Payment Notice, as applicable, the Initial Calculations and the Objection Calculations (*i.e.*, no independent review) (the "Reviewable Materials"), and the Third Party Expert shall consider solely the provisions of this Agreement and the Reviewable Materials and shall select either the Initial Calculations or the Objection Calculations (in its totality and without modification). (d) In the event the Participants Representative and Newco submit any Reviewable Materials to the Third Party Expert for resolution pursuant to this Section 2.5, each of the Participants and Newco shall pay its costs and expenses incurred under this Section 2.5; and the fees and costs of the Third Party Expert shall be borne by Newco, on the one hand, if the Third Party Expert selects the Objection Calculations, and the Participants, on the other hand, if the Third Party Expert selects the Initial Calculations.

(e) If any holder of Class A Ordinary Shares under any Equity Plan surrenders or forfeits all or a portion of such Class A Ordinary Shares for no payment, an equivalent number of Newco Shares held by the Company shall be surrendered or forfeited and the Participation Percentage of each Participant shall be adjusted to equal the quotient (expressed as a percentage) of (x) the number of Class A Ordinary Shares that such Participant would have been entitled to receive pursuant to the terms of this Agreement if, immediately prior to such surrender or forfeiture, such Participant had exercised its Exchange Rights with respect to the entirety of its Participation Interest divided by (y) the number of Class A Ordinary Shares issued and outstanding immediately after such surrender or forfeiture, which, for the avoidance of doubt, shall not include any surrendered or forfeited Class A Ordinary Shares and shall not include Class A Ordinary Shares described in clause (x) of this Section 2.7(e).

Section 2.8 Grants of Distributed Rights

(a) If, at any time or from time to time, the Company grants a Distributed Right (other than in connection with any Equity Plan) (i) at a price per share less than the Average Class A Ordinary Share Price on the record date for such grant or (ii) that does not expire by the thirty (30) days after such grant, then Newco shall grant to each Participant similar rights, options, or warrants ("Participation Rights"), as applicable, with the same terms and conditions as such Distributed Rights mutatis mutandis, such that each Participant shall have the right to subscribe for, to purchase, or to otherwise acquire, as the case may be, an increase in its Participation Interest that would increase the Class A Ordinary Share Amount with respect to its Participation Interest (as determined immediately before such grant) by the same number of Class A Ordinary Shares as such Participant would have been entitled to subscribe for, to purchase, or to otherwise acquire on the exercise of the Distributed Rights that such Participant would have been granted if, immediately prior to the record date for such Distribution Right, such Participant, in accordance with the terms of this Agreement, had exercised its Exchange Rights with respect to the entirety of its Participation Interest (the "Deemed Distributed Rights"). For the avoidance of doubt, if the effectiveness of an Exchange occurs prior to or on the record date for such grant with respect to all or a portion of the Participation Interest of an Exchanging Participant, then notwithstanding anything in this Section 2.8, Newco shall not grant any Participation Rights to such Participant with respect to its Exchanged Participation Interest.

(b) Each Participant shall have the right (subject to any applicable exercise conditions contained in the Distributed Rights) to exercise all or a portion of its Participation Rights by paying to Newco an amount (the "Rights Purchase Price") equal to the product of (x) the total price that such Participant would have had to pay to exercise all of its Deemed Distributed Rights and (y) a fraction (1) the numerator of which shall be the Participation Rights being exercised by such Participant, and (2) the denominator of which shall be the Participation Rights received by such Participant; provided that, if the Distributed Rights included a "cashless exercise" or similar feature, such "cashless exercise" or similar feature shall also apply to the Participation Rights.

(c) Upon a Participant's exercise of any of its Participation Rights and payment of the Rights Purchase Price, such Participant's Participation Percentage shall be adjusted to equal the quotient (expressed as a percentage) of (x) the sum of (1) the number of Class A Ordinary Shares that such Participant would be entitled to receive pursuant to the terms of this Agreement if, immediately prior to such exercise of its Participation Rights, such Participant had exercised its Exchange Rights in accordance with the terms of this Agreement with respect to the entirety of its Participation Interest and (2) the number of Class A Ordinary Shares that such Participant would have been entitled to purchase for the Rights Purchase Price payable by such Participant upon such exercise of its Participation Rights if such Participant held Distribution Rights divided by (y) the number of Class A Ordinary Shares issued and outstanding immediately prior to such exercise of Participation Rights, which, for the avoidance of doubt, shall not include any Class A Ordinary Shares described in clause (x) of this Section 2.8(c).

(d) If such Participation Rights are not exercisable prior to the time a Participant exchanges all of its Participation Interests, the Participant shall continue to hold such Participation Rights. Notwithstanding anything to the contrary in this Section 2.8, with respect to any Participation Rights held by a Participant that would not otherwise have been exercisable prior to a Termination Event, upon such Termination Event, Newco shall procure a Distribution Right of the Company with the same terms and conditions as such Participation Rights mutatis mutandis, and deliver such Distribution Rights to such Participant in exchange for such Participation Rights.

## ARTICLE III
## EXCHANGE RIGHTS

Section 3.1 Exchange of Participation Interest.

(a) Subject to Section 3.1(i), each Participant shall be entitled at any time and from time to time, upon the terms and subject to the conditions hereof, to exchange all or part of its Participation Interest subject to the surrender to the Company for cancellation of the Corresponding Class B Ordinary Shares Amount (such right to exchange, the "Exchange Right", and such portion of the Participation Interest proposed to be exchanged, expressed as a number of percentage points equal to the Participation Percentage represented by such portion, the "Exchanged Participation Interest") for the Class A Ordinary Shares Amount, provided that, to the extent that a Participant would receive a fractional Class A Ordinary Share in respect of the Exchanged Participation Interest, Newco shall pay to such Participant an amount in cash (in U.S. dollars) equal to the product of (i) such fractional share and (ii) the Average Class A Ordinary Share Price as of the date of the applicable Exchange Notice (such an exchange of Participation Interests and the surrender to the Company for cancellation of the Corresponding Class B Ordinary Shares Amount for Class A Ordinary Shares, an "Exchange"). Upon the effectiveness of such Exchange, the Company shall update the register of members and books and records of the Company to indicate that the Corresponding Class B Shares Amount set out in the Exchange Notice has been cancelled, effective at the time such Exchange is effective. For purposes of this Agreement, the effectiveness of an Exchange shall be deemed to be the time the Class A Ordinary Shares Amount are delivered by Newco to an Exchanging Participant, and delivery of the Class A Ordinary Shares shall be deemed to occur at the time when the register of members of the Company has been duly updated in accordance with Section 3.1(b)(iv).

(b) A Participant (an "Exchanging Participant") shall exercise its right to effect an Exchange as set forth in Section 3.1(a) above by delivering to Newco (i) a written election of exchange in respect of the Exchanged Participation Interest substantially in the form of Exhibit A hereto (the "Exchange Notice"), duly executed by the Exchanging Participant, delivered to Newco to its electronic mail address and confirmed by mail at its address set forth in Section 7.2, (ii) any share certificates representing the Corresponding Class B Ordinary Shares Amount, and (iii) if applicable, Internal Revenue Service Form W-9. Upon the effectiveness of an Exchange, all rights of the exchanging Participant in the Exchanged Participation Interest and the Corresponding Class B Ordinary Shares Amount that are being surrendered to the Company shall be free and clear of any pledges, liens, security interests, encumbrances, rights of first refusal, equities, claims and the like, and cancelled pursuant to the Exchange shall cease.

(i) An Exchange Notice from an Exchanging Participant shall specify the future date on which the Exchange is to be effected; provided that such Exchange Notice may be contingent (including as to the timing or date of the Exchange) upon the consummation of a purchase by another Person of Class A Ordinary Shares into which the Exchanged Participation Interest is exchangeable (whether in a tender or exchange offer, an underwritten offering or otherwise); provided that an Exchange may not be effective, under any circumstances, on a date that is earlier than the fifth business day, or later than a date that is ninety (90) days, following delivery of the Exchange Notice to Newco (such date upon which the Exchange is to be effective, whether by specification of a date or the satisfaction of certain contingencies, the "Exchange Date"); provided further that any contingency is required to be satisfied within ninety (90) days of the date of the Exchange Notice. In the event any contingency set out in an Exchange Notice remains unsatisfied on the ninetieth day after the Exchange Notice (the "Exchange Notice Withdrawal Date"), such Exchange Notice shall be deemed to have been withdrawn by the Exchanging Participant pursuant to Section 3.1(b)(iii) on the Exchange Notice Withdrawal Date.

(ii) Upon the delivery by Newco of the Class A Ordinary Shares Amount to an Exchanging Participant pursuant to an Exchange Notice and the surrender of the Corresponding Class B Ordinary Shares Amount by such Exchanging Participant to the Company for cancellation, a Corresponding Class B Ordinary Shares Amount of such Exchanging Participant shall be cancelled and the Exchanging Participant shall be automatically deemed to no longer be the holder of such Class B Ordinary Shares, without any further action on the part of the Exchanging Participant or Newco; provided that the register of members of the Company shall forthwith be updated accordingly. Notwithstanding anything in this Agreement to the contrary, the Participants hereby agree that, upon the effectiveness of an Exchange, pursuant to the applicable Exchange Notice, each Exchanging Participant shall be deemed to have surrendered its Corresponding Class B Ordinary Shares for cancellation, and the Company hereby agrees that such surrender shall be effective upon the effectiveness of the Exchange without any action on part of the Participant.

(iii) An Exchanging Participant may amend an Exchange Notice at any time prior to the Exchange Date by delivery of a written notice of amendment to Newco; provided that the Exchange Date may not be earlier than on the fifth business day following delivery of such notice of amendment to Newco; provided further that such amendment notice may not change, as the case may be, the future date or the period for satisfaction of the contingency referred to in Section 3.1(b)(i) beyond ninety (90) days of the date of the initial Exchange Notice. An Exchanging Participant may withdraw an Exchange Notice at any time prior to the Exchange Date by delivery of a written notice of withdrawal to Newco, in which event such Exchange Notice shall be null and void; provided that, upon request by Newco, such Exchanging Participant shall promptly reimburse Newco for all reasonable out-of-pocket expenses (including any expenses of the registrar for the Company and Newco) incurred by Newco and the Company in connection with such proposed Exchange prior to receipt of such withdrawal notice. Such obligation of the Exchanging Participant to reimburse Newco shall also apply to any deemed withdrawal of the Exchange Notice pursuant to Section 3.1(b)(i).

(iv) An Exchanging Participant shall be entered in the register of members of the Company as the holder of the Class A Ordinary Shares Amount deliverable to such Exchanging Participant in connection with an Exchange upon the effectiveness of such Exchange, and such Exchanging Participant shall be deemed to be the holder of such Class A Ordinary Shares from and after the effectiveness of such Exchange; upon the effectiveness of such Exchange, Newco shall deliver or procure the delivery of a copy of the register of members of the Company showing (or, if the Exchanging Participant so elects, as soon as reasonably practicable after any such election, share certificates representing) the Class A Ordinary Shares Amount deliverable upon the effectiveness of such Exchange to the Exchanging Participant, registered in the name of such Exchanging Participant.

(c) Within three (3) business days following the business day on which Newco has received the Exchange Notice or, (i) in the case of a Mandatory Exchange (other than as a result of a Termination Event pursuant to clause (v) of Section 3.1(e) or an Enforcement of Excluded Lien pursuant to clause (vi) of Section 3.1 (e)), at least five (5) business days prior to the date of such Mandatory Exchange, (ii) in the case of a Mandatory Exchange that is the result of a Termination Event pursuant to clause (v) of Section 3.1(e), no more than two (2) business days after the date of such Termination Event, or (iii) in the case of a Mandatory Exchange that is the result of an Enforcement of Excluded Lien pursuant to clause (vi) of Section 3.1(e), one (1) business day prior to such Mandatory Exchange, Newco shall give written notice (the "Settlement Notice") to each Exchanging Participant (with a copy to the Company) (or in the case of a Mandatory Exchange, all Participants) of a good faith estimate of the Class A Ordinary Shares Amount (or in the case of a Mandatory Exchange that is the result of either a Cash Change of Control pursuant to clause (i) of Section 3.1(e) or an Unsuitable Person Determination pursuant to clause (iv) of Section 3.1(e), the Cash Settlement, if applicable) such Participant will receive and the corresponding Class B Ordinary Shares Amount, which shall include reasonable supporting documentation and calculations to allow such Participants to determine compliance with this Agreement. If a record date for an Adjustment Event occurs prior to the effectiveness of any Exchange and a previously delivered Settlement Notice with respect to such Exchange did not reflect such Adjustment Event, the Company shall provide an updated Settlement Notice within five (5) business days of such record date.

(d) Notwithstanding anything herein to the contrary, with respect to any Exchange pursuant to this Section 3.1:

(i) Without the consent of Newco, a Participant may not effect an Exchange for less than the Minimum Exchange Participation Interest.

(ii) After delivery of the Exchange Notice in respect of an Exchanged Participation Interest, a Participant shall continue to hold such Exchanged Participation Interest subject to an Exchange and, for the avoidance of doubt, shall have no rights as a shareholder of the Company with respect to the Class A Ordinary Shares issuable in connection with the Exchange until the effectiveness of such Exchange.

(iii) In the case of a Mandatory Exchange pursuant to clause (iv) (Unsuitable Person Determination) of Section 3.1(e), the relevant Participant shall not be entitled to (aa) receive any payment of any kind (other than (A) to the extent permitted by law and the Unsuitable Person Notice, for any payment owed to such Participant pursuant to this Agreement on account of any Newco Cash Distribution or Newco In-Kind Distribution declared prior to the receipt of the related Unsuitable Person Notice but not yet paid to such Participant and (B) the Cash Settlement), with respect to its Participation Interest, (bb) receive any remuneration in any form from Newco, the Company or any of their Affiliates for services rendered after the date of the related Unsuitable Person Notice, or (cc) exercise, directly or indirectly or through any proxy, trustee, or nominee, any other right conferred by such Participation Interest.

(e) Notwithstanding any other provision of this Agreement, in the event of (i) a Change in Control, (ii) a Review Event, (iii) a Newco Liquidation Date, (iv) an Unsuitable Person Determination, (v) a Termination Event, or (vi) an Enforcement of Excluded Lien, the Participants (or, in case of an Unsuitable Person Determination, the relevant Participant and, in case of an Enforcement of Excluded Lien, New Cotai) shall be deemed to have delivered an Exchange Notice to exchange all of their Participation Interests (or in the case of clause (vi), New Cotai's Participation Interests that are subject to the applicable Enforcement of Excluded Lien) for the Class A Ordinary Shares Amount, free and clear of any pledges, liens, security interests, encumbrances, rights of first refusal, equities, claims and the like, and, upon such Mandatory Exchange, all Corresponding Class B Ordinary Shares shall be accordingly deemed surrendered and automatically cancelled; provided, such Mandatory Exchange shall occur, as applicable, on (aa) the closing of such Change in Control, (bb) the date indicated or required by the relevant Governmental Authority or regulation (the "Relevant Review Event Date"), (cc) the date required pursuant to Section 2.2(c) in the case of a Newco Liquidation Date, (dd) with respect to an Unsuitable Person Determination, the date determined by Newco as the date required by the relevant Governmental Authority, (ee) with respect to a Termination Event, the date specified by Newco as the settlement date in the Settlement Notice so long as such settlement date is no later than fifteen (15) business days after the Termination Date, or (ff) with respect to an Enforcement of Excluded Lien, the date specified by Newco as the settlement date in the Settlement Notice so long as such settlement date is no earlier than five (5) business days prior to the Enforcement of Excluded Lien and no later than five (5) business days after the Enforcement of Excluded Lien; provided that, in the event of a Review Event, promptly following the occurrence of the Review Event and until the Relevant Review Event Date, Newco and any relevant Affiliates will, to the extent practicable in consideration of the applicable legal and timing requirements, engage in good faith discussions with the Participants Representative and, if appropriate, the relevant Governmental Authority, to find an alternative arrangement that may address the Review Event and provide the Participants with similar corporate, U.S. tax and organizational consequences as this Agreement. To the extent practicable and permitted by law, Newco shall provide to the Participants at least thirty (30) days prior written notice of the date on which such Mandatory Exchange (other than in case of a Termination Event or Enforcement of Excluded Lien) shall occur; provided that if such notice is not practicable or permitted by law, Newco shall use its reasonable best efforts to provide Newco with as much advance notice of such Mandatory Exchange (other than in case of a Termination Event or Enforcement of Excluded Lien) as reasonably practicable and in no event less than five (5) business days or such shorter period if so required by law. Newco, at its option, may elect to settle a Mandatory Exchange that is the result of either a Cash Change of Control pursuant to clause (i) above or an Unsuitable Person Determination pursuant to clause (iv) above, by providing the Cash Settlement instead of the Class A Ordinary Shares Amount; provided that in the case of a Mandatory Exchange that is a result of a Cash Change of Control pursuant to clause (i) above, Newco must notify all applicable Participants that it has elected such Cash Settlement in the applicable Settlement Notice and that the Cash Settlement shall apply to all Participants; provided, further, that, in case of a Mandatory Exchange that is a result of an Unsuitable Person Determination pursuant to clause (iv) above, Newco must notify the relevant Participants that it has elected such Cash Settlement in the applicable Settlement Notice and, in the case of a Cash Change of Control, the Cash Settlement shall apply to all Participants. An Exchange pursuant to this Section 3.1(e) is referred to herein as a "Mandatory Exchange." A Mandatory Exchange shall be effected in accordance with the relevant provisions of this Article III. Additionally, immediately prior to any Transfer of Participation Interests (and the Corresponding Class B Ordinary Shares, as the case may be) to a Person that is not a Permitted Transferee (an "Impermissible Transfer") pursuant to a Chapter 11 plan of reorganization confirmed by order of a U.S. bankruptcy court, or as a result of any other bankruptcy or insolvency proceedings (including, without limitation, by way of a scheme of arrangement) in another court of competent jurisdiction, then, notwithstanding anything to the contrary in this Agreement, such Participation Interests shall immediately and automatically be exchanged (and, if not immediately and automatically exchanged, shall be deemed to have been immediately and automatically exchanged) for the Class A Ordinary Shares Amount (and the Corresponding Class B Ordinary Shares Amount shall be surrendered) as if a Mandatory Exchange with respect to such Participation Interests had occurred on the date such Impermissible Transfer would have otherwise occurred without further notice or action of the parties other than those actions required by Section 3.1(b)(iv) to evidence such Exchange, and such Person that is the non-Permitted Transferee will receive such Class A ordinary Shares Amount and not be a Participant under this Agreement nor have any rights under this Agreement.

(f) Subject to Section 3.2(c), if any Class A Ordinary Shares issued in an Exchange shall be issued in certificated form, the certificates evidencing such Class A Ordinary Shares shall bear a legend in substantially the following form:

> THE TRANSFER OF THESE SECURITIES HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER THE SECURITIES LAWS OF ANY OTHER JURISDICTION AND MAY NOT BE SOLD OR TRANSFERRED OTHER THAN IN ACCORDANCE WITH THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT OF 1933, AS AMENDED (OR OTHER APPLICABLE LAW), OR AN EXEMPTION THEREFROM. THESE SECURITIES REPRESENT "EXCHANGE SHARES" UNDER THAT CERTAIN AMENDED AND RESTATED SHAREHOLDERS' AGREEMENT BY AND AMONG STUDIO CITY INTERNATIONAL HOLDINGS LIMITED AND THE SHAREHOLDERS PARTY THERETO, DATED AS OF [●], AS AMENDED FROM TIME TO TIME.

(g) If (i) any Class A Ordinary Shares may be sold pursuant to a registration statement that has been declared effective by the Securities and Exchange Commission, (ii) all of the applicable conditions of Rule 144 are met, or (iii) if a Participant otherwise requests removal of the legend, the Company, upon the written request of the Participant and, in the case of clauses (ii) and (iii), receipt of an opinion of counsel addressed to such Participant (any cost related thereto to be borne by the Participant) and the Company reasonably acceptable to the Company, shall take all necessary action promptly to remove such legend and, if the Class A Ordinary Shares are certificated, issue to such Participant new certificates evidencing such Class A Ordinary Shares without the legend.

(h) Except as specifically provided herein, Newco and each Participant shall bear their own expenses related to any Exchange; provided that Newco shall bear all transfer taxes, stamp taxes or duties, or other similar taxes in connection with, or arising by reason of, any Exchange (which, for the avoidance of doubt, shall not include any income or similar taxes imposed on any Participant); provided, however, that, if any Class A Ordinary Shares are to be registered in a name other than that of the Participant that requested the Exchange, then such Participant and/or the person in whose name such shares are to be registered shall pay to the Company the amount of any transfer taxes, stamp taxes or duties, or other similar taxes in connection with, or arising by reason of, such Exchange or shall establish to the reasonable satisfaction of the Company that such tax has been paid or is not payable. In the event that an Exchange fails to be consummated due to the failure of one or more conditions set forth by this Agreement, the Exchanging Participant shall promptly reimburse Newco for all reasonable out-of-pocket expenses incurred by Newco and the Company in connection with such proposed Exchange prior to the failure of such conditions to be known to Newco.

(i) Notwithstanding anything to the contrary in this Article III, a Participant shall not be entitled to effect an Exchange (and, if attempted, any such Exchange shall be void *ab initio*), and Newco shall have the right to refuse to honor any request to effect an Exchange, at any time or during any period, if Newco shall reasonably determine that such Exchange would be prohibited by any applicable law (including the unavailability of any requisite registration statement filed under the Securities Act or any exemption from the registration requirements thereunder), provided this Section 3.1(i) shall not limit Newco's obligations under Section 3.2(c). Upon such determination, Newco shall promptly provide the Participant requesting the Exchange written notice of such determination, and such notice shall include an explanation in reasonable detail as to the reason that the Exchange has not been effected.

Section 3.2 Validity of Class A Ordinary Shares; Procurement of Class A Ordinary Shares.

(a) Each of Newco and the Company covenants that all Class A Ordinary Shares issued upon an Exchange will, upon delivery in accordance with this Agreement, be validly issued, fully paid, and non-assessable. Upon the receipt of an Exchange Notice, unless Newco has determined, at its option, to effect such a Mandatory Exchange that is the result of either a Cash Change of Control pursuant to clause (i) of Section 3.1(e) or an Unsuitable Person Determination pursuant to clause (iv) of Section 3.1(e), by means of a Cash Settlement, Newco covenants that it will procure the Class A Ordinary Shares to be delivered by Newco to the applicable Participant upon the effectiveness of such Exchange.

(b) In connection with an Exchange, Newco shall be permitted under this Agreement to acquire newly-issued Class A Ordinary Shares in exchange for the issuance to the Company of Newco Shares on a one-for-one basis.

(c) Upon the terms of and subject to the conditions of the Registration Rights Agreement, Newco covenants and agrees to deliver the Class A Ordinary Shares, if requested, in a transaction registered pursuant to an effective registration statement under the Securities Act with respect to any Exchange to the extent that a registration statement is effective and available for such shares.

Section 3.3 No Impairment of Payments; No Duplications. No Exchange shall impair the right of a Participant that delivers an Exchange Notice to receive any payment, dividend, or distribution payable with respect to such Participant's Exchanged Participation Interest pursuant to Section 2.2 of this Agreement. If a Participant delivers an Exchange Notice prior to the record date for a payment, dividend, or distribution in respect of Newco Shares and the Exchange is effective after such record date, then the Participant who delivered such an Exchange Notice shall be entitled to receive such payment, dividend, or distribution with respect to the Exchanged Participation Interest on the payment date from Newco notwithstanding the Exchange of the Exchanged Participation Interest on the Exchange Date; provided that such Participant shall not be entitled to receive such payment, dividend, or distribution if such Participant would otherwise receive such payment, dividend, or distribution in respect of any Class A Ordinary Shares received in exchange for the Exchanged Participation Interest. For the avoidance of doubt, to the extent that any payment, distribution, adjustment, or consideration has been applied to the Participant's entire Participation Percentage in connection with an event pursuant to this Agreement, such Participant shall not receive, nor be entitled to receive, any payment, distribution, adjustment, or consideration with respect to the same event under any circumstances, including in case of an Exchange. In the event that a Participant receives any payment, distribution, or adjustment with respect to the same event in breach of the provisions of this Section 3.3, Newco and the Company reserves its right to set-off against such Participant's payment, distribution, adjustment, or consideration.

Section 3.4 Adjusted Class A Ordinary Shares Amount. With respect to any Exchanging Participant in an Exchange, if the effectiveness of such Exchange occurs after the record date for an Adjustment Event and prior to such Adjustment Event, (A) if the Adjusted Class A Ordinary Shares Amount is greater than the Class A Ordinary Share Amount, the Company shall issue to such Exchanging Participants the excess of the Adjusted Class A Ordinary Share Amount over the Class A Ordinary Shares Amount, and (B) if the Class A Ordinary Shares Amount is greater than the Adjusted Class A Ordinary Share Amount, such Exchanging Participant shall surrender, for no consideration, the excess of the Class A Ordinary Share Amount over the Adjusted Class A Ordinary Shares Amount.

## ARTICLE IV
## RIGHTS RELATING TO CERTAIN ISSUANCES AFFECTING PARTICIPATION

Section 4.1 Rights Relating to Certain Issuances Affecting Participation. If the Company proposes to offer Equity Securities for subscription (other than issuances in connection with a public offering, under any Equity Plan or "assured entitlement" arrangements pursuant to Practice Note 15 of the Listing Rules of The Stock Exchange of Hong Kong Limited (as it may be amended from time to time)) solely or primarily to Melco or any of its Affiliates, Newco hereby grants to each Participant the right, subject to and in accordance with the provisions of this Article IV, to maintain its Participation Percentage based on such Participant's pro rata share of such Equity Securities that are offered to Melco and/or its Affiliates. A Participant's pro rata share shall be equal to the fraction, the numerator of which shall be the number of Class A Ordinary Shares that such Participant would be entitled to receive pursuant to the terms of this Agreement if such Participant exercised its Exchange Rights with respect to all of such Participant's Participation Interests pursuant to Section 3.1(a), and the denominator of which shall be the sum of (i) the number of issued and outstanding Class A Ordinary Shares held by Melco and its Affiliates (excluding the Company and its Subsidiaries), (ii) the number of Exchange Shares (as defined in the Company Shareholders Agreement) held by all Entitled Minority Shareholders (as defined in the Company Shareholders Agreement), and (iii) the number of Class A Ordinary Shares issuable if all Participants exercised their Exchange Rights with respect to the entirety of the remaining Participation Interests (such fraction, the "Pro Rata Share"). If the Company proposes to undertake an issuance of Equity Securities to which the rights under this Article IV apply, Newco shall give written notice to each Participant of the proposed issuance, describing the type of Equity Securities, the cash price per Equity Security, the number of Equity Securities, and the general terms upon which the Company proposes to issue the same (an "Offer").

Section 4.2 Offer Notice. Newco shall make the Offer to each Participant by giving a notice in writing (an "Offer Notice") to each Participant specifying:

(a) the total number of Equity Securities proposed to be issued to Melco and/or its Affiliates;

(b) the number of Equity Securities the Participant would have been entitled to subscribe for (up to its Pro Rata Share of the aggregate of all Equity Securities to be issued to Melco and its Affiliates) if such Participant had exercised its Exchange Rights with respect to all of its Participation Interests as if the Participant held pre-emptive rights from the Company that correspond to the pre-emptive rights set forth under this Article IV (the "Notional Equity Securities"); and

(c) the terms of issue of the Equity Securities (including the issue price which shall be the same price for all of the Equity Securities being offered) and Newco shall provide such Offer Notice as soon as reasonably practicable (but not less than fifteen (15) business days) prior to the date of the closing of the issue of the Equity Securities; provided that if Newco determines that such advance notice is not practical under the circumstances, Newco may provide notice as soon as practicable after such closing.

Section 4.3 Response to Offer. Within fifteen (15) business days after the date the Offer Notice is deemed given in accordance with Section 7.2, each Participant shall give notice to Newco stating that such Participant accepts all or any portion of the Notional Equity Securities offered to it in the Offer Notice or declines the Offer in full.

Section 4.4 Failure to Respond. If a Participant does not give notice to Newco within the period stated in Section 4.3, the Participant shall be deemed to have declined the Offer in full.

Section 4.5 Payment by Accepting Participants. If a Participant accepts all or any portion of the Notional Equity Securities offered to such Participant in the Offer, upon the closing of the issuance of the Equity Securities as specified in the Offer Notice, such Participant shall pay to Newco an amount in cash (in U.S. dollars) equal to the aggregate purchase price for the number of Notional Equity Securities specified in its notice of acceptance of its Offer on the terms specified in the Offer Notice. If a Participant fails to make a timely payment of such aggregate purchase price in full for the number of Notional Equity Securities specified in its notice of acceptance of its Offer in accordance with the terms specified in the Offer Notice, such Participant shall be deemed to have declined the Offer.

Section 4.6 Adjustments to Participation Percentage. Upon the issuance and sale of the Equity Securities that constitute Class A Ordinary Shares by the Company and the timely payment by a Participant of the amounts payable to Newco pursuant to Section 4.5 in full, such Participant's Participation Percentage shall be adjusted to equal the quotient (expressed as a percentage) of (x) the number of Class A Ordinary Shares that such Participant would be entitled to receive pursuant to the terms of this Agreement if, immediately after such issuance and sale of Equity Securities, such Participant were to exercise its Exchange Rights in accordance with the terms of this Agreement with respect to the entirety of its Participation Interest (determined after giving effect to this Article IV) divided by (y) the number of Class A Ordinary Shares issued and outstanding immediately after such issuance and sale of Equity Securities, which, for the avoidance of doubt, shall not include any Class A Ordinary Shares that Participants would be entitled to receive pursuant to the exercise of Exchange Rights described in clause (x) of this Section 4.6. Upon the issuance and sale of the Equity Securities that do not constitute Class A Ordinary Shares by the Company and the payment by a Participant of the amounts payable to Newco pursuant to Section 4.5, such Participant shall be granted a participation right corresponding thereto similar to that granted pursuant to this Agreement, mutatis mutandis.

Each Participant, severally and not jointly, represents and warrants that (i) it is duly organized, as applicable, and, to the extent such concept exists in its jurisdiction of organization, is in good standing under the laws of such jurisdiction; (ii) it has all requisite legal capacity and authority to enter into and perform this Agreement and to consummate the transactions contemplated hereby; (iii) the execution and delivery of this Agreement by it and the consummation by it of the transactions contemplated hereby have been duly authorized by all necessary corporate or other entity action on the part of such Participant; and (iv) this Agreement constitutes a legal, valid, and binding obligation of such Participant enforceable against such Participant in accordance with its terms.

## ARTICLE VI

Section 6.1 Covenants of the Company and the Pre-Migration Company.

(a) The Company irrevocably covenants to (i) contribute to Newco: (A) all proceeds (net of any underwriting fees, discounts, and selling commissions, or similar fees or related expenses and costs) received by the Company from the issuance or sale of Equity Securities of the Company, including the net proceeds from the issuance of Equity Securities upon the exercise of equity compensation or the deposit of Equity Securities with a depositary in connection with such equity compensation and (B) all assets acquired by the Company after the date of this Agreement, whether acquired for cash or Equity Securities of the Company (such contributions in clauses (A) and (B), a "Mandatory Contribution"); and (ii) transfer to Newco all proceeds received by the Company from any indebtedness for borrowed money (net of any underwriting fees, discounts, and selling commissions, or similar fees or related expenses and costs), in which event Newco shall issue to the Company an intercompany note equal in principal amount to such indebtedness and otherwise on the same terms as such indebtedness.

(b) The Company irrevocably covenants that the Company shall at all times own all of the issued and outstanding Newco Shares and that the Company shall not own the capital stock, shares, or equity interests of any other Person or any other assets not permitted hereby.

(c) The Pre-Migration Company covenants that, upon the Continuation taking effect, the Company (i) will be an exempted company duly incorporated and will be existing in good standing under the laws of the Cayman Islands; (ii) will have all requisite corporate power and authority to perform its respective obligations under this Agreement and to consummate the transactions contemplated hereby, including the issuance of the Class A Ordinary Shares in accordance with the terms hereof; (iii) the consummation by it of the transactions contemplated hereby, including the issuance of the Class A Ordinary Shares, will have been duly authorized by all necessary corporate action on its part; and (iv) this Agreement will constitute a legal, valid, and binding obligation of the Company enforceable against the Company in accordance with its terms.

(2) Articles 9, 19, 116, and 156 of the Articles of Association of Newco,][1]

Section 7.4 Binding Effect; Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of all of the parties and, to the extent permitted by this Agreement, their respective successors, executors, administrators, heirs, legal representatives, and permitted assigns; provided, however, neither this Agreement nor any rights or obligations hereunder may be assigned by the Company or Newco, and no rights or obligations of any Participant may be assigned and no Participation Interest of any Participant may be Transferred to any Person other than a Permitted Transferee in compliance and satisfaction of Section 7.1(a), in which event such transferring Participant shall promptly deliver notice of such proposed Transfer to Newco, the Company, and the other Participants.

Section 7.6 Amendment. The provisions of this Agreement may be amended, modified, altered, or supplemented only by a written instrument signed by the Company, Newco, and the Participants Representative.

Section 7.7 Termination of Agreement. This Agreement shall terminate and have no further force and effect upon the earlier of (a) the Mandatory Exchange related to a Termination Event being consummated and (b) no Participation Interest being outstanding (or Total Participation Percentage being zero); provided that (i) Sections 2.2(a), 2.2(b), 2.5(a)(i), 2.5(b), 2.5(c), and 2.5(d) shall survive the termination of this Agreement until (x) Newco has fulfilled all of its obligations thereunder with respect to payments and distributions, and providing notices, to the Participants and (y) the parties hereto have had an opportunity, to the extent provided under this Agreement, to object to, and resolve any disputes with respect to, any calculations pursuant to such sections, and (ii) Section 3.4 shall survive the termination of this Agreement until all Class A Ordinary Shares required to be delivered thereunder have been delivered in accordance therewith Section 3.4 or upon a determination by Newco that no such Class A Ordinary Shares are required to be so delivered; provided, further, that, for so long as any provision of this Agreement survives the termination of this Agreement pursuant to clause (i) or (ii) above, this Article VII (other than Section 7.1) shall also survive the termination of this Agreement.

Each and every provision of the Tax Side Letter is hereby incorporated into and made a part of this Agreement as if set forth in full herein, and this Agreement and the Tax Side Letter shall be taken together and read and construed as one and the same agreement.

Section 7.10 Dispute; Submission to Jurisdiction.

(a) Except for disputes pursuant to Section 2.5 for which the procedures to resolve disputes are set forth therein, if a dispute (a "Dispute") arises out of or relates to this Agreement (including any dispute as to the existence, breach, or termination of this Agreement or as to any claim in tort, in equity, or pursuant to any statute), a party to this Agreement may only commence arbitration proceedings relating to the Dispute if the procedures set out in Sections 7.10(b) to 7.10(h) have been fulfilled.

(b) A party to this Agreement claiming the Dispute has arisen under or in relation to this Agreement must give written notice (a "Dispute Notice") to the other parties to the Dispute specifying the nature of the Dispute.

(c) On receipt of the Dispute Notice by the other parties, all the parties to the Dispute (the "Disputing Parties") must endeavor in good faith to resolve the Dispute expeditiously using informal dispute resolution techniques, such as mediation, expert evaluation, or determination or similar techniques agreed by them.

(d) If the Disputing Parties do not resolve the Dispute within twenty (20) days of receipt of the Dispute Notice, the Dispute shall be determined by way of arbitration in accordance with the ICC Rules of Arbitration of the International Chamber of Commerce (the "ICC Rules") in force on the date when the request for arbitration is submitted in accordance with these rules.

(e) The number of arbitrators shall be three and the nationality, domicile, or residence of the chairman of the arbitral tribunal shall not be the United States, China, Hong Kong, or Macau. Each party shall nominate in the Request (as defined in the ICC Rules) and the Answer (as defined in the ICC Rules), respectively, one arbitrator for confirmation. If a party fails to nominate an arbitrator, the appointment shall be made by the ICC Court. The two arbitrators so appointed shall nominate a third arbitrator who shall act as the presiding arbitrator of the arbitral tribunal. Failing such designation within 30 days from the confirmation of the second arbitrator, ICC Court shall appoint the presiding arbitrator.

(f) The arbitral proceedings shall be conducted in the English language and the place of arbitration shall be Hong Kong.

(g) By agreeing to arbitration pursuant to Section 7.10(d), the parties do not intend to deprive any court of its jurisdiction to issue an interim injunction or other interim relief in aid of the arbitration proceedings or enforce such arbitration decision of an arbitral tribunal or any arbitral award (including any relief for specific performance or injunctive relief), provided that the parties agree that they may seek only such relief as is consistent with their agreement to resolve the Dispute by way of arbitration. Without prejudice to such relief that may be granted by a national court, the arbitral tribunal shall have full authority to grant interim or provisional remedies or to order a party to seek modification or vacation of the relief granted by a national court. For purposes of this Section 7.10(g), the parties irrevocably and unconditionally submit to the non-exclusive jurisdiction of Hong Kong and any courts which have jurisdiction to hear appeals from those courts and waive any right to object to any proceedings being brought in those courts.

(h) Any dispute that arises under this Agreement must be resolved in accordance with this Section 7.10.

Section 7.11 Counterparts. This Agreement may be executed and delivered (including by facsimile transmission or by e-mail delivery of a “.pdf” format data file) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed and delivered shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Copies of executed counterparts transmitted by telecopy, by e-mail delivery of a “.pdf” format data file or other electronic transmission service shall be considered original executed counterparts for purposes of this Section 7.11.

Section 7.12 Specific Performance. The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to specific performance of the terms and provisions hereof, in addition to any other remedy to which they are entitled at law or in equity.

Section 7.13 Independent Nature of Participants’ Rights and Obligations. The obligations of each Participant hereunder are several and not joint with the obligations of any other Participant, and no Participant shall be responsible in any way for the performance of the obligations of any other Participant hereunder. The decision of each Participant to enter into this Agreement has been made by such Participant independently of any other Participant. Nothing contained herein, and no action taken by any Participant pursuant hereto, shall be deemed to constitute the Participants as a partnership, an association, a joint venture, or any other kind of entity, or create a presumption that the Participants are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated hereby.

Section 7.14 Participants Representative. If, at any time, there is more than one Participant, the Participants, by executing a Joinder Agreement, hereby designate and appoint the Participants Representative on behalf of the Participants. If any provision of this Agreement requires the decision, action, or consent of the Participants or notice to be delivered to the Participants, the Participants Representative shall have the authority to make any such decision, take any such action, grant any consents, or receive such notices on behalf of the Participants under this Agreement; provided, however, that the Participants Representative shall not be entitled to act on behalf of the Participants with respect to the provisions of Article IV. Newco and the Company shall be entitled to deal exclusively with the Participants Representative, and the decision, action or consent or waiver of the Participants Representative shall be determinative. Newco and the Company shall be entitled to rely upon the Participants Representative's decision, action or consent or waiver on behalf of the Participants.

Section 7.15 Applicable Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without giving effect to any choice or conflict of laws provision or rule that would cause the application of the laws of any other jurisdiction.

Section 7.16 Acknowledgement and Agreement. Each of the Company and Newco agrees and acknowledges that the Participation Agreement establishes Participation Interests, provides enforceable rights against each of the Company and Newco and is being entered into for due consideration and corporate benefit.

Section 4.1 Failure to Complete the IPO.

(a) The Parties hereby agree that, if, following the execution of the Transfer Agreement, (i) the Company does not consummate the IPO by the later of December 31, 2018 (or such later date as may be agreed by the Parties in writing) and the latest closing date for the IPO permitted by an underwriting or similar agreement executed on or prior to December 31, 2018; provided that such closing date shall not be later than five business days after December 31, 2018 or (ii) at any time after September 30, 2018 and prior to the earlier of December 31, 2018 (or such later date as may be agreed by the Parties in writing) and the date the Company commences the Road Show, a Change in Law occurs that would reasonably be expected to have a material adverse tax consequence to the holder of a Participation (or any holder of an interest, direct or indirect, in such holder of a Participation) (the occurrence of clause (i) or (ii), the "**IPO Cut-off Date**"), then the following transactions shall occur in the order listed in subsections (i)-(iv) below (collectively, the "**Unwinding**"), with the purpose of reversing certain elements of the restructuring effected by the Transaction Documents:

(i) As promptly as reasonably practicable (but in no event later than five (5) business days following the IPO Cut-off Date), the Company and Newco shall enter into a plan of merger and, upon the terms and subject to the conditions therein, the Company shall merge with and into Newco, with Newco as the surviving entity (the "**Merger**").

(ii) Upon the effectiveness of the Merger, (1) Newco shall adopt a new memorandum and articles of association having the same provisions as the memorandum and articles of association of the Pre-Migration Company as in effect on the date of this Agreement, (2) each Company Class A Ordinary Share and each Company Class B Ordinary Share shall be converted into one ten-thousandth of an ordinary share of Newco, such ordinary shares of Newco shall have the same provisions and rights as the ordinary shares of the Pre-Migration Company outstanding as of the date of this Agreement, and (3) the Participation Agreement (including the Tax Side Letter) (other than (x) Article VII of the Participation Agreement (excluding Sections 7.1, 7.7, 7.13, and 7.14), (y) paragraphs 1 and 5 of the Tax Side Letter, and (z) any definitions in Section 1.1 of the Participation Agreement or in paragraph 22 of the Tax Side Letter necessary to effect the foregoing) shall be automatically terminated and shall have no further effect, and any Participation then outstanding shall be cancelled and cease to exist.

(iii) Immediately following the effectiveness of the Merger, (x) Melco, MCE Cotai, New Cotai, and Newco shall enter into a shareholders' agreement (the "**Newco Shareholders Agreement**") with respect to Newco, effective as of the effective date of the Merger, having the same terms, rights, interests, entitlements, and obligations as those contained in the Existing Shareholders Agreement, with all references to the "Company" thereunder referring to Newco following the Merger, (y) Newco and New Cotai shall enter into a registration rights agreement with respect to Newco's securities, effective as of the effective date of the Merger, having the same terms, rights, interests, entitlements, and obligations as those contained in the Registration Rights Agreement, dated July 27, 2011, by and between the Pre-Migration Company and New Cotai, as amended and in effect as of the date of this Agreement, with all references to the "Company" thereunder referring to Newco following the Merger and (z) Newco, Melco, and New Cotai shall enter into a finance cooperation side letter having the same terms, rights, interests, entitlements, and obligations as those contained in the Finance Cooperation Side Letter, with all references to the "Company" thereunder referring to Newco following the Merger; provided, however, the parties shall not be obligated to enter into such finance cooperation letter unless New Cotai shall have executed and delivered all documents, and performed all of its obligations, in each case as required hereunder (and in the manner and at the time as required to be executed and delivered or performed ) and shall have not taken any action in violation of this Agreement, and such Unwinding was not caused by, and did not result from any failure or delay after the date hereof by New Cotai to take any action, provide any approval or consent or execute any document, in each case, necessary to consummate the IPO, including, but not limited to, such actions, approvals, consents or documents required or requested to be provided or executed by the underwriters of the IPO (provided that New Cotai's failure to take any action, provide any approval or consent or execute any document relating to an extension of the IPO Cut-Off Date shall not relieve any obligation to enter into such finance cooperation letter).

(iv) Immediately following the completion of steps (i)-(iii) above, the Amended and Restated Company Shareholders Agreement, the Amended and Restated Registration Rights Agreement, the Tax Side Letter (other than to the extent set forth in step (ii) above), the Participation Agreement and Tax Side Letter Confirmation, the PFIC Side Letter, and the Finance Cooperation Side Letter shall terminate and have no further force and effect.

(b) The Parties hereby agree that, in the event of an Unwinding (i) Newco shall continue to be treated for U.S. Tax Purposes as the successor to the Pre-Migration Company and, as such, shall use for all U.S. Tax Purposes (including its U.S. federal, state and local Tax Returns) the Legacy EIN and (ii) to take all actions consistent, and no actions inconsistent, with such treatment, in each case, for U.S. Tax Purposes.

(c) The Parties hereby agree to cooperate and take all actions reasonably necessary to effect the Unwinding.

(d) The Parties hereby agree that, if this Agreement is terminated pursuant to Section 5.13 without the Transfer Agreement having been executed, Newco, Melco, and New Cotai shall enter into a finance cooperation side letter having the same terms, rights, interests, entitlements, and obligations as those contained in the Finance Cooperation Side Letter, with all references to the "Company" thereunder referring to Newco following the Merger; provided, however, the parties shall not be obligated to enter into the Finance Cooperation Letter pursuant to this Section 4.1(d) unless New Cotai shall have executed and delivered all documents, and performed all of its obligations, in each case as required hereunder (and in the manner and at the time as required to be executed and delivered or performed) and shall have not taken any action in violation of this Agreement, and such termination was not caused by, and did not result from any failure or delay after the date hereof by New Cotai to take any action, provide any approval or consent or execute any document, in each case, necessary to consummate the IPO, including, but not limited to, such actions, approvals, consents or documents required or requested to be provided or executed by the underwriters of the IPO (provided that New Cotai's failure to take any action, provide any approval or consent or execute any document relating to an extension of the IPO Cut-Off Date shall not relieve any obligation to enter into the Finance Cooperation Letter).

Section 5.5 Binding Effect; Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of all of the parties and, to the extent permitted by this Agreement, their respective successors, executors, administrators, heirs, legal representatives and permitted assigns; provided, however, neither this Agreement nor any rights or obligations hereunder may be assigned by any of the Parties without the prior written consent of the other Parties.

Section 5.6 Severability. If any term or other provision of this Agreement is held to be invalid, illegal or incapable of being enforced by any rule of law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions is not affected in any manner materially adverse to any party. Upon a determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 5.7 Amendment. The provisions of this Agreement may be amended, modified, altered or supplemented only by a written instrument signed by each of the Parties.

Section 5.8 Waiver. No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute waiver of any such breach of any other covenant, duty, agreement or condition.

Section 5.9 Submission to Jurisdiction. The parties irrevocably consent to the non-exclusive jurisdiction of the courts of the Cayman Islands in connection with any action relating to this Agreement.

Section 5.10 Counterparts. This Agreement may be executed and delivered (including by facsimile transmission or by e-mail delivery of a ".pdf" format data file) in one or more counterparts, and by the different Parties in separate counterparts, each of which when executed and delivered shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Copies of executed counterparts transmitted by telecopy, by e-mail delivery of a ".pdf" format data file or other electronic transmission service shall be considered original executed counterparts for purposes of this Section 5.10.

Section 5.11 Specific Performance. The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms, including the order of the transactions contemplated hereby, or were otherwise breached. It is accordingly agreed that the parties shall be entitled to specific performance of the terms and provisions hereof, in addition to any other remedy to which they are entitled at law or in equity.

Section 5.12 Applicable Law. This Agreement shall be governed by, and construed in accordance with, the law of the Cayman Islands, without giving effect to any choice or conflict of laws provision or rule that would cause the application of the laws of any other jurisdiction.

Section 5.13 Termination. If the IPO is not consummated prior to the IPO Cut-off Date, this Agreement shall terminate and have no further force and effect; provided that Article IV and this Article V shall remain in full force and effect.

Section 5.14 Fees and Expenses.

(a) Newco agrees to pay or reimburse all fees and expenses incurred by the Company in connection with this Agreement (including the Unwinding).

(b) Promptly (x) upon the earlier of the completion of the IPO and the Unwinding, or (y) upon the termination of this Agreement pursuant to Section 5.13 if such termination occurs without the Transfer Agreement having been executed, Newco agrees to reimburse each of New Cotai and MCE Cotai for all reasonable and documented out-of-pocket fees and expenses incurred in connection with this Agreement and the transactions contemplated hereunder (including the Unwinding) (such amount, the "**Expense Reimbursement**"); provided, however, that (A) the Expense Reimbursement shall not exceed US$1,000,000 for each of New Cotai and MCE Cotai; and (B) in the event of an Unwinding or termination of this Agreement, Newco shall reimburse New Cotai and/or MCE Cotai only if New Cotai or MCE Cotai, as applicable, (i) shall have executed and delivered all documents, and performed all of its obligations, in each case as required hereunder (in the manner and at the time as required to be executed and delivered or performed), (ii) shall have not taken any action in violation of this Agreement and (iii) such Unwinding or termination was not caused by, and did not result from any failure or delay after the date hereof by New Cotai or MCE Cotai, as the case may be, to take any action, provide any approval or consent or execute any document, in each case, necessary to consummate the IPO, including, but not limited to, such actions, approvals, consents or documents required or requested to be provided or executed by the underwriters of the IPO (provided that New Cotai's or MCE Cotai's failure to take any action, provide any approval or consent or execute any document relating to an extension of the IPO Cut-Off Date shall not relieve any reimbursement obligation hereunder with respect to New Cotai or MCE Cotai, as the case may be).

(c) Except as provided in this Section 5.14, each Party shall pay all of its fees and expenses in connection with this Agreement and the transactions contemplated hereby.

Section 5.15 Third Party Rights. A person who is not a party to this Agreement shall not have any rights under the Contracts (Rights of Third Parties) Law, 2014 (as amended) to enforce any term of this Agreement.

Section 5.16 Effectiveness. This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.

Section 5.17 Entire Agreement. This Agreement, together with all of the agreements referenced herein (when such agreements are executed and delivered by the parties thereto in substantially the forms attached hereto), the exhibits to any such agreements (when executed and delivered, if applicable) and the transactions contemplated hereby and thereby, represents the entire agreement between the Parties with respect to the reorganization of the Company as described in Section 1.1 hereof, including the Contribution (the "**Reorganization and Transfer**"). All previous negotiations, understandings, representations, warranties, memoranda or commitments concerning the Reorganization and Transfer are superseded by this Agreement (together with all such other agreements) and are of no effect. No party is liable to any other party in respect of those matters except as provided under this Agreement and, when executed and delivered by the parties thereto in substantially the forms attached hereto, all such other agreements. No oral explanation or information provided by any party to another affects the meaning or interpretation of this Agreement or constitutes any collateral agreement, warranty or understanding between any of the parties with respect to this Agreement or the Reorganization and Transfer.

Section 5.18 Headings. The headings of the sections of this Agreement have been inserted for convenience of reference only and shall not be deemed a part of this Agreement.

Shares that the Company purchases, redeems or otherwise acquires pursuant to this Regulation may be cancelled or held as Treasury Shares except to the extent that such Shares are in excess of 50 percent of the issued Shares in which case they shall be cancelled but they shall be available for reissue.

4.5. All rights and obligations attaching to a Treasury Share are suspended and shall not be exercised by the Company while it holds the Share as a Treasury Share.

4.6. Treasury Shares may be disposed of by the Company on such terms and conditions (not otherwise inconsistent with the Memorandum and Articles) as the Company may by Resolution of Directors determine.

4.7. Where Shares are held by another body corporate of which the Company holds, directly or indirectly, shares having more than 50 per cent of the votes in the election of directors of the other body corporate, all rights and obligations attaching to the Shares held by the other body corporate are suspended and shall not be exercised by the other body corporate.

## 5. MORTGAGES AND CHARGES OF SHARES

5.1. Shareholders may mortgage or charge their Shares.

5.2. There shall be entered in the register of members at the written request of the Shareholder:

(a) a statement that the Shares held by him are mortgaged or charged;

(b) the name of the mortgagee or chargee; and

(c) the date on which the particulars specified in subparagraphs (a) and (b) are entered in the register of members.

5.3. Where particulars of a mortgage or charge are entered in the register of members, such particulars may be cancelled:

(a) with the written consent of the named mortgagee or chargee or anyone authorised to act on his behalf; or

(b) upon evidence satisfactory to the directors of the discharge of the liability secured by the mortgage or charge and the issue of such indemnities as the directors shall consider necessary or desirable.

5.4. Whilst particulars of a mortgage or charge over Shares are entered in the register of members pursuant to this Regulation:

(a) no transfer of any Share the subject of those particulars shall be effected;

(b) the Company may not purchase, redeem or otherwise acquire any such Share; and

(c) no replacement certificate shall be issued in respect of such Shares,

without the written consent of the named mortgagee or chargee.

**6. FORFEITURE**

6.1. Shares that are not fully paid on issue are subject to the forfeiture provisions set forth in this Regulation and for this purpose Shares issued for a promissory note or a contract for future services are deemed to be not fully paid.

6.2. A written notice of call specifying the date for payment to be made shall be served on the Shareholder who defaults in making payment in respect of the Shares.

6.3. The written notice of call referred to in Sub-Regulation 6.2 shall name a further date not earlier than the expiration of 14 days from the date of service of the notice on or before which the payment required by the notice is to be made and shall contain a statement that in the event of non-payment at or before the time named in the notice the Shares, or any of them, in respect of which payment is not made will be liable to be forfeited.

6.4. Where a written notice of call has been issued pursuant to Sub-Regulation 6.3 and the requirements of the notice have not been complied with, the directors may, at any time before tender of payment, forfeit and cancel the Shares to which the notice relates.

6.5. The Company is under no obligation to refund any moneys to the Shareholder whose Shares have been cancelled pursuant to Sub-Regulation 6.4 and that Shareholder shall be discharged from any further obligation to the Company.

**7. TRANSFER OF SHARES**

7.1. Class A Ordinary Shares may be transferred by a written instrument of transfer signed by the transferor and containing the name and address of the transferee, which shall be sent to the Company at the office of its registered agent for registration.

7.2. The transfer of a Class A Ordinary Share is effective when the name of the transferee is entered on the register of members.

7.3. If the directors of the Company are satisfied that an instrument of transfer relating to Class A Ordinary Shares has been signed but that the instrument has been lost or destroyed, they may resolve by Resolution of Directors:

(a) to accept such evidence of the transfer of Class A Ordinary Shares as they consider appropriate; and

(b) that the transferee’s name should be entered in the register of members notwithstanding the absence of the instrument of transfer.

7.4. Subject to the Memorandum, the personal representative of a deceased Shareholder may transfer a Class A Ordinary Share even though the personal representative is not a Shareholder at the time of the transfer.

**8. MEETINGS AND CONSENTS OF SHAREHOLDERS**

8.1. Any director of the Company may convene meetings of the Shareholders at such times and in such manner and places within or outside the British Virgin Islands as the director considers necessary or desirable.

8.2. Upon the written request of Shareholders entitled to exercise 30 per cent or more of the voting rights in respect of the matter for which the meeting is requested the directors shall convene a meeting of Shareholders.

8.3. The director convening a meeting shall give not less than seven days' notice of a meeting of Shareholders to:

(a) those Shareholders whose names on the date the notice is given appear as Shareholders in the register of members of the Company and are entitled to vote at the meeting; and

(b) the other directors.

8.4. The director convening a meeting of Shareholders may fix as the record date for determining those Shareholders that are entitled to vote at the meeting the date notice is given of the meeting, or such other date as may be specified in the notice, being a date not earlier than the date of the notice.

8.5. A meeting of Shareholders held in contravention of the requirement to give notice is valid if Shareholders holding at least 90 per cent of the total voting rights on all the matters to be considered at the meeting have waived notice of the meeting and, for this purpose, the presence of a Shareholder at the meeting shall constitute waiver in relation to all the Shares which that Shareholder holds.

8.6. The inadvertent failure of a director who convenes a meeting to give notice of a meeting to a Shareholder or another director, or the fact that a Shareholder or another director has not received notice, does not invalidate the meeting.

8.7. A Shareholder may be represented at a meeting of Shareholders by a proxy who may speak and vote on behalf of the Shareholder.

8.8. The instrument appointing a proxy shall be produced at the place designated for the meeting before the time for holding the meeting at which the person named in such instrument proposes to vote. The notice of the meeting may specify an alternative or additional place or time at which the proxy shall be presented.

8.9. The instrument appointing a proxy shall be in substantially the following form or such other form as the chairman of the meeting shall accept as properly evidencing the wishes of the Shareholder appointing the proxy.

[ Name of Company ]

I/We being a Shareholder of the above Company HEREBY APPOINT ________ of ________ or failing him ________ of ________ to be my/our proxy to vote for me/us at the meeting of Shareholders to be held on the ______ day of __________, 20__ and at any adjournment thereof.

(Any restrictions on voting to be inserted here.)

Signed this ______ day of __________, 20__

____________________
Shareholder

8.10. The following applies where Shares are jointly owned:

(a) if two or more persons hold Shares jointly each of them may be present in person or by proxy at a meeting of Shareholders and may speak as a Shareholder;

(b) if only one of the joint owners is present in person or by proxy he may vote on behalf of all joint owners; and

(c) if two or more of the joint owners are present in person or by proxy they must vote as one.

8.11. A Shareholder shall be deemed to be present at a meeting of Shareholders if he participates by telephone or other electronic means and all Shareholders participating in the meeting are able to hear each other.

8.12. A meeting of Shareholders is duly constituted if, at the commencement of the meeting, there are present in person or by proxy not less than 50 per cent of the votes of the Shares or class or series of Shares entitled to vote on Resolutions of Shareholders to be considered at the meeting. A quorum may comprise a single Shareholder or proxy and then such person may pass a Resolution of Shareholders and a certificate signed by such person accompanied where such person be a proxy by a copy of the proxy instrument shall constitute a valid Resolution of Shareholders

8.13. If within two hours from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of Shareholders, shall be dissolved; in any other case it shall stand adjourned to the next business day in the jurisdiction in which the meeting was to have been held at the same time and place or to such other time and place as the directors may determine, and if at the adjourned meeting there are present within one hour from the time appointed for the meeting in person or by proxy not less than one third of the votes of the Shares or each class or series of Shares entitled to vote on the matters to be considered by the meeting, those present shall constitute a quorum but otherwise the meeting shall be dissolved.

8.14. At every meeting of Shareholders, the Chairman of the Board shall preside as chairman of the meeting. If there is no Chairman of the Board or if the Chairman of the Board is not present at the meeting, the Shareholders present shall choose one of their number to be the chairman. If the Shareholders are unable to choose a chairman for any reason, then the person representing the greatest number of voting Shares present in person or by proxy at the meeting shall preside as chairman failing which the oldest individual Shareholder or representative of a Shareholder present shall take the chair.

8.15. The chairman may, with the consent of the meeting, adjourn any meeting from time to time, and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

8.16. At any meeting of the Shareholders the chairman is responsible for deciding in such manner as he considers appropriate whether any resolution proposed has been carried or not and the result of his decision shall be announced to the meeting and recorded in the minutes of the meeting. If the chairman has any doubt as to the outcome of the vote on a proposed resolution, he shall cause a poll to be taken of all votes cast upon such resolution. If the chairman fails to take a poll then any Shareholder present in person or by proxy who disputes the announcement by the chairman of the result of any vote may immediately following such announcement demand that a poll be taken and the chairman shall cause a poll to be taken. If a poll is taken at any meeting, the result shall be announced to the meeting and recorded in the minutes of the meeting.

8.17. Any Eligible Person other than an individual which is a Shareholder may by resolution of its directors or other governing body authorise such individual as it thinks fit to act as its representative at any meeting of Shareholders or of any class of Shareholders, and the individual so authorised shall be entitled to exercise the same rights on behalf of the Eligible Person which he represents as that Eligible Person could exercise if it were an individual.

8.18. The chairman of any meeting at which a vote is cast by proxy or on behalf of any Eligible Person other than an individual may call for a notarially certified copy of such proxy or authority which shall be produced within seven days of being so requested or the votes cast by such proxy or on behalf of such Eligible Person shall be disregarded.

8.19. Directors of the Company may attend and speak at any meeting of Shareholders and at any separate meeting of the holders of any class or series of Shares.

8.20. An action that may be taken by the Shareholders at a meeting may also be taken by a Resolution of Shareholders consented to in writing, without the need for any notice, but if any Resolution of Shareholders is adopted otherwise than by the unanimous written consent of all Shareholders, a copy of such resolution shall forthwith be sent to all Shareholders not consenting to such resolution. The consent may be in the form of counterparts, each counterpart being signed by one or more Shareholders. If the consent is in one or more counterparts, and the counterparts bear different dates, then the resolution shall take effect on the earliest date upon which Eligible Persons holding a sufficient number of votes of Shares to constitute a Resolution of Shareholders have consented to the resolution by signed counterparts.

## 9. DIRECTORS

9.1. The first directors of the Company shall be appointed by the first registered agent within six months of the date of incorporation of the Company; and thereafter, the directors shall be elected by Resolution of Shareholders or by Resolution of Directors for such term as the Shareholders or directors determine.

9.2. No person shall be appointed as a director of the Company unless he has consented in writing to act as a director.

9.3. The minimum number of directors shall be one and the maximum number shall be five.

9.4. Each director holds office for the term, if any, fixed by the Resolution of Shareholders or Resolution of Directors appointing him, or until his earlier death, resignation or removal. If no term is fixed on the appointment of a director, the director serves indefinitely until his earlier death, resignation or removal.

9.5. A director may be removed from office only in accordance with the Shareholders Agreement.

9.6. A director may resign his office by giving written notice of his resignation to the Company and the resignation has effect from the date the notice is received by the Company at the office of its registered agent or from such later date as may be specified in the notice. A director shall resign forthwith as a director if he is, or becomes, disqualified from acting as a director under the Act.

9.7. The directors may at any time appoint any person to be a director either to fill a vacancy or as an addition to the existing directors. Where the directors appoint a person as director to fill a vacancy, the term shall not exceed the term that remained when the person who has ceased to be a director ceased to hold office.

9.8. A vacancy in relation to directors occurs if a director dies or otherwise ceases to hold office prior to the expiration of his term of office.

9.9. The Company shall keep a register of directors containing:

(a) the names and addresses of the persons who are directors of the Company;

(b) the date on which each person whose name is entered in the register was appointed as a director of the Company;

(c) the date on which each person named as a director ceased to be a director of the Company; and

(d) such other information as may be prescribed by the Act.

9.10. The register of directors may be kept in any such form as the directors may approve, but if it is in magnetic, electronic or other data storage form, the Company must be able to produce legible evidence of its contents. Until a Resolution of Directors determining otherwise is passed, the magnetic, electronic or other data storage shall be the original register of directors.

9.11. The directors may, by a Resolution of Directors, fix the emoluments of directors with respect to services to be rendered in any capacity to the Company.

9.12. A director is not required to hold a Share as a qualification to office.

**10. POWERS OF DIRECTORS**

10.1. The business and affairs of the Company shall be managed by, or under the direction or supervision of, the directors of the Company. The directors of the Company have all the powers necessary for managing, and for directing and supervising, the business and affairs of the Company. The directors may pay all expenses incurred preliminary to and in connection with the incorporation of the Company and may exercise all such powers of the Company as are not by the Act or by the Memorandum or the Articles required to be exercised by the Shareholders.

10.2. Each director shall exercise his powers for a proper purpose and shall not act or agree to the Company acting in a manner that contravenes the Memorandum, the Articles or the Act. Each director, in exercising his powers or performing his duties, shall act honestly and in good faith in what the director believes to be the best interests of the Company.

10.3. If the Company is the wholly owned subsidiary of a holding company, a director of the Company may, when exercising powers or performing duties as a director, act in a manner which he believes is in the best interests of the holding company even though it may not be in the best interests of the Company.

10.4. Any director which is a body corporate may appoint any individual as its duly authorised representative for the purpose of representing it at meetings of the directors, with respect to the signing of consents or otherwise.

10.5. The continuing directors may act notwithstanding any vacancy in their body.

10.6. The directors may by Resolution of Directors exercise all the powers of the Company to incur indebtedness, liabilities or obligations and to secure indebtedness, liabilities or obligations whether of the Company or of any third party.

10.7. All cheques, promissory notes, drafts, bills of exchange and other negotiable instruments and all receipts for moneys paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as shall from time to time be determined by Resolution of Directors.

10.8. For the purposes of Section 175 (*Disposition of assets*) of the Act, the directors may by Resolution of Directors determine that any sale, transfer, lease, exchange or other disposition is in the usual or regular course of the business carried on by the Company and such determination is, in the absence of fraud, conclusive.

## 11. PROCEEDINGS OF DIRECTORS

11.1. Any one director of the Company may call a meeting of the directors by sending a written notice to each other director.

11.2. The directors of the Company or any committee thereof may meet at such times and in such manner and places within or outside the British Virgin Islands as the directors may determine to be necessary or desirable.

11.3. A director is deemed to be present at a meeting of directors if he participates by telephone or other electronic means and all directors participating in the meeting are able to hear each other.

11.4. A director shall be given not less than three days' notice of meetings of directors, but a meeting of directors held without three days' notice having been given to all directors shall be valid if all the directors entitled to vote at the meeting who do not attend waive notice of the meeting, and for this purpose the presence of a director at a meeting shall constitute waiver by that director. The inadvertent failure to give notice of a meeting to a director, or the fact that a director has not received the notice, does not invalidate the meeting.

11.5. A director may by a written instrument appoint an alternate who need not be a director and the alternate shall be entitled to attend meetings in the absence of the director who appointed him and to vote or consent in place of the director until the appointment lapses or is terminated.

11.6. A meeting of directors is duly constituted for all purposes if at the commencement of the meeting there are present in person or by alternate not less than one-half of the total number of directors, unless there are only two directors in which case the quorum is two.

11.7. If the Company has only one director the provisions herein contained for meetings of directors do not apply and such sole director has full power to represent and act for the Company in all matters as are not by the Act, the Memorandum or the Articles required to be exercised by the Shareholders. In lieu of minutes of a meeting the sole director shall record in writing and sign a note or memorandum of all matters requiring a Resolution of Directors. Such a note or memorandum constitutes sufficient evidence of such resolution for all purposes.

11.8. At meetings of directors at which the Chairman of the Board is present, he shall preside as chairman of the meeting. If there is no Chairman of the Board or if the Chairman of the Board is not present, the directors present shall choose one of their number to be chairman of the meeting.

11.9. An action that may be taken by the directors or a committee of directors at a meeting may also be taken by a Resolution of Directors or a resolution of a committee of directors consented to in writing by all directors or by all members of the committee, as the case may be, without the need for any notice. The consent may be in the form of counterparts each counterpart being signed by one or more directors. If the consent is in one or more counterparts, and the counterparts bear different dates, then the resolution shall take effect on the date upon which the last director has consented to the resolution by signed counterparts.

## 12. COMMITTEES

12.1. The directors may, by Resolution of Directors, designate one or more committees, each consisting of one or more directors, and delegate one or more of their powers, including the power to affix the Seal, to the committee.

12.2. The directors have no power to delegate to a committee of directors any of the following powers:

(a) to amend the Memorandum or the Articles;

(b) to designate committees of directors;

(c) to delegate powers to a committee of directors;

(d) to appoint directors;

(e) to appoint an agent;

(f) to approve a plan of merger, consolidation or arrangement; or

(g) to make a declaration of solvency or to approve a liquidation plan.

12.3. Sub-Regulation 12.2(b) and (c) do not prevent a committee of directors, where authorised by the Resolution of Directors appointing such committee or by a subsequent Resolution of Directors, from appointing a sub-committee and delegating powers exercisable by the committee to the sub-committee.

12.4. The meetings and proceedings of each committee of directors consisting of two or more directors shall be governed *mutatis mutandis* by the provisions of the Articles regulating the proceedings of directors so far as the same are not superseded by any provisions in the Resolution of Directors establishing the committee.

12.5. Where the directors delegate their powers to a committee of directors they remain responsible for the exercise of that power by the committee, unless they believed on reasonable grounds at all times before the exercise of the power that the committee would exercise the power in conformity with the duties imposed on directors of the Company under the Act.

**13. OFFICERS AND AGENTS**

13.1. The Company may by Resolution of Directors appoint officers of the Company at such times as may be considered necessary or expedient. Such officers may consist of a Chairman of the Board of Directors, a president and one or more vice-presidents, secretaries and treasurers and such other officers as may from time to time be considered necessary or expedient. Any number of offices may be held by the same person.

13.2. The officers shall perform such duties as are prescribed at the time of their appointment subject to any modification in such duties as may be prescribed thereafter by Resolution of Directors. In the absence of any specific prescription of duties it shall be the responsibility of the Chairman of the Board to preside at meetings of directors and Shareholders, the president to manage the day to day affairs of the Company, the vice-presidents to act in order of seniority in the absence of the president but otherwise to perform such duties as may be delegated to them by the president, the secretaries to maintain the register of members, minute books and records (other than financial records) of the Company and to ensure compliance with all procedural requirements imposed on the Company by applicable law, and the treasurer to be responsible for the financial affairs of the Company.

13.3. The emoluments of all officers shall be fixed by Resolution of Directors.

13.4. The officers of the Company shall hold office until their successors are duly appointed, but any officer elected or appointed by the directors may be removed at any time, with or without cause, by Resolution of Directors. Any vacancy occurring in any office of the Company may be filled by Resolution of Directors.

13.5. The directors may, by a Resolution of Directors, appoint any person, including a person who is a director, to be an agent of the Company. An agent of the Company shall have such powers and authority of the directors, including the power and authority to affix the Seal, as are set forth in the Articles or in the Resolution of Directors appointing the agent, except that no agent has any power or authority with respect to the matters specified in Sub-Regulation 12.2. The Resolution of Directors appointing an agent may authorise the agent to appoint one or more substitutes or delegates to exercise some or all of the powers conferred on the agent by the Company. The directors may remove an agent appointed by the Company and may revoke or vary a power conferred on him.

## 14. CONFLICT OF INTERESTS

14.1. A director of the Company shall, forthwith after becoming aware of the fact that he is interested in a transaction entered into or to be entered into by the Company, disclose the interest to all other directors of the Company.

14.2. For the purposes of Sub-Regulation 14.1, a disclosure to all other directors to the effect that a director is a member, director or officer of another named entity or has a fiduciary relationship with respect to the entity or a named individual and is to be regarded as interested in any transaction which may, after the date of the entry or disclosure, be entered into with that entity or individual, is a sufficient disclosure of interest in relation to that transaction.

14.3. Provided that the Board of directors of the Company has given prior authorisation by way of a Resolution of Directors (for which purposes the interested director shall not be able to vote), a director of the Company who is interested in a transaction entered into or to be entered into by the Company may:

(a) vote on a matter relating to the transaction;

(b) attend a meeting of directors at which a matter relating to the transaction arises and be included among the directors present at the meeting for the purposes of a quorum; and

(c) sign a document on behalf of the Company, or do any other thing in his capacity as a director, that relates to the transaction,

and, subject to compliance with the Act shall not, by reason of his office be accountable to the Company for any benefit which he derives from such transaction and no such transaction shall be liable to be avoided on the grounds of any such interest or benefit.

## 15. INDEMNIFICATION

15.1. Subject to the limitations hereinafter provided the Company shall indemnify against all expenses, including legal fees, and against all judgments, fines and amounts paid in settlement and reasonably incurred in connection with legal, administrative or investigative proceedings any person who:

(a) is or was a party or is threatened to be made a party to any threatened, pending or completed proceedings, whether civil, criminal, administrative or investigative, by reason of the fact that the person is or was a director of the Company; or

(b) is or was, at the request of the Company, serving as a director of, or in any other capacity is or was acting for, another company or a partnership, joint venture, trust or other enterprise.

15.2. The indemnity in Sub-Regulation 15.1 only applies if the person acted honestly and in good faith with a view to the best interests of the Company and, in the case of criminal proceedings, the person had no reasonable cause to believe that their conduct was unlawful.

15.3. The decision of the directors as to whether the person acted honestly and in good faith and with a view to the best interests of the Company and as to whether the person had no reasonable cause to believe that his conduct was unlawful is, in the absence of fraud, sufficient for the purposes of the Articles, unless a question of law is involved.

15.4. The termination of any proceedings by any judgment, order, settlement, conviction or the entering of a *nolle prosequi* does not, by itself, create a presumption that the person did not act honestly and in good faith and with a view to the best interests of the Company or that the person had reasonable cause to believe that his conduct was unlawful.

15.5. The Company may purchase and maintain insurance in relation to any person who is or was a director, officer or liquidator of the Company, or who at the request of the Company is or was serving as a director, officer or liquidator of, or in any other capacity is or was acting for, another company or a partnership, joint venture, trust or other enterprise, against any liability asserted against the person and incurred by the person in that capacity, whether or not the Company has or would have had the power to indemnify the person against the liability as provided in the Articles.

The Company may have more than one Seal and references herein to the Seal shall be references to every Seal which shall have been duly adopted by Resolution of Directors. The directors shall provide for the safe custody of the Seal and for an imprint thereof to be kept at the registered office. Except as otherwise expressly provided herein the Seal when affixed to any written instrument shall be witnessed and attested to by the signature of any one director or other person so authorised from time to time by Resolution of Directors. Such authorisation may be before or after the Seal is affixed, may be general or specific and may refer to any number of sealings. The directors may provide for a facsimile of the Seal and of the signature of any director or authorised person which may be reproduced by printing or other means on any instrument and it shall have the same force and validity as if the Seal had been affixed to such instrument and the same had been attested to as hereinbefore described.

## 19. DISTRIBUTIONS BY WAY OF DIVIDEND

19.1. Subject to Clause 8.4, the directors of the Company may, by Resolution of Directors, authorise a distribution by way of dividend at a time and of an amount they think fit if they are satisfied, on reasonable grounds, that, immediately after the distribution, the value of the Company’s assets will exceed its liabilities and the Company will be able to pay its debts as they fall due.

19.2. Dividends may be paid in money, shares, or other property.

19.3. Notice of any dividend that may have been declared shall be given to each Shareholder as specified in Sub-Regulation 21.1 and all dividends unclaimed for 3 years after having been declared may be forfeited by Resolution of Directors for the benefit of the Company.

19.4. No dividend shall bear interest as against the Company and no dividend shall be paid on Treasury Shares.

## 20. ACCOUNTS AND AUDIT

20.1. The Company shall keep records that are sufficient to show and explain the Company's transactions and that will, at any time, enable the financial position of the Company to be determined with reasonable accuracy.

20.2. The Company may by Resolution of Shareholders call for the directors to prepare periodically and make available a profit and loss account and a balance sheet. The profit and loss account and balance sheet shall be drawn up so as to give respectively a true and fair view of the profit and loss of the Company for a financial period and a true and fair view of the assets and liabilities of the Company as at the end of a financial period.

20.3. The Company may by Resolution of Shareholders call for the accounts to be examined by auditors.

20.4. The first auditors shall be appointed by Resolution of Directors; subsequent auditors shall be appointed by a Resolution of Shareholders.

20.5. The auditors may be Shareholders, but no director or other officer shall be eligible to be an auditor of the Company during their continuance in office.

20.6. The remuneration of the auditors of the Company:

(a) in the case of auditors appointed by the directors, may be fixed by Resolution of Directors; and

## STATEMENTS MADE BY STUDIO CITY INTERNATIONAL HOLDINGS LIMITED

### Changes in Registrant's Certifying Accountant

On July 17, 2017, the board of directors of Melco Resorts approved the appointment of Ernst & Young and dismissed Deloitte Touche Tohmatsu ("Deloitte") as the independent registered public accounting firm of Melco Resorts and certain of its subsidiaries, including Studio City International Holdings Limited, effective July 17, 2017. The change of the independent registered public accounting firm was recommended by the audit and risk committee of the board of directors of Melco Resorts, or the Audit Committee, and made after the completion of a periodic tendering process conducted in accordance with the charter of the Audit Committee. The decision was not made due to any disagreements with Deloitte.

Deloitte's audit reports on our consolidated financial statements as of December 31, 2016 and 2015 and for each of the years ended December 31, 2016, 2015 and 2014 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During each of the years ended December 31, 2016, 2015 and 2014 and the subsequent interim period through July 17, 2017, there were (i) no "disagreements" (as such term is defined in Item 16F of Form 20-F) between Deloitte and us on any matters of accounting principles or practices, financial statement disclosure or auditing scope or procedures, any of which, if not resolved to Deloitte's satisfaction, would have caused Deloitte to make reference thereto in their reports and (ii) no "reportable events" (as such term is defined in Item 16F of Form 20-F).
